Clearing Sale at Goomburra Homestead

A successful clearing sale was held last Saturday at Goomburra Homestead account Neil and Robyn Phelan. A large crowd attended the sale conducted by Landmark Harcourts Cooke of Clifton. Note - there's still water in the Dalrymple Creek that runs through the property.

LANDMARK Harcourts

We love what we do

**Retirement with a
3 Phase Workshop and a Caravan Shed**

23 Forde Street **ALLORA**

4 1 3

\$355,000

Very tidy home with 3 bedrooms and an office or 4 bedrooms, 2 with built in's and two with out. The open plan kitchen and dining area has lots of room for large furniture and has an air conditioner and ceiling fans. The bathroom has towel rack heaters and a large shower. The back yard is manicured with a 5,000 gal. rainwater tank and town water for the gardens. The house has 10,000 gal. of rainwater that keeps this couple in water all year.

The main shed has 2 remote control doors, work bench, shelves and 3 phase power. The caravan shed is 9m x 9m and has a workshop, ride on mower area and has access for a 3.1 metre high caravan. There is an entrance for the van on the southern side with double gates and a car or boat covered area. The solar is 4.75Kw with 19 panels on the shed and a 4kw inverter.

This property is a corner block and is worth a visit.

Southern Downs now on critical water restrictions

Residents in the Southern Downs will now have to be even wiser with their water use after the region moved to critical level water restrictions last Sunday, September 1.

Under Critical Water Restrictions, residents are required to restrict their water usage to 100L per person per day.

These water restrictions apply to anyone accessing the Southern Downs Regional Council drinking water supplies across the region; From Killarney to Karara, Allora to Wallangarra.

Critical water restrictions also apply to anyone sourcing bulk water from the standpipes.

Southern Downs Regional Council is also seeking a further 10% in water savings by businesses throughout the region.

It is important to remember that this applies to all businesses within the region, including home businesses.

Under critical restrictions, all beautification activities are prohibited.

These activities include house painting, exposed aggregate driveways, roof washing, and preparation work to renew decks.

An exception can be made for beautification activities if water used for these activities is sourced from outside the Southern Downs region.

Residents are encouraged to read and record their own water meter regularly to track their water usage.

For instructions on how to read your water meter, residents should visit www.sdrc.qld.gov.au for a step by step guide.

If residents are unsure about which activities are

WHAT DOES 100L LOOK LIKE?

Water usage can quickly add up around the house, with just a few activities using most of the allocated water supply.

A typical day of usage on the restrictions below adds up to 102 litres.

- 40L - 4 minute shower with water efficient shower head, 2 minute shower with non water efficient.
- 30L - One load every 2 days (64kg 4 star).
- 15L - Washing up in the sink or single use of dishwasher.
- 5L - Food preparation and cooking.
- 12L - Toilet 1/2 flush four times a day.

permitted under critical restrictions or would like to access water saving tools and tips, they are encouraged to contact Council on 1300 697 372 or visit www.sdrc.qld.gov.au

Letters to the Editor...

Dear Editor

The current speed limit on the New England Highway as it traverses Allora Township was set in the twentieth century. Since then there has been population growth, increased tourism and industrial development. Allora Showground is constantly hosting events. Road traffic of all varieties has increased. The entry and exit to the Refuse Station on Burge Road, which is shared with the Allora Mountain Reserve and a private residence, is on a blind corner where 100km/hr is the prescribed speed limit and there is no benefit of a turning lane. In the interests of road safety, I wish to inform Allora citizens that a petition will soon be circulated recommending that the section of the Highway which is currently 80km/hr be extended to start south of Bradfield Road (to accommodate heavy traffic from the chicken hatchery and grain silos) and north of Allora Drive (to accommodate traffic from the Refuse Station, school buses and local private residences.) These road junctions are currently in the 100km/hr zone and are vulnerable.

Direct approaches to Department of Transport and Main Roads and others have been conducted over the past 6 years with no discernable positive response to date.

The petition will be conducted under the guidelines set by the Queensland Government, and eventually presented to government. I urge all citizens to sign. Please contact me at alloralandcare@gmail.com for further information.

Peter Thomas
Secretary, Allora Landcare Group Inc.

Detours in place around roadworks underway in Forde Street

At times, the work site on Allora Drive shall be closed to through traffic with diversions in place. Works in Forde Street will operate under lane closures with diversions in place. It is anticipated that delays for road users will occur. Residents will still be able to obtain access to and from their properties within Forde Street by obeying the direction of traffic controllers, workers and signage during the work hours of 6.30am and 5pm Monday to Friday. Roadworks rehabilitation will take place until late September.

Appointments available for women's health clinics

Darling Downs Health Service mobile women's health nurse Ms Kathy Anning will visit a variety of locations this month to conduct free health clinics. Mobile Women's Health

clinics offer a range of services including cervical screening tests, breast awareness, sexual health testing and advice for issues such as continence, menopause, family planning, contraception and general wellbeing.

The service is confidential and available to all women.

Ms Anning said it was important for women to prioritise their health and make time for regular check-ups and tests.

"As women we often put the health and wellbeing of our loved ones ahead of our own needs. Our clinics are an easy, fuss-free way to ensure all of your health tests are up-to-date as well as an opportunity to seek help for anything of concern. With changes to the cervical screening program that came into effect in 2017, most women didn't need to have as many tests performed. Regular cervical screening tests are the best protection against cervical

cancer," she said. "It's a simple procedure to check the health of the cervix, and for some women it only needs to be done every five years."

Upcoming clinics will be held at -

Wings Over Warwick

This Saturday 7th September from 8am will see the pilgrimage of aviators and aviation enthusiasts converge on Warwick Massie Aerodrome for the now well-known Wings Over Warwick.

At 7am a range of aircraft will fly over the town to wake up everyone to get ready for an exciting day at Massie Aerodrome.

Ultralights, general aviation, sports, recreational

and remote control (RC) aircraft will be on display and flying. Information will also be available about the active aviation clubs in the area.

Over 40 aircraft are expected from all over South East Queensland and Northern New South Wales.

Entry will be free from 8am until 12 noon with a barbecue breakfast available all morning.

A wonderful family outing with flying events throughout the day.

One month till closing: Local School Community Fund

Time is running out for schools to access funding for new computers, sporting equipment or refurbishments through the Local School's Community Fund, Maranoa MP David Littleproud said Monday.

"There is less than one month to go for schools to apply for funding through the Coalition Government's \$30.2 million Local Schools Community Fund and I encourage all Maranoa schools to apply," Mr Littleproud said.

"Maranoa has been allocated a total \$200,000 to fund local school projects with grants ranging between \$1,000 and \$20,000.

"Remote schools in the region could even use the money toward excursions.

"Other project examples could include small-scale extensions or classroom refurbishments, new computer facilities, mental health and counselling services, playground equipment, library resources, or sports facilities.

"This is great news for students across Maranoa

Hon David Littleproud MP
Federal Member for Maranoa.

because it enables access to new learning experiences no matter which school you go to or how remotely you live."

Applications to the Local Schools Community Fund are open to eligible government, Catholic and independent schools until 30 September 2019.

Applications will be subject to conditions and proposed projects will be assessed by a committee appointed by Mr Littleproud.

Applications can be made through SchoolsHUB – schools.education.gov.au

Join Allora CWA for a Women's Health Information Day

Everyone is welcome to share the day with the ladies and take some time to focus on you.

We're raising awareness on women's health by having some amazing speakers talking on a range of topics. Take care of yourself - mind, body, and spirit.

All proceeds for the day will go to DV Connect - Domestic Violence Support.

The day is being held on Friday, 6th September 2019, at 9.30am for a 10.00am start and is expected to finish around 2pm. Venue for the event is St Andrews Community Centre, cnr Warwick & Forde Streets (next to Scope Op Shop).

The cost is \$10 pp includes morning tea & light lunch. RSVP by 5th September - include any dietary requirements.

Speakers present will be from: I Hear, SOS Fracture Alliance, Mobile Women's Health Nurse, Self Care and Tai Chi.

Allora CWA will also have a Country Kitchens showcase & talk on good nutrition and will be introducing a new Walking Group starting in Allora.

A CWA Country Kitchens Healthy Morning Tea & Lunch prepared by the Allora CWA women will be provided along with Goodie Bags, Lucky Door Prizes, raffle, resources, information & some fun & games.

PITTSWORTH SPRINTS

FRIDAY 6th September
SATURDAY 7th September
SUNDAY 8th September

It will be another action packed weekend of racing at this year's Pittsworth Sprints with plenty to see and do for car lovers. Veteran Phil Sutcliffe will be back to defend his title after coming away with another win in last year's event.

The action will kick off on Friday night with fireworks at 7pm followed by all the sprint car action on the full track at 7.30pm.

Saturday will be highlighted by a burn out competition from 4.30 to 6.45pm after playing host to a full day of sprints from 9am to 4pm.

The Shannons Show & Shine will be back in full swing on the Sunday as the car show runs from 9am to 1pm, putting some of the region's best cars in the spotlight.

Royston Evans, who has been involved with the Sprints since its inception, has organised a partnership with Breakaway Toowoomba for the event. Breakaway supports 14 to 25 year olds with mental and physical disabilities and gives them the chance to live a normal life.

Two race car simulators will be set up under the Breakaway-themed tent on the main straight over the weekend. Anyone is welcome to experience the thrill for a gold coin donation, which will be contributed to Beauraraba Living to help fund a new building and an interactive garden for dementia patients. Mr Evans has been delighted with support received by the community and wants everyone to come say g'day to the volunteers and have a go on the simulator over the weekend.

Adult single day passes are \$10 and children \$5, with a weekend pass only setting you back \$15.

U14s Wattles Junior Warriors through to the Preliminary Finals

On Saturday we had 3 teams in the Warwick & District Semi-finals played at Suburbs JRL oval at Warwick. Our **Landmark Harcourts U14s** played Goondiwindi and tries were scored by Ashley & Hamish in the first half. Half time score was 8-6 in favour of Wattles. In the second half Wattles got off to a great start with a try in the 1st minute Jack B scoring. Ashley scored another try in the 13th minute from a penalty with a hard run. Another great play in the 16th minute saw Lachlan throw a great pass to Reuben who ran hard to score. We were ahead 24 to 16. The game was won when George scored in the 24th minute. Final score Wattles winning 28 to 16 with Lachlan kicking 2 goals. This win sees the boys play next Saturday in the Preliminary Finals in Texas.

Ryanie for Tyres U12s played Tenterfield. In the first half, great defence by Wattles as the boys were in Tenterfield's half for a lot of the time. Half time score was

6 all, with George from dummy crossing the line to score a try. In the 3rd minute in the second half Paddy had a great run to score a try. There were some great breaks in the middle. Great defence saw Wattles hold up Tenterfield over the line. Atticus got a great try from an intercept running the full length of the field. Four minutes to go the score was 18-16 in Wattles favour. Just before full time Tenterfield scored, bringing Tenterfield the win 22-18. Goals were kicked by Atticus, Charlie Sp and Billy. Our boys put in a great effort, but the size of the Tenterfield players got them through in the end.

Ruhle Development U17s Girls League tag played Collegians. Collegians scored early in the game but our girls fought back with Ebony and Porscha both scoring tries. Lauren kicked a goal. The score at half time was 10 all. In the second half there

Wattles U16 team.

Wattles U12 team.

were great runs by Jo & Porscha and a great save by Lacey. The girls as a team have improved over their last few games having a few wins. They have a lot more confidence and are playing much better as a team. A try to Collegians in the second half was enough for them to win the game with the final score being 16-10.

Hamblin Building U16s played their last fixture game for the season against Goondiwindi. The boys have struggled with numbers this year but thanks must go to our awesome U14 players who would play up. It was a great game from the whole team. Ashley and Buchanan both scored early. A great kick and follow through by Jake saw him score a try. Half time score was 18-16 in Goondiwindi's favour. In the second half tries were scored by Beau and Tyran. Jacob kicked a chip kick, with Buchanan grabbing the

ball to break through the defence, passing the ball to Tyran to score. Later in the game, Lachlan kicked a grubber from which Jacob scores a try. Great team effort by Wattles with Goondiwindi just taking the win 42-40.

Many thanks must also go to our other jersey's sponsors for the year, Clifton Upholstery, Allora Pharmacy, Steele Rudd Servo, Dalrymple Landscaping and Haulage, Black Toyota and Clifton Auto Ag Repairs. We appreciate all of our sponsors support. A big thank you to all of our committee members, coaches & team management and all of our many volunteers. As everyone knows volunteers are our greatest asset and everyone's contribution is greatly appreciated.

Our Wattles Junior Rugby League presentation day will be on Sunday 15th September starting at 10.30 sharp at Platz oval, Clifton. All players, families & friends, life members & patrons are invited.

Chrissy Peardon

Wattles U17 girls league tag team.

Wattles U14 team.

Wattles - Still our Faves!

The flame that was guiding local rugby league heroes the 'Railway Hotel, Allora' Wattles Warriors side towards a possible fifth A Grade premiership flickered out after Sunday's Centenary season Preliminary Final at Clive Berghofer Stadium at the hands of Minor Premiers the Valleys Roosters 47 - 28.

While the score may indicate otherwise, Wattles were well in the high scoring match leading 28 - 24 in the 48th minute.

However, four unanswered Valleys touchdowns in the final half hour ushered the high performing Warriors to the exit of the 2019 and 100th Toowoomba Rugby League finals series and a crack at the season decider next week.

Wattles showed flashes they were back to their best against the Roosters throughout the game, fighting back from a 12 - 0 deficient to lead 22 - 18 at half time.

"We made some crucial errors at crucial times" according to player/coach Travis Burns, "you can't do that against a side of the calibre of Valleys."

It was the second A-grade finals series for rising front-row talent Mitch Duff who was part of the Warriors team which lost to

Wattles A Graders after winning the Barrett Family Shield early this year.

Valleys in the last two minutes of the 2018 grand final.

"It was very disappointing but that's footy," he said after Sunday's game.

"I don't think Valleys were better than us, we just beat ourselves with a few errors."

Valleys now step up to the plate next Sunday at Clive Berghofer Stadium against the Warwick Cowboys to contest the TRL Centenary silverware while chasing back to back premierships.

Wattles had Valleys measure on the previous three occasions they clashed this season, including a thrilling win in the pre-tigious mid-season Madsen-

Rasmussen Trophy.

"It didn't go our way on Sunday, Valleys were to strong when it mattered" noted top grade mentor Burns, "but I couldn't be prouder of our players over the year."

Valleys started strongest on Sunday, and following on from back-to-back penalties Valleys found themselves in Wattles red-zone in the opening stages.

Roosters flanker Zac Miles found a flying Gerome Burns, who eluded two defenders to post first points in the seventh minute.

Only three minutes passed before Valleys extended their lead, as Wattles fullback Andrew Richardson struggled under a

bomb, which was gathered by skipper Hnaloan Budden to put them in front 12 - 0.

But Richardson made amends minutes later, knocking back a Matt Duggan bomb into the grasp of hooker Matt Richards, who found prolific try-scoring winger Braydon Wilson to provide the Warriors with their first points, trailing 6 - 12.

Despite failing to secure the following restart, the Warriors managed to hold Valleys at bay off their line.

Halfback Matt Duggan kicked across field, with winger Michael Marshall leaping to take the ball and in a sensational effort snatched it from the hand's of Zac Miles and to level the scoreboard 12-12.

A moment of individual brilliance saw Valleys step back in to the lead 18 - 12, as speed machine Denzel Burns collected the ball off a scrum five metres from halfway, before slicing through the Warriors defence to touchdown on the end of a 55 metre gallop.

It was predicted pre-match Valleys gifted Burns brothers Gerome and Denzel would be key to the preliminary final outcome, a prediction that proved to be on the mark. Fresh from Denzel's try, the brothers threatened to add to the Roosters advantage, Denzel linking with Gerome, putting the fullback on a burst that finished

Continued from page 9...

just five metres shy of the tryline.

Wattles defence was locked tight though, holding up Rooster's back-rower Mitch Sargent over the line on the last tackle to win back possession.

Matt Duggan's vital influence resulted in the scores levelling again, this time at 18 - 18, throwing a 20m cut-out pass that flew past three players to rookie winger Mitch Bourke who cross close to the sideline in the grandstand southern corner.

With the half-time break looming Wattles had their chance to snatch the lead following Denzel Burns putting down a Travis Burns kick. Richardson popped a well timed short ball to second-rower Ty Gardner who scored to put Wattles

ahead 22-18 at the break.

Valleys altered the scoreboard again just three minutes in to the second stanza, a halfback Cory McGrady bomb forcing a repeat set, and five-eight Ben Cook barging through to put the Roosters ahead 24-22.

Valleys lead was short lived courtesy of a Travis Burns' 40-20 allowing Wattles prime field position seven minutes in to the new half, the following play saw lock forward Mitch Koina offloading to put Andrew Richardson over the try line.

Gerome Burns took advantage of a Wattles error to pounce for his second four-pointer of the final, another score change elevating Valleys to a 30 - 28 lead.

That advantage extended to

eight points minutes later as Corey McGrady broke through the line, before popping a superb flick pass to front-rower Dexter Buchanan on the fly to touch down beside the uprights.

Valleys stretched their lead to 40 - 28 when quicksilver centre Dylan Chown showed a clean pair of heels crossing in the grandstand corner for what appeared the match-winner with 12 minutes left to play.

Wattles went down fighting for survival throwing all from their arsenal at the Roosters who sealed the contest through a try by lock Jason Sharpe in the 74th minute.

A Gerome Burns field goal in the dying minutes allowed Valleys to reach their winning total and

extinguished the Wattles Warriors 54th season.

Valleys 47 (Gerome Burns 2, Hnaloan Budden, Denzel Burns, Ben Cook, Dexter Buchanan, Dylan Chown, Jason Sharpe tries; Dwayne Duncan 7 goals; Gerome Burns field goal) defeated Wattles 28 (Braydon Wilson, Michael Marshall, Mitch Bourke, Ty Gardner, Andrew Richardson tries; Matt Duggan 4 goals)

September 1994**

Netball Final

Galaxies came from equal fourth position in the eight team competition to win the Allora Fitness Centre indoor netball final. They gained entry into the finals due to a better for and against record. They defeated Deviates 36-25 in the semi-final, defending premiers Bony Mountain 43-24 in the preliminary final, and minor premiers Humbugs 38-26 in the grand final. The form of goal attack Gerard Hobson, the accuracy of goal shooter Melanie Forster, and the defence of goal keeper Sandra Wilson were decisive factors in Galaxies win. Players for Galaxies during the season included Mike & Leith Geisel, Mike Keevers, Melanie Forster, Debbie Millard, Lorri Wilson, Ashley Forster, Wayne Lyons, Sandra Wilson, Carla Sinton, Suzanne Forster, Gerard Hobson and Gary Millard.

September 1944**

Catholic Ball

At the conclusion of the annual Catholic Ball in the Central Hall, Allora, the organisers were congratulated on the outstanding success of their work. Although there were no debutantes as in previous years, the door takings of £131 constitute a record and the crowd was one of the largest seen in the district for some time past. Rev. Father Mahon was president of the ball committee, with Mr. Ray Marshall as chairman, Mr. Jim Geaney, vice-chairman, and Mr. Virgil Willett, secretary. The guests were greeted by four hostesses, Mesdames J. Rynne, J. Byrne, D. Ryan and V. Willett.

September 1919**

Allora Murder Case

In the Toowoomba Circuit Court on the 9th September, 1919, before Mr. Justice Lukin, Magdalene Frances McVeigh was charged with the wilful murder of her three young children, Mary, Thomas and Ellen McVeigh, at Allora on the 10th April. The jury returned a verdict of not guilty on the grounds of unsound mind. His Honour ordered that the prisoner be detained in the Brisbane Gaol pending His Majesty's pleasure.

September 1869**

Municipal Nominations

On Tuesday 7th September, 1869, the nominations for aldermen and auditors for the new municipality of Allora took place at the Court House. The event was looked forward to with great interest by a large number of residents and the day was kept by many as a holiday. No small amount of discussion as to the qualifications of the candidates was indulged in on street corners in the vicinity of the Court House.

At 12 noon, the Returning Officer, Mr. D. M. Sinclair P.M. took his seat on the bench and read out the proclamation appointing the day of nominations. He then opened the nomination papers and read out the names of those nominated:- Francis Kates, Isaac Hardwick, John Roberts, John Scott, Alexander Shannon, John Gallagher, Samuel Gordon, Patrick O'Callaghan, Edward Anderson, Joseph Nemeth and Michael Erhart. As there were twelve candidates for the six aldermanic positions available, an election was called for Tuesday, 14th September.

Colin Newport

Continued from back page...

Tom D - 1st 200m, 2nd 100m; Daniel M - 2nd 100, 3rd 200m; Ashley P - 3rd 100m, 3rd Long Jump; Koby D - 3rd 3000m; Reagan M - 1st in Shot, Discus, Hammer, 3rd 100m; Casee F - 1st Discus, 2nd Hammer; Lacey M - 3rd Javelin; Xavia - 4th 1500m and 3000m; Lexie H

- 4th Long Jump and Emily P - 4th High Jump. Sam G also competed at the carnival but did not place.

Congratulations must be given to all these athletes who have trained and competed in recent weeks. Your hard work and efforts have been rewarded.

Upgrades for Warwick Saleyards

More upgrades are on the way for the Warwick Saleyards as the Southern Downs Regional Council prepares to submit an expression of interest to the State Government's Building Our Regions Program after a council meeting was successful last week.

The upgrade to the Warwick Saleyards Truck Wash was identified as an ideal project for submission due to its criticality to the regional livestock transport industry.

Due to the drought induced water shortages within the region, the truck wash was closed in March this year, however the completion of this upgrade will enable the truck wash to reopen and save valuable water resources through a recycling process.

The upgraded facility will ensure that local livestock carriers return to the region to wash their trucks and therefore retain economic activity within Warwick and the Industrial Estate.

The saleyards were given a facelift back in June when work was completed on a \$276,000 infrastructure upgrade as part of the Warwick Saleyards Master Plan.

Five new electric winched loading ramps were added to the site, along with 32 new lamb selling pens

with the capability of holding an extra 650 head.

A proposed new art gallery is also planned for Stanthorpe which is expected to boost the towns economy.

Councillor for Finance, Governance and the Arts Jo McNally was pleased Council voted for the worthy projects as they have significant benefits to the community.

"The focus of the proposed projects with Building Our Regions is to support regional economic development, generate new sustainable employment opportunities, improve the liveability and amenity of the community and align with regional industry and economic development priorities," said Cr McNally.

"While it would have been ideal for council to apply for funding for potable water projects, unfortunately the Building Our Regions guidelines specifically state that water projects for general community needs are ineligible.

"However, while we can't apply for funding for water infrastructure under this specific program, we can apply for funding for projects that still benefit and contribute towards the economic growth of our region."

Tom on number 1 at Darling Downs

Allora Cricket Club Notes

The Allora Cricket Club will be holding a players muster and training for all interested players on Saturday, 14th September, at K. O. Masters Oval from 3.00pm to 5.0pm.

All past, present and future players and supporters are welcome to attend to sign up for the

upcoming season. There will be current members there to answer any questions.

There will be a bbq afterwards during the weekly raffles.

For any further questions please email bryso@westnet.com.au or phone 0419 651 422 after hours.

Enjoy a game soon!
Play competition Sundays or play a social game anytime with friends.

Denny on the world stage

Allora athlete Matthew Denny will compete in the IAAF World Championships in Doha, Qatar, at the end of September.

Qualifications will be held on September 28 and, if successful, he will then move onto the finals on September 30. This is Denny's first senior world championships after winning a gold medal in the discus as a junior in Ukraine.

The field will be made up of the best throwers in the world including plenty of olympians.
