### Council calls for RADF committee members

Southern Downs Regional Council is searching for interested people to nominate for its Regional Arts Development Fund (RADF) committee.

Committee Chair and SDRC Councillor Jo McNally said she has thoroughly enjoyed her role in the committee and urged residents to apply.

"I have been on the committee for four years and have learned a great deal about the rich cultural and artist life of the Southern Downs.

"The main purpose of the committee is to develop quality art and arts practice within our community. We assess applications for RADF funding and also encourage local artists to apply for this funding.

"We are seeking expressions of interest from local artists, arts and cultural workers or those active in the arts community who are at the northern end of the region. Those successful will replace outgoing members. We would ask that those interested apply by Wednesday August 13.

"The committee values members who have a passion for the arts and culture in our wonderfully creative region," she said. Cr McNally said that the primary responsibilities of committee members include:

- Attend and participate in RADF meetings - generally two rounds per financial year
- Assess RADF applications and outcome reports
- Ensure that the funding allocation is aligned with RADF

### August is Pet Dental Month

Gum disease often goes unnoticed! August is dental month at the Warwick and Allora Vet Clinics. "It is the time we remind our clients of the importance in maintaining good dental health in their pet", says vet Dr Julia Dowsett.

Pets are prone to problems with their teeth. Did you know that it is estimated that without proper dental care 80% of dogs and 70% of cats will show signs of oral disease by three years of age. This can have long term consequences to the animal's overall health if not addressed. "Gum disease in pets often goes unnoticed. Then end result is that infected gums and teeth can lead to infections in the kidney, liver and heart", she said.

Benign neglect is the first reason for dental disease in pets. Initially plaque builds up in the mouth and if not removed will react with saliva to form hard tartar. Plaque and tartar contain a multitude of bacteria and toxins that can spread to other parts of the body through the bloodstream. Dental disease progresses in stages so it's important it's caught early to prevent further damage. Signs of dental problems disease include, foul smelling breath, discolouration of the teeth, reluctance to eat certain (harder) foods, drooling from the mouth, red and inflamed gums and loose or broken teeth.

The wrong kinds of food can also cause dental issues to your cat or dog. Don't let your pet chew hard material like stones as these can lead to teeth fractures. Avoid giving your pet lollies and table scraps as then can lead to plaque and tartar formation.

Feeding a dry food rather than moist canned food will help remove bacterial plaque. A dry food formula, like Hills T/d formula can provide adequate chewing exercise and stimulation of the gum which can lead to a healthy mouth and less gum disease. It's like a tooth brush in your pet's food! Dr Dowsett added. If tartar is present we can descale the dog or cats teeth

Has your best made had his free dental checkup at Allora Vet Clinic?

under a general anaesthetic procedure. The teeth are polished and the mouth is cleaned with chlorhexidine wash to prevent the tartar returning.

Annual dental check-ups and ongoing dental care can prevent some of these serious side effects. This month we are offering FREE dental check up's where all clients can receive a sample for Hills T/d dry food formula to try. "A special light can be shown on the gum line to show how much plaque exist. The results can be quite illuminating", said Dr Dowsett.

### Council seeks community views on local library services

Over the past decade library use has changed markedly and the Southern Downs Regional Council is seeking community views about the way forward for its three local libraries.

Mayor Cr Peter Blundell said Council is gathering information for a Library Services Strategic Plan which will give the Warwick, Stanthorpe and Allora libraries direction into the future.

"We want to get the right mix of traditional library use together with new online and digital resources and information.

"Community members feel strongly about our libraries and have a range of needs to be met. We need people to express their views and give us suggestions about improvements.

"The consultation process started on Monday August 11 and runs until Monday September 22.

"Library staff have formulated a survey and we're asking people to go to the SDRC website and answer the questions using our online engagement tool 'Bang the Table'.

"It will only take about five minutes to fill in the survey and this will provide Council with important information.

"For those not inclined to use the online method we have hard copies of the survey available over the same time frame, and can be found at Council libraries and community contact centres, WIRAC, and selected shops and post offices. You can also contact your local library to have a copy of the survey posted to you.

"Alternatively, you can attend one of the public information sessions that will be held across the region, and which will be advertised in local media over the next few weeks.

"Libraries are an important community asset and Council wants to develop the library services to suit the needs of our region," he said. Further information go to www.sdrc.qld.gov.au and click on the button "Have your say".

**It really is “on for young and old” during Seniors’ Week**

With over 40 events placed in the Seniors’ Week (August 16 - 24) calendar and over 50 stalls at the Seniors’ Week Expo Thursday August 21 at WIRAC it really is “on for young and old” on the Southern Downs.

Southern Downs Regional Council Mayor Cr Peter Blundell said he always looked forward to the many and varied activities during Seniors’ Week.

“I’m not considered a ‘senior’ yet but I know that Seniors’ Week is an opportunity for residents of all ages to join together and celebrate the contribution of older people in our community.

“In my role as Mayor I am constantly reminded of the significant input senior people have to our local communities through volunteering, mentoring and imparting their wisdom through various education forums.

“And another major emphasis is on fun! Our Seniors’ Week calendar has a huge range of events including croquet and country music, luncheons and lapidary, Toastmasters and Tai Chi.

“The highlight of Seniors’ Week is the Annual Southern Downs Leisure and Lifestyle Expo held at WIRAC on August 21. Again there is vast range of stalls and activities to interest everyone,” he said.

Council’s Manager Community Services, Sheila Stebbings, said the Seniors’ Week Expo is co-ordinated by an enthusiastic volunteer Seniors’ Week Committee with support from Southern Downs Regional Council.

“The expo will have over 50 stalls, numerous demonstrations, entertainment and food and will attract hundreds of people.

**Allora R.S.L. Sub Branch receives new PA system**

Last Anzac Day, a soon to be resident of Allora, Mr. Dennis Allen, attended his first Dawn Service in our town. He was very moved by both the presentation and attendance.

As a result, he and his brother Geoff have donated a new Yamaha sound system to the Allora R.S.L. Sub Branch for use at all future Anzac Day and Remembrance Day commemorations.

They have done this in remembrance of their father and uncles who all served.

**A Greener Allora**

“The aim of the Allora and District Garden Club is to build a greener and better Allora” stated club secretary Jackie Gallagher this week. Interest in, and support for the club is growing with 45 people attending the recent annual general meeting.

“Co-operation between the club, the Allora Shire Council, residents and the Allora Business Council have resulted in more “green” areas in the town than ever before” Mrs. Gallagher said. “Great work by the Shire Council has resulted in people being able to stroll along the creek bank from the Stuart Henry Park to the Dalrymple Creek Reserve. With even better public awareness and care for the environment, Allora can become an even prettier place to live” she said.

**15-YEAR OLD BIDS FOR GOLF TITLE**

Tom Maher, the 15-year old Allora golfer, who plays from a handicap of nine, has entered for the Queensland country championship, to be played at Royal Queensland today. He is the youngest player to contest the title, which will be decided over 36 holes of stroke play. A record of 50 entries has been received.

*The Courier-Mail 15th August 1939*

**Allora's Past 100 years ago August 1914 WAR**

The great European war continues to be the topic of universal interest and occupies the attention of Allora residents almost universally.

Major Charles Deacon visited the town last week and addressed the local detachment of the Australian Light Horse. His message to his men was to make all preparations to go on active service at any moment. The Rifle Club is in receipt

Three Allora characters on the golf course at Hendon in the 1930's.

Charlie Deacon (centre) of orders preliminary to mobilization, and the contingent of nine members demanded by headquarters has been arranged for. At least one English reservist, Mr. Edwards, a relative of the Stay family, has obeyed the call to arms. The proclamation issued on Monday calling on all persons who are German subjects resident in the Commonwealth, to report to the nearest officer of police, has affected quite a number of residents of the district. The police are collecting particulars of all horses and vehicles in the district likely to be useful for warlike purposes.

Special reference was made to the war in the local church services on Sunday, and the National Anthem was sung with great heartiness at the conclusion of several services.

*Colin Newport*

LEFT: Ethan Bender, Sean Simpson, Bella Ebnetter, Alek Ebnetter and Hayden Bellingham ready to depart on their journey.

**Clifton Scouts 4th at Operation Nighthawk**

The Clifton Scout Troop team, capably lead by Patrol Leaders Sean Simpson and Alek Ebnetter, was placed fourth in a field of 154 teams at Operation Nighthawk held on the weekend of 9th and 10th August.

The annual Scouting event, which draws teams from Ballina to Bundaberg and from Chinchilla to Coomera, was based at Crows Nest showgrounds. 154 teams of scouts participated in a night navigation exercise during which they completed a number of challenges involving initiative, map and compass, construction, first aid, knotting and general scouting knowledge.

Group Leader Ian Gregory said that he was very proud of the scouts' achievement. It is the best result from a Clifton team that he can remember.

Next year, Operation Nighthawk will return to Clifton based at Bange's Airfield. Ian said that “With the Patrol Leaders advancing to Venturer Scouts before then, it will be up to the younger members of the Troop to maintain the standard.”

**BAD JOKE OF THE WEEK**

A guy in a restaurant says to the waitress “I want a cup of coffee without cream.”

The waitress comes back a few minutes later and says “I'm sorry, but we're all out of cream. Would you mind taking your coffee without milk?”

Clients will then automatically receive, as a bonus, a calendar entry. These entries will be in a 2 line format as above, starting in bold with date and event, followed by venue and time.  
 If people wish to contact The Allora Advertiser and discuss their particular needs, please feel free to do so. Ph 4666 3128.

### Doing business with Council - a follow-up

Following Southern Downs Regional Council's successful "Doing Business with Council" workshops, another two workshops have been planned to give follow-up information on the Local Government Association of QLD procurement service, export markets and communicating capability. Economic Development Officer Diane Anstee said the recent Doing Business with Council workshops, held in Warwick and Stanthorpe, attracted over 30 people from various local businesses to each event.

"These business owners were pleased that Council had organised the workshops and asked for follow-up sessions. Council's Economic Development Unit is encouraged to see how proactive Southern Downs' businesses are about growing their business and stimulating our local economy.

"It really is this enthusiasm and support that ensures our region grows and prospers.

"We're pleased to bring another two workshops called Communicating Capability and Local Buy and these will be held on Monday August 25 from 9.30am to 11.30 am at the Stanthorpe Civic Centre supper room and 1.30pm to 3.30pm at the Warwick Library Meeting Room.

"During the workshops I will give an overview of the range of ways to grow markets, including the opportunities that may be associated with export and/or product development.

"We will then have Lynda Growcott from Local Buy who will give an overview of this Local Government Association of QLD procurement service and how it works.

"Anthony Holzwart from the Department of State Development will talk about how businesses can communicate capability to win more business.

"This will be an interactive workshop and also feature a question and answer forum. We're building on the interest generated from the previous workshops and encourage businesses that may be interested in developing their market reach to attend," she said.

Businesses are urged to register their interest by phoning 4681 5527 or email edu@sdrcl.gov.au

Wattles 'Railway Hotel, Allora' reserve grade team before they took on Dalby at Millmerran on Sunday.

### Warriors Primed for Finals

The Luke Duggan coached 'National Farmer's Warehouse' Wattles Warriors have cruised to a one sided 54 - 16 victory against the highly rated Dalby 'Diehards' in the last fixture round of the 2014 Toowoomba Rugby League season.

The 'Warriors' scored ten tries to overwhelm Dalby, reversing the results of the two side's previous encounter back in Round 9 when the 'Diehards' emerged 30 - 26 victors, a result that was Wattles only defeat in the 2014 season.

For Duggan it was the result he wanted as Wattles march relentlessly towards the finals series that begins next week. "We rested a couple of regular players, and it was great to have Michael Birmingham back coming off the bench."

In a day where TRL footy returned to the Millmerran 'Rams' home turf, Wattles and Dalby slugged out a tough initial forty minutes of the main game, Wattles leading 20 - 14 at the half time break.

Livewire fullback Jackson Green split the Dalby defence after just three minutes to shunt the 'Warriors' to an early 6 - 0 lead. Green was outstanding across the eighty minutes according to Coach Duggan, with second-rower Dan Manley also in sensational form. "It was a good performance by everyone in the seventeen, I was particularly happy with our defence" said Duggan.

Another try by Green along with touchdowns by winger Robbie Moore & front-rower Xavier Manley allowed Wattles their half time advantage. Moore also crossed in the second stanza when Wattles thrilled the crowd at Millmerran scoring 34 points to four by Dalby. Further tries by five-eight Brodie Ciesiolka (2), winger Tim Hentschel and centre Jamie Dodt also contributed to Wattles second half dominance, before back-rower Dylan Ebnetter closed the points account with a try in the final seconds of the match.

It's been a challenging year for the 'Warriors', winning seventeen of their eighteen matches and securing a minor premiership, but for Coach Duggan it's time to lift to another level given it's the business end of the season.

Duggan has to keep his side focused for the next fortnight given they have next weekend off after finishing top of the premiership ladder.

Wattles 54 (Jackson Green 2, Robbie Moore 2, Brodie Ciesiolka 2, Xavier Manley, Tim Hentschel, Jamie Dodt, Dylan Ebnetter tries; Matt Duggan 7goals) defeated Dalby 16 (Sam Fermor 2, Daniel Cubby tries; Daniel Merker goals).

**Reserve Grade** - I was a tough ending to the 2014 season for Wattles 'Railway hotel, Allora' reserve grade side, going down to the Dalby 'Diehards' 48 - 0.

After finishing a notch above the bottom of the premiership ladder, Coach Glen McMillan spoke highly of his side at the end of the match, and a challenging season. He rated hooker Alex Griffiths, halfback Michael Duggan & long serving Wattles winger Damien McDonald among his best on the day. Glen

Continued from page 7...

also thanked and congratulated Under 18 players Mitchell Duff, Nick Morris & Harry Fulwood on their efforts stepping up a grade, and also Millmerran 'Rams' players Jai & Jayden Klein for stepping in to the green and gold colours. Dalby led 16 - 0 at half time, before running in another six touchdowns in the second half. Dalby 48 defeated Wattles 0. 2nd Division - Millmerran 34 defeated Dalby 4. Under 18 - Despite a gutsy effort, Wattles 'Allora Foodworks' Under 18 team were no match for the Dalby 'Diehards' on Sunday, losing 10 - 46 in their final outing of the year. The result saw wattles finish the 2014 season at the bottom of the ladder, while Dalby now challenge in the upcoming finals series. Hard running forward Harry Fulwood tested the opposition throughout, while team mate Ben Genrick collected 'player's player' honours. Others to shine in Wattles line-up included five-eight Tom Henry, front-rower Mitchell Duff, fullback Nick Morris & hooker Jack Rubie. The young 'Diehards' ran in two tries to lead 12 - 0, holding the advantage until the 27th minute of play. Wattles registered their first points when Tom Henry off loaded to Josh Sharman in support, Sharman sailing in for his side's first try. Dalby retaliated minutes later to lead 18 - 4, but Wattles Nick Morris added another touchdown when he gathered a Tom Henry grubber kick close to the Dalby try line. Wattles trailed 10 - 18 at the half time break, and while well in

**Wattles v. Collegians Match Reports**

**U8 Cook Hail Pty Ltd** - This week the Wattles Under 8's played Collegians and right from the start Wattles were on fire. Wattles Kicking off first after a few big tackles we were able to force an error and with our first time with the ball scored a try with Hamish Gartery crashing over. The tries kept coming with Jack Wright, Samuel Gilmore and Thomas Blake all scoring. Piper Brady who had a strong run and breaking tackle was able to offload to Thomas Blake who crossed over for another try. Abbey Monckton had a quick cheeky run and caught Collegians unaware to score in the corner. Blake Pointon is quickly becoming Wattles little tackling machine racking up plenty of good tackles every game. Our defense this week was the highlight of the game. Moving up in a line as a team and making tackles together is improving our defense. Well done Wattles Under 8's.

the game, they were unable to hobble the 'Diehards' and the second stanza. Five unanswered second half tries saw the Dalby outfit dominate the final 35 minutes and secure victory. Jack Rubie & lock Max Somes were at the head of Wattles tackle count, Harry Fulwood also excelling followed by Mitchell Duff & Tom Ryan, then Tom Henry, Joe Morris, Nick Morris & Ben Comerford. Nick Morris, Fulwood & Duff were also high on the 'Hit-Up' totals, followed by Henry. Dalby 46 defeated Wattles 10 (Josh Sharman, Nick Morris tries; Will Bashford goal) Wattles 'National Farmers Warehouse' first grade side are the sole Wattles side to contest the 2014 Toowoomba Rugby league finals series, and while they have a bye round this weekend as Minor Premiers, they will play next on August 24th in the Major Semi-Final at Toowoomba's Clive Berghofer Stadium.

Glyn Rees

**U9 Malcolm and Johnston Drilling** - Played but no match report.  
**U10 Eastwell and Sons Transport** - Played but no match report  
**U11 Clifton Auto Ag** - Today William Denny was our only try scorer when he quickly grabbed hold of a Collegians high ball and managed to run 55m to score. Our conversion was successful. Our 3 under 10 players Cy Deeth, Liam Ruhle and Michael Shingles all played well with their defensive efforts noticeable with Michael given the Clifton News Player of the Match award. For the majority of the game our team effort as a whole was very, very ordinary. Our boys showed a distinct lack of commitment in tackles and had none of their usual flair in attack, this is not something that we or their parents are accustomed too seeing and only the players themselves can lift themselves for a finals campaign. I will not blame the fact that we only had 12 players for the majority of the match and then 11 through injury against 16, Collegians were very well drilled and played good footy. We need these U10 players to step up and play finals footy and

Continues on page 9

would love a few more if possible.  
**U12 Ryanie for Tyres** - Played a good game against a strong outfit were in the game for a long way. The end result was not in their favour however they lose nothing on the effort they all put in. Clayton Brady played his best game of the year and was our Clifton News player of the match. Hunter, Joe, Jack, Rylan and Darby once again played strong.  
**U14 Clifton Real Estate** - The under 14s were disappointing and were comprehensively beaten by Collegians. Many players showed up to the game with a lacklustre attitude and were comfortable to let Collegians have their own way rather than put in a 100% effort, a point noted by coaches, parents and supporters.  
 Our seasons most consistent players were very good again with Lachy Henry, Paden Murphy and Tyler Davies never giving in and producing strong defensive efforts coupled with strong running in attack. They were well supported by Rory Moat, Matthew Christiansen and Darcy Brady who also worked hard. Some players were ok in patches however they must realise to compete against top teams the whole team must work tirelessly for the match and not leave it too half a dozen players. In fairness though Collegians were impressive and have improved themselves since the first round and looked far sharper in attack.  
 The team still sits in the top 4 and a win against Border in the

last round would likely secure a finals spot. The loss to Stanthorpe has given them a chance at the final 4 spot as well. In a tough decision Lachy Henry got the Clifton News Rugby League Week Wattles Player of the Match.  
**U16 Carlowrie Park Stud** - The boys had a very slow start to their last round game of the 2014 season which allowed Collegians to go on a scoring spree putting 26 points on the board in the first half. We were our own worst enemies with poor ball handling gifting Collegians with repeat sets and they were able to capitalise on these mistakes. Just before the break, we were able to hold the ball and complete a set which was finished off with a great kick across field by Tom Morris for Max Rubie to score, making it 26-4.  
 The Warriors regrouped at half time and came out with more enthusiasm and determination to get back to their game plan. They were able to score first through a strong run by James Moore to break through and cross the line. A period of scrappy play left the Wattles team unsettled and allowed the Dragons to score two more easy tries. Codie Christensen took the line on out wide and his sheer determination rewarded him with a well-deserved green and gold try.  
 Even though the Wattles Under 16's were on the receiving end of a 42 - 14 loss, the boys should be commended for not throwing the towel in and still trying right until the final siren. Gus Somes was player's player and he was well supported by Ben Johnston, Tim Duggan and Harry Shooter.
