

Rotary honours Robyn's service to community

This year's changeover for the Rotary Club of Allora saw the announcement by outgoing president, Robyn Draper, in her final duty in her president's year, of Robyn Miles as a Paul Harris Fellow. A Paul Harris Fellow can be presented to any person, either in the club or outside it, for outstanding service to the community. The PHF award has dual benefit. Not only does it give the community an opportunity to recognise somebody worthy of recognition, but it also requires the club to give \$US 1000 to the Rotary Foundation, Rotary's charity, which works across the world on projects benefitting many communities. In announcing Robyn Miles as a Paul Harris Fellow, Robyn Draper noted "It is easy for us to almost take Robyn and the Railway Hotel for granted. It is almost too easy for community groups to gain sponsorship from her, because she is so generous" to which Robyn's dad, Cec Miles, quipped, to the amusement of all gathered for the occasion, "I wondered where all the profits went." She further enumerated the long list of substantial sponsorships that Robyn Miles and the Railway Hotel had made annually or has supported in just the last few years, which included Rotary Annual Trivia Night, Allora Cricket Club and the Rascal's Cricket Team, as well as the Allora XI, Allora Show Girls, Allora Cup race day, Allora Golf Monthly Mug, Teams for Night Bowls and Raffle prizes for Night Bowls, Rotary 50th celebrations, Wattles season, Match Day and trophies, St Patrick's Rattle of the Brains, Allora Sheepdog Trials, Biggest Morning tea, Great Endeavour Rally & Cruise, Dry July Cancer Fundraiser, Allora & District Historical

Paul Harris Fellow Robyn Miles, with out-going President, Robyn Draper and Past District Governor Darrell Brown.

Society Open Day Raffle, Allora State School P&C Spring Fair, Allora Autumn Festival, Allora State School Musical, Camp Draft prizes, Allora Regional Sports Museum Hall of Fame and the Allora Show Smash-up Derby. As Robyn Draper stated "And I am sure there are others that my research has not uncovered." Further, Robyn Draper also noted that "Robyn is also an employer in a town where every job is so vital. In times when corporates like NAB are leaving town, businesses like Robyn's are a mainstay and a significant part of our prosperity" and "It is by no coincidence that the Railway is the venue of choice for so many events. It is testament to Robyn's managerial aptitude and her flexibility and we at Rotary are certainly among her most satisfied customers." In handing over to the incoming president, Liz

Continued from front page...

Marshall, Robyn Draper thanked the club and the community for their support for Rotary activities during the year, among them the once again very successful Trivia Night, a Morning Tea Cancer Council fundraiser and the annual book sale. She also indicated that Rotary had sponsored a record number of youth programs, with Ella Gartery able to attend RYTS and, again, three of the Allora State School leaders able to attend RYPEN.

In taking up the mantle of office, Liz Marshall announced the theme of the 2018-19 year of her presidency as "Be The Inspiration" and a new mission statement of "Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves." Liz articulated how she was inspired by the example of those in Rotary like Bill Lester (charter member) and John Gordon, who between them have given 100 years of service to the community through Rotary, and how she hoped to emulate their achievements.

She also announced her new executive of Shann O'Connell

as secretary and Andrew Westerman continuing as treasurer. Other positions are unchanged but Liz commented that "we all work in all positions", which makes no duty too onerous. She thanked Robyn Draper for her work over her year and endorsed the awarding of the Paul Harris Fellow to Robyn

President Liz Marshall with Treasurer Andrew Westerman and Secretary Shann O'Connell.

Miles.

Once again, the event was well attended, with representation from Boonah, Warwick

and Warwick Sunrise Clubs, and a sumptuous meal was accompanied by great fellowship.

Robyn Draper hands over the "heavy vestments" of office to Liz Marshall.

Strong Not Tough - Adult Resilience

The Strong Not Tough – Adult Resilience program aims to increase an adult's resilience and coping skills. Backed by years of research the Strong Not Tough program is evidence based and proven to help participants be the best they can be, and reduce their anxiety by imparting on

them many skills and tools such as:
• Developing awareness – body language & signals, mindfulness and attention training, being grateful
• How to control and regulate intense emotions
• Relaxation techniques
• Mindfulness skills and

• Setting realistic and achievable life or study goals
• Organisation and focus skills
• Enjoy a healthy life style

The structure of the Adult Resilience Program is a 5 session course, with each Wednesday session taking approx 1.5 hours. Developed by Dr Paula Barrett, the Adult Resilience program has helped the lives of thousands of participants. It has also helped parents and families become stronger in themselves by applying the

skills they learn while undertaking the program. BUSHkids Warwick would like to invite you to the program. The program will be presented by Family Health Support Worker Linda Cholawinskyj - accredited Adult Resilience facilitator.

The Program commences Wednesday, 22nd August, 1.00pm, at the BUSHkids Centre, 191 Wood Street, Warwick. Workbook provided free of charge. To register, phone 4667 1200 or email warwick@bushkids.org.au - Spaces are limited. Any questions contact BUSHkids as we would be pleased to speak with you.

Allora's 150th Year Celebrations Plans Underway

Historical Society members, as well as visitors, Stuart Campbell, Perry Cronin and (absent from photo) Roslyn Lakeman and Chris Gleeson, held a very exuberant meeting, starting to bring together the planning of events for Allora's 150th year celebrations to be held next year on Saturday 20th July & Sunday 21st July. Put this date in your diary. Contact your families & friends.

Left to right: Colin Newport, Ross Neale, Wendy Ardrey, Jim Anderson, Kaye Mullins, Heather Petersen, Ken Petersen, Lynn Close, Ted Woodrow.

St Patrick's School Opens Its Doors For Catholic Education Week

Catholic Education Week will be celebrated across Queensland from 29 July – 4 August this year. This annual event is held to promote the special ethos of Catholic schools and to highlight the great things that take place in Catholic schools every day. The theme for this year's celebrations is Discovering New Horizons. You may have seen the fence banner out the front of the school. Catholic education strives to make a difference in the lives of those in our schools and in the wider community by challenging young people to live out the message of Jesus and to reach their full potential as compassionate, contributing, life-giving members of

society. There are 304 Catholic schools in Queensland that educate around 147,000 students and employ more than 19,000 teachers and staff, and most will celebrate Catholic Education Week in some way. St Patrick's school is planning a number of activities during the week and we hope you are able to join in the celebrations with us. On Monday the school's senior choir will be treating the residents of the 'Homestead' with a performance. Tuesday will begin with a celebration in church for Catholic Education Week, followed by an 'Open Day' at 11.30am. 2019 enrolments or other children of families wishing to come and have a try, are welcome to come and be a part of our classes for this day. Please contact the office if you are interested in attending our 'Open Day'.

General Practice – Changing For The Better: AMA Family Doctor Week, 22- 28 July 2018

General practice – the cornerstone of Australia's healthcare system – is undergoing remarkable change to better meet patient needs, AMA President, Dr Tony Bartone, said today. Marking AMA Family Doctor Week 2018, Dr Bartone said that technological advances and changing business practices are combining to improve the service to patients. "Every day in Australia, there are about 406,000 visits to family doctors and, on average, Australians see a family doctor about six times a year," Dr Bartone said. "Most patients have a preferred family doctor, and about 93 per cent of Australians always go to the same general practice. As people get older, they are

more likely to keep seeing the same doctor. "Many general practices have become larger and more diverse in the services that they offer to patients. "More than ever, family doctors are working with other health professionals to care for patients, and many practices employ a range of allied health professionals, including practice nurses, pharmacists, diabetes educators, Aboriginal health workers, and psychologists. "Many general practices now have co-located pathology collection centres, and point-of-care testing services are increasingly available in the practice to provide timely test results for your GP. "General practice is now highly computerised. This means that if your own family

doctor is unavailable, another doctor in the practice can look after you, with immediate access to your clinical records. "Many practices also offer point-of-care Medicare claiming, online appointment making, and recall and follow-up systems to ensure that patients do not fall through the cracks. "You can also talk to your GP about creating an electronic My Health Record, to ensure that those in your health care

team can make informed treatment decisions. "But one thing that will never change is the trusted relationship between a family doctor and their patient, and the personal touch that is so important." Family Doctor Week recognises and celebrates the important role that family GPs play in the lives of their patients. It runs from 22-28 July 2018.

Clients will then automatically receive, as a bonus, a calendar entry. These entries will be in a 2 line format as above, starting in bold with date and event, followed by venue and time.

If people wish to contact The Allora Advertiser and discuss their particular needs, please feel free to do so. Ph 4666 3128.

Looking Back...

Allora's Past 25 years ago July 1993

Shire Boundary Options

Allora Shire Chairman, Cr. Jim Deacon, feels that the Allora Shire has been left "high and dry" by other local councils in EARC deliberations on proposed shire boundary changes. The decision by the Glengallan Shire Council to opt to go it alone meant that Option 2, the disbandment of the Rosenthal Shire and the land to be divided amongst Warwick City, and Glengallan and Allora Shires, was less likely. Cr. Deacon felt that Option 3, the enlargement of Warwick City and the formation of a large rural shire, had a lot of problems associated with it. "Allora and Rosenthal are both strong financially" he said. "To combine the shires would mean ratepayers would have to carry the burden of Glengallan Shire's \$2 million debt."

Allora's Past 75 years ago July 1943

Strange Cases

Mr. J. J. Shelby, the veterinary officer at the Warwick Stock Office, has encountered some strange cases in the line of his work

with the Department. He was recently called to attend a sick cow at Allora and gave it a cleansing drench. Several days later it was given a small feed. After being turned out into a paddock it dropped dead. Following a post-mortem examination Mr. Shelby removed the heart, sliced it and in the left ventricle found a solid concrete mass resembling a well worn cricket ball formed from fibrous heart tissues. What caused the condition was not known, and medical and veterinary men advised of the incident, expressed wonder that the animal had been able to stand up in such a condition.

Allora's Past 100 years ago July 1918

A Smart Capture

A smart piece of work, resulting in the capture of a man in the shop of Chard Brothers, butchers, was carried out by the local police at a late hour on Wednesday night last. Constable Zahn was on duty when he heard a noise from the shop of Chard Bros. The constable entered the premises in company with Sergeant Spink and made a search of the shop with lighted matches. Their efforts were rewarded when they found a man in a

crouching position under the counter. The defendant, who gave his name as Archer Noble, appeared before Messrs. P. J. Higgins and H. G. Deacon J.J.P. on Thursday afternoon on a charge of having broken into the premises of Chard Bros., and stolen 5/11½ from the cash register. Sergeant Spink prosecuted. The defendant, who pleaded guilty, was committed for sentence to the Criminal sittings of the Circuit Court to be held in Brisbane on the 29th inst.

Allora's Past 125 years ago July 1893

Allora Police Court

(Before H. B. Gough Esq., P.M.)
 Illegal Detention of a Greyhound
 William H. Farrington v. John Hurley
 Mr. Hamilton (Toowoomba) appeared for the complainant and Mr. Curnow (Warwick) for the defendant.

Considerable interest was attached to this case amongst the sporting men of Allora and Clifton as the slut in question is a candidate for the Waterloo Cup to be run on the 21st inst. After some legal argument the case was dismissed, the complainant being ordered to pay the defendant £4 10s costs..

ABC Heywire 2019 Competition launched

The ABC is calling on people aged 16-22 to share their experiences of life in regional Australia for the opportunity to be featured on the ABC and win a lifechanging trip to Canberra for the Heywire Regional Youth Summit in February 2019.

Anyone with a story to tell about life in their part of the country is encouraged to enter, with entries of any medium accepted, including text, video, audio and photo. The competition officially opens on 18 July, 2018.

The 40 winners will receive an all-expenses-paid trip to the Heywire Regional Youth Summit and will take part in workshops to help them

realise their potential and give them a kickstart to help make life in regional Australia even better.

Past winners have used Heywire as a springboard to make positive change in the areas of agriculture, mental health, youth employment and drug education, just to name a few.

Director of ABC Regional and Local, Michael Mason, said the Heywire competition has been the start of big things for many entrants.

"For the past 20 years, Heywire has amplified the voices and ideas of young regional Australians. We are so proud to share their stories and help them unlock their

DoubleHelix

SCIENCE TRIVIA QUIZ

1. How many hearts does an octopus have? Is it a) 1, b) 2, c) 3, or d) 8?
2. After nitrogen and oxygen, what's the third most abundant gas in the atmosphere? Is it a) argon, b) carbon dioxide, c) methane, or d) ozone?
3. When fully crewed, how many people live on the International Space Station? Is it a) 3, b) 6, c) 9 or d) 12?
4. What is the Great Artesian Basin? Is it a) a large tank once used to test models of the Titanic, b) a valley in Greece with an excellent echo, or c) a huge underground water source in Australia?
5. How fast is the speed of sound in air? Is it a) about 600 kilometres per hour, b) about 1200 kilometres per hour, c) about 2400 kilometres per hour, or d) about 4800 kilometres per hour?

potential." Minister for Agriculture and Water Resources David Littleproud says Heywire proves that living outside of Australia's urban centres can open doors.

"Heywire is helping bright young people turn their ideas into reality," Mr Littleproud said.

"Currently 400 regional communities are befitting from their innovation and I congratulate the over 11,000 youth who have submitted their stories."

Director of anti-racism program E-Raced and 2013 Heywire winner, Prudence Melom, says that Heywire allowed her to channel her passion into something that is making a real difference.

"Heywire...gave me the help I needed to channel my energy into a project that is helping

thousands of young people around the country to embrace multiculturalism.

Now five years later my project is well established, I'm Toowoomba's Young Citizen of the year, living out my dreams and motivating other young people in regional and rural Australia to do the same. I wouldn't be where I am today without Heywire."

Get your entries in via the Heywire website www.abc.net.au/heywire by 16 September 2018.

Heywire acknowledges the support of the Australian Government through the Department of Agriculture and Water Resources; the Department of Infrastructure, Regional Development and Cities; the Department of Social Services; the Department of Health; and AgriFutures Australia.

Connolly Dam online during routine maintenance works at Leslie Dam

Southern Downs Regional Council will bring Connolly Dam back online while maintenance works are undertaken at Warwick's Leslie Dam.

Located about 15km west of Warwick, Connolly Dam's water supply has not been used since February 2017 and Council's Water and Wastewater Team are working to adjust the processes at Warwick's water treatment plant to accommodate the different raw water supply. The raw water line from

Connolly Dam has been flushed in recent days to clean out the pipeline to prepare for supplying the treatment plant. Residents may notice a change in the taste and colour of their reticulated water supply while the Connolly Dam water source is used. Council is committed to providing a safe and reliable drinking water in compliance with the Australian Drinking Water Guidelines and is required by law to meet Public Health Regulations.

1-2-3 Magic & Emotion Coaching Parent Course

Learn to manage difficult behavior in children 2-10 years old in this three-session program for parents and carers to be held Wednesdays 1st, 8th and 15th August 1.00pm - 2.45pm

Please note: No childcare will be available at the sessions. Parents and carers can learn:
 • How to discipline without arguing, yelling or smacking
 • How to sort behaviour
 • How to handle challenging

and testing behaviours
 • Choosing your strategy - the three choices
 • Using emotion coaching to encourage good behaviour
 • 7 tactics for encouraging good behaviour
 Parents will receive a 1-2-3 Magic & Emotion Coaching Parent Workbook. The course is FREE. Register for this course by contacting BUSHkids Warwick ph 4667 1200.

BAD JOKE OF THE WEEK

The Doctor received a frantic phone call from Mr. Jones who explained that his wife, who always slept with her mouth open, had a mouse caught in her throat.

"Don't worry, I'll be over in a few minutes," said the doctor. "In the meantime, try waving a piece of cheese in front of her mouth."

When the doctor arrived, he found Mr Jones waving a large fish in front of his wife's face.

"What on earth are you doing?" exclaimed the doctor.

"I told you to wave cheese. Mice don't like fish."

"I know," Mr Jones gasped, "but I need to get the cat out first."

Allora Pony Club Campdraft and Gymkhana Weekend

Allora Pony Club members who received trophies at the gymkhana, Lily Rickert, Kira Holmes, Caitly McMahon, Riley and Ashton Collins.

Coming around the first peg, Caitlin McMahon.

The weekend of 21st and 22nd July saw the Allora Pony Club host a Pony Club campdraft and gymkhana at the Allora Show Grounds. Saturday's campdraft was attended by 74 riders, with riders from local clubs Warwick, Cambooya, Millmerran, Killarney as well as clubs from Goondiwindi, Fassifern, Mt Mee and several Brisbane clubs. In these dry times the club is very grateful to the people who lent cattle for this event, the Christensen Family, Collins Family and Jack's Creek. The Jones Family of CEFN in Clifton were our major sponsors for the campdraft and Mr Tony Gifford of Yangan our judge. Francis Lyons Transport transported the cattle to and from the grounds. Allora Pony Club had seven riders compete in the campdraft with Riley Collins coming second in the 8-11 years group, Lily Rickert third in the 12-14 years age group and Jessica Busiko won the 17-26 years. Sundays gymkhana started at 8.30 am with the March Past of clubs and this was won by the Allora club. A total of 89 riders representing 25 clubs, competed in their age groups across 11 different events. At the completion of age group events the George Anderson Memorial Fours was held. This years winning team was made up of riders from the Zone 1 area (Brisbane). It was encouraging to see some of the younger riders compete in this event. The Allora Pony Club Patron Mr Hughie Huston was present to give everyone a run down on the history of the George Anderson Memorial fours. Gymkhana age group trophies were won by Ashton Collins 3rd; Caitly McMahon 4th, Lily Rickert 4th and Kira Holmes 1st. The Allora Pony Club member with the highest points not receiving an age group trophy was won by Riley Collins. At the completion of the day the Cambooya Pony Club was declared the Club with the most points, closely

March Past line up - Allora Pony Club.

Allora members Jessica Busiko, Riley Collins and Lily Rickert who received places in the campdraft.

followed by Cabarlah, Millmerran, Warwick and Allora. The Allora Pony Club is grateful for the help provided by the Allora Show Society and for their work in operating the canteen for the weekend.

There are numerous people who help make a competition weekend like this happen and the club is very appreciative of all the volunteers who helped make the weekend a success. The other people who made the event a success are the

Wattles Juniors report

Wattles Junior Warriors travelled to Stanthorpe to play the Gremlins on Saturday. U14 Girls leaguetag had a bye game.

Clifton Upholstery and Allora Pharmacy U7s had tries scored by Michael, Jake, Archie, Hayden and William. **Steele Rudd Servo's Under 8's.** The boys worked well as a team with backing up and offloads. Douglas, Zavier, Kaleb, Eddison and James made great metres through the middle. Tries went to Jonte 3, Archer 1, Bailey 3 and Jack 2. Thanks to the boys who helped the Gremlins field a side.

Dalrymple Landscaping and Haulage Under 9s - It was a good game with great defence from Wattles. Try scorers were Orry 1, Marty 2, Thomas 2, Ukyezar 2, Billy 2 and Zac 1. Warwick Pizza Hut player of the match was Henry.

Super effort Wattles. **Clifton Auto Ag Repairs U11s** had a great game of footy. Corey was running strong which saw him score 2 tries. The team worked well together, picking up any loose balls which resulted in tries. Coach Phelan said team needs to work on moving up in defence and tackling with our shoulders. All round great game. Tries were also scored by Lewis 2, Billy 1, Atticus 3 and goals kicked by Ben and Billy.

Ryanie for Tyres U12s - A convincing win to the Warriors, the team combined well. Lauchlan had a great run which resulted in a try. Other try scorers were Hamish 2, Marty and Sam. Goals kicked by Hamish, Jack, Brock, Atticus and Billy P. Thanks again to U11's who play up for us. Final score Wattles 30 to 6.

Clifton Real Estate U14s - The team went out onto the

field with confidence with some key players being away. Eli, Jamie and Ashley G all had great games. The rest of the team worked hard with great defense and attack. Tries were scored by Jamie, Ashley P, Ethan, Daniel, Michael, Ashley G and Eli. Lachlan kicked 4 goals and Liam R 1. Great team work U14s! Wattles win 38 to 22.

Ruhle Developments U17s Girls Leaguetag - Captain this week was Lacey. In the 1st minute Jo breaks through to score a try, converted by Sophie. Great defense and catch by Lacey. Ebony scores in the 5th minute with Lauren kicking the conversion. Stanthorpe scores a try and after half time Sophie scores a great try under the posts and kicks the conversion. Charlotte scores in the corner, followed by a three quarter length of the field run by Sophie who converts her try. Stanthorpe cross the line again and in the last couple of minutes Ebony scores with

Lauren kicking the conversion. Great game ladies. Wattles win 34-10.

U16 Hamblin Builders - This game was a carbon copy of the last time both teams played, however the result was flipped upside down with the Gremlins winning 44-14. It was a true game of different halves for us, Coach Brady thought the boys were easily the better team in the first 10 minutes of the game however poor decisions and executions of plays let us down at crucial times. We went into the break down 34-0. The half time message was play together as a team and not to rely on 1 or 2 players to do all the work. The second half was pleasing, our defensive line and enthusiasm was a lot better and our attack was on song. Tries were scored by Clayton, Jake and Harry. Our best on ground was once again Darby who was really in everything. Rylan was also good.
