## Council makes inroad with GrainX through MOU

Southern Downs Regional Council is well on the road to addressing environmental concerns with GrainX operations in Allora.

At today's General Meeting, Council adopted a Memorandum of Understanding (MOU) between Council and GrainX outlining specific actions with timeframes for completion to address and manage environmental nuisance caused by the GrainX operations.

Southern Downs Regional Council's Mayor, Cr Peter Blundell said that following a public meeting with members of the Allora community August 10 to discuss issues about the operations of local business, GrainX, Council officers have been working with GrainX representatives to address the community's concerns.

"The MOU establishes the guidelines for collaboration between Council, GrainX and the Allora Community to address the environmental nuisances of noise and dust resulting from the operations at GrainX.

"As part of the MOU, a consultative committee will be formed, and Council has today appointed Councillor Neil Meiklejohn and I, along with Council's Senior Environmental Officer, to the committee. In addition, GrainX and the Allora Community will each have two representatives on the committee. An expression of interest will be called for the community representative

positions.

"The consultative committee will meet every two months to review progress and to monitor the key issues outlined in the MOU, which will remain in force for a period of 12 months," Cr Blundell said.

A number of residents suggested at the August community meeting that it would be preferable for GrainX to move locations, rather than achieve compliance with regard to the noise and dust issues currently associated with the operation of the business.

The Mayor outlined that Grainx representatives had advised that they will need to increase on-site operations during the busy harvest period from early October to the end of December and have proposed to undertake a temporary expansion of the container operations to land owned by Council on the Allora Industrial Estate (Allora Council Depot), for a period of four months from 1 October 2015 to 31 January 2016.

"This proposal is supported by Council, as it will ensure container operations will not extend beyond daytime operations at the GrainX site on Herbert Street during the harvest period. "In order for this to occur, a permit to occupy from the Department of Natural Resources is required, along with development approval from Council and these processes are underway.

"Council also agreed to a Water Access Agreement with GrainX to allow GrainX access to water sourced from the disused Allora Water Bore which they will use for dust suppression and misting on the Grainx site located in the Allora township.

"I am pleased that Council has made significant inroads with GrainX to address the concerns of the community, and the MOU certainly ensures that the Allora community will be involved in the process of addressing and managing the environmental issues associated with the GrainX operations," Cr Blundell said.

## Letter to the Editor...

Dear Editor,

We would like to thank the people of Allora and Gordon Country for our wonderful stay in your area in September 2015. Below is a letter I have forwarded to Southern Downs Regional Council. Thank you again and we look forward to returning again in 2016.

*Subject: Bouquets and Thanks*

*Hello to all,*

*I am a participant in the Southern Cross Owners Group. We are a Group of mature aged Fifth Wheeler and Caravan owners whose recreational vans have been made in Brisbane by the Southern Cross Caravans.*

*The purpose of this letter is to say thank you, not only to Gordon Country at Goomburra but also to the Southern Downs Regional Council and the towns people of Allora.*

*In September 2015 we had a four (plus) day Muster of 32 Fifth Wheelers and Caravans at Gordon Country. Our owners came from as far north as*

*Townsville and south to Hobart. We shopped and fuelled our vehicles in Allora and found everyone to be most helpful and willing to assist. The butcher supplied our meat and Supermarket our supplies for a wonderful camp oven dinner at our camp site on Saturday evening. All sixty-eight who attended dinner had a wonderful time. No outside entertainment was needed as we were happy to tell tales of where we had been and where we are going.*

*The bush walks and bird life around Gordon Country are magnificent. We cannot thank the wonderful people of Gordon Country enough for making our stay so enjoyable.*

*Congratulations to Southern Downs Regional Council in particular the people of Allora for helping us to experience a true Aussie adventure.*

*We look forward to visiting again in September 2016.*

**FRANCIS VINCENT BEAKEY**

The name V. BEAKEY is wrongly inscribed on the Allora WWI Memorial. It refers to Francis Vincent BEAKEY, one of seven children of Patrick and Mary Ann Beakey (nee Long) who lived at Hendon. When Mary died relatively young at forty-seven years old, Cecilia the only daughter and eldest of the family, most probably cared for her brothers. Francis named her his next of kin when he enlisted in the A.I.F. He was known as Vince and was just twenty-one years old when he enlisted at Esk on 2nd May 1916. He was working as a butcher. Vince stated on his Attestment Form that he had spent three years with the senior cadets in Allora. He was approved and appointed to the 5th Reinforcements of the 52nd Battalion by the Commanding Officer at the Rifle Range Camp, Enoggera, with the regimental number 2379. The reinforcements spent a couple of months at the 11th Depot Battalion before leaving Australia on the "Seang Choon" on 19th September for overseas duty. After arriving in England, they spent a few

months in training at the 13th Training Battalion until joining the 52nd Battalion in April 1917.

The 52nd Infantry Battalion was formed at Tel el Kebir in Egypt on 1st March 1916 as part of the 'doubling' of the A.I.F. and was part of the 13th Brigade of 4th Division. It was made up of veterans from the 12th Battalion and fresh recruits. They went to war in France in June 1916. Their initial role was of a support unit. During their first major battle at Mouquet Farm on 3rd September, they suffered heavy casualties losing 50% of their

fighting strength. The routine then became front line position, then training and labouring behinds the line. In early 1917, the 52nd Battalion participated in the advance that followed the German retreat to the Hindenburg Line.

Private Francis Vincent Beakey was taken on strength with the 52nd Battalion on the 25th April 1917. The battalion moved to the Ypres sector in Belgium. Over the next few months during their second bleak winter in the trenches, the men fought in the Battle of Messines in June, and the battle of Polygon Wood in September. The condition in the trenches had an effect on Vince's health. He spent a couple of weeks in hospital with scabies in September.

Francis Vincent Beakey was killed in action on 21st October 1917. He was buried in the Belgium Military Battery Corner Cemetery, one mile W.S.W. of Ypres.

Base Record Office did not follow Cecilia's direction that her youngest brother Martin should be issued Vince's medals. She said that Vince and Martin were "playmates and school mates and Martin would keep them as a memory of his dear departed brother". The medals and memorial plaque were sent to the eldest brother Thomas, who acknowledged that he would share the medals with his brothers. At the time their father Patrick was alive but his whereabouts was unknown to the family.

Cecilia was deemed to be entitled to Vince's pension of fifteen shillings per fortnight. His personal effects of his disc, a wallet and three coins were forwarded to her.

A Roll of Honour in the newspaper acknowledges that Francis Vincent Beakey had been killed in action and that his family was well known and respected in Hendon. Francis Vincent Beakey is remembered on the WWI Memorial in Allora and on the Hendon roll of honour.

Martin Kevin Beakey was a member of 1st Australian Garrison Battalion during WW2. He served from 28th February 1942 to 20th December 1945, Regimental No. Q140136, with the rank of private. His sister Cecilia was named as his next of kin.

The Queensland Polo Gold Cup Carnival was held at the Clifton Recreation Reserve on Saturday with a huge crowd in attendance. The final of the Gold Cup was a much anticipated event between Elleston represented by Neil Gilmore, Stuart Gilmore, Jim Gilmore and Glen Gilmore, and the Downs team of Gary Gilmore, Derek Gilmore, John Byrne and Brett Telford. The Elleston team got off to a good start leading by 3-0 after the first couple of chukkas. The Downs team then started to fight back and when the sixth chukka ended the scores were dead level, and so the game went into an extra chukka. The Downs team hit in from the back line but couldn't penetrate the Elleston defence. Stuart Gilmore then pounced on a loose ball and guided it through the posts to give his team a thrilling victory.

Dipplesman and Miss M. Bell. Mr. Henry Redgrave entertained the gathering with several songs. The Allora Junior Red Cross celebrated its first birthday on Saturday last. To mark the occasion Mrs. W. **Obituary**

Mr. Garrett Byrne, an old and highly respected resident of the Allora district, died at noon on Saturday last, after a somewhat lengthy and severe illness, at the advanced age of 78 years. The late Mr. Byrne who was born at Borris-na-faine, Tipperary, Ireland, landed in Brisbane about 50 years ago. He spent the first years of his life in the new country

farming and carrying in the Warwick district and around the Stanthorpe tin mines. Later on he took up land at Forest Plain, being one of the first settlers in that locality, where he has resided ever since. His wife predeceased him by 10 years and the family numbered 16 - 9 sons and 7 daughters - 13 of whom are still living. The internment took place in the Allora cemetery on Sunday, a very large and representative gathering joining the funeral procession.

**Wheat Crops**

The crops around Warwick are in first rate order, especially the early wheat, and in the absence of thunderstorms good crops may be expected. These remarks apply to Allora as well, which is also an agricultural district, about 14 miles from Warwick on the road to Drayton.

**Council gets green light for cultural infrastructure improvement projects**

Two of Council's community and cultural facilities are set to gain much needed improvements with a Queensland Government announcement over the weekend about Council's funding success under the 2015-16 Local Government Grants and Subsidies program (LGGSP).

Southern Downs Regional Council's Mayor, Cr Peter Blundell welcomed the announcement by The Deputy Premier and Minister for Infrastructure, Local Government and Planning, Jackie Trad, that Council's two infrastructure projects to upgrade the Allora Community Hall and Stanthorpe Civic Centre had been given the green light to proceed, with funding secured under the LGGSP.

"The Local Government Grants and Subsidies Program funding of \$92,000 is very much welcomed, and it is particularly pleasing that Council has been successful in two applications, given the competitive funding environment we now see ourselves in. I'd like congratulate all staff involved in these

## Have your say on the Northern 2016 Australia Day event location

In response to discussions at September's General Council Meeting about Australia Day events in the region, Southern Downs Regional Council is seeking feedback from residents about their preferred location for the Northern region event. Council's Mayor, Cr Peter Blundell said the 2015 Australia Day celebrations for the Northern region had been held at Glengallan Homestead, with the event organised by Council staff.

"Attendance at the event was estimated at 2000, and the feedback received on the choice of venue and the partnership with Glengallan was overwhelmingly positive; although there were a few concerns raised about accessibility to the venue.

"As a result, Council has decided to seek community feedback about the preferred location; whether that be Warwick, Glengallan Homestead - with some provision of public transport, or perhaps another location entirely.

"A very brief survey has been set-up via Survey Monkey for members of the community to complete. It can be accessed online at [www.surveymonkey.com/r/57QRHT6](http://www.surveymonkey.com/r/57QRHT6), and links will be provided on Council's website [www.sdr.cqld.gov.au](http://www.sdr.cqld.gov.au) and Facebook page.

"For those residents without access to the internet, Council's libraries offer free computer and internet access and I'm sure our library staff will be only too happy to help anyone needing assistance to access the survey. Likewise, our helpful Community Contact Centre staff can provide assistance to access the survey, if needed.

"So, I would encourage residents to have their say on the location they feel would be preferred for the Northern region's 2016 Australia Day event," Cr Blundell said.

The survey will close on 16 October 2015.

Champion five-eight Brodie Ciesiolka ran in three tries in the 'green & gold' success and was named 'Man of the Match' and thus winner of the prestigious John McDonald Medal. Ciesiolka scampered through traffic nine metres out to post his side's fourth try in the 29th minute to advance the Warriors advantage to 24 - 6, adding another two touchdowns in the eighth & eighteenth minute of the second half. The Warriors opened in ruthless style against a Dalby outfit short their injured talented halfback Asher Elemani & suspended lock Xavier Manley. The match was only seconds old when Wattles hooker Mark Gordon eased through from a passing rush close to the try line for his side to take an early 6 - 0 lead, with two tries by back-rower Aaron Scheid & centre Joel Koina taking the Warriors ahead to an 18 - 0 lead after just twelve minutes.

James Wreford added Dalby's first touchdown in the nineteenth minute, but Wattles answered through tries by Ciesiolka and centre Brenden Wilson capping off a great left side charge by back-rower Jason Bradfield. The Diehards added to their total on the cusp of halftime through centre Marcus Jenson who was among Dalby's outstanding performers, both sides heading to the dressing rooms at the break with Wattles leading comfortably 30 - 12.

Brodie Ciesiolka crossed for his two second half tries by the eighteenth minute of the second stanza, Wattles 19 year old bench forward Harry Fulwood also scoring to have their side ahead 48 - 12 with twenty minutes remaining.

Dalby hit back with touchdowns by Jenson and front-rower Pat Manley to give their total a little more respectability to the scoreboard trailing 22 - 48, both sides swapping tries late to reach the final score.

Fullback Corey Blades try with seven minutes to go was a gem breezing onto a Matt Duggan pass and pressing the ball for the Warriors final and match winning try.

Dalby showed some glimpses of promise, especially late in the first half but they lost direction in the second forty minutes. It has been an outstanding effort on their part to make the Grand Final from fifth place, but in the end Wattles had far too much fire power.

The 2015 premiership success is an historical event for the Warriors recognised by club player/President Aaron Scheid in his speech accepting the premiership 'Hutchies Cup', a most fitting conclusion to the club's fiftieth year.

It's also a time of 'passing the baton' for Wattles with the Grand

Final win also signalling the retirement of club favourite sons and player stalwarts Aaron Scheid, Glen McMillan & Brenden Wilson.

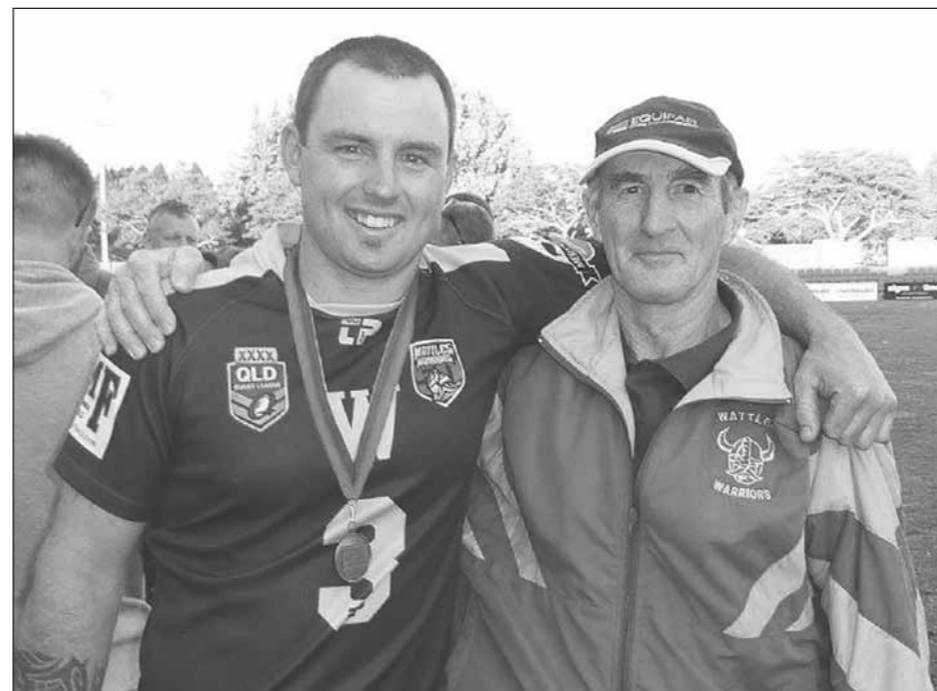

It was also a day of familiar faces in the Grand Final with 2014 Wattles players the Manley brothers Xavier, Will, Dan & Pat in Dalby colours this season. Xavier missed the season decider through a one match suspension, with Dan & Pat on field taking on their team mates of last year. Pat & Xavier Manley were members of Wattles 2014 A Grade premiership winning side. Wattles 52 (Brodie Ciesiolka 3, Mark Gordon, Aaron Scheid,

Joel Koina, Brenden Wilson, Harry Fulwood, Corey Blades tries; Matt Duggan 8 goals) defeated Dalby 24 (Marcus Jenson 2, James Wreford, Pat Manley, Nathan Champney tries; Marcus Jenson 3 goals).

## Allora Golf Notes

A small field of 9 golfers contested the Duck Run on Friday. Winner was Rod with 22 points from Chad with 19 points. Pin shots also went to Rod and Chad. There was a solid field of 12 for Sunday's event, with a number of our members in Toowoomba watching the mighty Wattles Warriors contest the Grand Final. Winner with a massive 43 points was Chad and runner up Rod on 40 points. Balls went down to par and were won by Tom and Neil. Pin shots were won by Chad (6th, 8th and 12th), Kel (15th) and Neil (17th). Crikey did Chad have a day out. It must be the red meat diet that he is on. Rare steaks three meals a day.

This Saturday we are up against Clifton for the Allcliff Shield. Hit off at 11.00am. We need as many players as possible to turn up. Sunday's event is sponsored by Golf World and we will put on a sausage sizzle at the end of play.

The Terry Masters Day is set down for October 18th with a nine hole 3 person ambrose in the morning followed by a game of triples after lunch.

Please note further details in the Clifton Courier in coming  
weeks.

Wattles committee of recent years have made a sterling  
contribution to the club's continuing existence and a significant  
purple patch of success over the past three years. President  
across that time Aaron Scheid is stepping down from his  
club leading position, having completed an amazing feat  
in holding down an A Grade player role while also the  
Chairman of the club.

The 2016 season offers some challenges to the Wattles  
club with a need for an incoming President, Vice-  
President, Secretary & Treasurer with more committee  
members always welcome.

For further information contact Aaron Scheid 0458 204  
550 or Joanne Frizzell 0407 121 633.

"Wattles Loyal to Be Honoured" - Wattles Club President  
Aaron Scheid & Allora Regional Sports Museum  
President Perry Cronin continue their hunt for anyone  
connected or who has had a connection with the Wattles  
Club or rugby league in the Allora/Clifton region.

As the curtain falls on the Central Downs based club's  
50th year of existence, former players can have their  
names etched in time on two especially constructed  
honour boards that will stand in both the Allora Regional  
Sports Museum and the Wattles Clubhouse at Clifton's  
Platz Oval

While the two "Once Were Warriors" boards will become  
historical fixtures at both locations, the concept is also a  
fundraiser to benefit both the Sports Museum & the  
Wattles Club. The boards will house 550 names, both  
identical in each location. Perry & Aaron are hoping the  
Wattles, Allora & Clifton league community of present  
and past will come forward, and for \$100.00 have their
