Successful Cabaret at RSL Hall

There was a good crowd at the Shoestring Cabaret held at the RSL Hall last Saturday night. Local residents mixed with those who had travelled from out of town. James and Belinda Lister enjoyed the night after a long day 'door knocking' throughout the district.

Guests enjoyed a sumptuous meal prepared by Chef Brendon Corby. The first course of alternate drops of Macadamia Nut crusted Barramundi and Lamb Rack with whole grain mustard set the taste buds humming. His desserts of Tiramisu and Raspberry cheesecake topped off a great taste sensation.

Entertainment was provided by Deeny Kohler-Catorale, Ken Gover and Stacey Turner.

of music ranging from My Fair Lady, World War One catchy tunes and songs sung by the great Marlene Dietrich. The overall effect of the

presentation in costumes of the times was enjoyed by all. Ken wrote the clever, witty satirical patter to amuse the audience during costume changes. He promoted Westcrap Bank as a major sponsor. An impromptu appearance of Robyn Draper stole the show. Robyn was coerced into joining Deeny and Stacey to sing then proceeded to deliberately exclude her from the act. Robyn, a seasoned stage performer soon recovered and performed with aplomb and style.

Members of the RSL Sub Branch created a festive atmosphere for the cabaret with balloons and table settings.

Guests were eager to inspect the new deck. There can be no doubt that after the opening of the deck at the celebratory complimentary B.B.Q. lunch on Saturday that diners will be choosing to experience the atmosphere of alfresco dining overlooking the parklands and golf course.

Bucking Bulls, Rodeo, Rugby League Stars & Coaching Clinics - It's All Happening at the 2017 Wattles Rodeo

While local footy heroes Wattles 'Warriors' Rugby League Club are already well under way in their preparations for their 2018 Toowoomba Rugby League campaign, the focus on their first major fundraiser of the new season will be rodeo action aplenty hot on the heels of the famous Warwick Rodeo.

After an organising requirement from higher levels that also brought about a venue change, the annual Wattles Rodeo presented by Scott Keogh will take place on Wattles home turf Platz Oval at the Clifton Recreation Grounds on Saturday, November 18th.

The event will be a gala day of rodeo action featuring Open, Novice & Junior Bull Rides, Junior Steers, Open Bullocks along with poddies and ponies catering for thrills and spills for everyone.

What is a National Rodeo Association event will get underway at 6.00 pm, but there is a full program of action beforehand that will see opportunities for younger community members to learn to be rodeo riders & rugby league players of the future. Scott Keogh has included what appears to be a very popular addition to the Wattles Rodeo this year, the Wattles Junior Rodeo Clinic, with world class instructors passing on their knowledge to young riders of the future.

In attendance on the day as instructors will be two time Australian bareback champion Dave Worsfold, Allan Flood and Marcus Jones will teach the finer points of roping and two-time Australian champ Shane Connolly and Wayne

Introducing Council's Sport & Recreation Forum Panel Member, Warwick Pentathrun

Members of sport and recreation groups across the region are invited to Southern Downs Regional Council's second Sport and Recreation Forum on November 16, 2017 at the Warwick Town Hall.

Attendees will have the opportunity to hear from panel member Warwick Pentathrun. Here's a sneak peek.

What is the Warwick Pentathrun?

The Pentathrun is held at the end of May each year. With the 5 races being 42.2 km in total it is excellent training for those people lining up to do any of the marathons that commence soon thereafter.

You get to run five races over two days and achieve a marathon distance if you do them all. The races are split into the major event types of running races with a long distance (race 1 1/2 marathon), cross country (race 2), 5km road race (race 3), a hill climb (race 4), and a 1500 metre criterion (race 5).

We also take the opportunity to showcase the region with races starting or finishing in Warwick, Yangan, Killarney,

Queen Mary Falls, Sandy Creek and in 2018 at Leslie Dam.

The event provides the opportunity for any runner to set themselves a goal to do a specific event or even for those with a bit of experience to achieve all five.

Races one and four are one of the rare long distance runs where you can actually go somewhere beautiful and then be provided a breakfast and bus back to the start.

It is safe to say the Warwick Pentathrun is unique in that no other event will allow a single person to participate in every race they have and be spread over multiple locations and several days.

How do you grow your event each year?

We have found in recent years that word of mouth and social media have been the best mediums for promoting our event. We aim to (and have been) delivering a good quality event that runs smoothly from a competitor's view. Recent growth has been in running groups and social runners bringing their mates along to

have a fun weekend away doing something they have in common.

How do you get people back to your event?

People return to our event by delivering a consistently good-quality event, with improvements made each year and the occasional change to freshen it up. We do provide a unique event that supports the local community and provides runners with the opportunity to go away for a weekend and challenge themselves with their mates. This is the main growth area of the event.

What numbers do you get attending?

In the last few years we have grown from 1500 entrants in the five races to last year being over 2500, which represents a 70% increase. For people doing all five

"Pentathrunners" we have grown from 140 in 2014 to 285 in 2017, representing a 100% increase in those people who participate in all five events.

The Pentathrun is a volunteer run group and all proceeds go back to the local community groups that volunteer their time to help run the event. In the last two years we have managed to generate \$20,000 for those groups to support their activities.

For more information, please visit www.pentathrun.com.

Warwick Pentathrun will provide their expertise as part of the panel at the Sport & Recreation Forum. You must RSVP to book your place - so hurry!

The district's compulsory potato fast, which had extended over several weeks, ended with the arrival into stores of limited supplies of potatoes. These supplies, which came from below the range, are the first delivered here under

Because they both need a good batter.

Revamped gardens go on show for The Oaks open day

The grounds of The Oaks Residential Aged Care facility will go on show at an open garden event on Saturday 11 November. The inaugural event will showcase the work recently completed to beautify the grounds. "Over the past six months, a lot of work has been carried out to bring the grounds 'back to life'," The Oaks director of nursing Sherry Phillips said. "There is a lot of colour and beautiful smells in the air.

"The residents and staff are very proud of the gardens. A number of our residents are ex-farmers so they really appreciate being able to get outside and walk amongst the gardens and plants." Mrs Phillips said the event was one way to involve the aged-care facility with the community. "Being involved with the community is a very important part of providing aged care," she said. "With our residents being aged or frail, there are challenges to

actually getting out-and-about. "But with events like this, we are bringing the community in." The open garden day will be held from 9am to noon on Saturday 11 November and

will feature Devonshire morning teas and tours of the gardens. Entry is a \$10 donation which will help fund further improvements to the garden.
