## Expressions Called for new RADF Committee

Three new committee members are being sought to join the Southern Downs Regional Council Regional Arts Development Fund (RADF) Committee.

The Regional Arts Development Fund is a Queensland Government and Southern Downs Regional Council partnership to support local arts and culture.

RADF Committee Chair, Cr Mally McMurtrie is looking forwarding to receiving nominations and is keen for the three new committee members to build on the skills of an enthusiastic team.

"We are looking for interested community members, who have a passion for the arts and culture, in our wonderfully creative region," she said.

Cr McMurtrie said that the primary responsibilities of committee members include:

- Attend and participate in RADF meetings – generally two rounds per financial year
- Assess RADF applications and outcome reports
- Ensure that the funding allocation is aligned with RADF principles, eligibility criteria and the priorities of Southern Downs Regional Council's cultural plans and policy
- Contribute to the RADF annual bidding process
- Participate in RADF Committee training.

Council is seeking two new committee members from the southern end of the region and one new member from the northern end.

The RADF Program, established in 1991 is a highly successful state and local government partnership that supports professional artists and arts practitioners living in regional Queensland.

Expressions of Interest will close at 5pm on Monday, 6 September 2010. Application packages are available from Southern Downs Regional Council offices, as well as art galleries and libraries in Warwick and Stanthorpe, or by telephoning Sue Organ on 4681 5524.

## ST. PATRICK'S PARISH "views from the pews":

This Sunday children from our faith community will receive the sacraments of Confirmation and 1st Communion during a special Mass at 9.30am. We congratulate these children and their families for undertaking the preparation and commitment to participate in this tradition of the Catholic faith.

The Eucharistic celebration is often referred to as being a central part of the Catholic tradition. It is a time when we share in our communion with Christ and our communion with one another, as members of the 'body of Christ'.

Many would be aware that Mary MacKillop will soon be canonised as Australia's first Saint. Many would also be aware that there is a connection between Mary MacKillop and Allora through the Sisters of St Joseph, the Australian religious order which Mary established. The Josephite Sisters have had a continuous presence in the Allora community since 1916. To commemorate this unique moment in our history, the parish is hosting a one day retreat on Saturday September 11.

This special day of prayer and reflection will be led by Sr Monica Cavanagh rsj, "a time to listen to the whisperings of God through the life and spirituality of Mary MacKillop". The day features four sessions and concludes with the celebration of Eucharist at 4.30pm. The retreat experience is open to all and an invitation is extended to any member of the Allora community. Session three has a special focus on the connection with Allora.

For more information about session times and content please pick up a copy of the Retreat Program from St Patrick's Church.

## ALLORA COMBINED CHURCHES (Anglican, Catholic, Presbyterian and Uniting)

Members of this group wish to place on record their sadness at the passing of long-term member, Glennis Stallman. Glennis was a valued member of our group from its very inception. She had been our primary contact with St. David's community when we were planning our various combined activities such as the Christmas Carols, Lenten and Advent studies, the Palm Sunday procession of witness and the World Day of Prayer. We will miss her enthusiasm, her commitment and her friendship. We will honour her memory in our own continued commitment to Ecumenism.

## Water marks and information wanted for Condamine flood study

Residents living on the Condamine floodplain will receive a flood information survey in the mail over the coming week. Mayor Ron Bellingham said that Council has commissioned Sinclair Knight Merz (SKM) to undertake the Condamine River and Tributaries Flood Study.

"This study will focus on the risk of flooding in Warwick, Killarney, Allora, Yangan, Emu Vale, Tannymorel and Pratten, as well as rural areas along the floodplain," Cr Bellingham said. "The project aims to develop computer flood models of the Condamine River, quantify and map flood risks within the study area, reduce community vulnerability to flooding, and raise community awareness of flooding risks."

SKM are looking for information on previous floods in the Condamine River and tributary creeks and residents are being invited to share flooding information such as records of recent

## Allora State School Spring Fair

The P&C Association of the Allora State School have been undertaking fundraising activities, with their project being to aircondition the Prep classroom. So far, they have held a Wine & Cheese night and sold Footy Doubles for the last two State of Origins. Their next major fundraiser is a Spring Fair on 11 September, to be held at the Allora Showgrounds, from 9am to 2pm. So far, twenty-five stallholders have booked in, with food and drink stalls operating throughout the day. Tickets for raffles and dollar boards will also be on sale. An invitation is extended to the Allora community to attend this fun day.

floods, as well as recorded flood levels and property marks with the study team.

Cr Bellingham urged residents with historical flooding information, to fill out the Residents' Survey and return it to Council by 31 September, 2010 or to contact the survey team. Initially, SKM will collate data on flooding in the area (topographical survey, bridge data etc). This will also include collecting information from the community on previous flooding within the study area. SKM will then use the collated information to build a flood model to represent flooding behaviour in the study area. Based on the flood model, maps of areas at risk of flooding will be produced and presented to the community. SKM will then work with Council and the community to develop options to reduce community vulnerability to flooding within the area.

For more information, contact Tracy Vellacott on 4661 0305 or visit [www.southerndowns.qld.gov.au](http://www.southerndowns.qld.gov.au) and follow the link to the Flood Study. Residents are also welcome to complete the survey online.

## BAD JOKE OF THE WEEK

An exhausted looking man dragged himself in to the Doctor's office. "Doctor, there are dogs all over my neighbourhood. They bark all day and all night, and I can't get a wink of sleep."

"I have good news for you," the doctor answered, rummaging through a drawer full of sample medications.

"Here are some new sleeping pills that work like a dream. A few of these and your trouble will be over."

"Great," the man answered, "I'll try anything. Let's give it a shot."

A few weeks later the man returned, looking worse than ever. "Doc, your plan is no good. I'm more tired now than before!"

"I don't understand how that could be, said the doctor, shaking his head. "Those are the strongest pills on the market!"

"They might be," answered the man wearily, "but it's hell running around all night after each dog to get them to swallow it!"

Allora's Past 100 years ago September 1910

### An Uninterrupted Record

Mr. Henry Mott, prince of Shire Clerks, was unable to be at his usual post at Monday's meeting of the Clifton Shire Council, having fallen victim to an acute attack of the prevailing complaint, influenza. We understand that this is the first time in over a quarter of a century, Mr. Mott has missed a meeting of the body in question, and a record that promised to arrive at the unique in the annals of the Shire Council, (if it has not already done so), has been interrupted. We wish Mr. Mott a speedy recovery, a wish that we hear is already on the way to fulfilment.

(The Clifton Divisional Board was created in 1879. It took in an area from Glengallan to Cambooya less the Municipality of Allora. The headquarters of the board were situated in Allora until June 1891 when they were shifted to Clifton. In 1903 the Clifton Divisional Board was renamed the Clifton Shire Council, from which the Allora Shire Council was formed in 1915).

### Glengallan School of Arts

At last week's meeting of the Clifton Shire Council a letter was received from the Secretary of the Mount Marshall Progress Association asking for Council's approval for the sale of a quarter of an acre of the Glengallan quarry reserve for School of Arts purposes. The inspector was instructed to report, and should his verdict be favourable, the Council will offer no objection.

(As far as the writer is aware, the Glengallan School of Arts did not eventuate. It was not until 1934 that the defunct Railway Hotel Hall was shifted from Hendon, and the Mount Marshall residents had a hall of their own).

## Looking Back...

Allora's Past 25 years ago September 1985

### Sell Out Concerts

The Allora Community Choir under the musical directorship of Michelle Smith, and with accompanists, Lesley Telford and Jan Hoey, gave two sell out performances in the Community Hall on Friday and Saturday nights, 6th and 7th September 1985.

The programme titled "Blowflies, Fiddles, and Ten Gallon Hats" was made up of three parts. The first, "Blowflies", having an Australian theme, with solos by John Denny, Bob Denny, Ted Cowley, John Cowley, Don Burge, and Neil Oloman, backed by the choir and dancers.

"Fiddles" was an excerpt from the musical "Fiddler on the Roof" with a large cast led by Ted Cowley as Tevye and Heather Loveday as Golde. Evan Springate played the part of the Fiddler.

The American themed "Ten Gallon Hats" featured solos by Ted Cowley, John Cowley and Bob Denny. Duets were performed by Joan Finlay and Jenny Hickson, and John Denny and Michelle Smith. A hilarious version of "Nine to Five" was performed by three Dolly Parton "lookalikes", Kerry Kelly, John Cowley, and Barrie Geitz. That old stager, Keith Masters, brought the house down with his rendition of Chad Morgan's "Here I Am".

The whole show maintained the standard of choir formed in 1975 and the audience went home happy.

Allora's Past 50 years ago September 1960

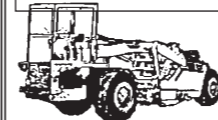

### A Pre Wedding Evening

will be held in the Forest Springs Hall on Saturday Night, 17th September, in honour of Miss Margaret Kelly's approaching marriage to Mr. Allan Darr.

## FATHER'S DAY SURVEY: What Australians plan to buy for dad... & what dad really wants this father's day

Over three quarters (75%) of Australians are planning to splash their cash and buy a gift for Dad this Father's Day, September 5th, with a further 5% planning to show their appreciation by 'doing something nice'.

Beer and wine (16%) topped the list as the most popular gift of choice, followed by gadgets (13%), books (10%), or an 'experience' (8%). Music or sports related gifts both came in an equal fourth place.

But what do Dad's really want this Father's Day?

From the Dad's surveyed, books, gadgets and good food were at the pinnacle of their wish list. With e-commerce a growing trend, it wasn't surprising that over 46% of Australians have bought or plan to buy their Father's Day gift online, with 25% still deciding whether they'll buy in-store or via the click of a mouse.

However, the poll clearly revealed many of us have been somewhat absentminded in recent years with over a third of Australians (36%) previously forgetting to celebrate Fathers Day. Twenty-two percent of whom were male, suggesting their reputation still stands as the more

## Successful business ideas boosted by NEIS

With help from Council's Economic Development Unit and the Business Success Group, fledgling entrepreneurs got a boost last week as they learnt how to turn their feasible business ideas into a reality.

Community Services Officer Sue Organ said that the free Public Information Seminars held in Stanthorpe and Warwick offered an opportunity for local residents to learn more about the Federal Government's New Enterprise Incentive Scheme (NEIS) and opportunities it presents.

"The New Enterprise Incentive Scheme is designed to allow eligible jobseekers access to nationally recognised business training, mentor support and financial assistance to successfully establish and operate their own small business venture," Ms Organ said.

"One of the key benefits of starting out through NEIS is access to free training which accrues towards a qualification in Certificate III in Micro Business Operations or Certificate IV in Small Business Management."

Ms Organ said that as well as 12 months of business mentoring support and guidance, successful applicants receive 12 months of NEIS allowance, affording participants \$462.80 per fortnight, regardless of business profits.

"The NEIS program offers the support to make your business

(L to R): Grant Castner from Castner IT, Steve Collier from Business Success Group and a successful NEIS Applicant (now Business Owner) Damien Malcolm from Stanthorpe, who started up a business called "Affordable Handy Man".

Don't forget your DAD this Sunday, 5th September -

**Stanthorpe claims victory in Ergon Energy Tidy Towns 2010**

Stanthorpe has been named the Queensland Ergon Energy Tidiest Town for 2010. Taking out the State title in this year's prestigious Keep Australia Beautiful competition, the Darling Downs community out-performed 103 other entrants.

The announcement was made by Keep Australia Beautiful Queensland CEO, Mr Rick Burnett at a gala awards ceremony in Mackay on Monday night, August 30.

Presenting the award, Ergon Energy's Chief Executive, Mr Ian McLeod, praised all the entrants and winners for their dedication and commitment to caring for the environment.

He said Ergon Energy's continued commitment after twelve years as a sponsor of Tidy Towns was a tribute to the way the program had remained relevant to regional Queensland for such a long time.

"The Tidy Towns competition started because of a desire to foster sustainable communities, environmental awareness and regional development in Queensland.

"While that focus remains, the spectacular growth experienced in much of regional Queensland during the life of the program has placed enormous pressure on Ergon Energy to expand its network to meet the demand for electricity", Mr McLeod said.

"The billions of dollars we've spent to meet that demand also puts pressure on prices, so I believe the Tidy Towns program is now also about promoting energy efficiency to reduce some of that demand - it is fitting then, that along with being naming rights sponsor, Ergon Energy is also the sponsor of an additional award – the Energy Conservation Champion Award. (won by Tieri)

"And as an added bonus, this year, for the first time, Ergon Energy will sponsor, for the winning town a community event, to be determined in consultation with the winner and designed to foster the sort of community spirit that has marked this program since its inception."

"Stanthorpe has always been a great Granite Belt destination, in Queensland's premier wine region, and boasting more than 45 wineries."

Stanthorpe is rightly proud of its interesting past and is keeping it alive for future generations. Stanthorpe has preserved 10 local historical buildings and has a very comprehensive collection of memorabilia displayed in their Historical Village.

A strong local family research facility funded by the Federal Government has over 16 000 photographs housed in the Jean Harslett Research Centre on the historical site.

The impressive new street-scaping and the efforts of local litter patrol volunteers have resulted in a beautifully clean city to be proud of.

Stanthorpe's Young Delegates take an active role in representing the views of young people to inform council on a number of topics relevant to the needs of the youth.

They are actively involved in workshoping with councillors, senior management and youth workers to develop an annual youth plan with strategies for action.

Projects included a 'Break The Silence' & 'Play Back' Drug and Alcohol Free Youth Concert; a talent quest to find young performers for the Apple and Grape Festival; a Youth Art display in partnership with local businesses to display and sell young artists work; a sports day to raise awareness of the need for a healthy body and a healthy lifestyle and a Community Trivia Night to raise awareness of youth issues.

**Training pays off**

Students from Central Downs schools competed as part of the Central Downs team at the Southern Downs Athletics Carnival held at Scots PGC in Warwick, on 16 August 2010. The Central Downs team wore their newly designed shirts with pride. Jack Bannister's training has paid off, with him breaking Matthew Denny's Discus record by 8 metres, throwing 40.22m. Jack will now go on to the Darling Downs trials in Toowoomba on Thursday, 31 August as a member of the Southern Downs team. Other students in the Central Downs team are Emily Briffa, Emily Craig, Eliza Flynn, Alyssa Free, Ben Gibson, Thomas Glasheen, Lachlan Henry, Ashley Joppich, Nakita Lokan, Jordan McGrath, Paige Owen, Jake Ranger, Matthew Richards, Angelica Rowan, Niki Smith, Hayden Smith, Jesse Tumata, Freya Turkington and Nick Van Der Poel.

IMPORTANT INFORMATION for the inclusion of calendar entries - Clients who advertise their events in The Allora Advertiser in a display (box) advertisement sized at least 2 column x 8 cm, will automatically receive, as a bonus, a calendar entry. These entries will be in a 2 line format as above, starting in bold with date and event, and venue and time. For those clients who phone to place their entry in the calendar prior to advertising, the entry will be included as date claimer only, until the advertisement is booked. If people wish to contact The Allora Advertiser and discuss their particular needs, please feel free to do so. Ph 4666 3128.

### Public Notice

#### Water Act 2000 (Section 25) Limitations on Taking Water

#### Eastern Downs Subartesian Area - Condamine River and Tributaries Alluvium

- This notice is given by the chief executive pursuant to section 25 of the Water Act 2000 ("the Act").
- This notice has effect on and from 1 September 2010, until further notice, for the Alluvial Aquifers of the Condamine River and Tributaries in the Eastern Downs Subartesian Area, listed in Column 1 of the Schedule.
- The Notice effective from 14 November 2009 having effect on the taking of water from the aquifers mentioned in clause 2 is withdrawn.
- The taking of underground water from the aquifers mentioned in clause 2 under water licenses authorising water to be taken for any purpose other than urban purposes or town water supply purposes, is limited as follows:
  - for the aquifer listed in Column 1 of the Schedule, the taking of water is limited for each water year to the percentage of nominal volume listed in Column 2 of the Schedule, and
  - for water licences authorising water to be taken for irrigation purposes - for the aquifer listed in Column 1 of the Schedule, the taking of water is permitted only during the hours shown in Column 3 of the Schedule. (Note: the water year is the 12 month period from 1 September to 31 August)
- Notwithstanding clause 4 of this Notice:
  - the chief executive may give a licensee a notice pursuant to section 25 of the Act, to withdraw and replace this Notice to the extent that it applies to that licensee; and
  - a licensee who receives a notice mentioned in clause 5. a) of this Notice may only take water in accordance with the conditions in that notice.
- Licensees wishing to be given an individual notice mentioned in clause 5 of this Notice should provide the chief executive with a written submission demonstrating why the limitation under clause 4 is unsuitable to the licensee's operation and identifying an alternative limitation.
- The operation of this Notice is not affected by the making of submissions under section 6 of this Notice.
- A person must not take water in contravention of this notice. A contravention of this notice is an offence under section 25(4) of the Act and renders a person liable for a maximum penalty of 500 penalty units (\$37,500).

## GOLF

### Allora Golf Notes 29 August 2010

The competition at Allora last Sunday was a Single Stroke event and it was good to see the fields becoming larger with the warmer weather. It was also nice to see that the club may have attracted another lady member. The winner with a great score of 60 net was Bill Murdoch. That's two wins in a row for Bill who seems to have struck a very rare patch of form. Bill's score was four shots clear of Kev Harrison and Kel Strange who both finished on 64 net and had to be separated by a countback. Kel had the better back nine and emerged as runner-up. Pin shots went to Kev Harrison (8th and 14th), Adam Cummins on the 4th and Kel Strange on the 5th. For the second week in a row, the Eagles Nest went off when Adam May produced a great shot on the 7th. Unfortunately, timing in golf is everything. One week the Eagles Nest is worth forty-two balls, the next week, only two. Congratulations to all the winners.

Next Sunday's (5 September) event will be the Commercial Hotel Monthly Mug generously sponsored by Nick and Ann-Marie from the Commercial. Tee-off will be from 12.00 midday. All players are welcome. Don't forget your sand buckets and remember - to play is to live.

## GOLFER vs. CADDY

**Golfer:** "This is the worst course I've ever played on."

**Caddy:** "This isn't the golf course. We left that an hour ago."

## Junior Warriors win to progress to the Grand Finals.

The under 13 and 14 Wattles Junior Rugby League teams both won preliminary final games on Saturday and will join the 12's in the quest for premierships this Saturday. Wattles will host Grand Final day for the Warwick and District Juniors at Platz Oval so let's ensure a big crowd of supporters is present to cheer on the Warriors as it would be many years since the club has enjoyed having three teams in the biggest game of the year.

**Wildcat Earthmoving U13's** - The 13's were too good for Collegians winning 16 to 6 after leading by 12 to nil at half time. Great defence was the key to the win and the team deserves its place in the Grand Final. Wattles scored after five minutes of play when Blades pounced on a loose ball over the line to touch down. Both teams traded territory for the next eleven minutes until Somes started a raid down the left side, passed to Lewis who did some magnificent work in traffic to get an offload to Lack who beat three defenders and sprinted for the corner for the Warriors to lead 8 nil. With four minutes till half time Somes again made a bust for Morris to back up and send the classy Lack in to score again. The second half was a struggle for both teams and the Warrior defence was superb. After four minutes Lack scored his third try when he backed up a Morris incisive run and beat defenders on his way to the line. Collegians scored their only points with four minutes left on the clock but it was too late and Wattles finished the game on top. Best for Wattles were Somes, Morris, Neilsen, Munro and Lack. The tackle count was led by Morris with 16, Neilsen and Somes 15 and Sharman, Bashford and Blades. Jordan Lewis was terrific and Bashford played with great courage well above his

## BOWLS

### Allora Bowls Club -

Last Saturday's Social Bowls day was a very successful afternoon. Thank you to everyone who turned

up and took part in what was a great day of bowls.

There are two men's one day carnivals coming up that the Allora club are required to attend, these are Tannymorel men's fours carnival on Sunday, 12th September and Warwick men's fours carnival on Sunday 19th September. Please make sure that if a team has been nominated for any carnival that it is confirmed with the games director (Andrew Jakins). Doug Christensen will be holding his presidents day on Saturday 16th October and it is important we get as many people joining us on this day as we can.

Allora men's fours carnival will be held on Sunday 26th September. There are a couple of team vacancies still existing so for any members who are not already involved, please contact Andrew Jakins on 4666 3290 from 8.00am-5.00pm if you would like to nominate a team.

## Ladies Indoor Netball -

Winners from last week were: All Saints, Pink Panthers and Mojo's. This week's draw is:

6.30pm - Allsorts v. Chikerboom (Tiggers);  
7.30pm - Tiggers v. Mojo's (Chikerboom);

8.30pm - All Saints v. NJam (Mojo's); Bye - Pink Panthers.

Thanks again to everyone helping out with umpiring and scoring.

weight. Christensen and Ryan took the ball forward in the ruck and Munro was terrific at fullback. It was a very good team effort and we all wish the team the best of luck this weekend.

**Rod Frahm Real Estate U14's** - The 14's won a nail biter by 24 to 20 only clinching the win with four minutes to go. Collegians started the better and led the Warriors by 16 to nil after fourteen minutes. Dropped ball in Wattles territory did not help the cause and it looked like a tough day was ahead. The team rallied and the injection of Denny made an immediate impact. With six minutes to go to half time James and Denny set the Dragons on the back foot with great forward runs for the ball to then be sent left for Sharman to score a great try to give the Warriors a boost. Soon after Denny again stamped his mark with a 70 metre bust to score under the posts for Sharman to add the extras in the shadows of half time. The Warriors were back in the game and the second half was a tight affair. In the first minute Hibberd finished off some great work on the inside to score a super try which Sharman converted, but took a knock and had to leave the field. Rubie and Henry then controlled the play and in the ninth minute Sharman scored his second after some good forward running early in the tackle count. The Dragons were not done with and answered with a try of their own to level the scores at 20 all with nine minutes to go. With the game in the balance the crowd got behind the Warriors. They rallied and with four minutes left on the clock Sharman scored his third try which was the match winner. Best for Wattles were the workaholic Morris, powerful Denny and Sharman with Rubie, Cavanagh, Hibberd until injured and Henry always trying hard. Willett, Hoey, Ranger and Brown played well when on the field and Wright at fullback made no mistakes. They are now in the Grand Final and all Wattles supporters wish them well on Saturday.

The first game on Grand Final day will be the under 11 Grand Final between Millwood and Goondiwindi and it commences at 9 am. Match times for the Wattles games will be given out at training this week. GO the WARRIORS!

Colin Hoey
