Another hoon caught in Allora

A young hoon has left Allora Police scratching their heads after they caught yet another driver performing 'circle work' in the town.

The 21-years-old Newtown man was intercepted by Allora Police shortly before 5am Sunday morning after he was detected attempting burnouts at the intersection of the New England Highway and Allora Drive.

The man will face loss of licence after being issued with traffic infringement notices for the offences of driving to cause undue noise or smoke, (a classified hoon offence), driving unaccompanied on his learner's permit and failing to display his "L" plates.

With fines in excess of \$800 and the loss of 8 points, the offender's car has also been immobilised for a period of 90 days, meaning it cannot be driven at all.

DRUG POSSESSION - A 28-years-old Toowoomba man will face the Warwick Magistrates Court on October 28, charged with cannabis and amphetamine possession and utensil possession following a search by local officers in Dalrymple Creek Park on September 22.

Police attention was drawn to the vehicle and its single occupant during the conduct of regular patrols of the area during the course of the afternoon.

A search of the vehicle located small quantities of both cannabis and amphetamine, smoking utensils and used syringes.

DAMAGED UTE - Local Police are asking the assistance of anyone who has information relating to the wanton and wilful damage of a local man's Toyota utility which was parked in Herbert Street on Friday night, September 18.

The young Allora man did

the right thing and parked his vehicle up for the night after having had several drinks in town.

When he returned the next morning to collect his ute, he found that the front passenger side had been kicked in.

Anyone with information as to the identity of the person/s responsible is asked to contact Allora Police.

STOLEN VEHICLE - Likewise, community assistance is sought in relation to the theft of a

Holden Commodore sedan from the side of the road on Warwick Allora Road, Toolburra, on

the same night. The vehicle had broken down on its owner so he returned home to Hendon that evening and left it at the Toolburra Plains Road turn off, pending collection the next morning during daylight hours.

It was stolen overnight however and has not yet been recovered.

Anyone with information as to the location of the vehicle and/or the person responsible are asked to contact Allora Police or Crimestoppers.

Meghan and Ty

TIE THE KNOT

Allora couple Meghan Stewart and Ty Gardner celebrated their marriage at a ceremony on Saturday September 19 surrounded by their nearest and dearest on the stunningly manicured grounds of the historic Talgai Homestead.

Tying the knot under an rustic arch adorned with roses, pampas grass and Australian natives overlooking the picturesque paddocks of Allora, it was

the perfect setting for Meg and Ty to exchange their vows.

After the ceremony the wedding party headed to another local property Rivoli Farm for a sneaky drink and lots of laughs while they had their official wedding shots snapped alongside Raven and Abby, two of Rivoli's mares.

Congratulations to the happy couple.

Allora Farewells Kath & Col Turner

Since arriving from South Australia in late 1995, Kath & Col became a big part of the Allora community, getting to know the locals through the Railway Hotel which they leased for 2 years.

Col who was a National Serviceman in the Vietnam War attended an Anzac Day Service in Allora and the late Heather Neale invited him to become a member of the local RSL Sub Branch. Kath joined the Ladies Auxiliary and later became Treasurer. When the Auxiliary closed Kath became Secretary of the Sub-Branch. This was to become a huge part of their lives. From 2014 many grants were applied and received to refurbish the local Sub Branch hall. Jupitors Casino repainted inside and out, refurbished the floors and built a deck off the hall. By 2016 revenue was hard to raise so they took a chance and opened a café to produce enough revenue to keep the hall

solvent. The endeavour proved to be successful. Kath and Col always had a strong belief that the Hall be retained for the local community.

Over 10 years Col volunteered to care for the gardens and clean the hall and later maintained the café on a daily basis and

Kath running the kitchen. In their spare time they would be down the main street selling tickets to raise money for the Hall.

It's estimated that Kath

raised in excess of \$100,000 for the RSL Sub Branch.

Kath & Col left Allora last month and are now living in North Queensland to be close to their family.

It's a good idea to have an emergency plan for your household and not just for storm season - it could be needed for other events such as a bushfire or a flood, for example.

While many of the things associated with preparing a plan may seem to be commonsense, there's a number of things that may not occur to you readily.

The best idea is to seek advice, and one very comprehensive source of information about putting together your Emergency Plan is the Queensland Government website getready.qld.gov.au

Save WATER

BY MAKING SIMPLE IMPROVEMENTS TO YOUR HOME

Bathrooms, kitchens and laundries are the high use areas for households, so it's common sense to focus on how we can save water in these areas.

SOME GOOD TIPS FROM SDRC PORTFOLIO COUNCILLOR FOR WATER - STEPHEN TANCRED

"In the bathroom, using a water efficient shower head can reduce water consumption by 50%, and water captured in a bucket and saved from going down the drain can be re-used for other purposes such as flushing the toilet or watering the garden.

"Check your toilet for slow leaks. A visibly leaking toilet can waste more than 160 litres a day. Replacing single flush toilets with a dual flush system could save up to 80 litres per day.

"When it comes to the laundry, always ensure you have a full load of washing before turning on your machine. If you have a small load, always

double check you've adjusted your water level. Consider running a hose from the washing machine to the garden.

"Also take advantage of the eco option on appliances. Eco cycles not only save water, but also energy and money. If you're purchasing new appliances or upgrading appliances, do your research and check the water rating. The more stars the greater the water saving."

Extreme Level water restrictions of 120 litres per person per day currently apply to all treated town water supplies delivered to the household tap or supplied by a water carter.

We're extending the JobKeeper Payment until 28 March 2021.

The Australian Government is extending the temporary JobKeeper Payment to the end of March 2021. From 28 September, businesses must meet the turnover test and submit their declarations by the 14th of each month.

There will be two new payment rates – one for those who work more than 20 hours per week in the relevant period, and another for those who work less. The employee eligibility date has also changed to 1 July, meaning some businesses could claim for more staff.

It's part of our plan to keep business in business, and Australians in jobs.

Exquisite Candles That Are Nearly Too Beautiful To Light

Donna Hey at her newly built studio Windyhaze Creations, in picturesque Loch Lomond, draws her inspiration from the stunning views of the Great Dividing Range.

Learning her trade from a qualified chandler, Donna has been creating and selling her candles for several years. She has attended many workshops, honing her craft to keep up with the latest trends such

as high quality fragrant candles and pillar candles in soy and beeswax.

Windyhaze Creations will be part of the Condamine Country Art & Craft Trail on 17th & 18th October.

During the weekend Donna is offering a 2 hour workshop to learn how to make candles.

The workshops are 10am Saturday and Sunday. \$80 includes 2 glass container candles with 2 different wicking styles. Choose your fragrances on the day. Full instructions will be given as well as a display on how to make pillar candles. Refreshments will be provided and classes are limited to a max of 6 adults.

Phone Donna today on 0432 179 142 to book a spot.

Studio address is 98 Orchard Road Loch Lomond, half way between Warwick and Killarney.

Mock Wedding

The sum of £27/6 was taken at a "mock wedding" and dance held in the Goomburra Hall in aid of funds for the Red Cross Society. The function was made more interesting by the fact that the identity of the participants in the entertainment had been kept a close secret until the night of the event. Even then many of the audience were unable to recognise some of the principals.

Those taking part were Max Wright (bride), Miss Margaret Morris (bridegroom), George Gilmore and Alan Carsburg (bridesmaids), Joyce Bradford (best man), Audrey Wright (groomsman), Derek Morris and Norman

The cast of "Two Brides - One Wedding" staged in the Goomburra Hall c.1970. They are from left: Pauline Barrett, Robyn Nussey, Joyce Abernethy and Helen Corbett.

Bradford (flower girls), Mrs. J. E. Nussey (parson), Mr. J. E. Nussey (grandma), Mr. Syd Morris and Mrs Black (bride's parents), Mr Gouldson and Mrs Morris (groom's parents), Lyndall Smith (boyfriend of the bride) and Dolly Balderson (jilted man from the city).

Damage by Rain

Heavy rain set in at midday on Saturday and fell almost continually throughout Sunday, resulting in the best spring rain that has been experienced for years. The soil, which was in a very dry and cracked state, is now well soaked. Unfortunately, owing to its height, the greater part of the wheat crop has been beaten to the ground and the whole extent of the wheat country bears a very wrecked appearance. As it dries, the crop will probably rise considerably, but little of it in this district will now be suitable for harvesting by

Alderman Elected

The election of an alderman for the Allora Municipal Council, which took place in the Town Hall on Thursday, resulted in the return of Mr Patrick Kelley. The numbers polled for the different candidates were as follows:-

Mr Kelley 21; Mr John Holmes 16; Mr John Spry Roberts 8.

All the candidates were present when the poll was declared but no speeches were made. A majority of the aldermen are highly dissatisfied with the result of the election and three aldermen (including the Mayor) have resigned. Alderman Edward Anderson has been elected mayor for the current year.

Jeremy's View

My pets

This week I've decided to write about my pets. We really love animals at our house and we do our best to look after them.

Connie - Connie is a Cavalier King Charles Spaniel dog that Mum got before she met Dad and before I was born. Connie is brown and she is my favourite dog. She is also 13.

Missie - Missie is a brown and white Cavalier King Charles Spaniel. She is Dad and Willam's favourite dog and is 14 years old. One time (before I was born) Missie trapped her head in the sink and the firefighters had to get Missie's head out. The firefighters wanted to put it on the newspaper but because back then mum was in the Airforce and she was living in home that was owned by the Airforce, she said no.

Mavis - Dad really likes cats so one day Dad was at the Southern Downs Ark and Dad really liked a ginger white and black cat named Electra. Dad asked Mum if we could get her and Mum said yes. Dad didn't like the name Electra so we renamed her Mavis after a British comedy show named Open All Hours. And Mavis also hates all people, except for Mum, and our other cat Granville

Granville - After we got Mavis we found out that Mavis loved Mum but hated Dad so we got Granville from the Ark also named after a character from Open All hours. Granville is a kitten and is ginger and white.

Norman - One day a ginger cat (who was a stray) started coming to our house for dinner. So mum put a post up on Facebook asking if it was anybody's cat. When no one replied we named him Norman (also after Open All Hours). When he first arrived he was skinny but now he is very fat.

Guinea Fowl - One day mum found out about these African birds (who are related to turkey's). who chase away snakes on Facebook. She also found that someone was selling them in Pittsworth so we went to Pittsworth and bought some. When we got them they were babies called keets and were cute. But when they grew up they turned noisy and ugly. One time two of them were trapped in the garden (even though they could clearly get out by going through the plants) but instead of going through the plants they kept going back and fourth and back and fourth until they finely figured out how they could get out.

We also have chickens and cows on our property. The chickens are really friendly and the cows belong to our neighbours.

Society of Creative Anachronisms

Allora set the scene for members of the Canton of Stegby from the Southern Downs. The group visited the Allora showground

recently and had a great day, recreating pre-seventeenth century skills, combat and culture. Canton of Stegby is part of the Kingdom of

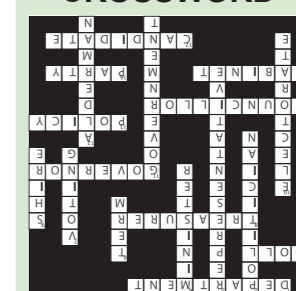

Lochac in the Society for Creative Anachronism (SCA), one of the world's oldest medieval reenactment society. In Warwick there are

approximately 30 members who meet every Wednesday evening in the Senior Citizens Rooms.

Allora Golf

A ripping field of 26 players contested the Percy's Fruit Duck Run last Friday. Winner with a mammoth 29 points was Aaron. Back to your club handicap next week Simmo. Runner up was Kenny with a very handy 25 points. Rundown Roy, Sparky, Jimmy and Whit. Pin Tommy Morris, approach Ray and long putt Frizz. Thanks Percy. Sunday was a club trophy with a field of 22 players and continuing the trend of cracker scores, Russell won the day with an unbelievable 45 points. Russell also took out the pin shots on 7/16 and 6/15. Well done Russ. Jimmy was runner up with 40 points, a winning score on any other given Sunday. (Jimmy is pictured receiving his runner-up trophy

from Sports Club President Kev). Rundown Doreen and Benny. Other pins Benny (4/13 and 3/12) and Moose (8/17). Ray won the long putt on 5/14. This Sunday will be the Railway Hotel Monthly Mug. Matchplay results Jason d Tommy Morris and Benny d John E. Although we were down on numbers we sent a pretty good side over to Clifton on Saturday to play the Allcliff Shield. Well done to the old rivals Clifton who won the day, although it is some consolation that Allora won the series. Big week for the golf course with irrigation being laid on fairways and the Tommy Maher bridge to be completed. The week after we will be laying paths. Duck Run start will be delayed until 2

President Kev. Harrison presents runner-up trophy to Jimmy.

PM this Friday due to the school running its cross country on that day. A reminder that the Sports

Club AGM is on this Saturday afternoon at 3 pm at the club. See you on the links.
