BAD JOKE OF THE WEEK

One night after closing time a bar owner was finishing clearing up, when a spectral hound floats in through the door. The bar owner is scared, but asks him what he wants.

The phantom hound explains, 'I've lost my tail and cannot rest until a kindly bar owner stitches it back on.' 'Sorry,' said the bar owner, 'but we don't re-tail spirits at this time of night.'

Let Council hear you Bang the Table!

Southern Downs Regional Council has launched its new community engagement tool, *Your Say Southern Downs*. *Your Say Southern Downs* is Council's community consultation site for everyone who lives, plays and works in the Southern Downs. It is a place where you can tell us what you think about key issues, plans and opportunities that affect you and your community and where you can help inform Council's decision-making.

Through *Your Say Southern Downs* there are a variety of ways to get involved including surveys, discussion forums, polls, by asking questions, viewing images, videos and documents, and much more.

Council has engaged the services of Bang the Table, a team of very experienced community engagement providers with extensive skills including communications, government relations and public policy, to develop the site.

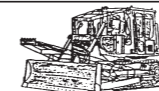

"Council is extremely pleased to announce this step into the future with our new online community engagement service," said Mayor Peter Blundell.

"Providing easier access for people to 'have their say' on a range of issues is something Council has been very keen to do."

The first project featured on the new Engagement HQ is the proposed Waste Reduction and Recycling Plan 2013-2023.

"We encourage people to have a look at the Plan and to lodge

Balcone Boarding House

Reference to the Munro family in last week's column leads to a mention of Balcone Boarding House. After the death of George Munro in 1908, his wife Julia (nee Schriek) had a second story added to their house in Drayton Street and she and some of their eight daughters opened it as Balcone Boarding House. It operated until 1917 when the building was dismantled and moved to Warwick.

Scout Troop Formed

Newly appointed Allora Scout Group leader, Mr. Keith Loveday, said that he was very happy with the public response to a meeting called at the Allora High School on Monday night last to reform a Scout troop in Allora. He said that it was 1970 since the Scouting movement was last active in Allora. Scouting activities for the boys would begin once the Scout and Cub leaders and assistants finished training. Mr. Stephen Reid will become a Scout leader while Malcolm Clark will act as an assistant leader. The Allora Show Society has given permission to use a building at the show grounds as a den.

Rifle Shooting
There was a good attendance of members at the local range on Saturday last to

compete for the Gallagher Cup. The weather conditions were good, with a strong variable wind blowing. As is well known, this competition has extended over a number of years, but the destination of the cup was finally decided on Saturday when it was won for the third time by Tom Maher who is now the owner of the trophy. The cup was presented to the Boer War Memorial Committee by Miss Gallagher of the Railway Hotel in 1904. In 1906 it was handed over to the Allora Rifle Club for competition, the conditions being that it was to be won twice in succession or three times in all before it became that competitor's property.

The successive holders of the cup have been Messrs. J. Burge, Grayson, Smith, T. Maher, H. Weber, W. Cooke, Fitzgerald, W. A. Moulday, T. Maher and J. Crothers.

Scout project marks Browns Falls route

Southern Downs Regional Council celebrated a unique project to mark the best route to reach Browns Falls at Killarney. Venturer Scout Scott See worked with Council's Parks Coordinator John Newley to carry out the project as part of Scott's work towards obtaining the Queen's Scout award.

Over a period of four weekends, Scott helped by other scouts from the Glennie Heights Scout Group worked on marking the best route to reach Browns Falls. He marked the route one weekend, returned a second weekend (only to be flooded out), tweaked the route on a third weekend and then, finally, marked the route with round red plastic markers. The markers show able-bodied people the best route to follow along the creek.

"There is no constructed footpath in this area and prior to marking the route it was possible to get disorientated or, in a worse case, to be injured, as happened to a parent on a scout excursion some years ago," explained David Tuxford, Director Business & Community Services.

"Our thanks go to Scott and the scouts, who have done a fantastic job on this very worthwhile project. Council was very pleased to be able to assist them in their efforts," Mr Tuxford added.

A sign showing the markers and explaining how to get to the falls will be in place on the pathway. Council provided the sign and the markers and Scott and other scouts carried out the work.

Blazing bonfires, decorated fire drums and fireworks warm winter: Winter in Killarney Bonfire Night at Warwick Jumpers and Jazz Festival

Fancy sipping mulled wine or a citrus hot toddy by the warmth of a fire breathing dragon or flaming echidna? Or, possibly a 10 foot tall fiery Ned Kelly? Love a bit of fire or need to re-connect with your inner pyromania? Winter in Killarney Bonfire Night is for you!

The rapidly-growing-in-fame Winter in Killarney Bonfire Night, part of Warwick's iconic Jumpers and Jazz in July Festival, will fire up winter on this Saturday, 20 July 2013 at the Killarney Polocrosse Fields, cnr Acacia and Willow Street, Killarney.

It's a winter get-together that warns away the chills thanks to a giant pine bonfire (expertly lit and supervised by the rural fire brigade), around 20 creatively decorated fire drums (otherwise known as 44 gallon drums), fireworks, music and some warm winter cuisine including damper and stew, pumpkin soup and gourmet curry and sticky date pudding from local produce powerhouse, Southern Downs Harvest.

Metalworkers, amateur and professional, re-fashion the old fashioned kind of 44 gallon drum outdoor heater into functional works of art which are then lit up for the Winter in Killarney Bonfire Night celebrations.

Now in its fourth year, Winter in Killarney Bonfire Night organiser, Louise Brosnan says the idea was borne out of the popularity of Guy Fawkes Night in the UK.

"I lived for five years in the UK, where Guy Fawkes night is still a hugely popular event. While visiting Rye in East Sussex, my husband and I were swept up in the theatre of their mid-winter event, where a fiery street parade finishes with a celebratory bonfire five stories high." Ms Brosnan said.

"This sparked the idea to develop a creative project locally in the Warwick region around fire drums and now four years on, the Killarney community is immensely proud of the annual event and proud to be a part of Jumpers and Jazz in July," she said.

The fire drum exhibition consists of all shapes and forms and each year, the mix of new and old entries are judged on creativity, skill and attention to detail.

Killarney's local metal workers Jason Green and David Bishop have regularly been at the top of the leaderboard since the event began with entries such as his 2011 Green Train and 2012 Hot Rod.

There are few limits to creativity and size and Paul Graham has become well known for his large creations including a 10 foot tall Ned Kelly and a fire breathing dragon.

The centrepiece bonfire is proudly sponsored by local sawmill, Pineflex who generously donate all the pine required for the fire.

The evening includes entertainment from local band Studio Two and a children's jumping castle.

The night concludes with a huge firework display, proudly presented by Southern Downs Regional Council. Cost is \$10 per person (children under 16, FREE). Bring chairs or picnic blanket and plenty of warm clothes.

they did.

There were some great runs made this week in attack. A special mention must go to Noah Gillam (2); Hamish Gartery (2) and Jack Wright (1) who all crossed to score. The boys were strongly supported by Ryan Gillam; Billy Peardon and Jake Sheather who all made good ground with the ball.

In defence we acknowledge the die hard effort of Hamish Gartery for his determination in covering the field to defend his line. He was assisted by Atticus Sullivan, Sam Gilmore, Ryan Gillam and Jack Wright who also stepped up to another level in defence this week! Great game team!

Luke Townsend Farrier Services U9's - This weekend the team had a tough game against Suburbs.

After a slow start the team found some form with excellent defence from Michael Shingles and Tobias Seibel. It wasn't long until the hard work paid off with Ashley Greentree running wide to score.

Liam Ruhle was exceptional at dummy half by directing the play and holding strong in defence. In the forwards, Darcy Gorkow made some solid runs which the opposition found hard to stop. Overall the team played an unbelievable game of football.

Eastwell & Sons Transport U10's - The whole team came out firing after their holiday break and played extremely well, the defence was terrific and our forwards worked the middle well and made good ground setting the backs in great position for putting on some points.

Jacob and Ryley continue to move the ball to there team well from the halves, with Lachlan giving excellent service from dummy half.

Tries this week were Will Denny 3, Michael Duncan 3, Jackson Pogany 1. Conversions Hamish Rutherford 1, Duncan 1, Denny 1 & Will Simpson 1.

Clifton Auto Ag U11's - Today was a real eye opener for the team. Coaching staff were left a little perplexed with the all round effort and commitment from the team, particularly with tackling and discipline. We are however more than confident that the team will rebound back to the well oiled team that they are after more game time together.

The game started badly with a few unforced errors putting plenty of pressure on the team, they were however, able to withstand the Hornets efforts and quickly applied good pressure to the opposition with some good service from the halves and great forward running. The half time score was 16-6 to Wattles. The teams efforts in the second half was not as we had planed with more penalties awarded to the opposition, Suburbs capitalised on these and joined us on 16 with only a missed conversion saving the team from defeat.

Highlights of the day were Joe Willett's hard running and good tackling, Hunter Hamblin tackling very well, Dan Brown for good organisation and Patrick O'Brien for a good all round game. Tries were scored by Dan Brown, Tom Philp and Joe Willett with Brown and Declan Sullivan kicking goals. See you all at training.

Carlowrie Park U16's - The senior Warriors enjoyed their break and trained well Thursday. The team

has been dealt many injuries to key personal with both Tom Ryan and Joe Morris unavailable, and this week we were also without a few other players who were still on holidays and left

Wattles Juniors Match Reports -

Clancy Smith Water Services U7's - The little Wattles Warriors have missed there footy after such a long break and on Saturday they were keen to show off their talents on the field. They took to the park to play Warwick Suburbs and play

us short on numbers.

I would publicly like to commend the Warwick and District Rugby League and QRL for giving their approval to utilise members of our U14 side in Nick Van Der Poel, Jake Ranger and Blake Lollback who stepped up to lend a hand which was much appreciated by all the team, thank you boys.

We started well and hit the lead early but we could not complete our sets as we would have liked to stay competitive and coupled with more injuries to Jake Christensen and Evan Lack we were put under even more pressure and could not hold off the momentum of the determined Suburbs players who managed to score a valuable win. Tom Morris, Dalton Nielsen, Max Somes and Kane Wightman played well and lead the way. I must also commend the players for not reacting to niggling tactics from the opposition during the course of the game, well done. Players Player went to Max Somes.

Wattles Warriors Under 8's trip to Suncorp Stadium

Last Friday night, Under 8's Wattles Warriors travelled by bus to Suncorp Stadium. The team was fortunate to play against a team from Noosa on the field during the half time session of the Broncos verse Sharks match, with the help of their coach Kent Meacle and lots of parents and family to cheer them on. This is an awesome experience for our junior Rugby League players and Wattles JRL Club gratefully acknowledge the assistance of Sarah Walker from the Brisbane Broncos Development Office.

Warriors Clean Sweep Against Brothers

Wattles front-row book end Mitchell Hannant rose to the occasion on Saturday evening providing the go forward for his side as they overpowered Brothers 46 – 16 at Platz Oval. Hannant has run on in all Wattles fifteen matches to date this season, his obvious ability and combination with fellow prop Pat Manley winning the Warriors pack plenty of respect across the competition.

Along with the nuggetty Hannant, fullback Jackson Green was a danger whenever he handled the ball, while halfback Matt Duggan was at his creative best.

Wattles Coach Luke Duggan was more than pleased to collect what was a very important win, "it was a good win, but we still have to improve on the little things before considering ourselves premiers contenders."

Wattles raced to a 12 – 0 lead after tries by centre Brenden Wilson and hooker Liam Ross by the eleven minute mark, the Green & Gold outfit looking like dominating the match, but the spark faded somewhat until halftime, Brothers scoring early to stay in the game. Halfback & skipper Matt Duggan sliced through in the 27th minute & offloaded to back-rower Xavier Manley who fired an inside ball to flying fullback Jackson Green to score, allowing Wattles an 18 – 6 lead at half time.

Winger Tim Hentschel crossed for his fifteenth try of the season seconds into the second stanza, Matt Duggan also cashing in minutes later to have the Warriors leading 28 – 6. While Brothers halfback Robbie Cleven scored with a half hour remaining, the Warriors had taken control of the game. A second try to Green, along with touchdowns to second-rower Mitch Koina & hard running prop Pat Manley all took place in a seven minute spell in the latter stages of the second half, Brothers scoring near full time to give their total some respectability.

Brandon Purcell performed admirable in the number six jersey given the injury absence of injured regular five eight Ryan Duggan, but Wattles received another jolt with the loss for a few weeks of back-rower Kim Phoenix with an ankle problem. The match brought up Matt Duggan's 60th goal of the season, which along with his thirteen tries to date gives him an impressive total of 178 points from 12 matches with three competition fixtures remaining.

The first grade win has Wattles perched in second place on the TRL premiership ladder, level with Pittsworth, Valleys & Gatton on 20 competition points each, behind front-runners Southern Suburbs on 23 and just ahead of sixth place Highfields on 19. Wattles 46 (Jackson Green 2, Brenden Wilson, Tim Hentschel, Matt Duggan, Liam Ross, Pat Manley, Mitch Koina tries; Matt Duggan 7 goals) defeated Brothers 16.

Saturday provided a stellar evening for the Warriors, having earlier finished ahead in the Under 18 grade 42 – 14, and also reserve grade 54 – 8, giving the club a clean sweep in front of their home crowd.

Henry Hat Trick Halts Brothers - Reserve Grade Coach Ross Hentschel couldn't speak highly enough of his team's effort, scoring ten tries to two against a Brothers side that defeated Wattles confidently earlier in the season. Halfback Josh Henry was in shining form for Wattles, collecting the Best Player and

Player's Player awards along with a hat trick of tries. Hard running centre Justin Van Der Poel was also among Wattles best, with Hentschel nominating the rest of his team for a Man of the Match point.

Wattles 54 (Josh Henry 3, Brady Glass 2, Jim Johnson, Aaron Vietheer, Justin Van Der Poel, Carl Gale, Matt McCarthy tries; Brady Glass 5, Jim Johnson 2 goals) defeated Brothers 8.

Burke Shines in Warrior Victory - Wattles Under 18 side returned to the winners circle defeating top five club Brothers. Matt Burke was again very impressive collecting two tries for his trouble, while lock Stuart Bourgoire, Brodie Sharman and five-eight & skipper Tim Sharpe were also among the best in green & gold.

Wattles 42 (Matt Burke 2, Brodie Sharman 2, Tim Sharpe, Mitchell Duff, Dale McAntee, Nick Morris tries; Nick Morris 4, Tom Henry goals) defeated Brothers 14.

The Warriors head to Toowoomba Herb Steinhart Oval to take on the Valleys Roosters in all grades on Saturday. A loss for Wattles top grade side could see them tumble from second place out of the top five. Wattles have three fixtures remaining in the 2013 Toowoomba Rugby League premiership, with matches against Pittsworth at Platz Oval and Oakey at Oakey remaining after Saturday's clash against Valleys.

Wattles supporters are reminded that Saturday the 27th July is the club's final home game of the 2013 season, another action packed day scheduled being Wattles "Prostate Cancer Awareness Day" while taking on the Pittsworth Danes in all grades. Matches commence at 3.00 pm (Under 18), 4.30 pm (Reserve Grade) & 6.00 pm (A Grade).

Wattles 2013 Banquet and Presentation Night will occur on Saturday September 7th at the Allora Community Hall.
