## ANTHONY RIDES FOR CANCER RESEARCH

Anthony Mole will again ride for cancer. Anthony is setting out for his third year running to raise money for cancer research. Like many of us Anthony's life has been affected by the insidious disease of cancer. His beloved grandfather, Reg suffered and died from cancer as well as other members of his extended family. Anthony was inspired by his families' grief to help others through the raising of money for research. Look around our community and see the benefits of research into the improved treatment of cancer sufferers.

This year's ride will again leave from Queensland University for their destination at Wivenhoe Dam covering over 220km in 2 days. The riders who numbered well over 1200 and raising 4.2 million dollars last year will set out on 16th August and head back to Brisbane the following day. They will be provided with tents for the overnight stay. People from all ages and all walks of life participate. Former cancer patients have joined the ride in past years as a tribute to the recovery that they have experienced through the benefits of research.

Anthony is also doing a 2nd ride this year for the "Smiling for Smiddy Foundation" which has raised over 4 millions dollars for the Mater Hospital research and support services. This ride 570km over 3 days passing Allora town on the 18th May, is a part of their journey from Brisbane to Toowoomba to Warrick and back to Brisbane

Anthony's grandmother, Heather Mole is again sponsoring Anthony in his quest. Last year Heather raised over \$900. Heather with the help of her friends is planning an Afternoon Tea in St. David's Hall on the 25th May. Entertainment during the afternoon will be provided by Maggie Stokes and her popular band the 'Hot Spurs'. Allora and district residents are invited to support Heather by donating goods for the 'Bring and Buy' stall and bringing a 'plate' for afternoon tea. There will be a multi-draw raffle. Admission to this entertaining afternoon will be \$5.00 and proceedings get underway at 1.30pm.

Anthony Mole will ride for the Smiling for Smiddy Foundation.

## Letters to the Editor...

Dear Editor,

During National Volunteer Week (12-18 May) we highlight the value volunteers bring to our communities and society.

Volunteers add value not only to the lives of the people they support, but they add value to our community as a whole. They help build trust, relationships and connections within communities.

While volunteer contribution in Australia is valued at up to \$200 billion a year, it is all the vital social benefits they add to society that make volunteers priceless.

Volunteers enhance community well-being and make communities stronger and more resilient. They share information, skills, resources and build bridges between people. Voluntary Service is a fundamental principle of the Red Cross Red Crescent Movement. Since our creation 100 years ago this year, Australian Red Cross has supported volunteers to make a difference in their communities. That's how we started, that's what made the difference, and that's how we must continue.

Today we are supported by over 30,000 volunteers. Our

Solution in classifieds section

volunteers work with and support people in the community, helping to build connections and trusting relationships.

Today we thank all volunteers. Our society is more supportive, connected and inclusive because of their generosity. We welcome you to join us in celebrating the contribution of volunteers - they truly are priceless.

Robert Tickner

CEO Australian Red Cross

Dear Sir,

I write on behalf of the Mental Illness Fellowship of Australia to ask your readers to become aware it is time we all took more action to support people who have Schizophrenia.

It is Australia's last "big un-discussable illness". The simple fact is that it is very misunderstood and affects up to 1 million Australians.

We want to make readers aware that there is an important FREE service that can support people in your area. This free service is for people living with mental illness and their carers and family members, to help them find the support they need. The initiative is called "MiNetworks" and local people in your area will be referred to the information and services they need by simply calling 1800 985 944. You can also go to [www.minetworks.org.au](http://www.minetworks.org.au).

It is astonishing how much stigma there is around Schizophrenia in the community. Many think it is scary, hopeless, violent and untreatable. That is simply inaccurate. Schizophrenia is a mental health condition. It can be managed. People with schizophrenia do not have a "split personality". They have one personality like everyone else.

We ask people to lobby local politicians and demand better services and more funding to support people with mental illness. It is very disturbing to know that only about half the people affected by Schizophrenia are even accessing clinical assistance. In regional areas, services to support people are - at best - sparse.

National Schizophrenia Awareness Week runs from May 11th. Schizophrenia is a common illness. It is treatable. Recovery and a good quality of life is possible for most people. Anyone wanting more information should go to [www.mifa.org.au](http://www.mifa.org.au).

I want to specifically pay tribute to all the people in your local area supporting people with mental health issues. The amazing and vital work of carers must be applauded by us all.

Yours sincerely,  
David Meldrum,  
Chief Executive Officer, Mental Illness Fellowship of Australia.

## LANDCARE AUSTRALIA: Special 25th anniversary Landcare grants launch

Landcare Australia is celebrating 25 years of Landcare at a national level by giving a boost to the hugely popular Junior Landcare program, with the launch today of 25 grants of up to \$1,000, while another 25 grants to the same value are up for grabs for Landcare groups to hold events and activities that will help grow the grassroots movement.

Schools, pre-schools and youth groups can apply for Planting the Future Junior Landcare Grants, which are being offered for any project that falls under the banner of Landcare, including school gardens, recycling or sustainability projects, with the aim of fostering and encouraging the next generation of Landcarers.

Landcare Week Grow Grants are available for Landcare groups to help increase volunteer participation; with the focus being on assisting community groups with events to be held in September - when Landcare was launched as a national initiative - making a difference for a local environmental issue the group is currently tackling.

Landcare Australia CEO, Tessa Jakszewicz, says Junior Landcare is encouraging young people to understand more about where food comes from and to play an active role in improving their environment, while the Landcare Week Grow Grants focus on expanding Landcare for all Australians.

"As we celebrate 25 years of Landcare nationally, it's fantastic to be able to offer this funding boost to groups and schools

## THINGS THAT HAPPENED ON THIS DAY - 8th MAY

1541 - Hernando de Soto discovers Mississippi River.	of silence to commemorate The Armistice of World War I, which later results in the creation of Remembrance Day.	London officially completed.

## Allora Scope Club Afternoon Tea

The Allora Scope Club Annual Afternoon Tea was held on Saturday, 3rd May. Once again it was well patronised with many people travelling from afar. People came from Ballina and Wynnum Scope Clubs, Inglewood and from Stanthorpe to Toowoomba and places in between.

Entertainment was provided by the Band "On Eagles Wings" - the Acaison and O'Dea Families, and two very talented local girls, Mary Higgins and Cassidy Henry, with their dance.

The theme for the day was "Ladies in Red" and many took the opportunity to air their wardrobe of Red. The Ballina table took the prize for the most red outfits.

Our thanks go to Harvey World Travel Now "Hallow World" for donating the main raffle prize - a weekend for two at the Gold Coast. It was won by a lady who was in the hall, Glennis Bailey of Allora. Cheques were presented to Matthew Lawson of Youngcare; Gail Sternbach of Allora Blue Care Day Respite; Cathy Cowley of St Vincent de Paul and Robyn Westerman of the Allora State School. A donation to the Allora Chaplaincy Committee was made at their dinner on 6 May. Other donations will be made at our Change-over lunch in July to St. Patrick's School, Allora Show Society, Allora

### Alpha Course -

The Alpha course which is being organised by the Allora Churches Together continues on Tuesday, 13th May, in the Allora State School Old Assembly Hall (beside Catering Block) with a shared finger food tea at 6.30pm. The Program will begin at 7.00pm. Finishing at approximately 8.30pm with tea and coffee. Everyone is welcome.

## BAD JOKE OF THE WEEK

**What my MUM taught me!**

MUM TAUGHT ME RELIGION  
 "You better pray that will come out of that carpet!"

MUM TAUGHT ME LOGIC  
 "Because I said so, that's why!"

MUM TAUGHT ME FORESIGHT  
 "Make sure you wear clean underwear in case you're in an accident."

MUM TAUGHT ME ABOUT THE SCIENCE OF OSMOSIS  
 "Shut your mouth and eat your supper!"

MUM TAUGHT ME ABOUT STAMINA  
 "You'll sit there until all that spinach is gone!"

MUM TAUGHT ME ABOUT WEATHER  
 "It looks like a tornado went through your room!"

MUM TAUGHT ME ABOUT BEHAVIOR MODIFICATION  
 "Stop acting like your father!"

Kindergarten, Kairos and the Toowoomba Hospice. Our thanks go to I.G.A., Woolworths and Coles of Warwick for their generous donations of goods towards the afternoon tea, also Percy's Fruit on Wood Street.

The Suncorp Staff give us great support each year. John Leeson has taken over the position of Auctioneer for us.

Thanks very much to anyone who assisted in any way to make the afternoon so successful. Without your help it would be much more difficult for us to run the function. Of course, it goes without saying that we appreciate the patronage of all those who attend, and come back year after year. We look forward to 2015.

**HIGH PERFORMANCE PASTURE FIELD DAY**  
**Tuesday 13th May • Commencing 10.00am**  
 at 136 Gillam Road Nobby

BBQ lunch & refreshments will be provided at the conclusion of the field day

The purpose of the field day is to view and assess the viability of different types of ryegrass and clovers/medics as a short term, winter grazing option. This field day is highly suited to all beef, dairy and sheep enterprises.

### PRESENTERS ON THE DAY WILL INCLUDE

**DAVID BARNETT - SEED DISTRIBUTORS** Pasture varieties, options & adaption  
**BEN STEPHENS - COOPERS ANIMAL HEALTH** Animal health considerations when grazing high performance pastures  
**CHRIS AYLWARD - IMPACT FERTILISERS** Agrocote control release products  
**ROB DORO - GALLAGHER ANIMAL MANAGEMENT** Electric fencing options

RSVP (catering purposes): Craig Blackett, Raff Group 0408 879 045 or your local Raff Group store by Fri 9 May

## Take the heat out of your winter energy bills

Here are five tips to help you keep cosy in your home while keeping energy costs down:

- **Compare and switch** - You could save hundreds of dollars through an energy comparison service like HelpMeChoose.com.au, comparing electricity and gas plans and arranging a switch. It's quick, easy and could save you a lot of money.
- **Dodge the draughts** - With the cooler months already upon us, now is the time to seal up those gaps and cracks that let the cold air in. Sealing up gaps around doors and windows using weather stripping or a simple 'door snake' can go a long way towards stopping the warmer air escaping.
- **Don't block the warming sun** - If you have any north facing windows, make sure you open up your curtains or pull up your blinds when it is sunny to let the sun heat up your house.
- **Watch the temperature** - Heat the rooms you are using to around 20 degrees Celsius, a comfortable temperature for most. Each degree on the thermostat costs you money so think of putting on a jumper before you try turning up the heat.
- **Turn it off at the wall** - A small thing like taking the time to turn your appliances off at the wall when you are not using them can have a significant impact on your home energy usage and save you a lot of money.

## Looking Back...

### PHOTOS

In keeping with the Sunday school theme, the photo this week comes from a long time friend of the Historical Society from Spring Creek. The interesting thing about the photo is not so much the occasion but the setting.

The occasion is the annual Sunday school picnic of St. Andrew's Presbyterian Church in Allora in the early 1900's. The setting is Kennedy Bros. grain shed in what is now known as Wilson Lane. The grain shed was on the western side of the lane behind about where Jim and Heather Whitton live today. The photo is taken looking north towards Table Top and the house to the left of the shed would be facing Jubb Street.

Kennedy Bros. flour mill would be behind the camera and was situated behind where Graeme and Marie Mc Millan live today (the cement block that carried the boiler is still in place). The assets of Kennedy Bros. were sold up in about 1910 and Barnes & Co operated the mill for a short time. Barnes' tennis courts were later built on the site.

### Allora's Past 25 years ago May 1989

### Driving Tests to End

Driver licensing will be discontinued at the Allora police station at the end of this month. Police Inspector Reg Langusch said that after that time, these services would be provided by the Department of

The Presbyterian Sunday school picnic at Kennedy's grain shed in the early 1900's.

Transport's Warwick office.

He said that a Warwick driving tester would visit Clifton every Tuesday and outside of that, people would have to make arrangements through the Warwick office.

### Allora's Past 75 years ago May 1939

### Goomburra Cricket Presentation

The Goomburra Cricket Club held a social evening in the home of Mr. and Mrs. J. Anderson. Mr. J. E. Nussey presented trophies to Roy Stay (batting), E. Bracken (bowling), Mervyn Anderson (most catches) and L. Hoey (most improved player)

### Allora's Past 100 years ago May 1914

**Sunday School Jubilee**  
Mr. George Tickle (superintendent) invited the Mayor, Ald. James Dean, to address

the people attending the jubilee celebration of the establishment of the Methodist Sunday school 50 years previously in 1864. Ald. Dean said that he could go back 40 of those years and the church had a deep obligation to Mr. Isaac Hardwick who "amidst the strenuous battle of life and wild surroundings" had founded the Sunday school. "Mr. Hardwick believed that it was good that children should study the bible and had a conviction that their lives would be incomplete unless they had the privilege of learning something of religion" he said. Allora Methodist minister, Mr. J. E. Everitt, announced that the funds needed for the purchase of a memorial organ were well in hand.

*(The founding of the Methodist Sunday school preceded the building of the Wesley Chapel by two years. Local farmer, Mr. Henry Meyer, conducted a canvass of the district to raise money for the building of the church in 1866)*

Colin Newport

## Warwick-based company recognised at 9th annual Safe Work Australia Awards

Federal LNP Member for Maranoa Bruce Scott was pleased to see a Warwick-based family-owned company awarded for developing and implementing a solution to an identified work health and safety issue at an awards night ceremony in Canberra on April 28. Frasers Livestock Transport (QLD) transports around four million head of livestock across nine million kilometres of eastern Australia each year. Minister for Employment Senator Eric Abetz presented the award noting that the Fraser-designed and manufactured innovation stood out among 11 finalists in this category for developing an original and comprehensive solution to a complex issue. “To minimise the risks associated with cross-loading, they researched, designed and custom built the Cross-loading Module,” Mr Scott said. “The module eliminates risks in a high risk industry and has resulted in dramatic improvements to safety and productivity,” Mr Scott said. Accepting the award on behalf of the company was Ross Fraser from Warwick. Mr Scott said the awards honoured employees and businesses from across Australia were honoured for their outstanding contributions to work health and safety.

“I am delighted that a Warwick-based business was recognised for finding solutions to make their workplace safer,” Mr Scott said. “The leadership and innovation of people and organisations like those celebrated at the awards ceremony not only helps to reduce the number of workplace deaths and injuries but also helps to create a positive workplace culture.” Frasers Livestock Transport is based in Warwick Queensland with their award-winning cross-loader installed at their Toowoomba depot. The company also has depots at Roma, Rockhampton and Goondiwindi.

## 2014 PLAY SCHOOL LIVE IN WARWICK

Kids Promotions in association with the Australian Broadcasting Corporation is excited to announce everyone's favourite children's television programme is heading to Warwick with their national concert show "Prince of Bears".

Two concerts will now be held at The SCOTS PGC College Assembly Hall on Wednesday May 14, 10am and 12noon.

In Prince of Bears, Big Ted has a royal adventure as he sets out to find his castle. On the way he is joined by his friends Humpty, Little Ted, Jemima and the rest of the Play School toys. They find themselves having lots of fun and adventure along the way in small farms and in large towns but will Big Ted find his castle...

The popular Play School live shows are specially designed to delight preschoolers and parents alike. The concert features songs, games and stories, presented by two Play School presenters, along with the real stars of the show the toys. As with the television programme, everything in the concerts is carefully paced especially for children. There are songs to move to, as well as quiet times to just watch and listen. The familiarity of the material and the presenters combined, totally engage the young audience and there is lots of audience

**Wattles Continue on Winning Way**

Talented fullback Jackson Green survived a severe first half knock to score the final of Wattles eight tries in yesterday's Toowoomba Rugby league Round 6 top of the table clash against the Highfields 'Eagles' at a windy & chilly Platz Oval.

The 'National Farmers Warehouse' Wattles side maintained their undefeated status and the Toowoomba Rugby League A Grade premiership lead after defeating Highfields 42 - 28, kicking on from a 26 - 6 half time lead.

However, 'Warriors' Coach Luke Duggan was disappointed with his side's final twenty minutes of play, "we played well for sixty minutes, we'll be focusing on that this week, but it was great to get the win over such a good side".

Jackson Green scored the opening try of the match in the first minute of play running off Matt Duggan in traffic, before being felled in a heavy tackle in the 18th minute. The gallant fullback recovered to play a major role in Wattles success, he and halfback Matt Duggan shining in Wattles' attack.

Front-rower Pat Manley has been missing from the 'Warriors' line up the past two fixtures, but filed a 'Man of the Match' performance against the 'Eagles'. Back -rower Mitch Koina returned to the field in the 27th minute for the first time since

the 2013 finals series after shoulder surgery, and scored a try on the end of a thirty metre gallop with his first touch of the ball. Former Wattles mentor & current Highfields coach Dan Sparksman was happy with his outside backs, particularly Matthew Charnock and Sean Hamil, while experienced front rower Eugene Seddon led his charges from the front. Former Wattles & current 'Eagles' talented five-eight Jeffrey Nielsen scored in the eighth minute to have Highfields ahead 6 - 4, before the home side ran in 22 unanswered points through four tries to have a comfortable lead at the break.

After leading 38 - 6 at the 45 minute mark, Wattles went off the boil and Highfields lifted to score four tries in a little over twenty minutes. Green's second try midway through the second stanza locked in the result for Wattles.

The match saw tempers boilover in the later stages, Highfields reduced to 11 men for the final minutes of the game, Wattles to twelve.

Wattles 42 (Jackson Green 2, Tim Hentschel, Brod Koina, Matt Duggan, Ryan Duggan, Mitch Koina, Dale McAntee tries; Matt Duggan 5 goals) defeated Highfields 28 (Jeffrey Nielsen 2, Matthew Chamock, Aaron Thompson, Sean Hamel tries; Aaron Thompson 4 goals)

**Reserve Grade** - Coach Glen McMillan was thrilled with the effort of his reserve grade side who defeated Highfields 34 - 22 to claim their first competition points of the year. The 'Warriors'

...Continues on page 14

Wattles hooker Liam Ross darts for the tryline in Sunday's clash with Highfields at Platz Oval.

led 16 – 12 at half time, with winger Jim Johnson scoring a deserved try with a clever chip kick in the final minutes of the game to seal the victory.

Johnson was rewarded for his efforts in a strong all round game with two tries, front-rowers Jason Nightingale & Carl Gale and hooker Alex Griffiths all among Wattles better performers.

Wattles 34 (James Johnson 2, Alex Griffiths, Carl Gale, Jason Nightingale, Tom Lunney tries; Brodie Frizzell 4, Will manley goals) defeated Highfields 22.

**Under 18** - After leading 14 – 0 against top of the table Highfields at half time, the 'Eagles' emerged for the second half to score 28 unanswered points and snatch victory from the 'Warriors'.

Wattles attacked was affected with the loss of the Morris brothers Joe & Nick with injury late in the first half.

Mobile prop Harry Fulwood made major yardage up mid-field, a constant concern for the opposition, while lock forward Max Somes and front-rower Mitchell Duff were also among the better 'Warriors' on the day.

Lock forward Somes scored to add to his season total now standing at eight tries from six matches, Wattles leading try scorer in all grades.

Highfields 28 defeated Wattles 14 (Max Somes, Will Bashford,

Wattles Under 18 fullback Nick Morris threads his way through the Highfields 'Eagles' on Sunday at Platz Oval.

Jack Rubie tries; Nick Morris goal) Due to the '47th Battalion Trophy Central Division Championships' in Gladstone next weekend, there will be a lull in the Toowoomba Rugby League Premiership draw, Wattles back on deck at Father Ranger Oval to take on the Warwick 'Cowboys' in the local derby on Sunday, May 18th.
