Letter to the Editor...

Dear Sir,

May I, through your paper, pass on the thanks of staff at the Mater Children's Hospital to the many faithful knitters who have supported the project for so many years. I asked what the greatest need was and there was an un-equivocal answer - beanies for babies. All articles are of course, gladly received, and what is not used in the wards is sold through the Shop to raise much needed funds. However, every new-born is dressed with a beanie - essential - and as the number of babies is approximately 10,000, Yes! I did think that may be a typist's error, but yes, 10,000 babies. That equates to an enormous number of beanies in the year.

The sister-in-charge wrote that it is of utmost importance for the new bubs to have their heads covered. So - thank you to all you knitters out there, and please, keep knitting.

Local Anglicans to gather for Back to Church Sunday

The Anglican Parish of Allora Clifton, as part of the Brisbane Diocese, is once again preparing for an influx of new and returning parishioners as part of Back to Church Sunday on September 12.

The Diocese first held the event on February 15 2009. The concept was so successful Australian Bishops voted to unite in an Australia wide 'Back to Church' event for the first time last year.

'Back to Church' is an event that began in the United Kingdom as a special day to inspire hundreds of non-regulars to attend Church on the day. The idea was to invite people to re-connect with their local Anglican Church on a set day. The hope was that people would rediscover their local, caring and welcoming Anglican community.

Brisbane Diocese 'Back to Church' organiser Bishop Jonathan Holland said the day was now an important one on the Anglican Church calendar. "The concept for Back to Church is really quite simple. The first step is for each of us to take the time to think and pray about who we know who might like to come with us to Church on the day. Then we need to invite that person and accompany them.

"We all know of people who may have had a past connection with the church - whether through a baptism, a wedding, or some other meaningful event - and some times a special invitation is all that it takes for a person to reconnect with their local faith community.

Bishop Jonathan said he hoped that as many people as possible could take advantage of Back to Church Sunday this weekend. "Everyone is welcome and we hope all who come to Church on Sunday enjoy the experience and begin a long connection with their local parish"

Last year around 100 parishes took part in each event. A similar number are expected to participate this year.

Wardens from the Allora Clifton Parish, Ashley Gillam and Allan Darr, are hoping for an enthusiastic response from local parishioners of the Clifton and Allora districts: "This is a practical way for us to reach out to people in our area and to share our journey. This sort of day helps us grow in spirit and gives us an opportunity to display the genuine care and compassion that we have as a group, for our broader society".

The times of the church services were 8am at All Saints Anglican Church in Clifton and 10am at St David's Anglican Church, Allora.

The wardens admitted that the challenge ahead was to remain connected with newcomers so that they know that the warm welcome they receive is not a one off, but is part of our normal Church community.

SOUTHERN DOWNS POULTRY CLUB AUCTION

Well it's that time of the year again, when the great and the good from the world of poultry gather at the Allora Showground on 18th September. The Annual Poultry Auction will commence at 9.00am in the Poultry Pavillion providing no problems regardless of the weather.

Chickens quite literally add "life" to your life, providing a source of joy and relaxation after a stressful day. Chickens are such characters and many are so attractive that it's easy to want each and every breed. However, before making a final decision on what type suits you, it is as well to spend some time at shows and exhibitions, taking notes and talking to breeders.

Success with poultry relies on practical knowledge and those with the greatest knowledge tend to be the most experienced. So the opportunity to pick the brains of the experts in the friendly surroundings, really is something not to be missed.

Poultry make great pets, are fairly hardy and relatively cheap to feed, and reward you with beautiful fresh eggs. There will be a large selection of bantams, larger breeds of fowls, guinea fowl and water birds to choose from.

The auctioneer for the day is renowned breeder, judge and auctioneer Midge Thompson from Nanango.

The canteen will be open from 8.00am onwards offering hot and cold refreshments with a hot breakfast and lunch also available.

Queries can be made by contacting President: Lee Hess 07 4696 4198 or Ernie Young 07 4666 3880.

BAD JOKE OF THE WEEK

A man appears before a judge one day, asking for a divorce. The judge quietly reviews some papers and then says, "Please tell me why you are seeking a divorce."

"Because," the man says, "I live in a three-story house."

The Judge replies, "What kind of a reason is that? What is the big deal about a three-story house?"

The man answers, "Well Judge, one story is 'I have a headache' and the second story is 'It's that time of the month' and the third story is, 'NO... we'll wake the children'".

Maryvale community meeting next week

Councillors are set to undertake their second round of community meetings for 2010 with Maryvale and surrounding areas kick-starting the consultation program. Earlier this year, councillors and senior staff sought feedback on local issues from residents across the region, with areas such as youth, planning, water and roads of greatest concern to residents. On the heels of a hotly debated new differential rating system, Council's Manager Community Development, Sheila Stebbings

Siege at Elands River

Some of those over the age of 60 will remember the story in the Grade VIII social studies syllabus of the "Relief of Mafeking". Few would know that one of the men who helped end the 217 day long siege of the South African town during the Boer War was Allora born, Charles Deacon. Pte. Deacon was a member of the 3rd Queensland Mounted Infantry and within a few months would find himself caught in a siege of his own.

SEPTIC TANK CLEANING
WARWICK – ALLORA – 4661 7513
DARLING DOWNS SEPTIC SERVICE

expects a large turnout of residents throughout this round of meetings.

"These community meetings provide an opportunity for a two-way exchange of information between residents and councillors and senior staff, Ms Stebbings said.

"I expect there will be frank discussion in regard to the rates model and other debates and programs currently before Council, as well as the Condamine Flood Study, which is also out for community comment at the moment."

Residents keen to attend the Maryvale meeting should forward questions they would like answered to sheila.stebbing@southerndowns.qld.gov.au or phone Sheila on 4681 5520 by Monday, September 13.

"By submitting questions ahead of time, the team can target the appropriate officer for the correct answer, rather than having to answer in an ad hoc or ill-informed manner on the night," Ms Stebbings said.

Residents are also encouraged to speak with Sheila to suggest agenda items for community meetings.

The community meetings program is an annual initiative by Council. Meeting locations will change within the small clusters of townships over time, with November meetings reserved for Warwick and Stanthorpe residents, in order to coincide with the release of Council's annual report to the region's major communities.

The siege took place at Elands River and was one of the most remarkable engagements of the Boer War. Five hundred "colonials", 300 Australian and 200 Rhodesian, found themselves surrounded by between 2000 and 3000 Boers. The Boers held the high ground and were equipped with artillery. The normally mobile mounted troopers found themselves in a fixed position for the first time. The artillery took a heavy toll on the horses and accurate snipers caused the troopers to water the remaining horses at night.

Pte. Charles Deacon

When called on to surrender by the Boer commander, Colonel Hore, the British C. O. said "Even if I wished to surrender to you-and I don't- I am commanding Australians who would cut my throat if I accepted your terms".

After two unsuccessful attempts at relief by outside forces, the siege was finally ended after twelve days with a force led by General Lord Kitchener. Casualties amongst the men amounted to 80, with 20 killed. The troopers were forced to walk the 80 miles to Mafeking as only 56 horses survived.

On his return to Australia in 1901, Charles Deacon joined the newly formed Australian Light Horse in which he rose to the rank of Lieutenant-Colonel.

The Allora Historical Society has supplied details of letters written home by Pte. Deacon and published in the Allora Guardian, for a book that is currently being written about the siege at Elands River.

Dave's Delectable Dish...
**Spinach and feta rolled beef
fillet roast**

Serves: 6
Preparation time: 15 minutes
Cooking time: 40 minutes

INGREDIENTS
1 kg beef eye fillet
1 bunch English spinach, leaves washed, blanched and squeezed dry
100 g sundried tomatoes in jar and reserved oil
40 g feta, crumbled
200 g prosciutto slices
roast parsnip, carrot, potatoes or green salad

METHOD
Preheat oven to 200°C. Slice beef fillet lengthways by cutting, as you would slice open a baguette, leaving 2cm of the fillet uncut. Open out the fillet. Place half the spinach on the fillet, then sundried tomatoes and feta. Lay the remaining spinach over the top and bring the fillet together to close. Lay the prosciutto slices over the fillet to cover, then tie the fillet at 4cm intervals with kitchen string.
Place the beef in a roasting dish and spoon over about a tablespoon of oil from the sundried tomato jar. Roast for 30 minutes for rare, 40 minutes for medium and 50 minutes for well done. For ease and accuracy use a meat thermometer.
Remove beef, cover loosely with foil, and rest beef for 15 minutes before carving.
Slice beef and serve with the roasted vegetables or salad.
Serve with roast vegetables or a green salad.

TIPS
• Suggested roasting times per 500g for: Rib eye/scotch fillet, rump, sirloin, fillet/tenderloin, standing rib roast, rolled rib beef roast. Cook at 200°C. Rare 15-20 min per 500g, Medium 20-25 min per 500g, Well done 25-30 min per 500g.

WINGS OVER WARWICK

The annual 'Wings Over Warwick Fly-in' at Warwick Massie Aerodrome is on again and this year is shaping up to be bigger and better than ever.

War Birds will be on display and offering Joy-Flights around the Darling Downs. Also on display and flying will be a large range of General Aviation and Recreational Aircraft... something for everyone.

Queensland Recreational Aircraft Association President Kelvin Hutchinson confirmed that "this year we have been able to secure a wider range of aircraft to add to our already impressive track record of having a unique range of aircraft both static and in flying activities".

Hutchinson advised "the activities get underway from 8.00am and conclude around 2.00pm and BBQ food and drinks will be available throughout the day".

This year Wings Over Warwick is on Saturday 11th September and with the recently upgraded airstrip and facilities it's shaping up to be the biggest and best aviation event yet on the Darling Downs.

A Jabiru J160C will be available for trial flights with the local Flight School operator Rob Behrend at the controls. If you

have ever thought about learning to fly here's your chance. Kelvin Hutchinson advised that the most exciting aspect of the day will be the wide range of recreational aircraft now available and on display and news that learning to fly can be achieved now for under \$4,500. Come along to see how. For further details go to www.qraa.info

COUNCILLOR COMMUNITY MEETINGS

Councillors are continuing their program of annual community meetings across the Southern Downs. These meetings are intended to improve communication between Council and all communities, provide an opportunity to share information, and allow for feedback to Council on local issues.

A meeting will be held on **Thursday, 16 September, from 7.00pm to 8.30pm** in the School of Arts Hall, Maryvale. Residents of Maryvale and surrounds are invited to share information about local and regional issues with Councillors and senior staff.

Residents should send questions they would like answered at the meeting to sheila.stebbing@southerndowns.qld.gov.au or phone Sheila on 4681 5520 by Monday, September 13. Submitting questions ahead of time will enable Council officers to source the correct answer from appropriate officers, rather than having to answer in an ad hoc or unqualified manner on the night.

Under 13 premiership winning team from last weekend's Grand Final Match day.

Junior Rugby League Grand Final Day

Warwick and District Grand Final day hosted by the Wattles Junior Rugby League at Platz Oval was a beauty. The finals were very closely contested and the premierships were spread across five clubs from the five games. The Warriors stood tall and went very close in all three grades contested. The Wattles under 13's reigned supreme for the club and have now won back to back premierships. There was a very big crowd in attendance to witness five very good games of junior rugby league.

Ryanie for Tyres U12's - The under 12's took the game right to the wire with the Suburbs Hornets winning in golden point extra time by 18 to 14. The Warriors gave their all and the game was a contrast in the two halves with the strong northerly breeze a distinct advantage. The first half was all Wattles as they piled on three tries. Front rower Matt Timbs crashed over and then gave a great offload in traffic close to the line for captain Tom Morris to score. The team enjoyed a territorial advantage but the Suburbs defence was determined and hard to crack. Max Rubie scored the Warriors third try with a super effort and Paul Christensen kicked a conversion. Wattles led 14 to 4 at half time and kept the Hornets attack at bay with good defence however the Suburbs lads answered the Wattles first half effort with two tries to level the game at full time. In the first five minutes of extra time the Warriors tried hard to cross the

What if airlines were like computer operating systems?

Mac Airlines
All the stewards, captains, baggage handlers, and ticket agents look and act exactly the same. Every time you ask questions about details, you are gently but firmly told that you don't need to know, don't want to know, and everything will be done for you without your ever having to know, so just shut up.

Air DOS
Everybody pushes the airplane until it glides; then they jump on and let the plane coast until it hits the ground again. They then push again, jump on again, and so on...

UNIX Airways
Everyone brings one piece of the plane along when they come to the airport. They all go out on the runway and put the plane together piece by piece, arguing non-stop about what kind of plane they are supposed to be building.

Windows Air
The airport terminal is pretty and colourful, with friendly stewards, easy baggage check and boarding, and a smooth take-off. After about 10 minutes in the air the plane explodes with no warning whatsoever.

line coming close on many occasions. During the second period a smart try to Suburbs from near half way broke the deadlock and the Suburbs boys had won a gripping final. For the Warriors everyone was great with all players displaying courage and commitment throughout. Max Rubie was again superb and won the Man of the Match award for his outstanding effort in a losing side. Joe Willett, Harry Shooter, Rubie, Jack Bannister, Morris, Liam Duncan until injured and James Moore led the defensive effort. The 19 lads have had a terrific season and can be justifiably proud of their effort for the year. Thanks to Coach Peter Cavanagh and support staff Colin Hoey, Tim Somes and Mark Duggan for helping the team throughout the year.

Wildcat Earthmoving U13's - The 13's won the premiership with a very good team effort over Goondiwindi by 22 to 14. Joe Morris opened the scoring for the Warriors after ten minutes following a terrific kick and chase downfield by Evan Lack who tackled the Boars player in goal for the loose ball to be pounced on by Morris in the corner. Goondiwindi answered in the last minute of the half with a try which locked the score at 4 all at half time. Wattles were running into the strong wind in the second half it looked a tough game to win. Goondiwindi scored an unconverted try after four minutes to take the lead. The Warriors answered four minutes later when Max Somes burst his way to the try line from 25 metres out to level the scores. Six minutes later Somes was in again out wide and Bashford's kick just missed. Goondiwindi then answered with a converted try to lead by 14 to 12 with nine minutes left on the clock. The teams traded territory and a Boars mistake with 5 minutes left gave the Warriors a chance. The team got to within 10 metres of the line and on the last tackle with defence looming Dalton Neilsen grubbered to the ingoal for Mason Blades to dive on the ball for another change in the lead. The Warriors then held on and in the dying minutes Joe Willett scored a try which Bashford converted to seal the premiership. Max Somes won the Man of the Match award for his great performance. Neilsen must have been a close second giving an undeniable courageous effort for the whole game. It is very hard to single out players as it was a superb effort across the field however Morris, Lack and Bashford gave everything they had for the full game. Fullback Kyle Munro was again rock solid and often

nineteenth minute Sharman finished off a terrific Joe Hibberd incisive run with a converted try under the posts. The Warriors looked to have the upper hand but were unable to apply enough pressure to get more points which would have been very valuable prior to half time. Wattles did not start the second half well with a ball going dead from the kick off to allow the Boars to attack immediately. They capitalized and scored a converted try in the left corner. Soon after the Warriors right side defence was found wanting again and the Boars took the lead with another converted try. The Warriors tried hard but were not able to score the points needed to bridge the gap. The team lacked patience at times and some mistakes proved costly. Late in the game when in Boars territory they came close to snatching a win but very good defence from Goondiwindi held the lads out. Whilst not winning the team have had a good year coming from third position to make the Grand Final. Jack Rubie, Morris, Mitchell Duff, Jacob Cavanagh and George Hoey played very well with Hoey combining with Jeremy Wright to save what seemed a certain Gundy try late in the game. Congratulation to the team for their fine season. which has had interruptions due to injury. Thanks to coach Shaun Henry and assistants throughout the season.

The Wattles Juniors end the season with a trophy presentation evening this Saturday commencing at 4 pm. The venue is Platz Oval and a BBQ will follow the presentation of trophies. The bar will be open and it should be an enjoyable evening. The trophy presentation will commence at 4.30 pm sharp.

Allora Golf Notes 5-10-10

There was no play on the weekend due to the well needed rain but there are some dates to be reminded of for the upcoming months. This Sunday will be the Commercial Hotel monthly mug followed by the Jenco Feeds and Seeds Monthly Medal.

The 10th October is the AllClif shield held in Clifton which we will be aiming to win again this year. 17th October is the Terry Masters day which is a 3 ball ambrose and bowls, everyone is welcome to play. We will be holding the inaugural Allora golf open on 21st November where we will be hosting players from around the districts to see who can conquer the much talked about Allora Golf course. We also have the Dalrymple seat and the Golfworld ambrose with dates to be confirmed in the next week.

So there is plenty of golf coming up and with the beautiful weather we are having now is the time to pull out the sticks from the shed and come and enjoy a friendly and very social game of Golf!

Don't forget your sand buckets and remember - to play is to live.
