QUEENSLAND CHAMPIONSHIP SHEEP DOG TRIAL

Well we've done it. Allora has successfully hosted one of the largest sheep dog trials held in the country. We had a total of 425 entries for the Open, Improver, Novice and Encourage events. Our trial committee would like to sincerely thank the Allora community for their help in ensuring that the trial was so successful. Our interstate visitors were full of praise for our little town. They were overwhelmed by the friendly attitude of the townsfolk and business community that was shown towards them. Some have been on the road for weeks competing on a trial circuit. Travelling from Western Australia, South Australia, Tasmania, Victoria, New South Wales and of course Queensland.

We would also like to thank the Allora Show Society, Shirley and her team. They played a major part in our success.

To our sponsors we couldn't do it without you. We appreciate your continued support.

ADDB **ADDB Regional Survey**
 Following the successful survey response and positive council feedback to the 2010 ADDB regional survey (over 11% of town and regional residents responded) a second survey has been prepared and will be available to be picked up within the next week from a number of retail outlets around Allora.
 The Allora and District Development Board (ADDB) encourages you to have your say. Following the 2010 survey, council officers studied the results carefully and implemented many of the suggestions and requests made by Allora and regional residents.
 It's a fact that unless we let council know what we want and need there will be little change or activity other than normal maintenance and upkeep.
 Please complete the survey and return it to Allora FoodWorks or the Allora Advertiser office before the end of October. The survey can also be mailed to the Allora Post Office.

Allora QCWA Celebrates 90 Years

The Allora branch of the Queensland Country Women's Association celebrated a very significant milestone on Sunday at the Allora RSL Hall, their 90th anniversary since the group commenced back in 1922. Allora QCWA President Olive Shooter was thrilled with the success of the afternoon, over 80 people attending the event including past members and QCWA members from fellow groups from the local area and across the Darling Downs and South Queensland.

Those attending enjoyed a delicious afternoon tea and were able to take in a display representing much of the history of the Allora QCWA Branch. A special cake made for the event was cut by long serving member at former Branch President Mr.'s Ellie Marshall, who despite recent illness returned for the special day.

Long serving Allora QCWA Branch member and past President Ellie Marshall had the honours of cutting the cake to celebrate the 90th Anniversary of the QCWA formation in Allora, at the special function at the Allora RSL Hall on Sunday afternoon.

Mrs. Jennie Hill congratulated the Allora Branch on such an historical occurrence, and commended the Branch and their many members through the past 90 years for their tremendous contribution to the QCWA organisation and the local community. QCWA Border Division President Mrs. Jenny Whited was also in attendance to recognise the Allora Branch's achievement. Deputy Mayor Ross Bartley and Councillor Glyn Rees represented the Southern Downs Regional Council at the event, both congratulating the Branch on their historical celebration, while Father Rod MacGinley also spoke giving a blessing and thanksgiving. President Olive Shooter delivered an oral history of the Allora QCWA Branch, that history available in detail in booklets compiled and written by Mr.'s Shooter and available at the event.

The Allora QCWA Branch was actually formed on the 3rd of October 1922, not two months after the State QCWA came into being. The inaugural meeting was held at the then Allora Shire Hall (currently a museum under the care of the Allora Historical Society), at the cnr of Forde & Warwick Streets.

Parliament Sits in Allora

A delegation of 45 Members of the Legislative Assembly, 12 Members of the Legislative Council and several Under Secretaries sat down in Allora yesterday, albeit to afternoon tea in the Allora grain shed made available by the Grain shed Committee. The Parliamentary party had accepted the invitation of the Ministers

for Railways and Agriculture to inspect Darling Downs wheat fields. Following breakfast in Killarney and lunch in Warwick, the group visited Maryvale, Hendon and Goomburra before their stop over in Allora.

Those locals who waited on the delegation with the idea of airing political grievances were greatly disappointed as it was generally recognised that the parliamentarians were having a day out.

Pitchers Primed for Sheaf Toss

It's that time of year again in Allora, Spring has sprung and it's the time of Fetes and Fairs. St. Patrick's Parish Annual Fete will see the grounds of St. Patrick's Church and School abuzz on Friday October 19th, while the St. David's Anglican Parish Fete will also be a hive of community activity on Friday evening October 26th.

A major draw card for St. Patrick's Fete is the Queensland Sheaf Pitching Championships, an event hosted at the annual fete for some years now. Championships organizer and

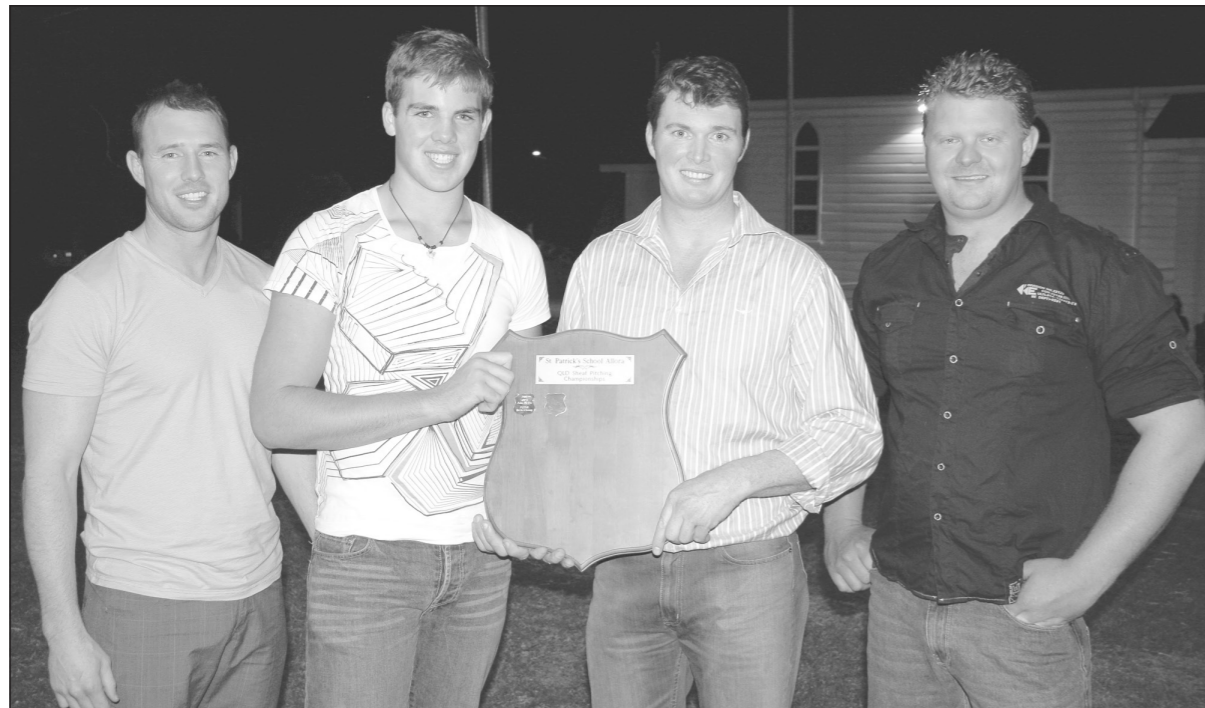

current State Champion Jason Denny is seeing a steady influx of contenders nominating. With a little over a fortnight until the State level test of strength, some of the competitors planning to take part in scheduled events will no doubt be considering a little training. The sheaf pitching is a tradition synonymous with the popular Fete, pitchers testing their brawn as they attempt to hurl a 4 kg straw stuffed bag over a horizontal bar above the competitor's head with a pitch fork. The best pitchers the district can muster will gather on the night competing in open, junior and ladies categories, the ladies event introduced last year with Clare Cowley taking the inaugural honours.

Last year's hefty field of talented challengers also saw Andrew Quirk finishing second in the Open event while brothers Andrew Denny and Matthew Denny tied for third. The Juniors Section saw Matthew Denny emerge with the Champion title ahead of Charlie Parker in second place and Nick Morris finishing third.

While a popular event at Fairs, Fete's and Shows in Ireland and Australia, the sheaf pitch has its beginnings as a traditional Scottish agricultural sport.

The Fete has seen the emergence of some legendary local pitchers, John Cowley, John Maher, Max & Brian Phelan, former State title holder John Phelan and current Champ Jason Denny, names that have featured in the winner's circles in past years, conjuring up memories of outstanding performances and the continuance of a special tradition.

If you fancy a toss in the St. Patrick's 2012 Queensland Sheaf Pitching titles, nominate by calling Jason Denny on 0448 612 799.

2011 Champions of the Queensland Open Sheaf Pitching Championships at St. Patrick's Fete, third place getters Andrew Denny & Matthew Denny, first place Jason Denny and second place Andrew Quirke, will be looking to winning pitching honours again in a fortnight.

The younger generation thoroughly enjoyed Viv's Farmacyard Shearing Shed and Animal Nursery at last year's Fete, with the collection of lambs, goats, ducklings, chickens and piglets, along with Viv's sheep shearing demonstration all on show again this year.

The Fete as always will feature a great array of entertainment, stalls and delights for the whole family along with the traditional Lyn-D-Jo fashion parade and the Anything Goes Challenge that draw the curtain on the evening.

New CEO hits the ground running

Andrew Roach has only officially been CEO of the Southern

Downs Regional Council for two days but he has already attended a Special Council Meeting in Warwick where interviews for the Tourism Advisory Committee Chairman were held, met with the Minister for Local Government in Stanthorpe and held meetings in both Warwick and Stanthorpe to meet with Council's indoor and outdoor workforce.

"The meeting with Minister for Local Government, David Crisafulli, was opportune as Council is extremely keen to seek out lobbying opportunities for the community," Mr Roach said.

"We will be following up on this at the Community Cabinet to be held in Goondiwindi this month," he said.

Originally from Bathurst, Mr Roach comes to Council with a 22 year history in local government as well as consultancy experience, most recently with Jude Munro Consulting. He has worked both nationally and internationally in the UK and California. With commencement procedures well underway, Mr Roach will initially focus on getting to know staff and Councillors, but says he is well aware of the challenges and diversity of the region.

"The Mayor is looking forward to building on the team environment and leading Council and the community toward innovative practices to better meet community expectations," Mr Roach said.

The Mayor, Cr Peter Blundell said it was important for Mr Roach to meet with community groups to better understand the needs of the region.

"I am looking forward to introducing Andrew to community groups and advocates so that we can start working on points raised in the previous few months regarding business development, customer service and community challenges," Cr Blundell said.

"I would encourage these groups to get in touch so that we can structure a process to meet with them over the next 3 - 6 months," he said.

Things are unlikely to slow down for Mr Roach as he settles into the CEO chair, with Council Committee meetings set for next week.

Crazy Paving to be removed

Southern Downs Regional Council advises that works will be undertaken on Sunday 14 October to remove the last of the Crazy Paving in Palmerin Street.

"These works will enable the area bounded by King Street and Percy Street to have the same look as the rest of the Streetscape," advised Mr Peter See, Director Engineering Services.

"Ongoing trip hazard issues as a result of the paving becoming uneven, will also be removed," he added.

This work will occur on one side of the street at time to minimise disruption to traffic.

Traffic control measures will be in place during the above works and residents are asked to obey all traffic signage. All works are subject to weather conditions and change without notice. Council apologises for any inconvenience these works may cause.

Keeping up in the Digital era

Southern Downs Libraries have been successful in obtaining an OPAL Digital Literacy Grant from the State Government through the State Library of Queensland. The grant will be used towards a training project titled "Keeping Up - Technology Demystified". The project was launched on Wednesday 10 October at 10.00am at the Stanthorpe Library with a morning tea. A short skype demonstration (a program which allows you to make free calls over the internet) was given at the launch. "The courses offered will range from learning to use a computer and be safe online through to using your Apple or Android device," said Sheila Stebbings, Council's Manager Community Development. "It will be a great opportunity to become more familiar with this technology, especially for those who find dealing with computers difficult," she said. Courses will run from October 2012 through to February 2013. Participants will be able to practise their newfound skills on establishing a bookclub blog as well as recipe and local history wikis. More information on these will be available at a later date. Please contact the Stanthorpe Library on 4681 2141 for information.

McLennan Belts 77 In Allora Loss

Allora opener Mitchell McLennan blasted an impressive 77 in his side's five wicket loss to Wheatvale at the Wheatvale State School on Saturday, his highest score since joining the club for last season. McLennan, who is in his second year in senior cricket, impressed as a junior representative player. He has started the new season confidently facing the new ball, a tidy 25 to his name in Allora's initial season outing a fortnight back against current Warwick Cricket Association reserve grade premiers Inglewood. He and Allora co-Captain Aaron Vietheer set the pace for their side after the loss of fellow opener Matt Kiernan for three, Allora at 1 for 16. Vietheer & McLennan took the total to 140 before Warwick representative Vietheer was caught off the bowling of James Breen for a classy 68. McLennan was bowled by Carly Cooper to have Allora at 4 for 164, and innings that included eleven boundaries and two sixes. For the second successive week the Allora side were two players short, reaching their total of 8 for 190 off 33 overs, Carly Cooper finishing with the best Wheatvale bowling figures of 3 for 26 off five overs. Allora won the toss electing to bat, with Wheatvale hitting 201 to reach the Allora total after 30 overs, including a fine century by Brendan Malone.

Dalrymple Seat up for Grabs

November 10th will see action aplenty at the Allora Sports Club with the fourth annual "Allora True Value Hardware/Allora News Dalrymple Seat Golf-Bowls Day". The event has been a great success since its inception in 2009, the result of Allora True Value Hardware's Beetle Wakeford and Allora News' Dave Dwan getting their heads together to add a social sporting outing to Allora's social calendar some years back.

Beetle and Dave have put together a sensational array of prizes to be won on the sponsor day which supports the Allora Sports Club, thanks to them of course and their generous business suppliers.

The novel trophy, the "Dalrymple Seat" is one of the more eye-catching in the "sporting corridors" of Allora, a shining stainless steel, unused, toilet pant with a polished and varnished timber lid adorned with previous event champions.

"We had twelve teams take part last year, and we are hoping to have a few more this year" according to Beetle. "The day is a sponsor day for the Allora Sports Club, nine holes of Ambrose golf, a barbecue followed by a bowls competition, a great day of fun for all involved".

In 2009, the inaugural "Dalrymple Seat", the team of Kev Harrison, Andrew Jakins & Max Bielefeld won the honour to "sit" on the throne.

Wattles Draw Curtain on Season

Local rugby league club the Wattles Warriors draw the curtain on their 2012 season on the 20th October with the annual presentation night and banquet at the Allora Community Hall commencing at 6.00 pm. As far as premiership silverware goes, it was a more than quiet year for the Allora/Clifton based side, but "everyone has a lean year from time to time" according to club President Barry Glass, "full credit must go to the players and committee for their efforts this year, running a country based rugby league club is becoming more of a challenge each year, but Wattles are approaching 2013 in a very positive frame of mind".

Wattles are looking to celebrate the year with all their players, present and some faces from the past, along with committee members, much valued sponsors and supporters, and recognize the season's achievers. Club stalwart Aaron Scheid shared the club's top honours in 2011 when he and then team mate Luke Baker won the Clifton Courier Shield as Wattlers Player's of the Year. There are a number of players vying for the honour this year, with all revealed on the big night. Tickets are available now at a cost of \$25.00 (adults) includes a two course meal and entertainment. For more information contact Barry Glass on 0407 721 762.

Allora Golf Notes 7-10-12

Both Allora and Clifton played in the Allclif Shield on Saturday with both teams having 35 players for the 4 ball best ball format. The best 6 scores from either side were recorded to go to the overall team scores for the day, with the home ground advantage getting Allora over again to regain the Allclif shield. The final results were Clifton 277 points and Allora 282 points. There were some great scores from both sides with Steve Morritt and Laurie Riddle the best for Clifton with 50 stableford points. The best on ground for Allora was Max Bielefeld and John Sparksman with 51 points. Runners up from both sides were Phil Watt and Jack Fulwood from Allora and from Clifton John Keleher and Ruth Hungerford.

Pin shots for the men went to Anthony Bowe on the 4/13th . Kel Strange the 9/18th . Pin shot on the 8/17 for the ladies went to Ruth Hungerford.

Everyone had a great day out and we hope we can continue the winning formula at home again next year.

There were a few contenders who backed up again on Sunday for the Monthly Mug sponsored by the Railway Hotel. The winner of the day was Kev Harrison with Phil Watt runner up. Not too many pins were on hand but Kev picked up the 7th and Max was closest on the 17th.

Next week's competition will be a Club trophy, all players are welcome to attend with tee off at 12 noon. Don't forget your sand buckets and remember - to play is to live.

ALLORA SOCIAL BOWLS NOTES

Even though last Tuesday night was rather cool, twelve teams were on the green. Melissa Ziser looked warm in her uggies and cute hat. Judging by the laughter and light banter all the teams enjoyed a great night of bowls.

Games Organiser Greg Patterson welcomed new players this season, Tony and Carmel Cowley, Barry Donegan and Barbara Donovan who travels down from Warwick. Club member Michael Wright comes up from Toowoomba. He is often first at the green (and last to leave).

Scores are kept religiously on proper score cards then all the winning team's cards are thrown in one bucket and the losing teams in another. A winning team and a losing team are then drawn out to win prizes from the Club. You can be a winning looser or a losing winner. (make sense). It is all for fun and to enjoy outdoor bowls under lights.

At some point during the night, Greg will call 'touch' and if your bowl touches the jack, you can win a block of chocolates donated by Gary Evans Drilling.

Thanks to efforts of Greg, we had raffle prizes from sponsors, Bill and Linda (Swimming Pool Prop rioters), FoodWorks, Railway Hotel and the Jackpot prize donated by True Value and Wilson & Rigby.

During the drawing of the raffles players relax at the bar with a drink and light refreshments.

Greg is hoping that we have a capacity 14 teams playing next week.
