Allora 150 Years Weekend Wrap Up and Damper Breakfast

Tea & damper, cooked & served by Andrew Bryson & his son, was enjoyed by 40 members, volunteers & sponsors of the Allora 150th weekend celebrations on Saturday morning at the Old Shire Chambers. We were able to view photos of most events which many of us had not seen on the day. President Lyn Wright thanked all who assisted the historical society in making the weekend the success it was. With donations received, the society chose to then donate to the Warwick Thistle Pipe Band, Toowoomba Municipal Band, Warwick City Brass Band, Clifton Lions Club, Salvation Army & Graham Buchner for their contributions. Graham gratefully received

his cheque on the day. The Allora & District Historical Society invites everyone to become members of the society (\$10) & to attend our AGM at 7pm on Wednesday 18th September at 53 Warwick St. to find out how you can help us in any way to showcase our history.
Wendy Ardrey (Sec.)

The present executive committee, Kaye Mullins, Wendy Ardrey, Lyn Wright & Jim Anderson, standing behind Olive & Ray Shooter who were original executive members of the inaugural Allora & District Historical Society formed 50 years ago.

Carols In The Country

John Cowley, Betty-Rose Drennert, Gretta Barton, Jo Denny, Blake Johnson, John Denny, and Roy Smith.

This year Rotary Allora will host 'Carols in the Country' on Saturday 14th December in Stuart Henry Park.

It is a trying time for our region and event organisers hope to build Christmas and community spirit by offering a celebration that need not cost a cent.

Families can pack a picnic and enjoy a simple evening of carols performed by all the locals we know and love as well as some special guests from Toowoomba and Warwick.

Local community groups and sporting clubs will be running barbecues and drink stalls and there'll be plenty

to keep the kids entertained with free face painting and balloons. Santa has been in touch with organisers and confirmed not only his attendance but also that he's convinced the GRINCH to attend.

So, let's hope the Crinch doesn't get up to any mischief!

Carols in the Country will give the community a wonderful opportunity to

come together again in Allora's 150th Year.

Details will be posted to the 'Rotary Allora's Carols in the Country' facebook page in the lead up to the event.

STOP PRESS! - More exciting news - the Christmas Lights competition is back this year to brighten everyone's festive celebrations. Information will be supplied at a later date.

Goomburra residents should attend the Annual General Meeting to show support for their Hall.

The current Goomburra Town Hall Committee Inc. has been very active in the past year, holding a Christmas Party in December, Trivia Nights and recently, High Tea in conjunction with the Jumpers and Jazz Festival and catering at local auctions.

The Hall has been hired for use for meetings and police events, voting and private functions. Members of the Committee have given their time in the usual tidy-ups, maintenance, lawn mowing and tree removal.

Secretary Toni Williamson said the Hall was successful in receiving grants from Condamine Headwaters Landcare Group inc. and the Southern Downs Regional Council through the Drought Communities Grants Programme to fund new playground equipment, upgrading and repairs to the building, replacement of toilets and the floor has been entirely sanded and resurfaced.

"We would like to hold a 'Back to Goomburra Day' to raise the 26-year-old buried time capsule and have a Bush Dance to celebrate the new floor," Ms Williamson said.

"However it's time for the Committee to move on and we advise that we are considering closing the hall." Ms Williamson said decisions have to be made by the local community - such as, in the event of a fire or major loss to the buildings, would community members want to rebuild or demolish the facility and leave the land vacant.

"We are considering the legalities of locking the hall up until such time as local members come forward," she said.

"We wish to give the community an opportunity to decide on the future of the hall and invite all residents to attend the annual general meeting, to be held on Saturday 28th September at 7.30pm."

Community members wanting further information can contact Toni Williamson on 0429 383 397.

Allora Police Report - 10/9/19

• No reported crime within the Allora area over the past week.

• On Thursday 28th August, a 23yr old Warwick man was charged with several hooning offences as a result of direct information received from a member of the local Allora community. The initial offence had occurred on the afternoon of the 16th August when an unknown vehicle was seen doing burnouts at the intersection of Clifton – Allora Road with Merivale Street. The same vehicle & driver then returned a fortnight later to "check out" and add to his initial handiwork, at which time he was detected and stopped by the local Allora business owner who reported the matter to Police. Upon subsequent approach by Allora Officers, the man admitted to both occurrences. He was issued with several traffic infringement notices which will see the loss of his licence for a minimum of 3 months. If caught again, the man faces impoundment of his vehicle also for 3 months. On that note, Police would like to thank the local Allora & District community for their support and the information being provided with respect to this and other matters over recent months.

• On Tuesday evening 3rd September, patrolling Allora Officers intercepted a vehicle in Warwick Street after first observing it fail to give way to another vehicle in Herbert Street. Upon talking with the female driver and sole occupant of the car, a 66yr old Warner Street resident, it was established she was not the holder of a current driver's licence and had no emergent reason to be driving. The woman was served court attendance notice for the offence of Unlicensed Driving and is to appear in the Warwick Magistrates Court on the 25th September.

• At about midday on

Wednesday 4th September, Allora Officers were again out-and-about patrolling the Freestone area when they had reason to intercept a southbound vehicle on Freestone Road. The car and its occupants were heading for Victoria. A search of the vehicle was conducted as a result of Officer observations and suspicions. A small amount of cannabis and several cannabis-smoking utensils were located in the car. Subsequently, the 20yr old male driver from Underwood was charged with the offences of Unlicensed Driving, Drug and Drug Utensil Possession. A 27yr old female passenger, also from Underwood was charged with Drug Possession. They are to appear in the Warwick Magistrates Court on the 25th September. The 39yr old female owner of the car from Marsden, accepted drug counselling in relation to her possession of minor drug and drug items within the vehicle.

Past and present Allora Police Officers would like to thank and advise their appreciation to the recent and previous members of the Allora Neighbourhood Watch Committee which formally closed during their Annual General Meeting held at Allora Police Station last Thursday 5th September. The Committee first formed in 1993 and it is known that some of the members of that very first committee, were still there until the end last week. A magnificent effort considering the work was purely on a volunteer basis. Current OIC Allora Station, Sgt Damian Grace is thankful of the time and effort the involved members would have put in during this time, particularly during the earlier years when a lot of their work involved door-to-door community engagement; well before the advent of the internet and social networking through which a lot of information is now shared.

The Wattles Warrior Landmark Harcourts Under 14 side travelled to Texas on Saturday to play Collegians Blue for a spot in the WDJRL Grand Final. Liam Mc was out this weekend with an injury which saw Tyson come back into the side and Shaquan also returned after last weekend off. The Wattles side started slowly and a Collegians break down the left side saw them ahead by 6 after five minutes of play. The Wattles defence picked up with Collegians camped in the Wattles half for the next 10 minutes but not being able to break the Warriors line. Ashley P returned the ball strongly with some good breaks but Wattles were unable to put any points on the board with some mistakes turning over possession in the Collegians half. Collegians then scored in the 20th minutes with a kick in goal and winning the race for the ball. Wattles went to the break 10 nil down.

The second half saw a more committed and energized Wattles side with strong defence and hard ball running. A small hiccup at the 5th minute with a Wattles player sent for 10 in the bin for a lifting tackle. Ash P broke the line again down the left and made great meters, Reub and Lachie P led the forward pack and stiffened up the defence with some solid hits. Dan M then broke the line down the

right and with a quick play the ball Lachie P passed a nice inside ball to Reub who scored beside the posts 10 – 6 to Collegians. The Warriors with the return of the sin bin player went up a gear playing some great attacking football and continuing the strong defence. Ethan came within inches of scoring but was held out by the Collegians defence. Dan M then in 20th minute run off a Lachie P pass to score out wide and put the score at 10 all. With 4 minutes to go Dan M ran onto an inside ball of Lachie P and with a solid run to the try

line Wattles hit the lead 14 – 10. Collegians had a couple more cracks at the Wattles defence but the Boys tackled well and earned themselves a place in the Grand Final at Stanthorpe on Saturday.

Well done to all the Players on a great season and the hard work to get to a Grand Final. Enjoy the day Lads, be proud of your season and the Warriors jersey.

Allora Kennel Club - Dog Show at the Allora Showgrounds

Allora Kennel Club will be conducting 4 dog shows over 2 days on 14th and 15th September. Saturday will see two championship shows followed by one Open Show on Saturday evening. Judging commences at 8.30 am each day. Judges John Shepherd and Lynn Butler and Carolyn Butler will travel from Newcastle and Carol Donaldson will come from Mackay to judge the Championship shows. The Open Show is judged by trainee judges from Queensland. Dogs are judged in 7 groups - Toys, Terriers, Gun Dogs, Hounds, Working Dogs, Utility dogs and Non Sporting. The dogs compete in age groups in their breed then compete against the other breeds in their group for Best In Group. At the end of the groups, competition is for Best In Show. Our second show on Saturday is a Memorial Show to two very special people in Keith Rackley and Roslyn Assay. Ros was our vice-president's wife and she and Keith passed away within a couple of days of

each other. The trophy this year is for Best Baby Puppy in Show. Our Open Show this year is a fun show. Exhibitors are to show in night attire (pyjamas etc) and judges are asked to do the same with prizes for best night attire in each group. This weekend we will have our new amenities block in use for the first time. This was only possible with a grant from the Gambling Fund for which we are very appreciative. The Club, since its inception 18 years ago, have put any profit we have made back into the Allora Show Society's grounds. Originally the shed was built followed by upgrade to power so that the rings could be illuminated and now the toilet block. All club profit goes back into the Show Society's grounds. The Club will be conducting a canteen for breakfast, lunch and dinner on Saturday and breakfast and lunch on Sunday. Our Club owes a huge debt of gratitude to 3 very special people. Laurie Ward

mows the grounds and keeps them spic and span and Joe & Shirley Cornhill

have devoted so much time helping with the watering and with organising the installation of the toilet block. The Club could not exist without all the voluntary hours that they give to our club. Visitors are welcome to our shows. Admission is free. Bring a chair, Buy a burger and a raffle ticket and come and have a look at the wonderful world of dogs.

Obituary

The death occurred in Allora of Mr. John Holmes, a member of one of the pioneering families of the district. Mr. Holmes was 66 years of age and was the eldest son of the late Mr. and Mrs. Isaac Holmes. He was born in Allora

Holmes Motor Supplies at what is now 82 Herbert Street. Jack Holmes, proprietor, is in the middle.

and spent the greater part of his life here. After leaving school he entered the butchering business which he carried out successfully for 20 years. With the advent of motor transport, his keen foresight prompted him to enter the motor business and establish a garage in Herbert Street. He was also a partner in the firm of Holmes & Co., grocery and produce merchants in Allora. After his retirement he was a keen lawn bowler and with Bill Leggatt was instrumental in the establishment of the Allora Bowls Club. He leaves a wife, two daughters and two sons.

Wedding

A very pretty wedding took place on Wednesday in the Allora Methodist Church when Miss Emma Smith, daughter of Mr. and Mrs. Charles Smith, "Forest Holme", Berat, was married to Mr. G. D. Bridgeland. One of the main features of the ceremony was the beautiful decorations in the church, the flowers being sent from Brisbane to Toowoomba for the occasion. The bride entered the church on the arm of her

father who gave her away. Her sister, Miss Smith, acted as bridesmaid while Mr. Ambrose Smith, brother of the bride, acted as best man. After the ceremony, a reception was held in the Protestant Hall where a large number of guests sat down to a bounteous wedding breakfast.

Municipal Elections

The election of members of the Allora Council took place on Tuesday last under the supervision of Mr. D. M. Sinclair, Police Magistrate. There was plenty of drinking and an immoderate amount of fighting; but on the whole the election passed off well. In the case of a tie between Messrs John Gallagher and Edward Anderson, Mr. Sinclair gave his casting vote in favour of Mr. Gallagher. Five aldermen were sworn in on Wednesday and the election of a mayor will proceed as soon as Mr. Kates returns from Brisbane. Mr. Kates is the gentleman to whose lot it will probably fall to be the first Mayor of Allora.

Australian Government assistance for National Capital excursion

Year 10 students from both Allora and Killarney schools will leave on Friday 4 October, to undertake the annual educational tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture,

heritage and democracy. Students will arrive back in Allora on Friday morning, 11 October. We take this opportunity to wish our students all the best for their Canberra trip.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their civics and citizenship education. To assist families in meeting the cost of the excursion, the Australian Government is contributing funding under the Parliament and Civics

Education Rebate (PACER) program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

We would like to thank the Australian Government for their support of this program. We are certain that activities undertaken as part of their educational tour will be well received by all students and hope they find the excursion very rewarding.

St. Patrick's School News

St Patrick's Allora Uniform

Due to the warmth of the weather we invite the children to wear either winter or summer formal uniform for the remainder of Term 3. Please take the time to check the size of your child's summer uniform especially around length as growth may have happened over winter.

Please be reminded that in the last week of school Sports uniform will be worn on Monday 16th September as well as Wednesday 18th September.

Friday 20th September the school is closed for Pupil Free Staff Professional Learning in Toowoomba.

School Fees

School fees contribute to the resourcing and successful running of our school. Fee statements were emailed recently to all families. If ever payment

of fees becomes difficult, it is the responsibility of the family to make an appointment to discuss the fees with Mr Maher. These conversations are strictly confidential and honour that which is most important – your involvement in our school community and your child's education.

BAD JOKE OF THE WEEK

I was explaining to my wife that when you die you get reincarnated but must come back as a different creative.

She said she would like to come back as a cow.

I said "you're obviously not listening".

Clifton "Nite-Owl" Bowlers

Last Thursday night the first Muster after winter was held at the Clifton Bowls Club. Twenty eight bowlers attended, including new bowlers and beginners who enjoyed the night. Another muster will be held on Thursday 12th from 7 until 9pm. Raffles are then drawn with good prizes.

On Thursday 19th September the new competition for The Clifton Courier will commence with new teams and players most

welcome. The winners of The Clifton Courier Shield for the first half of the year will be presented with the shield in the next couple of weeks. Coaching for new and beginners starts at 6pm sharp with fourteen sets of bowls available for use. It's highly recommended that these bowls be used as the old bowls have passed their use by date.

Anyone interested in learning to bowl or just enjoy the game, get along to the Clifton Bowls Club.
