BOUND FOR RIO

Allora Athlete Matthew Denny has been selected in the Australian Olympic Team to compete in Rio de Janeiro next month.

He will be the first Olympian from Allora, a town with a remarkable sporting tradition. Matthew is currently the Australian Champion in Discus and Hammer but has

Allora Olympian Matthew Denny with coach Grahame Pitt.

concentrated on qualifying for discus at these Olympics. His personal best throw is 65.37 metres and hopes to better that in Rio which would hopefully get him into the final.

At just 20 years old, Matthew is the youngest athlete to ever represent Australia in the Discus Event. His Coach Grahame Pitt is also making the trip to Rio with him.

There will be a Get Together this Saturday 23rd July at the Allora Sports Club from 4.00pm, bidding farewell to Matthew and his Coach Pitty and to wish them all the best for their upcoming adventure to the 2016 Rio Olympics. All are welcome.

INVITATION

All are welcome to join Matthew Denny and his coach Grahame Pitt from 4.00pm,

THIS SATURDAY, 23rd JULY

at the Allora Sports Club, Warwick Street, Allora

to meet and wish them well for their up and coming trip to the 2016 Rio Olympic Games

The club will be running a BBQ and drinks will be available at the bar.

Allora Sports Museum Report

It's a big week for Allora's current Australian sports representatives. Wallaby and Queensland Reds legend Greg Holmes was farewelled on Saturday night at Suncorp Stadium playing his final game for the Reds following a long and distinguished career. Holmsey will now take up a 2 year deal with the Exeter Chiefs in England. Good luck Holmsey and best wishes.

On Monday night Firebirds captain Laura Geitz guided her talented team to an 11 point victory over the NSW Swifts to win the Australian Conference Championship. Congratulations Laura! Again!

This Saturday afternoon a function has been organised at the Allora Sports Club to congratulate and wish Matt Denny (Allora's first Olympian) all the best in his competition in Rio. Allora Sports Museum "Hall of Fame-er" Thelma Holmes was selected to play vigoro for Queensland in 1933. She was presented with a hand made Golden Horse Shoe, signed on the reverse by members of the Wheat Belt Vigoro Association. Thelma teased this and always travelled with it, bringing her luck from Allora. This is permanently on display in the museum. The museum would like to present Matt with a Horse Shoe Ring from the people of Allora to bring him luck at the Olympics. For \$10 an individual or family, you can be part of this presentation and sign his congratulations card. Any money over the cost will be handed to Matt to help with his expenses. To pre sign or see the ring, drop in to Lyn-D-Jo Boutique.

To further donate to Matt's trip, The Warwick Daily News and Warwick Credit Union have set up a fund with 100% going to Matt - **BSB 817 001, Acc. No. 100003882**, Allora Regional Sports Museum Matthew Denny to Rio.

The Museum committee extends their deepest sympathy to Zita & Dave Dwan (Museum Treasurer) on the sad loss of Zita's sister Margaret, and sympathy to Marg Rackley and family on the sad loss of Keith, well known for their volunteer work especially for the Swimming Club. Our thoughts and prayers are with both families.

Letters to the Editor...

Dear Editor,

I have just received my Rates Notice for the 2016-2017 year. Not only has there been a 4% increase in the General Rates but we are also being slugged an Allora Water Access 20mm Connection (Annual Charge) of \$534.20 (this being due to Allora finally getting decent water using the new pipeline, having put up with terrible quality bore water for decades), meaning that our total Rates Bill has increased by over 50%. As Aged Pensioners (and there are many of us living in Allora) this is not sustainable particularly as our Aged Pension has not increased at all, nor likely to in the foreseeable future under our current government (pensioners are a drain on society we are told!!). Seeing as we have more than paid our way over our full working lives and not taken anything back, this is another burden on pensioners. Where will it end, I ask myself? When we all die of cold and starvation?? Roll on the revolution brother!!!

David Finch

Allora Scope Changeover Lunch

On Sunday 17th July Allora Scope Club Members held their annual changeover lunch at the Commercial Hotel. They were joined by guest speaker Mark Munro from the Toowoomba Hospice who delivered an informative presentation.

Scope National & Zone Presidents and other members from Ballina & Wynnum also attended. Bill Lester president of Rotary proposed the toast to Scope, other members of Rotary and other local organisations were also present. Donations were presented to local groups and the National Project cheque was presented to Warwick Safe House President Bette Bonney. A new member was inducted and the executive for 2016-2017 was installed by the Zone President.

Allora QCWA International Day Country of Study: Greenland

The transition from Traditional to Modern Greenland - The year 1721 marked the beginning of the new colonial style whereby wooden houses were sent from Scandinavia as timber kits. The tradition of the characteristic, brightly painted houses began then, with colours indicating the function of the building. Hospitals were yellow, police stations were black, churches and schools were red, and the telephone companies and fish factories were blue, making buildings more easily discernable in the winter landscape.

Following World War 2, with Greenland almost entirely administered from Denmark, standard houses and blocks of flats were constructed in the urban areas due to the need to provide houses for a lot of people in limited space available. For example, Blok B, constructed in the 1960's, was a low rent, 320 units residential building in the capital Nuuk. It was part of the Danish government's programme to modernize and urbanize Greenland by moving people away from the coastal settlements which were considered by authorities as uneconomical, unhealthy and old-fashioned. Unfortunately its design was entirely unsuitable for the Inuit lifestyle. Narrow doorways mean that it was very difficult to leave or enter flats while wearing the essential cold weather clothing. There was nowhere to store fishing gear so balconies were used for this purpose. Drains became clogged with coagulated blood because fishermen carved up their catches in the only "suitable" place: the bathtub. Blok B was demolished in 2012. The establishment of Home Rule in 1979 saw a return to the colourful, wooden, gabled roof Colonial style homes, but with improvements. More spacious, light buildings standing 2-3 storeys high were constructed. The range of colours was expanded to include shades of purple, pink and orange. Today Greenland is the least densely populated country on Earth yet has a chronic lack of housing, mostly due to a lack of investment and the high cost of the imported materials. There are waiting lists for housing of up to 17 years. On a positive note, the new architecture is more in harmony with the landscape than previously. With the use of larger glass windows, residents enjoy generous views of the beautiful country that is Greenland.

BAD JOKE OF THE WEEK

A man asks a farmer near a field, "Sorry sir, would you mind if I crossed your field instead of going around it? You see, I have to catch the 4.23 train."

The farmer says, "Sure, go right ahead. And if my bull sees you, might even catch the 4.11 one."

CWA Notes July

It was spring weather for the meeting with 11 members wondering where winter went.

The main business was to make arrangements for the annual general meeting on 29th July. Allora and Clifton branches have a long-time arrangement to share the AGMS so this year Clifton will be host and prepare lunch. This will be Margaret Ryan's last meeting as secretary and we will miss her experience and efficiency but CWA has limits on the time a member can hold a position.

This month branch members helped with catering for the cycling in Warwick on election day and will help with the CWA stall at Jumpers & Jazz on 31 July. There was discussion about catering for the Bony Mountain festival in September and it was agreed to serve cakes, slices, scones and tea and coffee. Unfortunately

the labour needed to transport tents, tables and supplies out and then to dismantle and return is getting hard to find as husbands and members age.

There will be no handcraft this month as the teachers are involved with Jumpers & Jazz but we will resume on the 4th Thursday in September. Killarney branch will hold a Beginners' Day later in the year for Floral Art.

We had no International report as Alison Payne is out west where she will visit our sister branch in Boulia taking handcraft supplies and hopefully some rain. Boulia have been busy catering for the Camel Races.

The meeting ended with assorted puzzles. Everyone had a different one but they quickly were spread around as we tried such things as shifting lines to make squares, finding how long it would take for a worm to climb from a hole or finding words.

Tasteful or tacky? Will your ugliest Christmas outfit outdo this effort?

Dig Out Your Ugliest Winter Gear!!

Next Monday, 27th July (not December) at 7.00pm, it's time again for Allora's annual Chaplaincy Dinner and this year we're celebrating!! It's our own "Christ-mas in July" and we are going to do it in style!

As always there will be great home cooked food, table service by our catering students, and music provided by our dedicated school orchestra. We'll also hear from Chaplain Brooke about her work and we'll raise some financial support for her continued efforts.

This year though, we're looking for more audience participation! with unique prizes to boot... Can your team win the trivia quiz?... or perhaps the ugliest Christmas outfit competition?... Maybe your team has enough talent to sing the best Christmas carol?

It will be cold (hopefully) with a 'real' Christmas tree, and 'real' snowflakes made by our intrepid Grade 4's.

If you can get a few friends together, eight to a table, give Estelle a call on 4666 6167. R.S.V.P. this Friday (TOMORROW) to help with catering. Let's put some Christ-mas cheer into July in Allora. The more the merrier!

Open Day at the Allora Museum

Come and celebrate the Jumpers and Jazz Festival at the Allora Museum's open day on Sunday, 24th July 2016, at the Old Shire Hall, 53 Warwick Street, Allora from 10.00am - 2.00pm.

There will be live music throughout the day featuring The Saxy Lady, Lynette Gordon-Smith. Lynette started playing the Saxophone as a young girl and joined her mother's band the Toetappers when she was 13. They played music together for 32 years. Over the years Lynette has played at many venues including Jazz in Melbourne, Colac City Band, Big Band, Gospel as a founding member of the Perth Christian Orchestra, Soloist at concerts and community groups and is well known throughout the country.

The Museum will also be open for you to reminisce the past and you may see some articles that you or your family may

A Presbyterian Sunday School picnic being held at the same venue as the "Olde Mill Fayre".

Looking Back...

Allora's Past 25 years ago July 1991

Allora and District Historical Society

Calling all Financial Members: your small committee continues to work for the upkeep of your museum and for the ongoing preservation of gifts and acquisitions.

We were pleased to recently receive a gift of some very historic blacksmith's bellows from Lyn Patterson and also several items from Ted Cowley including brands and record books.

What may seem like "farm junk" to some people are real treasures for historians. Talking of history and preservation, at the June meeting of the Society, a decision was made to white-ant proof the museum buildings, a necessary but fairly costly process.

The Annual General Meeting of the Society will be held on Wednesday, 17th July at 8 p.m. and it would be good to have a good roll-up of members. Subscriptions fall due them, \$2.00 per annum.

Come along and visit the museum and relive your local history.

Allora Man Safe

Mr. and Mrs. H. G. Deacon of Allora, whose son Corporal R. G. Deacon was reported missing in the Syrian campaign, have received a cable from him saying that he is safe.

Allora's Past 100 years ago July 1916

Red Cross Day

The members of the Red Cross Society celebrated Red Cross Day by holding a "Ye Olde Mill Fayre" in one of the large sheds of the old flour mill, there being an exceptionally large attendance. Mrs. E. C. Dean, secretary, introduced Mr. F. Grayson M.L.A. who, after congratulating the Red Cross Societies throughout Australia for the splendid work they had achieved during the war, declared the "Olde Mill Fayre" officially open.

The most amusing item of the afternoon was the mock court which was conducted by Messrs T. J. O'Carroll, judge; H. G.

Deacon, Crown Prosecutor; G. Moulday, E. Cowley and R. Harvey, policemen, the proceeds of this bringing in £10.

The total proceeds of the various stalls amounted to £150. The success of the occasion is largely due to the work of the secretary and her co-workers. In the evening the newly formed minstrel troupe made their first appearance in the Protestant Hall when they were greeted by the largest audience that had ever assembled in the hall, people being disappointed in not being able to get admission. The attendance was a record for Allora.

Allora's Past 125 years ago July 1891

Allora Coursing

The third meeting of the Darling Downs Coursing Club took place yesterday at Headington Hill, when the largest gathering was present that was ever seen on a similar occasion in Queensland. Mr. Fisher hospitably entertained the whole company at an excellent luncheon. The hares were very numerous. The following are the results:- The Puppy Stakes - W. A. Deacon's Butterfly, 1; E. L. Thornton's Fan, 2; Washbourne's Quihi, 3. The All-Ages Stakes - Deacon's Baronga, 1; C. Cooke's Skip, 2; A. Gwynne's Sydney, 3.

Time is running out to nominate netball inclusion champions in South East Queensland

With only two weeks to go until nominations close for the 2016 Australia Post One Netball Community Awards, residents across South East Queensland are encouraged to shine a light on individuals, Clubs and Associations who create and support inclusive local netball environments.

Now in its third year, the Awards celebrate individuals, Clubs and Associations in local communities who go above and beyond to ensure everyone, regardless of background, skill or ability, is welcome in netball.

Paraburdoo Netball Association was one of seven national winners of the Australia Post One Netball Community Awards last year for their work in creating opportunities for increased

Clients will then automatically receive, as a bonus, a calendar entry. These entries will be in a 2 line format as above, starting in bold with date and event, followed by venue and time.

If people wish to contact The Allora Advertiser and discuss their particular needs, please feel free to do so. Ph 4666 3128.

netball participation in their remote community in the Pilbara region.

The Association has been able to purchase new uniforms using the Australia Post Load&Go card prize and since winning the Award, the team has expanded and has taken a group of players to the Under 12s North West Netball Championships for the first time in more than five years.

"Winning the Award has meant a lot to Paraburdoo Netball Association. Not only were we able to purchase 22 brand new uniforms, but achieving this accolade has opened the team's eyes to how influential the game of netball can be and how it can positively impact individuals and the community," said Joanne Cunningham, President of the Paraburdoo Netball Association.

Australian Diamonds player and Australia Post One Netball Ambassador, Clare McMeniman, said the Awards are a great way to share the stories of those who use the power of the game to create a safe, inclusive and fun environment for all.

"We're on the lookout for passionate inclusion advocates both on and off the court - from coaches and umpires to players, parents and volunteers - who work tirelessly to connect people in their local neighbourhoods to our great game.

"So if you know an individual, Club or Association who has worked hard to drive or nurture an open and inclusive environment through netball, go online and nominate them now before entries close at the end of July," McMeniman said.

There are great prizes to be awarded to up to eight winners, who will be chosen to receive prize packs worth more than \$1,000 including, Australia Post Load&Go cards for the winners' Club or Association.

Australia Post Chief Customer Officer, Christine Corbett, said

the Australia Post One Netball Community Awards celebrate the true champions of the game.

"We particularly want to recognise those who reach out to diverse groups, including multicultural and Indigenous Australians, socio-economically disadvantaged communities, people with a disability and rural and regional communities.

"Netball is a fantastic way to bring people together and build awareness, empathy and understanding of diverse groups, as well as break down personal and social barriers," Ms Corbett said.

Nominations for the Australia Post One Netball Community Awards close midnight EST on Sunday, 31 July 2016. To nominate and view the full terms and conditions, visit www.onenetball.org.au. Winners will be announced on Monday, 29 August 2016.

Wattles JRL news

Tenterfield Tigers were Saturday's fixture games for Wattles Juniors this week. Our Allora Pharmacy u7, Clancy Smith Water Services u7, Hopper Haul u13 teams all went without games this weekend.

The weather was a typical winters day in Tenterfield, cold and blustery with misty rain, the towns folk whilst always friendly were a touch bullish after their origin victory, one had to keep reminding them they won one game, not the series.

Our teams had a great day out in Tenterfield, all players hit the ground running. The Steele Rudds Service Station u8 team were strong, with good performances across the park.

Our Cook Haul u9 players were strong, a few players had recently played in the Zone 5 carnival recently and they were eager to test their skills against the Tigers team that also contained McIntyre rep players. Our ball movement was good and the defensive structure the team was showing kept the Tigers on the back foot.

The Eastwell and Sons u10 team were full of energy even in the freezing cold of Tenterfield and took the field ready to play. From the opening kick Wattles were able to put together a perfect set of six scoring on the last play. They continued to dominate with solid defence and great attacking football with plenty of ball movement.

Wattles scored 10 tries and only conceded 2, once again it was a great team effort. This weeks best on field went to Corey Deehan and Marty Worboys.

Every week we improve and grow as a team, Well done Wattles under 10's

Our Clifton Auto Ag u11 side played against the completion front runners today and were in the match for a long way with the lead changing often in the first half. Our defensive line held together but eventually the Tigers started busting through us easy. The boys eventually went down in the game but will take

ROSENEATH COTTAGE

away a lot of knowledge from the defeat.

The RYANIE for Tyres u12 were clinical in their game. Plenty of hard running from the forwards and good tactical play from our halves throughout the duration of the game gave our outside backs plenty of room to move with a few long range tries occurring. This result will help the team in their march towards the finals.

The Clifton Real Estate u14 were very good.. Jack Bashford was instrumental in the result with some hard running proving difficult to stop, the team as a unit jumped the gun early on the Tigers when Travis scored 2 quick tries in the first 10 minutes to have the warriors up 12-0 before the tigers were able to catch their breath. Some great hard running by forwards Owen, Jayden, Jack B., and Logan kept the Warriors in the contest when the Tigers started to make a comeback in the first half. Joe and Travis had a fantastic kicking game this week with the ball finding it's mark on every occasion. The team showed great determination when they moved up the field as a unit with their good attacking game making up for some occasional lapses in defence. A couple of good intercepts and dummy-half scoots helped our scoreline with tries to Darby, Rylan, Jack B thanks to the U13 boys who played well for us this week. Wattles 22 - Tigers 16

Our u16 Hamblin Builders managed to string together 2 wins in a row in Saturday and have some hope of making the finals. Good commitment from all the lads in both attack and defence was good to see. Nick Blakemore was named players player for a strong all round game, Darcy ran the ball strongly and was very good in defence. Paden, Dalton, Cahill, Mathew, Hayden and Kaleb were others to impress. We wish Regan a speedy recovery from a broken collarbone suffered just before the end of the game.

TRL Round 17 Summary

Pittsworth 32 d. Wattles 18 - In freezing conditions. Pittsworth took care of an improved Wattles at Pittsworth on Saturday night. Wattles held the Danes at 14-12 at half time after leading 14-0 until the competition leaders sealed the game with an impressive second half display. Cameron Miller had his best game of the season for the Danes. Michael Carpenter

also played well for Pittsworth. Whilst Captain Dale Perkins and Nick Morris were Wattles best.

Pittsworth 32 (Liam Jocusmen 2, James Dempsey 2, Jeff Weber, Cameron Miller tries Jake Johnston 4 goals) defeated Wattles 18 (Tyrone Jowett, Michael Duggan, Joe Morris tries Nick Morris 3 goals)

Reserve Grade: Pittsworth 56 d. Wattles 0 Under 18 Pittsworth 18 d. Wattles 6

Souths v Gatton Saturday 6.30pm Clive Berghofer Stadium, Toowoomba - Clive Berghofer Stadium officials called all games between these two clubs. A Toowoomba Rugby League board meeting on Monday night will discuss the playing of the

Second Division President Cup at a later date. It is expected each side will receive one point each on the ladder.

Brothers 72 d. Oakey 0 - Brothers were much too good at home for the Oakey Bears as they piled on 68 unanswered points. Oakey were able to stick with the Leprechauns for the first fifteen minutes of the contest but once the scoring began the floodgates opened and Brothers piled on the points. Oakey's lack of fitness and at times lack of commitment to the tackle meant they were no match for Brothers speed and strength. Oakey were also guilty of poor ball control and they turned position over too often and Brothers took advantage of the glut of possession and territorial superiority. Brothers ran in 12 tries with winger Josh Davies recording a hat-trick alongside doubles from fullback Marcus Cochrane and backrower Jake Head. The points tally has allowed Brothers to grab third spot on points difference from Souths whose weekend game was washed out. Brothers continued Oakey's forgetful season by trashing the Bears at Terry Mickleborough oval on the weekend. Ricky Davies, Michael Cochrane and Marcus Cochrane were the chief destroyers for the Brethren. Brothers 72 (Josh Davies 3, Marcus Cochrane 2, Jake Head 2, Aiden Watterson, Mitch Revell, Ricky Davies, Sam Betros tries Michael Witt 7, Mitchel Tuite 2, Mitch Revell goals) defeated Oakey 0

Dalby 44 d. Goondiwindi 12 - Dalby travelled to Goondiwindi on the weekend expecting a tough game against an improved Goondiwindi side. They dominated the boars in a clinical display. Lock Tom Boland and centre Brayden Alexander were the Diehards best.
 Dalby led 20-nil at half time and went on with it in the second half for a convincing win.
 Dalby 44 (Brayden Alexander 3, Tom Boland 2, Michael Fletcher, Sam Thommasson, Zac Morris tries Dylan Taylor 5, Zac Morris goals) defeated Goondiwindi 12 (Carl Clement, Matthew Galvin tries Adam Tribe 2 goals)
 Reserve Grade Dalby 44 d. Goondiwindi 18. Under 18 Goondiwindi 26 d. Dalby 24
Warwick 33 d. Highfields 4 - Warwick is the second team in a week to give the rest of the competition a message. Cowboys clinically took care of Highfields at Father Ranger Oval this

weekend. Warwick scored six tries to one and outplayed eagles especially in the forwards. Cowboys, Trent Richardson, Sam Broomhall and Mick Broomfield completely dominated in defence and followed up with consistent offense. Their "go forward" allowed halves Paul Cantrell and Ryan McIvor to dominate their opposing halves.
 After leading 10-4 at half time courtesy to tries from Sam Broomhall and Mick Bloomfield, Warwick wore Highfields down

Continued from page 10...

in the second half. Their defence pressured Highfields into a mistake riddle game.

Highfields played their worst game of the season with uncharacteristic errors and at crucial times. Rep halfback Jared Lee had a game, by his own admission, he could forget. But it was all Warwick and it was summed up by their last try where Cowboys second rower Ty Gardner broke the Highfields defence out wide with fellow forwards, Sam Broomhall and Trent Richardson in support to score a 70 metre try.

Warwick 33 (Sam Broomhall Mick Bloomfield, Matt Marshall, Aaron Mc Veigh, Craig Don, Trent Richardson tries Jamie Abbas field goal. Dan Watson 4 goals) defeated Highfields 4 (Sean Hamel try) tries.
