Letters to the Editor...

Dear Sir,

TOO SOON - A close uncle of mine had a short life, he passed away at 49 years of age. He served in the 1939-45 World War 2. He served in New Guinea where he contracted malaria and he was subsequently treated with Quinine after he returned home when the war ended.

My uncle came and lived with my parents until he started to work and live on a share farm for a couple who lived in Sydney. The farm was a 400 acre grain farm out at Hendon. He worked it until his passing. One day when he was in Brisbane on business, he was walking along one of the main streets when he had a sudden blackout. He fell and hit his head on the pavement. Lucky for him, his brother-in-law was walking along the same street a bit behind him and saw my uncle fall, but never realised it was my uncle until he got to him. He asked "Why are you laying here?"

He took my uncle to one of the major hospitals where he was admitted. The doctors found the cause of the blackout and operated on his head to repair a blocked artery to his brain. The doctors put 2 arteries into 1. What was the cause of the blockage? The cause was the Army treating him with Quinine for malaria while stationed in New Guinea. It took years for the affects of Quinine to show on him, to close up the blood vessels that caused the blackout in Brisbane, which eventually led to his passing years later after the operation.

Derek Weier, Allora

Some of the beautiful examples of Allora Craft Group's quilting that were on display in the Community Hall during the Allora Autumn Festival.

Allora Craft Group

The members of the Allora Craft Group heartily congratulate the organisers of the recent Allora Autumn Festival held on the April-May long weekend. The Festival proved highly successful and the Allora Craft Group was pleased and proud to be part of it.

Members gathered under the group banner (patchworked by Barbara Corby) in the Allora Community Hall, where they demonstrated various craft skills including quilting, embroidery and cross stitching. Suzanne Morton demonstrated the art of traditional Lakota (native American) beading, leather work and dream catcher feather work.

There was also an impressive display of quilts, one of which was chosen for a raffle for the group to raise funds to aid the Toowoomba Hospice. Tickets for this raffle are still available at street stalls in Allora. The raffle will be drawn on Saturday, June 11.

Scope Club Annual Afternoon Tea

On Saturday, 14th May 2016, the Scope Club of Allora Inc. held a most successful annual fundraising afternoon tea. This event has been held for nearly 30 years and the patronage has increased from year to year.

Our sincere thanks go to all our sponsors: - Robyn from the Railway Hotel; IGA Allora; Allora R.S.L. Sub Branch; Grainx; Warwick Credit Union; Amy's Cafe; Frog and Swallow Cafe; Allora Pharmacy; Glenys Bailey; Percy's Fruit; Woolworths Warwick; Carey Bros. Warwick; and Coles Toowoomba.

Prizes for the Auction were donated by Reppels B&B - a night for 2 people; DVD player donated by Penny Powell and 2 Massages donated by Wot Knots Warwick.

The prize for the main raffle - A weekend for 2 at the Gold Coast - was again donated by Hello World. The Lucky winner was Chris Garnet from Wynnum Scope Club. This year we had a second prize of a tea pot, milk jug and sugar bowl from the R.S.L. Heritage Collection. It was won by Anne Stonely from Gladstone.

We are very grateful for donations received and the support given to us by the community in general, especially those who assisted in the selling of raffle tickets, cooking and any support on the day.

Special thanks to our entertainers who were greatly appreciated - Musician DJ Vince and dancers Mary & Cassidy.

It would have been difficult to manage without the assistance of the students from the Allora P-10 State School who were generous in their help with kitchen duties.

Thanks to all those people in the wider community who support us so faithfully each year. Scope's National Project of Domestic Violence Assistance; YoungCare; and several local organisations were beneficiaries of our afternoon.

Local food set to spice up Hampton Festival

Friendship Food's Spicy Beet Sauce was officially launched at Hampton Food and Arts Festival. The sauce, is made with naturally gluten free ingredients and it's nightshade free, making it an ideal substitute for the Aussie favourite, tomato sauce, but friendly to those with dietary intolerance and arthritic symptoms. "To have such a versatile sauce, that's also an alternative option to drizzle over your meats, is a life-changer for me," said Friendship Food co-founder, Felicity Philp. Felicity suffers from symptoms associated with her condition scleroderma, and has found the joint pain she endures is greatly reduced when she eats a nightshade-free diet. With

Stallholders invited to register for 2016 Seniors Leisure & Lifestyle Expo

Preparations are underway for this year's Annual Southern Downs Seniors Leisure and Lifestyle Expo and registrations are now open for groups and organisations keen to secure a stall.

The Seniors Leisure and Lifestyle Expo has been locked in for Thursday, August 18 and will be held for the second year at the Warwick Senior Citizens Association, Corner of Albert and Guy Streets, Warwick.

Southern Downs Regional Council's Mayor, Cr Tracy Dobie said the Expo is a signature event in the Seniors Month calendar, and encouraged people to take up the opportunity to showcase their services by registering for an Expo stall.

"The Expo is coordinated by an enthusiastic volunteer committee with support from Southern Downs Regional Council.

"Now in its 10th year, the Expo provides a key avenue for the Southern Downs community to showcase their services, recreational and cultural activities available to those members of the community who are 55 years plus.

"Events like this offer the opportunity for seniors to access information in one location that can support them to live a vibrant and active life in their community

"Past expos have featured more than 50 stalls, numerous demonstrations, entertainment and food and have attracted hundreds of people," she said.

Community groups, services and businesses can support the Expo in a number of ways including having a display and information stall, doing some demonstrations or providing entertainment that represents their organisation's interests or service focus.

"There are numerous benefits associated with participating in the Expo, such as raising the profile of services and activities and increasing membership numbers, which supports ongoing sustainability of groups, clubs and services in the region. So, I would encourage people to get on board and register their place," said the Mayor.

To register for the Expo, complete the 2016 Seniors Leisure and Lifestyle Expo Registration Form, available from Council's website at www.sdrc.qld.gov.au; pick up a copy from Council's Community Contact Centres or call Council on 1300 MY SDRC (1300 697 372).

Completed registration forms must be received by Council no later than 5pm Thursday, 21 July 2016.

For more information about the 2016 Seniors Leisure and Lifestyle Expo, contact Council's Community Services Team on 1300 MY SDRC (1300 697 372).

Proposed extension of current Great Artesian Basin Water Resource Plan 2006

The Queensland Government is seeking the community's views on a proposal to extend the life of the current water resource plan covering Queensland's part of the Great Artesian Basin.

The current Water Resource (Great Artesian Basin) Plan 2006 was scheduled to expire on 1 September 2016 and a review of the plan is currently underway. Under the proposed one year extension, the review will occur but under a slightly longer timeframe.

The Great Artesian Basin underlies more than 1.7 million square kilometres of Queensland, New South Wales, South Australia and the Northern Territory and stores in excess of 65,000 million megalitres of water. Approximately 70 per cent of the Basin lies within Queensland and its precious groundwater continues to play a significant role in the development of our rural and regional communities and industries.

For example, water from the Basin supports town water supplies; irrigated agriculture, grazing and resource sector ventures; and springs of significant cultural and environmental value. With the increasing demand for water in the Basin, it is imperative that one of Queensland's most important natural resources is sustainably managed for the future.

Community feedback received on the recent Statement of Proposals for preparing a new plan highlighted a number of issues to be considered in preparing the draft new plan. Extending the life of the current plan until 1 September 2017 will allow additional time to address those issues without adversely affecting water entitlement holders or the area's natural ecosystems.

It is important that the local community, water users and stakeholders have their say on the proposal to extend the life of the current plan. Interested parties should lodge written submissions on the proposal with the Department of Natural Resources and Mines so their views can be considered.

The period for submissions will close at 5.00pm on 1 July 2016. For more information on the proposed extension and how to make a submission:

- visit - www.dnrm.qld.gov.au/water/catchments-planning/catchments/great-artesian-basin
- email - WRPGreatArtesianBasin@dnrm.qld.gov.au or
- visit - www.dnrm.qld.gov.au/our-department/contact-us for details of your local DNRM regional office.

A report explaining the reasons for the proposed extension, as well as a consultation summary report detailing the community's feedback on the Statement of Proposals, is available on the DNRM website.

Sports Museum to Expand

Visitors to the Allora Regional Sports Museum are well aware that we have run out of space for our vast displays.

Great news! The Southern Downs Regional Council has realised our situation and have kindly provided another room so we can expand our "Hall of Fame" tributes and induct more into this prestigious part of the museum.

Nominations are now open to the public for consideration. Names already received include Melissa Willett, Stuart Hoey, Russell McMillan, Jason Sparksman, Steve Gibson, Fred Laws, Col Laws, Leo Cronin, Bronwyn Hammerstein and Babe Collins. If you wish to nominate others to be inducted and honoured at a dinner, please phone 0407 034 320.

Allora Regional Sports Museum curator Perry Cronin gives visitors a tour of local sporting legends during the Allora Autumn Festival.

Council Resignation

At their monthly meeting, the Allora Shire Council received the resignation owing to military duties of Councillor R. W. Brown. He thanked the chairman and councillors for the consideration given to him in granting him leave of absence for some months. It was decided to write to Lieutenant

Brown expressing thanks for his services to the council, and stating that his resignation was received with regret. Councillors Warfield and J. E. Nussey nominated Mr. W. M. Holmes for the vacancy and there being no other nominations Mr. Holmes was notified of his election and attended the remainder of the meeting.

Billycans Received

At the weekly meeting of the Allora Red Cross Society two letters from Allora soldiers acknowledging receipt of Christmas billycans were read out. The first was signed by J. Hughes, P. Jensen, J. Gwynne and R. Weatherley. It read as follows:- "Received all four of your welcome billycans. They arrived in excellent order and were much appreciated. They were filled with many useful articles. It is not altogether the value of the things that were sent, but it is nice to know that the people of Allora have not quite forgotten us. The billys came to hand on the 17th March. We don't know how long they were in transit, but good things don't taste badly, no matter when you get them. We did not have much of a Christmas Day. We were at it all day pretty strong, but we scored better later on. Please convey to the Society our sincere thanks."

The second letter was written by Gunner Sydney Weynand also expressing his sincere appreciation of the billycan that he received.

BAD JOKE(s) OF THE WEEK

Yesterday thieves broke into a police station and stole all the toilets. When asked to comment, a police spokesman said, "they have nothing to go on."

Two convicts escaped from prison today. One is seven foot tall and the other one is four foot two inches. The police spokesman said that they are looking high and low for them.

TRL: OBEE'S Summary ROUND 8

Souths 26 d. Wattles 8 - Souths travelled to Clifton on Saturday and didn't have things all their own way. The first half was nice and tough with Souths leading 10-nil. Both sides completion rate were good throughout the contest. Both coaches agreed that the scoreboard did not indicate

the game. For Souths, Corey Blades and Karl Schemioneck stood out whilst Jason Wilmott tried hard for the Warriors.

Souths had two intercept tries and that was the story of the match. Take them away and it was a different ball game. Irrespective, intercepts are part of the game. Full credit to both sides. It was a danger game for Souths. Whilst Wattles continue to receive the respect from all sides.

Souths 26 (Corey Blades, Aaron Hooper, Luke Nolan, Adam Waters tries Luke Nolan 5 goals) defeated Wattles 8 (Cameron Shannon, Tyrone Jowett)

Warwick 50 d. Pittsworth 12 - Warwick confirmed they were one of the teams to beat in the 2016 TRL premierships competition with empathic win over top of the ladder Pittsworth Danes. Warwick's Mick Bloomfield had the ball on a string. He scored two tries and a bag of goals in a man of the match performance. It was the Cowboys experienced players, Matt

Marshall and Dylan Galloway who also stood up in a clinical performance. Young Guns Josh O'Brien and in form Brock Croft also contributed to the win.

Pittsworth Coach Ian Brackstone said his team simply weren't let into the game. Whilst they were in the game at half time when the Cowboys led 16-6. Warwick got the run of possession. Brackstone said "Far and away better than anyone they had played so far in the competition" Cam Miller and Matthew Briggs tired hard for the Danes.

Warwick 50 (Mick Bloomfield 2, Matt Marshall 2, Dan Watson, Ryan McIvor, Morgan Taylor, Brook Croft, Josh O'Brien tries Mick Bloomfield 5, Morgan Taylor 2) defeated Pittsworth 12 (Kabunare Kofe, Jordan O'Shea tries Jake Johnston 2 goals)

Gatton 36 d. Valleys 6 - Gatton Hawks won their first game at home with a comprehensive win over last start winners Valleys. The Hawks outside backs scored most of the tries and just did not let Valley off the hook eventually, Valleys took the game to them in patches. Alex Ambia was again impressive as was Callum Woolacott and Robbie Fletcher.

The Hawks led 16-6 at half time and scored 20 unanswered points to confirm their top five spot in the competition.

It was just not Valleys day at the office. They did look the better side in the first 20 mins when it was a real arm wrestle but lack of possession took its toll in the end. Hnaloo Budden and

Ryan Stevens played well for the Roosters. Gatton 36 (Alex Ambia 2, Steve Franciscus, Cameron Nicholls, Tye Gray, Michael Frohloff, Robbie Fletcher tries Callum Woolacott 3, Steve Franciscus goals) defeated Valleys 6 (Tyren Nicholls try Josh Hancock goal)

Goondiwindi 22 d. Oakey 18 - Goondiwindi registered their first win of the season when they overcame a terrible away record to take the chocolates. The scores were locked at 14 all for most of the second half until Goondiwindi snuck away to win. The Tribe brothers and Captain Coach Matt Galvin played well for Goondiwindi, but Galvin said that Callam Skinner stood out to get the player of the match.

Oakey Fullback Dylan Adamson scored a double for the Bears but to no avail. Goondiwindi outlasted their opposition in the second half when the Bears really put it to the Boars Goondiwindi 22 (Timothy Tribe, Brady Martyn, Matthew Galvin, Ronnie David tries Adam Tribe 3 goals) defeated Oakey 18 (Dylan Adamson 2, Massey Collins-Wharton, Allwin Long tries Dylan Adamson goal)

Highfields 22 d. Brothers 18 - In an important match. Brothers travelled to Kuhls road in an effort to stay in touch with the competition leaders. Whilst Highfields really needed to get their season underway after a string of close losses.

The first half was a very close tussle with momentum swinging between each side. Highfields certainly deserved to be in front but did waste opportunities in a scrappy first term. Brothers were also their own worst enemy turning over possession regularly.

Highfields injury blows continued in this game with Co-Captain Nick Bainbridge and in form lock Jayden Motley both receiving heavy head knocks midway through the first half and did not return to the game.

Highfields led 10-6 at the break with the Lee brothers and Brothers Michael Witt dictating play.

Brothers came out of the break breathing fire. Winger Brayden Barrett scored two tries in two minutes to surprise Highfields to take a 18-10 lead with 20 minutes remaining. Brothers were starved of possession from that point and the Eagles clawed their way back through tries to Robbie Elara and Conor Nolan to snatch back the lead 20-18.

Brothers lost Nick Patterson for a late shot on Eagles half Jarrod Lee within the last ten minutes. Patterson was sent to the sin bin for the indiscretion. Then with a couple of minutes remaining Michael Witt was sent for ten minutes for dissent. Witt was adamant Highfields had knocked on but the Referee disagreed on the back of a touchies call.

Brothers coach Liam Cullen, whilst not happy with the decision, said they went to sleep in the second half.

Highfields coach Gus McKellar on the other hand praised his players after the loss of Bainbridge and Motley early in the match.

Highfields 22 (Steven Lee, Jarrod Lee, Conor Nolan. Jarrod Lee, Robbie Elara tries. Jarrod Lee 3 Goals) defeated Brothers 18 (Braydon Barrett 2, Marcus Cochrane tries Michael Witt 3 goals)
