Congratulations to our very own Champion!

Allora's Matthew Denny became Australia's youngest ever men's open hammer throw champion at the Australian Athletic Championships on Saturday by throwing the hammer out of the stadium. His dedication is to be admired and he was also rewarded with silver in the discus event. This adds to his very impressive collection including a World Youth gold medal in the 2013 discus event in Ukraine, and to be the Australian Open Champion at only 18 years of age, the world is at his feet.

Proud parents John & Karen are now packing his bags ready for a month on the European circuit in Germany.

Lara Nielsen (Daughter of former Wattles backrower, Rob Nielsen) also won her third consecutive Open Hammer Australian title at the same meeting. Also congratulations to coach Grahame Pitt who has coached and prepared these two to be Australian champs. To have both male and female title holders in his camp must be very unique.

A much overdue thanks to Glen & Marg Hentschell (they are proudly Matthew's godparents) for supplying and sponsoring the Sports Museum banner of Matthew, hanging on the museum's clock tower. Your support is very generous and invaluable. Thanks also to Uncle Bob (Denny) for donating the support structure.
Seth Has a Need for Speed

Seems the Allora area has another budding sporting identity on the horizon, young 13 year old motorsport enthusiast Seth Mathie amazing many in the local carting world with his exploits. Seth is in action today at Willowbank’s Queensland Raceway in the Ipswich Carting Club Championship Round 3 in his 100 cc Arrow. The Allora State School Grade 9 student has been involved in carting over the past three years impressing with his flair and natural ability. This was evident last year when the young driver from Goomburra started in the Junior ‘C’ competition in the 3rd Round, a whopping 132 points behind the then leader, and eventually won the competition by thirteen points.

It’s been an exciting week for Seth, the young Karting devotee taking delivery of a new motor for his Arrow last Wednesday, with it fitted Saturday the improved car on the track for testing on Sunday. At seems it was only a matter of time before Seth’s enthusiasm for Motorsport surfaced, the need for speed well entrenched in the family blood. The young driver’s Mum Suzanne Mathie was well established as a racer of HQ Holdens and served as Secretary of the HQ Racing Association of Queensland for over a decade.

Seth’s eight year old sister Porscha is also developing at the wheel in the sport of Karting, staking her claims in the 6 hp Vanguard capable of 90 kph driven by Seth in recent years. A member of the Warwick Karting Club that is based at the Sandy Creek Circuit, this is the young driver’s first season on the bitumen after two years of dirt tracks at circuits. Seth has some exciting racing ahead over the next month, competing in Round 1 of the Queensland Karting Club’s Young Gun Titles from April 10th to 12th and eventually winning the competition by thirteen points.

BAD JOKE OF THE WEEK

A little church in the suburbs suddenly stopped buying from its regular office supply dealer. So, the dealer telephoned Fr. Brown to ask why.

"I'll tell you why," scolded Fr. Brown. "Our church ordered some pencils from you to be used in the pews for visitors to register."

"Well, interrupted the dealer, "didn't you receive them yet?"

"Oh, we received them all right," replied Fr. Brown. "However, you sent us golf pencils — each stamped with the words, 'Play Golf Next Sunday.' "

Business Council
In her annual report, retiring chairman of the Allora Business Council Robyn Kenzle outlined the council’s achievements for the year. The main aim of the council was to promote business and development in the shire and town of Allora. Another aim was to develop community pride in the area, and for this purpose the slogan “Allora, the best little town on the Downs” was composed. Activities for the year included the encouragement of the entry of the town in the Tidy Towns competition and the promotion of tourism in the area.

Plans for the coming year included better signage in the town, the setting up of a tourist information map and co-operation with the Show Society to encourage greater public participation in the Show. Mrs Kenzle thanked Councillors Sue Cowley, David Moore and particularly Ding Atkinson for their attendance and interest.

Horse Thief Arrested

A man named James Gleeson, for whose apprehension a warrant was issued by the Warwick Bench on the 16th instant on a charge of stealing two horses, was very cleverly captured on Wednesday by Constable Healy, of the Allora Police. By dint of hard riding, in which he knocked up two horses, the constable got on the accountant’s tracks, and perceiving the smoke from a fire in the scrub near Maryvale station, penetrated the spot, and discovered two men camped — one of them the very man that he wanted, and the other a shepherd who had left Glengallan station. The constable, being in disguise, entered into conversation with Gleeson, who gratuitously gave a very distorted history of the horses in his possession and of his latter whereabouts. He was made prisoner and brought into town on Wednesday afternoon. The prisoner had assumed the name of Ryan while he disposed one of the stolen horses. The police in the district have proved themselves very efficient in the capture of horse stealers, and in the bringing of such gentleness to justice and will, no doubt, be the means of lessening this particular crime amongst us.

ALLORA’S ANZACS REMEMBERED: An Allora Historical Society Project
Throughout Australia, the names of the men who served in every war since the South African War are honoured on Monuments, on Honour Boards in halls and churches and on Memorial Walls. Allora has a unique monument which may not be well known. The names of the men of Catholic faith from the Allora district are honoured on the walls of the Shrine in the grounds of St. Patrick’s Church. Today’s story is about one of those men.

JOHN MICHAEL RYNNE – Played his part in victory at Semakk
The Rynne family originated from Cloun’n’ha in County Clare in Ireland. John’s father, Francis John, came to Australia with his brother and sister. He married Johanna Gibson on 10th November 1884 and they had a family of five children. John the eldest was born in Dalby. The family was living in Allora at the time of John’s enlistment for active service on 24th November 1915. John was born at Talga West at the time. He was given a send-off while on leave prior to embarkation overseas. He was presented with a handsome wristlet watch by the manager and several employees at Talga West.

John, like so many of his fellow serviceman contracted mumps while in transit and was admitted to hospital on arrival at Devonport aboard H.T. “Beltanna” on 10th July 1916. After some time with the 4th Training Battalion, John proceeded overseas to Estaples having been transferred to an infantry battalion. The weather was cold in France and maybe that is why John was absent from 8am parade. He was noted on his Casualty Form that he was penalized 28 day’s pay for this indiscretion.

After several months at the front, John was again admitted to hospital with frost bite. He was transferred back to England for treatment at a War Hospital at Napsbury. John saw active service with the 11th Light Horse Brigade. He was killed in action on 25th September 1918 during an attack on and capture of Semakk in the early hours of the morning. Three officers and sixteen of his mates died in the attack including trooper Robert P Pledger who enlisted from Allora. One of John’s mates wrote “All of his mates also wish you to please accept their sincere sorrow. Your boy was one of my section, and a better man and soldier we never had. Both in the line and out of the line, he was one of the best. All miss him, and so all feel for his good mother”.

Johanna Rynne may have felt some comfort in knowing that the place where John and his mates were buried was in a little cemetery on the edge of town, and directly looking down on the blue waters of the sea of Galilee. After receiving a letter from the Chaplain and a photo of the grave, Johanna wrote to Base Records acknowledging that she had some ‘little consolation to know the circumstances of his death’.

The only personal effect that the Rynne family received was John’s prayer book. A friend of the family bought it home. They would have liked to have received any correspondence or his diary but nothing was forthcoming from Base Records.

The other servicemen whose names are honoured in the Catholic Shrine are Patrick Collins, James Hughes, Michael Joseph Lynam, Timothy Lynam, Edgar Bernard Dunne, John Warfield and James Alphonsus Morrissey.

John Michael Rynne vice-captain of Allora Ranges Football team 1907.

Rotary Trivia Night a Great Success
The Rotary Club of Allora’s Trivia Night is now an annual event and this year was most successful. As one of our major fund-raisers for the year, we were thankful to all those in the community who supported the event and made it so enjoyable and successful. With over 100 participants, the competition was fierce and the final scores saw a three way draw. The winner was drawn out of a hat. Bob’s Yer Uncle was the final winning team with the Goomburra team bunting at their heels. Of course, some questions caused controversy, as is expected in any of these events. The auctioning of ‘wild cards’ did not quite reach the giddy heights of last year’s Trivia Night, but still provided a bit of excitement for the evening. The winning team donated the $400.00 first prize money back to Rotary.

We extend our thanks to Liz Marshall and the Rotary partners who assisted in proving sumptuous refreshments for the evening, to the school for the use of the hall, to the school children who ably assisted in serving refreshments, Robyn Draper for organising the event and being a most competent and patient MC and to all the members of the community who came out on the night to provide support. Our special thanks too those business who provided prizes - Bunnings, Danny Lyons, ISIS and Allora Hardware and to artists Andrew Balmain and Rhonda Jenner for their donations.
Bunny bounds in for Easter Fair

Big smiles, beautiful sunshine and a full day of family fun will be had at this year’s Warwick Tourism and Events’ Easter Fair. In its eighth year, the Fair will see Warwick’s picturesque Leslie Park come alive with Easter themed fun from 9am on Saturday, 4 April. Warwick Tourism and Events CEO Tracy Vellacott, is confident this year’s Fair will be bountier than ever.

“Warwick is the Easter bunny’s ‘unofficial’ home. Our Easter traditions are strongly linked to nature with our eggs hidden in trees, fields and gardens by parents and grandparents,” Mrs Vellacott said.

Instead of just one Easter egg hunt, this year there will be three egg hunts at 9am, 11am and 1pm.

The ‘Boys and Girls’ Brigades will be in charge of games and challenges to keep the kids entertained and the program will include the opportunity to plant your very own native seedling, visit the baby ‘pigs’, get their hair cut by the kids and Event Coordinator Rob Hamilton has been working hard to pull together an awesome children’s program,” Mrs Vellacott said.

The game between the Three Amigos and The Old Boys was interesting. Peter Collins who subs for The Three Amigos played with Lynne and Jim Anderson by one shot. Great to see Peter C, Jim, Tracey, Darren, Cameron and Liz all taking home a raffle prize. Dennis had a chance to cut the cards for the $20.00 Jack Pot.

Rink One (Roombies) was ‘picked out’ for the Winners prize and Rink 5 (Don’t Matter) won the Runners-up prize. Gymn: s very lucky guy to play. Dennis was looking for a win after a tough week.

New details for Easter Fair: 7th April instead of 6th April.

The ‘Warriors’ certainly struggled in front of a large & parochial crowd, but thanks to a late penalty kick for touch, Brodie Ciesiolka threw a dummy & sliced through the Warwick line for ten metres out to have his side ahead 26 – 18. With a minute left in the game, six minutes left on the Father Ranger Oval clock, set up by a couple of gutsy charges by another of their young guns Mitch Duff that laid the foundation for a kick and attempt at two points and a successful field goal and off load to fly back- rower Jordan Bradfield to score.

With Wattles ahead 32 – 18 Warwick scored in the shadow of the full time hooter to lead 32 – 18.

Wattles (Joel Koina, Harry Fulwood, Corey Blades, Glen McMillan, Brodie Ciesiolka, Jason Bradfield tries; Matt Duggan 4 goals) defeated Warwick 32 – 18.

The ‘Warriors’ conclude their season, and are now thinking about the Newcastle ‘Colts’ Cup, which the club is keen to succeed in. The ‘Warriors’ have had a great year and the supporters should be very proud of their efforts.

Allora Bowls Club Notes

Week Eleven - We may have had to wait a bit longer but two rinks played 16 ends, three rinks played 14 ends and two rinks played only 11 ends. Obviously we have some fast players and a few slow coaches. Standstone Solutions did the right thing and advised Paddo at 8 o’clock in the morning that their team was unable to play bowls. Thank goodness we had play-offs willing to substitute. Warwick Lawn Bowls Club was the only home side to have never played before and Peter C. John H, Charles and Peter W were our savages. Two opposing teams could only field two players each so they played second division. The game between the Three Amigos and The Old Boys was interesting. Peter Collins who subs for The Three Amigos played with Lynne and Jim Anderson by one shot. Great to see Peter C, Jim, Tracey, Darren, Cameron and Liz all taking home a raffle prize.
