**Wattles Win in a Nailbiter**

The Wattles 'Warriors' were forced to draw on the back-up store of grit & determination to hold off a gallant Warwick 'Cowboys' challenge at Platz Oval on Sunday, winning 30 - 22 to continue their seven match undefeated run towards the Toowoomba Rugby League final series.

As mentioned earlier this week, matches between the two sides bring out a special brand of competitiveness that has few equals in the Toowoomba Rugby League competition, the southern region league neighbours, always lifting in a clash of passion and loyalty resulting in a more than spirited encounter. Captain/Coach Jason Bradfield set a fine example as he led a 'Cowboys' side that appeared more committed to gaining the premiership points as they strive for a final five spot in the coming finals.

Wattles threw done the gauntlet in the opening minute of play when centre Jamie Dodt finished a slick play to weave his way to the try line with his first touch of the ball after an injury absence since Round 4. Coach Luke Duggan is more than a little pleased to have Dodt back in his back in his backline, adding to the Wattles attacking arsenal as a challenging finals series approaches.

Warwick struck back minutes after the Dodt touch down through fullback Jacob Morgan to lock the score at 6 all, both sides battling it out until Wattles Brodie Ciesiolka set off on an elusive run of seventy metres to touch down. It was a brilliant effort by Ciesiolka, finding avenues through a defensive line that was at sixes & sevens trying to rope in the gifted young five-eight.

Centre Dan Manley added another touchdown for the home side to lead 16 - 6, and while Warwick winger Declan McLoughlin kept the 'Cowboys' well in the chase after he scored late in the first stanza, Wattles took a 16 - 10 advantage in at half time.

Back-rower Dylan Ebnetter raised a few eyebrows when he snatched possession in a one on one steal fifteen metres from the Warwick try line and raced in to score under the uprights with no one in chase. Referee Dan Ryan had no doubt it was a try, and the 'Warriors' eased ahead 22 - 10, however a few loose comments saw tough Warwick front-rower Gary Ellery dispatched to the sin bin, the 'Cowboys' reduced to twelve on the paddock.

The reduction in numbers seemed to serve to inspire, and veteran five-eight Matt Gainey decided it was time to stamp his

authority on the match, masterminding two touchdowns to have Wattles on the back foot and the scoreboard locked at 22 all at the 55 minute mark.

Tempers flared in the later stages, and Warwick's Trent Achilles was put on report after a tackle on Wattles Jackson Green went wrong.

The deadlock was broken when Wattles' lock Aaron Schied ran into a gap that saw him score almost untouched.

With Wattles ahead 28 - 22 and five minutes on the match clock, it was still anyone's game, but a penalty goal from wide of the goal posts near full time by Matt Duggan sealed victory for the 'Warriors'.

Front-rowers Pat & Xavier Manley led the way for Wattles in a match where they were far from dominant.

Wattles 30 (Jamie Dodt, Dan Manley, Brodie Ciesiolka, Aaron Scheid, Dylan Ebnetter tries; Matt Duggan 5 goals) defeated Warwick 22 (Matt Gainey 2, Jacob Morgan, Declan McLoughlin tries; Matt Gainey 2 goals).

with the first half efforts of his 'Railway Hotel, Allora' Wattles reserve grade side on Sunday against the Warwick 'Cowboys', but after Wattles trailed 6 – 12 at half time Warwick emerged 32 – 12 victors.

"We had a really good first half without putting enough points on the scoreboard" said McMillan, "but we didn't get a good start to the second half and couldn't regain our momentum." Hooker Alex Griffiths was among Wattles best along with prop Jason Nightingale & half back Michael Duggan.

Both sides battled for points for the initial eighteen minutes before second-rower Alex Morris dived over to score and allow Wattles a 6 – 0 lead.

The 'Cowboys' evened the ledger 6 all minutes later when big forward Josh O'Brien proved too big a package for the 'Warriors' to contain.

While it appeared the score would be locked at the half time break, hooker Morgan Taylor scored the first of his three touch downs for the game to allow Warwick a 12 – 6 lead.

Taylor was in the points again just after the second half restart, and while Wattles "Mr Consistency" Jason Nightingale nipped over to score from dummy half in the 46th minute, the 'Cowboys' took control to run in an additional three unanswered tries on their way to victory.

Warwick 32 defeated Wattles 12 (Alex Morris, Jason Nightingale try; Mark Duggan, Will Manley goals)

**Under 18** - After some disappointing results in recent weeks, the Wattles 'Allora Foodworks' Under 18 side came within a whisker of a win over the Warwick 'Cowboys', unfortunately trailing 24 – 26 when the full time hooter sounded.

Halfback Joe Morris was in fine form for Wattles, along with Max Somes & big men Mitchell Duff & Harry Fulwood.

The 'Warriors' were first on the scoreboard after just a couple of minutes when they collected a try by winger Will Bashford on the end of a classy backline play that included five-eight Tom Henry, fullback Nick Morris & centre Ben Comerford, after some quality go ground gains by their forwards.

The 'Cowboys' were reduced to twelve men in the 12th minute when their halfback David Dwan was sin binned for ten minutes. Wattles were unlucky soon after when lock forward Max Somes was denied a try ruled held up by Referee Rod Ogden.

Lindsay Power crossed for the 'Cowboys' first points in the 23rd minute, to trail Wattles 4 – 6.

Max Somes was in the action again minutes before half time with a powerhouse run upfield, hooker Jack Rubie scoring from dummy-half ten metres to the left of the goal posts in the following play. With Will Bashford's successful conversion, Wattles went to the break leading 12 – 4.

It was Somes again just after the restart, another try seeing Wattles ahead 18 – 10, Warwick having touched down earlier in the half.

# IF YOU THINK YOUR MUM AND DAD OR LOVED ONE MAY NEED AGED CARE,

## PLEASE READ THIS.

The people you see here are real people – typical ageing Australians who once lived alone and proudly told their families they were ok, that they could cope, not to worry. Yet every single one of them spent their days in lonely isolation, often depressed and increasingly-frail.

Their families were either innocently and totally unaware or genuinely feared there was nowhere in traditional aged care that would care enough; that their Mums and Dads wouldn't be loved and looked after like they deserved and that they would lose their precious privacy and independence.

And then they discovered the most innovatively-caring aged care communities in all Australia; communities staffed by the most beautiful and highly-trained carers; communities dedicated to delivering every possible level of aged care through every stage of the ageing process.

Today, as much-loved members of the exclusive – but incredibly inclusive – 'Freedom Family', the Mums and Dads enjoy the privacy and independence of their own self-contained homes in the vibrant community that does its heart-felt best to love and care for them as much as you would want us to.

Discover why so many families chose Freedom Aged Care for their loved ones today. **Call 1800 994 763**

The young 'Cowboys' Colts found their bearings though and ran in three touchdowns, along with a successful penalty goal attempt by their centre Mitchell McMahon to lead 26 - 18 with three minutes on the clock.

Wattles were in it to the end though, winger Will Bashford scoring his second try that saw Wattles fall short of a win by just two points.

Warwick 26 (Nick Watson, Josh Lucas, Alex Stewart, Lindsay Power, Logan McGrady-Dennison tries; Mitch McMahon 3 goals) defeated Wattles 24 (Will Bashford 2, Jack Rubie, Max Somes tries; Will Bashford 4 goals)

**C Grade** - Wattles sister 'C' Grade club the Millmerran 'Rams' nailed their eighth win of the season when they defeated Warwick 32 - 6.

The 'Rams' remain unbeaten in an amazing season that saw them return to the Toowoomba Rugby League after a decade. Lock Braydon Gibbs & front-rower Jayden Klein impressed in the one-sided result.

Millmerran 32 (Ashleigh Klein 2, Brent Hearne, Sam Martin, Steve Sauverain, Mick Crank, Jason Otto tries; Steve Sauverain, Jayden Klein goals) defeated Warwick 6 (Jay Hankinson try; Morgan Van De Sande goal).

Wattles take on the Pittsworth 'Danes' at Club Pittsworth this

Sunday, the program will see the A Grade match commencing at 2.30 pm, Reserve Grade at 1.10 pm, C Grade (Millmerran v Pittsworth) at 11.55 am and Under 18 kicking off at 10.30 am.

## Making music on the Southern Downs

The best beats and rhythms will ring out from Warwick's Leslie Park Youth Space on Saturday (August 2) when EDGEfest kicks off at 11am.

And along with great music there will be free skirmish, sausage sizzle by Warwick Gymnastics Club, SDIEA (Southern Downs Industry Education Association) art activity, face painting and temporary tattoos and the Warwick Collective stall. EDGEfest is organised by Southern Downs Regional Council, WIRAC, SDIEA, Headspace Warwick and Warwick Collective.

EDGE (Encouragement, Development, Growth and Experience) Southern Downs is a series of innovative workshops for young people aged 13-30 who are interested in the music industry. EDGE Southern Downs is funded by Southern Downs Regional Council and was awarded funding under Arts Queensland's Projects and Programs Fund for 2014.

Youth Development Officer, Hailey Cosh, said young people on the Southern Downs will have the opportunity to gain skills and

"We are extremely grateful for Arts QLD's funding for this program as we would not be able to run EDGE without their significant support.

"EDGEfest is great opportunity for young people to come together to celebrate their music and talents as well as meeting successful people from the music industry.

"This event is also an opportunity for young people already established as local youth artists and bands to enhance their skills in live performance, stage experience, and artist development. They will be invited to perform at our Music Festival in October, and other Youth Council Events," she said. Ms Cosh said as part of EDGE Southern Downs, Council will also hold a series of free workshops on August 5,12,19 and 26, September 2,9 and 16 and October 7 and 14 where quality music industry professionals help participants with skills development in radio, studio production and DJ work.

"We thank our partners Andy Wilmott (Soular Music Services), Nic Dromgold (DJ Modify) and Janelle Fien (Jae-bird) for their expertise, and commitment to the music industry and local young people.

"The workshops are an ideal opportunity for young people aged 13-30 to come together and learn about music and the music industry including;

- Radio - Radio production, recording, radio interview skills, and segment preparation.
- Studio Production - Audio production, studio based skills recording, mixing, editing, mastering music.
- DJ and Live Production - DJ, demo recording, computer music beat writing, live production

"The workshops will highlight the many options that the music industry has and expose the participants to skills and opportunities that they would not normally have access to in a regional area.

"We're very excited about this project as the workshops are a lot of fun to attend and a great way for our young people to learn the skills they will need to help further their future music industry careers," she said.

## Looking Back...

### Settlers or Speculators?

Last week's article mentioned Allora's first land sale on the 5th March 1860. This sale was for the land bounded by Raff, Jubb, Arnold and Drayton Streets containing 30 x 1 acre allotments and a number of small farms surrounding the town. The three ten acre town blocks were divided by a water lane to allow the landholders access to the Water Reserve for their stock. The sale was held at the Police Office in Warwick and there was a large gathering of settlers. Despite fears that the surrounding squatters would turn up at the sale, flush with cash to try to keep the small land holders out, the majority of the town land and a fair percentage of the small farms on offer went to genuine settlers. The 30 "Suburban Lots" on offer had an upset price of £4 per acre and the 32 "Country Lots" had an upset price of £1 per acre. The first allotment offered was that on the corner of Raff and Drayton Streets and was knocked down to Warwick storekeeper, Simon Meyer, for £16. Meyer also bought the adjoining allotment in Raff Street and it was on those two allotments that Donald Clark built Allora's first hotel, the Dalrymple Hotel, later in the same year. It is interesting to note that the five highest priced town allotments in the sale all faced Dalrymple Creek in Raff and Jubb Streets. The highest price of the sale was £25 for the allotment on the corner of Raff and Jubb Streets which was purchased by G. Walker & Co. All of this land was shown to be subject to flooding during the record 1864 flood.

The majority of the remaining town allotments were purchased by private buyers at prices ranging from £9 to £15.

W. J. T. Neale's produce agency in Warwick Street 1920. Bill Wilson (in dray), Gladys Gilmore and W. J. T. Neale.

Names familiar in Allora history were William Anderson, Charles Lambley, Thomas Birkett, William Andrews, John Scott, David Hutton, William Duggan and Bryant Rix. Two interesting buyers were for the 1 acre allotment on the western corner of Jubb and Forde Streets which was knocked down to "Henry Sauls", and the adjoining allotment on the corner of Jubb and Arnold Streets which went to "Michael A. Hirst". I believe these to be Henry Saal and Michael Erhart, two recently arrived German immigrants who may have had trouble getting their names across to the clerk at the Police Office. Of the small farms ranging from 19 to 76 acres offered at the sale, 8 were sold to R. & F. Tooth (owners of the adjoining Clifton Station) and 1 to Charles Clark (Talgai Station). Warwick District Police Magistrate, J. C. White, got in on the act with the purchase of a 30 acre farm but the rest of the buyers appear to be genuine settlers. Names still associated with the district include Ewan McMillan,

R. K. Black and J. Müller (Sinton family) The Moreton Bay Courier of 22nd March 1860 commented that the proceeds of sale were £2,400 which would be the best argument that could be advanced for opening other reserves.

## Last chance for South East Queensland students to win an innovation adventure to the USA

Time is running out for students in South East Queensland to enter Origin's littleBIGidea competition, which aims to foster creativity and innovation in students from grade 3-8.

The competition, launched by Origin in May, aims to provide a platform for students to continue Australia's rich tradition of innovation which has seen solar hot water, the black box flight recorder, the fridge and the bionic ear, amongst others, invented and developed on these shores.

littleBIGidea judges include James O'Loughlin, former host of the ABC's 'The New Inventors'; Christie Burnett, Editor of popular parenting blog Childhood101.com; and Bernard Caleo, presenter of Origin 'Energy for Schools' shows.

"This is a really exciting competition that encourages students to think creatively and innovatively about Australia's future. We want students to tell us their ideas - no matter how big or small - and in doing so, we just might uncover a littleBIGidea that changes life for future generations," said James O'Loughlin.

The Top 12 ideas will be selected based on an exceptional demonstration of originality, creativity, practicality, imagination and innovation. The 12 finalists will be invited to attend the littleBIGidea forum in Sydney this October to present their idea to the judging panel.

Three overall winners will win a trip to Florida, USA to visit innovative hotspots including the Kennedy Space Centre, Epcot Theme Park - Walt Disney World Florida and Ripley's Believe it or Not. Other prizes include \$1,000 in education grants for each of the 9 runners-up; \$4,000 to spend on energy upgrades for the 12 finalist student's schools; plus and tickets to an education conference for the teacher nominated by each of these students.

Origin National Community Partnerships Manager Amy Stockfield said, "We are very impressed with the calibre of entries we've received for littleBIGidea so far; and we're looking forward to seeing what other creative ideas are out there in the remaining weeks!

"There are no restrictions on how big or small the idea - it could be an invention, an energy saving technology or a simple way to make life a little easier."

This year marks the 11th anniversary of Origin's Energy for Schools program (previously called Energy Savers)- one of Australia's most successful education programs with 40% of primary schools[1] currently teaching the free online resources in their classrooms.

Australian students from grade three - year eight can enter by visiting [www.littlebigidea.com.au](http://www.littlebigidea.com.au)

Entries close at 11.59pm AEST Friday 5 September 2014.

For full prize details refer to the competition Terms & Conditions on the official website.

## Teish & Gill Fundraise for UGLY

Allora based community conscious young ladies Teish Erhardt and Gillian Morris have taken up the challenge to participate in the 2014 'Ugly Bartender of the Year'.

Yes it does sound somewhat extreme considering the good looks the two young bar attendants from the Railway Hotel boast.

Ugly they say!!! U.G.L.Y. actually means "Understanding Generous Likeable You!"

"U.G.L.Y. Bartender of the Year" is the Leukaemia Foundation's hospitality industry fundraising competition and every year bar attendants nominate themselves and their venue to represent U.G.L.Y.!

So Allora born and bred Teish, Gillian who hails from Ireland's County Kildare and the more than a century old Railway Hotel are in the fund raising business over the coming weeks. Teish & Gillian will be holding events around Allora over the next seven weeks such as family fun days, cocktail nights & so much more.

Their fundraising gets underway tonight, Thursday July 31st with their 'Winter Warmer Drink Event' from 6.00 pm until 8.00 pm, an evening of delicious roast meals and aside from the usual liquid refreshments, Gill & Teish will be serving up some mulled wine. Mulled wine is a beverage usually made with red wine along with various mulling spices and raisins, Port and claret being traditional choices for mulled wine, and are often combined.

The drink is served hot or warm and may be alcoholic or non-alcoholic. It is a traditional drink popular in England at Christmas & Halloween and throughout winter.

Proceeds from the wine sales will aid the Leukaemia Foundation, Teish & Gill already very thankful for the community support they have received through donations.

To stay in tune with Allora's U.G.L.Y. but beautiful bartenders events, pop in and see them at the Railway, watch the local press or 'like' and share their Facebook page 'UGLY Bar Tender of the Year 2014/Teish and Gill'.

Or if you'd like to donate, there is a link on their Facebook

other intriguing items. This will be a great morning of bargains at the Toowoomba Hospice Car park sale on August 9th. Hospice Chairman Mr Graham Barron OAM said he is often overwhelmed as to what people will donate to the Hospice to help raise money "We have these car park sales twice a year and now it's getting bigger each time we might have to look at doing another one during the year as our storage space is being filled so quickly - It's wonderful!"

## Wattles Juniors match reports: Suburbs

**U7 Allora Pharmacy and Clancy Smith Water Services** - Played but no match report.

**U8 Malcolm & Johnston Drilling** - This week the Wattle's Under 8's played a much improved Suburb's team. Early on, both teams had to work hard to try to gain metre's with both teams tackling extremely well.

As the game got going Kasius Goodall and Mitch Willett with strong straight running helped the team move forward. This enabled our lightning quick backs Jack Wright & Bill Joppich to show off their speed both scoring long distance tries.

Sam Gilmore and Hamish Gartery also scored tries, they also made plenty of tackles. Thomas Blake had his best game this week, his defense was rock solid and was able to break plenty of tackles with strong hard runs.

Our ball control and passing is improving every week. What we practice at training is starting to pay off.

Well done Wattles Under 8's

**U9 Cook Haul Pty Ltd** - Played, but no match report. Get well soon coach Tony Hawk (Dane King)

**U10 Eastwell & Sons Transport** - Saturday we played Suburbs at home and the team had a good win. The defence, passing and tackling was very good, and as always there was some hard running by Darcy Gorkow who had great support from Darcy Minnikin, Cy Deeth, Tobias Seibel and Michael Shingles.

Alistair Harris and Liam Rühle did their usual good job of steering the team around the park. Well done everyone.

We are still missing jumpers no. 5 and 18, anyone who has

them please return them.

**U11 Clifton Auto Ag Repairs** - Even though today's game was not the result we were looking for with a defeat at the hands of Suburbs Hornets, it still taught us a lot about ourselves.

The score at full time was Suburbs 20 Wattles U18 and really hit home the fact that if we are going to stand flat footed in defence then we will get run over easily. Our usual good defence was not present today and suburbs were scoring across the field easily.

Jacob Meddleton once again scored a great try of the back of some very good football from Lachlan Meacle, Lachlan today took on the line and sucked the defence in to gift Jacob a great ball to see him run 55m to score. Well done Lachlan. Our next try scorer was Hamish Rutherford who dived over the line from close range. Hamish is always on the hunt for quick scoots from dummy half and once again he delivered for us. Liam Rühle was our final try scorer, Liam again played up from U10's and scored another good try from dummy half. Conversions were kicked by Lachlan, Ryley Lever and Michael Duncan.

Ryley Lever was our Clifton News player of the match for his tireless defensive work, special mention to Lachlan, Jackson, William and Elijah for another good effort.

**U12 RYANIE for Tyres** - Played but no match report.

**U14 Clifton Real Estate** - The Under 14s started off the game poorly with lack of respect for the ball and allowing Suburbs ample field position which enabled them score a couple of soft tries.

However the Wattles produced some enterprising plays when in possession and with some good offloads and backing up had the teams go into half time 16 All.

After some discussion about the first half in the break the boys hit the field with better ball security and were lead strongly by the forwards. Defence also improved leaving the opposition scoreless in the second half.

The boys effort was good with Jackson Blake, Justise Goodall, Tyler Davies making big forwards charges and were well supported by the rest of the pack.

Tom Parry was excellent at half back again and Paden Murphy competed strongly throughout and centres Michael Lasserre and Tyler Gillam were solid defensively.

The U14s kept their finals aspirations alive and will need to improve when coming up against the top 3 teams on the road in the final 3 rounds. It so far has been a positive season with many boys playing in new positions and performing very well.

The overall attitude in the team has been the most satisfying thing and we look forward to enjoying the rest of the season. Jackson Blake was the Clifton News player of the match and received this weeks edition of Rugby league Week.

**U16 Carlowrie Park Stud** - Played but no match report.

## Council launches Economic Development framework

Southern Downs Regional Council will launch its new Strategic Framework for Economic Development and Action Plan at the Warwick Chamber of Commerce Business After Hours function this evening at the Warwick Town Hall.

Mayor Cr Peter Blundell said the framework document was an outline for future directions of the Southern Downs and the Action Plan detailed specific projects, objectives and partners. "The strategic framework is an overarching document that sets out the key areas for economic development. The action plan gives an overview of the activities planned for 2014-15 and it is

planned to review this regularly. "As we all know the Southern Downs has enormous potential given our location - close to major arterial highways, our strong agricultural base, tourist attractions and diverse range of local businesses.

"All interested parties are keen to see the Southern Downs further develop a strong and sustainable economy and Council is keen to work with our communities to achieve this aim.

"Both the framework and action plan have been developed through ongoing consultation and discussion and we welcome the opportunity for additional dialogue, collaboration and continued partnerships in the community.

"I look forward to this evening's Chamber of Commerce event to hear suggestions, views and opinions.

"Having seen the completion of our hugely successful Jumpers and Jazz in July festival yesterday, this is an opportune time to think about putting the Southern Downs at the forefront of growth and economic development," he said.
