# Allora Garden Circle Notes

The Allora and district Garden Circle will meet on Tuesday 1st September for a very special event.

From 2pm a commemorative bottle tree planting

will take place in the garden area near the weir crossing, corner Raff and Jubb Streets.

Members are asked to gather at 1 Drayton Street before the event and return there for afternoon tea.

Please note that meetings are back to a 2pm start now that the days are longer. For more information call Jane on 4666 3868 or Sandra on 0409 542 692.

# Allora Night Bowls returns after 5 months

The beautifully manicured Allora Bowling Green.

Night bowls are back on in Allora and everybody is simply over the moon about it. On a beautifully calm mid Winter's evening on Tuesday, the 2020 Summer Competition resumed after a five month "suspension".

The quality of the bowls was first class and the old rivals resumed hostilities. Results were: Railway 13 D Three of Us 11; Pig Lures 32 D Bowled and Beautiful 4: Fire Ants 21 D A Bowla Viris 4; Generation Gap 17 D Tramps Like Us 15; Are You Game Enough 18 D landcruisers Plus One 11; The Other Team 15 D Doesn't Matter 9 and Gina's Babies 12 D The Three Stooges 9. With four rounds

to go Gina's Babies on 15 points are 2 clear of The Three Stooges, with A Bowla Viris 1 further back on 13.

Patto has finally had the trophies made up for past competitions and will present them at random every Tuesday night. The first winners presented were Lawn Grubs, winners of the Spring 2017 competition. Pete received his trophy but for reasons unknown Bluey and Slugga didn't get theirs. Glenn and Plug, please don't get those trophies engraved as you will need to give them back.

Thanks to all our generous sponsors and to Moley for presenting the green in tip top condition.

## RSL Sub-Branch meeting

The Allora RSL Sub-Branch held a meeting last weekend to elect new office bearers.

The meeting was chaired by Deputy District President Denis Pollard.

John Henry was re-elected as President

with newcomers and ex-servicemen Doug Lansley as Secretary and Ray Saunders, Treasurer.

There was a good attendance with members of the community offering their services.

Meetings are held every three months at the RSL Hall.

## VOLUNTEERS ARE URGENTLY NEEDED

The Tuckshop at Allora P-10 State School desperately needs volunteers.

If you could help out on a Monday and/or Wednesday, it would be greatly appreciated.

The Tuckshop will continue to operate this term but after that the future is in doubt.

Please show your support and contact Serena at the Tuckshop if you can help.

# Access is needed to your water meter

Water meter readings commenced across the region this week and will continue until the end of September. It's important for all householders to ensure that their water meters are easily and safely accessible.

A simple check that the area surrounding water meters is free from garden vegetation and other obstacles will ensure minimal disruption to gardens and assist with an accurate meter reading.

If meter readers are unable to access a property because of locked gates or animals, a card will be left asking residents to contact the Council to arrange access.

As ratepayers are responsible for water infrastructure located on their property's side of the water meter, including leaks in pipes or fixtures, Council encourages residents to regularly check water usage by monitoring the water meter.

From this financial year, Water Notices will only include water consumption

charges. Water Notices are scheduled to be issued in October 2020 with the due date being 30 days after the date of issue.

Water Notices will be issued in a new and simpler format but the relevant information will still be detailed.

Anyone who is having difficulties paying their notice is encouraged to contact Council prior to the due date to organise a confidential payment agreement.

For further information about water meter readings and water consumption, contact Council on 1300 MY SDRC (1300 697 372).

**ALLORA P-10 STATE SCHOOL**  
from Principal Shaun Kanowski

## School Sports on this week

Allora P-10 State School's Interhouse Track and Field Carnival is being held today 26th and this Friday 28th August.

**Parents and caretakers** are invited to watch our carnival, understanding that we have to insist on COVID-19 safe practices. These include:

- Parking and entering the school oval via Darling Street;
- Entering your details and signing a register on arrival (located at a desk inside the Darling Street entrance);
- Social distancing (1.5m) from other adults and students;
- Following hygiene procedures (regularly washing hands or using hand

sanitiser, sneezing into a tissue or crook of arm, refraining from hugging and shaking hands, not attending if unwell).

**Students** are welcome to come in their house colours. Deacon - Green and Gold and Gwynne - Red and Blue.

A tuckshop will be operating.

**Note:** Due to new Long Jump boards being installed, students must wear shoes when they are competing in Long Jump and Triple Jump events.

## Working Bee

A P&C Working Bee will be held on Saturday September 19 from 9am.

This is to paint perceptual motor skills games on the bitumen. Donations of bright spray paint would be appreciated.

# Businesses reduce water consumption

Over the last 12 months, local businesses identified as 'High Water Users' have buckled down to reduce water consumption and together have saved a staggering 76 megalitres.

Based on June 2020 monthly water usage, this significant saving could supply water to Allora for 15 months or Yangan for three years.

Portfolio Councillor for Water Stephen Tancred applauded the region's businesses and their staff for adopting water saving practices and incorporating initiatives to optimise water consumption.

"Practical applications generate real results. The combined average daily water consumption by the high water usage businesses has reduced by 15% per day in a one year period - a commendable water saving considering no business was deliberately wasting water in the previous 12 months. The combined water savings total more

than 76 mega litres," Cr Tancred said.

"Having a Water Efficiency Management Plan really does make a difference to a business's bottom line water consumption.

"Businesses using more than 10 megalitres per annum are required to have such a plan and we currently have 11 in place across the region".

The development and implementation of Water Efficiency Management Plans (WEMPs) for large water users will result in long-term water savings across the region. These plans will remain in place until 2024.

Water consumption across the Southern Downs continues to be monitored. Extreme level water restrictions of 120 litres per person per day currently apply across the region. Water restrictions will continue to apply whilst water is carted from Connolly Dam to Stanthorpe.

# Integria to create new jobs in Warwick

Natural medicines and herbal therapies company Integria Healthcare has confirmed that the development of its expanded Warwick production site, where the company is building a fully integrated processing and packing facility, is progressing well and the project is ahead of schedule with completion expected early in 2021.

Integria embarked on the expansion of its Warwick facility at the beginning of the year to build a centre of excellence for the production of high-quality herbal products and supplements range, including therapeutic Essential Oil products.

It is expected to provide an economic boost for Warwick, with the move creating approximately 10 new positions and opportunities for increased business with the local community.

Integria's expanded production facility in Warwick.

Integria Healthcare's CEO Michael Bracka said: "Warwick is providing an excellent community base and skilled workforce for Integria Healthcare. We are fortunate to be

working with Southern Downs Regional Council to continue our investment and expansion in Warwick, even as other companies are having to wind back their capital investment in these

uncertain times. "We are grateful to the Warwick community and the Council and look forward to building sustained growth through this facility in the years to come."

## ST PATRICK'S SCHOOL ALLORA from Principal Tyronne Maher

### St Pat's Athletics Carnival

St Patrick's Athletics Carnival will be held on Thursday 3rd September.

The size of the school community means that it is possible to do this within the current Covid 19 environment. Hand sanitizer will be available and all families attending are to observe the social distancing required of adults. The day will have the usual events but will not include high jump this year. Normally this event would be held separately in the lead up to the day but this is not possible given the 'traffic jam' of events occurring in the school and community post lock-down.

### School Holidays

Thursday 17th September last day of Term 3. Tuesday 6th October first day of Term 4.

### Central Downs Gala Day Consent Form

This year, Gala Day will be held on the 11th September. Students of 8-12 yrs of age in years 3-6, will choose between soccer, netball or rugby league (9-12yrs only). Students wishing to play league will require a mouth guard. Unfortunately, due to the current Covid 19 restrictions, only school staff and those parents enlisted to assist on the day will be allowed to attend. Please complete the online form to indicate your child's preference and your consent.

### Book Week

This year has been pushed to 17th-23rd October. This has been nationally in light of Covid-19. The theme is Curious Creatures and Wild Minds.

# Allora CWA Notes

The Allora CWA held a scone day on Tuesday 18th August to mark the 98th birthday of the Queensland Country Women's Association and wish to thank members and volunteers who helped cook, prepare and deliver freshly baked scones, jam and cream. Many thanks to all the local businesses and families who were approached and supported our local Allora group.

The CWA holds Friendship/Craft mornings every Monday from 9.30.

Bring your handcrafts, knitting, sewing items and meet locals for a chat and cuppa.

If you wish to learn a craft our willing teachers are available to help.

The next evening group will meet at the CWA rooms at 6.30pm on Wednesday 9th September for basic sewing skills and learn how to use a sewing machine.

Bring along your machine, if you have one, so we can get you started on the basics. Feel free to bring your fabric and a pattern if you are already more confident in your sewing skills.

There is a spare machine available to use if you do not have your own yet.

The next branch meeting will be held at 10am on Tuesday 15th September. All welcome. Meetings are followed by shared lunch.

For all enquiries contact President Carolyn Anderson, phone 0427 648 384 or Treasurer Sandi Blinco 0408 066 192.

Allora CWA Rooms in Warwick Street.

## Seasonal workforce breakthrough a boost for farmers, food supply and economy

Member for Maranoa and Agriculture Minister David Littleproud says the Australian Government has developed a national plan to allow seasonal and Pacific workers to fill farming's labour void and help support Australia's COVID-19 recovery.

"This sensible approach developed by the Australian Government ensures our farmers can keep feeding the nation and supplying the

world," Minister Littleproud said.

"I have written to state and territory agriculture ministers urging them to work with their colleagues and farmer sector to take advantage of the reopening of the Seasonal Worker Program and Pacific Labour Scheme.

"With appropriate state and territory plans and quarantine arrangements in place, seasonal and Pacific

workers can safely support farmers facing critical workforce shortages.

"Agriculture is the engine of regional and rural Australia and is an essential industry, contributing \$60 billion annually to our GDP.

"Many regions are expecting above average crop production following good rains.

"But farmers can't fill harvest jobs because of COVID-19 travel restrictions, with people prevented from moving across state borders, overseas workers and working holiday makers in scarce supply.

"More than 40 per cent of working holiday makers have departed Australia since the border closures, and while there are still around 8,000 Pacific and Timorese workers in Australia, this is nowhere near enough to meet the upcoming harvest needs.

"It is critical farmers have access to labour to

help them capitalise on the favourable conditions and ensure agriculture continues powering Australia's economy and feeding our nation.

"We are allowing targeted recruitment of labour under the Pacific Labour Scheme and Seasonal Worker Programme.

"This decision gives industry certainty so they can plan their workforce needs and know that harvesting our fruit and vegetables can be done at the right time so food doesn't go to waste.

"There will continue to be rigorous labour market testing to provide Australians with an opportunity to apply for these seasonal jobs first.

"This announcement builds on the visa changes we've made to keep temporary workers here longer to support critical sectors like agriculture as the nation recovers from COVID-19." Minister Littleproud said.

# Don't be a healthcare dodger!

Dr John Hall, President of The Rural Doctors Association of Australia (RDAA) advises everyone to keep up your other checks during COVID.

Rural Australians are being urged to ensure they are not avoiding important medical checks for chronic conditions or other potentially serious illnesses during the COVID-19 crisis.

The Rural Doctors Association of Australia (RDAA) and Australian College of Rural and Remote Medicine (ACRRM) warned that delaying important health checks now could have serious implications in the months to come.

"Whether you have a chronic health condition like diabetes, or you are concerned about a mole that is growing in shape or size do not put off a visit to your doctor because of COVID concerns" said Dr Adam Coltzau, Clinical Lead for RDAA and ACRRM's COVID-19 Rural and Remote Response.

"And please don't delay seeing your GP if you need new prescriptions for important medicines.

"If you need a check-up for a long-term condition or

Dr. John Hall.

something that is concerning you, or you need a new prescription, please ring your general practice for advice.

"They will be able to let you know if your check-up can be done by a video-call or over the phone.

"And if you do need to come in for assessment or treatment, you can be confident your practice has taken significant precautions to minimise the risk around coronavirus. Your chance of getting the virus in a general practice is extremely low – and we would argue far less risky than moving about in the broader community.

"Make sure you get those really important health checks sooner rather than later."

# Toowoomba Carnival of Flowers 2020

Happening this year from 18 to 27 September but with a different format.

The 170,000 blooms across parks and public spaces this September aren't the only stars of this year's iconic Toowoomba Carnival of Flowers.

Introducing the Artists-in-Residence program - four locally based chalk artists will bring colour to the concrete paths of the Botanic Gardens in Queens Park, each Saturday from 5th until 26th September,

10am until 2pm.

The Artists-in-Residence Chalk Art program joins more than 30 other events and activations that will feature this year at Toowoomba Carnival of Flowers. This includes the new region wide food trail treats, as well as the popular Talking Pub and Foodie Dinner Tours, Rows light shows at night, guided and non-guided walking tours, as well as activations Cobb + Co Museum and the much-loved floral group displays.

Flowers in Queens Park.

## Looking Back...

Allora's Past 25 years ago August 1995

### Ratepayers Meeting

At a public meeting of Allora ratepayers, Mayor of the Warwick Shire Bruce Green stated the water meters would be installed in Allora in the next financial year and water will be charged on the user-pays system adopted in other parts of the Shire. The continuing water shortage left the Council with no alternative, he said.

In response to ratepayers concerns expressed by Jackie Gallagher, the meeting was assured that there was no intention to close the Council depot or office in Allora and that there had been no Council discussion on the future of the Allora saleyards.

Allora's Past 50 years ago August 1970

### Electrocuted

Stephen John Lehmann, a 13 year old Allora schoolboy, suffered a 415 volt electrical shock when he came into contact with the rear of a switchboard while playing in the disused Allora Butter Factory. He was accompanied by his younger brother who raised the alarm with the employees of the Allora Co-op Society next door. Stephen was pulled from the switchboard by his grandfather Vic Lehmann, a Co-op employee, and conveyed to the Allora Hospital where he was treated for burns to the face and hands. He was later transported by ambulance to the Warwick Base Hospital.

Allora's Past 75 years ago August 1945

### Roll of Honour

Mrs. W. Wilson of Herbert Street, Allora, received word on Friday last that her

only son Sapper John Wilson had been killed in action. Sapper Wilson spent the greater part of his life in Allora and was educated at the Allora State School. He was 28 years of age at the time of his death and it is believed that he was serving on Bougainville. He leaves a wife and three small children who live at Sandgate.

Allora's past 100 years ago August 1920

### Farewell Dr. Pain

Dr. Francis Pain who recently suffered a breakdown in health, left Allora after practising there for over 32 years. Due to the condition of his health he was given an informal send-off by a number of prominent citizens in the Shire Hall.

Dr. Pain came to Allora in 1887 from an industrial town in the north of England. His practice covered an area from Glengallan to King's Creek and Goomburra to Talgai which he administered to at all hours of the day and night with a horse and uncovered sulky. He would have encountered

Dr. Francis Pain.

every kind of medical condition and emergency including the accidental death of his own 6 year old son Godfrey in 1897.

Dr. Pain and his wife Jessie retired to Sydney but sadly spent the next couple of years trying to recover money owed to him by the people of Allora and district.

**BAD JOKE OF THE WEEK**

A woman boarded a train with her little pet dog. When she was approached by the ticket inspector she showed him two tickets.

"This one's for me and this one's for my dog" she announced, "I've paid full fare for him so he's entitled to a seat like any other passenger."

"That's quite right, lady," replied the inspector "and just like any other passenger, I'll throw him off the train if he puts his feet on the seat."

### SOLUTIONS

#### QUIZ ANSWERS

1. (a) Turritopsis dohrnii is commonly known as the immortal jellyfish, and it can turn back into a polyp when it gets too old.
2. (d) Archaeopteryx was a bird-like dinosaur. Pteranodon was a flying dinosaur. Plesiosaurus was a marine reptile, and Dimetrodon was a synapsid (traditionally known as a "mammal-like reptile").
3. (d) Most people have two lacrimal glands, one above each eye, and they're responsible for producing tears.
4. (a) Apoptosis is the body's way of removing unwanted cells.
5. (c) Pluto's largest moon is Charon, but four more moons have been discovered since 2005.

# ALLORA MUSEUMS

Visitors to town and locals can look into the past of Allora and the Darling Downs.

Trip back in time at the Allora Historical Museum

in Drayton Street for a fascinating collection of memorabilia.

Then move onto the second Museum, the Old Shire Hall on the corner of Forde and Warwick Street.

It provides facilities for reading and research as well as special displays.

The Allora and District Historical Society will happily show you around - phone Lyn on 0408 753 085.

# Allora Golf Notes

**Percy's Fruit Duck Run** was won by Ray with 23 points from Adam May with 21. Ty won a ball in the rundown. Pin shot went to "Pele" Haig; approach Ty and long putt Adam.

**Allora Butchery Two Person Ambrose** was won by Aaron and Garth with a net 57.25 from Jim, Anthony and Kieran with a net 59.

Pin/approaches went to John E (4/13 and 7/16) Brady (8/17 with an absolute beauty); Garth (5/14) and Ben (9/18). Jimmy won the long putt.

Next week will be a club sponsored Par Event.

The 12th is now the **Bolzan Sand Supplies** hole in appreciation of the generous support Joe,

Heather, Bec and Steve have provided the Golf and Bowls club over many years. The Bolzan family has a long history with the Sports Club with Heather's maternal Grandmother Eva playing croquet, her Mum Rita being a stalwart of the Ladies Bowls Club and her dad Tovey the Bowls Club greenkeeper and popular bowls member for many years. Of course her brothers Lyn and Greg are well known champion bowlers and Greg is a life member and club patron of the Sports Club.

The Club has also updated the sign for the **Allora Butchery** 3rd hole, another long term supporter of the club.

The bunker is now in play but please enter and leave via the rubber mat and stay off the turf. See you on the links.
