**Allora State School Annual Book Fair**  
 On Thursday, 18th May, if you were anywhere near Allora P-10 State School, you may have been mistaken for thinking they had been invaded by pirates. Staff and students alike dressed in Pirate costume to celebrate the school's Annual Book Fair. The theme for this year's fair was "Bookaneer Book Fair – Where books are the treasure!"  
 What a great way to celebrate literacy within the school environment. Did you know that across the world, people read for an average of 6.5 hours per week?  
 Book Fair had many visitors over the four days of the fair. Funds raised from the fair help obtain new resources for the school library.

**Allora Autumn Festival Gardens**  
 Visitors enjoyed 10 open gardens during the recent Allora Autumn Festival. The successful event raised significant funds. The Allora Men's Shed received a donation of \$1000 from the Garden Group.

**Terry Cave - Guest Speaker at Men's Breakfast**

Terry Cave grew up in a loving, stable non-Christian home. Terry didn't see the need for the Lord, as life was relatively kind to him and he thought he could make it on his own merit. Terry was a confident, successful businessman, who was chasing the dream, the dream of wealth and security. In his 30's, something changed all that, he gave his life to the Lord and his priorities changed. Terry went on to work for the Lord and up until this year, was the Executive Pastor at Creek Road Presbyterian Church. Terry moved to Goomburra at the start of this year, to support the revitalization of the Warwick Presbyterian Church and start his own business - Cave Wagyu. Meet Terry this Saturday, 27th May, at the Scots Presbyterian Church's Mens Breakfast, 7.20am.

#### Quilty Entrant

Allora horsewoman, Carmen Batterham, will be competing for the 7th occasion when she takes part in the 1992 Quilty endurance ride at Mount Pleasant in South Australia on May 29. The gruelling 160k ride is considered the Melbourne Cup of endurance riding. Carmen completed the race in third position on her horse Country in 1981. She recently finished fifth in the 120k Great Divide Challenge on her trusty mount Bullaroo.

#### Allora Bowls Club

The retiring president of the Allora Bowling Club (Mr. H. G. Deacon) in presenting his annual report said that there were now 34 active members. The club championship was won by Mr. R. J. Gordon, one of the youngest playing members. Dr. Sapsford was runner-up. D. Dougall and R. J. Gordon and M. Holmes and W. P. Cooper won pairs competitions. The club contested the Association pennant competition final but was unsuccessful. The election of officers for the coming year resulted: Patron, Mr. W. A. Deacon M.L.A.; president, Mr. J. J. Collins; secretary/treasurer, Mr. W. H. Cross.

#### Send Off

Gunner Harold Pain was accorded a send off on Tuesday morning by a number of townsmen. In proposing the health of the departing soldier, the Shire Chairman (Cr. J. Dean) spoke eulogistically of his actions in again volunteering for the Front after having had a great deal of experience of what active service entailed. Gunner Pain, who is a native of Allora, and a son of Dr. and Mrs. Pain, served on Gallipoli during its occupation as a member of the Australian Medical Corps and was one of the last removed at its evacuation. Returning home he subsequently resumed his studies for the medical profession in Sydney, until the call of the drum again became irresistible, and he once more volunteered, on this occasion for the artillery.

#### ALLORA

Notwithstanding the present depressed state of the times, business seems fairly brisk in Allora. Messrs. Kennedy Bros. steam flour mill has been gristing away night and day for months past, turning out flour of magnificent quality, which finds a ready market. The mill of Messrs. Gisler Bros. has been closed during the present season.

The finishing touches are just now being put on host Pat Kelley's (of Tattersalls Hotel) pretty concert hall by contractors, Messrs. Sharpe & Leggatt. When complete this hall will meet all requirements for some years to come.

### Council auction of property due to overdue rates will occur Thursday, 25 May, 2017 at 10am

Southern Downs Regional Council will be holding its Auction to sell land for overdue rates TODAY Thursday, 25 May 2017 at 10.00am in the Warwick Town Hall.

There will be one property to go to auction which relates to a deceased estate. The property details are as such:

- Property No - 57875
- Description of land and location - Lot 1 on T 5451 Lot 2 on T 5451, Thanos Creek Road, THANE
- Area - 0.2024 hectares

The Council would like to note the terms of sale - Strictly cash, bank cheque or bank draft, or by lodgement of 10% deposit in cash on the fall of the hammer, the balance to be paid by way of bank cheque, bank draft or cash no later than 4.00pm on the day of the auction.

Southern Downs Regional Council Chief Executive Officer, David Keenan, says he's pleased that the Council only has one property to sell under these circumstances. "This is a last resort measure, which in this instance is due to a deceased estate," he said.

## BAD JOKE OF THE WEEK

The duck hunter trained his retriever to walk on water. Eager to show off this amazing accomplishment, he asked a friend to go along on his next hunting trip.

Saying nothing, he fired his first shot and, as the duck fell, the dog walked on the surface of the water, retrieved the duck and returned it to his master.

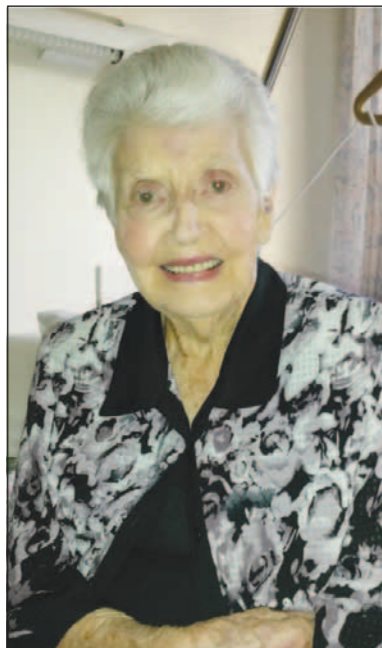

"Notice anything?" the owner asked eagerly.

"Yes," said his friend, "I see that fool dog of yours can't swim."

## Residents' Round-Up - Margaret Stay

REPRINTED FROM CLIFTON COMMUNITY HEALTH SERVICES NEWSLETTER MAY 2017

Mrs Margaret Stay, nee Gibson, a resident of Nirvana, is a local girl, originally from Spring Creek, then to Allora, where she met and married Roy Stay. She well remembers her time in Allora as she was, for twelve years, the cook at Allora Hospital. And a wonderful and famous cook she was.

She fondly remembers one gentleman who would not go home for Christmas if he knew she was cooking her tasty plum-pudding! Her cooking was done on a wood stove, and included morning and afternoon teas – her patty cakes were a favourite! Margaret used to deliver all the meals to the hospital patients so she knew everyone and they all knew her. Margaret loves living in Nirvana, as she loves the company and everyone who comes to visit. Having her bathroom close by is something she really appreciates and her room is going to be lovely and warm during winter! God willing, Margaret will be 90 later this year.

## Local Road Users Urged to Support Fatality Free Friday

Locals have been urged to pledge their support for road safety ahead of Fatality Free Friday, the nation's largest community-based road safety initiative, on 26 May. Road users can take a digital pledge, as well as adding a yellow road safety ribbon to their profile picture on Twitter and Facebook, to show their commitment to reducing the devastating impact of road crashes on our communities. More than 200 regional events will be held across the nation ahead of and on Fatality Free Friday. The events allow local road users can sign the pledge in person and acknowledge the important role each individual plays in stemming the road toll, which last year claimed 1,300 Australian lives. An initiative of the Australian Road Safety Foundation (ARSF), Fatality Free Friday aims to create a culture where road users not only take responsibility for their own decisions, but also

demand safe practice from family, friends, and professional drivers, including taxi or UBER drivers. ARSF founder and CEO Russell White implored local road users to take the digital road safety pledge, and share their commitment via social media to spread awareness about Fatality Free Friday. "We urge every motorist, passenger, cyclist and pedestrian to visit our website to pledge their support for this vital community initiative, then change their profile picture on Facebook and Twitter to let everyone know they are serious about change," Mr White said. "We are using digital channels and social media to spread our message ahead of Fatality Free Friday, because reducing the death toll on our roads must come from community action, and not just from the authorities dictating road laws. "Every decision made on or around the road can be the difference between life and death. We need to create a culture where every individual actively seeks to avoid risks – whether speeding, using their mobile phone, or driving erratically – and also calls out other drivers on bad behaviour behind the wheel," he said. Mr White said Fridays remained one of the deadliest days of the week on Australian roads, accounting for 214 fatalities in 2016, or 16 per cent of the total road roll. Despite reductions in road deaths over the past decade, just two of the 53 Fridays in 2016 were fatality free – Friday, 5 February, and Friday, 24 June.

New research released by ARSF highlighted not only the irresponsible behaviour of drivers but also those who sat idly by and allowed it to happen, revealing almost half (49%) of Australians did not ask speeding friends or family members to slow down. The research also found 46 per cent of people riding with a texting taxi, UBER or professional driver would not ask them to put their phone away, with 18 per cent of these passengers claiming they were too afraid to speak up, while an additional 18 per cent just 'can't be bothered' speaking to the driver. Equally as alarming, the data revealed more than half of Australian drivers (58%) narrowly avoided a car crash at least

once a month, while 18 per cent of drivers experienced close calls on a weekly basis. Held annually on the last Friday in May since its inception in 2007, Fatality Free Friday has garnered support from hundreds of thousands of Australians, who have taken the road safety pledge, either in person, at one of the many public signing events across the country, or online. Of the 1,300 people who lost their lives on Australian roads in 2016, 18 per cent were aged between 18 and 25 years, closely followed by those aged 36 to 45 years (17 per cent), then 26 to 35 years (16 per cent).

Road users are encouraged to demonstrate their commitment to reducing the nation's road toll by adding the Fatality Free Friday pledge to their Facebook and/or Twitter page: [twibbon.com/Support/fatality-free-friday-3](https://twitter.com/Support/fatality-free-friday-3) For more information please visit: [www.fatalityfreefriday.com.au](http://www.fatalityfreefriday.com.au)

## Stop, drop and roll!

Earlier this week the St. Patrick's School Prep and Year One students were treated to a visit to the local fire station. Fire officers Geoff and Ross and Police officer Acting Sergeant Matt took the children through the fire station and were able to explore the fire truck and have a go at operating the hose. They were taught what to do in the event of a fire emergency and who they might call.

## Scope Officials attend Open Day at new Youngcare facility

On 16th May, Daphne Whatley of Scope Club of Allora Inc. & the National Treasurer of Scope Clubs of Australia Inc. and Jenny Peach of Scope Club of Wynnum Inc. & National Life Member of Scope Clubs of Australia Inc. along with Jenny's husband Graham attended the Open Day at the soon to be opened latest Youngcare facility that is jointly sponsored by MS Queensland.

This will be the fourth facility to be opened in Brisbane that helps create a future where no young Aussie has to call aged care "home". Aged care is no place for a young person.

Yet right now, over 7,000 young Aussies with high care needs wake up in aged care every day. A further 700,000 are being cared for at home, often with limited support and elderly parents.

Daphne would like to thank the community for their support over the many years since Youngcare started in Queensland. Your support means we can work towards a future where no young Aussie has to call aged care "home".

### Latest Allora Landcare Project

A project has been undertaken by the Allora Landcare Group aimed at controlling the African Boxthorn on the Allora Mountain Flora and Fauna Reserve. This plant is out-competing the native vegetation and changing the nature of the area by restricting natural regeneration. It is having an impact on the health of this space.

Funding from Condamine Alliance has allowed Allora Landcare Group to engage the services of a backhoe operator. The backhoe was able to reach into the large stands of Boxthorn and uproot them very quickly and efficiently. The recent rain has made the soil soft and friable and much of the root system has been removed.

African Boxthorn has been recognized in Australia as a Weed of National Significance (WoNS). It is a declared Class 2 plant under the Land Protected (Pest and Stock Route Management) Act 2002.

The aim of the weed control project is to restore the area to its natural condition as far as possible under the existing grazing conditions, and encourage more native wildlife species into the area.

The Flora and Fauna Reserve covers an area of 230 hectares and this project is targeting 50 hectares of this area.

In the past, Allora Landcare Group has used Glyphosate spray. This proved to not only be a risk to the volunteers because of the size of the individual Boxthorn plants and the amount of spraying necessary,

but it had a very low success rate and required a number of return treatments. Consequently, the group has been using the cut-stump method and applying Vigilant. Though this has proved successful in killing the Boxthorn plants, the area to cover has proved beyond the resources of the small group of volunteers.

The President of ALG said that this method will achieve more in a few days than the group has done over the last few years. For more information about this and other Land Care projects, please contact - Adele Thomas, Secretary, ALG on 0412 007 393.

**TRL Wrap: Round 8**  
Highfields Eagles V Valleys Roosters - Highfields announced themselves as genuine title contenders when they defeated Valleys 32-20 at Herb Steinhort Oval. The Eagles moved to second on the TRL A grade ladder. They raced to a 10-0 lead after 15 minutes but Valleys replied to three quick tries to lead 16-10 at half time. Highfields quickly regained the lead (22-16) after 6 minutes into the second stanza with tries to Charlie Adams and Sean Hamel. Man of the match Jarrod Lee scored to get the Eagles to 28-16. Valleys flyer Emmanuel Cerei got the Roosters to 28-20 until Highfields Charlie Adams scored his second try to close out the game. Valleys big men dominated patches but Highfields relentless wrestle won them the game. The Roosters would of been confident going into this match given their form but will be disappointed especially with their second half performance. Whereas Highfields form has been growing and they will be confident going to their next three games (Souths(a), Pittsworth(h) and Dalby(a))

A GRADE: Highfields 32 ( Charlie Adams 2, Sean Hamel, Aaron Hooper. Jarrod Lee, Braydon Mitchell tries Jarrod Lee 4 goals) defeated. Valleys 20 (Emmanuel Cerei, Oliver Scott, Ryan Stevens, Jock Waters tries, Emmanuel Cerei 2 goals)

RESERVE GRADE : Valleys 40 defeated Highfields 4

UNDER 18: Highfields 24 defeated Valleys 20

Ambia. The Diehards led at half time 18-12 and piled on 28 points in the second half to skip away with the game. The match was a scrappy affair with a number of fundamental errors from both sides. But the quality of the team's senior players was evident, Danes hooker Cameron Miller toiled well for his team and was helped by Bradley Brosnan who had his best game in the green and red jersey. Dalby halfback Dylan Taylor injured his ankle just prior to half time and did not return whilst three try hero Alex Ambia also did not finish the game due to a leg injury. Both coaches were not overly convinced with their respective teams efforts but certainly saw enough to take aspects of the game to work with. Pittsworth were without half back James Dempsey and Nick Schnitzerling. A GRADE: Dalby 42 ( Alex Ambia 3, Corey Blades, Jed Bryers, Steve Franciscus, Colin Green, Jason Wardrop tries Zac Morris 5 goals) defeated Pittsworth 18 (Liam Jocusmen, Alex Kahler, Daniel York tries Adam Sinclair, Jordan O'Shea goals)

RESERVE GRADE : Dalby 34 defeated Pittsworth 24

UNDER 18: Dalby 18 defeated Pittsworth 14

SECOND DIVISION Pittsworth 32 defeated Dalby 18

Gatton Hawks V Goondiwindi Boars

Goondiwindi Boars nearly pulled off the upset of the season when they travelled to Cahill Park Sporting Complex on Saturday night. Goondiwindi led at half time 16-12 and competed throughout the game which will please coach Scott Schultz. Hawks led 24-16 after 60 minutes but the Boars again surged and got with to at 24-22 and 30-28 to give a great showing. Gatton's Shannon Hicks capped off his best game of the season scoring a double with Dom Haak leading his side by example for the win. Gatton's coach Nicki-John Harch had admiration for both sides. The Hawks had keys players out in Allan Morris, Captain Dennis Burgoyne and Mark Swan but took nothing away from Goondiwindi. Boars coach Scott Schultz was certainly pleased but more pleased that it was the first time in a long time that Goondiwindi had bought three full teams. He said Ronnie David was excellent with good games by Stewart Lowe and Carl Clement. A GRADE Gatton 30 (Shannon Hicks 2, Jack Pender, Callum Woolacott, Josh Ryan tries Callum Woolacott 5 goals) defeated Goondiwindi 28 (Levi Wilson 2, Ronnie David 2, Carl Clement tries Adam Tribe 4 goals)

RESERVE GRADE: Gatton 52 defeated Goondiwindi 0

UNDER 18: Gatton 30 defeated Goondiwindi 18

**Oakey Bears V Souths Tigers** - Souths Tigers continued their mid-season form with a convincing win over old foes Oakey at Trevor Mickleborough oval. Oakey were again competitive but had no answer for the Tigers forward pack. Mustangs Tom Landers scored a hattrick of tries for Souths whilst Josh Stanton scored a double for the bears.

Brothers V Warwick Cowboys - Warwick Cowboys travelled  
to Glenholme park on Saturday night and won two weeks in a  
row for the first time this season. Mick Bloomfield and Jordyn  
Hogden were Cowboys best. Warwick showed they are coming  
along nicely and should they keep their roster fit and healthy  
they will make a dint in the TRL 2017 competition.  
Brothers enjoyed their first home game in a while and were  
competitive but fundamental mistakes let them down most of  
the night. They did not lack enthusiasm with young Declan  
Beetson their nest.

#### DOUBLE HELIX QUIZ ANSWERS

1. The pulmonary arteries are the only arteries that carry deoxygenated blood. They run from the heart to the lungs.
2. The temperature of a saltwater croc's egg determines its sex. If the egg is kept between 30 and 32 degrees Celsius, the crocodile will probably be a male. Hotter or colder and it will be female.
3. High pressure systems often bring clear skies and dry winds.
4. False. Birds are insensitive to capsaicin, so they can eat chillies without it tasting hot.
5. Your funny bone isn't a bone, it's actually a nerve!
