Book Launch

The president of the Allora and District Historical Society, Lyn Wright, welcomed about 30 interested people to the launch of Brian Hansford's book "William Jubb - From Promise to Disaster" at 2 Jubb Street on Friday. Cr. Sheryl Windle, accompanied by Crs. Yve Stocks and Rod Kelly, spoke, and invited Brian to give an outline of his book. The 2 Jubb Street site was chosen for the launch as it was close to the site where William Jubb set up his blacksmith's shop and possible unlicensed "inn" near the crossing on Goomburra Station in 1845. A good representation of Jubb Street residents and others with an interest in Allora history attended and found out

about the man after whom the street was named. William Jubb was one of the most enigmatic characters that you would ever come across. On his frequent boat trips between Brisbane and Sydney and return, he travelled as a cabin passenger and shared the dining table with such notaries as Ratcliffe Pring, first Crown Prosecutor in Brisbane and long time Queensland Attorney General; William Butler Tooth, owner of Clifton Station and member

Councillor Yve Stocks, Lyn Wright (President of the Allora Historical Society) and author Brian Hansford at the launch. *Photo courtesy Peta Hansford.*

Allora 150 Year Celebrations

20th - 21st July 2019

The Allora & District Historical Society is excited to be planning a weekend for all residents of Allora present & past, and visitors alike; to be held next year on **Saturday July 20th & Sunday July 21** to celebrate 150 years of Allora as a municipality and we invite the community to make this a great weekend for Allora.

The Society would like as much input from all local & past, as well as pioneer residents to help formulate events for that weekend. We already have many suggestions from within our membership, some business people and individuals.

We would like any suggestions sent to Wendy Ardrey (Secretary ADHS) on adhssec@gmail.com for perusal and/or confirmation by the committee. To allow the programme to be finely tuned, we ask that your ideas, whether they be from individuals or community organisations, be sent as soon as possible.

Any organisation or club in the Allora District is welcome to send a delegate to our meetings to assist with the organisation of this event.

Next meeting: Wednesday, July 18, at 7pm at Warwick/Forde St Museum

Each month we intend to put an update in *The Allora Advertiser*, so please, everyone, come on board to celebrate Allora's unique history in July 2019.

A new website is being constructed.

Continued from front page...

of the Tooth brewing family; Henry Stuart Russell, owner of Cecil Plains Station and author of "The Genesis of Queensland"; and Nehemiah Bartley, merchant and author. Bartley described Jubb as "a character - illiterate, rough and aggressive in appearance who loved to tackle words of five syllables in his talk with indifferent success."

On one of his trips to Sydney he fell in with two "ladies of ill repute" at Parramatta. They drugged him, stripped him to the waist and took his wallet (luckily they missed £65 in £5 notes strapped to his thigh). William Jubb spent time in jail for the assault of an employee, faced accusations of cattle stealing and fraud, spent time in Wolston Park asylum, and finally disappeared from public view in the mid 1860's when

he may have carried out a previously stated intention of packing up and going out west.

William died at the home of his son-in-law in Brisbane in 1878 at the age of 65. He was buried in the old North Brisbane cemetery, but his was one of the many bodies not exhumed when the site became Lang Park in 1914. The next time that you are at Suncorp Stadium, spare a thought for William Jubb - Allora pioneer.

Author Brian Hansford, his wife Jean, daughter Peta, and guests were treated to an excellent spread put on by the ladies of the Allora and District Historical Society. Thank you to Lyn and John Wright for the use of their home for the occasion.

Letters to the Editor

Dear Editor,

My fond memories of the local legend Ted Cowley was when his wife Sue, a dear friend and I were decorating trees for the 'new' Festival Jumpers & Jazz quite a few years ago.

Sue had said to me "Come on Kerry, we can't have Warwick take all the credit - We have to have some trees here in Allora deocrated too"

She said "Ted will help us!"

So poor Ted was decorating trees while sue and I were 'directing' him with our 'artistic knowledge'.

We did have a lot of laughs.

The local postie Roger has now taken on the role as Allora's Chief Tree Decoration Co-ordinator and needs your support!

Ted always stopped to say hello to you and as everyone has said, he has been an inspiration for commuunity spirit.

Ted's sons are very blessed to have had him as their dad.

Many sincere sympathies to the family.

Kerry Anne Denné, Allora

Swap your showerhead or sprinkler! SDRC launches new water saving scheme

Southern Downs Regional Council has launched its new residential water saving exchange program! Residents can now SWAP their old shower heads or outdoor sprinklers for new, water efficient ones.

Council is calling on all residents to install FREE water efficient showerheads and sprinklers which will help them conserve a precious resource and save on energy costs.

Southern Downs Mayor Tracy Dobie said the exchange program is an ideal opportunity and simple way for the community to play their part in water conservation.

Around 40% of household water is used outdoors, while showers account for around 34% of household water usage.

The Southern Downs region moved to medium level water restrictions in June following the Queensland State Government's decision to drought declare the region.

"It is time for everyone to start taking measures to reduce their water usage," Cr Dobie said.

"I am calling on everyone in the community to play their part in being water wise. Implementing water efficient devices is a simply way to save water, help the environment and to save money as well.

"Council's water efficient exchange program is a win for ratepayers and a win for Council as it helps us manage the region's water supply.

"Start taking note of how much water you use so that you can see where savings can be

made, and implement those savings yourself."

Swapping your old showerhead or water sprinkler is easy!

Complete the showerhead or sprinkler exchange form (available at SDRC Community Contact Centres or on the SDRC website).

To be eligible to take part in the exchange program, residents must provide evidence their property is connected to a reticulated (town) water supply with proof of address.

Take your old showerhead or sprinkler and completed form to either the Stanthorpe or Warwick Community Contact Centres where Council will replace it for FREE!

You can simply drop into one of Council's Community Contact Centres and swap over your old sprinkler for a new one but to swap over your showerhead, you'll have to remove it first!

Remove your old showerhead using a spanner – read the step by step instructions. Installing water efficient devices is just one of many simple things that people can do to save water.

SDRC recently extended its water tank rebate scheme and FREE four minute timers are available at Community Contact Centres.

For more information on Council's residential water saving exchange program visit the SDRC website or phone SDRC on 1300 MY SDRC (1300 697 372).

For more tips on being waterwise visit www.dews.qld.gov.au or visit www.qld.gov.au and search for 'waterwise'.

Council budgets \$367k for local not-for-profits

Not-for-profit organisations across the Southern Downs have the opportunity to secure a share of \$367,000 this financial year with Council allocating an additional \$92,000 in the Budget for the 2018-19 Grants to Community. Southern Downs Regional Council supports a number of hard working community based not-for-profit organisations with their projects or activities annually through its Grants to Community funding programs, which are available to established, new or emerging community groups.

Southern Downs Mayor, Tracy Dobie said she is delighted Council has made extra funding available to the region's non-for-profit organisations this financial year.

In 2017, 98 grant applications were made and of those 66 were successful in securing funding. Council hopes the

additional funding allocation in the 2018/2019 Budget will help even more community groups to deliver their projects or activities.

Some of the 2018-19 Grants to Community improvements include:

• Two (2) funding streams will be available –

Community Grant - This funding stream will be available for applications from not-for-profit organisations that require funding for projects or activities relevant to the following categories - Community Development, Community Event, Community Facility and Sport, Recreation / Healthy, Active Lifestyle. The Community Grant will be capped at \$10,000 per applicant per financial year. Round One will open on 25 July 2018 and close on 22 August 2018.

Fast Grant - This funding

stream provides small amounts of financial assistance to not-for-profit organisations for projects or activities that will benefit the Southern Downs communities. The Fast Grant will be capped at \$2,000 per applicant per financial year. The Fast Grant is open for applications all financial year or until the budgeted funding allocation has been depleted. The Fast Grant will open on 2 July 2018 and close on 14 June 2019.

• Not-for-profit organisations that hold an Office of Liquor & Gaming Regulations – Community Other Licence are now eligible to apply.

• Three additional items are now eligible for funding – Hire of Council's Parks, Hire of Council's Public Halls and Private Works (i.e. labour, plant & materials) via Council or a Private Contractor.

Read the 2018/19 Guidelines for more information as they have been reviewed and updated incorporating feedback from the Southern Downs community.

"Many Southern Downs not-for-profit's would jump at the chance of a financial injection to assist them with their tireless work enriching and enhancing our communities, so I encourage them to visit Council's website and start their grant application as soon as possible," Cr Dobie said.

All the information regarding Grants to Community, including Guidelines and links to Application Forms, can be found at www.sdrcl.qld.gov.au – Doing Business – Grants to Community.

If you have any questions or need assistance please contact Council's Community Grants Officer, Sue Harrold, on 1300 697 372.

You're Invited to a workshop! Diabetes Yarning

The Warwick Community Health Services and Diabetes Queensland invite you to a fun, informative and interactive workshop to look at diabetes: what it is; how it affects us all; & what we can do to manage it, prevent it, & spread the word about diabetes.

RSVP: Monday, 6th August 2018. To Register Call: Lisa Tarca (07) 3506 0956 or NDSS Helpline on 1300 136 588.

Public Rural Crisis Fund Open to Families in Drought

The Queensland Country Women's Association has made vital crisis funding available to drought affected

farmers and their families after the Southern Downs was drought declared earlier this year.

In May, Minister for Agricultural Industry Development and Fisheries, Mark Furner drought declared the region following extremely dry conditions and little to no rainfall over a prolonged period. Born from the need to assist women and families during times of crisis, the Public Rural Crisis Fund has been an initiative of the Queensland Country Women's Association since 1990. This fund not only supports families suffering from drought, flood or fire but is for all families experiencing any type of

Grants for volunteer organisations in Maranoa

Community groups can apply for Federal funding through the Volunteer Grants program, set to open next month, Member for Maranoa David Littleproud said last Friday. Mr Littleproud said the Coalition Government was providing \$20 million worth of grants valued between \$1000 and \$5000 to not-for-profit organisations.

"Volunteers are the fabric of our bush community," Minister Littleproud said.

"Anyone who has popped into their local library or charity store will recognise the smiling face of their local volunteer worker. Volunteers are the lifeblood of our community.

"These grants can be put towards essential items that help make the work of our

volunteers easier, safer, and more enjoyable, such as equipment, training, transport and background screening.

"Volunteers tirelessly work long hours. We need to make sure not-for-profit organisations have some financial backing so they can keep giving back to our communities.

"I encourage all not-for-profit organisations in Maranoa to apply for the Volunteer Grants round to assist our volunteers and encourage volunteering."

The Volunteer Grants round is expected to open in August.

For more information, visit the Department of Social Services' Community Grants Hub website to subscribe to updates on the application process:

Rod Williams Country Music Show

Rod Williams returns to the Nobby Hall with his one man country music show this Sunday, 15th July 2018, commencing 12 noon.

Rod is no stranger to this area as he was born in Toowoomba and ran hotels on the Downs namely Allora and Jandowae in the seventies after spending his early years as a fencing contractor in and around Southeast and Western Queensland. Rod who is a dual Golden Guitar nominated singer-songwriter and enjoys performing his show to country audiences and says he is really looking forward to returning to Nobby after a large turnout last year. Tickets

at the door. For further information contact Rod on 0412 982 821.

Netball champion Laura Geitz calls a day to international competition

Samsung Australian Diamonds goal keeper Laura Geitz has announced she will call an end to her international career after debuting in 2008 and making 71 appearances for the national team.

The champion defender, Geitz, said the timing was right to call an end to her Diamonds career.

“I have not only had the great honour of representing Australia in the sport I love, but to get the chance to captain the Diamonds to gold at the Commonwealth Games in 2014 is a moment I will cherish for the rest of my life.

“These ten years have flown by and been an amazing journey. The team’s success on court is only one part of what netball has given me. The experience and people I have met and worked with along the way have shaped who I am today.

“I’m excited for what the future holds for the Diamonds, with a number of talented athletes coming through the ranks. I can’t wait to cheer them on during the upcoming International Test Series and at the World Cup next year in England,” Geitz said.

A fearless leader, Geitz has been involved in two successful Netball World Cup campaigns (2011, 2015) and won Commonwealth Games gold in 2014.

This champion defender also won the Liz Ellis Diamond in 2011, after a successful World Cup and undefeated domestic season.

After giving birth to her first child, Barney, in 2017, the proud Queenslander returned to the Diamonds squad in 2018 after a year off, to

compete at a home Commonwealth Games on the Gold Coast last April.

Geitz said the chance to compete at a home Games was a real carrot to get back on the court once last time for the Diamonds.

“This type of opportunity normally only comes around once in an athletes career, so to get my body right and be in a position to contribute to the Diamonds was a pretty special opportunity.

“I’m a passionate Queenslander and to have the Games on the Gold Coast was incredible. While the gold medal game didn’t go our way, it was a fitting event to finish my international career at.

“I’m really looking forward to what the next chapter in my life entails, with more time to focus on work opportunities and my family,” Geitz said.

Diamonds head coach, Lisa Alexander, said Laura has been an inspirational leader within the playing group and her presence at camps, on tour and most importantly on court will be missed.

“Laura has been a champion for the Diamonds, the ultimate professional, always setting the bench mark for other players, so they knew exactly what was expected to play at this level.

“Her Diamonds legacy will only grow stronger over the years and no doubt she will continue to have an impact on young players coming up through the ranks.

“Laura is a fantastic ambassador for netball and I personally thank her for the contribution she has made to Diamonds and netball in Australia,” Alexander said.

Looking Back...

Allora’s Past 25 years ago July 1993

Rail Lines Close

The Treasurer, Keith de Lacey, has announced that as a cost cutting exercise, some regional rail services will close. Rail services in the Warwick region are among some of those that will be affected State wide. South-Western Division lines to close include Hendon – Allora, Warwick – Wallangarra, Inglewood – Texas and Thallon – Dirranbandi. Although 500 railway jobs would go in the next three to four years, these would be through natural attrition or voluntary early retirements, not forced redundancies, Mr. de Lacey said.

Allora’s Past 75 years ago July 1943

Fitness Club

The following officers were elected at the

annual meeting of the Allora National Fitness Club:- Patron, Mr. H. S. Warfield; president, Mr. J. T. Collins; vice-presidents, Messrs. Walter Gordon, E. Gwynne, Mrs. R. Croker and Miss H. Reid; secretary, Mr. R. Croker; treasurer, Mr. Colin Laws; instructors, Messrs. C. Laws, C. Flannery, E. Gwynne, G. McMillan, W. G. Gordon, O. Hentschel, Mrs. Croker, Misses. U. Shooter and Jill Murray.

Mr. E. Harris, chief organiser for National Fitness in Queensland, complemented the Allora club on having one of the best equipped halls in Queensland. He noticed most of the work done in Allora was of the indoor type and advised the club to include outdoor work in its activities.

Wednesday Wins

A poll taken at the Court House on

Saturday last under the Factories and Shops Act - whether the weekly half-holiday should be changed to Saturday, or remain as at present viz. Wednesday. By a large majority it was decided to retain Wednesday as the half-holiday. Sergeant Spink was the returning officer and he was assisted by the Factories and Shops Inspector ((Mr. D. A. O’Brien of Warwick). There seemed to be very little interest shown by the opposing parties and everything passed off quietly. The result was made known on Saturday night and the big majority was a great surprise to the employers as well as the shop assistants.

Results:-

For Wednesday 125

For Saturday 40

Football

Followers of the game will be afforded the opportunity of witnessing a really capital exhibition of football in Slade park this afternoon, when in addition to the fixture match, South-Easterns v. Warwicks, the Caxtons will try conclusions with the Allora team who will arrive in the town about noon today. The foreign match will be decided first and in order that ample time may be allowed for the local fixture, the match will commence at 3 p.m. sharp. Much interest is being evinced over the Caxtons-Allora match which is expected to be hotly contested..

Colin Newport

The last steam train to leave from Allora on the 25th June 1969.

Green Leads Warriors to Overwhelming Victory

Fullback Jackson Green continued his purple patch of form crossing for four touchdowns on Sunday as Wattles routed the Brothers Leprachauns 68 - 4 at Glenholme Park to retain the Dan Ryan Memorial Shield. Green has been in superb touch for Wattles since the competition turned three games back for the run in to the TRL finals series, boasting

a healthy tally of thirteen season tries. Along with Green, team mates to shine included centre Nick Van Der Poel, winger Andrew Richardson, hooker Mark Gordon and back rower Ty Gardner. Winger Braydon Wilson showed his experience and finishing finesse throughout and was rewarded with a hat trick of tries. The one sided result has the 'National Farmers Warehouse'

Warriors on top of the 'Hutchinson Builders' Toowoomba Rugby League premiership ladder.

Coach Travis Burns was more than happy with his side's performance against the low on the ladder Leprachauns.

"We had a number of players unavailable again this week along with a couple of injuries, but it was great to see the side get a roll on for the eighty minutes."

"Our attack was excellent against Brothers, we are positioned in the competition where we want to be with the focus now on meeting Valleys this coming weekend" said Burns.

Wattles Under 18 five-eight and recent Toowoomba Under 18 representative Tyler Gillam stepped up to make his first grade debut in the one sided result, scoring a try in the first half on the cusp of half time.

Burns rated Gillam's effort highly, "while aged barely 17 he showed he is a player of the future, scoring a try and

playing a role in setting up two others".

Jackson Green snatched the initial try of the game in the fifth minute, and by the 25 minute mark Wattles had ran in five tries scoring at better than a point a minute leading 26 - 0

Five-eight Kyle Wagner crossed for Brothers four points after thirty minutes before two further touchdowns had the Warriors ahead 38 - 4 at half time.

Wattles emerged for the second stanza with wind in their sails scoring another six four-pointers in an unanswered thirty point second-half total on their way to victory.

The success against Brothers allowed Wattles their fifth Dan Ryan Memorial Shield, after winning the award last year at Clifton. The shield was introduced in 2005 to commemorate the contribution to both the Wattles and Brothers clubs of their former player Dan Ryan, a talented and highly regarded rugby

Seventeen year old five-eight Tyler Gillam on his way to score a try in his A Grade debut in Wattles 68 - 4 win over Brothers.

league forward of the 1960's and 1970's. Ryan also represented Toowoomba in the famous Bulimba Cup as well as playing with Brisbane club Eastern Suburbs.

Wattles 68 (Jackson Green 4, Brayden Wilson 3, Ty Gardner 2, Nick Van Der Poel, Tyler Gillam, Mark Gordon, Travis Burns tries; Matt Duggan 8 goals)

Brothers 4 (Kyle Wagner try) **Reserve Grade** - After frustrating losses in the opening two matches of the second half of the TRL season against Goondiwindi and Gatton, and struggles to maintain a consistent line-up, Wattles 'Railway Hotel' Reserve Grade side hit their straps on Sunday overwhelming Brothers 46 - 10.

While Brothers were on the scoreboard after just three minutes, the Garth Lonergan & Michael Crank coached Warriors dropped in to top gear running in five unanswered first half tries to lead 26 - 6 at half time.

Hefty hard running forward and Wattles 2018 big improver Harry Shooter opened Wattles points accounts in both halves, eight minutes in to the first stanza and in the second minute of the second half.

While Brothers clawed a try back in the seventh minute of the second half to trail 10 - 32, the Wattles juggernaut offered no peace with tries by Brenden Wilson and a double by

fullback Dale McAntee in the later stages shutting out the game.

Shooter impressed throughout collecting Wattles 'Player of the Match' points and also 'Player's Player' honours.

Centre Brenden Wilson also shone in his second match out of his rugby league retirement while giant bookend Brendan Perkins collected a try and played his best around game of the season, figuring prominently among a number of team mates that rated highly in the confidence boosting victory.

"A great result for us" according to a grinning coach Lonergan, "massive positives for us was our completion rate and our discipline."

"We just got back to our structure, our forwards were outstanding and really laid the platform."

"Hopefully this win sets up the back end to our season" concluded the enthusiastic mentor, the Warriors Wattles 46 (Harry Shooter 2, Brenden Wilson 2, Dale McAntee 2, Max Rubie, Tom Bassingthwaite, Brendan Perkins tries; Dale McAntee 4, Brodie Frizzell goals) defeated Brothers 10 (Bradley Brown, Izhahia McLeod tries; Brandon Kerr goal)

Under 18 - Wattles Under 18 side finished on the wrong end of a 52 - 14 scoreline against Brothers.

Six first half tries ushered the home side Brothers

70 GRAFTON ST. WARWICK

Leprechauns to a dominant 32 - 0 half time lead against the 'Wilson & Rigby Smash Repairs/Willett Electrical' Warriors on Sunday, the impact of which the Warriors didn't recover.

Wattles issues with player numbers continued in what was there first game since a loss against top of the table South Burnett a month back. While the bare minimum of thirteen lined up at the match kick-off, injuries saw the side finish with just eleven.

The team can certainly boast ability with centre Matthew Christensen and five-eight Tyler Gillam recently appearing in the QRL Central Division 47th Battalion Under 17 Carnival, there Toowoomba Clydesdales side finishing as Division champions.

Christensen has had no trouble finding the try line this year with thirteen touchdown from ten games to his credit. Wattles second half against Brothers was much improved, the home side posting twenty points in the final 35 minutes to Wattles 14.

Declan Sullivan put Wattles on the scoreboard with a try on the second minute of the second half. Lock Michael Lasserre and front-rower Jackson Blake added further Wattles tries midway through the half but Brothers were well in control by that point.

Matthew Christensen had his usual solid game while front-row enforcer Harrison Hunt, Clancy Russell and James Walsh all dug in to keep the Brothers side honest.

Coach Shaun Henry was also grateful for the efforts and support of young Under 16 players Declan Sullivan, Wes

Lasserre and Travis McDougall who stepped up to the fold providing valuable numbers. "The players showed once again they can match it with any opponent" said Coach Henry, "but they must play for the allocated seventy minutes."

Brothers 52 (Joseph Brandon 4, Matthew Zeidler 3, Patrick Coleman, Tyler Davie, Majika Shirindi tries; Malachy Grealley 4, Joseph Brandon 2 goals) defeated Wattles 14 (Declan Sullivan, Jackson Blake, Michael Lasserre tries; Tyler Gillam goal).

"Clash of the Top of the Table Titans"

In a battle of the top of the A Grade table, Wattles meet the Valleys Roosters on Sunday on all grades kicking off at 11.30am (Under 18), 1.00 pm (Reserve Grade) and 2.30 pm (A Grade) at Platz Oval, Clifton.

Wattles are yet to finish a clash with Valleys in this 2018 season ahead on the scoreboard, but they have certainly proved they are capable for rolling the high achieving Roosters.

Eyes from clubs across the League will be focused on Platz Oval on Sunday afternoon, in what is being hailed as the fixture of the year.

A Warriors side less many of their key players were beaten by Valleys at Herb Steinhart Oval back in Round 4, the home side running in six tries to two winning 34 -12 in front of a big crowd.

Green & gold regulars such as Matt Duggan, co-captain Ryan Duggan, Jackson Green & Mitch Koina we all absent at

Council budgets \$367k for local not-for-profits

Southern Downs not-for-profit organisations have the opportunity to secure a share of \$367,000 in 2018/19 when they apply for Council's Grants to Community.

The **Community Grant** will be available for applications from not-for-profit organisations that require funding for projects or activities relevant to the following categories - Community Development, Community Event, Community Facility and Sport, Recreation / Healthy, Active Lifestyle. The Community Grant will be capped at \$10,000 per applicant per financial year. Round One (1) will open on 25 July 2018 and close on 22 August 2018.

The **Fast Grant** provides small amounts of financial assistance to not-for-profit organisations for projects or activities that will benefit the Southern Downs communities. The Fast Grant will be capped at \$2,000 per applicant per financial year. The Fast Grant is open for applications all financial year or until the budgeted funding allocation has been depleted. The Fast Grant will open on 2 July 2018 and close on 14 June 2019.

For more information about the 2018/19 Grants to Community, please Read the Guidelines available on Council's website www.sdrc.qld.gov.au which have been updated incorporating community feedback.

To submit a grant application visit Council's website - Doing Business - Grants to Community, scroll down to the Applications heading, click on the funding stream you are applying for which will re-direct you to SmartyGrants to complete an application form.

If you have any questions or need assistance contact Council's Community Grants Officer, Sue Harrold, on 1300 697 372.

Continued from page 9...

Matt & Tarla Duggan's wedding, while former Melbourne Storm Under 20 back Jake Hargreaves was also unavailable. Outside back Brodie Frizzell

was also on the injured list along with Toowoomba representative back-rower Ty Gardner. Wattles appeared to have the Roosters measure in the Madsen-Rasmussen Trophy

final, seeming on the way to victory in the mid-season championship leading 22 - 8 with eleven minutes to play. Alas they were denied after the Roosters staged a mighty fightback in the final minutes to snatch a 24 - 22 victory. Travis Burns' Wattles top graders will run on to Platz

Oval on Sunday at full strength looking to establish themselves as key contenders for the Toowoomba Rugby League Minor Premiership. Burns' is confident he has the line-up to do the job, but Wattles have to play for 80 minutes.

Glyn Rees
