

**Poppies at the Pool:** A field of poppies bloomed on the Allora Swimming Pool fence last Wednesday to mark the significance of the Anzac Centenary. The Poppy Project is a temporary art piece designed to bring the school children from both Allora State School and St Patrick's together and to create something beautiful and memorable in the process. Approximately six hundred poppies were created by the children and community volunteer helpers symbolizing one poppy for every one hundred Australian casualties in WWI. The Project was supported by The Regional Arts Development Fund, a Queensland Government and Southern Downs Regional Council partnership to support local arts and culture.

## Letters to the Editor...

Dear Editor,

I write to say a great big THANK YOU to all from Allora and beyond for the wonderful support given to our Anzac Day commemoration.

The contributions of so many extremely generous volunteers made it a truly memorable occasion. The attendance - so many from our community and beyond - made the effort of those involved so worthwhile. The extremely enthusiastic audience response to the concert performances was a rich reward for those involved.

Thank you to all who participated and attended. A wonderful recognition of the centenary of the Gallipoli landing.

Jim Corby  
President, Allora R.S.L. Sub Branch

Dear Editor,

I would like to take this opportunity to congratulate all those involved in the organisation of, and those who played the parts, of the Gallipoli 100th Anniversary Commemorative Concert - A Brown Slouch Hat and the Rising Sun. To each and every one of you I congratulate you. The cast, the organisers, the behind the scenes crew, the ushers, the advertisers, and to anyone else who contributed in any way, I congratulate you all.

My husband and I were lucky enough to be able to get tickets about an hour before the Sunday afternoon performance,

which enabled us to enjoy a great afternoons entertainment. Amateurs? I don't think so. The cast were amazing, and, in our eyes, each and every one of them were true professionals. Allora, you should be proud to have such great talent in your "Greatest Little Town on the Downs", and you should be equally proud, of the community spirit, and the efforts and support of a great group of locals.

Sheryl Windle & Greg McDonald, "Warwickites".

The Editor,

This last week was a clear demonstration of why so many people love the life style the small town provides. Who could imagine so many different people working together to achieve so many special events. The people of this great town, who for many months have given their time, deserve the utmost respect and admiration from all who were lucky enough to observe them.

From the sold out concert to the memorable red poppy display on the pool fence, the exceptional efforts made the ANZAC ceremonies arguably the most memorable to date, and to all the people of Allora, especially the young, who rose early in the morning to pay their respects, and then again in the late morning.

Perhaps it was the young men in the catafalque party, who brought home the realism of war and the sacrifices made. This community in its entirety, has in my opinion, lifted to new heights. What you have all done for this town and its residents is immeasurable, and to all those who played a part, I thank you completely.

To the Editor - World Wish Day, 29 April

Make-A-Wish Australia today celebrates World Wish Day, marking the first time a wish was granted for a child with a life-threatening illness back in 1980 in Arizona, USA.

## WEATHER FORECAST

Since 1985, the Australian arm of the organisation has granted over 8000 wishes to seriously ill children right across the country, giving them strength to face the challenges of their illness, hope for the future, and joy from their incredible wish experience.

Wishes are powerful. They are carefully designed to have a positive impact on a child's mental, emotional and physical health. Initially the wish aids the healing process, however the impact lasts long after the wish itself has been granted. Indeed the positive effect of a wish realised spreads to not only the child and their family, but the whole community and everyone involved in making the wish come true.

Make-A-Wish Australia is funded solely by donations, and does not receive any government funding. As such, our 176 volunteers from all over metropolitan and regional Queensland form a critical part of our organisation.

From Cairns to Brisbane and everywhere in between, these special people are working with children and their families to identify the healing wish, and support them through the wondrous wish journey. At the same time they are tirelessly raising much-needed funds through events and fundraising drives, allowing us to grant more wishes year on year.

On World Wish Day, I'd like to take especially shout out a heartfelt thank you to these selfless individuals for their incredible efforts, and thank the communities that support them. We wouldn't be here without you!

Every day in Australia, six families receive the news that their child has a life-threatening medical condition. That equates to 2,000 children around Australia each year that would benefit from the healing power of a wish.

Our aspirational goal is to be able to grant a wish for every single one of those children; to grant 2,000 wishes a year. That means almost quadrupling the number of wishes we currently grant!

I know that with the help of our amazing volunteers, and the local Queensland communities, together we can reach this goal.

Gerard Menses,  
CEO, Make-A-Wish Australia

## Saluting Their Service

### Commemorations: Allora approved \$3000 to honour service men and women

The ANZAC legend came alive in the Southern Downs with the Allora RSL Sub-Branch securing Federal Government funding to hire First World War defence force and nurse uniforms for its concert on Saturday and Sunday.

Federal LNP Member for Maranoa Bruce Scott applauded the sub-branch's community spirit for sourcing the uniforms to enrich what turned out to be an engaging musical to commemorate the 100th anniversary of the Gallipoli landings.

"I know a lot of work and research has gone into this community concert and I'm so pleased to announce the Allora RSL Sub-Branch will receive \$3000 under the Saluting Their Service Commemorations program," Mr Scott said.

"This year marks the ANZAC Centenary and on Saturday, April 25, the entire nation remembered the meaning of ANZAC, what it means to be Australian and the importance of never forgetting

REMEMBERED: A project by

**PETER JENSEN REGIMENT NO. 1415**

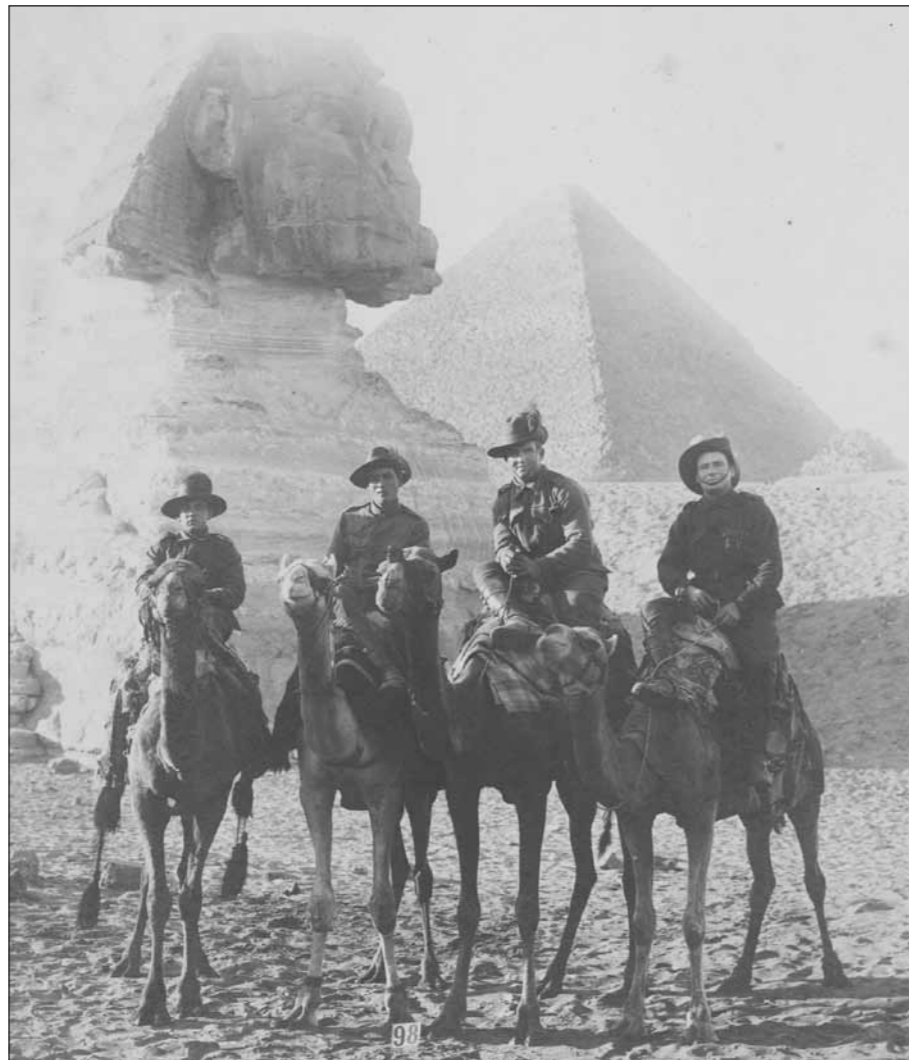

Peter Jensen is not honoured on the Allora World War One Memorial monument. He came home. Peter's story and the story of his wife Gertrude, show the spirit of the Anzac and the spirit of Australian women.

Peter enlisted for active service on 30th July 1915. He was assigned to the 5th Light Horse Regiment and saw active service in Egypt and Palestine. During 1918, Peter was seriously wounded by a gun-shot to the head. He spent several months in hospital in Palestine before being RTA (returned to Australia) as a result of his head injuries and impaired sight.

Peter was given a welcome home, hosted by the Hughes family of Berat in honour of the deeds rendered to their son and brother James, by Peter. Peter's character can be understood when reading his speech during a welcome home tendered by the Hendon Soldiers Honour Committee. He speaks not of his own experience but praises the work of the Red Cross at the front. On his return, Peter was known for his help to fellow servicemen. He was a member of the Allora Sub-branch of the R.S.S.I.L.A.

Peter married Gertrude Munro in 1923. Three years later Peter suffered a 'break down in health' caused by his war injuries. After being admitted to the Migunyah Private Hospital, Allora he was transferred to Warwick where 'the popular Digger passed peacefully away'. He left his wife Gertrude and two infant children.

Many Allora residents remember Mrs Jensen's business selling ladies wear in Palmerin Street Warwick. She

started out in business because she realized that she could not educate her children on the widow's pension. In 1930 Gertrude acquired a hawker's licence, a pony and sulky and commenced her business career. From her home in Allora, she travelled to Clifton, Warwick, Killarney and Stanthorpe and the surrounding districts selling her stock of ladies wear. In 1931 she replaced the sulky with a Model A Ford Coupe which offered a little more protections from the elements. She moved to Warwick with her children in 1932 opening a shop, occupying the same premises for the next fifty odd years. Gertrude was a member of several service and charity groups as well as the War Widows Guild all her life.

Gertrude Jensen only missed one Anzac Day service at the Allora cemetery over all the years from 1926 to her death in Allora Homestead in 1986.

**BAD JOKE OF THE WEEK**

A woman walked up to the manager of a large department store. "Are you hiring extra staff at the moment?" she asked.

"No," he said, "We already have all the staff we need."

"Then would you mind getting one of them to serve me? - I've been waiting for an hour"

**Warriors Continue on  
Winning Way**

A brilliant four try effort by fullback Corey Blades saw that the Wattles 'Warriors' A Grade juggernaut took another step up the 'Hutchinson Builders' Toowoomba Rugby League

Premiership ladder when they overwhelmed the Dalby 'Diehards' 48 - 22 at Millmerran on Saturday evening.

The quicksilver Blades was in sensational form, scoring in the 5th, 35th, 46th & 74th minutes reaping the benefits of quality support play. After a recent relocation to fullback, the Toowoomba 'Clydesdales' back is revelling in the opportunities running off the likes of centre Joel Koina and play making halfback Matt Duggan. Dalby tested him regularly under the high ball, Blades finishing with an unblemished copy book.

Blades was judged Wattles player of the match, with team mates Joel Koina and Harry Fulwood also impressive.

Wattles have climbed to clear third rung on the ladder after running in eight tries against their opponents in the ANZAC Day clash, but not before enduring a twenty minute horror patch where the 'Diehards' ran in three tries midway through the second half.

Coach Luke Duggan was happy with the result, "it was a good win, we are heading in the right direction." He spoke highly of his team's goal line defence, and felt that if the 'Warriors' continue to limit errors with the ball, there should be a green & gold presence at the top end of the ladder across the season.

Wattles were on the scoreboard inside the third minute when back rower Brod Koina capped off a workman like raid upfield to score near the uprights, followed by a Corey Blades touchdown minutes later.

Dalby posted points in the 12th minute to trail 6 - 12, but that man Blades crossed for his second four pointer for Wattles to lead 18 - 6 at half time.

Wattles continued the onslaught with Brenden Wilson adding a try within the first minute of the second stanza, with Blades over touching down again minutes later.

Three Dalby tries saw them trail Wattles 22 - 36 with fourteen minutes remaining, but the ever present Blades and five-eighth Brodie Ciesiolka scored in the dying minutes for the 'Warriors' to reach their winning total.

Wattles 48 (Corey Blades 4, Brod Koina, Brenden Wilson, Matt Duggan, Brodie Ciesiolka tries; Matt Duggan 8 goals) defeated Dalby 22.

**Reserve Grade** - The Dalby 'Diehards' drew first blood in the reserve grade match on Saturday, leading 6 - 0 before Wattles hooker Liam Ross darted from dummy-half to score and have his 'Railway Hotel, Allora' 'Warriors' training 4 - 6 after eight

minutes. While Dalby hit back soon after, Wattles stayed in touch with rampaging lock forward Matt McCarthy bursting through the opposition defence midway through the first half. Both sides battled it out until half time with Dalby ahead 12 - 10 when the siren sounded.

Three tries in the opening minutes of the second half saw the 'Diehards' surge ahead 24 - 10, a game within Wattles reach slipped from their grasp.

In the later stages McCarthy combined with Damien McDonald to send Ben Comerford in to the corner for a Wattles try, but it was a case of to little to late as the Dalby defence held tight.

Coach Bermingham rated seasoned front-rower Jason Nightingale as his side's best player, with fellow bookend Mitch Duff also leading well up front, while utility player Damian McDonald impressed coming off the bench playing in the middle as did fullback Dale McAntee.

Dalby 24 defeated Wattles 14 (Liam Ross, Matt McCarthy, Ben Comerford tries; Nick Morris goal).

**Under 18** - Half way through the first stanza the Dalby 'Diehards' Under 18's had scooted away to a valuable 16 - 0 lead against the 'Allora Foodworks' Wattles Under 18 side. With half time approaching clever half back Nick Van Der Poel spotted a gap and darted through for his side's first points, and after Dalby replied with another touch down Wattles trailed 6 - 20 at the halfway mark.

The 'Diehards' escaped to a 30 - 6 lead before Van Der Poel dummied fooling the defence and accelerated over the trline to score, Wattles trailing 12 - 30.

The 'Diehards' ran in another four tries in the final nineteen minutes on there way to a convincing victory, but they didn't have play all their way, winger Max Rubie showing plenty of nous and pace to claim to touchdowns.

Fullback Tom Morris, back-rower Paul Christensen & hooker Jake Christensen played well in a frustrating performance.

Dalby 52 defeated Wattles 22 (Nick Van Der Poel 2, Max Rubie 2 tries; Tom Morris 3)

2nd Division.

Millmerran 66 defeated Dalby 4.

### Allora Salutes a Century of the Brave

Allora's amazing commemoration for the 100th anniversary of the ANZAC landing at Gallipoli on April 25th 1915 last Saturday's saw overwhelming crowds fill the Allora Memorial Park for the Dawn Service and the ANZAC Day Commemoration Service later in the morning.

The ANZAC Day march that wound its way from the Allora Library along Herbert Street and then east along Warwick Street to Memorial Park was also considered among the biggest marches by those who attended the very special event.

Allora RSL Sub-Branch President Jim Corby couldn't have been more pleased with the turn out by community members. "There has been a huge effort put in by the Allora RSL committee and community volunteers to make Saturday's 100th Anniversary event a special memory in Allora's history and honour the servicemen and women who have served in the military to defend the freedoms of our country, and the end result on ANZAC Day was nothing short of spectacular and supported in tremendous fashion by the Allora community."

ex-servicemen and women, were joined by students from the Allora State School, St. Patrick's School, Scots PGC College and Assumption College, the Queensland Fire & Rescue Service, many community groups and sporting clubs in the parade to Memorial Park.

Allora's community certainly came together to remember and pay special tribute to those many men and women who have served their country in many theatres of war, commemorating the sacrifices made by the fallen in all wars and to remember those who fought and continue to fight for peace and freedom. Lieutenant Colonel Steve Stockley from 1 Oakey Aviation Base was an admirable guest speaker at Allora's Commemoration service, that commenced at 5.30 am with an inspiring Dawn Service witnessed by a very large crowd as the sun rose. The very memorable Dawn Service was followed by a "well attended Gunfire Breakfast" according the RSL Sub-Branch Treasurer Kath Turner, before an ANZAC Day Service at the Allora Cemetery at 9.30 am.

Special thanks and recognition to the catafalque party of young local men, trained over many months by Allora QPS Officer in Charge Sergeant Des Canning to officiate in services on a very special ANZAC Day. An admirable effort by Jack Wilson, Henry Gartery, Nick Morris, Joe Morris, Jordan Henry, Tom Henry and Josh Henry who were members of the Catafalque Party at the

Allora 100th Year of ANZAC Commemoration, while Mrs Katrina Lack represented the efforts of war time nurses.

The ANZAC Day Commemoration in Allora Memorial Park was followed by a luncheon in the neighbouring RSL Hall.

The weekend was also highlighted by the "A Brown Slouch Hat and the Rising Sun Gallipoli 100th Anniversary Wartime Commemorative Concerts" on Saturday evening and Sunday afternoon in the Allora Community Hall, those attending hailing the performances as an outstanding presentation so suitably recognising the 100th Anniversary of ANZAC while highlighting the special talent Allora can boast.

### Communities Farming the Sun on the Southern Downs

Queensland and South Australia now have the highest per capita use of Solar PV cells in the world. But there are still many thousands of households and businesses that want solar who can't afford it on their own. That is where communities can come together and make a massive difference. Joining forces to create a pool of finance, townspeople from across the Southern Downs are meeting to learn how they can get involved. The projects all make a profit so they are self-sustaining.

A series of open meetings is bringing together local people to create jobs and create a cleaner environment where people don't need to opt for CSG or coal.

"Community solar is an exciting and entirely customisable way for a number of individuals to share in the benefits of a single solar installation," says one of the organisers, Elizabeth Ure. "By pooling resources it's more affordable than single installations with it benefiting a group of friends or businesses, club house, block of units, neighborhood or even a town." Guest speaker David Giles of SCE Energy Solutions will be explaining how communities in NSW are working together to achieve community solar and some of the different options available.

"Energy is falling from the sky in vast quantities every day – and now we have the technology to capture that and put it to really good use", says Giles.

Last Friday saw 14 golfers play in the Duck Run. The winner with 21 points was Kev and runner up Chad on 20.

The pin shot on the 16th was won by Kev and the approach shots were won by Aaron (12th) and Kev (15th).

Numbers were down on Sunday due to the club sending three teams to Clifton to play in the Wippels Day. We also had President Kev and Captain Adam playing at the City Golf Club in Toowoomba. The City Club provides a generous donation each year to assist with sponsorship of the Allora Golf Open. This year was no different and the club really appreciates the support of the City Club.

Winner of the club trophy on Sunday was Lindsay with an outstanding 42 stableford points and runner up was Max with 38. Balls were won by Ray and Matt. Pin shots went to John (4th and 7th) Wayne (13th) and Matt (16th). Approach shots were won by Matt (5th) and Tom Brown (14th). It was great to see our newest members Ray and Doreen playing on both Fridays and Sundays. What a lovely couple they are and they are clearly becoming more at home on the course with Ray winning a ball on Sunday.

Next Sunday will be the Railway Hotel Monthly Mug. Also, good luck to our pennant players who are travelling to Stanthorpe.
