### Locals Helping Locals

The Allora Community group is meeting on Tuesday, 8th April, at 5.15pm, at the Senior Citizens Hall to further progress arrangements for Allora's Jumpers & Jazz in July weekend and to discuss and report on Allora signage. Representatives from interested groups or businesses as well as individuals are very welcome to attend.

### INVITATION TO ALLORA COMMUNITY GROUPS

The Allora Advertiser is offering support to community groups in Allora by advertising, once a month, the name of their group; where they meet and contact details in an *Allora Activities* section in the last week of each month. Groups can contact [admin@alloraadvertiser.com](mailto:admin@alloraadvertiser.com) to register their interest by 2.00pm on 21st April.

4.45pm - Advanced

Bookings essential: Sarah 0402 823 815  
ATPCA registered coach.

## Allora Arts and Crafts Group

The group is now well established at St David's hall with members busy with knitting, patchwork, scrapbooking, card-making, cross-stitch, crochet and embroidery and welcoming any other arts and crafts. Members have found the tables suitable for cutting out fabrics, laying out designs, sorting photos. An iron has been bought and power is available for machines.

Many members have brought in UFO's and it is great to see these being completed. A little bit of encouragement and some advice from other members makes a difference. The group benefited from a kind Warwick craft lady who downsized her craft room and handed over bags of fabrics and yarns.

The big project being undertaken by the group is a quilt. Pam Summers brought the pattern and expertise and 8 ladies have improved their embroidery and patchwork skills on the panels while all the group contributed to the layout. When the quilt is complete, it will be raffled.

Several members took part in the Allora show with Jean Burge and Sue Dalton having Champion exhibits while several others won prizes.

The group meets from 9 until 12 and we have a busy, happy and sometimes noisy morning with morning tea and anyone is welcome. You will always find someone to help or inspire you. Anyone wanting to demonstrate their art or craft is welcome to call Trissie on 4666 3343 to arrange a suitable time.

## BAD JOKE OF THE WEEK

Several men are in the locker room of a golf club. A mobile phone on a bench rings and a man answers it.

MAN: "Hello"

WOMAN: "Hi Honey, it's me. Are you at the club?"

MAN: "Yes."

WOMAN: "I'm at the shops now and found this beautiful leather coat. It's only \$2,000; is it OK if I buy it?"

MAN: "Sure, go ahead if you like it that much."

WOMAN: "I also stopped by the Lexus dealership and saw the new models. I saw one I really liked."

MAN: "How much?"

WOMAN: "\$90,000."

MAN: "OK, but for that price I want it with all the options."

WOMAN: "Great! Oh, and one more thing... I was just talking to Janie and found out that the house I wanted last year is back on the market. They're asking \$980,000 for it."

MAN: "Well, then go ahead and make an offer of \$900,000. They'll probably take it. If not, we can go the extra eighty-thousand if it's what you really want."

WOMAN: "OK. I'll see you later! I love you so much!"

MAN: "Bye! I love you, too."

The man hangs up. He turns and asks, "Anyone know who's phone this is?"

## NEIGHBOURHOOD WATCH RENEWAL

On Friday last a morning tea meeting was held at the RSL to launch an initiative of Queensland Police Service - that is a new model of Neighbourhood Watch.

Presented by our district's Acting Senior Constable Wendy Tamblyn, District Crime Prevention Officer, based in Warwick, this talk aimed to introduce an exciting new era for Neighbourhood Watch via a web blog - [www.nhwq.org](http://www.nhwq.org)

It is all about enhancing Neighbourhood Watch for the entire community and creating more membership and participation option. The new model, in a nutshell, is anything the community wants it to be. A NW area can now be as small as an apartment complex or as large as a police district, and every variable in between.

The website will offer 15 difference district blogs, plus individual group blogs for those who want them. This innovation will offer timely and current information on what is happening in your area, things to be aware of and strategies for preventing crime. The presentation was most informative, and to all who could not make it on Friday, a flyer is available from the local Police Office or from The Allora Post Office.

## HALL BROS

Thomas Hall was born in Banffshire, Scotland in 1844, third child to Thomas and Ann. On arrival in Queensland, Thomas completed his education in Warwick after which he was employed by the pioneer sheep breeders and become proficient in the handling and management of all kinds of stock. He was then involved in the carrying business on a route between Ipswich and Warwick.

At the age of 26 years, Thomas in partnership with his brothers, established Hall Bros.Mill. They erected the first sawmill at Emu Creek. They later built the first steam mill at Allora, cutting timber from the head of Dalrymple Creek. An article in the 'Warwick Argus' dated April 2nd 1881 under the heading "Notes from Allora" reads "The enterprising Hall brothers (well known in your neighbourhood) are about to start a saw mill in our midst. Though they have already erected two substantial

cottages for dwelling purposes, have fixed their engine and saw benches, and have sunk a well which will give an ample supply of water for the engine and all other purposes. Their teams are now away for timber, and, should the weather continue favourable, they will probably break the proverbial bottle on the fly-wheel within eight to ten days. It may seem to some very questionable whether there is sufficient demand for timber in Allora to keep an engine and plant employed, but the proprietors do not regard Allora as the only outlet for their produce. They hope to be able to supply the wants of the surrounding settlements, and to establish an export trade in cedar with the principal towns above and below the range. There is an abundance of cedar in the ranges at the head of Goomburra creek, and as there is a good demand in almost all the markets for this timber, I believe the Messrs. Hall will eventually establish a profitable business in this particular article. They have a splendid plant, and certainly deserve to be successful."

The Allora correspondent for the Warwick Examiner and Times (Qld.) on Wednesday 18th May 1881 wrote an article regarding improvements being made in Allora - "business is brisker and money is looser". In the article he writes about the ceremony in which Mrs Gordon broke a bottle of champagne on the engine wheel, christening the new sawmills the "Enterprise Saw Mills" and work commenced the cheers of those present. He reports that the saw mill in the centre of town is situated on land owned by Mr Samuel Gordon host of the Princess of Wales Hotel.

Thomas Hall had selected Portion 2039 (at the head of Dalrymple Creek) on the steep slopes of the main range with plentiful supplies of cedar, pine, beech, rose, mahogany and other hard woods. An advertisement in the 'Warwick Argus' dated April 1882 reads -

**Hall Bros. Steam Saw Mill, Allora**

In 1875, Thomas married Jane Tulloch at a double wedding ceremony at the Tulloch home "Glencairn", Swan Creek, with his brother, William who married Jane's sister Isabella. They had a family of eleven.

Thomas pioneered cedar cutting from the Tableland Mountain area. He made what is known as a 'shoot' down the side of the mountain 1,700 feet in height. The timber was carried by its own impetus from the top of the mountain to the bottom.

## Looking Back...

### PHOTOS

Another of the photos given to the Historical Society by Nelma Ward shows the Post Office and adjacent shops in the late 1940's. The staff of the Post Office at the time may have been: Mr. Darcy, post master; Bill Quinlan and Marian Muller. Unlike the newsagency, the bakery next door to the Post Office had four changes of ownership in the decade 1940-1950. E. E. (Evan) Dance was the owner 1938 - 1940; Frank Chandler, 1940 - 1943; R. L. Hanright, 1946 - 1948; and H. W. (Bill) Turner, 1948 - 1951. The butcher's shop was owned by Howell Bros. 1940 - 1949 and E. K. (Eddie) Hoey 1949 - 1951.

**Allora's Past 25 years ago April 1989**

### Allora School Presentation

A ceremony was held at the Allora State School to welcome all new students to the school and to present the 1989 captains with their badges. The occasion marked the 25th anniversary of the formation of the Allora Secondary Department and the special guest of honour was Mr. Ted Donegan who with Gayle Telford, was the first prefect selected. Mr. Donegan, in presenting each new student and the school captains with their badges, said that his visit to the school brought back many fond memories.

1989 primary captains were Emma-Kate Corby and Bradley Tickle and the secondary captains were Joanne Sparrow and Gregory Ashton. School Principal, Mr. Peter Doherty, said that 1989 was an

Allora Post Office next to Turner's Bakery.

important year with the 25th anniversary of the formation of the secondary department at the school. Amongst the first students were Mr. and Mrs. Gary Gilmore, Mr. Colin Newport, Mr. John Denny and Mr. Keith Gwynne who had since become parents of children at the school, he said. In closing, Greg Ashton extended a vote of thanks to Mr. Donegan for sharing the occasion with the students and staff.

**Allora's Past 75 years ago April 1939**

### Allora Functions

Members of St. Andrew's Croquet Club held a card evening in the home of Mr. and Mrs. Gordon McMillan in Drayton Street. Prizes were won by Mrs. W. A. Deacon (bridge), Mr. D. Phelan (bridge), Mrs. C. Coombes (crib), Mr. W. A. Gordon (crib), Mr. P. H. Imhoff (euchre) and Mrs. Gordon McMillan (euchre) The C. W. A. Younger Set held a dance in the Central Hall. Miss Isobel Bradfield (president), Miss Kathleen Pleash

(treasurer), Miss Marian Muller (secretary) and Mrs. W. Baird (supervisor) were in charge of the arrangements. A spot waltz was won by Miss Margaret Lickiss and she was presented with a trophy donated by Mr. R. W. Brown. Mr. Max Pitkin won a trophy given by Mrs. Frank Stewart.

**Allora's Past 100 years ago April 1914**

### Gaslight Handicap

Those interested in pedestrianism are reminded that the first gaslight Sheffield Handicap to be held in Allora, will take place tonight at 8.30 p.m. The nominations, as published in our last issue, are splendid and some good running should result. The promoters are making every effort to make this particular form of sport as popular as it has been in other places. The running track is situated at the rear of Mr. Birkett's establishment. (Despite minor problems with the lighting, the meeting was a great success with the winner being sorted out from 28 acceptances and after six heats).

Colin Newport

Thomas Hall's steam saw mill near Emu Vale. This was probably of similar design to Hall Bros' Allora mill.

Hall Brother's Mill was purchased by Andrew Gordon in 1888. Thomas continued in the timber industry until 1901. He purchased a holding on the subdivision of 'Canning Downs' Station in 1902 which he named 'Strathmore'. (Information was obtained from a Hall family book and also from Kevin Ahearn's book "From Cross Cuts to Cross Saws and newspaper articles) Thomas Hall (1845-1928) wrote and published privately a book "Early History of Warwick and Pioneers of the Darling Downs". This book has a wealth of information on the many districts throughout the Darling Downs. The following comments are of interest - "With an annual average rainfall of 29 inches and generally an early wet season, such an area of fine soil fit for cultivation, including over six thousand square miles of alluvial plains, was bound soon to be placed on trial by the settlers who came as pioneers in 1840 and afterwards".

He also mentions the valuable timber covering the mountains bordering the Darling Downs. These include hoop pine, bunya pine, cedar, silky oak, beech, yellow wood, crow's ash, elm, mahogany, iron bark, stringy bark, box, blue gum, red gum, spotted gum, sugar gum and scores of other valuable timbers which have yet to be tested in a commercial way.

## VVCAA forthcoming car rally in Southern Downs Region

A rally of the Veteran & Vintage Chevrolet Association of Australia (Qld) 45th Anniversary Run, will commence from 26th April until 2nd May. 150 VVCAA members will be staying in and around Warwick, heading off on daily jaunts.

On Sunday, 27th April, a static display of 80 vehicles, a free event, is to be held at Leslie Park in Warwick and we invite the public to view the vehicles from 10.00am to 3.00pm. The owners will be on hand to answer any questions. The Warwick Lions Club will be holding a sausage sizzle where the public will be able to purchase lunch.

Wednesday, 30th April, will see the vehicles pass through Allora and onto Yangan, with lunch at Killarney. The rally vehicles will turn into Herbert Street, Allora between 10.00am and 10.30am and turn right at the Commercial Hotel.

We would love to see the residents of Allora as we pass through and assure everybody they will receive a friendly wave.

For further information please contact Rally Coordinator Craig Williams on 07 3849 5962 or 0403 537 256.

### Allora Campdrafters Donate to Qld Fire & Emergency Services

The Allora & District Campdraft Association (ADCA) has recently donated \$2,395 to the Qld Fire & Emergency Services (QFES) to enable the purchase of a Lifeline View Automatic External Defibrillator (AED) to be based at the Fire Station in Allora. Mr Hemmo de Vries, Inspector Warwick Command, Qld Fire & Emergency Services, states that "This will benefit the whole community of Allora, as the closest Qld Ambulance Service is at either Warwick or Clifton".

The idea for ADCA to donate to this cause came from Club members, Clare & Errol Cooper of Cunningham and was supported by all members of the Club. Research shows that each year almost 10,000 Australians die of heart attack and 1 in 4 people who die from a heart attack die within the first hour of their first symptom. "Having this piece of equipment available in the local Allora community provides peace of mind to all residents. We're hoping that it won't have to be used, but if it is needed and saves just one life, then the donation will be invaluable" commented Clare.

In recent times AED's have become simpler to use and have gained wide acceptance in the general community as a necessary piece of first aid equipment. Training in the use of AED's and regular maintenance programs are carried out by QFES, to ensure all firefighters have skills in using the equipment. However, the selected Lifeline View AED is the only external defibrillator that integrates video, voice, pictures and text to help save the life of a sudden cardiac arrest victim in real time. During an emergency, the VIEW guides a rescuer through each step of CPR and defibrillation, showing and telling the rescuer what to do to save a life. Therefore you simply turn the Defibrillator on and follow the prompts, enabling someone without training to operate the machine.

Mr Glenn Evans, current President of ADCA, said that the Club is keen to return funds raised at the annual Campdraft back into the local community and he hoped that this year ADCA will be able to continue working with the Allora Show Society to improve the facilities at the Showground. Members also plan to donate to the charity group Aussie Helpers, who provide support to farming

families throughout Australia in times of need. In 2013, ADCA made donations of \$500 each to Careflight, Cancer Council Queensland and the Breast Cancer Network of Australia. The Allora Pony Club also received \$500 to help with equipment purchases, in return for operating the bar over the weekend of the Campdraft.

The Club is busy preparing for the 2014 Campdraft which will be held at the Allora Showground on the weekend of 26th & 27th April. This year's Campdraft nominations have been capped at 700 first round runs, plus finals on the Maiden, Novice and Open drafts, giving a total of approximately 800 head of cattle that will be used over the weekend. Cattle have been generously loaned from West Talgai feedlot (David Brown), Glengowrie feedlot (Mike and Jacinta Bashford), Kevin Ryan, John & Mary Ryan, Layton Free, Philip Christensen, Scott Christensen, Rod McLennon & Damien McMahon.

ADCA members are optimistic that the ground will be in good order following the huge amount of rain in the last week. Over the past 12 months the ADCA has spent close to \$3000 on the Eastern half of the Showground arena, deep ripping the ground, applying gypsum and compost, which was then incorporated, before being sown to couch grass and watered. This was carried out under the advice of the agronomist Craig Blackett from Raff Rural Supplies in Clifton, who had previously worked with Pittsworth Campdraft Club on their ground. The Club also acknowledges the assistance generously given by Mr Geoff Willett of Maydan Feedlot for providing the compost, Judd Bros for the cartage and Mr Andy Burton of Cunningham

...Continues on page 10

for spreading of the manure & fertilizer. Club members Ted Cowley, Glenn Evans and Errol Cooper have all spent a huge amount of time on the tractor & moving irrigation pipes during the whole process. This side of the arena was used for the Show-jumping at this year's Allora Show and drew favourable comments from many of the competitors. Action starts at 6.00am on Saturday, 26th April, with the Maiden

A & B, followed by Juvenile, Junior, Restricted Open drafts and the evening Bareback Cutout which always provides great entertainment to the crowd. Sunday, 27th April, will also start at 6.00am with the Novice & Open, followed by finals and the weekend wrapped up with the Encouragement draft. Presentation of the new defibrillator will take place at 4.00pm on Saturday afternoon at the Campdraft. Entry to the Showground is free throughout the weekend and everyone is welcome to come and see some of the campdrafting action.

### Haig Family Clearing Sale

This large collectables sale will feature two Lucas "Acetephot" 317 carbide acetylene gas lamps made by Jos. Lucas in Birmingham England around 1909 and used for night travelling on Willie Anderson's Horse Drawn Cabs in Allora after 1911 and a buggy wheel used by the same carrier.

See Haig Clearing sale advert in Classifieds section.

### Wattles Proven Mud Runners

Wattles outstanding centre Joel Koina snared four tries on a wet Platz Oval on Sunday to help his side overcome a determined Oakey 'Bears' outfit 42 - 22 and deliver the 'Warriors' their second win of the 2014 TRL premiership. The 'Warriors' are top of the 'Hutchinson Builders TRL A Grade table currently, the only team to have won both

their opening first grade game.

Koina crossed for three touchdowns in the first half in a dominant performance, Wattles leading 20 - 6 at the break.

Coach Luke Duggan was pleased with the Wattles effort, "considering the conditions we controlled the ball well, we were patient and our defence improved, we are getting better each week".

Fullback Jackson Green was at his best behind the 'Warriors', an ever present danger with the ball in his hands, safe under the high ball in the wet conditions and solid in defence. Green, Koina & rampaging prop Pat Manley led the way for the 'Warriors' against an Oakey side that will cause opponents many a headache this year.

Youthful back-row giant Conor Swinton was a damaging runner and scored a well earned try for the 'Warriors' in the tenth minute of play.

Duggan brothers Matt & Ryan scored a try each, both combining for each touchdown in what was a couple of family affairs.

Second-rower Dylan Ebnetter capped off a strong game when he scored

### Council has set a date for Dalveen landfill closure

Southern Downs Regional Council will close the Dalveen waste facility on Monday May 5, 2014, unless the landfill trench is filled sooner.

Environmental Services Manager Tim O'Brien said in October last year Council advised that the Dalveen facility had limited space remaining for trenches to be excavated.

"The closest facility for the Dalveen District residents to use will be Thulimbah Transfer Station and we estimate this would be only an extra 10 kilometres for residents to travel depending on their location in the Dalveen area.

"Once the current trench is full and covered, the facility will be closed on May 5. Although it could be sooner if the trench is filled quickly.

"Residents who use this facility will then need to use the Warwick Waste Facility or apply for a key to access the Summit or Thulimbah Waste Transfer Stations.

"A new key will have to be issued to access the Transfer Stations and residents can swap their current Dalveen Landfill access key for a Transfer Station key. No bulky items or commercial waste are allowed to be taken to the transfer

stations," he said.

Mr O'Brien said the closure of the Dalveen Waste Facility decision is purely because the landfill is approaching its capacity and the decision is in accordance with the Council's Waste Reduction and Recycling Plan 2013 - 2023.

"The Waste Reduction and Recycling Plan contains an action plan and Council will construct new stations that will provide upgraded waste disposal facilities and more opportunities for recycling of valuable raw materials.

"Council wants to enhance the network of transfer stations throughout the region so that community members have easy access to a local supervised facility," he said.

For further information contact Council's Community Contact Centre on 1300 MY SDRC (1300 697 372).

Continued from page 10...

Wattles' closing try with four minutes to go, after taking on the defence close to the line. The try in the closing stages was born with a line break and forty metre gallop by centre and new signing Jamie Dodt, before Matt Duggan offloaded to Ebnetter who beat a defender before spinning in a tackle on the try line and diving over to score. For line breaker Dodt it was a positive Wattles debut, his arrival particularly handy given regular centre Tim Hentschel was ruled out of Wattles back line with a hamstring problem pre-match. Dodt, who hails from the Lockyer Valley, arrives at Platz Oval to pull on a green & gold jumper with quite a resume. A former Toowoomba Rugby League 'Player of the Year' in 2010, and Gatton 'Hawks' 'Player of the Year' in that same year.

Wattles centre Joel Koina is just hitting the gas pedal on his way to one of his four touch downs at Platz Oval on Sunday in the A Grade 'Warriors' victory while team mate Robbie Moore trails in support.

He was an integral cog in Queensland Cup side, Souths Logan in 2011, before linking up with the Proserpine Brahmins in 2012. Coach Luke Duggan thought Dodt "was very solid both in defence and attack against Oakey, he will become a major weapon for us over the next few weeks."

The Oakey 'Bears' have an abundance of speed in their backs and were especially dangerous in broken play. They finished strongly on the back of a Wattles error. Fullback Corey Blades & halfback Aaron Blades were always a danger as was five-eight Craig Mitchell. Wattles 42 (Joel Koina 4, Conor Swinton, Ryan Duggan, Matt Duggan, Dylan Ebnetter tries; Matt Duggan 5 goals) Oakey 22 (Steve Rodgers, Steven Saunders, Corey Blades try, Chris Oliver; Chris Oliver goals).

**Reserve Grade:** Dale McAntee was voted Wattles 'Player's Player' in the 'Warriors' 20 - 40 loss to the Oakey 'Bears' on Sunday, scoring two tries and kicking a goal in the unfortunate loss at Platz Oval. Wattles had the better of the first stanza, winger Will Duff stamping his authority on the game when he opened the scoring in just the third minute of play.

While the 'Bears' struck back thanks to their centre Michael King, Wattles' back-rower Luke Scheuerle advancing Wattles total after running off five-eight Josh Henry after a classy 'show & go' fooled the defence.

Back row forward Scheuerle has impressed with work rate and ability, a former Oakey junior product that has played A Grade with the 'Bears'.

Wattles led 10 - 4 at the twenty minute mark, before Oakey's Winger Will Duff and impressive back-rower Luke Scheuerle also scored tries for the home side, team Captain kicking a lone goal. Bookends Jason Nightingale & Justin Wade impressed with their work rate and go forward throughout crossed for two tries in quick succession for the visitor's to lead 16 - 10 after thirty minutes of play.

Centre Dale McAntee crossed for two tries within the final minutes of the first

half for the home side to lead by 20 - 16 at the break.

Oakey were focused as they emerged for the second half, scoring three unanswered converted tries in the opening thirteen minutes of the new half and were never headed, Wattles failing to bother the scoreboard attendant in the second half.

Along with McAntee, front-row bookends Justin Wade & Jason Nightingale rated highly among Wattles better players.

Oakey 40 defeated Wattles 20 (Dale McAntee 2, Luke Scheuerle, Will Duff tries; Dale McAntee & Will Manley goals).

**Under 18:** Lock forward Nick Morris, back rower Max Somes & centre Harry Lloyd shone in Wattles' Under 18, 42 - 26 loss to the Oakey 'Bears'.

Hard running Somes was in shining form pocketing three touch downs, his strength and ability to run into a gap providing many benefits for the 'Warriors'.

Wattles drew first blood when solid winger Josh Sharman cruised in for the first try of the game after seven minutes. Somes scored minutes later to hand Wattles a 10 - 0 lead, before Oakey hit the ignition and scored five tries, to lead 26 - 10 with five minutes of player before the haltime hooter.

Max Somes ran his second try in moments later for Wattles to trail 16 - 26 at the break.

The 'Bears' continued their march to victory with two touch downs in the early stages to lead 38 - 16, before Somes snatched his third try and team mate Harry Lloyd followed up with another four pointer. It was all to little to late for the 'Bears' in for a consolation try to achieve their winning margin.

Oakey 42 defeated Wattles 26 (Max Somes 3, Joshua Sharman, Harry Lloyd tries; Nick Morris 3 goals)

tragic thanks to some great support by Wattles' former champion Shane Webcke and the Former Origin Greats. It's Wattles "State of Origin Experience", tickets are just \$10.00, but what about the prize !!!

It's an amazing opportunity for the winning ticket holder and a friend to join the Former Origin Greats at the:

- FOGS Annual Charity Lunch – Tuesday May 27, 2014
- 2014 FOGS Reunion held prior to Game One of the 2014 State of Origin
- Pre match meal and beverages at Game One of the 2014 State of Origin
- Category one tickets to Game One of the 2014 State of Origin
- Two night's accommodation and full buffet breakfast at the Pullman Hotel Brisbane

The raffle closes and is drawn on May 4th.

Tickets are available at Platz Oval on today from Wattles' Ambassador Tarla Brennan, or contact a Wattles officials President Aaron Scheid on 0458 204 550, Secretary Jo Frizzell 0407 121 633 or Margaret Hentschel 0412 053 710.

Tickets are available at Gatton on Saturday off Wattles Ambassador Tarla Brennan and club committee members. Alas malfunctions at Platz Oval last Sunday didn't allow for promotion of the raffle, but anytime tickets are required they are available at matches or by calling the listed numbers. Thank you Tarla and all the very best for the coming season !

**Round 3** - Wattles head over to the Lockyer on Saturday to take on country cousins the Gatton 'Hawks' at the Cahill Park Sports Complex at Gatton. Matches kick-off at 2.30 pm – Under 18; 3.55 pm 'C' Grade – Millmerran v Gatton; 5.10 pm Reserve Grade and 6.30 pm – 'A' Grade.

**BOWLS** **ALLORA SOCIAL BOWLS CLUB NOTES:**  
 With the end of the night bowls season just two more weeks away, I would think that most players are going to miss their Tuesday nights on the green, playing bowls with friends. The atmosphere each night is always friendly and this week was no exception. We hope that the players who have made up True Value, Happy Hippy and Lorraine's Café teams over the past few weeks will join us next season in a regular team. Andrew Thom, Craig Sinton and Simon Holmes played for True Value. Goomburraites Andrew Mullins and mate, Matt along with Kevin Bowen played in the Happy Hippy team. Kevin who is a darts player played bowls on Patron's Day and enjoyed himself so much he was happy to be a hippy on Tuesday. There were also a few substitute players in other teams, Shakyra Burrows, Alex Lester and Richard Sibel played in Door Mats, James Watts joined Chris and Ashleigh Brown to fill the Team Engel team.  
 It was the clash of the titans again this week. Yes the Old Boys versus the Honda Hawks. The game was friendly but deadly serious, mate against mate, brother against brother. Mal Sinton, Mick Wright and Lyn Paterson form the Old Boys team while Greg Paterson, Kevin Beggs and Gary Evans are Honda Hawks. We heard the result of the clash several times after the game ended. Greg could not get the grin off his face. At the end of end 5 the Honda Hawks were 1-9 down and on the last end Greg's shot gave them a two point win.  
 There could be only one winner of the Spotto segment this week. He sounded like a recording, Mum, Mum, Mum clean my balls he said several times during the game. You will pick him from his red face after this goes to print, hey Alex.  
 There is a rule that could have been applied on Tuesday – In relation to a neighbouring rink, a player should not go into a neighbouring rink where play is in progress. Think a few onlookers broke this rule on rink 4 in the match between the Old Boys and Honda Hawks.  
 Everybody will agree that the bar area is looking great with the new paintwork and photos and honour boards adorning the walls. The bowlers have been given a specific area to display the progressive weekly score board and raffle prize board. Bec was in charge of the wheel and the following players won a prize – Lyn Patterson – 6 pack; Andrew Peterson – Railway Hotel Pizza; Cheryl Bowen – Bottle Port; John Elwood – Fruit Tray; Greg Paterson -Team Trophy and a chance to pick the Jack Pot AGAIN!! Lo and behold and he won the \$120 Jackpot, AGAIN!!  
 This week Kevin Beggs won the \$5.00 first toucher prize and the other touchers were won by Alanna, Gary Evans, Chris Brown, Craig Sinton, Andrew Mullins and Chris Lawlor. All the winners and losers were on rink 4, ie the Honda Hawks and the Old Boys. Greg sure did clean up this week. See you all at bowls on Tuesday 8th and at the Breakup on 15th. Remember the BBQ starts at 6pm that night.
