### Letter to the Editor...

Dear Family & Friends in Allora,

My debut as a theatre producer is almost here. As if that weren't enough pressure for me, I thought I'd throw myself into the deep end and play the lead role as well!! The show is *reasons to be pretty* by Neil LaBute, and it starts this coming Wednesday. We'd love it if you could join us for a great night of fun theatre.

We have a special "2 for 1" ticket deal for our first preview on Wednesday, May 30 (next week!) Just call Theatre Works on 03 9534 3388 and use the code words: "Pretty Please!" We really want a great crowd for our first public run at it, so tell your friends. We'd especially appreciate it if you have friends in Melbourne who might be interested!

Full details about the show are available online <http://reasons2bepretty.com/> and you can watch the video teaser online.

If you look at both of those and you're all like "Holy hell - WHERE do I book tickets?!" - then you can do that at <http://www.theatreworks.org.au/whatson/event/?id=126>

The show runs 31 May - 17 June 2012 (Preview 30 May)  
Wednesday - Saturday 8.00pm, Sunday 6.30pm, Saturday matinee 2.00pm. Tickets: \$32 full, \$27 concession, \$25 groups 10+. At Theatre Works, 14 Acland Street, St Kilda.

It's a fast paced, dark comedy and I think you all know me well enough to know I wouldn't invite you if I wasn't really proud to be a part of it.

Love to you all - many thanks for having a look and hopefully see you there!

Paul Denny

### Allora QCWA Notes -

There does not appear to be enough days in the month of June for the many activities in which the CWA is involved. The month begins with our street stall on 1st June and as usual, there will be lots of good old-fashioned CWA cooking. As well, a new member has knitted some scarves and berets which will be on sale. She also knitted a beautiful knee rug which will be raffled on the day of the stall.

Our meeting day for June has been changed from the third Tuesday to the Monday, 18th June, as the Country Woman of the Year Divisional Finals will be held at Glen Aplin on our usual meeting day. Many of the Allora members will have entries in the competitions.

Many of our members attended the Cunningham QCWA Day and some are going to the QCWA day at Leyburn. Members will be busy cooking for the Show Society's Annual Auction on the long weekend as well as volunteering on the day.

We really appreciated having our rooms air conditioned for the meeting.

The St Patrick's School P&F Association 9th Annual 'Rattle of the Brains' Trivia Night fundraiser will fill the Allora Community Hall this Friday evening from 6.15pm, May 25th. Among the many teams will be a combination of Southern Downs Regional Councillors that will be squeezing a little extra spare time to hit the books this week chasing that much needed competitive edge.

You'll need bring all the intellect you can muster if you're looking at taking out the top prizes of first \$300, second \$200 and third \$100, but regardless, a great night out is promised with prizes, giveaways, pizza, supper and a licensed bar. At this time of year, the St Patrick's School is always humbled by the wonderful generosity of local and regional sponsors and the support by the patrons.

### BAD JOKE OF THE WEEK

One morning as Professor Jones was leaving for the university, his wife told her absent-minded husband, "Don't forget we are moving today. If you come to this house this afternoon it will be empty."

Predictably he didn't remember until he found the house vacated that afternoon. He mumbled to himself, "And where was it we were moving to?"

He went out in front of the house and asked a little girl, "Did you see a moving van here today, little girl?"

"Yes," she replied.

"Would you know which way it went?"

She looked up at him and said, "Yes, Daddy, I'll show you."

### 1,500 For Cancer Research Coffers

Allora's Railway Hotel hosted their Biggest Morning Tea in the hotel dining room recently on Thursday, 10 May. More than fifty guests attended enjoying the long table of sweet treats and finger food along with tea and coffee, including a surprise appearance by recently elected Southern Downs Region Mayor Peter Blundell. Mine host Robyn Miles was more than pleased with the \$1500 amount raised in aid of cancer research, and thanked all involved for contributing to the success of the event. The multi draw raffles were tremendously successful, Grand Lollbach winning the major prize of two tickets to 2012 State of Origin III, and Beetle Wakeford claiming tickets to a XXXX Brewery Tour as second prize, and many other lucky winners collecting from the many prizes on offer.

**A reminder to all that Anne & Robert Lawson will have the "kettle boiling" for another successful Biggest Morning Tea to be hosted at their 5 Jubb Street premises from 10.00 am on Thursday May 24th.** As in past years, aside from a cuppa and cakes, a monster multi draw raffle will be a significant part of the morning.

**Friends of the Massie Hall will again be hosting their Biggest Morning Tea fundraiser, on Sunday 27th of May at the Massie-Duechar Hall,** a shared family lunch underway from 11.00 am. Community members are invited to come along and make your cup count against cancer. Those attending are reminded the event has a pink theme, and will also feature a mini cent sale. For more information contact Narelle Henry on 4667 4724.

### Serving up a big 'THANK YOU' to our Volunteers

Service Clubs from all over the Warwick district have been serving our communities with food and drinks for many years, enhancing events, raising funds for many important causes, and making the "day" happier for children and adults alike.

National Volunteers Week was the perfect opportunity to give back to them.

Southern Downs Regional Council organised an "after work" soup and savoury event at Slade Campus dining hall Thursday night, for those service Clubs who are usually seen on the other side of the hospitality table. All those present enjoyed the excellent catering provided by Kel Williamson.

Cr Glyn Rees, presented "thank you" Certificates to Club members, and along with Pam Burley

(Community Development Officer) and Bette Bonney (Volunteer Coordinator), expressed appreciation for the important ongoing contribution they make to our community life.

"We were very keen to return the favour to these marvellous people" said Mrs Burley.

"Our Service Club volunteers need to know how much we appreciate the contribution they make to the community, especially during tough times" she said.

Mrs Bonney expressed a desire to assist Service Clubs and volunteers to link up.

"Finding volunteers seems to be an ongoing concern. We have great tools on the Council website to encourage vibrant community involvement, and will be keen to share that information at our "Be the Difference" stall - all day Saturday - at Rose City Shoppingworld" she said.

A surprise guest for the night was Carol Burke, part of a Rotary exchange team visit to Warwick from the USA. Carol, a member of Sunrise Rotary in North Carolina, brought greetings from her club and expressed gratitude for the great welcome she has received during her three week stay in South East Queensland. She said how very impressed she has been with the educational facilities she has seen during her stay and is keen to set up ongoing links, particularly for students from her home town.

Service clubs acknowledged on the night included Warwick groups - Rotary, Sunrise Rotary, Apex, Zonta and Lions as well as Allora Rotary and Killarney Lions. A similar event is being planned for Stanthorpe Service Club Volunteers in the near future.

### Looking Back...

#### Allora's Past 25 years ago 1987 Safety House Program Adopted

At a meeting held at the Allora State School recently, a committee was elected to formulate a definite Safety House program in Allora. It was felt that although Allora was a small country town it still needed the program.

Allan Green was elected to the position of President of the Allora Safety House Committee; Jan Koina, Secretary; and Peter Koina, Allora School Liaison Officer.

The safety house program is designed to protect children from harassment as they travel to and from school. Should the children be harassed, they can seek refuge at one of the specially nominated safety houses. The owners of the houses are carefully screened by the Safety House Committee before they can become a safety house.

IMA, the Safety House ambassador, visited the Allora State School, appeared at St. Patrick's fete, and later called at the pre-school to promote the program.

#### Allora's Past 80 years ago May 1932 Obituary

The death of Mr. Patrick Donovan, an old resident of Allora, occurred on May 13th. The late Mr. Donovan, who was aged 81 years, was born at Castle John, County Tipperary, Ireland. He came to Queensland as a young man and shortly afterwards entered the service of the Queensland National Bank. He was appointed the first manager of the bank's Allora branch in 1888. In 1894, upon the breaking out of the Western Australian gold rush, the late Mr. Donovan relinquished his position in the bank and went to Coolgardie. After spending some months in Western Australia Mr. Donovan returned to Allora and commenced a business as an auctioneer and commission agent.

He is survived by his widow, three daughters

and a son, Mr. Frank Donovan (Allora)

#### Allora's Past 100 years ago May 1912 Football

At the Queen's Park grounds on Saturday, there was a good attendance to witness a further stage of the football competition.

In the senior match, Allora and Railways were the opposing sides. A good game, though at times with an element of roughness in it, was the result. The visitors proved too good for the local team and won by 11 points to 3. Those to score for Allora were George Maher who also converted his own try, T. Collins and N. Bourne. Conway, for the Railways, was responsible for their only points - a goal from a free kick. Mr. C. Dickson refereed the match and proved an efficient judge with the whistle.

#### Birthday Celebrations

Mr. and Mrs. Samuel Richardson, very old residents of the Allora district, were entertained by their friends at Mrs. M. Downes' restaurant last evening, the occasion being Mr. Richardson's 82nd birthday. The guests numbered 54, and the chair was taken by Adjutant Plevan of the Salvation Army Corps. The health of the guest was enthusiastically honoured, many speakers referring in eulogistic terms to "Dad" Richardson's good qualities and especially dealing with his efforts in the cause of the Salvation Army, with which he has been connected for the past 22 years.

Mr. Richardson is an old Crimean War veteran, having served with the horse artillery at Balaclava and Sebastopol. With Mrs. Richardson, he came to Queensland about 48 years ago, at which time the railway line was being constructed from Ipswich to Toowoomba.

During the evening Mr. Richardson was the recipient of a large number of birthday gifts. (Mr. and Mrs. Richardson were the parents of Mrs. Charles Downes and the grandparents of the Mark Tickle and Sam Munsie families)

### Mayor takes first steps towards implementing policy

In his first week as the new Mayor of the Southern Downs, Peter Blundell has taken the first steps towards implementing his campaign policy.

"I would like to thank the electorate for the faith they have shown in their Councillors and for electing me as its leader. The past four years have been challenging and our community has been clear about what they want to see changed. I look forward to working with our team to bring about these changes and engender pride in Council services," Mayor Blundell said. This begins with the budgeting process and ensuring the 10 year financial forecast reflects the priorities of the community. "Budget meetings for the next financial year are to begin on the 28th of this month and I have immense trust in the new Chair of Corporate Services, Jo McNally, to work with myself, the Corporate Services Directorate and Council team to ensure we tackle the key issues that are so important to the community," said the Mayor.

"We start by sorting out this year's budget and begin a full review for the following year," he said.

An invigorated lobbying policy is also one of the new Mayor's campaign platforms.

"[Last week] I attended the opening of parliament as a guest of our local member and Minister for Health, Lawrence Springborg and had the opportunity to meet with many of the new ministers," said the Mayor.

"Our relationship with the new LNP government will be instrumental in ensuring we can deliver improved efficiencies and services and I plan to spend a significant amount of time on George St. to build on these relationships," he continued.

"I am already impressed with the logical approach the new government is taking, however it will take time for the state budget to be fixed given the mess they were left with, so we will all have to tighten our belts and assess priorities in the meantime."

Delivering on the promise of achievement through co-operation, the Mayor and Councillors discussed the addition of Councillor portfolios at Monday's special meeting.

"I believe we have a strong team who can work together to achieve collective goals. The establishment of portfolios will help reduce the silos within Council departments, provide Councillors with a clear area of responsibility and ensure a more visible presence and accountability within the community," said the Mayor.

### Wattles v Millwood 19/05/12

No games this week for all the squad due to Millwood not being able to field sides for the U9,11 and 13's, however those who ventured out to Platz oval witnessed some great football from the Wattles Juniors.

**U8 Malcolm and Johnson Drilling Contractors** - The under 8's brought their "A" game to Platz oval and put on a great display of running football that had the large crowd on hand excited. Young Lane Eastwell played up from the U7's and never looked out of place, his straight running was a pleasure to see and he put plenty of pressure on the opposition. Tobias Seibel played very well at 1st receiver, he tackled hard and low all day and his efforts were rewarded with 1 try. Darcy Minikin crossed for a try, his ball running was good, however his 1 on 1 tackling was fantastic. Callum Fender was very busy tackling and ran well, Michael Shingles and Darcy Gorkow ran well and often beat the oppositions 1st and 2nd tackle attempts and Liam Ruhle had another blinder scoring a great try from a dummy half scoot. Well done boys, great effort.

**U10 Eastwell and Sons** - The whole team played a lot better this week and played as a team. Tom Philp had his best game of the season in both defence and attack, making good metres with the ball. Eli Waters also had a big game in the hooker position, giving great service to his halves and always following the ball and being ready for a quick play. Clayton Brady had a great game and was terrific with the ball, making 15-20 metres each time he had a run. It was good to see this team play as well as they can in attack and defence. Great effort from all the boys and keep it up.

**U12 Ryannie for Tyers and Kelly's Park Dorper Sheep Stud** - The U12 team finally returned to their best football that we are all accustomed to with a win over Millwood 68-8. Dylan led the way with great forward running, busting through the middle at will, he crossed the white line 4 times, and could have scored more, but for unselfish play offloading close to the line on many occasions. Chris, Cahal, Rory, Jacob Willet all scored two trys and Nick Brown crossed for 1. Rory scored a memorable length of the field try that had the spectators on their feet; Cahal Davis was good at half back delivering good balls to the forwards and backs during the duration of the game. Cody, Lachlan, Jacob Willet were our best tacklers. On the day all the boys stood proud and it shows that effort on the training paddock and belief in your team mates does pay off.

**U14 Clifton Real Estate** - The Warriors U14 side got back onto the winners list on game day with a hard fought win over Millwood 16-4. The Warriors defence was great, keeping Millwood scoreless in the second half. The day's win was dedicated to the injured Kahn Ladbrook; Kahn broke his arm last week and will miss the rest of the season and representative honours. Paul Christensen ran the ball well all game and was assisted by Tom Duggan running hard on his wing and supporting line breaks all the time. Max Rubie and Robert Bradfield both had excellent games, both in defence and attack, Nathan Watson continues to improve each week. Tom

Morris was captain and led by example with his talk on the field and organisation. We wish both Tom Morris and Max Rubie good luck at the Mustangs trials in Stanthorpe this weekend. Because of these trials there will be no games for the Warriors this week.

**U16 Carlowie Park** - There was a good display of football by the 16's, Millwood were unable to field a complete side and forfeited the match, however both teams decided that a game should progress and Wattles players Ben Ranger, Bryan Butler and Jordan Lewis put their hand up to play for the Millwood side. The football that these 3 guys played was tough with many good tackles put on their opposition, their positional play and talk on the field was good and we were more than pleased with how well they fitted into the Millwood style of play. Try scorers were Mitchell Duff, Nick Morris, Charlie Parker, Ben Comerford and Brodie Sharman with 1 each, whilst Jacob James and Colin Chowns picked up 2. Goals were kicked by Jacob, Brodie, Colin, Charlie and Ben. Other highlights of the game were the very impressive work rates of Thomas Ryan, Cody Brown, Dalton Nielson and Michael Johnston who really came through in the 2nd half with some great ball and all tackles. Kane Wightman was very safe under the highball and took a screamer in goal when under serious pressure. This was a game where the training started to show with plenty of optional runners and ball distribution, the players were working hard on their draw and pass skills and their efforts on the day will help them at the end of the season.

numbers in the Allora teams. Winning team from Warwick Club with Des Burbeck Lead, Mick O'Leary 2nd & Peter Collis Lead went home with the 'turkey' and another Warwick Club team with Ivan Fordyce Lead, Keith Gimm 2nd & Ted Welsh Lead were runners up.

On Friday Allora Club ladies welcomed forty one players from the North Coast. Bowls Clubs represented were Allora Gardens, Maroochydore, Pomona, Glasshouse Mountains, Kawana, Gympie, Buderim and Club Maroochydore. The visitors were on a five day trip and played bowls in Allora, Warwick East and Killarney as well as sightseeing in the district.

The visitors were treated to morning tea and a B B Q lunch before taking to the green for twenty ends of bowls. The visitors enjoyed the challenge of the 'frosted' green. On lookers were treated to some great bowls and lots of laughter. Thank you to Gene McMillan for his contribution to the day (the coleslaw was a big hit as was the pikelets made by the 'Pikelet Princess')

Sunday Social Bowls was another successful day with fourteen players turning up. Much deliberation went into organizing the teams. Two teams of four and two teams of three took to the green. Team 1. with John Chandler Skip, Michael Wright, Sarah Strand and Steve Strand (15) beat Team 2 with Bill Sinton Skip, Lyn Wright, Don Clouten and Leona Sinton (6). It was great to have Steve back on the green and by the end of the afternoon he was bowling like a champion. Don and his wife are staying at the Show Grounds. Don enjoyed his game and will be back on their next visit to Allora.

Team 3 with Greg Patterson Skip, Lyn Collie and John Wright (12) went down to Team 4 with Mal Sinton Skip, Kay Bloomfield and Bill Lacey (13). At one stage of the game Greg's team led by nine then Mal & Co. fought back and won the day.

Reminder to all Bowlers - Next Sunday afternoon bowls will be held on 17th June followed by a Sausage Sizzle (Gold coin donation) Registration time 12noon. Monthly meeting will be held on Monday 18th June at 6pm. All members welcome.
