Killarney – vehicle in flood waters

A male in his 60s was moving cattle to higher ground at a property along Condamine River Road when his vehicle was consumed by rapidly rising flood waters and washed away. The man was sadly located deceased in his vehicle.

On behalf of Colleen Stephenson and family:

Last night (last Wednesday) was the hardest of our lives.

We lost our heart and head of our home – our Paul. And our lives will never be the same.

He was a magnetic character always smiling and willing to lend a hand to anyone in need.

Paul was moving cattle on our family property when his ute, which was parked in a paddock, was swept away by a sudden surge of floodwater. We know he was acting safely.

It's Canteen Chaos!

President Mark is pulling his hair out - time is flying by and the canteen has to

be finished mid-January in readiness for the Heritage Weekend.

As you can see by the photo there's still much to be done. The Show Society was very pleased to receive a grant in May for \$124,960 to renovate and upgrade the canteen and bar at the Showground. The canteen needed reconstructing to make the cooking and serving of food more streamlined and easier for the wonderful volunteers who help out.

Arena Construction Started

Allora Show President Mark Pillar handing over the first payment to Barry Glass who's constructing the covered arena at the Showground.

Already Barry has been busy manufacturing the steel columns for the arena. It's hoped construction will be completed by April next year.

Need for Feed - Disaster Relief

Project of Lions Clubs

The Lions Need for Feed is planning a Australia Day Convoy of 30 to 40 trucks (could be up to 100 if needed) to come to Cecil Plains.

The convoy will stay overnight in Cecil Plains and individual trucks will then deliver the hay on to the farms in South East Queensland. Distance is not an issue.

School Vandals Caught

The developments come after students and teachers arrived at Allora P-10 State School on Monday, December 7, to find several buildings vandalised.

Allora Police Senior Sergeant Damian Grace said it will be alleged the vandals trespassed onto school grounds the night before and used paint to write obscenities and cause damage to parts of the secondary school.

DRINK DRIVERS - Allora Police caught four drink drivers over the last fortnight.

A 33-years-old Allora woman who recorded a blood alcohol reading of 0.077 on the Warwick-Allora back road, a 24-years-old Warwick man who recorded a blood alcohol reading of 0.080 on the Clifton – Nobby

Allora Police say they've had a 'disappointing' start to the Christmas season, with plenty of offences keeping them busy over the past few weeks including vandalism at the Allora P-10 State School.

VANDALISM - Six local juveniles aged between 13-years-old and 15-years-old are being dealt with under the Youth Justice Act for offences including stealing, trespass, wilful damage, supplying dangerous drugs and possessing child exploitation material.

Road, a 21-years-old Allora man who recorded a blood alcohol reading of 0.093 on the Clifton – Nobby Road and a 53-years-old Allora man who recorded a blood alcohol reading of 0.098 in Bennett Street, Allora.

All will appear in the Warwick Magistrates Court in the new year.

"Drivers should be aware by now that if you drink, then drive, you will be caught," senior sergeant Grace said.

"Consider others to ensure that everyone is able to travel safely to get to where they're going, and return, over this busy period.

PHONE THIEF - An Allora man had his mobile phone stolen while visiting the Allora Pool.

The phone had been left among his possessions on the pool-stands while the man celebrated the festive season with his family nearby.

While the phone has not been recovered, a 22-years-old female Allora resident has been charged with its theft and will face court accordingly.

"This was an opportunistic thing but locals reminded it only takes a second for a prized-possession to be taken from you, your vehicle or your residence," senior sergeant Grace said.

"Please lock-up where able and keep your valuables

out of sight, particularly in unattended vehicles."

DRUG CHARGES - In other news, a 43-years-old Allora woman, a 27-years-old Warwick man, and a 24-years-old Warwick man will front the Warwick Magistrates Court in 2021 charged with offences including the possession and supply of methylamphetamine (ice) and cannabis following a series of vehicle intercepts and searches in the area over the last week.

As is always the case, there will be an increased Police presence on our roads over the holiday period, so anyone committing offences can expect to be stopped by Police and dealt with accordingly.

CHRISTMAS WISHES - "On a lighter note, following the stressful year stemming from COVID19, there have been minimal issues with our local community, which is hopefully a good-sign for the year to come," senior sergeant Grace said.

"Myself and Senior Constable Riley Cozens wish everyone safe travels over the holiday period, a happy Christmas to all and their families and a prosperous new year in 2021."

Visual Display For The Sports Museum

Foundation President Perry Cronin has been re-elected making this 22 years of service to the Allora Regional Sports Museum Inc.

At the Annual General Meeting on Monday night Shelley Duggan was back in as Treasurer however the Secretary Judy Hoey resigned. President Perry thanked Judy for her excellent contribution and dedication. A replacement will be announced shortly.

Councillors Marco Giori and Sheryl Windle attended the meeting and were impressed with the healthy financial position of the Museum and its overall presentation.

Big news on the night was the announcement of a continuous visual display with 7,000 sports negatives donated by Nola the wife of the

late Lionel Coxen who took thousands of photos and slides at special events with the Wattles heavily featured. Even a photo of Mal Meninga as a young skinny footballer before he played State of Origin. The Southern Downs Regional Council was thanked as the display was made possible by way of a Grant. It's hoped the visual display will be operating early next year.

If anyone has rare sports photos the Museum would be happy to include them in the display.

Have a very merry Aussie Christmas

Agriculture Minister and Member for Maranoa David Littleproud is issuing a challenge to all Australians to make this festive season a 100 per cent Aussie home grown Christmas and support our farmers.

"Australia's farmers have defied drought, bushfires and a pandemic to deliver an abundance of fresh food throughout the year," Minister Littleproud said.

"In spite of these challenges they are overseeing an expected \$4.2 billion increase in Australia's 2020-21 farmgate production to \$65 billion and near-record winter crop harvest.

"Our farmers are leading the way in Australia's recovery, creating jobs, boosting local communities, and supplying Australia and the world with high quality produce.

"I'm calling on all Australians to thank our farmers and world-famous agriculture sector by choosing to buy, eat and drink Aussie produce this Christmas.

"Right now, our farmers

are ensuring local supermarket shelves are stocked with delicious home grown fruit, veg, seafood, dairy, meat and wine so that Aussie families can have a truly Aussie Christmas.

"Whether it's ham, turkey, chicken, cherries or prawns, there's no reason why our Christmas brekky, lunch and dinner plates can't be brimming with 100 per cent Aussie produce.

"Buying Australian this Christmas means we are supporting about 860 pig meat farms, 784 poultry farms, 353 cherry farms, 490 potato farms, 4000 vineyards and 5800 fishery and aquaculture businesses.

"Look out for the green and gold kangaroo label when you're shopping at the supermarket, and tuck into Australian food and drink this Christmas.

"In the Littleproud household it will be succulent Aussie pork roast, spuds and apple sauce—paired with a crisp drop of cool climate Granite Belt white wine from my electorate of Maranoa."

Merry Christmas

With Christmas comes peace, hope and joy. I wish you and yours a memorable holiday season filled with great company and good cheer.

Jeremy's View

My prediction on 2021

2020 has been a big year there has been a lot of small events that have taken place and a lot of big events too. But in my opinion the biggest event was Covid-19. It started in early 2020 and is still going on now. In 2021 I think that for most of 2021 we will still have Covid-19 but it will slowly die down and then we will be able to get Covid-19 under control. I also think that early 2021 will be hotter than most other summers (because we're in it right now and it is pretty hot). Although I don't think that 2021 will have as many bad events that 2020 had but there might be just as many. In 2021 I'll be starting grade 4 at St Joesph's. My new teacher is Mr Page and we will be in a classroom upstairs (I'm afraid of heights). In grade 4 we start learning Japanese and I'm excited about this because Dad can speak Japanese and did an exchange to Japan when he was in school. I'm going to continue learning piano with Mrs Chapman and cello with Maple. I'm also going to continue swimming lessons on Friday afternoons at WIRAC. I'm really hoping that we can travel down to Canberra to visit my cousins Riley and Phoebe and also up to Townsville to visit Auntie Meg and Auntie Kristen as well as Nana and Papa Kev. This is my last column for 2020 but I'll be back in 2021. I'd like to wish everyone a Merry Christmas and a Happy New Year.

BAD JOKE OF THE WEEK

It was talent time at the Railway Hotel and Paddy gave his rendition of "When Irish Eyes are Smiling". When he finished he noticed a woman wiping away a tear with her hankie.

Thinking she was moved with emotion he said, "You must be Irish".

"No," she sobbed "I'm a music teacher".

Allora Bowls Report

The Tony Morris Tiling Night Bowls Spring 2020 competition concluded last Tuesday with a thrilling finish to what has been another great season. As it turned out, "Are You Game Enough" held off a fast finishing "Three of Us" to win their second competition in the past three seasons. Greg, Sandy and Dennis are pictured with the winners trophy. Last season's winners "Gina's Babies" have been re-named "Flash in the Pan" after finishing well down the table. The Sports Club provided the traditional BBQ for players and their families to wind up the season and Cheree prepared a sumptuous Pavlova for dessert. The

Night Bowls competition is getting bigger and better and the quality of bowls improves every season. Thanks to all our fantastic sponsors and volunteers. The Summer 2021 season kicks off on the 19th January. If anyone is looking for a game of bowls, please call Patto on 0491 128 689 and he will try to get you into a team. Green fees will be \$10.00 from next year. Bowls Membership remains at \$20.00 for Adults and \$10.00 for Juniors and it must be paid by 31st January 2021. Wishing everyone a Merry Christmas and Happy New Year and look forward to seeing you all at the Club on the 19th for what will be another cracking Night Bowls Season.
