Allora Men's Shed members Trevor Shields and Stuart Campbell present a plaque of appreciation to Beetle of Allora True Value Hardware.

Latest from the Allora Men's Shed

Plaques of appreciation were presented to 'Beetle' Wakeford of Allora True Value Hardware, and Jon Constable of Allora Pharmacy, for their past and ongoing support of the Allora Men's Shed, by Trevor and Stuart.

Members of the Men's Shed are presently active in producing and selling replica antique laundry trolleys, which have many uses. These make an excellent 'olde world' item as a Christmas present, especially for those persons difficult to buy for.

Numbers are walking - well 'trolleying' - out the door while still hot off the production line. They can be viewed in construction on either Thursday or Saturday mornings when the shed is open. The open invitation continues to stand for any men wishing to be actively engaged either in producing something for Christmas-time with their hands, or enjoying the comradery of fellow story-tellers.

The next General Meeting of the Group is on Saturday, 29th August, 11.30am at 'The Shed'. All are welcome.

Trevor and Stuart also presented an appreciation plaque to Jon Constable of Allora Pharmacy.

Water meter readings to start next week

Southern Downs Regional Council Water Officers will begin water meter readings across the region from Monday August 31 until the end of September.

Southern Downs Regional Council's Mayor, Cr Peter Blundell, has urged ratepayers and tenants to ensure their water meters are easily accessible to meter readers.

"Check your water meters are free from debris, grass, garden mulch, soil and other obstacles," Cr Blundell said.

"As ratepayers, you are responsible for water infrastructure on your property's side of your water meter, including leaks in pipes or fixtures.

"If meters and stop taps cannot be located easily, water damage to your property and the cost of water consumption could escalate," Cr Blundell said.

In the event property gates are locked or animals prevent Council Officers accessing residents' water meters, a calling card will be left in the letterbox, asking residents to contact the Council Officer who attended the property to arrange access. For further information about water meter readings, contact Council on 1300 MY SDRC (1300 697 372) or go to Council's website at www.sdrc.qld.gov.au.

Rates discount period ends soon

Ratepayers in the Southern Downs region are reminded that the deadline to receive the discount on payment of 2015-16 rates and charges is 5pm, Friday 4 September 2015.

Southern Downs Regional Council's Mayor, Cr Peter Blundell said that almost 31 percent of rates had so far been paid; but that many people choose to pay their rates closer to the discount deadline.

"We do remind people, particularly those paying by BPAY, to make sure their payment is received by Council by 5pm on the due date.

"Many financial institutions require a couple of days to process payments and send them to Council.

"Only people who have paid rates and charges in full by the due date will be eligible for the 7.5 percent discount," said Cr Blundell.

Payment options can be found on the back of the rates notice and all ratepayers are encouraged to read this information. For further information about the discount, payment options or to discuss entering into a payment agreement, contact Council on 1300 MY SDRC (1300 697 372).

JAMES ALPHONSUS MORRISSY

James and Ellen Morrissy (nee Long) were farming at Yangan when their eldest son James Alphonsus was born in 1894. They shifted to a farm at Deuchar where James junior went the Hendon State School. "Jim" Morrissy was a popular young man in the Allora district and an active member of the Allora Rifle Club.

James Alphonsus Morrissy enlisted on 11th October 1916 in Maryborough. He was working as a labourer and was aged 22 years. He was registered as No. 7020 and was assigned to the 23rd Reinforcements of the 9th Battalion.

The troops embarked from Brisbane on the "Kyarra" on the

17th November, 1916, bound for Plymouth, England. The ship arrived on 30th January 1917 and the troops joined the 3rd Training Battalion at Durrington. In April, James was admitted to the Parkhouse Military Hospital with mumps. The reinforcements proceeded via Southampton, to France and on the 3rd August joined the 9th Battalion. Less than two months later, on the 20th September, 1917, James Morrissy was killed in action at Poligon Wood, Belgium. The Field Service report notes that 'Particulars of the place of burial are not yet to hand and the will not received'.

A copy of James' will is found in his military file. His mother Mrs Ellen Morrissy, Deuchar, via Allora, was to receive his personal estate. He had signed the will on 21st August 1917. The witnesses were members of the 9th Battalion.

Ellen Morrissy received a parcel containing her son's belongings in May 1918. She wrote to the Base Records asking for his pay book and about his deferred pay. In the letter she expressed that "I am in receipt of your esteemed communication with parcel containing belongings of my deceased son and desire to return you, sincere thanks for your human feeling and generous action". She was to receive the War Pension payment of one pound 10 shillings per fortnight as from 17th December 1917. The Base Record's Officer, as per army protocol, requested the names of the next of kin living, in accordance with army regulations. Ellen replied that James' father James was still living, also his four brothers, Michael Kevin, John Patrick, Thomas Joseph and Hubert Gerrard. The war medals were forwarded to James Morrissy Senior.

Private James Alphonsus Morrissy's name is commemorated on the Menin Gate Memorial, Ypres, Belgium with those who have no known grave. His name also appears on the Allora WWI Memorial, the Hendon Roll of Honour, and on the shrine at St. Patrick's Church, Allora.

Cheese Factory Closure

Following a request from Lloyd Frizzell for the date of closure of the Victoria Hill cheese factory I have come up with the following information.

On 28th September, 1954, in his annual report to the shareholders of the Warwick Co-operative Dairy Association, chairman of directors, Mr. J. E. Nussey released the figures of various butter and cheese factories under its control. The Victoria Hill cheese factory had received 79,417 gallons of milk and produced 36 tons 2 cwt 1qr 10 lbs of cheese during the preceding year.

The factory must have closed in early 1955 because tenders were called for the cartage of cream from Victoria Hill to Allora as from 1st March, 1955, and an auction sale of the land and buildings took place on the 10th March, 1955.

Lloyd said that the factory residence was shifted to Forde Street, Allora, where it was lived in by Hope McMillan, manager of the Allora butter factory. Lloyd's father, Mr. R. W. Frizzell bought the land and buildings which were used for a number of years for bulk grain storage.

Lane Subdivisions

The Allora Shire Council will ask for a contribution of \$500 from landholders wishing to subdivide land in the town's water lanes. The lanes will be widened by three metres to allow cars to pass, and the money will be used by the council to complete roadworks and drainage. Shire Chairman, Councillor Jim Deacon, said that this is part of a policy formulated to allow subdivision of land in the town.

Tree Planting

Some months ago the Allora branch of the Country Women's Association decided to urge the Allora Shire Council to plant more trees throughout the shire. As a result the council decided to plant trees in the newly opened Muir Street, the local branch of the C. W. A. having promised to be responsible for their welfare. On Wednesday last Mrs. White, vice president of the Southern Downs Division visited Allora and the opportunity was taken for members of the Allora Shire Council and C. W. A. to plant trees. Those who planted trees were Mrs. White, Councillors R. W. Brown, G. D. O'Neill, W. P. Cooper, G. R. Ruhle, and J. J. Baker, Mesdames W. J. Lilley, A. Marshall, A. Leggatt, J. T. Marshall, McDowell, J. Carroll, Weber, Hughes, C. Burge and P. H. Imhoff. Short speeches were made by Mrs. White and Cr. Brown prior to the planting of the

trees. (Warwick Daily News 10th August 1940)

Allora Soldier Missing

Mr. and Mrs. W. Burge have just received official advice that their son, Lieutenant Joe Burge, has been reported missing since 7th August. Lieut. Burge was one of the first to enlist from here and went with the First Expeditionary Force, 2nd Light Horse. He served right through the Boer War, and was with the first contingent that left for South Africa. He took place in the following engagements and received five bars for same: Relief of Kimberley, Paardeberg, Driefontein, Johannesburg and Diamond Hill. He also took part in the first brush at Sunnyside on the 1st January, 1900, under General French. Before leaving for the front he was a lieutenant in the local squadron of Light Horse. The parents are amongst the oldest and best-known residents of the district. Much sympathy goes out to them at the present time.

Wattles match reports

Clifton Auto Ag U11 - Semi Final football is the go. Today the team turned up ready to play their hearts out against Collegians Dragon and delivered the goods with a hard fought victory 16-8

We started very good from our kick off with a great defensive line putting the dragons under pressure early, the first 10 minutes was dominated by both teams forwards, the Warriors group of Darcy Minnikin, Todd Newport, Darcy Gorkow, Tobias Seibel, Marcus Blackwood and Lane Eastwell played their hearts out making great yards with every run and tackling effectively. They were given great ball from Liam Ruhle, Reuben Sullivan and Eli McKinney in the halves. Our outside backs were very good also. Michael Shingles, Lachlan Peardon and Joseph Bange were all outstanding tackling hard and also making good ground. Alister Harris, Digby Giggins and Liam McKinney were solid, their defensive effort never went unnoticed and they stuck solid throughout. Our try scorers today were Liam McKinney from dummy half after great team effort leading from set play, the conversion was unsuccessful.

We went into the break 8-4 down with the game in the balance, the first message was simple footy wins and keep getting across the advantage line in defence first, I was thrilled that with the weight of possession Collegians had, our defensive efforts managed to hold them out to only 2 unconverted tries. At the start of the 2nd half the wind was at our backs and the boys used it to their advantage with some nice kicks downfield and great chases from Alister and Digby and Michael and Lachlan.

We soon crossed next with Liam Ruhle scoring out wide and Eli converting.

Joseph Bange was next to score and Tobias converted. The team worked hard for the remaining 5 minutes and now play Suburbs next week in a sudden death final. Great effort boys and thank you for playing like a good unit today.

Joseph Bange was my player of the match with a wonderful all round game, it is a pleasure to watch this boy enjoy his footy. Superior Silage. Wattles U13's played their first semi on Saturday and the occasion did not intimidate the boys.

A fantastic first set of six which resulted in a try set the game up for us. Up against a big and tough suburbs pack, everybody's defensive work as well as cover defence was really good. It was pleasing to see the team put up an exciting brand of attack which resulted in a 30 to 10 win.

It was good to see no lapses in their game. The boys kept turning up. Thanks to Ryley, Hamish and Jacob from the 12's for backing up once again. We will need more 12's to help us next week if available.

Our guys need to play that well again ,if we do we can beat gundi at Tenterfield. All the support we can get will help a lot. Great game guys we must keep it going. Congrats Clayton for avoiding a nudy run (ha ha).see you at Tenterfield. The game is at 10.30am.

Allora Golf Notes

The Jenco Monthly Medal winner for August was Kel Strange. Great effort Kel and a very happy birthday from all

your friends at the Sports Club. Just remember – it is better to burn out than it is to rust.

Winner of the Duck Run last Friday was John Sparksman on a countback from Kev Harrison. Pin shot on the 8th was won by Kev. Sunday we played for the Allora Butchery Monthly Fourball. Thanks to Grant and Jeanette for your great support of the club. Winners were Aaron and Garth Simpson with a tremendous 47 points. Runners-up were Lindsay and Adam May with 43 points. Pin shots went to Adam May (4th), Tom Bartholomai (13th), Jack Fulwood (8th), Rod Simpson (2nd) and Kev Harrison (11th). The remaining second round match in the matchplay championship was played with John Ellwood defeating Adam May (1 up). You could hear John's knees knocking as Adam lined up his birdie putt on the 18th to send the match into an extra hole. Lucky for John the ball just slipped past the hole.

Round three matches to be played are John E V Moba and John S V Kel. Lindsay has the bye.

Next week will be a club trophy. It is great to see so many social golfers out enjoying the golf course as the weather warms up. Social golfers are always welcome on the Allora course – just remember to pay green fees at the honesty box near the first hole.

**Four Tries to Purcell as
Wattles Lock Up Minor
Premiership**

Wattles Warriors winger Michael Purcell showed why he is rated among the fastest finishers in the Toowoomba Rugby League breezing in for four touchdowns in

Saturday evening's 72 – 0 Round 21 success over Brothers at Toowoomba's Glenholme Park.

The representative winger who linked with the Warriors from the Mitchell Magpies back in Round 10, scored a gem in the 73rd minute after fielding a Eugene Seddon kick ahead, chipping again himself only to collect an ideal bounce and race away to score.

Purcell also collected his team's 'Player's Player' honours in a match that saw the premiers leading Warriors retain the minor premiers honours won last season, as well as collecting the prestigious Dan Ryan Memorial Shield contested annually between Wattles and Brothers.

Wattles 'National Farmer's Warehouse' A graders dominated from the third minute when lock forward Ryan Duggan scored the first of his team's dozen tries. In a match that provided few challenges for the reigning premiers, Wattles ran in six unanswered touchdowns in the first half and emerged from the half time break leading 36 - 0 to continue the momentum and repeat the dose.

While the match was a contest between the top & bottom of the table, Coach Luke Duggan was happy with his side's performance, and he took the opportunity to rest key player & halfback Matt Duggan for most of the second half.

Aside from Purcell, five-eight Brodie Ciesiolka and front rower Eugene Seddon were among those who excelled.

Wattles lead 12 – 0 after eight minutes due to the early tries by Ryan Duggan and also Michael Purcell, with back-rower Jason Bradfield touching down minutes later.

The Warriors backline flexed midway through the first stanza resulting in winger Purcell sprinting down the sideline on his way to his second try and a 24 – 0 lead for the Warriors.

Wattles bookend front-rowers Chris Warden & Eugene Seddon combined with five-eighth Brodie Ciesiolka to split the opposition resulting in fullback Corey Blades reaping the benefits of great backing up to score under the goal posts. Brothers were reduced to twelve men for the ten minutes prior to the half time break when a player was sin binned for a professional foul.

A quality ball from Brodie Ciesiolka landed on the chest of a galloping Jason Bradfield who covered forty metres to claim a four-pointer just prior to half time, the score 36 – 0 in Wattles favour.

The Warriors added two further tries by the 56th minute, the first when Corey Blades sent winger Jimmy Johnson over in the left corner of Glenholme Park,

before Ryan Duggan tossed a speculator pass over the top to Michael Purcell who weaved his way through opponents on his way to the try line.

With twenty minutes remaining centre Brenden Wilson burst through the opposition line and raced eighty metres to score and lift Wattles lead to 54 – 0.

Front-rower Chris Warden snatched a try after handy lead up play by hooker Mark Gordon and back-rower Glen McMillan before Eugene Seddon showed some deft kicking skills that resulted Michael Purcell's fourth try and a Wattles 66 – 0 lead.

With a minute remaining on the match clock Dylan Ebneter showed plenty of class as he popped a pass to forward Jarred Bradfield who off loaded to Brodie Ciesiolka to force the ball under the posts.

Wattles 72 (Michael Purcell 4, Jason Bradfield 2, Corey Blades, Brenden Wilson, Jimmy Johnson, Brodie Ciesiolka, Chris Warden, Ryan Duggan tries; Matt Duggan 8, Brodie Ciesiolka 2, Eugene Seddon 2 goals) defeated Brothers 0.

Reserve Grade - Will' O' Wisp Wattles fullback Dale McAntee had all of his abundant skills on show against Brothers, all but wearing a track through the Glenholme Park turf as he ran in four tries in the 'Railway Hotel' Allora Warriors 42 – 6 victory.

It didn't take him long to warm up either, gathering possession out wide in the second minute of the game and stepping around defenders to score and Wattles to lead 4 – 0.

Brothers retaliated to lead 6 – 4 for ten minutes of the game, but that sole try would be their lone points throughout.

Wattles worked their way towards the Brothers tryline with some strong running before five-eight Mark Duggan held up a pass nicely prior to offloading to centre Tim Hentschel steaming on to the ball try line bound.

Minutes later giant forward Michael Bermingham added to Wattles total when he charged ten metres to score dragging a few would be tacklers with him, to have his side ahead 16 – 6.

Tim Hentschel collected a second try after chasing a Mark Duggan kick and getting a great bounce four minutes before half time, but before heading to the break Hentschel was on the

move again and set up Dale McAntee for his second touchdown, Wattles leading 26 – 6 as they left the field for the midway break.

Winger Damien McDonald continued the Warriors roll-on immediately after half time when he scored off handy lead up play by Marg Duggan, Tim Hentschel & Dale McAntee.

Duggan & Hentschel displayed superb combination in the game and were key to Dale McAntee's third try and Wattles assuming a 36 – 6 lead in the 49th minute.

The trio linked again minutes later with Hentschel completing a thirty metre gallop by slipping a pass to McAntee for his fourth and final try of the game.

McAntee could well have pocketed a few more tries, with at least three breaks into the clear judged to be off forward passes.

The win has Wattles firmly in fourth place on the reserve grade ladder and in fine form of late, with one remaining fixture before their appearance in the Toowoomba Rugby League finals series.

Coach Terry Bermingham was very encouraged by his team's performance, a game with some key players absent, and rated Dale McAntee and mobile forward Justin Wade among those to shine in a fine alround effort, Mark Duggan, Liam Ross, Tim Hentschel and Jared Petersen also impressive. Luke Miller also did a lot of work when he was on the field, while Justin Van Der Poel was a problem for the opposition whether running the ball or in defending.

Wattles 42 (Dale McAntee 4, Tim Hentschel 2, Michael Bermingham, Damien McDonald tries; Dale McAntee 3, Brodie Frizzell 2 goals) defeated Brothers 6.

Wattles President & A Grade player Aaron Scheid is presented with the Dan Ryan Memorial Shield after Saturday evening's 72 - 0 win over Brothers at Glenholme Park.

Smith's Toowoomba & Oakey Foodworks' Under 18 side's only scoreboard activity against a rampant Brothers outfit who won 46 – 4.

The strong running finisher darted from dummy-half to score in the far left corner of Glenholme Park in the 21st minute. Alas third on the ladder Brothers started the game in a rush and were leading 16 – 0 after ten minutes, the young Warriors slowing their momentum and staying in the game with the Somes try to trail 4 – 16 at half time.

While back-rower and 'Player's Player' Max Rubie, lock Tim Duggan, fullback Joe Morris and Max Somes impressed in what was Wattles second last match of the year, Brothers found another gear in the second stanza to roll in another five tries on their way to their winning total.

Coach Mick Ryan was happy with the way his players "dug in well in the first half", but unfortunately as the game wore on the Warriors eased off the pace. "Our ball control let us down, and there is a lesson in that it's always a hard day if you only defending" noted the coach. Brothers 46 defeated Wattles 4 (Max Somes try).

Wattles take on the Pittsworth Danes in Toowoomba Rugby League Round 22 fixtures this Sunday at Platz Oval, Wattles final home game of the season & the final fixture Round of 2015.

Regardless of the results on Sunday, Wattles A Grade side will finish the season as TRL Minor Premiers, as will the Millmerran Rams in the Berghofer Cup 2nd Division competition. Both sides will obviously qualify for the finals series commencing on September 5th & 6th at Toowoomba's Gold Park, as will Wattles Reserve Grade team. This weekend's matches will commence on Sunday at 10.30 am (2nd Division - Millmerran v Pittsworth), 11.50 am (Under 18 Wattles v Pittsworth), 1.30 pm (Reserve Grade) & A Grade at 3.00 pm. The final home game will have plenty on offer for all who attend, with the Whites Garage, Allora Moo Poo Lotto being decided and someone pocketing \$5,000 from the 100 tickets sold. The bonus on Sunday being there are still tickets available at \$100 each. (contact Aaron Scheid - 0458 204 550)
