Allora's Molly Stars on Stage

Allora's Molly Hahn is certainly lifting the cultural profile of the 'Best little Town on the Downs' of late, dancing up a storm in the recent annual Toowoomba eisteddfod finishing fourth individually, the promising young dancer's best result to date. The ten year old, who loves performing and has been dancing competitively since aged six, combined with partner Faith Kelly of Warwick to take first place in the 10 Years & Under Jazz Duo, and also fished in first place in the 10 Years & Under Tap Duo with Jada Wright, also of Warwick. Molly's talents were further recognised with a Highly

Commended in the 10 Years & Under Jazz Solo against some highly competitive opposition, the competition leaders from the Gold Coast Performing Arts Academy.

In some amazing recognition, Molly and Tap partner Jada have been invited to participate in the Brisbane Performing Arts Competition.

Allora's young star of stage, who was placed first in solo tap in last year's Tenterfield Eisteddfod, has achieved an amazing 96

'Cruisers' win May Trivia Night at the Goomburra Hall

The trivia questions posed by local trivia buff John O'Brien stumped our Goomburra Hall team, but Clifton team the redoubtable 'Cruisers' were undaunted by the variety of questions on the night, and were the winners of the inaugural Goomburra Trivia Challenge held recently.

The winning team outsmarted 'The Mavericks' and 'The Finlays' by only a few points.

60 players, including one trusty soul who was looking for the local 'book group' and decided instead to join the fun, had a great night and the evening as declared a definite success.

The local Allora Landcare group fielded two tables, and the combined years of knowledge saw them place well.

We thank everyone for helping make the night such a success, and are pleased to say the repairs to the hall can continue with our fundraising coffers topped up.

The next Goomburra Hall Trivia Challenge will be held on Friday August 8th.

PHOTOS

Last week I had the privilege of visiting Tom and Lawrence Telford, formerly Spring Creek. They presented several boxes of historical items to the museum as well as lending the Historical Society two old albums full of photos of interest to the Allora and Spring Creek districts, to be scanned. Today's photo relates to last week's story about the pig and calf sales in Allora, and shows the Telford's picking up pigs at Pat Dalton's at Spring Creek in their Chev 4 truck to be carted to Donovan & Son's sale in Allora. Tom said that the going rate for cartage of pigs to Allora was 2/6 per head.

Australia in August 1880. Mr. Hoey obtained work with Mr. John Gilmore of Goomburra for 12/- per week. He left to work for Mr. Samuel Gordon for 17/- plus keep per week, before renting a farm at Table Top. Mr. Gordon lent him the horses and seed to begin and said that if he was not successful, he could return to his employment. Two

years later Mr. Hoey selected an 80 acre farm at Forest Springs which he has built up into the present 900 acre farm, 600 of which are cultivation. Mr. and Mrs. Hoey reared a family of 14 children, 12 of whom are living.

Allora's Past 100 years ago June 1914 Remarkable Gall-stone

Mr. George Masters of Goomburra lost a valuable draught horse this week. The horse died, apparently in agony, after being sick for about six hours. The usual equine remedies were applied but to no avail. On examination a huge gall-stone was found resembling the colour and size of a slightly shortened emu's egg. It measured 14 inches in circumference and was estimated to weigh about 3 lbs.

Outstanding Support for St Pat's Trivia Night

An over whelming crowd of support was shown at last Friday's 'Rattle of the Brains' Trivia Night. Over 200 people came along ready to test their knowledge on an array of topics and in doing so had an enjoyable evening.

The event saw 27 teams competing for 1st place honors, with the winning team, "No Idea At All" amassing 66 points. Second place went to "Corduroy Pants", with 65 points and the "Gonski" team came third with 63 points. The winner of "Toss a coin for the Rum Bottle" was Rhiannon Clark. Congratulations!

The night would not have been a success without the generous financial support and donations of our local and regional

businesses and individual sponsors. St Patrick's School P&F sincerely appreciate this generosity and know that events like these would not exist without this tremendous support. Special thanks to: Davey Electrical & Solar

Emotional Release Therapy: Free Public Talk

Wendy Orth will be presenting a free public talk on Emotional Release Therapy on Sunday, 15th June, 1.00pm-2.30pm, at 12 Little Street in Toowoomba. Wendy Orth, an Emotional Release Therapy Practitioner, has been practicing this therapy for the last 2 years at Daphne Fung's Health Clinic.

What is Emotional Release Therapy? Throughout life, positive and negative experiences are accumulated. Unfortunately, each negative experience leaves a detrimental residual imprint in all the cells of the body. The effect can be destructive to our physical and emotional health and can also manifest in the form of illnesses, stress disorders such as Post Traumatic Stress Disorder or PTSD, hypertension, emotional problems, difficult relationships or experiences in life that prevent us from moving forward. Releasing negative emotions that are

destructive to our health and well being is so important. Emotional Release Therapy quickly and safely releases accumulated negative imprints from all the cells of the body, which allows the client to move forward in life positively and to begin to achieve whatever they desire. Bookings are essential as seating is limited. Phone Wendy on 0402 547 972 or Daphne on 4635 9669 to secure your seat.

Roll Up, Roll Up, It's Auction Time

Allora Show Society Secretary Kellie Jones is anticipating another huge Allora Annual Auction at the Allora Showgrounds this Monday, June 9th, of the Queen's Birthday long weekend. Enquiries regarding the booking of lots for the auction, reported to be the largest of its kind in the Southern Hemisphere, should be directed to Allora Show Society President Shirley Cornhill on 0427 100 210.

Volunteers assist in the operation of the auction on behalf of nominated community groups & charities, resulting in funds from the auction being shared among the participating groups. "The rosters of volunteers are coming together nicely" according to Kellie, "but we're always looking for more people who can spare some time".

Anyone can volunteer, for more details just ring Secretary Kellie on 0403 619 118.

Since its beginning as a White Elephant Sale organised by the former Allora Apex Club to raise funds for the Allora community, the auction has evolved into a sale of massive proportions. In 2008 the few remaining Apexians handed the reins over to the Allora Show Society, guiding them all the way. Items are sold on commission if not donated and the profits are shared between the Show Society & all the organisations volunteering their services throughout the weekend. Last year 27 local organisations received funds. Approximately 200 volunteers assist over the 3 days of the long weekend. The showground is amassed with items for sale on Saturday & Sunday, ready for auction on Monday.

Wattles Premiership Race hits a Speed Bump

The high flying Wattles
'Warriors' 'National Farmer's
Warehouse' A Grade side's

winning bubble burst at Dalby on Saturday night, the local 'Diehards' outfit winning 30 - 26, ending the 'green & gold' eight round winning streak since the kick-off of the 2014 Toowoomba Rugby League premiership.

The result allowed Dalby the prestigious 'Rod Frahm Memorial Trophy', the annual award, presented by Mrs Janette Frahm, in memory of her husband who had such strong links with both the Wattles & Dalby Clubs. Janette & the late Rod Frahm are valued Life Members of the Wattles senior club, long time club sponsors and Rod a former player and reserve & first grade Coach.

Wattles first grade Coach Luke Duggan was particularly disappointed with his team's first half on Saturday, "the guys just didn't seem enthused, and they became frustrated with some aspects." "While disappointing the loss is a wake-up call, we had a few unavailable but we were good enough to win, we just didn't start the game when Dalby did."

With Dalby leading 22 - 0 at halftime, Wattles were looking down the barrel of a hefty loss when they headed to the break, Coach Luke Duggan desperate to inspire his side after a frustrating first forty minutes. The 'Diehards' were keen to bounce back and maintain their fifth rung on the premiership ladder after incurring the wrath of the Warwick 'Cowboys' the previous week, losing 42 - 16 in a one sided affair.

For the first time this season Wattles went in at half time trailing their opponents, before emerging for the second stanza to outscore Dalby by 24 to 8, alas it wasn't enough to turn the half time deficient into victory.

Wattles Life Member Mrs. Janette Frahm presents the 'Rod Frahm Memorial Trophy' to Dalby 'Diehards' Captain Colin Green.

After the 'Diehards' racked up four unanswered first half tries, Wattles finally got on the scoreboard in the 43rd minute after a dummy half dart by Michael Duggan from two metres out resulted in a try.

Soon after second rower Conor Swinton ran off halfback Matt Duggan before embarking on a forty metre gallop to the try line, Duggan then figuring in a try by centre Joel Koina who showed plenty of skill evading defenders to score from sixty metres out. The three sharp tries had Wattles trailing 18 - 22 with thirty minutes remaining in the game. The task become somewhat more challenging with the home side crossing for another two touchdowns, however Wattles centre Dan Manley kept his side in the game in the final minutes with a four-pointer after some classy lead up work by fullback Jackson Green & second-rower Brod Koina.

Front-rower Pat Manley, and brothers Brod & Joel Koina were among Wattles' best. Despite his above average performance, there are concerns regarding Joel Koina's availability for next weekend's Madsen-Rasmussen Trophy Final after sustaining an injury against the 'Diehards'.

"It's going to be a challenging week" said Coach Duggan, "the team has to lift to another level for the Madsen-Rasmussen Trophy Final against Gatton 'Hawks', and I am hoping we have some of our injured returning."

Dalby 30 defeated Wattles 24 (Michael Duggan, Conor Swinton, Joel Koina, Dan Manley tries; Matt Duggan 4 goals).

Reserve Grade - After trailing 0 - 10 at halftime Wattles 'Railway Hotel, Allora' Reserve Graders were defeated 20 - 10, with front-rower Justin Wade, winger Will Duff and five-eight

Brodie Frizzell shining in the 'Warriors' line up. Dalby extended their lead three minutes into the second half to 14 - 0 after scoring their third try, but the 'Warriors' finally grasped some points soon after. Lock forward and team skipper Will Manley chipped ahead resulting in Brodie Frizzell winning the chase and gathered the ball before racing forty metres to score Wattles initial try. Both sides were reduced to twelve men each in the 48th minute, Wattles Tim Sharpe & Dalby halfback Jed Bryers dispatched to the sin bin after a disagreement. Another Dalby try saw them leading 20 - 4, before Frizzell kicked ahead for halfback Michael Duggan to race through and score under the goal posts ten minutes from full time. Wattles Reserve Grade will have a spell next weekend due to the Madsen-Rasmussen Trophy/President's Cup mid-season finals, next taking the field at Platz Oval against the Southern Suburbs 'Tigers' on June 14th. The Reserve Grade 'Warriors' would rather be a little higher up the ladder, they have won two from their nine fixtures so far this season, after a slow start they have finished with the premiership points in two of their last four games. Dalby 20 defeated Wattles 10 (Brodie Frizzell, Michael Duggan tries; Brodie Frizzell goal). **Under 18** - Wattles 'Allora Foodworks' Under 18 side were overwhelmed 66 - 12 by the Dalby 'Diehards' after trailing 12 - 22 at half time. The home side emerged for the second stanza and scored eight unanswered touchdowns on their way to victory. Five-eight Joe Morris was in fine form for Wattles and rewarded with a try, prop forward Mitchell Duff, halfback Tom Henry & hooker Jake Christensen also among the 'Warriors' better performers. Wattles were first to bother the scoreboard attendant after Tom Henry kicked across field that was gathered by ever alert Joe Morris who scored the first try of the day to have his side lead 6 - 0. It was an encouraging beginning against the 'Diehards'

who are locked in second place on the 'Hutchinson's Builders' Under 18 premiership ladder. Desperately needing a winning result going in to the contest with Dalby, Wattles have two wins for their nine starts this year, a statistic that fails to judge their ability fairly. Alas the home side dominated the majority of the 35 minute first half, scoring four tries to two by Wattles. With Dalby ahead 16 - 6 just four minutes before the half time hooter, Dalton Nielsen sailed in for the 'Warriors' second touchdown. The young 'Diehards' settled in to the second half, and familiarised themselves with most of the Dalby Rugby League Grounds as they went through the motions of scoring eight tries. Wattles' Under 18 side can also enjoy a break next weekend due to the Madsen-Rasmussen Trophy/President's Cup mid-season finals, back in action in Round 10 at Platz Oval against the Southern Suburbs 'Tigers' on June 14th. Dalby 66 defeated Wattles 12 (Joe Morris, Dalton Nielsen tries; Will Bashford 2 goals). Toowoomba Rugby League mid-season supremacy. The trophy named after former Darling Downs rugby league greats and Internationals Mick Madsen & Elton Rasmussen, is among the more highly respected of silverware in Queensland country league circles.

Wattles have appeared in the mid-year trophy final on seven occasions since the award's inception in 1980, their last appearance in 2005 when they won in fine style 56 - 18 over Brothers.

After the Round 9 results of last weekend, 2013 Premiers the Gatton 'Hawks' have surfaced to oppose Wattles in the final.

The program for the 2014 Toowoomba Rugby League "Trilby Misso" Madsen-Rasmussen/ Presidents Cup Finals is as follows:

Will Stars in Maroons Win

Bustling young front-rower Will O'Gradey was one of the seventeen man Queensland Under 16 rugby league team that defeated New South Wales 20 - 18 at Brisbane's Suncorp Stadium last Wednesday prior to State of Origin 1.

Will is the Grandson of long time Allora residents Don & Michelle Crawford. Proud Grandparents Don & Michelle their daughter and son-in-law Letitia & Glenn O'Gradey, Will's parents, and their families were among the sell out crowd that also saw the 100th Origin contest between the 'Maroons' & the 'Blues', which was won by the New South Wales 'Blues' 12 - 8.

Will has experienced his fair share of success as a junior and schoolboy player, the 'Brisbane Bronco's Elite Development Squad' member having reached Junior League & Schoolboy League State level honours previously.

He has rugby league in his blood, his Great Grandfather is Clifton footballing legend Ted Ryan. Ted was a player of tremendous ability and a Manager of many successful Wattles Rugby League Club teams.

It was a week of life memories for Will, "It was a great week in camp with the team, made a lot of new friends and met the State of Origin Queenslanders."

"We had lunch with them all on Sunday at Sanctuary Cove, had a chat with Mal Meninga and few of the other players" recalled the young Maroon. "The atmosphere at the game was unreal, running out the tunnel onto the field was the best feeling" grins Will, "sent goose bumps down my body". For Mum Leticia it was a great experience, "Glenn & I both got emotional when the boys ran out, and Will played so well, it's a moment we will not forget."

Will plays for the Brothers Junior Rugby League Club in Toowoomba, and looks to have a promising future playing 'the Greatest Game of All'.

Wattles JRL match reports

U7. Allora Pharmacy and Clancy Smith Water Services - Another home game this week playing against Collegian Dragons. With both sides having plenty of players, an extra field was set up so two teams could

play at the same time.

Team 1 for Wattles Warriors, directed by Troy Gillam, faced a tough game against their Collegian opponents. Billy Peardon lead the way with awesome try saving defence along with continued strong performances by Noah Gillam and Atticus Sullivan, covering both attack and defence across the field. Good effort in running the ball was also noted from Jack Phelan and Corey Gascoyne as they find more confidence in their ability, as did Lewis May, Ryland Marks and Nixon Eastwell. Seth Esson once again, also proved helpful in support. Try scorers this week, through persistent attempts, were Noah Gillam and Jack Phelan who scored his first try of his football career. Great effort boys!

Team 2 for Wattles, directed by coach, Shane Wright, showed promising ability across the field. The team was confidently lead by George Philp and Paddy Denny with both impressive in defence and attack. They were supported by the strong attack of Harry Wright and Jack Delsanto with straight, hard runs up

the middle, and the tireless defence of Malakai Steinhardt. Cooper Hetherington and Will Brasch tried hard all game in support.

Well done to David Malone whose efforts this week saw him rewarded with his maiden try. Other try scorers of the match were Paddy Denny, George Philp and Harry Wright.

U8 Malcolm & Johnson Drilling Contractors - The Wattles Under 8's had to be at their best this week, as their opponent's Collegians came to play. There was no shortage of enthusiasm from the whole team. Hard & determined runs from Hamish Gartery, Samuel Gilmore and Thomas Blake got the team going forward and with Bill Joppich leading the team around, the tries started to come. Jack Wright and Ryan Gillam scored impressive tries after avoiding several defenders. Piper Brady once again showed off her offloading skills with one leading to a try.

Marty Warboys and Blake Pointon both making plenty of tackles this week. Mitch Willett and Kasius Goodall are gaining in confidence. Every week our defence improves, our training is paying off as we are learning to tackle as a team. Well done Under 8s, keep up the good work.

U10 Eastwell & Sons Transport - Saturday the team played Collegians who were a strong team and got off to a great start. Despite playing well our team was left on the back foot. It wasn't our best game but the team hung on and tried hard. There were good runs and tackles by Michael Shingles, Cy Deeth, Darcy Minnikin, Darcy Gorkow and Casey Pointon. It was good to see you getting more involved Casey. Keep up the good work.

U11 Clifton Auto Ag Repairs - Thursdays training session was probably the best effort this team have put in this year with loads of talk and enthusiasm. In today's game it showed with plenty of talk.

Hamish Rutherford today continued on from his brilliant display against Goondiwindi with another 2 tries from dummy half. Hamish is starting to develop good vision and is constantly looking upfield. Will Denny again had his usual honest game scoring twice with very good support play, Michael Duncan and Jacob Meddleton were again solid with 1 try each, with Jacobs coming from a virtual length of the field effort.

A pleasing aspect of the game was our defensive work and kick chase effort. Our tackling was sound with a much bigger effort shown in wrapping up the ball, we can however improve on tackling bigger players and our drills from training for this should be utilised better.

The end score was Wattles 24-12 with our goal kicking a factor

U14 Clifton Real Estate - U14s met a much bigger Collegians Team and poor defensive lapses and commitment enabled the opposition to go into half time 36-0 in front.

A more committed and much improved Wattles team came out in the second half and played their best half of football for the year. With stronger and a more enthusiastic defence the Wattles held Collegians to one second half try and scored a try themselves after some good lead up play. Wattles attack was better second half with good forward runs and good supporting play within the backs.

This team has loads of improvement and a focus that all members of the team work hard on their own weaknesses to make a more competitive team and personally be a better player.

Paden Murphy, Lachlan Henry and Rory Moat again performed strongly throughout the game with Justice having his best game of the year, with strong second halves by Ty Norris, Jackson Blake and Matthew Christensen.

U16 Carlowrie Park Dorper Sheep Stud - After last week's impressive win against Goondiwindi, the Carlowrie Park Under 16's were brought back down to earth by Collegians today. Khan Ladbrook scored in the first two minutes on the back of three consecutive penalties. Collegians quickly responded to bring the score to 6 all. Then for the majority of the first half it was a very tough battle on the field with Tim Duggan leading the way with the top hit-up count and Henry Gartery doing a load of work in defence. The score stayed the same until we let Collegians score two tries just before half time. The second try was due to a penalty for being offside at the restart with two seconds to go and this turned out to be a crucial mistake as we could have gone into the break with a score line of 6-10 instead of being down 6-14.

In the second half we were our own worst enemies making errors at crucial times. We let in three soft tries and could not match the intensity of the Collegians team. Not moving up in a line together in defence and not getting deep and running onto the ball in attack simply hurt us and we could not capitalise on the opportunities we were presented with when Collegians turned the ball over. With a disappointing second half by the Warriors, Collegians ran away with the game 32-6.
