## Newcombe Charbrays Grand Champion at Allora Show -

Pictured above is Tiffany Newcombe, Jayne Newcombe & Denise Newcombe with "Newcombe's Eliza" which was named Grand Champion Charbray Female at the 134th Allora Show on Saturday. Newcombe Charbrays of Goomburra also tasted success with "Newcombe's Elsdon" taking the honours for the Grand Champion Charbray Bull and Supreme Champion Tropical Bull.

## BAD JOKE OF THE WEEK

Jim asked his friend, Tony, whether he had bought his wife anything for Valentine's Day.

'Yes,' came the answer from Tony who was a bit of a chauvinist, 'I've bought her a belt and a bag.'

'That was very kind of you,' Jim added, 'I hope she appreciated the thought.'

Tony smiled as he replied, 'So do I, and hopefully the vacuum cleaner will work better now.'

### Combined Churches of Allora (Anglican, Catholic, Presbyterian, Uniting)

The year moves on quickly and we should note in our diaries Ash Wednesday, 22nd February, and Palm Sunday, 1st April, in preparation for the great Christian feast of Easter Sunday, 8th April.

Ash Wednesday begins the season of Lent and you are invited to join one of the 3 groups which meet for Bible study, prayer and sharing during this period. The theme for the programme this year is "Towards the Light", from the ashes of Ash Wednesday to the light of the Resurrection. It doesn't matter if you have no regular church affiliation; As Jesus said "Come and see". Everyone is welcome. St. David's Anglican Hall - Thursdays, at 1.30pm. St. Patrick's Catholic Meeting Room - Thursdays, at 7.30pm and also Friday at 10.00am.

The programme begins on Thursday, 23rd February for the period of Lent up to Palm Sunday. Please consider being a part of this programme. The rewards will be yours.

### Applications for community grants close this Friday

Round 2 of Council's General Grants program closes for applications this Friday, February 17, 2012.

The General Grants Program focuses on supporting local initiatives, local organisations, and projects that enhance community wellbeing and opportunity.

Eligible community organisations are encouraged to apply for assistance for proposed activities or projects in Round 2.

In addition, Council is inviting eligible community groups planning to hold activities or events in Seniors Week 2012 (18 - 26 August), to apply for assistance in this Round up to a maximum of \$150 under the Monetary Donation - Sponsorship category of the General Grants program.

Mayor Ron Bellingham offered high praise for the many groups within the region which provide services and activities that benefit the regional community.

"Through this grants program, Council is able to acknowledge the tremendous value of strong community groups, community initiatives, activities and projects to the social and economic well-being of our region," Cr Bellingham said.

The General Grants Program offers assistance under the following categories:

Monetary Donation - Sponsorship..... up to \$ 150

Monetary Donation - Capital Project..... up to \$ 500

Fee Relief - Certain Council Statutory Fees.....up to \$1000

Fee Relief - Council Disposal fees for garbage

produced at an event conducted by a Community

Group..... up to \$ 500

Application forms are available from Council offices and libraries, or by telephoning Council in Warwick (4661 0300) or Stanthorpe (4681 5500). The application form, along with information about the General Grants Program, is also available at [www.southerndowns.qld.gov.au](http://www.southerndowns.qld.gov.au). Go to 'Your Council' and click on 'Grants and Funding'.

Applications must be received by close of business on Friday, February 17, 2012 and may be lodged in person at Council offices, or posted to the Chief Executive Officer, Southern Downs Regional Council, PO Box 26, Warwick.

Faxed, emailed or incomplete applications will not be accepted, and applications submitted or postmarked after the closing date may not be considered.

For further information regarding the General Grants Program, contact Gwen Jones, Community Development Officer, on telephone 4681 5522.

## Looking Back...

Allora's Past 25 years ago February 1987

### Soil Conservation Committee

A public meeting will be called to form a committee to police soil conservation in the Allora Shire. The meeting follows the disbanding of the District Advisory Committee. Cr. Bruce Burge and Cr. Brian Smith were the Allora Shire Council representatives on the former advisory council. Cr. Burge said that it was essential to promote soil conservation for the benefit of the whole district. Cr. Smith also said that a soil committee was essential for proper soil management.

### Farmer Invents Post Borer

A machine capable of boring a mile of fence fencing a day, consisting of 352 posts and 2112 individual holes, has been invented by Mr. C. W. Free, a farmer of Headington Hill. The machine is built into a 1908 model English car and takes its power from the clutch shaft. It has proved highly successful and has the obvious advantages of speed and less physical exertion over the hand operated brace and bit method that Mr. Free has replaced.

The boring bit is connected by a long, flexible shaft to the power source and the bit turns at 1000 rpm.

Allora's Past 100 years ago February 1912

### Death of an Old Alloraite

"Old Timer" writes:- "I see by a recent paper that an old Allora identity has passed away in the person of Andrew Riddle. Though not a public man, Riddle was a man well known for 50 years on the Downs, in the old days as a teamster on the roads before the railways, later for years with the late Samuel Gordon, working some of the earliest threshers in the district, and various farming and other work. He was a good stamp of a fast vanishing band of old pioneers who gave their best to their employers, whilst demanding a man's recognition of their manhood, and whose only great fault was the occasional "break-out". I am sure that a lot of old hands will join in my sincere wish of peace to his ashes".

*(It is interesting to note from the diary of John Spry Roberts, that in 1867 Samuel Gordon's threshing team consisted of twelve men; Andrew Riddle was the driver, there were five machine men, two shakers, one straw man and three fanners. They were paid 3/4d per day)*

Michael Bell, Manager Parks & Projects, examines the aging trees with Mayor Ron Bellingham.

## Warwick's Guy Street trees a threat to public safety: New generation of trees to be planted

Seven mature trees in Guy Street, Warwick, have been declared a hazard to the public and must unfortunately now be removed.

Mayor Ron Bellingham said he was sad that the London Plane Trees (Platanus species) must go, but public safety had to come first.

"These trees have been in place for many years and have provided this location with a beautiful streetscape and magnificent colour. I am as disappointed as anyone that some of them must go," the Mayor said.

"However, it is important that Council checks the health of older trees in the region to ensure they are in good health and not a danger to the public," Cr Bellingham said.

"Unfortunately, a recent health check by an independent tree expert found that seven trees between Grafton and Fitzroy Street were in such ill health that they were in danger of falling, or dropping large limbs. The arborist found they are beyond any treatment and need to be removed.

"Five other trees will stay for now and require on-going monitoring."

"This decision has not been made lightly, however, when you consider the alternative - that these trees or their branches are in real danger of falling due to their ill health, and in fact we

## Check your water meter

After a number of ratepayer requests for water rates relief due to excessive consumption from water leaks, Council is urging residents to check their water meter regularly.

Acting CEO Andrew Ireland said that residents should regularly check their water meter to detect any leaks and should also check that there are no leaks around water infrastructure on their properties such as tap connections.

"Now is the time to make sure your water consumption is on track, your meter is reading correctly and you don't have any leaks around the meter itself or elsewhere on your property," Mr Ireland said.

"By checking the numeric display regularly, you will be able to determine whether excessive amounts of water are being used.

"It is also recommended that residents perform an overnight leakage test to check for any leakage at pipes and taps."

If you read your water meter last thing at night and then first thing in the morning you can calculate how much water is being lost through leakage.

For this to be accurate, you must not use any water during the night.

Subtract the previous night's reading from the morning reading. This gives the volume of water 'lost' overnight.

If you lose more than one litre per hour, you should check for dripping taps, faulty toilet cisterns or other forms of leakage.

Any more than 10 litres lost per hour is very significant and should definitely be investigated.

Instructions on how to read a water metre and performing an overnight leakage test are available on Council's website and in the pamphlet enclosed with your water rates notices, which are due to be issued in April, or you can contact Council on 07 4661 0300 or 07 4681 5500.

## THE BLUE DOG RULES...

**Rule No. 18: Toilet Breaks** - Make your humans be patient. When you go outside to go 'pee', sniff around the entire yard as your humans wait. Act as if the spot you choose to go pee will ultimately decide the fate of the earth.

have already had reports of near misses with branches falling - Council was left with no other alternative but to schedule removal of those trees in the worst health as public safety must take precedence."

Michael Bell, Manager Parks and Projects, said it was Council's intention to replace the trees, and that three potential species had been short-listed as replacement trees.

"As identified through our Vision 2040, our aspiration is to provide our community with a clean and green environment for everyone to enjoy," Mr Bell said.

"Very shortly we will be surveying the public to tell us which of these approved Warwick street species they would prefer to see as replacement trees in Guy Street."

To limit disruption to the public, the seven trees will be removed on a weekend in May 2012. Anyone with questions can contact 07 4681 5543.

For details on road works projects please contact 07 4661 0300 or 07 4681 5500.

# GOLF

## Allora Golf Notes

Last Sunday we played for the Monthly Mug Sponsored by the Railway Hotel. The winner on the day

was Ken Wilson on a count back from Jack Fulwood.

Pin shots went to Adam M on the 4th, Adam C on the 8th, Jack on the 17th, Adam M on the 2nd and Marnie on the 11th. Jack also put a couple of cartons up on a few holes with Adam M winning one and the other didn't go off.

Least putts went to Adam M getting another stubby cooler. Next week will be the Monthly Medal. Don't forget the Duck Run is still on with a good number turning up each week, so for a relaxing Friday arvo come on down. Anyone who can lend a hand with mowing, would be greatly appreciated.

Don't forget your sand bucket and remember - to play is to live.

## Medical Centre Cattle Drive Underway"

Chairman of the Allora Medical Support Group Inc, Jon Constable, is amazed at the enthusiasm & drive currently being generated within the Allora and district community in support of AMMSG in their bid to secure a modern medical facility in Allora, an initial step in securing long term medical services for the district.

Aside from that tremendous show of support through Ted Cowley and the Allora Show Society, and also the Allora Sports Club with the Allora New Year Mega Party on New Year's Eve, the "Best Little Town on the Downs" and surrounds is rallying in magnificent fashion to the cause of supporting AMMSG.

The next show of support that will ultimately see a new medical centre in Herbert Street is the Allora Cattle Drive Auction. The idea of a fundraising cattle auction was suggested by Allora locals Bruce & Cathie Wilson, with their son Gary Wilson picking up the suggestion and running with it. Bruce & Cathie have had success with the Cattle Auction concept previously, while raising funds for a school building in 1964. Auction Organiser Gary has promoted the event far and wide with very encouraging results.

The organizers of the Cattle Auction are calling on all primary producers to donate a beast (or two or three or more) to the cause. The services of Auctioneer Mick Nowlan of Nowlan Stock & Station Agents, have been secured free of charge and several Cattle Carters will transport the cattle to the sale at no cost. Cattle received will be sold at the Warwick Saleyards on the 13th of March and all proceeds from the auction will go to the Allora Medical Support Group to support them in their bid for a new Allora Medical Centre building and medical equipment for the Allora district community.

To participate in the Auction, all you need do is complete a Vendors registration Form, and deliver the donated cattle to the Allora Sale Yards on Sunday 11th & Monday 12th of March, or contact Garry Wilson (4666 3231), Jon Constable (46663100),

Robyn & Neil Phelan of Goomburra have donated towards the Allora Cattle Drive Auction, with Neil an ambassador for the fundraiser supporting the Allora Medical Support Group Inc in their bid to have a modern medical facility built in Allora.

Allora News is once again running an NRL Footy Tipping Competition. Names in by Thursday, March 1st. A donation from this will be made to the Allora Medical Centre Support Group. All welcome to join.

**ALLORA NEWS**

PHONE 4666 3362 — FAX 4666 3622

Bruce & Cathie Wilson (4666 2441) or David Dwan (4666 4632) to arrange for your cattle to be collected. Please note that registrations close at 5.00 pm on Monday, 12th March. The Allora Cattle Drive Auction has three well known locals as Auction Ambassadors in Barrie Geitz (0407 751 476), Ted Cowley (0418 731 514) & Neil Phelan (4666 6198) who can also be contacted regarding information on the Cattle Auction. Goomburra graziers Neil & Robyn Phelan have chosen to donate a grain fed steer to the cause, among the first of donations received, with Neil also having kindly accepted the role of one of the ambassadors for the Cattle Auction.

Your donation of cattle to the Allora Cattle Drive Auction will help secure the longevity of Medical Services in the Allora District.

Glyn Rees
