## Police Urge Locals To Be Security Conscious

Allora Police have again stressed to locals the importance of considering, maintaining and even reviewing, current home and vehicle security practises in light of several offences committed over the past week.

On Wednesday of last week, three separate car-entry offences were reported.

While only minor property items were taken from inside two of the cars, the offences occurred at varying locations during the early morning hours around town in Drayton and Warwick Streets and Water Lane.

In all three cases the vehicles entered had been left unlocked.

Two of the vehicles were inside the owners' house yards.

"Offences like these are very difficult for Police to solve, given their very quick and opportunistic nature and the simple fact that there is little to no forensic evidence left behind by the offender," Allora Officer in Charge Sergeant Damien Grace said.

"Most often than not, if the offenders find one car locked, they will move on to the next until they find one that is unlocked."

On Friday night Allora Police officers were called to attend two separate incidents at the southern end of Forde Street.

Shortly before 11pm officers were called to attend a Geck Street residence when the male resident

located an unwanted male intruder inside his home.

The rear door of the home had been left closed but unlocked.

Upon confrontation by the home owner, the male offender fled without further incident.

Police will allege that, a short time later, the same male offender entered the nearby Forde Street home of a single lady who had been asleep in bed.

In this instance, the victim had left her residence front door unlocked and slightly open, to allow the passage of her pets during the night.

She had then been awoken to find the male standing over her, in her bedroom.

A struggle ensued between the two, with the man fleeing after the woman called out for help.

The victim sustained minor injuries.

The offender was located and arrested by Allora officers a very short time later in another, nearby Forde Street residence at which he had been visiting earlier.

The 18-years-old Toowoomba man, who recently arrived to Allora, has been charged with two counts of entering a dwelling with intent and another serious, related offence.

He has since been remanded in custody and is next to appear Toowoomba Magistrates Court on the 27th of June.

## Festival Draws A Crowd

The Allora Autumn Festival on Saturday attracted plenty of attention, with particular interest in the unearthing of a time capsule planted 50 years ago.

As soon as stall holders had set up along Herbert Street, the crowd started arriving to make the most of the various wares on offer, while local children took the chance to climb aboard rides such as the jumping castle, super slide and a train, which also attracted plenty of adult passengers.

At 11.30am, a time capsule which had been planted on 8th October 1969 by the president of the Darling Downs Local Government Association Cr Fred Rogers to mark the centenary of local government in Allora, was dug from the earth outside the Allora Regional Sports Museum, which had formerly been the home of Allora Shire Council.

Unfortunately when the capsule was opened, the

contents were found to be wet, as a result of water seeping into the container.

On hand for the opening was Lydia Egunnika, a curator with the Queensland Museum Network, who has taken the contents with a view to preparing them for re-burial at the 150th celebrations of Allora in July.

Between now and then, local residents and organisations are being invited to submit articles for inclusion in the new, larger - and hopefully waterproof - capsule.

Southern Downs Mayor Tracy Dobie used a silver spade to remove the first swatch of turf to enable the old capsule to be dug up.

She was interested in the contents of the cylinder when it was opened but felt everything inside was a little on the "formal" side.

The Mayor encouraged a couple of young men who were present to try and come up with something "quirky" for the new time capsule.

areas. We would like to offer workshops in many other areas including things like : soap making, natural body products, homemade cleaning products, preserving garden produce Uams, pickling and fermentation) and sewing skills - just to name a few.

A small fee of \$5 on the day will cover the provision of supplies that you you will need as well as a cuppa.

Please feel free to contact us if you have suggestions for any further skills that you would like us to find a presenter for - or - if you have a skill that you would be willing to pass on to others we would greatly appreciate your involvement.

In April we shared Easter baking recipes and some easy table decorating ideas with painted eggs.

In our next workshop we will be covering some basic sewing techniques by making some `reusable

lightweight produce bags' to take next time you are at the market getting your fresh fruit and vegetables.

So come along and join us on for our next get together on Tuesday 7th May. Bring a friend if you wish. Meet other likeminded women and learn a new skill.

**Allora Mayor  
Retires**

On the advice of a Queen's Counsel, the Allora Shire Council has decided not to continue its legal challenge to the amalgamation of the Warwick City, Rosenthal, Allora and Glengallan Shire Councils. The Allora Mayor, Cr. Jim Deacon, took the opportunity to announce his retirement after 40 years in local government, 13 of them as Shire Chairman. Cr. Deacon congratulated his fellow councillors and council staff on their diligent efforts on behalf of the shire residents. Deputy Mayor, Cr. Len Weier congratulated Cr. Deacon on his service to the community over many years. He said that he had worked with Cr. Deacon in local government for 24 years he had proven himself to be a great man.

**Obituary**

After an illness of many months duration, Mr. Frederick James Slatter passed away in his home in Jubbs Street, Allora, on May 17. The late Mr. Slatter was born at Eton Vale 64 years ago, and was the second son of the late Mr. and Mrs. Thomas Slatter. The greater portion of his life was spent in the Allora district, and for many years he worked in the butchering business owned by Dougall Bros. When this business changed hands Mr. Slatter and his family moved to Southbrook where he managed a butchering business for Mr. Maurice Dougall. After spending a considerable time there he

returned to Allora about 5 years ago and entered the employ of Howell Bros. As a young man the late Mr. Slatter was well known as a boxer on the Darling Downs, and was also closely associated with the activities of the football clubs in the district. Throughout his life he retained his love of sport, and some years ago, was prominent in the organization of a gymnasium club in Allora. The late Mr. Slatter was the possessor of a genial disposition and there are many who are now adults, who remember the kindly assistance he gave them, when as children, they went shopping at the butcher's. For over 40 years Mr. Slatter was a member of the Protestant Alliance Lodge. Mr. Slatter leaves a widow, formerly Miss Mary Dawson, and 7 children: Mrs. A. Morris (Mercy) Victoria Hill; Mrs. Claydon (Grace) Gladstone; Mrs. Kelly (Eileen) Omeo, Victoria; Tom who is serving with the A.I.F., Mrs. W. Dowsett (Lorraine) Brisbane; Fred who is

serving with the R.A.A.F.; and Geoffrey, Allora. Two children Flo and James passed away many years ago. The funeral moved from St. David's Church of England, the Rev. A. E. Loxton officiating.

Allora's Past 100 years ago May 1919

**Returned Soldiers**

Mr. W. Burge presided over the regular monthly meeting of the Allora returned soldiers' entertainment committee. It was resolved to entertain and welcome 14 soldiers who had returned or were about to return, at an early date, and to present each with a gold pendant. In this connection mention was made that 45 returned men had already been welcomed by the committee in this way, and from a list obtained from the Shire Clerk it was noted that there were over 60 others whom it was certain would return to the locality, and consequently provision would have to be made for them in a similar way. From the perusal of the list it was also noted that 28 men who had enlisted locally had made the supreme sacrifice.

**Nasty Incident**

About ten days since, a little boy named Hanna was run over by a man "trying a horse" opposite Mr. Erhart's hotel, Allora. The boy had his thigh broken and his arm severely injured. It was a mystery that other children were not also injured as the man rode directly into a lot of young children returning from school. Dr. Balls-Headley was sent for from Warwick, and the little sufferer is slowly recovering. Sergeant Grayson very properly had the man arrested and punished.

**Allora Night Bowls**

**April 16th Round 13**  
- The night bowls season in over. Sorry for all the boo-boos, sorry for the verbal diarrhoea, sorry that I missed the great win over Clifton Bowls Club for the Clifton Clock. Thank you to Wendy for great photos of the winners and the teams (published last week). Bev played her first Clifton Clock competition and along with Lynne Patterson & Johnno took home the top prize.

Wonderful to see Pig Lures (ex-Team Engel) win the competition this season. Congratulations to Chris & Ashleigh Brown and Bruce Simpson. Ashleigh played a great game as well as organising no less than three 'toucher' segments. Lots of lucky winners of Paul Parker's chocolate blocks and Lynne & Greg Patterson's Easter bunnies. The Runners-Up team, The Old Boys, Lynne Patterson, Barry Donegan and Russell Porter led all season but were pipped at the post.

(Left) Winning team Bruce, Chris and Ashleigh and (Right) Runners Up Barry, Lynne and Russell.

Congratulations "boys". Land Cruisers + One and 3 of Us were on the lucky rinks winning a six-pack each.

Players who won raffle prizes - Lyn, Lynne, Ross, Russell, John R, Elyce, Alanna & Slug. Great excitement on each draw to win the \$260 Jackpot prize. Stacey had first and

last go after nine others had a chance to cut the Jack or Joker out of the pack. Congratulations Stacey on your win. Hope you share with Harry our 'button pusher' each week.

The night ended with a presentation to Moley on behalf of the players and the Allora Sports Club. Roy Boy made the presentation, citing our appreciation of Moley's dedication in keeping the green in great order. Maybe that is why Allora won the Clifton Clock this year!

Greg thanked all members who have assisted during the season making special mention of our sponsors, Allora Butchery, Railway Hotel,

Whites Garage, Silver Gum Graphics, Paul Parker Painter & Allora Sports Club. Thanks also to Percy for preparing value fruit trays.

Last word! Can you believe this! Greg (Patto) Patterson has changed his long held allegiance to the Bulldogs Rugby League football team. Would never have believed it but was shown photos of the Bronco's team flag on top of Greg's flag pole in his front yard. The Bulldogs team flag was flying at half-mast to signify their demise. (Copies of photo available from one of Gina's cute babies)

Finally, one morning at breakfast he cried out, "Mum, the toast's burnt!"

His amazed and delighted mother hugged him joyfully and asked, "Johnny, why haven't you spoken before?"

"Well", he replied "everything's been all right up until now"

# Warriors Pluck the Roosters

There may only be five Rounds of the 2019 Toowoomba Rugby League season completed but the Wattles Warriors top grade side sent a clear message on Sunday at Herb Steinhardt Oval that they are a force to be reckoned with after dispatching reigning premiers the Valleys Roosters 34 - 18.

Player coach Travis Burns was in tremendous form controlling the game in masterly fashion and was rewarded when named 'Hutchies' Man of the Match.

Halfback Matt Duggan commanded midfield with esteem, proving his prowess as an outstanding playmaker, his combination with five-eight Burns a highlight of Wattles winning result.

A concern for Wattles hierarchy is a serious wrist injury to Jake Hargreaves that could see the representative centre

sidelined long term.

The victory was sweet for Burns, especially after last season's late loss to the Roosters in the Grand Final, "a great result today, very proud of the guys, they keep improving with every game. Still a lot of work to do though, the business end of the premiership is still over the horizon."

Wattles 34 (Braydon Wilson 3, Jordan Henry, Dale Perkins, Michael Pearson tries; Matt Duggan 5 goals) defeated Valleys 18 (Zach Miles, Denzel Burns, Dylan Chown, Dwayne Duncan

tries; Dwayne Duncan goal).

**Reserve Grade** - Wattles 'South East Engineering, Clifton' Reserve Graders suffered their first defeat of the season after leading 18 - 12 at half time, Valleys eventually sealing a close 24 - 22 victory.

**Under 18** - Wattles Under 18 side trailed 0 - 16 at half time and fought back to be level with opponents Valleys at 16 all with ten minutes remaining in the game. Two late tries to the home side though saw Valleys emerge 28 - 16 winners.

# Wattles Juniors Kick Off Season

Wattles Junior Warriors had their first game of the season on Saturday at Platz oval, Clifton against Collegians Dragons. The Hamblin Building U16s had a bye round.

Clifton Upholstery and Allora Pharmacy U7s had 2 teams playing with tries scored by William, James, Lachlan, Rhys, Adam, Dustyn, Jackson, Thomas & Michael.

Steele Rudd Servo's Under 8's. Nice effort from the entire team. Fantastic effort in attack from Jade and William. Our best tacklers were Jake, Archie and Arthur. The entire team will continue to improve. Run hard & tackle low lads. Tries by Jade, William, Jed & Gerhard.

Dalrymple Landscaping and Haulage Under 9s. Tries were scored by Kaleb, Hugh, Jack & Archer.

Black Toyota Under 10's. The boys played well for their first game. They need to work on some defense. Tries by Ukyezar, Marty & Orry & goals kicked by Zac & Marty.

Clifton Auto Ag Repairs U11s.

The boys played really well resulting in a 32 all tie, this is a stellar effort from the boys in their first regular season game. Tries from Patrick and Sam, as well as 2 tries each to Josh & Harry. Goals were also an asset in the game converting 4 out of 6. Blake receiving the coaches player award with his non stop running.

Ryanie for Tyres U12s. Tries were scored by Jason & George with goals kicked by Lewis & Billy. Thanks to U11's who played up for us. It was a close game with the final score Wattles 12 Collegians 14.

Landmark Harcourts U14s. A slow start by the Wattles and we were down by two quick tries, the Wattles lads rallied and started playing the footy they are capable of, with a strong performance from the Wattles team in attack we were down the field and on the scoreboard. The boys played well but struggled to contain the big

U14s Landmark Harcourts team with their new jerseys and proud sponsor.

Collegians pack. The Coaching staff had plenty of positives to come out of the first fixture game of the season and with the return off a couple more players are looking forward to a good season ahead. Stay positive Lads and work hard on improving your footy.

Both tries were scored by Lachlan & kicked both conversions. Wattles 12 Collegians 40.

Ruhle Developments U17s Girls Leaguetag. Our captain this week was Ebony. Very hot

conditions at Platz oval saw both sides moving up well in defense in the first 10 minutes. The score was 6-4 to Collegians at half time in a fairly even first half. Flat attack & slower defense saw the score finish at 18-4.

This Saturday we'll take on Stanthorpe at Platz oval, Clifton. Everyone is welcome to come & watch some great footy & we do have the best canteen in the district.
