## Funding for Eight Mile

\$17.6 million has been allocated in the Federal Government Budget to upgrade the Eight Mile Intersection at Willowvale.

Federal Member for Maranoa David Littleproud said upgrades to the intersection will involve an engineering solution and

may include consideration of an overpass.

"This notorious black spot has claimed too many lives in our community and

this upgrade has been one of my major priorities since being elected," Mr Littleproud said.

"I've hosted the Deputy Prime Minister in Warwick and shown him how confusing this intersection can be for motorists as loved ones have lost their lives at this site and it's the scene of countless accidents and near-misses.

"The Coalition is committed to upgrade the Eight Mile Intersection with \$17.6 million in Federal Government funds allocated towards this project, estimated to cost a total of \$22 million."

While the Eight Mile intersection of the Cunningham and New England highways is a most-welcome upgrade, Mr Littleproud also said \$170 million in federal

funds would be pumped into the entire stretch of the Cunningham to upgrade this important Queensland freight corridor.

"The Cunningham Highway is an important transport network across our Southern Downs region and it will be targeted and made safer thanks to \$170 million in upgrade works committed in the Budget by the Coalition Government.

"Also, under Roads to Recovery, where the council can use federal funding to target local priorities, the Southern Downs will receive more than \$1.577 million to upgrade local roads and also \$1.494 million to replace the Palmer Bridge in the 2019-20 Budget."

### Allora CWA goes gardening

Our next meeting will have a speaker telling us about growing herbs and we will share information about what has survived in the garden. The drought has made a mess of the gardens in the district so a bring and share day for cuttings and potted plants will give us a chance to fill some gaps. Everyone is welcome and the talk will start at 10.30 after a short regular meeting. If you cannot come but want to share, drop plants off - they will be welcome.

This has been a busy start to the year with the usual competitions. Floral Art convener Trish Thornberry, K and C convener Sandi Blinco, Cookery convener Kate

Gordon and Photography convener Carolyn Anderson all saw increases in the entries and the comments from the judges were very much appreciated. Division competitions last week saw entries from knitting and crochet, cookery and photography win through to the next level.

Our president represented us at the Warwick show working with Country Kitchens to demonstrate healthy recipes. The branch also assisted with a demonstration at Oak Tree and classes with Endeavour and Blue Care in Warwick under the Country Kitchens guidelines.

The first meeting of the craft group on Tuesday was very productive with painted eggs and hot cross buns produced.

## Charges Laid After Crash

This is the vehicle believed to have been involved in Saturday morning's crash north of Allora, although Allora Police are uncertain as to how it came to be located on the outskirts of Allora.

A Brisbane woman has been charged with two counts after being involved in a road crash north of Allora early on Sunday morning.

At about 4am, Allora Police responded to the crash at the junction of the New England Highway and Caskey's Road.

A vehicle crossed the centre line of the highway and crashed into a fence on a bordering property.

A 39-years-old Brown's Plains woman was intercepted by police as she was leaving the scene of the incident.

She has been charged with one count of careless driving and one count of driving without a licence.

The woman is set to appear in the Warwick Magistrates Court at later date.

## Stolen Vehicle Found at Pratten

On Saturday afternoon, Allora Police, with the assistance of officers from Leyburn, Clifton and Warwick, executed a search warrant at a Pratten address which resulted in the location of a vehicle that had been reported as stolen from Wilsonton Heights in February.

A 55-years-old Pratten man has been charged with

one count of possessing tainted property, while a 31-years-old Pratten man has been charged with one count of possessing a drug utensil, which was also located at the address.

Both men will appear before Warwick Magistrates Court at a later date.

Investigations are continuing in relation to the stolen vehicle.

## School Holiday Advice

During the school holidays, Allora Police are urging motorists and their families to take care when on or near the road.

Police have reminded cyclists to wear helmets and to be mindful of pedestrians and vehicles in their travels, particularly when using crossings and footpaths.

"There will be an increase in Police presence on roads during the Easter road safety campaign, but as always, the responsibility lies with each of us as members of the community, in making sure we get home safely," Acting Sergeant Riley Cozens said.

# Allora Autumn Festival Approaches

The Allora Autumn Festival to be held later this month is again proving popular with good interest shown by stall holders, buskers and local businesses.

Herbert Street will be closed on Saturday 27th April from 6.50am with set-up time for displays and stalls from 6am until 7am. The street will open to local traffic from 4pm with complete access from 5pm.

The Allora P-10 State School P&C will be cooking a breakfast barbecue from 6.30, Amy's Café will open from 8am for a full breakfast and food vendors will be on site.

Mary Poppins House will be available for viewing from 9.30am with a small entry fee.

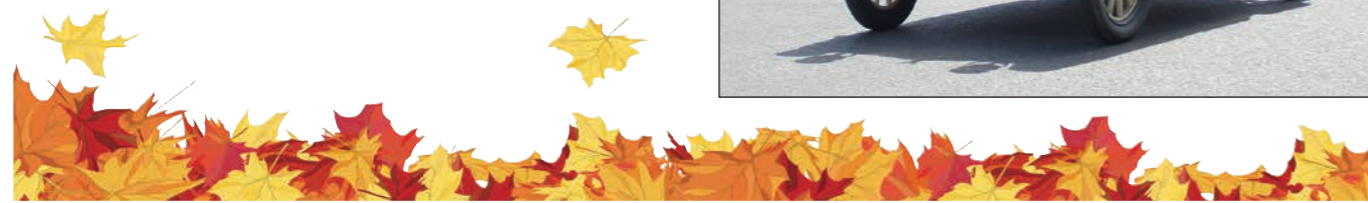

A major highlight of the Festival will take place at The Allora Regional Sports Museum. A short service will be conducted at 11.30am outside the museum when the Allora Town Time Capsule will be opened, 50 years early. Mayor Tracy Dobie will turn the first sod to dig up the 100 year time capsule - a very historic event.

The organiser, Allora Community Circle has invited owners of Vintage and Custom Vehicles to attend and hopefully encourage them to be part of the Festival each year.

To wrap-up the Festival, there'll be a community barbecue from 5pm and an outdoor movie will be shown in P.L. Travers Park.

To book a stall email allorafestival@gmail.com or for more details phone the Allora Community Circle on 0413 943 114

# Carey Bros: Vegan activists leave communities vulnerable to crime

Maranoa MP David Littleproud has slammed the vegan activist invasion that took place early Monday morning at the Carey Bros Abattoir, near Warwick, labelling the action as sub-human and un-Australian.

"About 20 activists stormed the meatworks while about 100 others protested out the front - this is completely out-of-line, disrupting the safety and work of employees, disrupting business procedures and diverting police to a situation that is totally avoidable," Mr Littleproud said.

"Differences between sections of the vegan and farm communities will not be solved with confrontation and people have a right to live their lives without harassment.

"When activists invade abattoirs, feedlots and farms, they divert police to

situations like the one at Carey Bros Abattoir, and the rest of the community is left vulnerable to crime.

"It's a dangerous situation for employees, for farmers and for locals and we don't know just how extreme these activists are willing to take their actions - the uneducated, selfish acts of these vegan activists need to be stopped now before they infringe on our basic rights as citizens.

"These attacks are spiteful and dangerous, challenge our way of life and build mistrust in our community.

"That's why I advocate for tougher and stricter State laws, so that the Queensland Government works with the Coalition Federal Government to curb this ridiculous trend in animal activism.

"We need clearly stated - and stricter - State trespass

laws that are fully enforced.

"That's why this Coalition Federal Government has placed the Aussie Farms

website under the Privacy Act and can now face fines of over \$400,000."

## Maranoa MP calls for Mobile Black Spot submissions across Maranoa

Maranoa MP David Littleproud is calling for community and local council involvement to nominate mobile phone black spots with Round 5 of the Mobile Black Spot Program application process now open.

"Breaks in our communications hinder emergency services, tourism and business - that's why this program is so important for Maranoa and why I've been advocating so hard on this issue," Mr Littleproud said.

"Having strong 4G signal will hand locals more choices in how they live

their lives and give people greater opportunities to stay up to speed with education, business, news, loved ones and calling for help in an emergency.

"Under the Coalition Federal Government, funding for the Mobile Black Spot Program is now more than \$760 million".

He worked on Talgai before purchasing "Beulah", Goomburra, a 200 acre property where he bred horses. George & Caroline had eleven children. George was a J.P., serving on the bench. He was a committee member of the Central Downs Agriculture & Horticulture Association. Both George & Caroline had a great interest in Methodist Church matters.

## Beard Growing Competition

I am reminded of an incident during my time in the army. One of my fellow sappers wanted our sergeant's opinion on his newly grown moustache.

"What do you think of my moustache, Serg?" he asked.

"Ummmm," the sergeant replied trying desperately to find the right word.

"Daggy!" he finally replied. Perhaps the Allora 150 Years Celebration Committee should have a section in their Beard Growing Competition for the Daggiest Beard.

Gary Doolan is married to my niece Karen and owns Paradise Landscaping Supplies on the Gold Coast. He has had a beard for many years and family and friends would not recognise him without it. He loves camping and fishing, especially on Fraser Island, and drives a Toyota (extra Brownie points for that and perhaps a sponsorship from Black

Gary Doolan.

Toyota). He is a collector of old cars, an old hearse being his pride and joy.

Gary came to the Heritage Weekend to see the classic cars and got roped into the beard growing competition by his mother-in-law (who just happens to be president of the Allora 150 Years Celebration Committee - no favouritism will be shown).

Dave decided to take Mabel to the Snake Gully café for lunch.

Dave looked at the menu and said "they've got sheep tongues on the menu, Mabel, I think I'll have that. What about you?"

"No Dave, I couldn't eat anything that came out of an animal's mouth".

"What would you like then, Mabel?" said Dave

"I think I'll have an egg".

# Wattles Vs. Southern Suburbs

A large crowd at Platz Oval on Saturday afternoon and saw local league heroes the Wattles Warriors taste success winning the Ragh Family Trophy over the Southern Suburbs Tigers.

The Ragh Family Trophy has its beginnings back in 2005, the prestigious silverware donated and named in honour of the Ragh family who have had such a significant involvement in rugby league in Killarney, Southern Suburbs and the Wattles clubs.

The trophy, contested for the 15th time on Saturday, is judged on the results of the three games played between Wattles and Souths in the first round of each Toowoomba Rugby League season, with the Warriors finishing ahead on the

weekend after two wins and a loss.

The trophy was presented by former Wattles first grade player, Queensland Country representative and Southern Suburbs coach David Ragh.

The thrilled home crowd watched the Warriors finish ahead of Souths in A Grade 46 - 10, and Reserve Grade 48 - 6 with the Under 18 colts holding up solidly against the top of the table undated Tigers in their 26 - 48 loss.

The Ragh Family Trophy is the second valued trophy won by the Wattles club in the pre-season & opening rounds of the 2019 season after winning the Barrett Family Shield from Warwick in early March.

The Tigers had a point to prove at Platz Oval on Saturday, they are currently engaged in a rebuild after a difficult 2018 season and

enjoyed their first win since 2017 when they rolled Brothers last week.

They were out to measure themselves against last years top grade grand finalists, the Travis Burns coached 'Railway Hotel, Allora' Wattles outfit and despite the one sided result on the scoreboard in favour of the home side, Souths showed they are a force to be reckoned with this season.

Wattles 46 (Dylan Wilson 3, Brayden Wilson, Matt Richards, Matt Duggan, Ty Gardner, Travis Burns tries; Matt Duggan 7 goals) defeated Southern Suburbs 10 (Jordan Dimmack 2 tries; Angus Hearn goal).

Reserve Grade - Wattles 48 (Dale McAntee 2, Brenden Wilson 2, Tom Morris, Eden Blewitt, Terry Bermingham, Michael

Duggan tries; Tom Morris 6 goals) defeated Southern Suburbs 6 (Jacob Polzin try; Hayden Flute goal)

Under 18 - Southern Suburbs 42 (Jasper Smith 3, Hiraka Wanakore 2, Ben Howard, Nick Kuhnemann, Connor Purcell, Logan Koina tries; Ben Howard 4, Jack Pike 2 goals) defeated Wattles 26 (Matthew Christensen 2, Mitchell Bourke 2, Declan Sullivan tries; Travis McDougall 3 goals).

Round 1 - Week 4 fixtures.

Wattles are on home turf again this weekend at Platz Oval in a local derby against the Pittsworth Danes.

Kick-off times on Sunday are: Under 18 - 11.30am, Reserve Grade - 1.00pm and A Grade - 2.30pm.
