

**ABOVE & RIGHT:** Property damage and downed trees in Pratten after severe storms.

## Council and emergency services assist in the cleanup after severe storms lash the Southern Downs

Last Wednesday night the township of Pratten on the Southern Downs was lashed by severe storms that brought down trees and powerlines, damaged roofs and houses.

Council's Director Engineering, Peter See and Local Disaster Coordinator for the Southern Downs Local Disaster Management Group said "there are extensive areas of powerlines and trees down, five houses have been very badly damaged in Pratten and one in Bony Mountain, along with a new house nearing completion in Pratten, which was destroyed and a caravan smashed into a tree".

Council crews, SES volunteers and emergency services personnel worked through the night to clear debris, tarp roofs and conduct welfare checks of those affected by the storms. Crews remain on site this morning as they continue to assess the damage and assist residents in the cleanup efforts.

The Ergon Energy representative of the Local Disaster Management Group has advised that there are still approximately 103 customers without power across the Southern Downs, mainly in the Pratten area. Crews are working to restore power to these properties as soon as possible.

The Local Disaster Management Group is monitoring the situation in Pratten and Bony Mountain, praising the efforts of the local emergency services personnel, council crews and SES volunteers who responded to last week's storms and continue to assist in the cleanup.

"Residents who require assistance with storm damage are encouraged to phone the SES for assistance on 132 500," Mr See said. In the wake of the storms residents should:

- Tune into local ABC radio for official warnings or advice
  - Check your house for structural damage
  - Stay well clear of fallen power lines, trees and flooded watercourses
  - Check on your neighbours if safe to do so
  - Don't go sight-seeing
- Emergency Contacts
- For emergency help in storms or floods, call the SES on 132 500
  - For life-threatening emergencies, call 000 immediately
- For further information on storm and disaster preparedness, you can pick up some handy brochures from the Warwick or Stanthorpe Council Offices, visit the StormWise website [stormwise.com.au](http://stormwise.com.au) or the Get Ready Queensland website [www.disaster.qld.gov.au/getready](http://www.disaster.qld.gov.au/getready)

### Last chance for South East Queensland organisations to apply for an Our Neighbourhood Community Grant

Australia Post recently launched its new Community program - Our Neighbourhood with the announcement of a national grants program.

Grants of between \$1000 and \$25,000 are available for registered charities and community organisations in South East Queensland to support their local projects.

Australia Post is calling for organisations to submit their applications for an Our Neighbourhood Community Grant before the closing date of Friday 28 June, 2013.

Grants will be awarded to organisations with projects that help connect communities and foster inclusion across Australian neighbourhoods.

Australia Post plays an essential role in connecting Australian neighbourhoods and understands the importance of investing at a grass roots level.

"We want to provide people with the financial support, tools and resources that will assist them in building healthier, more vibrant and inclusive communities. These grants are just one initiative of a broader plan to further support Australian neighbourhoods and get them to connect with each other," said

### Regenerative Pasture Management for Horse Properties

Mariette van den Berg from MB Equine Services shall deliver a workshop on Regenerative Pasture Management for Horse Properties THIS SATURDAY, 22 June. The workshop will be held at Murray's Bridge State School, 1378 Killarney Road, Warwick, from 9.00am until 3.00pm, and includes a walk in a neighbouring paddock to demonstrate elements of the discussion.

The workshop is for anyone who wants to learn more about practical horse nutrition, sustainable horse keeping and pasture management. Topics include: horse behaviour, nutrition and feeding; pasture and grass growth & development; tools to improve soil/pasture health and property/pasture planning and feeding management. Details about Mariette's knowledge & experience can be found at [www.mberg.com.au](http://www.mberg.com.au)

It will be a BYO morning tea and lunch event. Please RSVP to the landcare office on 4661 9909. Numbers are limited to 25.

Catherine Potter, Landcare Coordinator

## BAD JOKE OF THE WEEK

A couple of boys were fishing at their special pond off the beaten track when out of the bush's jumped the Game Warden! Immediately, one of the boys threw his rod down and started running through the woods, and hot on his heels came the Game Warden.

After about a half mile the boy stopped and stooped over with his hands on his thighs to catch his breath and the Game Warden finally caught up with him...

"Lets see yer fishin license, Boy!" the Warden gasped. With that, the boy pulled out his wallet and gave the Game Warden a valid fishing license..

"Well, son", said the Game Warden, "You must be about as dumb as a box of rocks! You don't have to run from me if you have a valid license!"

"Yes Sir", replied the young feller, "But my friend back there, well, he don't have one"

Zonta has more than 1,200 clubs in 63 countries with more than 30,000 members.

Glyn Rees

### Looking Back...

Allora's Past 25 years ago June 1988

#### School Celebrates Bicentenary

The Allora State School celebrated Australia's bicentenary on June 8th 1988. The regular school program had been suspended for the day and the students took part in various activities with an Australian theme. These included cake decorating, fence painting, maths competitions and computer activities. A concert in the front yard of the school followed with bush band, cooee, bird call and local limerick competitions, whip-cracking and community singing.

Mr. Cec. Reynolds gave the whip cracking demonstration that he will present at World Expo 88. Mr. Peter Doherty, school principal, said that he regarded the day as having been very successful.

Allora's Past 75 years ago June 1938

#### Plane Drama at Allora

An incident that could have had serious consequences was acted out in Allora and Warwick on Tuesday night. A two-seater Gipsy Moth aeroplane had left Grafton, N. S. W. earlier in the day for Warwick. Due to navigational errors the plane ended up over Ipswich. By the

Aeroplane which crash landed on the flat near the western end of Jubb Street in 1918 (Note propeller).

time that the Range was negotiated, night was settling as it flew across the Downs. When the lights of Allora were sighted at 6 p.m. the pilot became dubious of his bearings and decided to land. It was then dark and the circling plane alerted residents that something was wrong. Mr. Sam Gordon lit a paper and grass flare in a 15 acre paddock known as "The Flat", near the corner of Raff and Drayton Streets, and the pilot brought the machine down in a perfect landing.

Finding that he was only a few miles from Warwick the pilot decided to complete the journey, and borrowed a torch to check the compass before taking to the air again.

Meanwhile a telephone call had been made to radio station 4WK asking for cars to go to the aerodrome to light the field. The plane circled once overhead, skimmed over the 18 cars lining the runway and landed gracefully, pulling up in a few yards.

Allora's Past 100 years ago June 1913

#### Day that Music Died

It is with much regret that we record the fact that the Allora Musical Union has gone under. The organization was formed six years ago with 50 active members and with the aim of staging four quality musical productions per year. Under conductor, Mr. R. L. Jackson, and with Miss J. E. Donovan as pianist, they lived up to that promise until recent times when interest waned. The post mortem on the corpse was poorly attended on Monday night last, but it was deemed expedient to sell the only living thing viz. the piano. Messrs. C. Kennedy, H. Weber and F. Moss referred in kindly terms to the work of the secretary, Mr. Malcolm Corden. In responding, the secretary thanked one and all for their valuable assistance right through and stated that it was like the loss of a very dear friend to see the Union buried.

Colin Newport

# ALLORA SCHOOL STUDENTS WORK EXPERIENCE

ABOVE: Nikiesha Green (King Street Mechanical, Warwick)

## Allora Students Join Local Workforce

Twenty-seven Allora State School students are currently taking part in the Work Experience program conducted from the 17th to the 21st of June, allowing them all a totally new experience in the working world as opposed to usual class room activities to complete the semester prior to their mid year holiday break. Students can be seen working with businesses around Allora, Warwick & Toowoomba and as far afield as Kalbar. The program has certainly planted a seed for most, and while some have firmed in post school ambitions, it has created uncertainty for others. In previous years students have been fortunate enough to be offered apprenticeships and other full time positions for year's end and the future as a result of their work experience efforts, something that may well occur again this week. While it may be an initial taste of life in the workforce for some, students are thoroughly enjoying a week that is exposing them to the realism of working life.

Students involved in this busy week in the working world included Daneeka Attard (Cassaz Colourful Curls, Allora), Jack Bannister

Seven year old Emma Keleher and Mum Rebecca Keleher preparing for a fortnight of fundraising for SIDS and Kids.

## SIDS and Kids Bowls Day Celebrates a Decade of Fundraising

After a decade of SIDS & Kids involvement, Rebecca Keleher is once again busy finalising arrangements for her 2013 "SIDS and Kids Bowls Day", the annual fundraiser she conducts in aid of SIDS and Kids. The popular bowls day is held this time every year in conjunction with "Red Nose Day", which this year is Friday 28th, June. SIDS & Kids headquarters in Brisbane Coordinator Bec Byrnes will be a special guest at the 10 Year Bowls Day.

Last year's bowls event was huge with 56 bowlers and non bowlers taking to the greens, winning team was Scott Sparksman, Cynthia Conway, Andrew Petersen and Billy O'Callaghan, and runner's up were John Chandler, Chris Eaton, Howard Brown and Naula Sullivan. The Red Nose Day concept was adopted by SIDS and Kids organisations around Australia 26 years ago. The first Red Nose Day was highly successful with around a million face noses sold, raising about \$1.3 million and substantially increasing awareness of SIDS and Kids and the cause. Organisers were thrilled with the success and decided to make Red Nose Day a national annual event.

Rebecca and her family have experienced the tragic heartache associated with Sudden Infant Death Syndrome, losing four week old son Adam a decade ago, Bec working tirelessly since to support SIDS and Kids. It's a team effort though, and in fact a family effort, the Keleher family devoted to the vital cause.

The team of two at the local fundraising face though is Bec and her mother Liz Sparksman. In the past nine years the devoted duo has raised in excess of \$20,000 for the charity so dear to them both.

This year they aim to break a few of their own records, this year being their final year of SIDS & Kids fundraising on an annual basis. Bec and Liz have set themselves a demanding few weeks though, with the bowls day at the Clifton Bowls Club on June 29th, the Red Nose Day merchandise sale at Allora Foodworks on June 28th, and a giant day of SIDS & Kids awareness and fundraising at Platz Oval this Saturday when local rugby league side Wattles take on the Gatton 'Hawks'. Wattles Under 18 & Reserve Grade teams will wear red arm bands, while the first grade side will don red socks for the top of the table game. The devoted ladies will also have a fund raising day at Platz Oval on July 20th when Wattles Junior Rugby League Club takes on Stanthorpe Juniors.

Bec says "there is something for everyone" in this year's Red Nose Day merchandise, stubbie coolers and locally made red beanies adding to the range of merchandise available. The day at Wattles will also feature a multi-draw, including prizes of a fuel voucher from Glenmar Fuels, a ladies pamper pack & a car & motorcycle detailing & cleaning kit. The bowls day will have the full range of merchandise on offer, along with a giant multi-draw with a magnificent array of prizes and expected support of up to 64 players, a full green. Entertainer Kevin Smith, 'Not Totally Country' will entertain into the evening and a barbecue will operate.

While Bec was raised in Allora, she now resides in Clifton with husband Ken and children Josh (14), Emma (7) & Anthony (6). Josh, a student representative at the Clifton State High School, recently raised over \$300 in aid of SIDS & Kids with a sausage sizzle & merchandise sale fundraiser at his school, while another fundraiser free dress day was held at Clifton's St Francis De Sales School, the students wearing red noses and involved in colouring in activities.

"The main motivation for our decade of fundraising has been to assist in providing financial support for research into Sudden Infant Death Syndrome, and support for affected families" said Bec, "you learn to live with what occurs, but you never get over it, the grieving cycle allows good days and bad days".

"Mum and I and our family wish to thank so sincerely the so many people from Allora, Clifton & Warwick and beyond who have supported our fundraising ventures over the past ten years", said Bec, who has travelled as far as South Australia to gather fundraising SIDS & Kids merchandise, and who has been commended for her efforts in aid of SIDS & Kids by the organizations leading figures.

She is very proud of the support the Allora & Clifton community afford her events each year, and also of the fact "funds raised through Red Nose Day and our bowls day activities assist SIDS and Kids in providing vital services and programs to the Australian community."

For further information or should you wish to access tickets in the wonderful multi draws, contact Rebecca Keleher on 4697 3702.

## Wattles v Collegians Match reports

**Clancy Smith Water Services U7's** - This week we ran on against Collegians in Warwick and the weather wasn't kind.

The little warriors continued where they left off last week with the whole team putting in a great effort running the ball up with Ryan Gillam (3); Sam Gilmore (3); Piper Brady (1); and Jack Wright (1) leading the way with tries scored. Hamish Gartery played well with his continued strength in defence and was supported by Billy Peardon, Atticus Sullivan, Jake Sheather and Noah Gillam. Great job team, continued commitment and practice at training will see marked improvement from our first game of the year. As the holidays are approaching and a lengthy break until next game day, remember to practice with the ball in the backyard over the holidays to help with ball skill development.

**Eastwell and Sons U10's** - All the boys played well with our forwards attacking well. Our halves were again responsible for giving great service and ball delivery. Our defence was extremely strong, however we just need to work on moving the ball sideways and not running sideways. Tries were Lachlan Meacle 3, Jacob Meddleton 1, our goal attempts were a

Continued from page 11...

fraction disappointing with Will Denny kicking our lone goal. Good luck to all U10's playing rep football during the holidays. **Clifton Auto Ag U11's** - A typical tough encounter against Collegians on Saturday for the team and it showed we were in for a long day when the game commenced as our line speed was average and the usual good talk was non-existent.

I firmly believe that this football team worry themselves silly when competing against this opposition and they must start to develop self belief when they face them again in the finals, this is a very good rugby league team and they are capable of beating all teams.

Today's win saw a few of our harder working players step up, Lachlan Harris, Clayton Brady and Joe Willett made good meters all day, their play was a large part of the team keeping good field position, Dan Brown was trying hard and scored the first of our tries with a good run 10m out from our try line, Jack Bashford converted the goal. Our next try was awarded to Darby Peardon who managed to bust through the Dragons defensive line a run 50m to score a hard earned try which he converted.

A more than pleasing aspect of the teams game was their defensive efforts, to keep a big strong team to only one try was a great effort and all of the team worked hard when under enormous pressure, Clayton pulled off a fantastic try saving tackle late in the 2nd half that saved us from a certain draw. The

end score in a very tough game was Wattles 12 Collegians 6.

Good luck to all of the U11 boys playing rep football during the holidays.

**Ryanie for Tyres U12's** - A great display of running football today saw this steadily improving side come up with a good win, across the field the ball handling and defence was great to see. Tries today were scored by Regan Eastwell with 3, including a fantastic long range try evading many tacklers. Other tries were scored by Mathew Christensen with a length of the field effort, Tyler Gillam with a beautiful stepping display and our rapidly improving front row forward Harrison Hunt barging over with at least 5 of the opposition hanging off him.

Our team unity is really starting to gel nicely and this goes hand in hand with our support play, good job team. The end score was Wattles 28-6. Good luck to all players involved in rep footy over the holidays.

Ian Brady

Fashion winners at Wattles Annual Race Day at Toowoomba's Clifford Park on Saturday, 9th June, were Ashlea Nicholas (Best Dressed Lady), Jason Nightingale (Best Dressed Guy) with Holly Whittaker and Aaron Scheid (Best Dressed Couple). Club President Aaron Scheid considered the day a great success.

**Warriors Resist Cowboy's Challenge**

After dispatching Madsen Rasmussen Trophy winners Southern Suburbs in a 22 - 12 win last week and claiming a share of the third place rung on the TRL ladder, the 'National Farmer's Warehouse' Wattles Warriors survived a reality check at Platz Oval on Saturday evening when they defeated the Warwick Cowboys 42 - 22. The result has Wattles maintaining their third place ranking on the premiership ladder in fourteen points, keeping top five company with Gatton (18), Southern Suburbs (17), Pittsworth (14) and Valleys (14).

Saturday nights stoush was anything but one sided regardless of the scoreboard, with the Cowboys looking the better side in the first forty minutes, the visitors leading 18 - 12 as play entered the final minute of the first half. Wattles gained a foothold though when winger Tim Hentschel fielded a kick down field from five eight Ryan Duggan to score as the halftime siren sounded, levelling the ledger 18 all at the break. Hentschel's try was his eleventh this season, sharing the Warriors top tryscorer honours with back-rower Mitch Koina.

Wattles Coach Luke Duggan "was very impressed with Warwick, they really came to compete and gave us a very tough 80 minutes of footy". The Cowboy's ball control was high standard, limiting the amount of ball and field position Wattles were given.

Wattles took an early lead in the game after seven minutes when centre Joel Koina touched down, but the Cowboys cashed in on field position twice to snatch a 12 - 6 lead midway through the opening half of the local derby, winger Donald Miller & Pat Cameron claiming tries. Wattles fullback Jackson Green levelled the scores soon after, but Warwick were well up to the task with electric centre Mitchell Small scoring to see the Cowboys lead 18 - 12 eight minutes from the break. It was all hands on deck for Wattles as they struggled to handle the Warwick onslaught, Cowboys forwards finding room through the middle at will.

While the scoreboard read 18 all to start the second half, Warwick were in the points in the opening minutes when centre Ben Carter chased down a Paul Cantwell chip kick to give his side a 22 - 18 lead.

Some classy lead up work by Jackson Green and Tim Hentschel paved the way for halfback Matt Duggan to dummy and slice through six minutes into the second stanza and have Wattles edge ahead 24 - 22. The Warriors managed to break free from their shackles and ran in three further second half tries by Mitch Koina (50th min), Kim Phoenix (62nd min) and another to Tim Hentschel (75th min) on their way to the winning total.

The home side defended desperately, often off their own line in the later stages of the second half, Warwick applying enormous pressure that went without reward.

Matt Duggan, although closely marked throughout, was a key component in the result, the classy half demonstrating why he has racked up 120 points after eight matches so far this season. Fullback Jackson Green was also among Wattles best, but the forward clash was dynamic and exceeded the usual high expectations for a Southern Downs local derby. Wattle's duo of Pat Manley & Kim Phoenix led proceedings in the green & gold engine room throughout. Expat Englishman Gary Ellery was one of a number of outstanding Cowboys forwards, while team mate & halfback Ryan McIvor gave his side plenty of opportunity as he led them around the paddock.

Wattles 42 (Tim Hentschel 2, Jackson Green, Joel Koina, Matt Duggan, Kim Phoenix, Mitch Koina tries; Matt Duggan 7 goals) defeated Warwick 22. (Donald Miller, Mitchell Small, Ben Carter, Pat Cameron tries; Garth Miller 3 goals).

A loss to the 'Hawks' this Saturday could see Wattles tumble out of the top five regardless of their tenure on third place currently. Gatton will be looking to regroup after last weekend's 8 - 40 loss to Southern Suburbs, and realign there focus on the finals. The 'Hawks' emerged 24 - 4 victors over Wattles when the two sides last met at Gatton's, Cahill Park. The Warriors will enjoy the home ground advantage on Saturday, and the support of a growing legion of supporters, and will also have the benefit of a virtual full strength line up. Former Wattles first grade mentor and current Gatton coach Lee Wharton thought the 'Warriors' were the equal of his side that day, and in some areas better, but last passes just failed to stick to rally the necessary points. For Wattles in that early season clash, halfback Michael Duggan and 'The President' & back-rower Aaron Scheid were voted joint "Player's Players", Scheid considered Wattles' best in the match with Michael Duggan and fullback Joel Koina also posting exemplary performances.

It was a handy effort by Wattles considering they ran on without established halves Matt Duggan & Ryan Duggan, fullback Jackson Green, winger Robert Moore and more recent A grade addition, classy forward Kim Phoenix. match. Ben Reuter picked up a double whilst the Boney boys scored a four

pointer each. The Hawks lead 12-4 at half time and continued their scrambling defence to deny Wattles of any points in the second half.

**Reserve Grade** - The Warwick Cowboys were leading the "Railway Hotel, Allora" Warriors 12 - 6 in a close tussle in reserve grade when the match was called off after 53 minutes. The game had been halted for some time due to an injury that saw hard working Cowboy's forward Warren McConville transported by ambulance to Toowoomba. Lock Scott Beard & second-rower Dennis Bohm lead from the front for the Cowboys, while back-rower Jason Wilson and team skipper Jason Nightingale impressed for Wattles, Wilson earning 'Player's Player' honours. Halfback Josh Henry was also in great form, regularly finding gaps in the opposition line before being assisted from the field with injury just minutes before the match was halted. The Warriors withstood a ten minute period straddling half time with only eleven men after forwards Ross Hentschel and Brandon Purcell where sin binned.

Winger Peter Crummy & front-rower Warren McConville scored tries for the Cowboys, & fullback Kurt Heier successful with two goals. Wattles sole try was scored by player/coach Ross Hentschel, and a goal by Brady Glass. The match saw the return to Platz Oval of Warwick players Josh McIntosh, Dane Walker & Burwood Robinson who early this season had been lining up in the Warriors green & gold. The Warwick win has them just outside the top five on the TRL reserve grade ladder, Wattles perched one win ahead in fifth place. Coach Ross Hentschel will be looking for a special effort from his charges this weekend, a win would see his Warriors take a step up the ladder to fourth place. Gatton are currently in fourth place by just one point over Wattles. Both sides battled out a 6 all draw when they last clashed in Round 3.

**Under 18** - After leading 14 - 6 at halftime the Warwick Cowboys Under 18's continued the trend in the second stanza on their way to a 26 - 10 victory. Atryton Friedrichs crossed for two tries in the match, touchdowns also awarded to team mates Robert Stewart, Brodie Quirk, Michael Pearson & Brody Whitney, Pearson kicking a lone goal. Nick Morris & Ben Ranger scored the "Allora Foodworks" Wattles' tries, Brodie Sharman also kicking a goal. Halfback & former Wattles player Ryan Grady had a busy game for the Cowboys, while big front-rower Michael Pearson was very damaging on the fringes. Wattles' 'Player's Player' forward Stuart Bourgoire & halfback Tom Henry impressed in the Warriors performance, as did dependable forward Allan Ogg.

The Warriors Under 18 side will face a pressure test on Saturday given they will be without key players Nick Morris, Brodie Sharman & Ben Ranger who will be in Townsville competing in the schoolboys Confraternity Shield. Wattles Junior Rugby League Club Under 16 players Joe Morris, Josh Sharman & Max Somes are also heading to the tropical north as members of the combined Assumption College, Warwick & St. Joseph's, Stanthorpe team.

Brodie Sharman's pointy scoring ability will be missed, the talented outside back has scored eleven tries and kicked nineteen goals giving him a total of 82 points in just seven Under 18 appearances so far this season.

Wattles Colts were victorious in their last bout with Gatton, winning convincingly 42 - 6.

Matches commence at Platz Oval on Saturday at 3.00 pm (Under 18), 4.30 pm (Reserve Grade) and 6.00 pm (A Grade). Be sure to wear your "Red Nose" !

## Wattles Old Boys Hold Out for a Draw

Wattles 'Old Boys' fought back from a 0 - 4 half time deficient to snatch the lead midway through the second half in Saturday afternoons Wattles Old Boys Challenge at Platz Oval. The result was sealed though when 'Aging Cowboys' and former Wattles back Alfie Boney cruised over to score with four minutes remaining on the match clock to see the match end in a hard fought 8 all draw.

Boney, whose fame from his playing days appears to have resulted in a mountain being named after him west of Allora, was among Warwick's star performers in the clash, along with Dave O'Leary, Harold Byrne, Shaun O'Leary, Will McIntosh, Wally McIntosh, Rod Hansen, James Jerome, Paul

**friends.**

Hallman, Glen Whitton, Dave Speedy, Craig Mullaly & Alan Fogarty, which was the entire Warwick team.

Seasoned veterans James Jerome and Harold Byrne laid the foundations for the initial try of the match that saw Sean O'Leary turn the opportunity into points and have the 'Aging Cowboys' ahead 4 - 0 after eleven minutes.

Crafty hooker Joe Flynn levelled the scoreboard soon after half time when a dummy half dart close to the tryline resulted in a try, after tough forward Matt Grayson had taken the ball for a gallop only to be cut down just short of touching down.

Grayson was embroiled in the action again soon after, before John Phelan raced away to score and have the 'Aging Warriors' leading midway through the second half.

Wattles 1987 'Player of the Year' Brendan 'Jack' Bange rallied his forces throughout, while halfback Gary Ruhle was a constant thorn in the oppositions' side. Centres Keith Joppich and Damien Bange tested the opposition at every turn, impressing whenever they had the ball in their hands. Gutsy winger of yesteryear George Berry again showed size is no barrier, with a tenacious display of one on one ball and all defence. The ageless five time Wattles 'Player of the Year' Cameron Hamblin brought his full bag of skills, and most importantly was still more than capable of employing them all, directing play midfield and bring back plenty of memories.

Big men Scott Minnikin, Troy Gillam and Shaun Rauchle steamed into the defence relentlessly, making quality gains on the edge of the ruck, Rauchle's relentlessness saw him rewarded as Wattles 'Player's Player'. Hooker Joe Flynn was at his scheming best at dummy half, translating many of the plays he installs into his Wattles juniors into his overly mature team mates on Saturday. Back rowers Glenn Brown and Jason Willet worked tirelessly in defence, history showing tackling was Willet's forte, while Brown was also very effective running the ball, especially off the shoulder of bookends Rauchle & Minnikin.

Matt Grayson showed he still has the goods for A Grade with his display, famous for his defence; the timing is still more than evident. Neil Christensen showed plenty of pace with room to move and George Gall stood tall with his yellow playing gear and never say die approach to dealing with his Warwick counterparts.

The match was refereed by experienced local whistle blower Paul Morris, who ruled with an iron first despite some frustration over player exchanges. Warwick provided some stern opposition, but the drawn result was a fitting outcome.

Organisers were overwhelmed with the success of the game, and the fact the same number of players who started the match, also walked off at the end.
