Heritage Weekend Helps LifeFlight

The region's rescue helicopter service, LifeFlight, has received a boost as a result of the annual Allora Heritage Weekend.

At the Toowoomba RACQ LifeFlight Rescue base on Sunday, the president of the Warwick Veteran and Vintage Car Club, Peter Stacy, presented a cheque for \$10,000 to LifeFlight Fundraising Coordinator, Amy Luhrs. The money is the result of several years of success for the club's annual Allora Heritage Weekend.

The donation was made to recognise the strong support given to LifeFlight by Yangan local Mick Bradford.

Mick Bradford has raised more than \$100,000 for LifeFlight since 2001, through his popular Heavy Horse Day events.

But after sixteen successful years, health issues prevented him from staging last year's event.

Council to minimise water impact of annual pool refill

Southern Downs Regional Council outdoor pools in Allora, Killarney and Stanthorpe will re-open in September, however necessary annual maintenance will require the pools be emptied and refilled after the winter closure.

With Southern Downs residents being asked to reduce water usage to 100 litres per person per day from 1st September, the water emptied from the pools will be utilised for Council's maintenance and roadworks, then pools refilled with treated raw and bore water to minimise water wastage.

Mayor Tracy Dobie said the pools were an asset to their local communities, and Council was committed to their ongoing maintenance and reducing the water impact of the facilities being emptied and refilled.

"Council believes that the region's swimming pools provide immense community and social benefits, especially with the expected hot, dry summer months ahead," Mayor Dobie said.

Water in the Allora pool has deteriorated during the winter closure and will need to be replaced for the coming season to ensure it is safe for swimming.

"Council is fully aware of the need to preserve the dwindling water supplies, however we believe it is not in the best interest of the community for the pools to remain closed over the spring and summer period to preserve water.

"The Council pools need to be emptied and cleaned before refilling in the weeks

leading up to the re-opening because of algae build-up and duck faeces on the pools' walls and bottoms.

"The pools will not be refilled with treated reticulated water that is supplied to urban ratepayers."

The Allora pool will be filled with bore water, while the Killarney and Stanthorpe

pools will be filled with raw water from the Killarney water reservoirs.

Water for all will be heavily treated and filtered to ensure they are safe for swimming.

A Council spokesperson said it is necessary for water to remain in the pools during the off-season to maintain structural stability as the water acts as a stabiliser to weigh down each pool.

Likewise, draining or emptying pools of these sizes is not a long term option as the lack of water can create structural problems such as cracking and damaging surrounding paving or timber work.

In-ground concrete pools similar in size to Council's have had the entire structure pushed out of the ground when emptied during winter months.

businesses.

It's hoped next year will be drought free and another successful trial can be held.

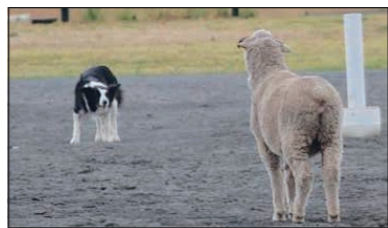

No Allora Sheepdog Trials This Year

Due to the effects of the drought on stock, the Queensland Championship Trials to be held early October in Allora have been cancelled.

The local Sheepdog Trial Committee is very disappointed as Trials have been held at Allora since 2004 with the Queensland Championship Trials held

every year since 2011.

This year the Championships were to be held the weekend after the Australian Supreme Championship Trials in Dalby and many Interstate and Queensland Competitors would follow onto Allora. This would have benefitted the community and local

Residents concerned over water use

Allora residents have voiced their concerns over bore testing that won't allow for any of the water to be captured from bores that will be pumped at a constant rate for up to three days.

A spokesperson for the Southern Downs Regional Council said the nature of the testing would require water to flow unrestricted and unable to be recaptured, reused or returned to the bore.

"Council is mindful of the need to preserve dwindling water supplies and save water wherever possible," said the spokesperson.

"However, we have been advised that it is important and necessary that the pumped water flow freely

away from the bore site to ensure testing accuracy.

"While capturing the water into tanks or trucks has been considered, it has been assessed as unviable in this instance."

The work is part of council's plan to establish supplementary water sources in the Southern Downs however further information was not given.

Council engaged contractors to carry out necessary condition assessments and bore pump tests on a number of existing SDRC-owned bores, with council already conducting testing in Killarney and Yangan.

The testing will assess how reliably the bores can

produce a sustainable water flow and the capacity of the bores to meet residential demand.

Residents in Allora may be affected by potential noise generated during scheduled testing as water

will be pumped from the bores at a constant rate for up to 72 hours to assess productivity.

A councillor has been contacted for more information but was unable to reply before deadline.

Renovations at Allora Sports Club

A new heritage style fence erected at The Allora Sports Club.

The Allora Sports Club is continuing to improve clubhouse facilities for members and guests with the installation of much more functional bi-fold doors together with a new air conditioning system. It has also erected a new heritage style fence across the front of the clubhouse and the old Croquet Hut which adds to the charm and character of the old buildings and the bowls green. Visitors to our town cannot help but be impressed when this is the

first thing they see when they drive into Allora.

The cost of these renovations was funded in part by a grant from the QLD Gambling Community Fund which is the third time the Sports Club committee has been successful in securing financial assistance from this fund. Previous grants were used to assist with funding the new commercial kitchen, renovations to the clubhouse and restoration of the old Croquet Hut to its former glory.

The Sports Club committee is committed to providing first class facilities for residents of the Allora district to enjoy. Because of this, the Allora community has been incredibly supportive of the Sports Club, which has developed into one of the premiere function centres in the region. The Sports Club caters for circa twenty functions each year, with all of these being staffed entirely by volunteers.

Like most sporting clubs,

the Allora Sports Club is facing a major challenge in securing sufficient water to ensure that the golf course and bowls green are able to be maintained to a playable standard. In this regard, the club is in discussion with the Darwalla Group to determine if it is feasible for trade waste water from the chicken hatchery to be made available for use on the golf course. The club committee will need to engage with both the Southern Downs Regional

Richard Kyle and Joel Merryl replacing the doors.

Council and Department of Environmental Management in an effort to reach a favourable outcome for both the club and the local sporting community. If successful, the Sports Club will endeavour to make irrigation water available to the Allora Cricket Association to assist in improving the cricket field and encourage greater participation in that sport.

Further on the water issue, the Sports Club committee is also reaching

out to any water allocation holders in the Dalrymple Creek Management area who may be in a position to trade seasonal or permanent water to the club to assist in maintaining our first class sporting facilities which are being enjoyed by locals and visitors alike and also provide an opportunity to assist our fellow clubs in the sporting precinct.

Please call Sports Club secretary John Ellwood on 0427 425 256 if you can assist.

As a recognition to Mr Bradford's tireless efforts to support LifeFlight, the Warwick Veteran and Vintage Car Club and the Allora Heritage Weekend Association stepped in, to donate instead.

Passionate about the need for the lifesaving service, the generous organisations will handover \$10,000 today, raised through past Allora Heritage Weekends

Warwick Veteran and Vintage Car Club President Peter Stacy said Mr Bradford's commitment to supporting the rescue helicopter service has been remarkable.

"I struggle to recall any better example of such community spirit," he said.

Mr Stacy said supporting LifeFlight was a no-brainer, as the Southern Downs community knows the buzz of the rescue choppers all too well.

Garden Circle News

At the beginning of this month a small group of Allora & District Garden Circlers met at the Weeping Mulberry, the beautiful new garden centre in Warwick.

Next month, on Tuesday, 3rd September, we'll be meeting at the gate of 1 Drayton Street before

travelling to Toowoomba for an early inspection of the preparations for the Carnival of Flowers in public parks. We'll try to include Laurel Bank Park, Queen's Park and the Japanese Garden. This will be our last 11 o'clock start until next winter, giving us more time to look round. In October we'll be back to the usual 1 o'clock start.

Bring a packed lunch so that we can picnic in a park. For more information contact Sandra Sparksman 0409 542 692 or Jane Jacoby 4666 3868.

Allora CWA News

The Allora CWA monthly meeting was held last Tuesday and lots of exciting new events and activities were discussed followed by a delicious healthy Country Kitchens lunch. We will be opening the rooms every Tuesday morning from 9.30am for a Friendship Craft morning. Interested crafters are welcome to bring along their own project or just come along for a cuppa & chat.

One of the new events discussed was the upcoming Women's Health Information Day planned for Friday, 6th September. It will be held at the St Andrews Community Centre, cnr of Warwick and Forde St, Allora at 9.30am for 10am start finishing 2pm. This event is open to the public and everyone is welcome to attend.

We're raising awareness on women's health by having some amazing speakers from I Hear, SOS Fracture Alliance, Mobile Women's Health Nurse, Self Care, and

many more. CWA Country Kitchens will have a showcase & talk on good nutrition, portion sizes, ways to cut back on sugar. A sign up sheet for a new Allora Walking Group will be available as well as a Tai Chi demonstration & talk on the benefits.

A CWA Country Kitchens Healthy Morning Tea & Lunch prepared by the Allora CWA women will be provided with the \$10 entry fee along with Goodie Bags, Lucky Door Prizes, raffles, information & some fun & games. Please let us know of any dietary requirements if you wish to attend.

All proceeds for the day will go to DV Connect - Domestic Violence Support.

Debating

Last week, our Year 9 Debating Team headed to Downlands College in Toowoomba to challenge a team from Centenary Heights State High School in the Grand Final. They debated "We should exploit the natural resources of the Antarctic". Our team argued on the affirmative side, debating the topic admirably, but were unlucky not to come away with a win. Congratulations debaters on your efforts - Nicola, Ala, Xavia, Macey and Emily.

St. Patricks School News

Under 8's Day

Recently our under 8yrs students boarded a bus for Clifton State School to enjoy a day of fun. The theme 'Carnival of Culture' was celebrated with the students engaging in numerous colourful activities. Our students were on their best behaviour with some very tired students arriving back at school. Thank you to Clifton State School for hosting the day once again.

Gala Day

St. Pat's older students participated in the second day of the annual Gala competition here in Allora. These days see schools from throughout the district competing in netball, soccer and rugby League. This year our junior and senior soccer and netball teams were runner up while our league teams won overall. Well done to players from each discipline who were set the challenge of thanking

and congratulating players, officials and parents for the participation and assistance on the day. These simple acts added to the positive spirit of the day. Thank you to those parents who were able to assist with teams; we appreciate your support.

Student Drop Off and Collection

Please note that we have instructed all students that they are no longer to enter from the entrance on Mackillop Lane. Students may enter/exit via the Arnold Street and Warwick Street entrances.

Men's Breakfast Guest Speaker

Allora Presbyterian Church will host its Men's Breakfast this month on Saturday, 31st August at 7.20am in the Presbyterian church hall, 12 Jubb St., Allora. Come and enjoy a free brekky and good yarns over cereal, bacon and eggs, sausages and tea or coffee. Our guest speaker is Peter de Bressac and Peter introduces himself below.

"My name is Peter de Bressac and I have been a Christian for over 43 years. I started out my Christian walk just like most of us, in a church with my life settled to live and grow there. But over time God had other plans. After many years He called me to serve Him in a deeper way.

"I ended up ministering in

small fellowships and over time was able to minister overseas in short term visits. In this time God was showing me what He wanted me to share. One of the main things is our need to know His love for ourselves. For me that was a long time coming. But as I have grown in His love He has shown me my need to understand how this works, He has shown me how to ask questions and find the answers in the Bible. In my travels these answers have been helpful to many brothers and sisters to see who they are and where they fit in the body of Christ."

If you need more info about the brekky, ring Stuart on 4666 3786 or Elton on 4666 3743.

Looking Back...

Riddell Riddle Solved

When members of the Allora and District Historical Society set out to record the stories of each of the Allora and district men who served in the Boer War 1899-1902, one of the names on the list was Charles Henry Riddell. Charles Riddell was born at Allora on the 3rd April 1878, the son of Andrew Riddell and Mary Ann Harper formerly Goddard. He apparently enlisted in the Fourth Queensland Imperial Bushmen's Contingent in April 1900. His medical records, service records 1900-1901, and an application for a gratuity in 1903 were found.

A problem arose in the fact that the name recorded on the Allora War Memorial is that of Private A. Riddell, Charles Henry's younger brother, Andrew Riddell. (Is the wrong name recorded on the memorial?) Andrew was born at Pilton on the 1st August

1880. Coincidentally his birth is recorded as Andrew Riddle. A welcome-home function was given by the residents of the Hendon district on the 20th September 1901 to Privates G. Weatherley and A. Riddell.

Andrew Riddell's occupation is recorded as a shearer when he enlisted in the 2nd Light Horse Regiment on the 9th December 1914 in WWI. His enlistment form states his previous service with the Fourth Queensland Imperial Bushmen's Contingent in South Africa from April 1900 to August 1901 (Did he wrongly claim his brother's service in the Boer War?)

Trooper Andrew Riddell served with the 2nd Australian Light Horse Regiment at Gallipoli where he received a gunshot wound to the knee. He was evacuated to hospital in Egypt and later admitted to hospital in England. He was returned to Australia in November 1915. In 1919 he married the widow of an army mate killed in France. She had five children

and she and Andrew had two more children.

The mystery was solved last week when a woman arrived at the Allora museum in possession of her grandfather, Andrew Riddell's gold medal, presented to him by the residents of Allora and district for his service in the Boer War. This medal was presented to all of the Allora men on their return and is identical to the one presented to Sergeant Charles Deacon on display at the Allora museum.

One of the requirements for the Imperial Bushmen's Contingent was that the applicant was to have reached the age of 21 years. Andrew Riddell applied for enlistment on the 19th April 1900, 3½ months short of his 20th birthday. It seems certain that he applied under the name of his older brother Charles Henry Riddell.

Allora Golf Notes

One of the strongest fields of the year contested the Percy's Fruit Market Duck Run last Friday with Jim Anderson winning the day on 22 points from a fast finishing John Ellwood on 21 points. The Tuesday golfers are worried that Ellwood will create havoc now that he is eligible to play in that elite company. The pin shot was won by John Sparksman and the approach was won by Aaron Simpson. Thanks again to Percy for his continued generous sponsorship of the Friday competition.

The Allora Butchery Two Man ambrose was won by Matt May and John Ellwood with an incredible score of 56 net. There were some rumblings that Ellwood had "hand picked" four time Club Champion Matty May as his team mate but an enquiry established that everything was above board. Ellwood

reigning premiers and 2019 minor premiers the Valleys Roosters.

Wattles 36 (Ty Gardner 2, Micheal Pearson, Andrew Richardson, Micheal Marshall, Braydon Wilson tries; Matt Duggan 6 goals) defeated Dalby 30 (Travis Babington, Steve Franciscus, Fergus Gibson, Mike Gaur, Alex Ambia, Kruse Turner tries; Dylan Taylor 2, Blake Mara goals)

Reserve Grade - Sunday was a day of little joy for Wattles 'South East Engineering Services, Clifton' reserve grade side. The curtain falling on the 2019 rugby league season as a result of a 34 - 12 defeat at the hands of a dominant Goondiwindi Boars outfit.

The Boars now moved on to next Sunday's reserve grade preliminary final against Valleys.

is actually in sparkling form after his Allora Pharmacy Monthly Medal win last week and Matt conceded that John did "play his part" in the Allora Butchery victory.

The Runners Up were the highly credentialed team of Club Captain Aaron Simpson and Match Play Champion Wayne McKewen who recorded a score of 60.75 net. Aaron is tuning up his game nicely for the final of the John Deere challenge that is coming up in the near future at Moonah Links down on the Mornington Peninsula.

Pin shots went to John Ellwood on the 7th with an absolute cracker and Kev Harrison on the 16th with quite a reasonable shot. Approach shots were won by Moose May on the 5th, Aaron Simpson on the 14th (Aaron drove the green) and Matty May on the 2nd and 11th. By the way Matt, Moose has your meat voucher and your golf balls.

Thanks to Aaron, Ashleigh and Grace from the Allora Butchery who are

Recent winners Jim Anderson, Kev Harrison (Sports Club President) and John Ellwood.

fantastic supporters of both golf and bowls in Allora.

Next week is the Tuesday comp with a 9 am hit off,

Percy's Fruit Duck Run on Friday from 2 pm and Sunday the Railway Hotel Monthly Mug from 11 am.

Nick van der Poel outruns a Dalby player before passing the ball to Michael Marshall to score another Wattles' try.

BAD JOKE OF THE WEEK

My daughter asked me for a pet spider for her birthday so I went to the pet shop and they were \$60.

Blow this, I thought, I can get one cheaper off the web.

Warriors Advance to Preliminary Finals

A sterling effort by co-skipper Dale Perkins at Clive Berghofer Stadium on Sunday in the TRL & Centenary Finals Series against the Dalby Diehards place the Railway Hotel Wattles Warriors back atop the winner's dais.

Front-rower Perkins set a shining example as Wattles held out to claim a hard fought 36 - 30 victory against a Diehards side that lifted in the second half pushing the Warriors to the full time hooter.

Dale's effort against the tough Dalby outfit saw him named the Player of the Match.

2nd-rower Ty Gardner

Ty Gardner scored the first try for Wattles in Sunday's elimination match.

can share the best player honours with two vital tries to his credit in a splendid all round performance.

After two losses in recent weeks Wattles player/coach Travis Burns was more than happy his team accounted

for Dalby and now move in to the sudden death preliminary final against
