Allora Garden Impresses Judges

Congratulations to Lynn Close who came second in the Large Home Garden Section of the Warwick Horticultural Society's Garden Competition. Part of Lynn's garden at 43 Arnold St Allora is this magnificent apricot tree believed to be at least 150 years old. See Lynn's garden Pages 10 & 11.

Leyburn - Central Location

Nutrien Harcourts

LEYBURN | 58 Donald Street

\$320,000

3 1 4

This property is, without a doubt, one of the nicest homes to grace the market in Leyburn. The home is set on a huge 2,023m² block that has been looked after extremely well. Large mature hedges line each side of the home, giving privacy from the neighbours. There is a huge 4 bay open shed, giving direct access from the front of the home. Behind the shed, you will find a well thought out location for your dogs or even a few chooks in the purpose built compound, whilst still giving room for vegetable gardens.

The home has both a West and East facing verandah, 3 good sized bedrooms, 2 with built in robes, an open plan Kitchen/Dining/Living room with AC.

To arrange a private inspection call Ian Brady 0417 077 293

Nutrien Harcourts Cooke 67 King Street, Clifton T 4612 3779 cooke.nutrienharcourts.com.au

Well Done To The Gardening Gurus

Dale and Gary Gwynne at 269 Hendon-Goomburra Road Allora took out **3rd place in the Acreage Garden** well as the **Best Kept Garden** in the Warwick Horticultural Society's Annual Garden Competition. The garden will be open for viewing this Sunday from 10am until 2pm.

The many features of this spectacular garden will be featured in next week's Allora Advertiser.

Southern Downs Regional Council connects with Allora

A number of interested residents took the opportunity to meet with the Mayor and Councillors when they visited Allora last week.

Mayor Vic Pennisi and Councillors invited locals to share their challenges, issues and any ideas they may have.

A small group of concerned residents brought up a number of grievances:

- The speed limit in South Street is 40kmh but trucks can be seen driving faster than that so SDRC will notify the Main Roads Dept.
- On the corner of Warwick and Herbert Streets the speed limit is 60kmh,

which is considered to be dangerous for people using the pedestrian crossing while cars are backing out from the supermarket.

- Who is looking after Allora's Memorial Park? SDRC is the Trustee for the Department of Resources so Council is responsible. The Council is appointing to Allora a permanent employee from its Parks and Garden division.
- The Shelter Shed at the Cemetery needs repair, something which had been brought up at a previous meeting of Council, however nothing has been done. Money was put in trust by a prominent

resident William Mitcher to maintain the building on an ongoing basis for the benefit of the public. Council are looking into the matter.

TOP & ABOVE: Maintenance has not been carried out at the Allora Cemetery Shelter Shed.

Excitement Builds For St Pat's Fete

Not many sleeps until Friday when all the fun starts at St Patrick's School grounds.

From 5pm for five fabulous hours little kids and big kids can enjoy the activities and entertainment.

Get ready for the Jumping Castle, Anything Goes Race, Sideshow Alley - even

Blazer Bear will be there along with an animal nursery for the littlies.

While all this is going on Mum and Dad can sit down with tea and tarts and watch the popular School performances.

There's lots happening with a variety of stalls and a Bar and Barbecue will be operating.

Covid Restrictions will apply at the Fete.

A big thank you from the St Patrick's Fete Committee to all the willing helpers who make this event happen.

Celebrating 50 Years

LEFT: Year Ten Class 1971

ABOVE: Graduating Class of 1970 (No photo of Year Ten is available).

On Saturday October 23 the Year Ten Classes of 1970 and 1971 will be celebrating their 50th Anniversary since graduating from the Allora Secondary Department.

The 1970 Class was unable to have their reunion

last year because of Covid restrictions and are joining the 1971 Class to celebrate this year. The past students will gather at 1.30pm in the Performing Arts Complex at the Allora State School to reminisce over afternoon tea. Photos and memorabilia

will be on display to enhance recollections and then a stroll around the school buildings will hopefully provoke further memories. These classes started in the original school building and moved into the new Secondary Department at the beginning of 1970. It was officially opened in November 1971 by the Premier Joh Bjelke Petersen. The Principal was Mr Ivan Stegman.

The past students will meet later at the Allora Sports Club for a social evening including a BBQ and the cutting of the Anniversary cake. For details contact Joanne Otto 0431 855 432 or Jill Weychardt 0439 756 519

It's Full Steam Ahead For The Allora Heritage Weekend

Sunday 23 January 2022 organisers have planned for many displays including Vintage and veteran cars and trucks, antiques, motorcycles and historical machinery. Of course the interesting swap meet which will be running over the whole weekend.

Plans are well underway to once again conduct this popular event next year at the Allora Showgrounds.

On Saturday 22nd and

Covid restrictions will apply.

For more information phone Graeme on 0428 717 623

Region's new landfill ready for business

Sustainable and environmentally responsible waste management practices have guided the construction of the region's first engineered lined landfill cell in Warwick.

The new site, which also includes a new 7ML stormwater dam to collect clean stormwater, will be officially launched by Southern Downs Mayor Vic Pennisi and waste education mascot Sort-It

Sally at the Warwick Waste Facility tomorrow Thursday 14 October at 10.45am.

Waste management is a significant part of Council's core business, and based on current numbers of 26,000m³ of waste per year, this landfill cell has a life expectancy of 5.5 years.

The Waste Facility is located on the Old Stanthorpe Road, Warwick.

PREPARING AN EMERGENCY PLAN

It's a good idea to have an emergency plan for your household and not just for storm season - it could be needed for other events such as a bushfire or a flood, for example.

While many of the things associated with preparing a plan may seem to be commonsense, there's a number of things that may not occur to you readily.

The best idea is to seek advice, and one very comprehensive source of information about putting together your Emergency Plan is the Queensland Government website getready.qld.gov.au

EMERGENCY CONTACTS

Police, Fire or Ambulance	000
SES	132 500
Policelink	131 444
Traffic & Travel Information	131 940
Warwick Hospital	46603900

On two-way Citizen band Radio, there are specific emergency channels that can be used in cases of emergency:

- Channel 9 (27.065MHz) on the HF band
 - Channel 5/25 (476.525/477.275 MHz) on UHF Band
- These should only be use in urgent, emergency cases*

STAY SAFE DURING A STORM EVENT

WHEN A STORM HITS

- If you are outside, find a safe place to shelter from the storm - not under trees.

- Stay tuned to radio or TV for updates
- When at home during a storm, stay indoors, away from windows and glass doors.
- If you're driving, stop somewhere away from power lines and trees and if possible, under shelter
- Never enter flooded waterways
- If an emergency arises, call triple zero - 000 for Ambulance, Fire Brigade or Police

Allora P-10 State School P & C

The next meeting will be held on Tuesday 19 October from 7pm at the School Library.

This is an opportunity to support the great work done by the P & C to raise funds for the School.

Helpers are needed to cater for the clearing Sale at Talgai this Saturday.

Phone Krissy on 0413 943 114 if you can lend a hand - it would be appreciated.

Take Time For Mental Health

As part of Queensland Mental Health Week a FREE Health and Wellbeing Fair will be held in Warwick this Friday 15th October from 10am - 2pm at the Warwick Town Hall.

Plenty of information will be supplied such as:-

- Pop-up stalls where you can learn about free services and supports in our area
- Free activities and

demonstrations

Workshops to be held:-

- 10.30am Drumming
 - 11.45am Chair Yoga
 - 1.00pm Poetry with Marco
- There'll be free morning tea and refreshments all day.

If you have queries or would like to book phone Helen O'Brien, Health Service Navigator on 0459 022 561

Allora Bowls Notes

WEEK 6 - Can you believe this shot (see photo). Team What A Show have yet to win a game but this end shows that they do have some skills. It was a long end. Brad's (Two Poc Crew) bowl touched the jack and ended up in the ditch alive. With my bowl the jack landed in the ditch with the bowl close behind.

It was up to skip Max to get another bowl close to the jack to win another point. We were all standing over the head (including Lyn Patto) discussing the odds. Lo and behold, Max bowled the best bowl of his many years playing the game.

Oh dear, what will Ashleigh think. Thank goodness, the Pig Lures took home the losers prize to make up their first loss. Simmo, Chris and sub Doug were out played by those pesky Peaky Blinders.

Results:- Rink 1. Phoenix Rising 17 v Beer Bowls and Bitches 7; Rink 2. The Two Poc Crew 17 v What A Show 14; Rink 3. Peaky Blinders 12 v Pig Lures 6; Rink 4. Fire Ants 20 v Railway 8; Rink 5. The Three Stoogers 26 v Burnt Clutch Bandits 3; Rink 6. Do It Again 16 v Generation Gap 6; Rink 7. Doesn't Matter 18 v Stone Cutters 11. Rink 6. was picked out of the tin as the winning rink. Patto, Dave and Leanne were happy to pick up a six pack.

Bec recorded the touchers this week. Jake, Jacqui, Kate, Cody, Paul and John C won a Paul Parker chocolate.

Well Wendy should be happy, she took home three raffle prizes. Other winners were Chris, Tony and Jacqui. Dewey had a change to cut the cards but had no luck. Jackpot up to \$140 next week.

Appreciation was shown for the sponsors by acclamation. Thank you Aaron and Ashley of Allora Butchery, Robyn of Railway Hotel, Tony Morris Tiling, Paul Parker Painter, Allora Sports Club and Percy Fruit.

It was another cold night and a few players with bare legs were wishing they wore tracky daks. Paul Eastwell was so cold his toes were curling! Silly b. also sported thongs!

Looking Back...

Allora's Past 25 years ago October 1996.

Champion Athlete

Allora State School student Isa Hagstrom has been named Darling Downs primary school male athlete of the year. Isa won the 100 metres and 200 metres at the Darling Downs titles, finished second in the long jump, and third in the high jump. He was awarded the Paul and Pam Faithful trophy for the most outstanding athlete at the Darling Downs primary school track and field carnival and has been selected in the Darling Downs team for the State championships to be held in Townsville.

Allora's Past 50 years ago October 1971

PRE-WEDDING EVENING

A Pre-Wedding Evening will be held in the R.S.L. Hall on Friday, 12th November, in honour of Miss Mary McLellan's approaching marriage to Mr. Graham Gillam.

Allora's Past 75 years ago October 1946

Chairman Resigns

The resignation of the Chairman of the Allora Shire Council (Cr. H. S. Warfield), who has held office continuously since 1936, was received and accepted with regret at this week's monthly meeting. Cr. Warfield was first elected to the Council in April 1930 as a member for No.1 Division. In 1936, and at the subsequent elections, he was elected and returned unopposed as Chairman. The greater part of his time as Chairman covered the war years when all Councils were experiencing great difficulties owing to labour and machinery shortages. Cr. Warfield spent a great

deal of his time in carrying out the tasks normally done by an overseer.

Allora's Past 100 years ago October 1921

Whirled to Death

Charles Warfield, an ex-soldier aged 24, was working a wood sawing plant near Hendon when the belt came off the machine. He put it back on again but was caught in it and whirled with terrible force to the front of the engine sustaining a fracture to the base of the skull, fractured leg, broken shoulder and bad bruises.

Dr. Sapsford of Allora arrived quickly but life was extinct.

Allora's Past 150 years ago October 1871

Police Court

At the Allora Police Court William Butler Tooth, lessee of the Clifton Run, was charged with unlawfully occupying Crown Lands in that he had had a fence constructed shutting off road access to, and enclosing the 20 acre Spring Creek Water Reserve. The Bench found that evidence showed proof of trespass on Crown Lands and illegal occupation thereof. Mr. Tooth promised to remove the obstructions, and the Commissioner requested permission to withdraw the case "Commissioner of Crown Lands v. Tooth".

Cr. H. S. Warfield, Chairman of the Allora Shire Council 1936 - 1946

AgForce gears up for COP26 Climate Summit

AgForce is flying the flag for Queensland farming as the world gears up for next month's crunch climate summit COP26.

With agriculture the only industry to have materially lowered emissions in the last 20 years, the organisation is lobbying the Government to ensure it receives due recognition for the work it has already done on climate.

It is also seizing the opportunity to prevent another "Kyoto scenario", which saw the Howard Government commit to strict vegetation management regulations at COP3 that have negatively impacted producers and landscapes ever since.

AgForce CEO Michael Guerin said agriculture had an impressive story to tell and a huge contribution to make, but warned it wouldn't be trampled on again.

"Industry will not accept another imposition of punitive measures via legislation and be left with all the costs and burden alone again like it was after Kyoto," he said.

"Quite simply, we bore the brunt of reducing emissions for every single Australian.

"It is to our credit that we turned this negative

into something positive – something truly inspiring – becoming the only industry since Kyoto was ratified to materially lower its emissions.

"Industry can and will continue to make a real difference in the next phase on climate, but it is imperative that we secure equal partner status in any discussions around what we as a nation do moving forward, and that we are not kept in the dark again.

Figures from the Quarterly Update of Australia's National Greenhouse Gas Inventory reveal in 2019-20 Australia beat its 2020 emissions target by 459 million tonnes, largely due to significant declines from agriculture.

In the last three decades, emissions from cropping and grazing have fallen 69 per cent, while the red meat sector has reduced its emissions by 57 per cent since 2005.

Mr Guerin said Glasgow's COP26 was a key moment for one of Australia's biggest, proudest, and most sustainable industries, and one AgForce had been preparing for through years of long-form policy work.

Littleproud Shells Out Praise On Our Egg Farmers

Minister for Agriculture and Member for Maranoa David Littleproud has praised egg producers for maintaining the safe supply of this nutritious natural superfood in the pandemic.

"Agriculture's gross value of production in 2021-22 is forecast to hit a record \$73 billion and our egg production forms part of that success story,

"Eggs are so important in our national diet, and Australians appreciate the extraordinary efforts of our producers have gone to over the past year to maintain supply." Minister Littleproud said.

Here are the facts -

- Australia produced 376 million dozen eggs in 2020-21; forecast to grow to 387 million dozen in 2021-22
- Gross value of Australian egg production in 2020-21 is \$911 million; forecast to grow to \$952 million in 2021-22

Jeremy's View

Swimming club

On Friday afternoon Mum took William and I to the Stanthorpe swim club come and try day. We got there a little bit early and it took a while for them to get the pool ready but eventually they got the pool ready. After they got the pool ready they told us to go to the grand stand were they taught us what whistle tells us to get out of the pool what tells us to start the race and all of that. After that they asked all the people who wanted to do the 25m freestyle (which I wanted to do) go to the grass next to the pool where they assigned us into two groups based on our height and also gave us the number of the diving block we would use. So I went to my diving block and waited for the first whistle which told us to go on the diving block. When that whistle came I quickly hopped on the diving and got in to the diving position with knees bent my toes hanging over the edge and my arms tightly covering my ears at which point I heard an on your marks! And then another whistle so I dived into the pool and came out first. I also did 50m freestyle and 25m breaststroke. Mum tells me that I've been having swimming lessons every week since I was 6 months old but I've never swam in a race before. Normally we go to WIRAC in Warwick but this term Mum has booked us into the Stanthorpe pool for lessons.

Jeremy Lister, age 10

TODAY'S QUOTE -
 "After a visit to the beach, it is hard to believe we live in a material age." - PK Shaw

Helen Harm
 Real Estate

0408 457 496

Two little boys are sitting on the beach examining each other's navels. "What are they?"

"Well, when you're born there's a piece of rope hanging out there. They cut it off and twist the end around and tape it inside."

"What for?"
 "So you won't go pssshhhhh and go down".

Allora Golf Notes

Percy's Fruit Duck Run was won by John E on 22 points in a countback from Tommy Brown who is in scintillating form at present. Doreen, Mark, Wayne, Moose and Wal won a ball in the rundown. Pin and long putt went to Nick Lake and Tommy Brown won the approach. Thanks Percy.

The matchplay championship has reached an exciting stage with Tommy Brown defeating Kev 4 and 2 to move into the semi final. Tommy will play the winner of Jason and Moba. On the other side of the draw Nick Morris plays Kenny for the right to meet the struggling A Grader Rod in the other semi.

Sunday was the Railway Hotel Monthly Mug and Tommy Brown won with 38 points in a countback from Doreen who is also in rare form. Tom K was third on 37 points. Thanks Robyn for the sponsorship.

Next week is the Simmo's Landscape Monthly Medal. See you on the links.

Girls 10 - 12yrs Rugby League State Championships

Congratulations to Sienna who participated as a member of the South West team at the State Championships in Townsville in September.

Sienna played extremely well, earning Player of the Match in the second game of the carnival.
