Wattles Ladies Day Success

It was an amazing evening at Wattles' Platz Oval on Saturday June 14th, the 'Warriors' amazing event the "Ladies in Winter" organised by Wattles Ambassador Tarla Brennan an outstanding success. To add to the atmosphere Wattles finished the night with three on field victories from three games against the Southern Suburbs 'Tigers'.

It was chilly and wet but it didn't stop the "Wattles White Winter Castle Marquee" rocking to the tunes of club favourite Nash and our wonderful rugby league ladies sipping the champers & wine or cracking a tinny, sampling the delightful nibbles and

Wattles Victorious in Oakey Nail Biter

After trailing for seventy minutes of their TRL Round 11 fixture against the Oakey 'Bears' at Oakey's Trevor Mickelborough Oval on Sunday, Wattles emerged 29 - 26 winners in a game where defence and a sensational Matt Duggan try in the dying stages eventually won the day. The match featured plenty of stinging defence, Oakey's forward pack led by big men Eddie Dean, Josh Stanton & Steven Rodgers created plenty of havoc midfield, and made quality ground to give their speed rich backs the necessary opportunities. Oakey ran in six tries to Wattles five, but were successful with

All of the 'Bears' six touchdowns were scored by their fleet of foot outside backs. Wattles side welcomed back some notable absentees from last week, but are still injury racked with established top graders warming the bench for some time yet. Dorrie was attended by Dick's cousins Joan Bourke and Mary Byrne. Dorrie's wedding dress has been presented to the Allora and District Historical Society museum and no doubt will be paraded from time to time. Dick spent his working life at the butter factory store and Dorrie went on to manage the Allora Co-op during its heyday as a general store and grain trader. Dorrie was awarded the O. A. M. for her services to Allora and district. Dick died in 1987 at the age of 80 and Dorrie died in 2012 aged 97. What a pity that this fine couple did not leave children to carry the family on.)

Council supports Sleepout event

The Southern Downs Regional Council is encouraging Southern Downs residents to support the local "Winter Sleepout" event on June 27 that is raising awareness and funds for the homeless.

Cr Neil Meiklejohn said homelessness was a hidden problem and many in the community would not realise the extent of the issue.

"Unfortunately more than 100,000 people are homeless on any given night in Australia, including thousands of families.

"Warwick residents Tracey Bower and Cathryn Fischer have organised a Mission Australia Winter Sleep Out for Friday 27th June 2014 from 5pm to 8am Saturday. The venue is Williams Hall on Guy Street Warwick.

"Tracey and Cathryn's aim for the night is to get a minimum of 50 people from the community at our venue sleeping out and of course any more would be a bonus.

"Both agree that holding the event indoors allows for families to partake in the night especially if it's too cold or raining outside for children attending.

"I'm away from the Southern Downs at the time of the event but I certainly wish them well for their inaugural sleepout," he said. Mrs Bower said she and friend Cathryn were excited about bringing the event to fruition.

"There will be karaoke, face painting, celebrity heads, raffles from donated local businesses (heater, vouchers, electric blanket) and many more organised activities to make for a fun filled family night.

"A sausage sizzle, pizza, tea, coffee, milo will be available for a small fee on the night.

"The money raised helps people address the underlying causes of their homelessness, support them as they regain their independence and help them get back on their feet.

"All people need to do is donate their \$25 via the website www.wintersleepout.gofundraise.com.au, get their sponsors (also done via the website) to sponsor them, pack their pjs, sleeping bags/bedding and come along for a great night. It's a great way to start the school holidays.

"Of course people and businesses can donate at the sleepout website and, look for my link 'Tracey's fundraising challenge' or 'Tracey and Cathryn's fundraising challenge'. Even if people aren't too keen to sleep out, please support us by either donating online or come on the night for a few hours, every little bit counts. Everything donated on the website is tax deductible above \$2," she said.

If anyone has questions or suggestions please feel free to contact Tracey on 0403 797 176 Tracey Bower or Cathryn Fischer 0413 536 488.

Council encourages tourism representatives to attend forum

State Government tourism incentives, music events, unlawful camping and an update from Southern Queensland Country Tourism will just be some of the myriad of topics discussed at the Southern Downs Regional Council (SDRC) Tourism Industry Forum on July 2.

Council's Planning and Development Manager Cecil Barnard said he hopes tourism operators and associated businesses will attend this free forum at the SDRC Warwick chambers from 9am to 1pm.

"This is an important day for tourism operators to hear about the latest Government initiatives, changes in legislation, progress made and government directions.

"Most importantly Council wants tourism operators to have their say about issues affecting their industry, from land-use and compliance through to marketing and promotion challenges and future plans for co-ordinated tourism strategies.

"Marie-Claire Power, the CEO of Southern Queensland Country Tourism, has kindly agreed to be the facilitator for the day.

"The program for the day will include the latest news / update on tourism and marketing of our region with a presentation from Southern Queensland Country Tourism.

"Ian Wade Parker will give a presentation on music events in Stanthorpe / Granite Belt and Peta Hawes will discuss the food industry and opportunities like The Harvest Lunch.

"The forum will also cover the State Government's next generation tourism planning guideline, an update on changes in the planning scheme on agri-tourism, short term accommodation, levels of assessment and the Queensland Camping Options Toolkit.

"A major issue for the Southern Downs is short term accommodation and seasonal workers as well as compliance issues, music events and unlawful camping on public land. As a result of these discussions we hope to establish a regional camping stakeholder group," he said.

Mr Barnard said regular communication and discussion within the tourism industry was vital.

"We see this as the first of a series of Tourism Forums, and Council plus the State Government endeavour to research issues raised, and respond back formally on these issues.

"This is an ideal time for the tourism industry to make good headway knowing that the State Government has made tourism one of its four pillars of growth. Southern Downs needs to be part of the state discussions and deliberations and to have a co-ordinated and consistent approach for our region," he said.

Anyone interested in the forum should RSVP to edu@sdr.c.qld.gov.au or 4681 5527. A locally produced morning tea, and lunch will be provided.

throughout, skilful play maker Duggan also coping plenty of attention from the hosts, while galloping bookend Pat Manley relentlessly tested the defensive line.

Wattles scored first points in just the second minute through a try by centre Dan Manley, converted by Matt Duggan to hold an early 6 - 0 lead.

The 'Warriors' early try stung the locals into action, former Australian Schoolboys star and Manly 'Sea-Eagles' lower grade player Ryan Mitchell slicing through in the seventh minute & racing thirty metres before a loose pass denied the 'Bears' a certain try. The inevitable was only delayed a short time though, 'Bears' winger Tyren Nicholls sweeping in for a try on the back of a handy penalty that provided ideal field position. With Wattles leading 6 - 4 after nine minutes, the big 'Bears' forwards were testing the green & gold defence, but the 'Warriors' star prop Pat Manley was giving as good as he got. Winger Robbie Moore breezed in to appear to score after a Wattles back line rush, but was denied with an earlier pass was ruled forward.

Oakey big man Eddie Dean was also denied soon after in a near thing after a chip into the in-goal.

Wattles were enjoying a number of opportunities to score tries but were failing to finish them off. Another scoring chance went begging when the 'Bears' were penalised for a shoulder charge by Referee Randall Taylor in the 21st minute resulting in five-eight Brodie Ciesiolka setting up lock forward Aaron Scheid on the fly, only to be halted centimetres from the try line.

But in a flash the run of play changed allowing former Wattles speedster Aaron Hooper to touch down in the corner and give Oakey an 8 - 6 lead.

The 'Bears' had Wattles on the back foot as they threw the ball around in the final minutes of the first stanza, with centre Mitchell sailing in a try in the shadow of half time.

Leading 12 - 6 at the break, the 'Bears' relentless roll on continued after the restart resulting in representative fullback Corey Blades scoring under the uprights in the 45th minute.

Trailing 6 - 18, Wattles received a shot in the arm when centre Joel Koina hauled in a long distance looping Matt Duggan pass to score and have his side 10 - 18 behind with a half hour remaining.

Wattles needed to lift despite the very physical Oakey defence if they were to stay in the game and remain four points clear of second placed Gatton on the 'Hutchies Cup' A Grade Premiership ladder.

A try by fullback Jackson Green in the 54th minute that saw him run on to a gem of a pass by Matt Duggan and beat three defenders on the way to the try line had the 'Warriors' trailing by 16 - 18 with 25 minutes remaining.

Oakey were a force to be reckoned with, their big forwards making quality metres in midfield while they had the speed of slick backs Aaron Hooper, Tyren Nicholls and Ryan Mitchell on the edges, an ever present danger for the 'Warriors'. Their centre Mitchell snatched a try to give Oakey a six point break on Wattles, leading 22 - 16.

Wattles teak tough back-rower Conor Swinton dived over untouched for a vital Wattles try to level the scoreboard ledger 22 all. It seemed Wattles were turning the tide, but the 'Bears' were anything but done.

With the scoreboard locked at 22 all, and Wattles earning a 20 metre drop out, some quick thinking by Green saw him race to the twenty metre line and tap the ball before hoisting a high lob of a pass to centre Joel Koina who embarked on a sixty dash up field. With Oakey speedster Hooper gaining Koina found Matt Duggan in support racing to the goal posts.

The try was a turning point in the game, and when Duggan casually kicked a drop goal from fifteen metres out to add to Wattles lead, 29 - 22 with ten minutes remaining, the green & gold confidence lifted. Wattles appeared to be on the back foot for much of the game and had now turned the thrust of the match, but the 'Bears' weren't done just yet.

Their fleet of foot flankers made room up the grand stand side of the field to send quicksilver winger Nicholls away on a fifty

metre dash to the line with just five minutes left in what was a very tough 80 minute stoush.

Wattles almost posted another touchdown but were penalised for obstruction, and held on amid a fierce Oakey final minutes onslaught to claim another two premierships points.

Wattles 29 (Dan Manley, Matt Duggan, Joel Koina, Jackson Green tries; Matt Duggan goals & a field goal) defeated Oakey 26.

Reserve Grade - After a thrilling success of the Southern Suburbs 'Tigers' at Platz Oval last weekend, the Wattles 'Railway Hotel, Allora' Reserve graders finished a distant second to the Oakey 'Bears', losing 36 - 12.

The 'Warriors' were trailing 20 - 0 after 28 minutes of their match against the 'Bears'. who sit in second place on the Toowoomba Rugby League 'Toowoomba Toyota Reserve Grade' premierships ladder.

With minutes remaining before half time centre Brodie Frizzell darted through to put the 'Warriors' on the scoreboard, also converting for his side to trail 20 - 6 at the break.

Wattles put the brakes on the 'Bears' scoring rate in the second half, but the home side still led 36 - 6 with ten minutes to go. Fullback Brenton Butler added a try to the green & gold total in the 60th minute, and Frizzell potted a penalty goal in the final minute to reach the full time score.

Wattles benefited from a number of Millmerran players who added to the line-up on the day, Jai Klein going particularly well, along with 'Player's Player' Nathan Watt and 'Mr Dependable' front-rower Jason Nightingale.

Oakey 36 defeated Wattles 12 (Brenton Butler, Brodie Frizzell tries; Brodie Frizzell 2 goals)

Under 18 - As the score indicates it was a difficult day at Oakey for the 'Allora Foodworks' Under 18 'Warriors', the top of the table 'Bears' running rampant over an injury racked Wattles line-up to eventually win 80 - 0 after leading 40 - 0 at half time.

The 'Warrior' Colts had snatched a nailbiting win over Southern Suburbs last weekend which was a big confidence builder for the boys in green & gold.

Oakey are a class act with a go forward pack and speed to burn on the edges, there slick centre Charlie Adams scoring five tries and kicking seven goals.

Wattles centre Jack Rubie was a shining light in the face of adversity, as was hard running front-rower Harry Fulward.

Despite the result Coach Shaun Henry was proud of his side's attitude "they never gave up for a minute." Wattles sustained numerous injuries in the game, the loss of halfback Joe Morris and elder brother Nick who has only just returned from a lengthy injury spell. Talented five-eight Tom Henry was also hampered by a health issue.

Wattles Under 18 side boast a great array of talent, but injury has limited their presence in the upper end of the premierships ladder so far this season.

Wattles Juniors Round 2 Match Reports

Millwood - Clancy Smith Water Services U7 - This week the little Wattles Warriors faced off against an abundant Millwood side. Two teams took the field simultaneously.

On field one we had Noah Gillam continuing with impressive form in attack, supported by George Philp, Nixon Eastwell and Jack Phelan with hard and determined runs up the middle making good ground. Outstanding effort in cover defence was seen by Billy Peardon with support from team mates George P, Malakai S, Noah G giving every effort with tackling. Improved confidence in defence and attack was seen from Will Brasch, Jack Dalsanto and Zac Brasch after return from injury. Rewarded for their efforts with tries this week were Noah Gillam, Billy Peardon, Malakai Steinhardt, George Philp, and Will Brasch who scored his first career try. Well done Team!

Allora Pharmacy U7 - On field two we saw a good team performance with impressive efforts from Lewis May, Seth Esson, Paddy Denny, Atticus Sullivan and Cory Gascoyne. Improved confidence in defence and attack was seen from Tremayne Jekel, Brodie Geary-Bacon, Jackson May and Tikera Kelk. Ziggy Gibson pulled off a damaging tackle which ended with Wattles securing the ball, and our littlest player Marty May showed his potential with an impressive step to beat the opposition a solid run.

Tries scorers were Atticus S, Lewis M, Seth E, Paddy D, and Harry Wright. Great effort Team!
 Enjoy the holiday break and see you for next training run on 17th July.

Cook Haulage Pty Ltd U8 - The Wattles under 8's this week faced a tough opposition, a much bigger team. Wattles stood up and didn't take a backward step with all players working together in attack and defence.

Ryan Gillam, Blake Pointon and Marty Warboy were very impressive in defence making plenty of tackles and tried hard all game. Samuel Gilmore, Hamish Gartery and Thomas Blake continue to lead the team with strong determined runs and solid defence, they also never give up which shows in their covering defence.

Jack Wright and Bill Joppich made plenty of metres this week with fast and evasive runs. Mitch Willett, Piper Brady, Abbey Monckton and Kasius Goodall continue to get more involved and are improving every game. Marty Warboys and Bill Joppich both scored tries this week, Samuel Gilmore was able to score twice.

Well done Wattles Under 8's, great team effort.

Eastwell & Sons Transport U10 - We played Millwood at home on Saturday and the team turned their game around to win the game, scoring 7 tries and 3 goals. Their defense was

good and they contained Millwood to keep them scoreless, but they must remember to spread out more, listen to each other and help each other.

There was some excellent running from Darcy Gorkow and his partner Darcy Minnikin while Tobias Seibel and Michael Shingles tackled and ran well. Liam Ruhle and Alister Harris did a great job leading the team around the park.

Thanks to all the team for a great effort, keep up the good work, it makes your coach feel good when I see you play like that. Well done and many thanks to the u9 who filled in.

Ryannie for Tyres U12 - A good game from the team, another good display of running football from Darby Peardon who was awarded the Clifton News "Rugby League Week Magazine" player of the match after scoring 4 tries. A great game from Tom Philp at half back, Clayton Brady, Lachlan Harris, Wesley Lasserre and Jack Bashford all had strong games also.

Clifton Real Estate U14 - Wattles U14 produced a strong performance to defeat a tough spirited Millwood 28-10.

Minus a couple of regular forwards through illness the team gained control of the game quickly with enthusiastic defence and positive ball movement.

A number of tries came off the back of good offloads and support play an area focused on during the week.

In what we considered a must win game the boys all stood up and contributed to the win.

Second rower Michael Lasserre who was bought in off the wing today was outstanding with 5/8 Darcy Brady making many good inroads in attack and was excellent in defence. Jackson Blake had good game upfront with good offloads to fellow forwards. Hooker Mitch Potter and second rower Tyler Davies worked tirelessly. All the U/13 players continue to be strong for
