## POPPIN FOR A LOOK!

### Ian Gregory: Clifton Scout Group Leader Receives 30 years' Service Award -

Ian started teaching at Jandowae State School in 1976, and when one of the Year 9 students asked if I had ever been a Scout, his reply was "I am a Scout". At that time he was a Rover Scout having been a youth member since the age of nine. The next day, a member of the local Group Committee knocked on his door and he soon became Scout Leader at Jandowae Scout Troop.

In 1978, Ian moved to Toowoomba and after completing Wood Badge training, he was appointed District Scout Leader with Steele Rudd District, which at the time included Drayton, 6th Toowoomba, St Anthony's, Glenvale, Newtown and Rockville Groups.

In 1982, Ian became Rover Adviser with Newtown Scout Group, helping to re-establish Rover Scouting in Steele Rudd District. As Rover Crews were established in Dalby and other

centres, the South West Queensland Rover Council was established to help coordinate activities.

In 1985, Ian moved to Clifton and took on the role of District Commissioner with Cunningham District which initially included 8th Warwick, Glennie Heights and Clifton Groups. Highlights during this appointment included the opening of Killarney Group, the inclusion of Stanthorpe Group in Cunningham District and the conduct of the Scout Olympics in Warwick. Ian

## Auction at St David's Anglican church grounds Allora.

41 registered bidders with a supporting crowd attended the auction in St David's Anglican church grounds last Saturday. Keen interest was shown by bidders in many items donated for sale, especially antique pews from St John's Anglican church, Goomburra. This church was closed at a service conducted by Bishop Rob Nolan late last year. It is situated opposite the Goomburra Hall and is expected to be offered for sale, on acreage, before the end of this year. Auction attendees were very well catered for food wise with a BBQ, hot drinks and comprehensive home cooking by Clifton and Allora Guild Members.

Continued from front page...

resigned from Scouting at the end of 1987. In 1995, his son and daughter joined Clifton Scout Group and soon after Ian became Group Leader, the role that he has held since then. Ian has acted as Scout Leader for most of the time with Clifton. He has also acted as Joey Scout Leader, Cub Scout Leader, Venturer Scout Leader and Rover Adviser. The Group Leader role brings significant satisfaction being in a position to follow the growth of youth members from playful Joey's to responsible Rovers.

## Letter to the Editor...

Dear Editor,

Since the councillor who resides in Allora favours the addition of fluoride to the water supply via the "new" pipeline, it is timely to have him answer a comparison of figures. *The Free Times* stated on 8th May 2014, that the cost to fluoridate Warwick and Yangan was \$18,300, so the councillor must explain the F.O.I. document that was dated March 7, 2006.

The costs of the original installation of the asolution feed fluoride plant in Warwick was estimated between \$350,000 and \$400,000. A separate facility needed to store fluoride. Costs unknown. Each 1000 litre bulky bin costs \$3,000 each, with the chemical 20 percent acid and fluoride in the acid is 79 percent. There is 160 kg of fluoride in each bulky bin.

Estimated 12 to 20 bulky bins required for Warwick costing beteen \$36,000 and \$60,000 annually. Power costs for mixing and pumping would be approximately \$1,000 annually. Extra testing would be required costing between \$7,000 and \$10,000 per annum.

The amazing story in this so called "forward thinking", is that in 2006 Allora was to be included! Fancy that!!

Melba Morris.

**NEW WEBSITE LINKS VETERANS TO SUPPORT WHEN THEY NEED IT**

The Minister for Veterans' Affairs, Senator the Hon. Michael Ronaldson has officially launched a new dedicated website for the Veterans and Veterans Families Counselling Service (VVCS) at the South Australian RSL Congress in Adelaide on Saturday.

VVCS is a free and confidential service that offers eligible veterans counselling, group programs, and after-hours crisis support 24 hours a day.

"Tackling the mental health challenges facing veterans and their families is a key pillar of the Government's plan for veterans' affairs. The Government's priority is to ensure that we have in place the mental health services and supports that are needed for veterans and their families."

"VVCS is at the frontline of mental health and wellbeing support for the Australian veteran and ex-service community. The services provided by VVCS are particularly important as they also support the families, who significantly support veterans."

The launch of a new dedicated website for VVCS builds on the Minister's recent announcements to improve access to mental health treatment, including access to counselling and support. From 1 July 2014, former serving members who have border protection service, served in a disaster zone either in Australia or overseas, served as a submariner, were involved in training accidents resulting in serious injury or were medically discharged can access VVCS services.

VVCS services are also available to partners and their dependent children, up to the age of 26, of these newly eligible service men and women. Along with the partners, dependent children, aged up to 26, and parents of members killed in service-related incidents.

"The Government spends around \$166 million a year on meeting the mental health needs of Veterans and their families. The funding for treatment is demand driven, and it is not capped - if treatment is needed, it is funded."

"This Government is determined not to repeat the mistakes of the past. This means we need to develop a strong understanding of the issues and challenges faced by veteran and defence communities including their families, and to have a robust evidence base to inform efforts to reduce stigma around mental illness and to keep improving our services." Senator Ronaldson said.

A mobile version of the new VVCS website has also been developed to ensure that veterans and their families can access information and support details when they need to. The new VVCS dedicated website can be accessed at: [www.vvcs.gov.au](http://www.vvcs.gov.au)

Rhonda Glare, chairman of the Clifton Progress Association, with Clifton Photographers member Dave Wellings at the launch of the 'Allora' exhibition at the weekend. The opening was attended by Councillors Ann Glasheen and Ros Scotney of the TRC and members of the Allora Historical Society. The display of 50 photographs and texts runs throughout July at the Clifton Library gallery.

**IF YOU THINK YOUR MUM AND DAD OR LOVED ONE MAY NEED AGED CARE, PLEASE READ THIS.**

The people you see here are real people – typical ageing Australians who once lived alone and proudly told their families they were ok, that they could cope, not to worry. Yet every single one of them spent their days in lonely isolation, often depressed and increasingly-frail.

Their families were either innocently and totally unaware or genuinely feared there was nowhere in traditional aged care that would care enough; that their Mums and Dads wouldn't be loved and looked after like they deserved and that they would lose their precious privacy and independence.

And then they discovered the most innovatively-caring aged care communities in all Australia; communities staffed by the most beautiful and highly-trained carers; communities dedicated to delivering every possible level of aged care through every stage of the ageing process.

Today, as much-loved members of the exclusive – but incredibly inclusive – 'Freedom Family', the Mums and Dads enjoy the privacy and independence of their own self-contained homes in the vibrant community that does its heart-felt best to love and care for them as much as you would want us to.

Discover why so many families chose Freedom Aged Care for their loved ones today. **Call 1800 994 763**

## Looking Back...

### PHOTOS

This week's photo comes from Tom and Lawrence Telford's albums. It shows Mick Butler's Chev truck with a load of wire-tied lucerne hay bales passing the Railway Hotel on the way to the railway station in the early 1940's. Tom says that Mick's truck was one of the few local trucks not requisitioned by the army during the war years because it had a home fabricated cabin rather than a factory built steel cab. There are a couple of interesting points about the photo. The detached kitchen of the Railway Hotel can be seen. In the 1960's, down the passage way between the hotel and the kitchen, in the present day dining room, Alec Busted had a boot repair shop. Warren Holmes worked for him there. A horse and sulky can be seen in the street. Tom and Lawrence say that it was probably Mrs. Bill Gilmore of "Temuka" near Allora (grandmother of the Spring Creek Gilmore's) who was one of the last people to travel into town in a horse drawn vehicle.

Mick Butler's Chev truck, Warwick Street, Allora, in the early 1940's.

Allora's Past 100 years ago July 1914

### Proposed Cheese Factory

For some time past the dairy farmers of the Spring Creek district have had under consideration the erection of a cheese factory, and on Wednesday 15th inst. a meeting of those interested was held in the Spring Creek School of Arts. There was a representative gathering of farmers and Mr. J. H. Wilson was voted to the chair. The meeting considered that it was desirable to erect a factory, and it was decided to make a canvass of the district to ascertain what number of shares would be taken up.

Allora's Past 25 years ago July 1989

### Trees Saved

A row of golden pine trees on the street in front of the Allora RSL Hall received a stay of execution at this week's Council meeting when Cr. Ding Atkinson offered to organize and supervise their pruning. The trees have been the subject on many complaints from motorists parking outside the hall and pedestrians using the footpath. The trees had been marked for removal until Cr. Atkinson's intervention.

Allora's Past 125 years ago July 1889

### Orange Celebration

The Warwick Loyal Orange Lodge celebrated the Twelfth of July anniversary this week. The day commemorates the victory of the Protestant King William of Orange over the Catholic King James II of England in the Battle of the Boyne in 1690. The chairman of the Warwick Lodge, Mr. Charles Clark of East Talgai, welcomed a large contingent of Allora

members who rode up the main street in the evening in full regalia. Following the formal programme and banquet, a sociable evening was indulged in, where dancing and many other kinds of amusements followed on each other until the early hours of the morning.

### Allora's Past 150 years ago July 1864 Remarkable Change of Sides

Mr. Jones Esq., on Friday last, very ably defended a prisoner named Robinson, who was charged with stealing a watch and chain from Margaret Burrows at Allora on February 20th. During the absence of the jury, who had retired to consider their verdict, the proclamation appointing the learned gentleman to conduct cases for the Crown, that still remained to be tried, had been read out in the court. On the verdict of guilty being returned by the jury in the case of Mr. Robinson, Mr. Jones, by virtue of his then position as public prosecutor, prayed that the sentence of the court be passed on the prisoner. (*Toowoomba Chronicle 21st July 1864*).

Colin Newport

## BAD JOKE OF THE WEEK

While working the lunch shift at a local restaurant, a waitress watched as an elderly couple ate.

It seemed as if the man was the only one eating. First his appetizer, then his main, and then finally his dessert. All the while with his wife just looking on, not even touching her food.

Confused, the waitress approached the woman and asked if there was anything she could get for her.

"No thank you," came her answer, "it's his turn for the teeth."

## Breast screening best chance of survival

Queensland women whose breast cancers are detected through screening are more likely to survive a diagnosis than those detected otherwise, according to new research.

A new study\* from Cancer Council Queensland, QUT and BreastScreen Queensland has found breast cancers diagnosed through mammographic screening have a two-fold survival advantage.

The study examined population-based datasets of more than 23,000 Queensland women aged less than 90 years at diagnosis, between 1997 and 2008.

The findings show the survival benefits of mammographic screening remained consistent across Queensland, regardless of where women lived.

Cancer Council Queensland spokesperson Katie Clift said participating in recommended screening would give women the best possible chance of beating breast cancer.

"Women whose breast cancer is diagnosed through a breast screening program tend to have a better prognosis because they're detected at an earlier, less-advanced stage," Ms Clift said.

"This study shows women screened by BreastScreen Queensland have better survival than those not screened, even after adjusting for tumour stage.

"The research also found a lower risk of death from breast cancer for those living in urban and socio-economically advantaged regions in Queensland.

"Women living in rural and remote areas of Queensland are at higher risk of being diagnosed with advanced breast cancer.

"Despite slightly higher rates of breast screening participation in rural and remote areas than urban areas, an urgent need remains to encourage regional women to access screening, to improve survival outcomes."

Cancer Council Queensland recommends women aged 50-74 have a mammogram every two years through BreastScreen Queensland.

"Queensland women should be breast aware and familiarise themselves with the normal look and feel of their breasts," Ms Clift said.

"All women should also see a doctor immediately if they notice any unusual breast changes."

Breast cancer is the most common cancer diagnosed in Queensland women – around 2900 new cases are diagnosed each year, and about 500 women die from the disease.

More information about Cancer Council Queensland is available via Cancer Council Helpline 13 11 20 or cancerqld.org.au.

Young dancers are the highlight of  
the work day for staff at SDRC

Southern Downs Regional Council staff were diligently working

SDRC CEO Andrew Roach with the Tartan Day Scottish dancers.

### Work on WIRAC grandstand completed

Southern Downs builder Rob Wilkinson has completed the structural repair work on the WIRAC grandstand seating area, following last year's closure of the area.

Southern Downs Regional Council Business and Community Services Director David Tuxford said Council had fenced off the grandstand last year following advice from engineering company Cardno.

"Engineering company Cardno had found the fault and recommended the area be cordoned off and temporary props be installed. Cardno also advised of some design solutions for the grandstand.

"Council initiated a tender process and then engaged Rob Wilkinson as the contractor," he said.

Mr Tuxford said Council had undertaken a comprehensive assessment of the fault in the grandstand structure and the repair work will mean the grandstand is able to be used for swimming carnivals and other events.

"Council staff have removed the temporary fencing and the grandstand is open today.

"Council apologises for the inconvenience and the delay in rectifying the issue however we now have the area fully functional again," he said.

away at their desks last Monday when a contingent of Scottish dancers came to the foyer, advising it was a day of celebration. Monday, July 1, was International Tartan Day and is officially marked on that day, being the anniversary of the day Royal Assent was granted repealing the 1747 Act of Proscription banning the wearing of tartan and the playing of bagpipes.

SDRC CEO Andrew Roach, a renowned bagpipe player and teacher who has returned recently from the World Pipe Band

Championship in Scotland, said he would be delighted to see the dancers' impromptu performance and gathered as many staff as possible to come and watch the youngsters.

"Our staff members really enjoyed seeing the young dancers from Inverness Highland Dance Studio. If I had known I would have brought my pipes and played!" he said.

School Principal Marlene McBean thanked SDRC staff members for being an appreciative audience. The dancers visited a number of offices and businesses around Warwick to perform and let everyone know about International Tartan Day.

### Council helps celebrate and support NAIDOC Week

Southern Downs Regional Council is supporting local NAIDOC Week (July 6 - 13) activities and is particularly pleased to be part of the special NAIDOC Dinner at the Warwick RSL on July 19.

Mayor Cr Peter Blundell and Cr Neil Meiklejohn, who will attend various NAIDOC activities throughout the week, said this year's NAIDOC theme of honouring all Aboriginal and Torres Strait Islander men and women who have fought in defence of Australia was very fitting.

Cr Blundell said Australia is commemorating the centenary of ANZAC from 2014 to 2018 so the NAIDOC theme of "Serving

The SCOTS PGC College

CO EDUCATIONAL DAY & BOARDING

www.scotspgc.qld.edu.au

space to learn

Country: Centenary & Beyond" is important to everyone.

"NAIDOC is a celebration of Aboriginal and Torres Strait Islander cultures and an opportunity to recognise the contributions of Indigenous Australians in various fields.

"The main speaker at the NAIDOC dinner will be Warwick RSL President John Skinner and he will talk about the contributions of indigenous and other cultures in conflict across the globe.

"We will also hear from a local indigenous woman and ex-service woman Kylie Myers who will talk about her experiences and what NAIDOC means to her," he said.

Cr Blundell thanked the NAIDOC Week working group for organising the various events.

"The working group has representatives from Council, Centrelink, schools, Mission Australia, Red Cross, QLD Police, QLD Health, Bluecare and Carbal Medical Centre.

"It's good to see government and non-government organisations working together to raise the profile of NAIDOC.

"It is important for us as a community to recognise NAIDOC week and by celebrating together we can do just that," Cr Blundell said.

Cr Blundell said Stanthorpe NAIDOC activities would involve Aboriginal art, community gatherings and Aboriginal dance.

"The Granite Belt Aboriginal and Torres Strait Islander Corporation has assisted the Stanthorpe Art Gallery in identifying Aboriginal art to be displayed in the exhibition. Artists from Stanthorpe, Warwick, Tenterfield and other regions have contributed their art and they come together to make a stunning display.

"It is through artwork that many of the themes of NAIDOC Week are so strongly felt - Aboriginal and Torres Strait Islander culture, history and contributions to communities. The exhibition is open at the art gallery throughout NAIDOC week and extends to August 3.

"Another important celebration is the NAIDOC Dinner on July 12 from 5pm at Artworks on Davadi. All community members are invited and it's a great opportunity for Indigenous and non-Indigenous people to enjoy time together as well as highlighting the importance of NAIDOC in our everyday lives.

"For young people there are two inspirational workshops - on July 8 from 9.30am to 11.30am an Aboriginal dance workshop at Artworks on Davadi and then from 12.30pm to 2.30pm an Aboriginal arts workshop.

"Community members are also invited to a special morning tea on July 7 when local Aboriginal and Torres Strait Islander elders will gather at Artworks on Davadi from 10.30am. The elders have such a wealth of knowledge and it's always an inspiration to hear them speak about their culture and history.

"The Department of Human Services Centrelink Program is holding a community sausage sizzle on July 8 from 10am to midday at the Centrelink offices in Stanthorpe," he said.

Anyone wanting details about the NAIDOC dinner or other NAIDOC activities can contact Council's Community Development Officers on 1300 MY SDRC (1300 697 372).

## Warriors Do it Tough to Outlast Brothers

With just five Rounds remaining in the 2014 Toowoomba Rugby League 'Hutchinson Builders' Premiership the 'National Farmer's Warehouse' Wattles A Graders continued on their winning way on Sunday at Toowoomba's Glenholme Park with a convincing 46 – 26 victory over the Brothers 'Leprechauns'. Wattles' Coach Luke Duggan could be excused for approaching the match in a confident frame of mind given Brothers are languishing at the base of the competition ladder having not won a game this season, and Wattles careering six points clear of their nearest rival at the head of the TRL ladder. Supporters were taking notice though when both sides were locked at 14 all at half time, and the fact that Brothers held a 10 – 4 lead after twenty minutes of play. The 'Leprechauns' drew first blood when their centre Jason Treherne scored after five minutes to have his side ahead 6 – 0. Halfback Ryan Duggan offloaded to galloping second-rower Conor Swinton to touch down for Wattles first points after fifteen minutes, but the home side hit back almost immediately through skipper Mitch Betros to lead 10 – 4.

It was all hands on deck for Wattles when opposition winger Todd Porter sailed in for Brothers third try and a 14 – 4 lead ten minutes before the break, the 'Leprechauns' supporters present were somewhat excited at the thought of a boilover against the premiership heavyweights.

Wattles captain & workaholic lock Aaron Scheid rocked the 'Warriors' into action with a mighty charge in the shadow of halftime, halted just short of the Brothers try line before fullback Jackson Green scampered over to score. It was Green again increasing Wattles total seconds before the break, taking a gem of a pass from Ryan Duggan and racing 25 metres around the defence to claim his second try and lock the scoreboard at 14 all. In a carbon copy start to the first stanza, Brothers Jason Treherne raced in for his second try in the opening minutes of the second stanza and sent a clear message that the 'Leprechauns' were far from done and leading 20 – 14 despite Wattles awakening.

The boys in green & gold showed their abundant class when Green fired a pass from the scrum

base to winger Robbie Moore who then sent centre Joel Koina away on a sixty metre dash to score. Minutes later it was Green again starting a try scoring play when he found centre Dan Manley in support, Manley then off loading to winger Dale McAntee who scorched the sideline for thirty metres to touch down and have Wattles leading for the first time after 60 minutes of play, 24 – 20.

Brothers were determined they had the goods to topple the top side though, another try reinstating there lead 26 – 24.

With Coach Luke Duggan on the last of his nerve pills, Wattles finally took control of the game when Green floated a long cut out pass to McAntee who was to quick for defenders and scored his second try.

Leading 28 – 26 with five minutes remaining, Wattles found a few more gears with giant forward Michael Bermingham, Aaron Scheid & Ryan Duggan all scoring in the dying minutes of play.

Bermingham had a cracker of a game and has added so much additional quality to Wattles pack since arriving at the club late in the first round, while backs Dale McAntee & Joel Koina impressed in a game that was for the most part a struggle for the Warriors.

A notable absentee from Wattles line-up was halfback Matt Duggan who is carrying an injury, but should be on deck to take on the Valleys 'Roosters' this Saturday at Platz Oval.

Wattles 46 (Jackson Green 2, Dale McAntee 2, Joel Koina, Conor Swinton, Aaron Scheid, Ryan Duggan, Michael Bermingham tries; Brodie Ceisiolka 4, Jackson Green goals) defeated Brothers 26.

Reserve Grade - The 'Railway Hotel, Allora' Wattles 'Warriors' reserve grade side collected their fourth win of the season when they finished ahead of Brothers 26 – 22 on Sunday, Coach Glen McMillan's side edging their way up the premiership ladder. McMillan was pleased with the efforts of his charges, particularly five-eight Mark Duggan, front-rower Jason Nightingale & back-rower Jason Wilson.

Centre Garth Lonergan found room down the sideline in the early stages before passing infield to half back Michael Duggan who found his way under the uprights to score and have Wattles assume an early 6 – 0 lead.

Duggan's touchdown stung the 'Leprechauns' in to action, responding with two tries to lead 12 – 6 after 22 minutes. Minutes later it was Duggan again, this time Mark, who dummied fooling the defence to slip through to score. The Wattles machine fired yet again minutes before the half time break, Michael Duggan passing to winger Damian McDonald who dived over to touch down, Wattles leading 14 – 12 at the half way mark.

The 'Warriors' snared first points in the new half when Josh Cann burst up midfield to add another try to Wattles' total, and while the home side replied, the lads in green & gold retained a 20 – 18 lead with ten minutes remaining in the game. Garth Lonergan gathered another Michael Duggan pass and raced past defenders to score in the left corner of Glenholme Park to advance his side's total.

Brothers cashed in another try with five minutes remaining, but Wattles defence was sound and saw them leading when the fulltime hooter sounded. Wattles 26 (Mark Duggan, Michael Duggan, Damian McDonald, Josh Cann, Garth Lonergan tries; Brodie Frizzell 3 goals) defeated Brothers 22.

Under 18 - The under 18 match served up a surprising result with bottom of the ladder Brothers overwhelming the 'Allora Foodworks' 'Warriors' 60 – 18. In a game that overheated at times, Wattles lost their barn storming front-rower Harry Fulwood sent off along with his Brothers opposite number in the thirteenth minute of the game.

Four other players were sin-binned, including Wattles Nick Morris & winger Sam Weier at latter stages in the game.

While Brothers bothered the scoreboard attendant first with a try in just the third minute of play, the 'Warriors' returned fire with an impressive back line play that saw centre Jack Rubie cruise in to score in the corner on the opposite side of Glenholme Park.

The 'Leprechauns' stacked on another three touchdowns to be leading 20 – 4 minutes prior to half time, when halfback Joe Morris popped a short ball to

Wattles goal kicking fullback Will Bashford charges into the Brothers defence in Sunday's Under 18 match at Glenholme Park, team mate Dalton Nielson following in support.

his brother Nick who found front-rower Mitchell Duff charging on in support and going over to score.

Wattles earned a penalty kick when a Brothers' player 'flopped' on Duff after the try was scored, Wattles trailing the home side 12 – 20 at the half time break.

Another 'Leprechaun' try seven minutes into the new half had them edging ahead 24 – 12, but Wattles hauled themselves back into contention when Mitchell Duff shattered the opposition defence for a second time after running on to a Tom Henry pass. Will Bashford's conversion saw the 'Warrior' colts trailing 18 – 24 and well in the game, but Brothers lifted and dominated in the final twenty minutes, scoring another five unanswered tries on the way to their third winning result of the season.

Two try scorer Mitchell Duff was rated Wattles best with five-eight Tom Henry & Nick Morris also shining in a very tough game that saw the 'Warriors' lose touch with the opposition midway through the second half.

Brothers 60 defeated Wattles 18 (Mitchell Duff 2, Jack Rubie tries; Will Bashford 3 goals).

Matches commence on Saturday against Valleys at Platz Oval, Clifton at 3.45 pm (Under 18), 5.10 pm (Reserve Grade) & 6.30 pm (A Grade), the day sponsored by Shaun Henry Plumbing & Gas - Allora, Freedom Fuels, Phoenix International Freight Forwarding.

Glyn Rees

Simon Ryan (16), Ryan Duggan & Michael Bermingham bottle up a Brother' ball runner in Wattles 46 – 26 victory at Glenholme Park on Sunday, while Aaron Scheid, Joel Koina & Robbie Moore look on.

Allora Regional Sports Museum President Perry Cronin with Courier Mail Sports Journalist Bernie Pramberg on a tour of the Sports Museum that will soon house the "Once Were Warriors" Honour Boards recognising Wattles Rugby League Club past players, officials & volunteers.

**Wattles Loyal to Be Honoured**

Allora Regional Sports Museum President Perry Cronin and Wattles Rugby League Club President Aaron Scheid are on the hunt for anyone connected or who has had a connection with the Wattles Club or rugby league in the Allora/Clifton region.

On the eve of the Central Downs based club's 50th year of existence, former players can have their names etched in time

on two especially constructed honour boards that will stand in both the Allora Regional Sports Museum and the Wattles Rugby League Club Clubhouse at Clifton's Platz Oval

While the two "Once Were Warriors" boards will become historical fixtures at both locations, the concept is also a fundraiser to benefit both the Sports Museum & the Wattles Club. The boards will house 550 names, both identical in each location. Perry & Aaron are hoping the Wattles, Allora & Clifton league community of present and past will come forward, and for \$100.00 have their name included on both "Once Were Warriors" honour boards.

The offer to have your name included is open to not only those connected with Wattles Rugby League Club, but also the former Allora & Clifton Rugby League Clubs.

Former players, officials, committee members & Wattles Princesses/Ambassadors are welcome to be included on the boards. The boards while historical will also be unique with the name plaques arranged to form the words "Once Were Warriors".

People that feel they qualify for inclusion on the "Once Were Warriors" boards should register their interest with Perry Cronin (0407 034 320), Glyn Rees (0400 811 093) or Aaron Scheid (0458 204 550).

Glyn Rees

**GOLF** **Allora Golf Notes**

Last Sunday we played for the Monthly Mug sponsored by the Railway Hotel. Winner of the day was Matt May with a 59 nett. Runner up was Kev Harrison with a 65 nett. Pin shots went to Kev on the 4th, Matt on the 13th & 16th, Jack on the 7th.

Next week will be Club Trophy. Tee off at 11.30.

Last week the men played Pittsworth in pennants having a win 3 & 2. Well done.

This week will be again at home to Clifton. Team to play Clifton will be, Adam, Matt, Kev, Moose & Kel. Any problems ring Adam. 0402 783 615.

Thanks to all who are helping out at the course.

REGIONAL ARTS  
DEVELOPMENT FUND  
SOUTHERN DOWNS REGIONAL  
COUNCIL COMMITTEE  
1st FUNDING ROUND FOR THE  
2014/15 FINANCIAL YEAR

The Regional Arts Development Fund is a partnership between the Queensland Government and Southern Downs Regional Council, and focuses on the development of quality art and arts practice within this regional community.

Applications are now invited for financial assistance under the RADF program for the first round of funding for the 2014/15 financial year.

Application packages are available from the Southern Downs Regional Council Offices, Art Galleries and Libraries in Warwick and Stanthorpe or by telephoning Kristy Rohde on 1300 697 372. Information on the RADF program including the application package is available on Council's website [www.sdrcl.qld.gov.au](http://www.sdrcl.qld.gov.au) under Your Council - Grants and Funding.

Applications should be lodged by the closing date of 5pm Monday, 25 August 2014 with the RADF Liaison Officer, Southern Downs Regional Council RADF Committee, 64 Fitzroy Street, PO Box 26 Warwick 4370, or alternatively 61 Marsh Street, Stanthorpe 4380.

Please note Council's final decision on applications for this funding round will be at the General Meeting to be held at the end of October 2014. Projects for which grant funds are sought must not start before this date.

For further information regarding the above, please contact Kristy Rohde, RADF Liaison Officer on telephone 1300 MY SDRC (1300 697 372).
