Allora & Clifton Anglican Parish Annual Fete

The fine weather made it a great Fete evening at St David's last Friday. A sizeable crowd saw well stocked stalls, plenty of good food, and the children seemed to enjoy their entertainment corner of the grounds.

On the stage children from both Allora State and St Pat's performed for the audience, as well as the EagleZ WingZ band and Lizzie singing her own written songs; well done young folk.

The winners of the major raffle were 1st Doug Christensen - a 2 night stay donated by "Element on Coolum" Coolum, 2nd Sue Dalton - a Bosch Sander donated by Raff Farm Supplies Clifton, 3rd Chas Smith - a \$100 fuel voucher by Glenmar Fuels Allora, 4th - a \$100 garden supply voucher by Cookhaul Landscape Supplies Allora.

Thanks to all who helped make it a great fellowship evening, the Anglican Parish of Allora/ Clifton appreciates your support.
Ann Campbell, Co-ordinator.

Allora Landcare News

Landcare activities this week combine our ongoing Allora Mountain Project, with a 'back-to-basics', zero-till grazing Field Day, at Rod and Vanessa McLennan's Dairy Farm at 608 Willowvale Road, Willowvale. Rod and Vanessa have been successfully combining both dairying and zero-tilling for a number of years and we are sure most people who are interested in these farming practices will find the day very informative, even taking into account the current, difficult farming conditions. An agronomist will be on hand to discuss any enquiries with regard to seed, fertilizer and chemical.

In our Landcare Group's continuing support of local farmers, we can also discuss plans for possible funding for ridge farmers interested in soil conservation works, and increasing groundcover on their properties. More details on the day.

Also, a reminder to the general public, about our photo competition at the Allora Show. The competition is divided into three sections: Primary School Students, Secondary School Students and an Open Class. Entries must involve the Allora Mountain in some way. Details are in the 2014 Show Schedule. Support our local Show!

Happy snapping and see you at the Field Day - 9am to 11 am 608 Willowvale Road, Willowvale. Enquiries phone 4666 3453 or 0488 666 453

BAD JOKE OF THE WEEK

A farmer and his wife went to a fair. The farmer was fascinated by the airplanes and asked a pilot how much a ride would cost.

"\$10 for 3 minutes," replied the pilot.

"That's too much," said the farmer.

The pilot thought for a second and then said, "I'll make you a deal. If you and your wife ride for 3 minutes without uttering a sound, the ride will be free. But if you make a sound, you'll have to pay \$10."

The farmer and his wife agreed and went for a wild ride. After they landed, the pilot said to the farmer, "I want to congratulate you for not making a sound. You are a brave man."

"Maybe so," said the farmer, "But I gotta tell ya, I almost screamed when my wife fell out."

Community Fund offers grants up to \$5000

Community groups can apply for grants up to \$5000 to deliver electrical safety or energy efficiency projects in regional Queensland.

Applications are now open for the second year of Ergon Energy's Community Fund with grants between \$200 and \$5000 available for individual organisations and \$50,000 in total to be shared.

Community Partnerships Manager Simone Sakzewski encouraged local not-for-profit groups to develop innovative ideas that could benefit them and inspire their local community to adopt energy efficient and electrically safe behaviours.

Examples of the sort of projects that could attract funding include those that:

- Reduce energy consumption, particularly during the peak period between 4pm and 8pm.
- Upgrade equipment to more energy efficient models.
- Educate and encourage people to change the way they use energy.
- Use or promote renewable energy alternatives (solar, wind, hydro and biomass).
- Keep the community safe around electricity.

Last year, 12 organisations across regional Queensland received grants, including:

- Barambah Environmental Education Centre's project to educate students, staff, parents and the community on how to develop and implement energy saving strategies and

Looking Back...

Tony Abbott in Allora?

No, but a precedent may have been set in 1917 when Prime Minister, W. M. Hughes, addressed a crowd in front of Barnes & Co. on the corner of Herbert and Drayton Streets. The "Little Digger" was on an Australia wide tour to drum up support for the Yes vote in the Conscription Referendum. No publicity for the event appeared in the Allora Guardian but this may have been to avoid a repetition of the incident in Warwick on the 29th November, 1917, when he was pelted with rotten eggs, supposedly leading to the formation of the Commonwealth Police. The Prime Minister would have been preaching to the converted in a town where possibly more young people per head of population than any other town in Australia volunteered for war service, with forty seven names on the local memorial recording those who paid the supreme sacrifice. An anti-conscription meeting held in O'Callaghan's Hall on the 17th November, 1917, was attended by only thirteen people.

Householders Beware

Reports from several householders in the vicinity of Table Top regarding the occurrence of petty larcenies have reached this office. On Wednesday night the kitchen of an establishment was entered and a pound and a half of butter, cocoa, bread and other sundries were extracted. On

Thursday night two houses in the same vicinity were successfully burgled, the thief or thieves in both cases showing a particular fondness for butter which formed portion of the "take" in both incidences. We publish particulars of these happenings as a warning to others and suggest that for a season, the back door be locked and "Stumpy" be left off the chain.

At the request of the Allora and District Progress Association, Mr. F. Grayson M. L. A. visited the Home Department and urged that effort be given to the Home Secretary's promise to set matters in train for the creation of a new shire for the southern end of the Clifton Shire, to include the present Allora Municipality.

Historic Celebration at Roseneath Cottage

On Sunday October 27th around 220 people from around the Darling Downs, South East Queensland and local areas

soaked up the beauty, charm & history at the 150th Anniversary of Allora's Roseneath Cottage.

"We couldn't have been happier with the response for our special day" said Roseneath owners Rod & Lyn Close, "while an historical celebration and milestone, the day was also a big family catch up for us, and the families linked to the history of the cottage".

The quaint building with its own special charm was the focal point of the day, enhanced perfectly with a backdrop of green lawns, a myriad of floral hues from the magnificent gardens and Doug & Elizabeth Partington's magnificent Ford Model T glistening in the sunshine. "We can boast 264 roses in the gardens, all currently in bloom" said

Lynn. Many of the roses are new plants introduced since the Close's arrived at Roseneath Cottage in 2000, after buying the property in 1999. However many are also rescued roses that were longer wanted by others, and cuttings, many from the older plants existing at Roseneath. Memories came flooding back to children who had climbed the 150 year old apricot tree, still a prolific fruit bearer, and the grape vines of the same vintage that have surrounded the shed and attached latticed skillion, new season fruit hanging from the vines as it has for the last sesquicentenary. The camphor

laurel tree that has shaded Roseneath families over generations was still providing shade on Sunday, a shelter for catch up's and conversations.

Members of the Erhardt & Stay families returned for the special event, as did many members of the Anderson family, long established in the Allora area. Warwick Street, into Allora's first Bed & Breakfast, after purchasing the historic building from the estate of the late Josie Stay. Roseneath and its old shed was a well loved property being owned by the Stay family for 75 years. They had purchased the property from the estate of Christina Erhardt in 1924. Michael & Christina Erhardt built Roseneath in approximately 1862, of hoop pine with cedar fittings. A special guest on the day was 94 year old Mrs. Dorrie Lynch (nee Stay), a former resident of the cottage. The \$870.00 proceeds from the event were donated in support of the Allora Historical Society.

Scholarship offers annual bursary for students studying ag degrees

A Government scholarship that aims to attract school leavers into agriculture-related university degrees is now accepting applications.

The Horizon Scholarship, an initiative of the Rural Industries R&D Corporation, in partnership with industry sponsors, provides \$5,000 per year for the duration of a student's university degree.

The Horizon Scholarship also offers students annual industry work placements that give them first-hand exposure to modern agricultural practices, access to industry leaders, professional development workshops and opportunities to network and gain knowledge at a range of industry events.

RIRDC's Managing Director, Craig Burns said the Horizon Scholarship has been developed to support the next generation of agricultural leaders who will take up the challenge of farming for the future.

"We are looking for young people who are passionate about agriculture, with a keen interest in the future of our industries and who are ready to expand their networks and learn new skills," Mr Burns said.

Current Horizon Scholar, Eliza Star from Carrathool in NSW, said the Horizon Scholarship has helped build not only her networks, but her confidence as well.

"I have been involved in many activities stemming directly from the Scholarship, including participating in various workshops and conferences," Eliza said.

"I have attended various Ricegrowers' Association of Australia (RGA) meetings and events ranging from SunRice and RGA annual general meetings, to grower discussion groups and social events.

"The Scholarship is the best thing I have ever been involved in and the program allows you to get involved in such great

things. I encourage anyone who is about to start their studies to give the program a shot."

To be eligible for The Horizon Scholarship students must be entering their first year of university and studying a degree related to agriculture, such as agricultural science, rural science, livestock/animal science, veterinary science or agribusiness and plant science. Students must also have started their tertiary studies no longer than two years after leaving high school.

Scholarship recipients will be selected on the basis of their commitment to a career in agriculture, as well as their leadership potential and high school academic record. Applications close on 31 January 2014 and shortlisted applicants must be available for a telephone interview on 21 and 22 February 2014. The Scholarship winners are announced in late February 2014.

Application forms can be downloaded from the RIRDC website at www.rirdc.gov.au/horizon or by contacting RIRDC on 02 6271 4132.

Sponsors of the Horizon Scholarship are Woolworths, Lallemand Animal Nutrition, the Australian Department of Agriculture, the Australian Egg Corporation, Australian Pork Limited, the Cotton Research and Development Corporation, the Grains Research and Development Corporation, the Grape and Wine Research and Development Corporation, Horticulture Australia Limited, Meat & Livestock Australia, Sugar Research Australia, McCaughey Memorial Institute, and RIRDC (Rice and Chicken Meat research programs).

Happy Hippies return triumphant

The Happy Hippies, Bev O'Halloran, Debbie Meddleton and Kaye Wilson arrived home safely after competing in the inaugural NSW Great Endeavour Rally. Not only safely after travelling over 5,200 kms but triumphantly with 4 trophies for their effort. The trophies were for Best Presented Car, 1st in Class A, 1st in the Cruise section and 5th Highest Fund Raisers.

Six Endeavour clients accompanied the 30 rally cars in the Super Hero bus and thoroughly enjoyed the experience. There were bush fires, extreme heat, icy mornings and lots of dust to contend with but all part of the fun. It is not about winning a trophy but raising money for people with a disability. The Happy Hippies would like to thank The Railway Hotel,

Allora Pharmacy, Allora Newsagency, Shaun Henry Plumbing, Wattles Junior Rugby League, The Blue Cow Hotel, DIY Motor Homes, Goomburra Forest Retreat and Glenmar Fuels for their sponsorship and everyone who supported us with our fundraising.

Tony Kelly from Toowoomba & District Woodcrafters donates 20 beautifully crafted pens to Mark Munro from the Toowoomba Hospice

Toowoomba & District Woodcrafters Inc Donation to the Toowoomba Hospice October 2013

On the 22nd of October 2013 the Toowoomba & District Woodcrafters Inc. made a donation of 20 pens made by Tony Kelly from a variety of specially selected Native Australian timber to the Toowoomba Hospice. Each pen was expertly finished so that the Hospice would be proud to use them as "Thank You" gifts for very special occasions. Tony has developed quite a reputation in woodworking circles as an expert timber pen maker as his work has been shown for a number of years at the Carnival of Flowers, Flowers, Food and Wine Show in Queens Park.

Allora kids & parents called to name Dinosaur

Queensland dinosaur Muttaborrasaurus is set to star in a new children's book and the Queensland Museum Network is calling on the public to give him a name.

Time is running out to get your entries in the competition to name the children's book character.

The children's book, due for release in time for Christmas, brings to life Muttaborrasaurus in a beautifully illustrated publication that tells the story of this cute and playful dinosaur on his first birthday.

Queensland Museum Network CEO Professor Suzanne Miller said Muttaborrasaurus had enthralled Queensland Museum visitors since 1986.

"Muttaborrasaurus is one of Australia's most famous dinosaurs and holds a special place in the hearts of Queenslanders," she said.

"So it is only fitting that our latest children's book features this beloved dinosaur that has greeted young and old at the Museum for decades.

"We are looking forward to seeing the names Queenslanders choose to bestow on Muttaborrasaurus, who is affectionately known as 'Mutt' here at the Museum."

The dinosaur was discovered by grazier Doug Langdon and was named Muttaborrasaurus langdoni after the town in which it was found, Muttaborra.

Muttaborrasaurus roamed Queensland around 100 million years ago during the Cretaceous period.

The herbivore was around seven metres long and would have eaten plants such as ferns, cycads and conifers.

Aside from the honour of naming our new children's book character, the winner will receive a Dino Prize Pack from the Queensland Museum which features a copy of the book, plush toy and t-shirt.

Entries close 11.59pm Sunday 10 November and the winner will be announced on Wednesday 13 November.

To enter the competition, send your new name for this cute character to marketing@qm.qld.gov.au

The children's book featuring the newly named Muttaborrasaurus will be available for purchase in December.

Last Sunday we played for the Railway Hotel Monthly Mug. With a ripper score of 59 Nett Patty Geyle was the winner. Runner Up was Rod

Simpson. Pin Shots went to Garth on the 3rd, Kel on the 12th & 6th, Keelan on the 15th, Matt on the 8th & 17th.

Next week will be a Club Trophy sponsored by Walichup Rural Contractors. The course is looking good and a big thanks to all.

This Saturday is the Dalrymple Seat so see Beetle or Dave to get your team in. Remember your sand buckets - to play is to live.

Shane Webcke to support local cancer fundraiser

Australian rugby legend and former Broncos player and Allora Regional Sports Museum Hall of Famer, Shane Webcke will visit Downs Mower Centre Saturday morning in a bid to help support Queenslanders diagnosed with cancer – and you're invited to join him!

Downs Mower Centre in Toowoomba has pledged I Can DO ANYTHING for Cancer by organising a Sausage Sizzle on Saturday, November 9 (8am-12pm), to raise funds for Cancer Council Queensland.

CCQ's I Can for Cancer campaign calls on Queenslanders to do what they can – from hosting an event, to getting active, clipping for cancer or going blue for a day – to give hope for a cancer free future.

Downs Mower Centre Director Craig Schmidt invited the community to visit the store on Saturday morning for their CCQ fundraiser – and meet the Toowoomba-born rugby star!

"Shane will be outside Downs Mower Centre on November 9 between 9.30am-10.30am so we encourage the community to come along for a fun morning out," he said.

"Along with the chance to meet Shane, we will have a sausage sizzle and plenty of fantastic giveaways and prizes up for grabs.

"Ten percent profit from any item purchased on the day will also be donated to CCQ."

Mr Schmidt said the store was eager to get on board with the I Can for Cancer Campaign and hope to make this an annual event.

"Nearly every family in our community has been touched by cancer in some way, so it's important for us as a business to support them and raise funds for cancer research and prevention programs," he said.

Cancer Council Queensland Regional Fundraising Coordinator Susan Hickey commended Downs Mower Centre on their fundraising efforts and showing the local community what they can do to help those affected by cancer.

"It's easy to make a difference in the fight against cancer as

part of our I Can for Cancer Campaign," Ms Hickey said. "If you have a passion, an idea and a great support group why not make a difference and join the 'I Can for Cancer campaign! No matter how big or small, you can help create hope for a cancer free future.

"We hope more than 1500 like-minded Queenslanders will pledge 'I Can for Cancer' this year and raise \$1.8 million to support the one in two Queenslanders who will be diagnosed with cancer in their lifetime."

Anyone wanting to pledge 'I Can for Cancer' can register at www.icanforcancer.org.au or via Fundraising Helpline 1300 65 65 85.

Cancer Council Queensland is an independent, community-based charity, the achievements of which are made possible by the generosity of Queenslanders.

Dalrymple Seat up for Grabs

This Saturday will see action aplenty at the Allora Sports Club, on the bowls green and the golf fairways, with the annual "Allora True Value Hardware/Allora News Dalrymple Seat Golf-Bowls Day". The event has been a great success since its inception in 2009, the result of Allora True Value Hardware's Beetle Wakeford and Allora News' Dave Dwan getting their heads together to add a social sporting outing to Allora's events calendar.

Beetle and Dave are again putting together a sensational array of prizes to be won on the sponsor day which supports the Allora Sports Club.

The novel trophy, the "Dalrymple Seat" is one of the more eye-catching in the "sporting corridors" of Allora, a shining stainless steel, unused, toilet pan with a polished and varnished timber lid adorned with names of previous event champions. It is important those aspiring to hoist the trophy as 2013 Champions be well aware the shining seat has been spared the rigours of its intended use at manufacture.

Beetle & Dave are encouraging everyone to head down to the Sports Club by 12.30 pm on Saturday, "there's still plenty of room for teams" according to Beetle. Teams of three pay \$25.00 per person to take part, the golfing segment is a three ball ambrose of nine holes, the lawns bowls played over nine ends. The entry fee includes a barbecue, "a whopper cook-up" according to Beetle, and also a suggestion of a "Dwanny Roast" later in the evening.

If you require more information give Dave a call on 4666 3362 or Beetle on 4666 3318.

Who will be seated in 2013? It's a great social day out for community members, and an opportunity to try the Dalrymple Seat for size.
