## Mega Arena Takes Shape

Due to Workshop Health and Safety concerns work has been delayed on the construction of the

covered arena at the Allora Showground. The rain and strong winds have made conditions dangerous for

workers. Some of the sheeting is 11 metres long. Principal Contractor Barry Glass is aiming to finish the

construction in 7 to 8 working days, weather permitting. At this stage the Showground is closed to the public.

## Day for Girls Allora News

This week 500 components were sent to Laos to help with a complete kit for distribution.

Football Doubles results to date: Round one - Meagan Bunch, Warwick, Round two - Geoff Ormon, Brisbane.

Packing Day Friday, 23rd July from 9.30am. New and

interested ladies welcome.

New Executive are working tirelessly to have everything ready for a happy, successful morning. Bring phone to check in!

Anyone who has new cotton fabric, polyester cotton, new flannelette or motel-sized soap phone Rosemary 0408 973 474 to arrange pickup. (Material may be old but never used.)

Looking forward to a successful day.

Rosemary Easton

## If You Need It, We've Got It!

The Allora Art and Craft Group will be conducting a stall this weekend with cookies, cakes and craft for sale.

For the last few weeks we have been busy making goods including scarves, mittens, bags, ear-warmers, beanies, hand towels and coasters.

Check out the stall in the Pat and June Lawson Courtyard next to the Old Shire Chambers in Warwick Street Allora this Saturday

and Sunday from 9am until 4pm.

It's all part of the Allora & District Historical Society's Jumpers and Jazz Festivities on 17th and 18th July.

If you'd like to join our Art and Craft Group we meet every Tuesday from 9 until 12 at St David's Anglican Church Hall. New comers are most welcome and you'll be able to work on your creative projects. While we work we talk.

## Grab a Bargain on Saturday

Scope Community Op Shop in Allora will be open this Saturday .

It's a special opening to coincide with Jumpers and Jazz weekend.

Of course Scope will be open on Friday as usual.

More details in today's Classifieds.

## Premier's Hypocrisy Challenged

There has been a local backlash against the delay by Premier Anastacia Palaszczuk in closing Queensland's borders to people from NSW, particularly against the backdrop of fast action by the Victorian Premier Daniel Andrews.

Local pundits have suggested the reason is that the Premier wanted to ingratiate herself with the rugby league community and will act as soon as teams are ensconced.

**Local reaction has been supported by Member for Southern Downs James Lister.**

I support the government in taking measures to keep COVID out of Queensland. But my support depends on decisions being made openly, with consultation, and without hidden political agendas. Ms Palaszczuk has a bad record in this regard, and it's regional border areas like ours which pay the price of it.

We all remember the Palaszczuk government letting thousands attend The Gabba and rolling out the red carpet for movie and sports stars. This was while families were forcibly separated from dying relatives, gun shops and inland lakes were closed "to keep us safe", ANZAC Day was cancelled, and farmers and small businesses - who pay the welfare bill in this country - were harshly locked out

James Lister MP.

of their markets, suppliers, customers and properties. It took me six months of hard slog to get those unfair things overturned, but Ms Palaszczuk will bung up the portholes for celebrities at the drop of a hat.

My message to the Palaszczuk Government is this: If the borders must be closed, then do it, and forget all about getting happy snaps alongside sportsmen and movie stars.

## Frost no deterrent for motorcyclists

Riders from Gold Coast

The Historical Motorcycle Club of Queensland (HMC CQ) Warwick Area's event Frostbite Rally had a more than appropriate name this year as dozens of riders from around Queensland braved the chilly conditions and wet roads for a much-enjoyed weekend at Allora Showgrounds.

HMCCQ members and visitors were pleased to be back in Allora for the Frostbite Rally after missing out last year after the event was cancelled because of COVID-19 restrictions.

Riders arrived in Allora from 10 a.m. on Saturday

and went on a mystery ride in the afternoon, which provided them with an opportunity to take in the countryside of the Darling Downs without the pressure of being in a rally.

On Saturday night, a dinner was held at the Allora Showgrounds which included 126 participants.

Despite the cold and foggy conditions on Sunday morning, 89 motorbikes competed in the rally, although quite a few had to come back on trailers.

The rally is a race where competitors follow a pre-determined course and aim ...story continues page 6

## SCOTS PGC College plan for a strong future

Staff and students at The SCOTS PGC College in Warwick will benefit from the development of a new master plan after being successful with their grant application to the Federal Government.

Member for Maranoa David Littleproud said the Australian Government will provide \$28,500 towards the project through the Capital Grants Program.

"Our Government is ensuring that every child gets a high-quality education no matter where they go to school. We are providing a record \$315.2 billion for all Australian schools between 2018 and 2029. We are delivering real needs based funding that is matched by national reforms that will drive better results and outcomes, as recommended by David Gonski in the Review to Achieve Educational Excellence in Australian Schools.

"This project will enable SCOTS PGC College to plan for future upgrades and support expected growth in student numbers over time.

"The SCOTS PGC College has a wonderful school community, and this new master plan will further enhance the learning environment that the school can offer to staff and students." Mr Littleproud said.

## New distraction laws as mobile phone cameras roll out

Queenslanders have been warned mobile phone and seatbelt enforcement cameras would go live this month across the State as police roll out new tactics to stem the loss of lives on our roads.

RACQ spokesperson Renee Smith said the new

enforcement measures would help save lives with driver distraction and a lack of seatbelt use both still major factors in crashes.

"Sadly, 29 people are killed each year in Queensland in crashes involving driver distraction and a further 43 people

who lost their lives last year weren't wearing a seatbelt," Ms Smith said.

"Motorists snapped by the fixed and mobile cameras while not wearing a seatbelt or using their phone will be given a warning as part of a three-month grace period, before penalties are

enforced from October.

"Those caught using a mobile phone while driving face a \$1,033 fine and four demerit points, with double demerit points for second time offenders, while those snapped not wearing a seatbelt face a \$413 and 3 demerit points."

### CENSUS 2021 - TUESDAY 10 AUGUST

From late July through to early August households will receive instructions on how to complete the Census.

Most households will get instructions to complete online. This will include your Census number and temporary password. Some households will receive a paper form. Once completed, return using the reply-paid envelope provided. There are instructions on the form if you prefer to complete online.

Some people living in remote areas and people experiencing homelessness will have help from Census staff.

The Census is compulsory - everyone who is staying in your household on Census night must be included. This includes visitors and babies.

You should complete the Census wherever you are on Census night, unless you know where you'll be on 10 August.

Census data underpins a broad range of government, business and community decisions from major policy and expenditure to local services across infrastructure, health, education, and transport. It's also used extensively for planning electoral boundaries, Federal Government grant allocation and GST distribution.

### Do You Need Support Learning To Drive?

And, it won't cost you a thing! This is only possible due to the great volunteer mentors who give up their time to help.

Also, the PCYC is always looking for more volunteers to join the team. You can commit to 1 hour per week with flexible hours available, must hold an open licence (minimum 12 months) and must have or be willing to obtain a Blue card.

It's sometimes hard for a young person to fill in the mandatory 100 hours needed in order to gain their P's.

This could be the answer. The PCYC Braking the Cycle Program operates in Warwick for young people aged 16 - 25 years who need assistance.

Contact PCYC Warwick on 0429 510 212 or email Suzanne.carey@pcyc.org.au

# GOOMBURRA HISTORY

The Goomburra Hall will celebrate 115 years on 11th September this year. To rekindle memories Colin Newport has delved into the history of Goomburra and will present a fortnightly column in The Allora Advertiser in the lead-up to the Celebrations.

Goomburra Station was at its maximum area in 1848 under the ownership of Patrick Leslie when it consisted of 80,000 acres (125 square miles) of leasehold land with an estimated carrying capacity of from 12,000 to 15,000 sheep. In 1855, 9 square miles was resumed by the Government from the western end of the property as a Reserve for a Township.

During the ownership of McLean, Hodgson & Green more land was resumed by the Government under the Crown Lands Alienation Acts of 1868 and 1876. Under the ownership of Edward Wienholt in 1878 the area of the property was further reduced by the Allora Exchange Lands Act when the Government swapped approximately 20,000 acres of Goomburra land for 40,000 acres at Jondaryan.

By the time that F. W. Donkin bought Goomburra from Edward Wienholt in March 1896 it had been reduced to approximately 14,000 acres, but the property was freehold and contained some of the best land on Dalrymple Creek in the Goomburra Valley.

Goomburra sheep grazing near the "Teapot" which was the site of one of the shepherd's huts in the early days. The name possibly comes from the course of the creek in the shape of a tea pot. F. W. Donkin is standing on the ground and a young George Anderson and his father Bill are on horseback.

Continued from page 3...

to return back to the starting point at a specific time that is unknown to them.

As riders leave at different times and there are short and long courses to choose from, target times varied.

The route that some riders took saw them go past Clifton, where a few happened to be roadside breath tested by police.

Phil Wagner, the Stunt Co-ordinator, helped to determine the routes and target times.

Mr Wagner said the target times considered a number of factors such as distance and an average speed of 80 km/h.

Mr Wagner was especially impressed by the performance of Peter Bartley, who arrived at the exact time he was meant to.

Mr Bartley therefore won his category, which is based on the age of his bike.

Ellen Carruthers, Treasurer of HMCCQ

Warwick Area, said the weekend went very well.

"Apart from the rain on Friday that put a bit of a dampener on things, we had a great time," Mrs Carruthers said.

"The catering by the Show Society was wonderful."

Mrs Carruthers said the winners of each rally category each won a mug for a trophy, providing them with something practical to use.

The Frostbite Rally was first held in 1992 at Leslie Dam near Warwick before moving to the Allora Showgrounds a few years later.

The genesis of the idea came from the Frostbite Regatta held by Warwick Sailing Club.

The 89 participants in the rally on Sunday was slightly more than the 187 who participated in the last event in 2019 and a few less than the record amount of 94 in 2016.

HMCCQ, formed in September 1970, is an enthusiasts' club with more than 1300 members who take pride in keeping motorcycles 30 years and older on the road.

There are 15 regional branches across Queensland, including Warwick and Toowoomba, and a sub-committee focused on the Indian Marque.

## WARWICK'S YARNBOMBING & JAZZ FESTIVAL

There are over 100 events on this year's program for the Jumpers and Jazz Festival from 15 July to 25 July.

The events are not just in Warwick but extend to many parts of the Southern Downs Region, including Allora, Freestone, Maryvale, Mt Colliery and Killarney.

There will be Art & Craft pop up shops and markets as well as cafés and restaurants for dining and jazz. As some events require bookings, get in early to avoid disappointment.

The festivities will kick off with the 'dressing of the trees' on Wednesday 14 July. A visiting jazz band will be outside Warwick Town Hall to add to the festivities.

On the official start day of Thursday 15 July, there will be lots of yarn bombing to see everywhere and music in the street.

Saturday 16 July will feature Jazz at the Downtown Jazz stage in front of Town Hall featuring a great collection of festival bands throughout the day.

Also on Saturday, the Guinness World Records challenge for world's largest Jazzercise class gets underway at Leslie Park from 9a.m. To register, visit the WIRAC Facebook page. Over 500 participants are needed.

Sunday 11 July is Car Day at Jumpers and Jazz, including the much loved Grand Automobile Display which will shine once again down Palmerin Street and into Leslie Park.

Allora will be the place to be on the weekend of 17-18 July, including guided historical tours, country cooking and decorations.

# Matt Duggan Stars in Wattles Eleven Try Blitz

Wattles borrowed a leaf out of the NRL one-sided results book on Sunday handing out an eleven try to one walloping of the Dalby Diehards in front of a much-deflated Dalby home crowd.

Halfback Matt Duggan was in superb form as Wattles' playmaking General around the park, rewarded with being named the "Lee Group Electrical Player of the round."

His performance included a try and eleven goals from twelve attempts for a 26-point personal tally against the dismal Diehards.

The result saw Wattles move to second place on the A Grade competition ladder with 18 premiership points, ahead of Highfields on for and against.

The points floodgates opened when green and gold hooker Kai Williamson-Duggan touched down after just eight minutes, followed five minutes later by Matt Duggan for the Warriors to ease ahead 12-0.

Dalby showed some spark to reply with a four-pointer by winger Ryan Welsh, for what would be his side's only points of the game.

Travis Burns Warriors methodically added another 58 points at regular intervals in a more than convincing victory.

In what was Wattles sixth successive win Burns felt it was his side's best performance of the season.

Wattles need to step up this Sunday in what is always a challenging contest at Gattos Cahill Park against the Hawks who are perched in sixth place on the ladder.

Wattles outgunned Gattos when they met back in Round 2 in a one-sided 52-12 result at Platz Oval, and just last weekend the pride of the Lockyer were dealt some tough cards when well beaten by premiership leaders Goondiwindi 58-16.

Burns and his troops will be taking nothing for granted though as they surge towards a seventh consecutive A grade success.

The Wattles Warriors looking resplendent in their Toowoomba Rugby League Indigenous Round jerseys prior to taking the field against the Dalby Diehards on Sunday at Dalby. Back: Ty Gardner, Steve Elliott, Travis Burns, Cooper Tate-Roche, Braydon Wilson, Ryan Duggan, Kai Williamson-Duggan, Michael Pearson, Dale Perkins, Mitch Duff, Matt Duggan. Front: Ryan Stevens, Joe Mua, Mitch Koina, Matthew Christensen, Jackson Green, Brendon McBryde.

Wattles 70 (Jackson Green 2, Steve Elliott 2, Matt Christensen, Braydon Wilson, Matt Duggan, Kai Williamson-Duggan, Michael Pearson, Joe Mua, Brendan McBride tries; Matt Duggan 11 goals) defeated Dalby 4 (Ryan Welsh try).

**Reserve Grade - Wattles 26** (Brenden Wilson, Joe Morris, Tom Morris, Jordan Henry tries; Tom Morris 5 goals) defeated **Dalby 6** (Codi Riley try; Kristian Bond goal).

## Looking Back...

Allora's Past 25 years ago June 1996

### Long Serving Teacher Retires

After a teaching career spanning 39 years, the last 25 of which were spent at the Allora State School, Mick Dwan has retired. Mr Dwan said that he clearly remembered his first day at the Allora school and could not believe that twenty-five years had passed. He said that when he arrived in January 1971 the school had a principal and six primary school teachers, with no support staff. "The school currently has a staff of 33," he said. Mr Dwan said that his greatest achievements were in seeing the pupils that he had taught achieve success in life. Following retirement he will return to the family farm at Massie.

Allora's Past 75 years ago July 1946  
**Rifle Club Reformed**

During the war years the activities of the Allora Rifle Club lapsed, although the range was used by members of the local VDC and other troops and is therefore still in fair condition. To reform the club, a meeting was held this week and was well attended by 30 persons who hope to become members. The following officers were elected: Patron, Mr W. A. Moulday; President, Mr. H. G. Deacon; Vice-presidents, Messrs J. Hilton, T. Maher, Dr C. P. Sapsford; Captain, Mr C. L. Hoey; Vice-captain, Mr H. Crothers;

Mick Dwan and the Year 6 class of 1995.

Committee, Messrs Crothers, T. Gartner, A. Jensen, G. Cunningham, J. Muller, and G. Imhoff.

Allora's Past 100 years ago July 1921

### Caterpillar Pest

The caterpillar pest has made its appearance in many parts of the district and paddocks of oats have been stripped of leaves and heads. Past experience has all gone to prove that the pest, beyond stripping wheat of flag, does little damage to the crop and the caterpillars have been welcomed by reason that they clear the wheat paddocks of wild oats. There are signs

that this year the pest is attacking the wheat, and some anxiety is being felt.

Allora's Past 150 years ago July 1871

### Accidental Death

Mr John O'Connell, an innkeeper at Hendon, was critically injured in a fall from his horse in the first event at the Warwick Races on Thursday. He suffered concussion of the brain and died the following day. He was buried on Saturday leaving a wife and family to mourn his loss.

# Honey Bees are here for keepers

The Australian Government has announced a \$600,000 grant for honey bee bushfire recovery research and development.

Minister for Agriculture David Littleproud said the grant would help the Australian honey bee industry to build resilience and bounce back.

"This funding is great news for our beekeepers and will help them get their buzz back and build resilience for future disasters," Minister Littleproud said.

"The grant will help the Australian honey bee industry undertake key research about how to help rebuild hives after bushfires.

"The research will help beekeepers understand how decreased forest resources after fires affects honey bee biosecurity and nutrition.

"It will also investigate best practice supplementary feeding and hive management technology."

AgriFutures Australia will manage the research as the rural research and development corporation for the honeybee and pollination industry.

Bushfire recovery research and development is part of the industry's Bushfire Recovery Plan, which was released by the Australian Honey Bee Industry Council in August 2020.

### Fast Facts:

- The 2019-2020 Black Summer bushfires destroyed an estimated 15.6 million hectares of native Australian forest, severely compromising the viability of the honey bee industry and the plant industries that rely on critical pollination services.
- The honey bee and pollination industry Bushfire Recovery Plan and six point action plan identify short-term support measures and longer-term industry change initiatives to ensure its ongoing viability.
- This grant complements

previous support of \$270,000 provided to the bee industry to support the National Bee Pest Surveillance program and the National Bee Biosecurity program.

• The industry levy contributing to these programs was significantly reduced due to declining honey bee

production as a result of the 2019-20 bushfires.

• The AgriFutures Honeybee & Pollination Program supports R&D to ensure a productive, sustainable and more profitable Australian beekeeping industry and secure the pollination of Australia's horticultural and agricultural crops.

## Jeremy's View

### Holiday review

We had a lot of exciting plans for the winter holidays but because of the recent lockdowns in NSW and Brisbane the holidays didn't go as we had planned.

Mum and I were planning to go to the nursing home in Brisbane so we could see Great Nana there and we even got the flu shot for it, but we didn't go because of Covid. We planned to go to the Cuskelly music winter school but we couldn't go because of Covid. We also couldn't go to Evans Head because there weren't any cabins left in the caravan park there and because of Covid. The only exciting things that happened during the holidays was Mum's birthday party where she announced the baby and we went to Toowoomba. I've already talked about Mum's birthday and Jake's birthday last time so I'll start from the end of last column. So after Jake's party in Toowoomba we went to KFC. And by we I mean me because I am the only person who likes KFC. We stayed in Toowoomba overnight and the next morning William had an appointment with his orthopaedic surgeon who fixed his broken arm. About two weeks ago William had a second surgery on his arm to remove the pins holding his broken arm together. So at this appointment they just took the dressing off and checked how it was healing. The good news is that William's arm is now better so he can play footy and do all the other stuff William likes to do. When we got home from Toowoomba William and I went straight to riding the buggy and dirt bikes. The next morning we went kayaking at Storm King Dam but I'll have to finish this story next time as I've run out of words.

Jeremy Lister, age 10

# Golf Clinics at the Allora Sports Club

Golf is a sport for all ages - even from the tender age of 5

If you can hold a golf stick (no matter the size) and sort-of hit a ball - you're qualified.

Following a successful trial recently when 24 kids aged between 5 and 17

registered for the Free Come and Try Day it has been decided to conduct Junior Golf Clinics fortnightly during School Term 3. The first Clinic starts next Tuesday 20 July, then 3, 17 & 31 August and 14 September. Cost \$50 per child for the term.

There will also be

Women's Get Into Golf Clinics on the same days as the Junior Golf Clinics starting at 1.30pm.

Both Clinics will be conducted at the Allora Sports Club by PGA Professional Stephen Klease.

You can register to play

on the Allora Sports Club Facebook page.

The Allora Sports Club is excited to offer the opportunity for more people to get involved in the great game of golf and enjoy the facilities provided by the Club.

# Trusted by generations of locals
