## Allora Swimming Club Breakup and Presentation

The Allora Swimming Club would like to congratulate our three Darling Downs Representatives on their recent performances at the Queensland Schools State Championships held at Chandler, Brisbane at the end of March.

A long term Darling Downs Team Member, Seamus Ryan competed in the 100m Breaststroke for 16 years boys and placed 19th overall with a time of 1.24.34. Seamus was also a member of the 16 years Boys Medley and Freestyle relays which both placed 9th. Congratulations Seamus on your longevity in swimming at State Level – having first competed at 10 years of age.

Danni Griffin competed in the 100m Breaststroke, placing 20th overall. Danni also enjoyed the opportunity to swim in two relays alongside her DD swimming peers. This is a wonderful effort for her first year swimming at State Level.

Cooper Harm competed in the 50m Backstroke, qualifying second after the heat swims to swim the final where he was awarded the State Bronze Medallion with a time of 35.65. He

also competed in the 50m Freestyle event placing 20th as well as swimming the backstroke leg of the medley relay which placed 11th. Cooper was the anchor swimmer of the freestyle relay for the Darling Downs 11 years boys team.

Cooper's results saw him selected in the Queensland 10-12 years Swimming Team which will compete at the Pan Pacific School Games in Adelaide in December.

At the Darling Downs Regional Swimming Awards Evening held at Highfields in March, Cooper was awarded the Most Outstanding Male Swimmer 10 years and under by the regional swimming committee. Cooper's state swim time will set a new record for the 10 years 50m Backstroke Best By DDRSA swimmer within the Darling Downs Regional Swimming Association.

These Allora Swimming Club members train under club coach Andrew Fidge at WIRAC and Killarney.

Congratulations to all three swimmers on a fabulous finale to your season! It is an honour to have such high representation at both State and now National Level from our small club.

### St John Ambulance First Aid tips for the Easter family holiday

St John Ambulance (Qld) Manager of Health Services, Noel Matson knows the risks and infections associated with holidaying over the Easter period. He urges all holiday makers, particularly those who are camping or fishing, to know the correct first aid treatment to increase healing time as well as avoid infection and pain.

"Although nothing can substitute being trained in first aid and having a well-stocked first aid kit, I want to provide all Queenslanders and holidaymakers with some basic first aid tips that could help save a life," he said.

**First aid kit and communications** - When going on holiday, it is important to consider whether you will be travelling to a remote location. Ensuring your knowledge and skill in applying first aid is vital to the preservation of life.

"Before going on holidays whether that is camping, fishing or on a road trip, check your first aid kit is well stocked," Noel advised.

Noel said a well stocked first aid kit could enable your family to enjoy their holiday for longer and avoid cutting a trip short to seek treatment.

"If faced with an emergency situation, the ability to contact emergency services will depend on your location, equipment and knowledge," Noel said. Noel advised planning and preparation were vital, particularly knowing UHF radio channels to contact if in a remote location with limited phone coverage. "If travelling to a remote location, investing in a satellite phone and a personal locator beacon can be the difference between life and death, he said.

"Medical assistance may be some time away, and you may need to maintain the injured or ill person for some time, so this is where your first aid knowledge and skills are so valuable," he said.

**Snake bites** - Regardless of the type of snake you think you might be dealing with, all bites should be treated as serious until medical aid arrives.

"Immediate application of a pressure immobilisation bandage is required as well as dialling triple zero (000) for an ambulance," he said.

"The bandage needs to be applied from 'tip to top' (tips of fingers or toes to the upper part of limb) firmly around the entire limb, ensuring there are no gaps in the bandage application," Noel said.

Noel said it was vital to make sure the casualty remains still by not moving any part of their body to delay the venom moving to other areas of the body.

"Incorrect myths with snake bites include applying a tourniquet, cutting the wound, sucking the venom or attempting to catch the snake which should all be avoided," he warned.

### Letters to the Editor...

Dear Editor,

I have also been a member of the Warwick Veteran & Vintage Car Club for a few years and it is me, mainly, that Bob is taking a shot at over the Tractor Pull.

I take my Tractor Pull and several tractors, trucks etc. to the rally to put on a show for the public.

This year there was ongoing trouble with the Show Society about where to have the tractor pull. We complied with their wishes and we had a very successful show. Where we ran the tractor pull is the perfect venue with the shade trees, seating, and food & drink arrangements. We can put the tractor pull anywhere on the grounds but outside the ring as far as I am concerned would simply not work as the crowd would not come and watch as it is usually hot at Allora at that time of year. With no shade and seating in the sun we would have no public watching, and without a main event in the ring the public would not stay. I will happily leave the tractor pull at home if Bob can put on some event to keep the public entertained.

The Show Society want to bear in mind the Car Club pay nearly \$4000.00 for the use of the ground for the weekend and also the Car Club have sponsored the Show Society to in excess of \$25000.00 over the past few years.

To have to move the venue from the Allora Showgrounds because of a few Show Society members would be a very big loss to the Allora community.

### New Cafe Open in Herbert Street

On Tuesday residents of the Allora Homestead enjoyed a complimentary morning tea to help kick off the opening of the Between Two Rocks Wine Café and Cellar Door. The morning events put the young staff's barista skills to the test, unfortunately it was too early for a glass of wine but they all said they would love to come back soon. The gathering shared stories of the times they had spent in the building over the years and reminisced of past good times.

## Council reaches out with community consultation

Southern Downs Mayor Tracy Dobie said Southern Downs Regional Council has made public consultation a priority following calls from the community to have more of a say on matters that affect them.

"Over the past few months Council has been ramping up consultation and engagement with communities across the region.

"We've developed face-to-face cross region forums such as our monthly 'Cuppa with the Councillors' and bi-monthly 'Council Q&A', which enable Councillors and staff to connect with residents and offer residents opportunities to have their issues and ideas for the future in their own unique and diverse communities heard.

"Councillors hosted 'Cuppa with the Councillors' at Allora, Leyburn and Dalveen and Council Q&A sessions were held in Warwick and Maryvale.

"Additionally, Councillors and staff attended the Stanthorpe, Allora, Killarney and Warwick Shows, and a number of other consultations were held, including face-to-face, online and via the submission process, on several topics, projects and initiatives," said Cr Dobie.

Public consultations and engagement activities undertaken in the period January to March 2017 include the following:

- Replacement of shelters at Pioneer Park, Swanfels
- Proposed relocation of the Leslie Memorial Gates/Glengallan Gates
- Replacement of trees on Grafton Street, Warwick
- Draft Invasive Pests Control Scheme
- Proposed amendments to the Southern Downs Planning Scheme
- Heavy Vehicle Access workshop
- Proposed concept plan for the Allora Streetscape project – P L Travers Park
- Information stands at the following local shows:
  - Stanthorpe 3 & 4 February 2017
  - Allora 10 & 11 February 2017
  - Killarney 24 & 25 February 2017
  - Warwick 24 & 25 March 2017

Mayor Dobie highlighted that more than 750 people were estimated to have attended or participated in these consultations.

"The public sessions certainly offered the community the opportunity to ask frank and fearless questions of Councillors and staff, as well as to raise issues of local significance and have input into policy development.

## BAD JOKE OF THE WEEK

A famous lawyer died and, unexpectedly, showed up at the Pearly Gates. St. Peter came out to welcome him, and as the Gates opened the lawyer saw a banner which welcomed him, the first 457 year old man.

The lawyer was confused. He said to St. Peter "I don't understand. When I died, I was 63 years old, not 457."

St. Peter was now confused, and said "Why, you must be 457 years old. We added up all the hours you billed your clients, so you've got to be 457!"

"Face-to-face engagement is vital in a world where too much emphasis can be placed on comments made in social media," emphasised Cr Dobie.

Council's engagement and consultation process will continue with public meetings currently being arranged to allow the community to provide feedback on the draft budget and capital works program.

Mayor Dobie said it is important to have every avenue open for the community to have input into the future of the region, and highlighted that Council uses several methods to interface with the community in addition to the public consultation sessions as outlined.

"Councillors take every opportunity to connect with people at the many events they attend across the region each week," she said.

"Council collaborates with the community to formulate options and provide recommendations to Council through its eight Portfolio Advisory Committees comprised of community representatives.

"Furthermore, Council is engaging in conversations to meet the needs of different stakeholders. For example heavy vehicle access was identified as a consideration, both now and into the future as the region experiences growth in its industries. In response, Council recently held a 'Heavy Vehicle Access' workshop that provided an opportunity for stakeholders to get round the table and get to grips with what heavy vehicle access means in and for our region, and it was very well received," said Cr Dobie.

The Mayor also said it is pleasing to note that Council's MY SDRC App is gaining momentum in the community with downloads of the App currently sitting at 1626, with 108 of those occurring during the disaster period last week and into the weekend associated with Ex-Tropical Cyclone Debbie.

"The MY SDRC App offers both a communication portal with disaster alerts and news, as well as an efficient and effective way for the public to submit 'Fix It' requests for Council's attention. This function enables users to take a photo of the issue and submit it with the request and can log a GPS location, so it can be done on the spot," she said.

12 requests were submitted via the App during the disaster period, with 2 submitted via Council's website. The requests were predominantly about roads, with a smaller proportion relating to water and wastewater.

Work on the development of the Draft 2017-18 Budget has been progressing over the last several months and the draft will soon be adopted by Council. Once adopted, a period of public consultation will begin, with the Draft Budget, the Fees & Charges Schedule and Council's Long Term Financial Forecast to go on public exhibition for 28 days. During that time, public submissions will be invited and public presentations about the draft Budget are planned to be held in Warwick, Stanthorpe, Allora, Killarney and Wallangarra.

Further information will be made available on Council's website [www.sdrq.qld.gov.au](http://www.sdrq.qld.gov.au) once timeframes and final arrangements have been confirmed for the draft Budget sessions.

## Round 2 Road reseal program start date revised following ex-TC Debbie

In the wake of the ex-Tropical Cyclone Debbie weather event and associated flooding in parts of the Southern Downs region, the start date for Southern Downs Regional Council's Round 2 Road reseal program has been delayed until 10 April 2017. Southern Downs Regional Council's \$1.4 million 2016-17 road reseal program was set to begin on April 3, but Round 2 has now begun on April 10 in northern areas of the region.

On completion of Round 2, Council will have resealed a total of 30 kilometres of the road network as well as 3900 square metres of carparks.

Council's Manager Works Construction, Mr Eric Kraak said plans are now in place with the commencement of Round 2 of the reseal program on April 10, but highlighted that the program is subject to change without notice.

"At this stage, works will continue, with the final reseal on April 19.

"But, as always, I would stress that this is subject to weather conditions, and the schedule may change without notice.

"Some delays will occur for local traffic while bitumen sealing works are being carried out.

"Council would also appreciate if residents could ensure that no vehicles are parked on the road on the reseal days so that the bitumen sealing works can proceed without delay.

"Council apologises for any inconvenience that may be caused during these works and seeks residents' and motorists' patience and cooperation during this period," Mr Kraak said.

Portfolio Councillor for Transport and Infrastructure, Marika McNichol said she was pleased to see this important work being undertaken through the road reseal program.

"Undertaking the resealing of bitumen roads in our region is vital to maintaining the condition of our road network into the future.

"While there will be some interruption to traffic on the listed roads, the end result will be worth the inconvenience," said Cr McNichol.

Resealing road works for Round 2 (North) schedule for the period 10 – 12 & 19 April 2017:

- Monday, 10 April 2017**
- Talgai West Rd, Talgai, Between Mullins Rd and Cheese Factory Rd
  - Old Dalrymple Creek Rd, Allora - Off Dalrymple Creek Rd - Entire length

- Tuesday, 11 April 2017**
- Upper Wheatvale Rd, Massie - Between Hendon-Deuchar Rd and Wheatvale Plains Rd

- Wednesday, 12 April 2017**
- Sandy Creek Rd, Allan - Between Toolburra Plains Rd and Leyburn- Cunningham Rd

- Wednesday, 19 April 2017**
- Junabee Rd, Junabee - Between Swan Creek Bridge and Cutmores Rd

Anyone with questions about the reseal program can contact Council on 1300 MY SDRC (1300 697 372).

## Change in application of State Government Emergency Management Levy to apply from 1 July

Changes to the way that the State Government's Emergency Management Levy is applied to properties in the Southern Downs region will take effect from July 1 this year.

The Emergency Management Levy (EML) is a Queensland Government charge that partially funds the Queensland Fire and Emergency Services (QFES). The EML is applied to all Queensland property to ensure there is a sustainable funding base for fire and emergency services and recognises that all Queenslanders are at risk from a wide range of emergencies including floods, cyclones, storms as well as fire and accidents. Local governments are required by the Fire and Emergency Services Act 1990 to assess and collect the EML on behalf of the State Government through rate notices.

Differing interpretations of the relevant legislation has resulted in some councils applying the EML to rate assessments rather than to each parcel (lot) that comprises the property, as interpreted by QFES.

Following advice from QFES, Southern Downs Regional Council is required to change how the levy is applied to each property. This change will affect a total of 1,429 properties across the region from 1 July 2017. Those properties affected will receive a letter outlining the change to the levy charged for their particular property.

For further information about the EML visit the Queensland Fire and Emergency Services website: [www.qfes.qld.gov.au/about/Pages/EmergencyManagementFireandRescue-Levy.aspx](http://www.qfes.qld.gov.au/about/Pages/EmergencyManagementFireandRescue-Levy.aspx) or contact the QFES on 13 74 68.

**NEPAL - Allora QCWA Country of Study: The Flag, the Coat of Arms, and the National Flower of Nepal**

Nepal has the only non-quadrilateral national flag. The flag is a simple combination of two single pennons. The two triangles represent Hinduism and Buddhism. The crimson red is the colour of the rhododendron, the country's national flower. Red is also the sign of victory in war. The blue border is the colour of peace. Until 1962, the flag's emblems, the sun and the crescent moon, had human faces. They were removed to modernize the flag. The crescent represents the serenity of the

Nepalese people, while the sun stands for their fierce tenacity. Introduced in 30 December 2006, the coat of arms of Nepal contains the flag of Nepal, Mount Everest, green hills symbolizing the hilly regions of Nepal and the yellow colour representing the fertile lowland region, male and female hands joining to symbolize gender equality, and a garland of rhododendrons. Atop this is a white silhouette in the shape of Nepal. At the base of the coat of arms are the words: Mother and the Motherland are more important than Heaven. Altogether the coat of arms has a very attractive appearance.

There are over 1000 natural species of rhododendron and highest species diversity is found in the Himalaya. Of the over 30 species of rhododendron in Nepal the most famous is the Rhododendron arboretum known as Gurans in Nepali. Starting at elevations of around 1400m the flowers are a vibrant red. However, as altitude increases the colour begins shifting to pink, gradually becoming pure white at elevations of 3600m. Villagers can directly eat the flower petals or add salt and chillies to eat with rice and curry dishes. A very sweet drink is also made from the flowers. The flower is often seen as an offering in hill temples. Rhododendron is also a source of traditional medicine used for curing dysentery, headaches, coughs, lung and stress disorders, and the reduction of fever. It is a useful as well as beautiful plant.

**Theft in Allora**

Henry Herbert, Edward Brookes, George Cooper and James Dawson were charged with stealing from the Princess of Wales Hotel at Allora, four blankets the property of Samuel Gordon the proprietor of the hotel. Samuel Gordon deposed: To the best of his belief the property now produced was his. He had gone to the camp of the prisoners and found the blankets produced. On the same night £19, a pair of pants and vest were stolen from the complainant's house, belonging to a Mr. Miller, a lodger at the house. Sergeant Grayson deposed to taking into custody, the men who admitted to have taken the blankets.

**W. M. Hughes in Allora**

A large crowd gathered in town in the morning for the purpose of welcoming Mr. W. M. Hughes to Allora. Owing to a breakdown at Greenmount, Mr. Hughes did not arrive until nearly one o'clock by which time the crowd had considerably dwindled. Mr. Hughes, however, was met by about 300 persons, the school children being formed up to receive him. He was welcomed by the Shire Chairman (Councillor James Dean).

Following an address on the upcoming elections and the state of the war, a vote of thanks to Mr. Hughes was moved by Cr. W. H. Allen and seconded by Cr. J. Holmes. This was carried by hearty cheering.

**Pub Centenary**

Mine hosts of the Commercial Hotel, Allora, Merv and Julie Parmenter organised two full days of activities to celebrate the centenary of the hotel on the 28th and 29th March 1992. Basil Phelan was invited to cut the centenary cake. Mr. Phelan remarked that he had

had his first beer at the Commercial Hotel 61 years previously. Former publicans, Ron and Sue Clothier, Fred Ferguson, Ray and Marie Coe and Bill Evers were present on the day.

The large crowd was entertained by the Warwick City Band, Dalrymple Bush Band and Denny Bros Band. Activities included a tug-o-war, keg rolling, lovely legs contest, historical displays, face painting and spinning and weaving. A children's fashion parade was presented by Bunches and Bows with models Allison Cowley, Natalie Geitz, Brooke Gilmore and Joanne Reisenleiter. A parade of current fashions was presented by Lyn-D-Jo Boutique with garments worn by Judy Apps, Helen Leahy, Robyn Draper, Kerri Henry, Chris Wickham and Dorothy Rubie.

**TRL Wrap: Round 4**

**Pittsworth Danes V Goondiwindi Boars**

Defending Premiers Pittsworth Danes continued on their winning way beating Goondiwindi Boars at Club Pittsworth on Friday night. After missing last week's game due to work commitments,

Pittsworth Fullback Jeff Weber scored 4 tries with Jordan O'Shea picking up a hatrick.

Alex Kahler was the man of the match in his best game of the season. Goondiwindi found out the hard way what it takes to be competitive in this competition.

A GRADE Pittsworth 76 ( Jeff Weber 4, Jordan O'Shea 3, Daniel York 2, Liam Jocumsen 2, Kabu Kofe, Thomas O'Sullivan, James Dempsey, Bradley Brosnan tries Alex Sinclair 8 Goals) defeated Goondiwindi 6 (Jack Laidlaw try John Goodfellow goal)

RESERVE GRADE: Pittsworth 38 defeated Goondiwindi 10  
 UNDER 18: Goondiwindi 24 defeated Pittsworth 16

**Oakey Bears V Warwick Cowboys**

Warwick spoilt Oakey's party at Trevor Mickleborough Oval with a resounding win over the bears. Brodie Quirk scored 4 tries on the back of their brilliant back line. Dylan Galloway was Cowboys best whilst Mick Bloomfield is starting to settle in after a long lay off.

The Bears were their own worst enemy with simple mistakes, especially in the first 20 minutes were the Cowboys raced to a 20-0 start. The Bears had no ball in the first stanza and it showed in the second half where they ran out of puff. But they did show plenty of ticker to play till the end in front of their first home crowd of the year.

But it was all Warwick after an indifferent start to the season. They did not take their foot off the pedal and played well till the end.

It was Oakey's first home game of the season and it was in front of a huge crowd. Their lower grade teams played well.

A GRADE: Warwick 66 ( Brodie Quirk 5, Dan Watson 2, Josh O'Brien, Paul Cantwell, Mick Bloomfield tries Dan Watson 3 goals) defeated. Oakey 0

RESERVE GRADE : Warwick 16 defeated Oakey 8

UNDER 18: Warwick 22 d. Oakey 18

**Souths Tigers V Brothers Leprechauns**

In the form reversal of the year. Brothers recovered from a 70 point thrashing by Pittsworth last weekend to amass a 40 point triumph over Souths Tigers on Saturday night at Clive Berghofer Stadium.

The Leprechauns raced to a 38-0 lead at half time but Souths did hold the onslaught with a spirited second half to stop the role.

It is a welcome relief in a week in the life of a footy coach, Liam Cullen. The turnaround was amazing but it did help when gun players, Micheal Witt and Jeff Nielsen returned amongst

others.

Tigers, on the other hand were very much surprised after their encouraging form over the last couple of weeks. Luke Nolan and Junior Chong Nee scored tries for Souths.

**A GRADE:** Brothers 50 (Michael Cochrane 2, Brandon Cubby, Matthew Rose, Jeffrey Nielsen, Bradley Taylor, Aidan Watterson, Josh Duncan, Kyle Walker tries Michael Witt 7 goals) defeated Souths 10 (Luke Nolan, Junior Chong Nee tries Luke Nolan goal)

**RESERVE GRADE:** Souths 28 defeated Brothers 26

**UNDER 18:** Souths 34 defeated Brothers 10

**Dalby Diehards V Wattles Warriors**

Dalby Diehards kept their impressive defensive record intact with another convincing effort against Wattles in Dalby on Saturday night. Jason Waldrop scored two tries in a man of the match performance whilst Dylan Taylor convinced the Clydesdales selectors in a polished display.

Wattles were without a few troops but had no answers for the undefeated Diehards.

Dalby have started the season very well having only 10 points scored against them in three games and averaging well over thirty points a game.

The half time score was 28-0 with Warriors putting in a more spirited effort in the second half.

**A GRADE:** Dalby 44 ( Jason Wardrop 2, Brent Hunt, Zac Morris, Chris Wilkes, Corey Blades, Daniel Harms tries Zac Morris 8 goals) defeated Wattles 0 (tries goals)

**RESERVE GRADE:** Dalby 20 defeated Wattles 6

**UNDER 18:** Dalby 60 defeated Wattles 0

**Highfields Eagles V Gatton Hawks-(Match of the Round)**

In the match of the season. Gatton Hawks and the Highfields Eagles threw everything at each other in a quality game. Highfields skipped away to a 8-0 lead after 15 minutes but a 19th minute Dennis Burgoyne try got the Hawks on the board (8-6). One of the form players in the competition, Callum Woolacott got Hawks into the lead after he chased an in-goal chip to score near the posts (8-12) to edge Gatton into the lead. With the half time siren looming, Eagles recaptured the lead with a clever try to Conor Nolan to go the break 14-12. Woolacott again scored just after half time as did Hawks flyer Riley Godwin a couple of minutes later. Both tries were good length of the field team efforts. Gatton 22-14.

Both sides had many raids on the goal lines. On one occasion, the Hawks had all the momentum and look liked scoring when an errant pass went to ground when Eagles speedster Aaron Hooper swooped to score a 80 meter try to put Highfields back in the match 20-22 with 30 minutes remaining.

That's how the scores ended. It was an amazing absorbing struggle for the remaining period of the match. End to end stuff.

Both teams are to be congratulated on their high standard throughout the match. The Hawks made the most of their opportunities which ended up being the difference.

Hawks Utility player Robbie Fletcher was the Hutchies Man of the Match. Daniel Marsh and Dennis Burgoyne were also good for Gatton whilst Jarred Lee and Jayden Motley were among Highfields best.

**A GRADE:** Gatton 22 (Callum Woolacott 2, Dennis Burgoyne, Riley Godwin tries Callum Woolacott 3 goals) defeated Highfields 20 (Aaron Hooper 2, Brent Tucker, Conor Nolan tries Jarod Lee, Braydon Mitchell goals) defeated.

**RESERVE GRADE :** Highfields 14 defeated Gatton 12

**UNDER 18:** Highfields 32 defeated Gatton 10

**LADDER - A Grade :** Pittsworth 8, Valleys 6, Dalby 6, Warwick 4, Highfields 4 Gatton 4, Wattles 4, Souths 2, Brothers 2, Oakey 0, Goondiwindi 0,

**Ladder- Reserve Grade :** Wattles 6, Gatton 6, Souths 6, Highfields 5, Dalby 4, Brothers 4, Warwick 4, Valleys 3, Pittsworth 2 Goondiwindi 0, Oakey 0

## GOLF COURSE GETTING BETTER

The Allora Sports Club is delighted to confirm that long term partners of the club, the Railway Hotel (fifth hole) and Allora Pharmacy (sixteenth hole) are new naming sponsors on the Golf Course.

The fifth is the Allora Golf Club's "signature hole", with an elevated tee giving golfers a panoramic view of the village and the mighty Dalrymple Creek flowing along the entire right hand side of the fairway. The sixteenth is arguably the toughest par three on the Allora course, with the Dalrymple guarding both the left and the rear of the hole. Other hole sponsors not previously mentioned are Allora Butchery (third hole), Allora Hardware (sixth), Percy's Fruit Market (seventh), Denny's Engineering (ninth) and Allora Newsagency (fifteenth). If anyone is interested in securing naming rights for a hole on the golf course, please contact John Ellwood on 0448 196 647.

The Golf Course is in immaculate condition since all the rain with our hard working volunteers working overtime to ensure the course is in tip top condition for the Easter holidays. If you haven't played golf for a while, you really should get a group together and head out for a round. Green fees can be paid in the honesty box located at the first tee.

In other Sports Club news, the committee is planning to restore the old Croquet Hut which adjoins the bowls green. If anyone has any photos of the Croquet Hut or has any interest in being involved in the restoration project, please contact Wendy on 0437 342 870.

**Allora Sports Club – Night Bowls Results – Week Twelve, April 4th**

Brrrr.... sign of winter just around the corner. Most of the bowlers were rugged up but noticed that the wind was whistling past a few bare legs. Rain, gale or cyclone will not deter bowlers for the last night of bowls. The Jackpot is now \$240.00. No one has revealed any of the 'jacks' or the 'joker' in 12 weeks! Next week someone will take home the loot. This week Garry Evans had a chance but could only come up with the 10 of spades.

There is no doubt that Doesn't Matter is the champion team this season. Beetle, Gene and Roy had another win and their progressive total is now 21. Tramps Like Us – 16; Zoolanders – 15; Lawn Grubs & Bowls and Beautiful- 13; The Old Boys 12; Frog & Swallow- 11; Roonicks & Team Engel - 10; Allora Men's Shed- 9; What Ever-8; Swimming Pool & Railway- 6; Maydan – 4. The close results show the level of competition – Rink 1.- Team Engel 14 v Railway 6; 2. –Zoolanders 13 v Lawn Grubs 10; 3. – Allora Men's Shed 10 v Tramps Like Us 9; 4.- Doesn't Matter 18 v The Old Boys 16; 5- Bowls and Beautiful 23 v Maydan 6; 6. – What Ever 13 v Swimming Pool 8; 7. – Roonicks 20 v Frog and Swallow 13. Toucher winners this week – Tom Bazley, Dewey Mullins, Andrew Peterson, Doug Evans, Ivan Kotospoulos & Peter Morton. The winning rink this week was 4 – Doesn't Matter & The Old Boys taking home winners and losers prizes.

With the first bowls season now over, we would like to thank all our local sponsors who generously donated prizes each week – Blue Cow Hotel, Swimming Pool, Glen & Margaret Henschell, Railway Hotel, I.G.A., Frog & Swallow & Garry Evans Drilling. Thank you to all the teams for your 'team trophy'. Thanks also to our Sports Club for donating prizes towards the weekly raffle.

Thank you to all the volunteers who helped out during the season, the green keepers, the administration helpers, the caterers & bar staff.

**In Memoriam -**

In loving memory of our dear mother Mary Shields who entered into eternal life 28 March, 2017 aged 94. Mary grew up on a dairy farm at Dyraba near Casino NSW, with two sisters and a brother. She was the eldest of the children and therefore, as she got older, she took on more and more responsibility for the dairy. She met her future husband Sidney Shields while he was working on the farm at Dyraba. She finished her schooling at Byron Bay and later trained as a seamstress. She also did some nursing in Brisbane. Mary and Sid married in 1942 in Monto, Qld, after Sidney returned from fighting in the Middle East. In total Sidney served four years in the AIF, in the Middle East and New Guinea, while Mary coped with a young family at home. After the war and a few construction jobs Mary and Sid moved to Mungindi, NSW where Sid took up a job as a bridge ganger. They brought up their young family in Mungindi and became stalwarts of the Anglican Church as well as supporting many community functions. They moved to Allora in 1987, to be close to their family.

We would like to thank Dr Kaye Ellis for her care of Mary, Blue Care, and all the staff at the Homestead for their loving attention to her well being.

Much beloved by Judith, Ross, Margaret, Peter, Harvey, Trevor, Lynn, Norman and all the grandchildren and great grandchildren

**TO OUR VALUED SPONSORS**  
**SUPPORTING THE LOCAL COMMUNITY**

On behalf of the Allora & District Campdraft Association, we would like to acknowledge and thank you for your wonderful support for our coming draft on the weekend of 5th, 6th, and 7th May in accordance with the Australian Campdraft Association and our local Allora Showground committee. We are excited to try-out our new Camp recently constructed by Grants Stockyards. We look forward to your attendance - please advise us if you wish to participate in your sponsored draft.
