## Rotary Allora celebrates 50 years of service to the community

On 18th February, 1967, the Rotary Club of Allora was chartered with 32 members of the local community, predominantly business people and local famers. 50 years on, we celebrated this event and a landmark of 50 years of service to the Allora Community.

And, 50 years on, 3 of those original charter members are still with the Allora club.

MC Robyn Draper welcomed the gathering of about 120 people, former members, family representatives of charter members since deceased and former Presidents and District Governors, as well as friends of Rotary. She read a 'roll call' of charter members; many of the names were very familiar and these members and their families form the backbone of the Allora community.

John 'Jack' Gordon - although not technically a charter member; he joined in the first year of the club's formation – introduced the 50th celebrations and outlined how over 50 years many revolutionary changes have come about but the presence and service of Rotary has remained a constant. He

commended the last 50 years to all those who served the community in any role and shared the community values of Rotary.

Former member, honorary member and former president Barry Geitz proposed a toast to the club and its 50 years. Barry played a pivotal role in the club for many years and we were sorry to see him move on to new circumstances but happy to see him again among us sharing the fellowship of our club.

As is the tradition in the Allora club, proceedings were punctuated with sing-alongs from our song book, an artefact from the charter days instituted by Lex Ellwood. Robyn Draper read from the songbook where Rotary was aptly described as "fellowship" of like-minded people. The tunes were familiar and

**Works for Queensland works for Southern Downs**

Southern Downs Regional Council has welcomed news that it has secured 'Works for Queensland' funding of \$2.93 million for seven infrastructure projects in the region.

Southern Downs Mayor Tracy Dobie said she was appreciative the State Government had acknowledged the Southern Downs' growing potential through the Works for Queensland funding allocation.

"This funding really is a coup, as it signifies the State Government's commitment to investing in projects that will have enormous economic benefits for our region, particularly the creation of jobs.

"It is also comes without any need for a contribution or matched funding from Council, and this means there is no impact on Council's budget, so it's a win for our ratepayers," she said. The seven projects approved under the 'Works for Queensland' program are:

- Raw water from Connolly Dam to Morgan Park and Industrial Estate .....**\$1,085,000**
  - Sewer to Morgan Park .....**\$975,000**
  - Killarney streetscape (upgrade footpaths & tree planting on Willow St) .....**\$100,000**
  - Allora streetscape (rejuvenate main commercial area) .....**\$200,000**
  - Schnitzlerling Street upgrade (B-Double access, widening & stormwater) .....**\$250,000**
  - Stanthorpe streetscape – Fromes Lane (stage one of streetscape plan) .....**\$200,000**
  - Connolly Dam toilets .....**\$120,000**
- Total: \$2,930,000**

"This funding will have an immediate impact for locals. We can

**Prizes for all**  
Rotary's Trivia Night this Friday promises prizes for all. The winner is engraved on the fine Rotary Trivia Night Trophy; but, never fear, the luck last also gets to go down in history on the Rotary Trivia Night wooden spoon. With generous support from the community, we are able to offer a generous cash prizes, prizes throughout the night, as well as numerous prizes from local businesses in the multi-draw raffle and special novelty prizes. Don't miss out.

Thanks to our supporters – IGA Allora, Warwick Credit Union, Gordon Country, Railway Hotel, West Talgai Feedlot and Wilson & Rigby – local businesses investing in tomorrow's youth.

Friday, 6:30pm, \$15 / head, teams of maximum 8, BYO alcoholic drinks, refreshments served throughout the evening.

**Water meter readings to start next week**  
Southern Downs Regional Council's Water Officers have begun water meter readings across the region from Monday, February 27 until approximately the end of March 2017. Southern Downs Regional Council's Manager Water and Wastewater, Ms Renee Wallace, has urged ratepayers and tenants to ensure their water meters are easily accessible to meter readers.

"Check your water meters are free from debris, grass, garden mulch, soil and other obstacles.

"As ratepayers, you are responsible for water infrastructure on your property's side of your water meter, including leaks in pipes or fixtures.

"If meters and stop taps cannot be located easily, water damage to your property and the cost of water consumption could escalate," Ms Wallace said.

In the event property gates are locked or animals prevent Council Officers accessing residents' water meters, a calling card will be left in the letterbox asking residents to contact the Council Officer who attended the property to arrange access.

Water notices are scheduled to be issued in early April 2017.

For further information about water meter readings, contact Council on 1300 MY SDRC (1300 697 372) or visit Council's website at www.sdrcl.qld.gov.au.

## Allora QCWA Country of Study for 2017: Nepal

This year Nepal is the country of study for the QCWA. Nepal is officially known as the Federal Democratic Republic of Nepal. It promises to be a very interesting and exciting country to study.

Landlocked Nepal, with an area of 147,181 square kilometres, is situated between China and India. It has three main physiographical areas – the fertile lowlands, the hill country and the mountains running east west. The most famous of the mountains is Mt. Everest at 8,848 metres high. Nepal has eight of the highest mountains in the world. There are five climatic zones related to the altitudes, ranging from tropical and sub-tropical in the lowlands, through temperate to cold, sub – arctic and arctic at the mountain peaks. These altitude changes mean Nepal has spectacular scenery with a great diversity of vegetation. In addition, Nepal has five seasons- summer, monsoon, autumn, winter and spring. The Himalayan Mountains block the cold winds that blow from Central Asia and also form the northern limit of the monsoons wind patterns. The lives, clothing, foods and customs of the people are closely related to these multiple climatic and altitudinal factors.

Rivers fed by the snows of the mountainous ranges run north-south, and provide ample water for Nepal. Rainfall is greater in the east than in the west, resulting in a greater abundance of species of flora and fauna in the former than in the latter. Unfortunately, population pressures have meant the clearing of the land with the resultant soil erosion in all areas and loss of habitat for wild life.

This year the population of Nepal is estimated to be 28,850,717. Most of the population is to be found outside of the urban areas with 75% of the work force employed in agriculture. Its capital is Kathmandu and is well known as a tourist destination and trekking centre for the mountains especially Mt. Everest. Nepal is a multiethnic, developing country with a long, interesting, colourful and often dramatic history, and faces ongoing challenges to improve the lot of its people.

### Don't waste the chance to learn how to create 'green gold'

Southern Downs' residents have a golden opportunity to learn how to turn organic waste into 'green gold' at Council's free waste education workshop on March 7.

A recent waste assessment of Southern Downs' domestic waste has shown that, on average, Southern Downs' households produce nearly 19 kilograms of waste per week. However, there are simple choices residents can make every day to avoid, reduce and reuse waste items at the shops and at home said Southern Downs Regional Council's Manager Environmental Services, Mr Tim O'Brien.

"Around 17 percent of the material that Southern Downs' residents put in their garbage bin could actually be recycled, and about 55 percent is organic waste that could be turned into 'green gold' a rich garden fertiliser produced using a compost bin or worm farm.

"This is a terrific great way for residents to minimise their impacts and help to reduce landfill," he said.

Southern Downs' residents are invited to attend a free Council waste education workshop on 'Composting and Worm Farming', on Tuesday, March 7 from 6pm to 8pm at the Warwick Library. "If you are keen to learn more about the simple steps you can take to minimise your waste footprint and the benefits of establishing a backyard composting or worm farming system, then Council's free Community Composting and Worm Farming Workshop is for you," said Mr O'Brien.

Light refreshments will be provided and one lucky workshop participant will win either a worm farm or compost bin. Registrations are essential as participant numbers are limited. To register for the workshop, or for more information, please contact Council's Waste Education Team on (07) 3457 2400 or email [SDRCWasteEd@envirocom.com.au](mailto:SDRCWasteEd@envirocom.com.au).

### Looking Back...

Allora's Past 25 years ago  
March 1992

#### Pony Club Gymkhana

Warwick Pony Club was the overall winner at the 24th Annual Allora Pony Club Gymkhana held at the Allora Show grounds. Warwick scored 290 points to Allora's 246½. Allora Pony Club president Sandy Huston said that the 1992 gymkhana had been the best for a long time. The George Anderson Memorial Fours was won by the home team comprising Jodie Shoebridge, Vicki Kirkland, Joanna Hagley and Tony Telford. Fours is judged on presentation, teamwork and evenness of horses and the teams looked spectacular as they walked, trotted and cantered around the ring.

#### Welcome Home

Warrant Officer John Mason (Veterinary Section A.L.H) and Trooper Maurice Dougall (Remount Unit) were publicly welcomed on their return to Allora. Chairman of the Allora Shire Council, Cr. James Dean, presided and welcomed the returned men, both of whom, he said were well and favourably known to the

residents of Allora and district. Mrs. A. A. Cameron then amidst much applause, presented the guests of the evening with gold medals. She said that she had much pleasure in giving the recipients a warm welcome home. Knowing what it was like to say goodbye, she could more readily enter into the spirit of the welcome home. She then read the inscriptions on the medals and pinned them on the tunics of Warrant Officer Mason and Trooper Dougall. W.O. Mason responded on behalf of his comrade and himself in a speech which provoked much hilarity, but which was, at the same time, a sincere appreciation of the complement paid by the proceedings of the evening.

Allora's Past 150 years ago March 1867

#### Governor visits Allora

His Excellency, Sir George and Lady Ferguson Bowen and suite honoured the rising little township of Allora with an official visit on Saturday last. Between thirty and forty of the principal inhabitants rode out to the commencement of the

town to meet His Excellency, and escorted him to the Dalrymple Hotel where Mr. Charles H. Bullock had the honour of presenting the welcoming address. His Excellency replied, saying that he was surprised and pleased at the progress that had been made in Allora since his first visit to the Darling Downs in 1860. It was exactly seven years to the month since he had ridden over the site of the township and absolute solitude then reigned. From a nominal figure, the population had increased to upwards of 500 souls, and in place of the one building then existing there were now a goodly array of buildings surrounding them. At the end of his address His Excellency, together with her Ladyship, was very heartily cheered. His Excellency then held a presentation, and inspected some of the local products, among them was a fine specimen of coal and different sorts of wheat. Lady Bowen was kind enough to admire the latter and took a sample home with her to convert it into a special loaf.

Continued from front page...

sentiments sound, even if voices were a little unpractised. Certainly it was a jovial ice-breaker. Former president Graham Hoey proposed a toast to Rotary International, giving a comprehensive history of RI achievements and the scope of its membership – 1.2 million members in 35000 clubs in nearly every country of the world, especially highlighting the End Polio Now campaign which now approaches its target of ridding the world of polio. No other program in history has reached so many people across so many countries and into such remote corners of the world. District Governor Michael Irving responded and acknowledged both the extraordinary achievement of the End Polio Now program, 1979 with vaccinations for 6 million children in the Philippines and now having provided immunisation for 2.5 billion children in 122 countries. Michael also presented President Bill Lester with a letter from Rotary International President John Germ who acknowledged the 50th milestone

and our history of service. Assistant Governor Peter Truer, from the Boonah club, proposed a toast to our club and noted how the Allora club, although small, was well known for its distinctive practices and attitudes. He noted also how strong our club had remained over its history and how it maintained a thoroughly rural outlook. Bill Lester responded by taking us on a journey through the history of the club. He thanked the Boonah Club, many of whom were present, for their companionship as a club and especially the connection between Lex Ellwood and Charlie Grant. Bill enumerated the businesses that characterised Allora in the 60s, when it was a flourishing rural centre with many businesses represented in the main street. Despite the decline of rural and regional Australia and the

The 'Warwick contingent'. Warwick clubs have been great supporters.

Past President Alan Smith enjoying the ambiance of the 50th anniversary with the Past District Governor Arthur Devon, Thyrlene Devon, and Barry and Mary Devon.

Former President Graham Hoey moves a motion to Rotary International.

tendency towards centralisation – Bill noted that the politics of the era was "Protect the small and the big will live within this"; perhaps an apt message for today's world – and the decline in the number of proprietor-owned stores, Rotary has continued in its service, albeit with fewer members from which to draw its 'manpower'. Bill also illustrated how the vein of youth support has continued throughout the 50 years, with a focus on youth facilities and events; he particularly noted the Rotary Swimming Carnival instituted by Lex Ellwood and now a long standing tradition for the Swimming Club.

More recently, the RYPEN program has been offered to school leaders of Allora State School, with record numbers attending in 2016. We have 'punched above our weight' in representation at the Science Experiences and Science School, annually sending 2 students to the Rotary Science Experience at USQ. Reflecting that commitment to youth, Bill announced an extension of the Lex Ellwood Bursary, honouring the memory

Rotary partners Lynn Rix and Kate Gordon share anecdotes at the 50th.

of the founder and inaugural president, Lex Ellwood, for a further 5 years. He also announced a \$1000 donation to the End Polio Now campaign (which, incidentally, can purchase 4000 vaccinations) and \$500 to the Fred Hollows Foundation, recognising the initiative of the District Governor's partner project. Finally, he noted the \$2500 donation to the Rotary

Thomson and Nancy Hoey for service 'behind the scenes' in setting up.

Remember, if you want to support Rotary in the next 50 years of service, or even just the next week, please get your teams together for our Trivia Night this coming Friday.

Next week: Rotary 50th Roll call of Presidents and Charter Members and Rotary Allora honours two long-serving members as Paul Harris Fellows.

### Domestic Violence Prevention Workshops: Mentoring in Violence Prevention 2017

Community Development Services (CDS) Stanthorpe is partnering with Safe Haven Warwick to present a combined 3 hour workshop in Stanthorpe on Monday, 8th May, 12.00pm - 3.00pm, at CDS Youth Centre, 15 Hilton Street, Stanthorpe for Service Providers and Community members (18+) featuring a "safe proactive bystander" approach to Domestic Violence. Presented by Shaan Ross-Smith, the session will provide a solid, practical understanding of the issues and provide tangible tools for participants to apply when dealing with violent or abusive situations. This training also explores the broader cultural issues that underlie men's violence against women. A light lunch will be provided at the Stanthorpe session. Please advise of any special dietary requirements when booking your attendance. Please note 30 places only so please register as early as possible.

A three hour awareness raising session for Service Providers, Leadership Teams and Educators will be held in Warwick on Tuesday, 9th May, 1.00pm-4.00pm, at Jackie Howe Conference Centre, Cnr. Palmerin & Victoria Streets. An afternoon tea will be provided.

A two hour awareness raising session for Community Members (18+) who want to learn more about how to respond/intervene when others are displaying violent behaviours - will provide a basic introduction to the issues of gender based violence and safe bystander intervention. The Community Members session will also take place on Tuesday, 9th May, from 5.30pm-7.30pm with a light supper from 5.00pm, at Jackie Howe Conference Centre.

RSVP by email to [safehavenwarwick@gmail.com](mailto:safehavenwarwick@gmail.com) or phone for further enquiries 0429 432 510.

### SCIENCE TRIVIA QUIZ

1. African big-headed, yellow crazy and tropical fire are types of which animal?
2. Which two metals can be combined to produce brass?
3. If the Sun became a black hole of equal mass, what would happen to Earth: would it a) be flung out of the solar system, b) be sucked into the black hole, or c) keep orbiting the same as normal?
4. If you injured your L3 vertebra, which part of your body would your doctor X-ray?
5. What are known as 'ghost particles', because they are so difficult to detect?

### Independent investigation finds complaints unsubstantiated

Southern Downs Regional Council has received an independent report that considered complaints made about the Chief Executive Officer, the Manager Human Resources and Southern Downs Regional Council's operational management team.

In total there were seven complaints lodged, none of which related to bullying or intimidation. As part of the investigation, staff were interviewed and non-staff members were also interviewed.

Of the seven complaints, the independent investigator has determined that none have been substantiated.

This week's specials are...

- Beef Short Ribs ..... \$9.99 kg
- Pork Kievs ..... \$5.00 ea
- Curried Sausages..... \$7.99 kg
- Steakettes..... \$8.99 kg

- Lamb, Kaffir Lime & Ginger Burger

68 Herbert Street, Allora. - Grant Lollback  
Ph 4666 3355 - 0407 795 439

Chief Executive Officer, David Keenan said, "Southern Downs Regional Council will continue to facilitate a workplace environment free of bullying and intimidation."

He went onto say that, "In recent staff meetings employees have again been made aware of how to report bullying, harassment and other workplace issues."

"Additionally, staff were made aware of the use of Public Interest Disclosures and the role unions can have in reporting workplace issues, as well as the availability of the Employee Assistance Program should staff be experiencing personal issues," he said.

In relation to the workplace Mr Keenan stated, "There is a clear expectation from myself and Management that Council staff will work and be productive in the duties and roles they are employed to undertake."

With regard to the independent investigation Mr Keenan said, "The investigation has taken up significant financial and human resources. It is disappointing that aspects of the investigation were provided to the media, as this has impacted on the workplace. The investigation is completed and it is time to move on."

### Allora Golf Notes

Friday, 24th - The Percy's Fruit sponsored Duck Run teed off at 2pm with a good field of players. The winner on 22 points was M

Haganbech from Phil Watt also on 22 points. Pin winner for the 8th Phil Watt and approach for the 5th Errol May. Rundown winners were Chad Wilson and Aaron Simpson and Aaron G with 21 points each. Congratulations to the winners and all players and thank you to Percy's Fruit for their sponsorship. Sunday, 26th was the Allora Butchery 2 ball ambrose event. With a good field of teams out playing in great conditions on the course you can bet there was some great golf played. The winning team with a great score of 54.4 was the team of Wayne McKewan and Garrick McGuire. The runners up with another great round was the team of Kev Harrison and Tom Brown with a 58. Rundown winners were Robbo and 'Gnome' on 60.5 and Johnno and Nat with a 60.75. Congratulations to the winning teams. Pin prizes for the 7th went to Jack Fulwood, 16th Wayne McKewan, Jimmy Anderson with a brilliant shot claimed the 8th and Dave Ellwood on the 17th. Approach for the 1st and 10th went to J. Pillard, Neil Chandler got the 5th and Kev Harrison went home with the 14th. Congratulations to the winning teams and all players. Thank you to the Allora Butchery for their kind support and sponsorship, thank you to the workers for all the hard work you all do.

This Friday the Percy's Fruit sponsored Duck Run will be teeing from 2pm then Saturday, 4th will be the start of our Club Championships and Sunday will be the second round played in conjunction with the Railway Hotel monthly mug.

There has been a lot of movement of handicaps the past year, last year's winners may be taken to the limit to hold onto their titles, there maybe a few 'smokies'. It will be an interesting four rounds of golf.

For members wishing to have an early start for both Saturday and Sunday's games need to play in a team and call our Captain Aaron Simpson on 0448 665 999 or Chad Wilson on 0407 735 440 and nominate the time they wish to tee off from. Until then dont forget your sandbuckets and great golfing to you all.

Lyn Wright

### Allora Sports Club - Night Bowls Results

WEEK SIX - 14TH FEBRUARY

We would like to thank Denise from the Blue Cow hotel for her offer of sponsorship of the night bowls competition on Tuesday nights at the Allora Sports Club. Every Tuesday night 42 players in 14 teams of three play in the competition over a 13 week period. The Blue Cow sponsorship of a \$15.00 weekly prize in our raffle is greatly appreciated. Other weekly sponsors are Glen & Margaret Henschell, Frog and Swallow Café (John & Jackie) & Swimming Pool (Bill and Linda) who share sponsorship of the Jackpot prize (now \$140); Robyn Miles from Railway Hotel donates a weekly pizza; I.G.A donate a monthly fruit tray. Garry Evans Drilling donates the six toucher prizes each week. Every week one of the teams donates a raffle prize and the Sports Club donates raffle prizes as well as the Winners and Runners-Up prizes.

Doesn't Matter has hit the lead in the competition. Congratulations to Beetle and his team. Progressive scores:- Doesn't Matter -9; Tramps Like Us, Bowls and Beautiful, Lawn Grubs, The Old Boys- 8; Zoolanders- 7; Allora Men's Shed, Frog and Swallow, Swimming Pool- 4; Railway Hotel, What Ever - 3; Roonicks, Maydan - 2; Team Engel- 0. Those results have now changed after results of week 6. Doesn't Matter are still leading and Team Engel have had their first win of the competition.

This week's results:- Doesn't Matter 28 v Maydan 10; Roonicks 17 v Zoolanders 11; Lawn Grubs 25 v The Old Boys 13, Tramps Like Us 16 v Swimming Pool 7; Bowls and Beautiful 15 v Allora Men's Shed 8; Frog & Swallow 16 v Railway Hotel 9; Team Engel 16 v What Ever 12

We all appreciate the weekly volunteers - Ashleigh who runs the toucher competition, Garry, John and Peter who tend to the greens, Donna who looks after the refreshments during the evening, and those who help out with all the other tasks, putting out the mats and jacks, administration and running the raffles.

Rink 2 was the lucky rink drawn out for both winners and runners-up prizes. Roonicks and Zoolanders took home the prizes. Toucher chocolates went to Dave, Coby, Peter, Andy, Garry and B.J.
