Morning Tea for the School of St Jude -

Recently, a morning tea was held to raise awareness for the School of St Jude in Tanzania. Thanks to Felicity Philp for hosting and organising the great day. The event raised over \$110!! (this amount builds one square metre of school building in Tanzania). Thanks also to Pure Heaven in Stanthorpe and Narelle Henry and Barb Sugden for donating the raffle prizes. The School of St Jude, for those of you who don't know, was founded in 2002 by Gemma Sisia (nee Rice). Gemma was born and raised near Armidale. Gemma works and travels tirelessly to raise money for the school. Her dedication is awe inspiring and truly inspirational.

Gemma has made it possible for the very poorest of children in Tanzania to be educated in a manner that may hopefully see them become great people in their country and maybe the world. One of the aims of The School of St Jude is to break the poverty cycle for students and their families.

Narelle Henry who has just returned from visiting her daughters who volunteer in the school, brought along her photo albums. She also shared some of the Tanzanian stories of sadness and hope.

Those that took part in the morning tea watched a DVD which documented the lives of some of the families whose children attend the school. The DVD shows the heartbreaking plight of these families in Tanzania but also demonstrates the wonderful gift of hope they now have with their children receiving a world class education.

If you and your family would like to watch the DVD mentioned above, contact St Patrick's School Allora. For those wanting more information on The School of St Jude and how you can help visit www.schoolofstjude.co.tz

Hi-Tech Stock Transport

Keep your eye open for a new hi-tech stock transporter on our local roads from now on. On Saturday the new rig turned a wheel for the first time outside Allora Butchery for our photo shoot.

Allora livestock agent Mr Noel Veal commissioned Hendon engineer John Schelback to build the fully removable and customisable stock crate. The crate, which is 22 feet long and is fitted with internal dividers and side loading, as well as rear loading doors, is mounted on a Hino chassis, which also incorporates a Hiab crane.

The Hiab allows the driver/operator to remove the crate in one go, thereby converting the truck into a flat bed unit suitable for general carrying duties such as bales and grain, and makes it easy and quick to load and unload the cargo.

Keeping things local, the signage was also made in Allora by Janylle Henry, and finished by McCosker Signs of Warwick.

The new enterprise, which will cover Toowoomba, Warwick, Stanthorpe and our local surrounding areas, is now up and running and has already been contracted for stock haulage duties by Stocktonvale Pastoral, Allora Butchery and the Hendon Valley and West Talgai Feedlots.

Rates in less than two weeks

To receive a 10 per cent discount, Southern Downs' ratepayers will need to pay their rates by next Monday, 27 September.

Director of Corporate Services, Andrew Ireland said that with less than two weeks before discount cut-off, Council had collected just 34 per cent of rates with \$23 million still outstanding.

"Rates must be paid in full by the close of business on Monday, 27 September to receive the 10 per cent discount," Mr Ireland said.

"Discount will not be allowed on payments made after 5pm on that day."

Mr Ireland urged any ratepayer who has not received a 2010/11 rates notice to contact Council's Customer Service staff.

Stanthorpe and Warwick offices will be open from 8am to 5pm and the Allora office from 1pm to 5pm to assist those making payments in person. A variety of other payment methods are also available.

Former Warwick Shire residents can also pay in person at the Dalveen and Leyburn Post Offices or any Warwick Credit Union branch, with former Stanthorpe Shire residents also able to pay at any post office.

Payments can be made by post via cheque or money order, by direct debit or Bpay, or online at www.southerndowns.qld.gov.au. However, the Allora office does not accept over-the-counter cash payments above \$150, but will happily accept

Back to Work program

Learning Network Queensland's Warwick Centre is now offering a Back to Work program which is a funded training opportunity with no cost to approved applicants. This program focuses on Computer Basics and Workplace Skills to build vital skills for: Job seeking, Further Learning and Volunteer Work.

The Back to Work course is funded by the Department of Employment, Economic Development and Innovation's Skilling Queenslanders for Work Initiative.

For further information phone Robyn Hutley Coordinator LNQ Warwick on 07 4661 5804 or visit the centre at Southern Queensland Institute of TAFE, Room D18, 176-202 Dragon Street Warwick QLD 4370.

cheque or card payments in the office for amounts in excess of \$150.

Ratepayers paying by Bpay should check with their financial institution to determine the exact time that payments will be transferred to Council, to ensure the payment reaches Council before 5pm on the day.

"Problems can arise because different banks have different cut off times and there is a danger that rate payments not made by the bank's cut off time will lose the discount," Mr Ireland said. He asked that residents using Bpay quote the biller code and reference found in the BPay section on the front of the rates notice. For internet payments residents can use the billing number on the top of the rates notice.

Any rate enquiries should be directed to Council's Customer Service Staff on 4661 0300 (Warwick) or 4681 5500 (Stanthorpe).

Allora Races

The Allora Amateur Racing Club ran off a programme of amateur events on Saturday last. The attendance did not rise much above the average, but the racing was interesting and the finishes in some cases absorbingly close, a fact which spoke volumes for the judgement of the handicappers, Messrs. M. Corden and L. J. Buckley. The arrangements were as usual carried out in a manner that left nothing to be desired by Mr. H. Geitz and his committee. Messrs. F. Goldsby and W. A. Cameron made no mistakes in their decisions as judges, Mr. W. McMillan despatched the contestants on even terms and Mr. A. A. Cameron weighed out the riders expeditiously and well. The day passed off without unpleasantness of any kind. A number of pencilers were carrying on operations and speculation was fairly brisk.

The main race, the All-Comers Stakes, was taken out by F. H. Kates' Mistake (10-5) from D. Geck's Lady Mint (10st.) The settling up took place in the Commercial Hotel the same night, Mr. F. Goldsby occupying the chair.

To the Editor

Sir, I would like to ask through your columns, who is responsible for the disgraceful state of affairs shown at the Memorial Park (so called). We were rather proud of our monument and an effort was made to better matters by planting a few trees. Now it is a cattle run; the protecting fences are lying on the ground, the trees are destroyed, and the monument in danger of toppling from cattle rubbing against it.

I think that it must be handed over to the care of Botha & co.

Yours etc,

CITIZEN

BAD JOKE OF THE WEEK

A pastor was preaching an impassioned sermon on the evils of television.

"It steals away precious time that could be better spent on other things," he said.

He advised the congregation to do what he and his family had done.

"We put our TV away in the closet."

"That's right," his wife mumbled, "and it gets awfully crowded in there."

Keep children busy these holidays

The Warwick Library is the perfect place for crafty kids over the September school holiday break.

Librarian Marianne Potter has planned some special craft activities outside normal library hours to keep creative children busy.

The first special activity suits children aged three and over who can create crepe flowers to celebrate the arrival of spring.

"We supply all the material they need and children can make a whole bunch of crepe flowers if they like," Ms Potter said.

"The crepe flower making activity will be held on 22 September from 9 to 10am."

The fun continues at the same time on Thursday, 30 September with 'gift card mania'. Children can create amazing gift cards for all occasions.

There are limited places available in each craft session so bookings are essential.

All holiday activities will be held from 9.00 to 10.00am. The library will be closed to the public so participants need to knock on the door.

The Library also has a host of great activities suitable for all school children during regular library opening hours, including computer games, board games, play station 2, jigsaw puzzles, a holiday activity table and, of course, book reading.

For more information on what is happening in the Warwick Library, contact Librarian, Marianne Potter on 4661 0342.

Blue Care receives national acclaim for safe driving

A Queensland organisation best known for its 'blue nurses' has won national praise for encouraging driver safety among its staff, winning an Australasian Fleet Managers Association (AfMA) award in Melbourne on Friday night.

There were three categories in the 2010 Fleet Awards and Blue Care, a leading not-for-profit community health and residential aged care provider, won the esteemed Fleet Safety Award. Blue Care's fleet of 1452 vehicles travel more than 32 million kilometres each year to provide vital care for the frail aged and people living with a disability.

Blue Care Executive Director Stephen Muggleton said it was an honour for Blue Care to accept the award and he paid tribute to the organisation's 10,000 staff and volunteers.

"In 2008 we introduced a series of driver safety and environmental educational initiatives aimed at supporting safe driving and reducing our organisation's carbon footprint," he said.

"This award is a reflection of our staff and volunteers' commitment to embracing those initiatives and the hard work by our Fleet Services Unit and industry partners to deliver it."

Blue Care's research projects and driver education programs were delivered in partnership with:

The Royal Automobile Club of Queensland (RACQ); Centre for Accident Research and Road Safety (CARRSQ) at The Queensland University of Technology and;

Webfleet Fleet Management Services.

Blue Care Fleet Services Manager Mark Stephens said more than 3000 staff and volunteers attended the driver education programs throughout the state, and all 260 centres utilised the drive-safe resources produced with the theme, 'Drive safe, people are depending on you'.

"The education and research programs have resulted in a 16 per cent reduction of carbon emissions, 35 per cent reduction in the number of third party accidents and 25 percent reduction in traffic infringements in the past 18 months," Mr Stephens said.

"Our staff travel in varying and congested road conditions across cities and in rural and remote locations; and while they are focussed on the care of others, this education has reminded them of the importance of their own wellbeing as well."

Research and new technology trials introduced at Blue Care since 2008 to further enhance vehicle safety include satellite tracking and reversing sensors and cameras.

Blue Care started as the Blue Nursing Service in 1953 and has grown into one of Australia's leading providers of community health and residential aged care, caring for more than 12,500 people every day. Allora's Blue Care office is located at Cnr. Warwick & Forde Streets and can be contacted on 07 4666 3565.

Dave's Delectable Dish...

Roast lamb with lemon and honey

INGREDIENTS

1½ kg easy carve lamb leg
 2 tbsp olive oil
 1 tbsp lemon juice
 2 cloves garlic, peeled and sliced
 2 tsp warm honey
 roasted tomatoes, roasted potatoes and steamed green beans to serve

Serves: 6
 Preparation time: 5 minutes
 Cooking time: 90 minutes

METHOD

Preheat the oven to 180°C. Mix olive oil, lemon juice, garlic and honey. Season the lamb with salt and pepper. Place lamb in a large oven bag. Pour lemon and honey mixture over lamb. Tightly tie the end and cut 3 slashes in the top of the bag. Place lamb into a roasting dish, roast for 1 hour for rare, 1 hour and 15 minutes for medium, or 1½ hours for well done. Remove lamb from oven and rest for 15 minutes before carving. Carefully remove lamb from oven bag, place lamb on a serving plate and pour over any juices. Serve with roasted tomatoes, roasted potatoes and beans.

TIPS

- Suggested roasting times per 500g for lamb: lamb loin (boned and rolled), leg or shoulder (bone-in), easy carve leg or shoulder
- Cook at 180°C. Rare 20-25 min, Medium 25-30 min, Well done 30-35 min.
- Judging your roast's degree of doneness using a meat thermometer. The internal temperature for: Rare - 55-60°C, Medium rare - 60-65°C, Medium - 65-70°C, Medium well - 70-75°C, Well done - 75°C.
- You can also use tongs to test the roast's doneness. Gently prod or squeeze the roast - rare is very soft, medium rare is soft, medium is springy but soft, medium well is firm and well done is very firm.
- Roasts need to rest for about 10 to 20 minutes before carving. This gives the juices in the meat a chance to redistribute, giving a moister and more tender result.

Liam and Katie Fly Wattles Flag
The Wattles Rugby League Football Club were out in force on Friday evening with a contingent of committee members, supporters and players attending the 2010 Toowoomba Rugby League Presentation Function at Rumours in Toowoomba. Wattles 18 year old "A" Grade star Liam Ross was recognized for a stellar season in the "green & gold" colours being named in the "2010 WIN TV Rising Star team". Wattles were also very capably represented by "Ambassador" Katie Whittaker of Allora. Katie was a wonderful representative for the club in the Toowoomba Rugby League "Ambassador" Quest, with her partner on the night Wattles first grader Brady Glass. Twenty year old Katie, a first year nursing student at the University of Southern Queensland, stepped in to the Wattles "Ambassador" roll when her elder sister Holly was forced to withdraw. Both Holly and Katie have been outstanding in their fundraising efforts for the Wattles club, with Katie's next money making venture the Wattles Race Day at Clifford Park in Toowoomba this Saturday. The Wattles Rugby League Club is immensely proud of the efforts of Holly, and now Katie, as the clubs 2010 "Ambassadors". The winner of the 2010 Toowoomba Rugby League Ambassador Quest was Dalby Rugby League Club entrant Lisa Land.

Liam Ross has been one of Wattles outstanding players in what has been a difficult year on field. Still Under 18 qualified, Liam shone throughout in the Colts grade, a lock forward capable of regularly busting the line and a fearless defender. He was also regular in "A" Grade, therefore playing two demanding matches on most match days. In top grade Liam featured mostly at hooker, giving crisp dummy half service while always a danger running the ball. This season Liam scored three tries in "A" Grade and another nine in the Under 18 Grade. He was selected in the hooker roll in the "Rising Star" team. Gatton "A" Grade mentor Russell Jones was named coach of the side. Earlier in the 2010 season the gifted utility player was a mainstay in the Toowoomba "Clydesdales" Under 18 side the contested the early season "Mal Meninga Cup", a state wide competition. He has represented at all age groups as he developed into the talented player we see today, wearing the representative colours of Darling Downs Schoolboys, Warwick & District Junior Rugby League, the Toowoomba "Clydesdales" and the South West "Mustangs". Liam Ross' rugby league talents blossomed early, a winner of the prestigious Wattles Junior Rugby League Club "Player of the Year" award in 2004 when only 12 years of age. Last year, his initial year in the senior competition ranks, Ross was named

Wattles "Junior Footballer of the Year" after stunning first season in Under 18 Grade, and also shared the season "Player's Player" award with team mate Brad Hay. 2010 Toowoomba Rugby League "Player of the Year" is outstanding outside back Jamie Dodt of the Gatton "Hawks". Runners-up to Dodt were classy Dalby "Diehards" centre Luke Wright and gifted Valleys halfback Matt Duggan. Dodt was also the "Top Tryscorer in A Grade" touching down on 24 occasions. Former Wattles player Luke Brosnan, now with the Warwick "Cowboys", was named in the senior grade "The Chronicle and S. & K. Drilling Team of the Year".

Allora Golf Notes

12 September 2010

Members played a Single Stroke competition at Allora last Sunday to decide the winner of the September Monthly Mug kindly sponsored by Nick and Ann-Marie from The Commercial Hotel. The weather was beautiful and the course was in great condition resulting in great golf and low scores. The winner with 60 net was Adam Cummins. Obviously, Adam's dedicated hours of practice are paying off. The runner-up on 61 net was Max Bielefeld playing first-up after a self-imposed lay-off. Max finished ahead of Phil Watt in the countback after Phil also shot 61. Pin shots went to Kev Harrison (4th and 16th), Adam Cummins (3rd), Neil Chandler (7th), Adam May (12th) and Lindsay May on the 13th. Kev Harrison (alias Eagle Eye) took out the Eagles Nest on the 16th hole. That makes it twice in three rounds for Kev. (Will somebody please move that cup!) Congratulations to all the winners.

Next Sunday's (19 September) event will be the Jenco Feeds & Seeds Monthly Medal generously sponsored by Jenco. Tee-off will be from 12.00 midday. All players are welcome. Don't forget your sand buckets and remember - to play is to live.
