Official opening of the new Allora Medical Practice: Mayor Peter Blundell, Southern Downs Regional Council, Dr. Kaye Ellis, Dr. Leith Geisel, Colin Hahn, Hon. Lawrence Springborg, Member for Southern Downs and State Minister for Health, Hon. Bruce Scott, Member for Maranoa. Photo courtesy Mike Geisel

Minister for Health; Mayor Peter Blundell, Southern Downs Regional Council and many others who contributed to the successful building of the Medical Centre over the last four years. The speeches were kept to a minimum in time as well as speakers; and those who did speak gave full praise to the generosity of the late Edward Hahn whose bequest of \$400,000 insured the project was successfully completed. The Allora community also received due credit as it raised well over \$100,000 toward the cost and the Federal Government also contributed through its NRRHIP grants. Mr. Colin Hahn gave a short speech during which he reminisced about his and Eddie's years as boys growing up in the district. He then unveiled a plaque commemorating Eddie and his generosity. The plaque will be attached to a wall in the Medical Centre's waiting

room as a perpetual reminder of one man's generosity to his community.

Daniel Orme Dux for 2013 Australian Air Force Cadets

Daniel Orme has taken out the honour of Dux of Australian Air Force Cadets for 2013. He was awarded the honour by Squadron Leader AAFC Stephen Johns in a graduation parade at the 210 squadron in Toowoomba recently.

Daniel, who is in year 8 at Allora State School, joined the Air Force Cadets in Toowoomba in January this year having just turned the minimum age of 13. He has worked hard throughout the year to make sure his uniform is right, attending parades on time, ensuring all homework is handed in and showing respect to both staff and other cadets. His attendance record shows 100% which involved travelling to Toowoomba at least once a week with additional attendance at services such as Anzac Parade, Battle of Britain and Tri Parade. It is Daniels dream to join the Air Force, a passion he has had since he was very young. Daniel has already undertaken some flying lessons and is confident of the workings of many planes. He has taken on a part time job in Allora mowing lawns where he is saving up for more lessons. He will be flying solo in a few years and his parents Matt and Sue think they won't be worried about him getting his drivers license after that. "If we can survive the worry of him flying aeroplanes, driving a car will seem like a walk in the park", says his Mum Sue.

Squadron Leader AAFC Stephen Johns presents award to Allora State School student and Air Force Cadet Daniel Orme.

BAD JOKE OF THE WEEK

A man and a giraffe walk into a bar.

The man asks for a drink and one for the giraffe. They drank it and have another one, then another and another...

The man gets up to walk out, the giraffe tries to follow but falls over.

The bar man says "You can't leave that lying around here"

"It's not a lion, it's a giraffe."

PHOTOS

As a follow up to last week's photo Neil Ellis sent another photo of some of the staff of Allora Motors. It must have been taken at a different time because Bill Ellis is wearing a different outfit. The photo is taken next to the Shire Chambers in Warwick Street and may have been taken in May 1951 at parade to celebrate the 50th jubilee of the Commonwealth of Australia.

Random Breath Testing gives Queensland Police the power to pull over drivers at any time. Local drivers should be prepared to be stopped at any time now that Random Breath Testing is the law in Queensland. Sergeant Jack Kinbacher, of Allora Police, said that under the new laws police no longer needed a reason to pull drivers over.

Train Services Cancelled

To Mr. F. Grayson M. L. A. Warwick

Dear Sir, With further reference to your call of 24th inst. relative to the withdrawal of the 1.25 p.m. train from Hendon to Allora and the 2.10 p.m. train from Allora to Hendon, I beg to inform you that the matter has been thoroughly investigated and it had been found that very few passengers use these trains. It is regretted therefore that they cannot be restored at present. Some of the Allora residents do not desire it and the Hendon-Allora line lost £646 in working last year in addition to over £600 in interest. Yours faithfully
G. R. Steer
General Traffic Superintendent.

A Heavy Storm

In the locality of Elphinstone storm winds assumed the velocity of a hurricane and much damage was done. At the railway siding a truck was blown off the line, the gatekeeper's house was partially unroofed and an arm was wrenched off the signal post.

At Ellinthorpe an iron barn, the property of Mr. A. J. Stay, was totally demolished, sheets of iron from the building being blown a quarter of a mile away. A new house built by Mr. Keleher was twisted on its blocks, and sheds, outbuildings of all kinds and windmills suffered severely.

Allora Swimming Club

Monday night was the mid season breakup of swimming club. We had a few swimmers missing due to holidays but those who attended enjoyed a delicious mince roll and ice cream after the completion

of swims. This week saw the introduction of the FoodWorks award for those swimmers who display outstanding good behavior and achieving personal best times. These awards were given to Kai Hill, Charlotte Close, Brock Siebel, Declan Maguire and Harrison Hunt. A big thank you to the Allora FoodWorks for supplying the awards.

Emily Henry has taken over the position of carnival secretary. If any swimmers wish to nominate for carnivals email to clintnemhenry@bigpond.com

Upcoming carnivals are country championships at Dalby 18/1. Nominations due the 8/1. Australia day meet at Gatton 26/1 and Stanthorpe carnival 2/2. Best of luck to Brendan Hoffman who is swimming at Brisbane this weekend for the State championships.

Swimming club will resume on 3rd February and the next swimming club meeting will be Wednesday, 29th January 2014. Merry Christmas and a happy new year to all.

Allora Pony Club

On the weekend of the 23rd and 24th of November Allora pony club members got together for their Christmas camp. We all met at the Allora show grounds on Saturday morning where we all set off on a two and a half hour trail ride up over Allora Mountain Reserve. We would like to take this opportunity to congratulate Allora Land Care Group on the work they have done to make the reserve accessible to groups like ours the kids really enjoyed the ride. Saturday evening while the storm crashed around us we had our Christmas party which saw our trophy winners for 2013 announced.

The Sandy Huston memorial trophy was won by Reese O'leary. The Karina Glass memorial trophy was won by Georgia Pendergast. The Allora Pony Club most improved rider was won by Cassie Lee Shelton. The prize for most successful pony club member was won by Kira Holmes who represented Allora Pony Club and Zone 4 at the PCAQ state titles in Paradise Lagoons where she came 7th overall in the formal component and 11th overall in the sporting. All our members have done well throughout the year and we look forward a great 2014.

Allora Pony Club would like to also thank the many local business who supported us throughout the year.

Railway Hotel Rascals vs Maryvale

Round six of the Condamine Cup witnessed the Railway Hotel Rascals take on competition leaders Maryvale at home. Winning the toss, the Rascals opted to bat first, and proceeded to score their second highest total of the season- 98. Although this could seem a low

score, it is a solid score for a new team full of upcoming juniors. As a playing group, we are very proud of our progress thus far.

Early in the game, we were 3/7 and looking in a spot of bother, but enter Joe Morris and Liam Duncan who with much self-control and discipline with the bat, righted the ship and began a 12 over partnership that brought us back into the game. Joe Morris carried this effort on for another nine overs before being caught behind off a faint leg glance for 32, the highest individual score of the match. Andrew Boal (20) and Simon Moore (8) added some quick runs towards the end of the innings, whilst Nick Vanderpoel (not out) and Paul Christensen added 14 for the last wicket.

Maryvale began their chase well; reaching 1/67 in the 11th over, with James Moore taking a superb 'Boony' catch to dismiss the Maryvale opener from his own bowling. Things seemed a bit quiet in the outfield at this stage, and then along came Tom Morris and Nick Vanderpoel who between them took three wickets in quick succession, before Joe Morris earned two prized wickets, including Jason Steketee, for eight. Maryvale's last six wickets fell in eight overs, and we surely had them worried near the end of the game. Andrew Boal took brilliant slips catch, while the brothers, Callum and Liam Duncan, both took a quality outfield catch each.

Railway Hotel Rascals player of the year points- 3: Joe Morris, 2: Tom Morris, =1: Nick Vanderpoel, =1: Liam Duncan.

Our next game is against Wheatvale at Slade Park on Saturday the 14th of December, where we will be aiming to improve on our highest total of 120
