## Blue Care Christmas Market Day - 7th December 2012

The Allora Clifton Blue Care Boutique is holding the Annual Christmas Market Day on 7th December 2012. Selling starts at 8 am on the corner of Warwick and Forde Streets, Allora, with a great selection of homemade cakes and biscuits as well as pickles, chutney and lemon butter. Volunteers have been busy potting plants and getting together many hand crafted items suitable as Christmas gifts. The book stand will have books to suit all tastes including handcraft, fiction, non fiction and children's books. Donations of suitable goods are always greatly appreciated.

The Boutique is open on Thursday and Friday from 9 am to 4 pm each week, behind the Allora Respite Centre with a great selection of clothing, books and a great assortment of household items. Due to Health and Safety requirements, we cannot accept donations of any electrical items and underwear. Clothing bargains are always available in the boutique.

All proceeds from our market days and the boutique, go directly to the Allora Clifton Blue Care Centre, to assist with home visits and day respite for the aged and disabled residents of the Allora Clifton area, who are unable to care for themselves. The Respite centre also provides transport for clients to doctors appointments in Toowoomba and Warwick.

Three year old A'ni Strugnell receives her gift from Santa at Tuesday's Allora Playgroup Christmas Party.

## Santa Visits Playgroup Christmas Party

The Allora Playgroup held their final Playgroup and Christmas Party on Tuesday, with Santa a very special guest on hand to meet an excited group of children, and some equally excited parents. Jolly ole Santa may do his regular Christmas rounds with reindeer and sleigh, but his arrival at the Allora Playgroup as guest on Allora's Queensland Fire & Rescue Service Pump 323 piloted by Firefighter Andrew Petersen and crewed by Firefighter Cameron Thomas grabbed all the attention amidst the wailing siren and a supply of Christmas gifts galore. There was plenty of lucky winners in the Christmas raffle draw, some wonderful prizes on offer that were eventually spread across the community, with some lucky winners from the Playgroup crowd on the day.

Allora Playgroup spokesperson Jodie Worboys is very grateful to all who attended and sold or purchased tickets in the fundraiser Christmas Multi Draw Raffle. "Profits from the raffle totaled \$1,233.50 which is a huge bonus to Allora Playgroup

and without our donors it would not have been the success it has been" acknowledged Jodie, "special thanks to all who have supported Allora Playgroup this year, cleaners, cooks and helpers, without your support there is no playgroup".

Recently the Allora Playgroup received a significant boost with the announcement of their successful application for a \$5,000 grant under the Volunteers Grant 2012 program offered by the Federal Government's Department of Families, Housing, Community Services and Indigenous Affairs. The grant is being used to upgrade or acquire cleaning equipment, first aid equipment, outdoor furniture & fire safety equipment.

Playgroup is a most important foundation for children and their parents. It provides opportunities for connecting communities and families together. It provides support, friendship, guidance and most importantly opportunities to play.

Jodie extends the season's greetings to all on behalf of Playgroup, and reminds everyone that Playgroup recommences coinciding with the new school year, and that new members are always welcome.

Playgroup parents are reminded there is a meeting to finalise the 2012 year for anyone who would like to attend tomorrow, Friday, December 7th at 72 on Herbert Coffee Shop commencing 9.00 am.

### Allora Celebrates Christmas Spirit

Tomorrow evening Herbert Street in the heart of Allora will come to life with Christmas spirit thanks to the Rotary Club of Allora & the Southern Downs Regional Council. Allora's Herbert Street between Warwick & Drayton Streets will be closed off from 5.00 pm, the street cleared for the many rides and other activities provided to entertain on the night. A change from previous years will be that all the evening's entertainment will be held in the Allora Community Hall in the town centre, with the Allora State School Band first on the program entertaining intermittently until 6.30 pm.

Santa, who has already altered his busy itinerary to visit the Allora Playgroup early this week, will return to make his annual Allora Bush Christmas appearance at 6.30 pm, escorted in the local fire engine. He is looking forward to meeting everyone on the special night, and will be available to meet all the younger folk in front of the Allora Post Office where he will hand out treats.

A new and no doubt popular attraction at this year's Bush Christmas will be a talent quest on stage in the community hall. Students from both the Allora State School and St. Patrick's School, Allora choirs will entertain from 7.30 pm prior to the talent quest commencing. The quest, that will be judged by Mrs. Robyn Draper & Mrs. Ann Balmain, will provide an opportunity for some established local talents to show their wares, while unearthing some new faces. The Talent Quest has four entry categories, Primary, Secondary, Group & Open, and while entries are steadily flowing in, further nominations are sought and will be taken at the event.

Drinks and burgers will be on sale at the Allora State School Parents & Citizens stall, rides and other activities are available for everyone throughout the night, along with access to hotels and some business houses.

Allora has a heavy schedule of Christmas events across the 18

sleeps leading up to Christmas Day. This Saturday the Allora RSL Christmas Markets will be offering a bounty of bargains from 8.00 am in the Allora RSL Hall. The markets are always a popular event, and with Christmas shopping at the forefront of thinking, the many stalls are well worth a visit. The RSL are also hosting their Mega Christmas Cent Sale in the RSL Hall on December 16th.

The Goomburra community are also soaking up the Christmas spirit, hosting their Goomburra Hall Christmas Party at the hall on Friday evening from 5.30 pm with everyone welcome.

### BAD JOKE OF THE WEEK

One day a Viking named Leif returned after a long sea voyage and found that during his absence his name had been removed from the town register. He sent his wife to the town hall make a complaint to the mayor.  
'I'm sorry,' said the mayor, 'I must have taken Leif off my census.'

### Strong Enquiry in Warwick's Axis Industrial Park

According to Warwick based Economic Development Officer, Nick Edols, enquiries from companies seeking to set up manufacturing, warehousing and or transport and logistics' operations in Warwick's Axis Industrial Park have been very strong over the last six months.

Axis contains nearly all of the serviced industrial land that is presently available in the Warwick area. The Council's Economic Development Unit has been working closely with the owner of the park, Dave Cooke and his collaborators, in facilitating interest, and follow-up activity associated with the enquiries.

While a number of sales of industrial blocks have occurred to date, the rate and depth of enquiry and interest has been strong enough to raise expectations that in 2013, Axis Industrial Park will see a number of new players set up business. Indeed, highly experienced local Warwick agent Rob Koremans believes that within five years the park may well have reached near full capacity with more than 20 businesses operating in the industrial park. This is really interesting in terms of future employment growth for the town.

Nick Edols says this surge in interest is not surprising as this industrial land situated close to Warwick has a number of competitive advantages. The cost of the serviced land at Axis is typically around \$65 per square metre, less than half the cost of some competing industrial parks in neighbouring regions. When you couple this cost factor with Warwick's strategic

location on two major highways, its 2 hour proximity to Brisbane, its stable workforce, the park's ability to operate 24/7 (in a large part of the estate), Warwick's quality lifestyle and good value housing, then the growing interest in this industrial estate is understandable.

At Axis Industrial Park it's all about meeting individual requirements. In situations where companies are not wishing to purchase property and undertake construction, the developer in most circumstances is prepared to construct a custom built facility and lease to the investor. Also, blocks can be amalgamated or split to ensure they fit the investor's current and future industrial land area requirements.

Feedback from potential investors includes a further positive note in that Axis is located on sandstone not black alluvial country. This leads to significant cost savings in construction of foundations and concrete slabs.

The Chief Executive Officer of Southern Downs Regional Council, Andrew Roach sees Axis Industrial Park as being very important for the future of the local economy and community of Southern Downs and looks forward to seeing Council invigorating and steering its investment attraction activities to help realise the expectation of a new and thriving industrial precinct.

### Looking Back...

Allora's Past 25 years ago  
December 1987

#### WATTLES R. L. CLUB

Owing to the poor attendance at the meeting on Sunday, 29th November last, the Annual Meeting has been postponed to the 13th December, 1987, to be held at the Sports Ground, Clifton, at 9.30 a.m.

There will be a strong possibility that the club will have to disband if more support is not forthcoming. Wattles club has been a proud part of our district for many years and we would appeal to all players, past players and supporters to rally around and attend this meeting.

#### Wheat Deliveries

Deliveries to the various wheat depots in the Allora area this year will constitute a record for the district. It is expected that total deliveries will be about 135,000 bags, as compared with the previous

Swimming Carnival at Allora circa 1912.

record of 120,000 bags. The total at the Allora depot is expected to be at least 60,000 bags compared to 33,000 last year. The Ellinthorpe shed is full and a dump has been commenced, about 36,000 bags are expected. Last year the total was 12,000. Considering the adverse season, the quality of the wheat throughout the district is surprisingly good, being 80% to 90% milling wheat. Last year the grade was nearly all Q1. This year rust affected the wheat in all parts of the district.

### Last chance to have your say on the future of the Warwick Aerodrome

The survey on the review of the Warwick Aerodrome closes soon and Council is keen for your ideas on how the Warwick Aerodrome should progress into the future.

If there is something you think should be considered, Council needs to know now!

"The Warwick Aerodrome is an extremely important facility for our region, and we would like to see it utilised to its full potential," said Michael Bell, Manager Parks and Major Projects.

"What is it about the Aerodrome you like or don't like?" "These are things which Council needs to consider when formulating its new Aerodrome Master Plan," Mr Bell said.

"It doesn't matter whether or not you use the Aerodrome, we are happy to look at any ideas people may have to help build and shape this facility," Mr Bell said.

The survey closes on Friday 14 December so don't miss out on the chance to have your say.

You can access the survey through Council's website at [www.southerndowns.qld.gov.au](http://www.southerndowns.qld.gov.au) (click on the Warwick Aerodrome Master Plan banner) or go directly to the survey at [https://www.surveymonkey.com/s/Warwick\\_Aerodrome\\_Master\\_Plan](https://www.surveymonkey.com/s/Warwick_Aerodrome_Master_Plan).

### Closing date for Awards extended

In response to requests from community members asking for more time to submit nominations, Southern Downs Regional Council has decided to extend the closing date for Australia Day Awards nominations to Friday 14 December.

"We would not like to see someone miss out on a nomination simply because the person nominating them ran out of time," said the Mayor, Cr Peter Blundell.

"It is important to recognise people for their outstanding contributions," he added.

"However, we do have deadlines to meet so Friday 14 December will be the last day for acceptance of nominations."

"I would encourage people to take advantage of this extra time to nominate their local heroes" Mayor Blundell said.

Nomination forms can be collected from Council Offices and
