

New Allora Golf Club President

Mick Dwan is the new President of the Allora Golf Club, replacing Lindsay May who has held this prestigious position since 2004. The Allora Golf Club was only in its 9th year when Lindsay took over the Presidency and under his stewardship it has grown to be an extremely successful organisation with membership trebling and both competition and social golf participation at record levels. Lindsay will continue to help out at the club as he enjoys his retirement and plays more golf. Lindsay (right) is pictured congratulating Mick on his election. Other Golf Club positions are Aaron Simpson as Club Captain and Doreen Duffy as Vice-Captain. At the recent Sports Club Annual General Meeting, Kev Harrison was elected to serve his 11th consecutive year as President. Kev noted that he was proud to accept the honour of serving another term as President, as he reflected on the hard work that

Green signs becoming a familiar sight

Allora residents may have noticed a growing number of real estate signs for Landmark Harcourts over recent weeks. They are the result of the firm previously trading as Clifton Real Estate, joining the Landmark Harcourts group. The principal of the new look firm, Peter Cooke, is a fifth generation farmer in the local area. He and wife Jackie, who is also heavily involved in the business, spent some years working in agricultural industries in western Queensland before returning with their family to their rural property in the Pilton Valley. Since taking over the Clifton-

based business, the Cookes have been interested to cater for the real estate needs of Allora and district and they hope to expand on this. The Landmark group's general manager for South Queensland, Damon Ferguson, said Landmark Harcourts are excited and proud to be associated with a reputable team with service and relationship values similar to those of Landmark's. "Having the Cookes join our group will only further strengthen our real estate to more of our customers on the Darling Downs," Mr Ferguson said.

Looking Back...

Allora's Past 25 years ago October 1993

To the Editor Warwick Daily News

I live in the town of Allora. At present we are fighting to save our Council and Shire. Why do we, who have a very viable council have to lose it to be made part of Warwick? Our local businesses will suffer and there is sure to be a loss of jobs.

I consider this a definite step backwards instead of a step forwards. Our Shire is over 125 years old and has always done the best for the community. There are more important things for the Government do than destroy a viable shire.

Golden Wedding

Members of the Gwynne family in the Allora district recently took part in an interesting family celebration, the occasion being the celebration of the golden wedding of Mr. and Mrs. George Gomersall of Brisbane. Mrs. Gomersall before her marriage was Miss Agnes Gwynne, a daughter of Mr. and Mrs.

Harry Gwynne, who for many years lived in Allora, but are now residents of Toowoomba. It is not often that parents are spared to witness the celebration of the golden wedding of their children, but in this case both of Mrs. Gomersall's parents are alive, Mr. Gwynne having reached the age of 95, while Mrs. Gwynne is 89 years of age. There were nine children in the Gwynne family, and of this number, eight are alive and all well known in the Allora district.

Wedding Bells

A pretty and popular marriage ceremony, of interest to a large circle of friends in the district, was celebrated at St. Patrick's Church, the Rev. Father Carroll P.P. officiating. The contracting parties were Miss Annie Collins, second daughter of Mr. Thomas Collins, and the late Mrs. Collins, "Rushbrook", Allora, and Mr. Stephen J. Logan, second son of Councillor J. Logan and the late Mrs. Logan, "Loganholme", Clifton. There was an exceeding large gathering of friends at the church, the interior of which was beautifully decorated by the Sisters of St. Joseph. The two bridesmaids were Misses Vera Collins and Nora Collins. The bridegroom was supported by Mr. E. J. Phelan and Mr. W. J. Bourke. After the ceremony the guests motored out to "Rushbrook" where the wedding breakfast was held. On the bride's table there was a three tiered wedding cake made by her sister, Mrs. E. Cowley, Talgai, and beautifully iced by Mrs. Hansen.

Seed shortage hits area

Recent rainfall has caused an unprecedented demand for seed across the region, leaving suppliers and farmers scrambling to secure product. Pacific Seeds Marketing and Communications Manager Liam Anderson said demand for grain and sorghum product has increased significantly. "The recent rainfall has producers hopeful for a summer crop," Mr Anderson said.

"With more rain on the way, producers are starting to secure seed supplies now. "As a result of this, numerous varieties of grain and sorghum have sold out, with extremely high demand for the remaining varieties of product. "Some producers are seeing the recent rainfall as a sign of hope after an extremely dry winter. "We are expecting a very large sorghum plant this year."

St Patricks Fete

The well-loved St Patrick's annual fete is being held this Friday from 5pm - 10pm in the Church and School grounds. Once again it will be an evening full of family fun and entertainment.

A past hit with the children, Li'l Squirt the Fire Truck will be offering rides to the littlies. The children will also love interacting with the baby animals in the Animal Nursery. The ever popular face painting, glow products, jumping castle and Fun Cars 4 Kids will be in attendance.

Fete patrons are invited to browse the variety of stalls including homemade cakes and sweets, the pot plants and produce as well as trying their luck on the bottle stall and the chocolate wheel. There are also plenty of dinner options available, such as the BBQ,

cherrios, tasty mince and rice and the delicious tarts and tea. A bar will also be operating on the night.

The Anything Goes novelty race is always popular, so gather your team of four or save your pennies to buy a team at auction. The St Paddy's Cow Pats squares is an engrossing attraction with an opportunity to win \$500. The Art Union at \$2 a ticket offers a chance to fill your freezer with a side of beef, pork or lamb or a turkey, whilst the Deuchar Stall has lots of raffles on offer.

The St Patrick's School children's performance will provide enjoyment for families and the community alike followed by Haydn Briggs entertaining the crowd into the night.

Weddings Throughout The Ages

The well-loved St Patrick's annual fete is being held this Friday from 5pm to 10pm in the Church and School grounds at Allora.

'Weddings Throughout The Ages' Co-ordinator Kerry Denné had spent much of this year collecting gowns and researching for what was to be a 'parade' of bridal gowns through time, with local models strutting the catwalk the evening of the Fete.

While the rain did dampen proceedings, the special display proved to be a treat for those visiting the church to also be able to view gowns and accessories from as early as 1930s.

The gowns were loaned by local ladies Brenda Parsons (Duncan), Lynette Fenner, Dale Gwynne (Gillam), Thelma Fett, Lenore Wissemann (Fete), Lynette

Rotary Club Allora wants members

The Rotary Club of Allora is on the recruit for new members, with interested persons invited to a 'Meet and Greet' event at a Herbert Street garden on Sunday October 28 from 3pm to 5pm.

A well-known local organisation, the Rotary Club of Allora was established over 40 years ago.

The club's mission is to provide a service to others, promote integrity, and advance world understanding, goodwill, and peace through fellowship of business, professional, and community leaders.

The Allora branch has an outstanding history assisting local events, including the

Rotary Book Sale, Allora Show, Allora Autumn Festival, Allora Heritage Weekend and Allora's Australia's Biggest Morning Tea event.

Rotary Club of Allora Secretary Shann O'Connell said the informal event will be an opportunity for people to learn about Rotary as an organisation, the history and workings of the Allora club and mingle with existing and prospective members.

"It is about meeting club members, learning about what we do and finding out if joining the club is something you would be interested in," Mrs O'Connell said.

"We currently have 11 members, with some being with the club since its inception.

"Rotary, as an organisation, is very involved with the Allora community and has made a positive impact over the years. "Our members are great friends and we take pride in helping out with many local projects and putting on charity events."

The Rotary Club of Allora meets fortnightly on a Monday, with a dinner meeting at the Railway Hotel from 6.30pm onwards.

The Rotary Club of Allora Meet and Greet event will take place at a Herbert Street address on Sunday October 28 from 3pm to 5pm.

The gate to the property is located at the Allora newsagency.

For more information about the event or to express your interest in attending, contact Mrs O'Connell on 4666 3469 or 0478 637 604.

Allora QCWA: Oktoberfest – the German festival

Allora CWA's country of study this year is Germany:

Oktoberfest, the largest folk festival in the world, began as a public celebration of the wedding of Bavarian Crown Prince Ludwig to Princess Theresa of Von Sachsen-Hildburghausen in 1810. The original celebration featured a gruelling horse race, games, music, food, rides, and non-alcoholic drinks. The celebration was held in a large meadow which became known as Theresa's Meadow near the city of Munich and the horse race was viewed from a low hill nearby.

Now in its 182nd year, Oktoberfest in Munich is a major tourist event, renowned throughout the world and copied by many other cities including Brisbane. The actual date for the festival begins in September around the 19th and runs for 16 to 17 days, usually finishing on the 3rd or 4th of October. This is to take advantage of the usually warmer weather in September rather than the coolness of October.

The Festival area covers 420,000 sq. metres and is still held on the original meadows although this site is now in the middle of the city. Every year, in mid-July, this area is transformed with the arrival of

the construction teams which set about building 14 major and 15 minor beer tents, mainly made of timber and set on newly made concrete slabs. The most famous of the beer tents, the Schottenhamel Tent began as a small beer booth seating 50 people in 1867, and now has 10,000 seats. Each of the 6 breweries of Munich has a beer tent. The beer served at Munich Oktoberfest must be locally brewed and pass the strict "purity" test according to the law of 1516, which allows only water, hops, and malt in beer. The festival follows a set pattern every year with a 12 gun salute and a brewery parade with colourful decorated wagons heralding the official start. In the Schottenhamel Tent the mayor of Munich taps the first keg and the first person to get a beer is the Minister-President of Bavaria.

During the days that follow between 6 and 7 million people mostly from Bavaria, attend the festival. There is a brass band concert, a traditional dress and rifleman's parade and a traditional religious mass. Lively music, mouth-watering food, amusement rides, and lots of beer are common staples of the festival. Especially for the

children, there is a flea circus with 60 fleas performing! At the end of Oktoberfest, it takes 5 weeks to dismantle

the tents which are stored in warehouses to be erected the next year. Theresa's Meadow is returned to its usual state.

Gatton - Clifton Road – Heifer Creek Crossing No. 4 And 5

The Department of Transport and Main Roads (TMR) advises that batter slope safety improvement works are planned between Heifer Creek Crossing No. 4 and 5 on Gatton – Clifton Road.

Work is expected to commence Monday, 29 October 2018 and be completed by Thursday, 29 November 2018, weather permitting.

The works to improve the batter slope surface will be conducted during the day (between 7.00am and 5.00pm), Monday to Friday in order to meet standard safety requirements.

A full road closure in both directions will occur on Sunday, 4 November 2018, however all other times road closures will only be required to remove fallen rocks. If required, the road will be closed in both directions for approximately 10 minutes.

During the road closure, motorists should use Gatton – Helidon Road, Warrego Highway and the New England Highway as an alternative

route. Please be advised using the alternative route will add an additional 30 minutes to travel times.

The safety of motorists and road workers is TMR's top priority and motorists are asked to drive to the traffic conditions and obey all signage and instructions from traffic controllers during the course of the works.

We thank you for your patience and understanding during the delivery of these important works and apologise for any inconvenience they may cause. For further information on these works, please contact TMR on 4639 0777 or email DownsSWR@tmr.qld.gov.au.

For up-to-date information on traffic disruptions, motorists are advised to call 13 19 40, or visit www.QLDTraffic.qld.gov.au

TMR has a free QLDTraffic app which allows motorists to key in their favourite travel routes and receive personalised and reliable traffic advice.

Scope Club of Allora Inc. News

On Wednesday, 10th October, Scope Club of Allora Inc. held their annual Friendship Dinner at the Commercial Hotel, where they presented their annual Community Award to a worthy citizen for 2018. The award was given to Percy Pugliese, our generous community fruiterer. Many of our previous recipients were in attendance.

On the night, our National Life Member Irene Batzloff from Toowoomba inducted 3 new members - Jane Jacoby, Val Abbott and Juile Simpson. Welcome to Scope and we hope you enjoy the friendship we share.

On Saturday 13th October, members helped the committee with the High Tea as Youngcare was to receive

part of the proceeds. Scope have been supporting Youngcare since it started some 12 years ago. We were delighted to welcome to Allora the CEO of Youngcare,

Anthony Ryan. Anthony gave a very moving story about some of their residents. He was impressed with what Allora can present and has said he will be returning.

the early committees put in to establish the Sports Club and set it up for the success that it is now enjoying. The Sports Club recorded another record year in FY2018, the fourth in succession. Kev thanked the club members for having confidence in he and the other committee members, who were all returned unopposed. The other office bearers are Wendy Ellwood Provodere; Greg Patterson Patron; Lindsay May Vice-President and John Ellwood Secretary/Treasurer.

As a result of the increasing membership numbers and the solid financial performance, the Sports Club committee decided at the AGM to not increase membership fees or green fees (both competition and social). The Sports Club is totally reliant on volunteers and support from the local community and we receive this in spades. The Sports Club facilities are regarded as some of the best in the region and we encourage everyone in the Allora district to come down and enjoy them and maybe become involved as a club member.

WCU sponsors Allora Night Bowls

The Allora Sports Club is delighted to advise that the Warwick Credit Union has agreed to sponsor the 2018/2019 night bowls competition. With this sponsorship, the WCU has once again demonstrated their commitment to support local sporting and community events and it will assist the Sports Club in meeting expenses associated with running the bowls competition. Night bowls in Allora is played every Tuesday evening from September through to March and it has never been more popular. The bowlers who participate are at differing levels of experience, with quite a number playing bowls for the very first time. Bowlers range in age from teenagers through to senior citizens and it is fantastic to see the camaraderie among all the players.

Night bowls in Allora is very much a social affair with the focus on enjoyment and singing along to the music, which blares across the bowls green during the course of the game. The bowls competition relies heavily on the generosity of local businesses including the Railway Hotel, Ken O'Dea Floor Coverings, Paul Parker Painting, Allora Butchery, Percy's Fruit Market, Whites Garage and Bolzan Sand Supplies. It also relies on the help of a dedicated band of volunteers including Greg Patterson, Peter Mole, John Gartner and Lyn Wright. Although all the teams are full for this season, anyone interested in playing bowls should come along to the Sports Club on Tuesday at 6.30 pm and the bowls director will endeavour to get you a game.

The golf club would like to thank Lindsay May for his many years as the President and welcome the new incoming President, Mick Dwan.

BAD JOKE OF THE WEEK

A 92 year old man is walking through a park and sees a talking frog. He picks up the frog and the frog says, "If you kiss me, I will turn into a beautiful princess and be yours for a week."

The old man puts the frog in his pocket. The frog screams, "Hey if you kiss me, I will turn into a beautiful princess and make love to you for a whole month."

The old man looks at the frog and says, "At my age I'd rather have a talking frog."

Clifton Night Bowls

On Thursday 11th October, Night Bowls Muster No. 2 was held and there was a good roll-up of 22 bowlers. Winning team, Murilla Gorillas; Wooden spooners, Bowling Stones. Play for the Clifton Courier Shield will start tonight, 18th October. Clifton Country Week bowls on Thursday 25th

October will start earlier - names in at 6pm for bowls from 6.30pm. Proceeds from the night will go to the Clifton Progress Association. There will be prizes, raffles, vouchers and nibbles organised by the Progress Association. Come along and support this fundraiser.

My Health Record places your health in your hand

My Health Record is here and by the end of 2018, a record will be created for every person with a Medicare or Department of Veterans' Affairs card, unless they choose not to have one.

My Health Record is an online summary of a person's key health information such as allergies, current conditions and treatments, medicine details, as well as pathology and diagnostic imaging reports. It allows your nominated healthcare providers access to a summary of your health record when they need to.

Local community member Craig Lewis has a number of health concerns and knows first-hand the importance of having a My Health Record - he can keep all of his health information online in one place and can choose which medical professionals can see it.

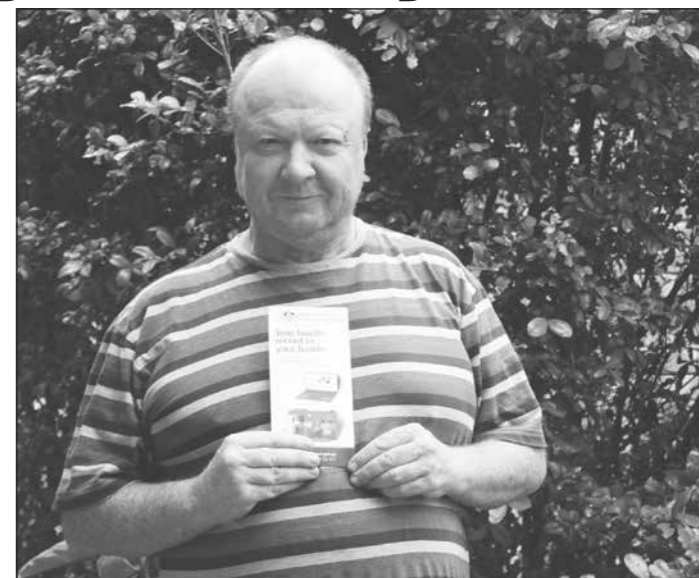

"My Health Record has been greatly beneficial to me and to the health professionals that I am in contact with. I see a wide variety of doctors both in hospital and private practice and it allows both me and them to easily see what

treatments and medications each health professional has prescribed."

Craig has also travelled interstate and during these trips, his My Health Record has provided comfort and piece of mind knowing that all of his key information is accessible in the one place. "Having a My Health Record means that I know that no matter where I travel in Australia, if I get sick, my treating health professionals can view my record and make decisions about my care."

As a central repository of documents from different healthcare providers, My Health Record stores information that can be accessed at the point of care. Some key things to remember about My Health Record:

- Your important healthcare information is available in one place and accessible by your doctors, specialists or hospitals.
- When moving interstate or travelling, your information can be viewed securely online.
- In emergency situations, treating doctors can view

information such as current medications and Advance Care Plans to provide appropriate treatment quickly.

- You don't need to remember the dates of tests, medicine names or dosages.
- Because health-care providers have better access to clinical information, they have a more detailed picture to make decisions, diagnose and provide treatment.
- You can control what information goes into your

My Health Record and restrict who is allowed to access it.

- For those that require assistance accessing your My Health Record, you can nominate someone to act on your behalf or ask healthcare providers involved in your care to add information to your record.
- My Health Record has multi-layered security processes and strong safeguards in place to protect your information.

5. (c) There is no Nobel Prize in biology!

Jersey Auction

The current St Patrick's School footy jerseys, which are to be replaced in 2019, will be offered for purchase through a silent auction at the St Patrick's Fete on Friday 19th October. Many former students have proudly worn these jerseys over the past fourteen years and the auction presents a very rare opportunity to own one, perhaps even the jersey worn by yourself or your family member.

Just for the record and the history buffs, the jerseys were purchased for the Gala Day game in 2005, along with soccer jerseys and netball bibs and sunshades. There was so much excitement with both the senior and junior teams wearing the new "Roosters" white tri colours

jerseys. It was truly one of St Patrick's proudest days. The jerseys were made by ISC in Sydney and the deal was done with a nephew of former Bulldogs players Steve, Chris and Peter Mortimer. They have lasted extremely well after 14 years use. Where have those years gone?

Some of the players to first wear the jerseys were Senior Team players Liam Marshall, Pat Geyle, Miles Newcombe, Alex Morris and Josh Henry and Junior Team players Tom Henry, Tom Higgins, Nick Morris, Joe Morris, Jeremy Wright and Matthew Denny. The auction will open at 5pm on Friday 19th October and close at 8.30pm. There is a reserve of \$25 on each jersey – 12 Junior and 11 Senior.

Each numbered jersey will have a separate auction sheet and all bids will be visible on the bidding sheets. All payments will be required on the night unless otherwise agreed. If bidders are unable to be present on the evening and do not have someone who could bid on their behalf, bids will be taken on the St Patrick's Allora Fete facebook page until 4pm on Friday 19th October. Please advise number of jersey and whether junior or senior. Of course, attendance on the night is preferred as it is likely someone could outbid your offer!

"Be in it to win it". Any questions, please contact Kylie Brasch 0417 754 452.
