Winners are grinners – Bob's Your Uncle victors again.

How wide is Australia?  
If you don't know the answer to this question then you join the throngs of folk who found the baffling array of mindless minutiae of the Rotary Trivia Night on Friday night quite

beyond them. Still, who is bothered when you are having a good wine, a good time or a good whine?  
Once again, the Trivia Night was a smashing success and Rotary is grateful for those

who came and supported the event, which will, in turn, support our youth with youth leadership programs. Thanks also to our sponsors, West Talgai Feedlot, IGA Allora and the Railway Hotel for their on-going support for the event and to the many businesses who gave prizes and vouchers. Our thanks to the school for the use of the hall. Former awardee, Ella Gartery, gave a concise account of her experiences at RYTS (Rotary

Youth Transition Seminar) where she "conquered [her] own battles but more importantly we helped and inspired each other to do the same". Leaders at the camp "compelled us to push past our personal barriers and to look at things with a whole new perspective". We were glad to give her these experiences and look forward to others of her age group putting themselves forward for

a chance to have the same opportunity.

The school leaders of Allora State School will head to the RYPEN (Rotary Youth Enhancement) camp later this year and we trust they will come away from that camp as many before them have – feeling inspired and challenged.

With tough competition from Consonants (previous winners) and new-comers Walking Talking Stephen Hawkings, Bob's Your Uncle won through by the tightest of margins. Wooden spooners were the youthful Sour Patch Kids who were good sports in defeat. Artistic excellence was

apparent in Quizlamic Extremists, whose score sheets were beautifully adorned with all manner of exotic doodles. And Trivia Newton John showed that creative writing is not dead yet. We are grateful for Bob's Your Uncle's generous donation of a proportion of the prize money to Rotary.

Again, Liz Marshall cooked up a storm which left us with a belly-full of satisfaction, Robyn Draper executed MC with panache and Andrew Westerman keep a close eye on scores.

We look forward to seeing you all back for 2019, with the promise of new categories and new surprises.

# Clifton Fly-In

The skies over the Clifton and district will be alive as the Lone Eagle Flying School host the long running iconic Annual Fly-In at the Clifton airfield on Sunday 11th March 2018, from 6am to 2pm.

The fly-in is very attractive to aviators as the first major event on the aviation calendar each year whilst usually offering good weather and a very attractive area to fly around. For the general public it offers a special window of opportunity for anyone who has an interest in any aspect of aviation the chance to speak with pilots and to inspect aircraft including some of the latest versions of high performance recreational aircraft.

As part of the days activities

will be an opportunity for females to become involved in aviation as part of the International Women In Aviation Week. The Lone Eagle Flying School is offering women who have not flown in a small aircraft previously the opportunity to experience what it is like flying around the local district and enjoying the picturesque scenery that presents below you. Look us up on our website or Facebook page for registration details. A Fly-In is a gathering of pilots and aircraft on an airfield with a chance to meet with friends, swap ideas and information whilst giving pilots an opportunity to fly somewhere. It is not an airshow and there is no organised flying demonstrations or activities taking place.

Previous years have seen over 130 aircraft attending. Aircraft attendance is very dependant on weather as aviators who attend these fly-ins are very particular, careful and safety conscious,

## Allora & District Historical Society Notes

**Raffle Winner** - There is no doubt that Maree Holmes was thrilled to bits to win the Blunstone Boots and the handmade whip. Her ticket (Grey K 66) was drawn out by Caroline from the Warwick Credit Union. The Allora & District Historical Society would like to thank everybody for their support. Thank you to the Allora Heritage Weekend Committee for again allowing us to sell tickets at their annual event.

The raffle prize was very popular. Maree now owns a piece of history. Brian Nemeth,

whip maker, is the great grandson of Joseph Nemeth, a Hungarian soldier, saddler and whip maker. On March 31, 1855 Joseph Nemeth arrived on the SS Aurora at Moreton Bay. He married Anne Doyle and they settled at Allora. They raised four children. The family home still stands in Allora. Brian who is now 86 retired from whip making 20 years ago but two of his four children still make and sell whips.

**Heritage Week** - The Southern Downs Heritage Week is shaping up to be another draw

Caroline of WCU with Kaye Mullins of Allora Historical Society.

## Allora CWA news

2018 sees the branch begin the year with a new coat of paint courtesy of a grant from Southern Downs Regional Council which will completely cover the cost. The branch appreciates this immensely as the building is old and susceptible to the elements. We had already replaced timber affected by the weather and were worried about protecting the building. There was a lot to discuss at the February meeting as it will be a very busy year. We have also received a grant through QCWA to cover internal work which will bring the building up to date with a new kitchen, the switchboard moved outside and updated plumbing and electrical work. One very welcome change will be hot water on tap. When it is finished we will have a special day to show it off to the

community. International Day is scheduled for June and the country of study will be Germany. Our International Officer Alison Payne attended a weekend workshop and is very enthusiastic about sharing her knowledge and her enthusiasm for Black Forest Torte. Look forward to a new format in June. The branch Competition Day will be on May 11 and is open to anyone wanting to compete in Floral Art, Knitting and crochet, Photography and Cookery. Details are on the QCWA website or ask a member. Division finals will be at Stanthorpe on 15th June. The music program has been very well received and members are enjoying helping the mothers and children. We very much appreciate having Ros Laksman in our community.

The Allora and District Historical Society will be celebrating 150 years of the Allora Court House. The building at 27 Drayton Street, now the museum will be open on 28th and 29th April during the hours 9am to 12 noon and 1pm to 4pm. Featured will be a display of vintage cars, bicycles and machinery, vintage clothes and interesting memorabilia. The building was shifted from Raff Street when a new Court House was built and became the School of Arts prior to the Historical Society creating the museum.

An exhibition, Policing and Justice in Allora will be mounted in the Court House in Raff Street. Along with the details of court cases held in Allora over the past 150 years, a display by the Police Department will be featured as well. The display will be open from the 24th -29th April (excluding Anzac Day) from 9am to 12 noon and 1pm to 4pm. It is hoped that a representative from the Queensland State Government and the Southern Downs Regional Council will open the exhibition. The Allora Pharmacy has kindly allowed the Allora Historical Society to again mount a display in their window during Heritage Week.

## Warwick High School Reunion Luncheon

A Reunion is being held of all past students who attended the Warwick State High School during the years of 1957-1961. This invitation is also extended to all partners and spouses. To add a little history to this article, students during these years travelled to the High School from areas such as Allora, Clifton and Killarney by train and bus connections. These students formed an integral part of the WHS culture both in the classroom and on the sporting fields. Many strong friendships were made between these students and the local Warwick Students. A small number of these friendships still exist today but sadly because of employment opportunities and higher education institutions existing in large cities, the majority of students did not remain in the local area. As a result of this many students have not met up with each other again since leaving

school and for this reason it has been decided to expand the Class Reunion year to include all students who attend WHS in any class during the years from 1957-1961. This will enable a greater scope of former students to enjoy meeting up with old class mates. The Reunion is to be held at the Warwick Golf Club commencing at 11.30am on Friday 27th April 2018. A smorgasbord luncheon has been organised at the cost of \$20 per head, payable individually on the day. For Catering purposes, please advise one of the contacts listed below of the number of persons wishing to attend the reunion no later than Wednesday 18th April 2018. Con Seibel (07) 4661 7184 Keith Farrel (07) 4661 1181 Lilian McBean (07) 4661 4005 It is hoped as many students as possible will attend this function to share the many happy memories with their former school mates. ## Looking Back...

### Allora's Past 25 years ago March 1993 Subdivision By-law

Allora Shire Council will not make changes to its sub-division by-law until a government decision is made on external shire boundaries. Shire Chairman, Cr. Jim Deacon, said that steps to implement a town plan would be put on hold until the decision is made. This follows the application by an Allora resident to subdivide rural land into one hectare rural-residential blocks. At the conclusion of the investigation into external boundaries, a town planning consultant would draw up a town plan for Allora, Cr. Deacon said.

### Allora's Past 50 years ago March 1968 Electrician Available

As from 8th April, Mr. Ron Coote will be joining our staff as a fully qualified Electrician and Electrical Mechanic. For

the first time Allora and District will have a complete local full time TV, radio and electrical sales, and after sales service, plus electrical installation and maintenance.

### Allora's Past 75 years ago March 1943 Broken Wrist

While assisting in branding a horse in a crush on the property of Mr. Dennis Ryan of Goomburra where he is employed, Eric Ranger (17), farm hand, had his left wrist fractured. It appears the horse jammed Ranger against the side of the crush. First aid was rendered by the Warwick Ambulance and Ranger was transported to a doctor's surgery in Allora, and then to the Allora private hospital.

### Allora's Past 100 years ago March 1918 Fisticuffs

A war of words, followed by scuffling and blows, was a feature of the mid-day meal

at the Railway Hotel in Allora yesterday. It appears that four local farmers entered into discussion on the merits and demerits of the Land Tax with Mr. J. A. Moir, the Labour candidate for the Cunningham seat in the upcoming elections. The discussion waxed hot for some minutes until Mr. Moir called Mr. F. Erhardt "a ---- -- liar". As a result, a retirement was made to the roadway outside the hotel where the pair entered into a bout of fisticuffs which continued for some minutes. After peace was restored, the verdict of an onlooker was that it was an even contest. Neither contestant was injured, though it is hardly likely that the incident will tend to strengthen the Labour candidate's chance of winning the seat.

### Allora's Past 150 years ago March 1868 Court House Completed

The new court house at Allora has just been completed by the contractors (Messrs Dougall and Dodd). It is a chamfer board building 30ft long with a magistrate's room. It is an ornament to the town and is a credit to the contractors.

(The Brisbane Courier 20th March 1868)

The court house building was moved from Raff Street by the School of Arts committee in 1884, to Drayton Street where it still stands as the Allora and District Historical Society museum.

## Warwick Cowboys Take Barrett Family Shield Honours

The Warwick Cowboys launched their 2018 Toowoomba Rugby League season campaign with a hotly contested 30 - 12 winning result over local line-up the Wattles Warriors at Platz Oval on Saturday night in the annual pre-season Barrett Family Shield.

The Cowboys weren't the only winners with rain falling from the second half of the reserve grade match pleasing our primary producers. Warwick's talented former Queensland Cup hooker Ben Sullivan was among those to mastermind his side's victory with a sterling performance that saw him presented with the 'Terry Doyle Memorial Medallion' as the best and fairest player.

The Barrett Family Shield presented the Warwick captain Michael Bloomfield at full time by Barrett family members Leo Barrett and his daughter and former Australian Women's Rugby League representative Jo Barrett. Wattles player coach Travis Burns donned a Wattles jersey for the first time in 17 years to run on to Platz Oval in his first A Grade game in green & gold on his home track. The team mentor made his A Grade debut back in the final competition match of 2001 as a seventeen-year-old at Warwick's Father Ranger Oval.

Since that debut Burns has played 127 games in the NRL for Manly, North Queensland Cowboys and Penrith before heading to the Super League in England where he turned out for Hull Kingston Rovers,

St Helens & Leigh in 88 matches from 2013 to 2016. While the Wattles player coach was disappointed about the Barrett Family Shield loss on Saturday night, the result is considered a learning experience to build on.

"We were a bit off and put too much ball down, at least we have something to work on and will get it right in the next few weeks," Burns said.

"We've got new players, new structures and new combinations, so it can take a bit of time."

"It will take a few weeks of grinding out wins before we can play some free-flowing football."

"Our own ball control contributed to our loss, and Warwick played the wet weather conditions better and forced a lot of errors with their defence. They held the ball and defended with more urgency than we did."

Both sides battled it out for the first thirty minutes before play erupted and Wattles lost centre Nathan Gaulton to the sin bin.

Warwick took advantage of the undermanned locals to run in two tries in two minutes to lead 12 - 0 at halftime.

When fullback Mitch Watson cruised in to score to have Warwick up 18 - 0 after three minutes of the second half the signs looked ominous for the Warriors.

Outside back Brodie Frizzell put much needed points on Wattles half of the scoreboard with a try in the 47th minute to launch his side back in to the game.

While the Cowboys hit back to lead 24 - 6, Wattles powerful front rower Will O'Gradey

The 2018 Barrett Family Shield victorious Warwick Cowboys team with Leo Barrett.

flicked defenders aside to charge over to score in an impressive individual effort.

Alas that was to be all the points Wattles would harvest in the game, Warwick winger Kai Etherington scoring late to seal the victory.

Warwick former National Rugby League Coach Phil Economidis rated Wattles former State League centre Jake Hargreaves and Queensland Under 18 forward Will O'Gradey as players that worried his side.

Coach Burns felt his side was somewhat disjointed losing key performers the Duggan brothers, Matt and Ryan, on

the Saturday morning of the game, and rated his upfront forwards Will O'Gradey and Michael Pearson among his best on field.

Jake Hargreaves suffered a rib cartilage injury and may be sidelined for a spell.

Wattles are in action at Platz Oval again this Saturday against Toowoomba's Southern Suburbs Tigers in a final pre-season trial before the 2018 and 100th Toowoomba Rugby League premiership commences in March 17th.

Travis Burns said the Wattles A-grade game against Souths would be another opportunity

for players to press their claims for A-grade selection. Wattles will play three games against Souths at 4.00 pm (Under 18), 5.30pm (Reserve Grade) and 7.00pm (A Grade).

### Game scorers:

### SDRC makes another \$60k available to not-for-profits through its 2017/18 Grants to Community

Not-for-profit organisations across the Southern Downs region are being offered an opportunity to apply for a portion of the additional \$60,000 being made available by Council for its Grants to Community funding programs, which is over and above the \$247,000 funding already awarded to successful grant recipients this financial year.

Council will open **Round Three (3) Grants to Community**, for the Community Grant, Event Grant and Sport & Recreation Grant funding streams. Applications are capped at \$10,000 per application per financial year. Funding is available for projects or activities taking place between 30 April 2018 and 31 July 2018. **Round 3 will open on 22 February 2018 and close on 22 March 2018.**

To make Council's **Fast Grant** more accessible, Council has relaxed the Grants to Community – **Fast Grant Guidelines**. Now, the application does not need to be for a short-term emergent or immediate need. Applications are capped at \$1,000 per applicant per financial year. Funding is available for projects or activities taking place prior to 30 June 2018. **The Fast Grant is open now and closes on Friday, 15 June 2018.**

For more information about Grants to Community, please **Read the Guidelines** which are available on Council's website [www.sdrc.qld.gov.au](http://www.sdrc.qld.gov.au).

Southern Downs not-for-profit organisations wishing to submit a grant application will need to visit Council's website, Doing Business, Grants to Community, scroll down to the Applications heading, click on the funding stream you are applying for which will re-direct you to *SmartyGrants* to complete an application form.

If you have any questions or need assistance please contact Council's Community Grants Officer, Sue Harrold, on 1300 697 372.
