

'Rattle of the Brains' Trivia Night

The Annual St Patrick's P&F 'Rattle of the Brains' Trivia Night was hotly contested last Friday night at the Allora Community Hall. A large crowd of around 150 people gathered to test their knowledge on a wide array of topics.

The winning team was 'No Idea at All', who scored 62 points. In second place was 'Let it Go' on 58 points and in 3rd place came KLM6 on 56 points. The Wooden Spoon this year was awarded to the 'Quizlamic Extremists'! The money raised from this annual event allows the P&F to assist the school with purchases such as classroom and library resources as well as IT and sporting equipment.

As well as the trivia questions which were read out by St Patrick's School principal Ty Maher, there was a huge multi draw raffle which saw a large number of participants taking away some amazing prizes. There was also a silent auction with some very popular items up for grabs!

This year saw the return by popular demand of the paper plane competition with Peter Gordon's entry soaring past the competition to take the prize! The crowd was well fed with nibbles, pizza and supper, all served by St Patrick's year 6 students, and an enjoyable evening was had by all! The night would not have been a success without the generous financial support and donations from our local and regional sponsors. The St Patrick's school P&F sincerely appreciate this generosity and would like to extend special thanks to our sponsors:

SDRC pays tribute to region's volunteers

In recognition of National Volunteer Week, Southern Downs Mayor Tracy Dobie has recognised and paid tribute to the passion and dedication of local volunteers and their contribution to the community.

"One of the hallmarks of our vibrant community is the enormous contribution made by volunteers to the Southern Downs," Cr Dobie said.

"It's important to recognise and show our appreciation for those who selflessly give of their time to volunteer across our region, whether it be in tourism and events, the SES or local sporting clubs, or different groups and organisations.

"These people help make our region what it is; they are the heart and soul of our community."

National Volunteer Week acknowledges the great contributions made by Australian volunteers to the community in a range of fields. From 21-27 May 2018, thousands of events will be held across the country to say thank you to the six million Australians who volunteer their time.

Cr Dobie made special mention of the community members who contribute their time and expertise to Southern Downs Regional Council's

Visitor Information Centre volunteers.

Visitor Information Centres (VIC).

More than 40 volunteers dedicate themselves to meeting and greeting visitors to our region in both the Warwick and Stanthorpe Visitor Information Centres.

"These volunteers play a tremendous role as ambassadors for our region, helping visitors make the most of their stay on the Southern Downs," Cr Dobie said.

"The knowledge and enthusiasm of these volunteers is invaluable to the region's tourism industry." Groups and organisations across the Southern Downs welcome new volunteers, so if you would like to take a more active role in the community,

get in touch with a group which aligns with your skills and interests.

New volunteers are also welcome at the Warwick and Stanthorpe Visitor Information Centres. Simply contact your nearest VIC to enquire about joining the team!

Council extends Water Tank Rebate scheme for a year

Southern Downs Regional Council has extended its Water Tank Rebate to residents for another year, a decision which coincides with the region being drought declared and moving to medium water restrictions.

The Southern Downs was fully drought declared on 17 May by Minister for Agricultural Industry Development and Fisheries, Mark Furner, following extremely dry conditions and little to no rainfall in recent months.

Ratepayers across the region who install a water tank for any degree of household usage, such as toilet, laundry or general use, are eligible for the Water Tank Rebate.

Council offers a 100% rebate of water access charges levied on the property for the full financial year. The rebate amount is based upon the size and cost of the water tank

installed.

In order to receive the rebate, ratepayers must provide proof of purchase of the water tank and associated costs of the works carried out to connect the water supply to their home. Evidence should be in the form of tax invoices for the purchase of the tank, the address the tank was delivered to, and from the plumbers who plumbed the tank into the house.

The rebate does not apply to pre-installed tanks and can only be applied once per property. To be eligible, ratepayers need to have their water tank installed on their property within the 2018/2019 financial year.

The rebate was one of the key recommendations handed down by the Stanthorpe Water Security Assessment Study conducted by the Queensland Government Department of

Natural Resources Mines and Energy (DNRME) and was subsequently adopted by Council on 28 September 2016.

Southern Downs Mayor, Tracy Dobie said that the Water Tank Rebate scheme offered significant benefits to the community.

"I'm very pleased Council endorsed the decision to extend the scheme," Cr Dobie said.

"The rebate means water is more affordable for residents

and eases the demand on the region's water supply.

The Southern Downs was fully drought declared on 17 May by Minister for Agricultural Industry Development and Fisheries, Mark Furner, following extremely dry conditions and little to no rainfall in recent months.

"I encourage all residents to take advantage of the rebate; it's a simple cost effective initiative during a time when we all need to be mindful of conserving water."

Make a free Mobile Women's Health Clinic appointment in June

Darling Downs Hospital and Health Service mobile women's health nurse Kathryn Anning will visit a variety of locations in June to conduct free clinics.

Mobile Women's Health clinics offer a range of services including cervical screening tests, breast awareness, sexual health testing, and advice for issues such as continence, menopause, contraception and general wellbeing. The service is free, confidential and available to all women.

Ms Anning said it is important for women to prioritise their health and make time for regular check-ups and tests such as the new cervical

screening test.

"Regular cervical screening tests are the best protection against cervical cancer," she said.

"This test replaced the Pap smear test from 1 December 2017, and is a simple procedure to check the health of the cervix, is more accurate and needs to be done less often.

"The test looks and feels the same as the Pap test, but tests for the human papillomavirus, known as HPV.

"A woman's first cervical screening test is due two years after her last Pap test and after that, if results are normal, women only need to

have the test every five years. "From 1 December 2017 all women over the age of 25 should start having cervical screening tests and will receive a letter inviting them onto the national cervical screening program."

Upcoming clinics will be held at the following locations:

- Clifton Medical Centre, 5 June from 9am to 3pm. Phone 4697 3097 for information and bookings.

QCWA Art Contest

Amateur artists, both male and female, are invited to enter the QCWA Border

Division 2018 Art Contest to be held in Stanthorpe on Tuesday, 13th June.

Artists from Clifton and Allora are great supporters of this contest and last year an artist from Clifton won the first prize in the landscape section at the QCWA Annual State Conference in Brisbane.

"The winning piece was an excellent painting depicting the Allora landscape", said the QCWA Border Division Art Contest Convenor, Penny Campbell-Wilson of Warwick. All entries must be the original

work of the entrant, completed in the last two years. Artworks must not exceed 800mm x 800mm unframed.

The paintings will be judged at the QCWA Border Division Finals Day and Mary Finlay, the Director of the Stanthorpe Art Gallery is the judge this year. First and second will proceed to the finals, to be held at the QCWA State Conference being held in Brisbane, end of October.

QCWA members from Allora and Clifton will be happy to collect all entries prior to 13th June. Please contact Mrs. Campbell-Wilson on 0408 767 558 or ipcw7@bigpond.com and entry forms will be forwarded.

Wattles Climb to Top Rung of the Premiership Ladder

In a stirring 34 - 22 victory over the Warwick Cowboys at Platz Oval on Saturday night, the 'National Farmer's Warehouse' Wattles Warriors first grade side eased to the top of the Toowoomba Rugby League Hutchinson Builders premiership ladder as clear leaders. The Platz Oval atmosphere was at fever pitch for the traditional local derby, the crowd among the biggest of the season so far boosted not only by the teams doing battle but the very successful Ladies Day hosted by Wattles Ambassador Erin Glass. Coach Travis Burns praised his side highly after the gritty win.

"The game was an ideal way to measure how we are going" said Burns, "to win as well as we did against the quality of the Warwick Cowboys." "Early possession provided us with opportunities that we capitalised on, and while we fell off the pace a little in the final ten minutes of the first half, we came out in the second half and shut the game out."

It was a professional win by Wattles, the coach impressed with all his line-up. "It was a great effort by all the guys, but a special mention for two of our big forwards Dale Perkins and Will O'Gradey." Prior to the A Grade kick-off a

minute's silence was held in memory of former Clifton & Toowoomba All Whites player and Wattles coach Graham Quinlan, the Wattles club offering most sincere condolences to the Quinlan family.

The main match result thrilled club supporters as it also saw the top grade Warriors qualify for the Madsen-Rasmussen Trophy final to be played on June 17th at Toowoomba's Herb Steinohrt Oval.

The clash between the two top five clubs was an absolute bell ringer with all the competitiveness and ferocity we have come to expect from the two clubs across many decades.

Coach Burns had called for improvement in Wattles start this week and his side responded according to captain Dale Perkins.

"We had a much improved start against the Cowboys, it was a very tough game with not a bad performing player on the field for both sides." Wattles were first on the scoreboard when their Central Division 'Crows' representative halfback Matt Duggan sliced threw to score, converting his own try for the home side to snatch a 6 - 0 lead.

A minute previous centre Jake Hargreaves was denied when a pass in a sweeping Wattles play was rulled forward. Back-rower Ty Gardner was in outstanding form, his backing

up resulting in two tries to his credit.

The first in the tenth minute running an ideal line in a play that also featured Matt Duggan and front-rower Michael Pearson.

Pearson posted a tireless performance throughout as did team skipper and fellow front-rower Dale Perkins. Perkins took on the Warwick defence with relentless regularity, setting an inspiring example and was rewarded when named 'TRL Round 9 Player of the Match'.

By the fifteenth minute of the game the Warriors were

scoring at better than a point a minute leading 16 - 0 after a try by Andrew Richardson.

The talented winger showed amazing speed as he outpaced the opposition for his first try, eventually pocketing two touchdowns in the match, and once again showing his immense ability against quality opposition.

Warwick fullback Declan McLaughlan scored a try to keep his side in touch with their opponents, in the 25th minute, but Wattles were back in the points minutes later to move to a 22 - 6 lead.

Continued from page 7...

Winger Brayden Wilson kicked ahead, regathered and found Travis Burns in support who sent Ty Gardner away from 15 metres out to force his second touchdown.

Warwick lifted in the final five minutes of the first half adding vital tries by forwards Josh Cruice and team captain Michael Bloomfield to their total to trail on the scoreboard 18 - 22 at half time.

The second stanza saw the game intensity lift to another level, Wattles defence seeming impenetrable, in one instance defending on their own line for three sets as the Warwick side threw all they had in a desperate chase for points.

The second half saw three tries scored, two for Wattles by threequarters Jake Hargreaves and Andrew Richardson.

Outstanding centre Hargreaves commanded respect throughout and claimed a try in the 12th minute of the new half after lead up play by Duggan, Burns and Gardner. Both sides battled it out over the next 15 minutes before Nathan Gaulton and Matt Duggan combined to send Andrew Richardson in for his second try.

Leading 34 - 18 Wattles had the match firmly within their grasp, but the Cowboys were still rattling their door to the very end.

Winger Kai Etherington scored his team's final four-pointer in the north-east corner of Platz Oval four minutes from full time, and front-rower Adam Fisher almost benefited from a final stages burst to be held up by desperation Wattles defence under the goal posts. Wattles have finished victors in eight of their nine matches played this season, but Saturday's win over Warwick added a more than generous dose of confidence to the standard setting side.

This Saturday the Warriors head to Toowoomba to take on the Southern Suburbs Tigers in all grades, and will be joined by the Stanthorpe Gremlins who meet the Tigers in the 2nd Division clash.

comeback against the Warwick Cowboys to earn a 24 - 24 draw and a premiership point on Saturday, a result that keeps them in the race for a Toowoomba Rugby League President's Cup berth on June 17th.

The loss of classy five-eight Josh Henry and his brother talented hooker Tom Henry to long term if not season ending injuries is a significant blow to the Warriors 2018 campaign. A shoulder injury to Josh and ankle for Tom will have Wattles coaches Garth Lonergan and Michael Crank looking at all the options to fill the gaping holes left by the key playmakers.

"It was certainly a tough physical game, and tragic to lose Josh & Tom" said Co-coach Lonergan, "unfortunately we dropped to much ball and completed less than 50% of our sets which cost us the game in the long run."

"We are really happy to come away with a draw against such a quality side as the Cowboys." Josh Henry scored first points in the game with a clever try in the sixth minute to get Wattles away to a 6 - 0 lead.

Warwick lock forward Brandon Vaughan levelled the scoreboard when he touched down minutes later.

Vaughan played a blinder of a match, scoring three tries and kicking two goals, he was key to the Cowboys win.

After the match he was presented the 'Peter Watt Memorial medallion' by Watt family member Lydia Doro. The medallion, donated by the Watt family, is awarded annually to the player of the match when the Wattles and

Warwick reserve grades sides play a fixture at Platz Oval.

Warwick crossed for two further unconverted tries in the first half to lead 14 - 6, but centre Joe Morris sliced through in the 28th minute in a fifty metre gallop to score and have Wattles trailing Warwick 12 - 14 at the half time break. Two tries in the initial fifteen minutes of the second half by Vaughan and former Wattles flanker Ian Brown had the Cowboys ahead 24 - 12.

A final twenty minute fightback by the Warriors though saw Dale McAntee and Tom Morris score vital tries, Morris converting both for the drawn result.

Co-coach Michael Crank commended the efforts of Tom & Joe Morris, "they stepped up to the mark, both playing blinders."

Wattles big men Mitchell Duff and Harry Shooter were also prominent making hard yards regularly through the centre.

Wattles 24 (Josh Henry, Joe Morris, Dale McAntee, Tom Morris tries; Tom Morris 4 goals) Warwick 24 (Brandon Vaughan 3, Lance McGrady, Ian Brown tries; Brandon Vaughan 2 goal)

Under 18 - The Warwick Cowboys Under 18's finished ahead of Wattles to win 40 - 18, Wattles speedster Cahill Davis posting first points in the game with a try in just the second minute of play.

What amounted to a tough first half saw the Wattles 'Wilson & Rigby Smash Repairs/Willett Electrical' Under 18 side under plenty of pressure trailing the Warwick Cowboys 6 - 20 at the break.

Try scorers were Hamish, Jack and Atticus. Thanks again to U11's who play up for us. Wattles came out winners 12 to 4.

Clifton Real Estate U14s. It was a tough game and on the day Goondiwindi were the better side. Try scorers were Reuben 2, Lachlan 1 and Lachlan kicked the only conversion.

Ruhle Developments U17s Girls Leagueta. It was a tough game in the very windy conditions. The girls never gave up and kept trying to the last minute. Captain this week

was Amy. Top effort Wattles. U16 Hamblin Builders. It was a wonderful display from the Warriors with a heartbreaking loss of 26-22. Wattles went into the game on the back of 3 consecutive wins and we knew this would be our biggest test. We started somewhat lacklustre in both attack and defense with the same issues effecting us, a failure to move up to put pressure on the defensive line of the Boars and a failure to attack the line hard from the play the ball. Once the 2nd half began the team played extremely well putting their set plays into motion. It was a different team and hopefully they will learn from this. Our stand out players today were Kyle, Cody, Travis and Hunter. We now look forward to playing Collegians in Millmerran this week.

This weekend Wattles Warriors have a bye round except for the 14s and 16s who will travel to Millmerran. Chrissy Peardon

BAD JOKE OF THE WEEK

The teacher asked little Johnny if he knew his numbers.

"Yes," said Johnny. "My father taught me."

"Good. What comes after three?"

"Four," answered the boy.

"What comes after six?"

"Seven."

"Very good," said the teacher. "Your dad did a good job. Now what comes after 10?"

"Jack."

DOUBLE HELIX QUIZ ANSWERS

1. (d) The hottest stars are blue supergiants, which can have surface temperatures around 30 000 degrees Celsius. Our Sun is a yellow star that has a surface temperature around 5500 degrees Celsius.
2. (d) One cubic metre of air weighs about 1.3 kilograms, and there are 2500 cubic metres in an Olympic swimming pool, which is why a pool full of air can weigh as much as two small cars!
3. (b) Circles of the same size fit together tightest in a hexagonal pattern, with six circles around each circle.
4. (c) The ASKAP radio telescope is a collection of 36 identical dishes situated in a radio quiet zone in Western Australia.
5. (a) Deciduous trees lose their leaves once a year. In temperate climates, they usually lose their leaves in autumn. In the tropics, deciduous plants typically lose their leaves in the dry season.

Public Notice Medium Level Water Restrictions

The Southern Downs region will move to **medium level water restrictions** on 1 June 2018 following the Queensland State Government's decision to drought declare the region. Based on current dam levels, the drought declaration and seasonal rainfall projections for the region, the Southern Downs will move from permanent to **medium level water restrictions from 1 June 2018**.

Medium level restrictions target level is 200 litres per person per day. Water restrictions and any penalties for non-compliance with the restrictions are authorised under the Water Supply (Safety and Reliability) Act 2008. Residents are please reminded to become familiar with activities and timeframes permitted under medium level water restrictions by reviewing the water restrictions table below.

David Keenan
Chief Executive Officer

Medium Water Restrictions
Target water consumption: **Maximum 200 Litres per person, per day**

These restrictions are currently in place to remind residents and businesses to use water efficiently at all times. The below table is a guide for what allowances are in place for the current Medium restrictions without incurring any penalties

Allocated Days: Some outdoor water use times are restricted to specific times on allocated days. Your allocated day is determined by your street address, not your unit number, e.g. if your street address is unit 3, 22 Walker Street Warwick, you would be allocated as an even number.

Odd house number or no numbers: Odd number calendar date
Even house numbers: Even number calendar date

Outdoor Water use times
May to September – allocated days 7am to 9am and 4pm to 6pm
October to April – allocated days 6am to 8am and 5pm and 7pm

Sincere Thanks...

The family of the late EDWARD "EDDIE" BRADFIELD sincerely thank everyone who attended his funeral service and those who sent messages of sympathy and phone calls of kind words. We would especially like to thank Fr. Rod McGinley and Fr. Don Murray for a wonderful funeral service and for their many visits to the Allora Homestead over his last few months. Also many thanks to Helen Smith and all parishioners who assisted in the funeral arrangements. We extend our deep appreciation to the staff of the Allora Homestead for their loving care during his final months. Also we would like to thank Dr. Ellis and Allora Medical Centre for many years of care.
Gloria and family

minutes of the second half by hard running forward Josh Wren and Michael Lasserre from a dummy-half dart on the back of a towering Tyler Gillam kick, had the Warriors right back in the game trailing 18 - 20.

Warwick called to arms though and touched down with four tries in the final 23 minutes to win the game convincingly.

Five-eight Tyler Gillam filed a polished performance, as did Wes Lasserre and back-rower Josh Wren.

Wren's try was a highlight for Wattles, breaking the line 25 metres out and weaving in and out of defenders on his way to the tryline.

Warwick 40 (Felix Clarke 2, Jake Speed 2, Michael Van Der Sande 2, Nicholas Lane, Hugh Doolan tries; Dylan Lippi 4 goals) defeated

Wattles 18 (Cahal Davis, Josh Wren, Michael Lasserre tries; Tyler Gillam 2, Lachlan Henry
