Maranoa Retains David Littleproud

Member for Maranoa David Littleproud has been comfortably returned to Parliament in one of the nations safest seats, with a strong majority - snaring 73.07% of votes (two candidates preferred) as at lunchtime Tuesday.

Large Acreage just outside Leyburn

Offers over \$500,000

Nutrien Harcourts

LEYBURN | Lot 67/ 0 Stonehenge Road

LOCATION: 11km to Leyburn Pub- 82km to Toowoomba - 212km to Brisbane CBD

RPD/AREA: Lot 67 ML417 - 279.9 ha (691ac)

Welcome to Lot 67 Stonehenge Road, a 691 acre lifestyle bush block situated on a 2.2km bitumen road frontage.

Timbered country that offers a potential income opportunity with logging of suitable timber, such as ironbark, gums and pine.

There is an abundance of Australian native animals as well as introduced species and many varieties of birds.

The country is sandy loam with good natural grass cover and plenty of iron bark shade trees.

Telstra coverage (4G -3G) is intermittent along road frontage

Leyburn is home to the historic Leyburn Sprints and Royal Hotel - this property is ideal for those looking for their own tree change away from the hustle and bustle of city life.

Free Food Cart Out This Weekend

Do you have excess foodstuffs that you'd like to share?
Drop off what you don't need and take what you do need.
It's a great community service happening right here in Allora.

This Saturday and Sunday, 28 and 29 May from 9am to 4pm at 15 Drayton Street.

A Creepy Curiosity

An Allora resident has submitted for sale this unique antique from the 1960's.

The curious object is a vintage Thai Tiger skull mounted in brass and was picked up at auction about 50 years ago.

If you're looking for a conversation piece for your coffee table, the asking price is \$200.

Interested persons are invited to contact Rhianon on 0420 353 800.

Thai Tiger Skulls like these were sold as Tibetan Tiger Skulls in Thailand in days long past.

Queensland Light Horse Parade In Allora This Saturday

To commemorate the end of the Boer War, 120 years ago the Queensland Light Horse have organised a parade of horses as part of the commemoration.

The parade and services are being held in Allora, Gatton and Brisbane as they have the oldest monuments in Queensland.

Allora's Boer War Monument was unveiled in 1904 by Brevet-Lieut-Col H.C. CHAUVEL c.m.c.

Allora had a Light Horse Regiment before the Boer War started and a number of men from Allora were in the Light Horse Regiment during WW1.

Boer War Memorial - Allora 1904.

Allora and District Historical Society has a impressive Military Display at the Drayton Street Museum today from 1pm until 3pm. Anyone interested is most welcome.

~ PROGRAM ~

Parade commences at 9.45am from Showgrounds, led by Fire & Rescue vehicle.

Followed by :-

Army Bushmaster Vehicle
Thistle Pipe Band
Queensland Lighthouse
2nd Army Bushmaster Vehicle Float

Procession travels down Darling Street
Turns into Raff Street
Across Warwick Street to behind the pool
Then into Stuart Henry Park and form up behind hedge at Memorial Park

A service at the Memorial Park

At the conclusion of the ceremony the Parade will return to the Showgrounds following the same route.

Public would be best to watch the Parade from the corner of Raff & Darling Streets to the pool area.

ALLORA SPORTS MUSEUM
Now open on Thursdays
 from 12 until 4pm.
 Glyn Rees invites visitors and locals to view the magnificent display of sporting memorabilia.
 The Museum will still be open every Sunday afternoon.

Thank you to this great community of Allora

Everything was thrown at us to cancel our Cancer Council Afternoon Tea but we said 'cancer doesn't stop because of rain, so nor will we'. And those who were able to get through the waters without danger showed up to enjoy a great afternoon. It's always so nice to enjoy the company of others, meet new friends and eat scrumptious cake.

We sincerely thank you all; those who showed up, those who couldn't attend yet donated their ticket cost, the many businesses who donated and sponsored and those who helped on the day. THANK YOU.

Together we raised \$2010 to be donated to the Cancer Council.

George & Kerry Smith of Drayton House
 Les & Loraine Struthers of Mary Poppins House

Allora & District Days for Girls

Days for Girls had a gathering in April when we packed 90 kits for despatch to Papua New Guinea (PNG). The kits were sent direct to a midwife who does rural walking women's health clinics, so the kits will help in her work.

Would any members of the community be willing to sponsor the postage of future boxes to PNG? Postage is approx. \$150. The cancellation of the Heritage weekend has had a major effect on our funding this year as it was our major fundraising opportunity with our multi-draw raffle being held then. We will continue with smaller raffles so any business/individual who would be willing to assist us with ticket sales would be appreciated. There will be more opportunities throughout the year to contribute to disaster relief and other similar activities so the group is requesting donations of: new ladies knickers, small hotel style soaps, new face washers, new 100 per cent cotton (non-stretch) material, sewing thread or monetary donations.

Items can be dropped into Cassaz Colourful Curly Allora, Allora True Value Hardware store or Bryson's Florist Warwick marked Days for Girls. If dropping items in please text, phone or email contacts below so that we know to pick them up. Tax deductible monetary donations over \$2 can be made to: Allora Days for Girls, BSB 064 032 Account: 1012 7292. Items or donations can also be handed in on the last Friday of a month.

This Friday, 27 May, we will continue assembling kits for a refugee consignment later in the year) as well as offering sewing lessons for those who wish to learn to make components for kits. There will be sewing machines, overlockers and material. Various skill levels from basic beginner to the more complex depending on your confidence level can be catered for. If you're not into sewing there are other activities to complete. Come along on Friday 27 May at 9am to the Function Room, MacKillop House, Warwick Street, Allora. Please bring a small plate for morning tea, coffee and tea provided. - Allora & district Days for Girls Executive team alloraqld@daysforgirls.org

It Was A Wet, Cold And Miserable Saturday

But not enough to deter locals from coming out to vote, support the Allora P-10 State School's P & C bake stall and barbecue then head across the road to Allora's RSL Sub-Branch Markets.

Friendly faces of Alana McMillan (P&C President) and Judy Emms (P&C Secretary) at the School's food stall.

Locals enjoyed strolling around the markets in the RSL Hall.

Allora Sports Club's Alfresco area will floor you!

Tony Morris Tiling has done a top job laying beautiful creative tiles right along the outside area between the clubhouse and the bowling green.

The area was originally painted but the wet weather

kept lifting the paint so tiles were brought in to solve the problem.

Tony Morris and his offsider Dan were busy finishing the job on Friday before the rain was due later in the day.

Here's the creative tile that makes the area look so good.

Under-lighting shines through translucent glass floor. Can accompany any architectural style. Heats up to 195 sq metres. Large variety of internal design media options available.

Recovery hub for flood assistance in Warwick until this Friday

Flood recovery support continues to be rolled out across the region following the May weather event and affected residents will now have access to additional support and advice with the opening of a dedicated recovery hub in Warwick.

The recovery hub is located at the SDIEA Campus at 163 Palmerin Street, the former site of St Mary's Primary School and lead government agencies and community organisations are on-site to provide impacted people with the necessary information to fast track their recovery.

Southern Downs Mayor Vic Pennisi said residents affected by the flood should act early and attend the recovery hub as soon as they can.

History abounds in Allora

At the end of Term 1, early years students from St Patrick's School visited the local Allora Museums.

We were greeted by local historians, Jim and Kaye, who volunteered their time so history buffs young and old could understand a past way of life. This excursion allowed students to make connections with the way life used to be and compare it to the way it is now. Having the opportunity to explore artefacts enabled us to make links with what the students had been learning at school.

St Patrick's students asked wonderful questions and were intrigued with the answers of a bygone era. We all decided that if you get the opportunity to visit the Allora museums on their open days, it is worth the trip to discover where our beautiful town of Allora and surrounds originated. Some student reflections are provided for your enjoyment.

Today we went to two museums in Allora. First, we saw

a lot of mannequins, they were dressed in olden day clothes. Then we saw a typewriter, they are used for typing. Next, we saw an old classroom, they had wooden desks and chairs. We also saw old cars, they had lots of missing paint. Then we saw a huge windmill, it was rusty and laying on the ground. We also saw a seeder; it was used to put seeds in the ground. We also saw an old crib that rocked. Mrs. H and I found a skull (The Talgai Skull) it was black with white teeth. We saw an old shaver and lots of the tops of them were rusty. After, we saw a little perfume bottle. Lastly, we saw a place where

war people died, it is called a war memorial. (Poppy)

Today we went to the Allora Museum. We looked at olden day artefacts. Then we looked at olden day stuff including an old printer, wool table, and wool press. Next, we discovered women's

underwear, it was hugely different from now. Lastly, we found old classrooms, they were little and did not have air conditioners. We found a one-hundred-year-old piano. (Hunter)

Mrs Jannita Hentschel, Year 2 Classroom Teacher

Dalrymple Landscaping Introduces "Attitude Adjustar"

Brenden Cook with his latest purchase "Attitude Adjustar".

A 2022 Western Star Constellation Series 4964 FXT X15 - Limited edition "Cheyanne" #11 (Lucky last off the production line)

It will be operated by Dalrymple's longest serving employee, Justin "Donk" Donpon (hence the cheeky silver donkey on the bonnet and the donkey stickers on the driver & passenger side windows - that's an ode to Donk).

Over the last 15 years Dalrymple has taken

delivery of 12 brand new Western Star Trucks from Errol Weber of Penske, Brisbane.

During that period 5 Used trucks have been purchased with the brand new Cheyanne Truck number 18 for Allora's Brenden Cook.

The company currently has one Tipper Truck and dog operating (driven by Brenden) Three Prime Movers, two of which haul AB Triple Tipper (driven

by Darryl Johns and Donk Donpon) and one subcontractor, Mitch Cook (also of Allora - Brenden's brother) who has his own Prime Mover & Tipper.

Dalrymple carts Quarry Material & Coal and travels all over Queensland to do so.

There's a landscape yard here at 215 Allora-Clifton Road, on the outskirts of Allora where there's a large range of landscaping supplies from crusher dust

to bark, coil and pebbles/rock.

Allora's Brenden Cook, who is the owner and operator/director took over Cookhaul in 2006 and later renamed the business Dalrymple Landscaping.

As well as the drivers, other staff members are Jackson Cook (Brenden's son) who oversees the yard and deliveries and (Teish Fiechtner) who operates the Office.

Guest Speaker at Men's Breakfast

Sam Kendall, former diehard atheist, Queensland motocross champion, Allora show stunt rider - jumped 10 cars in Showground back in the day. Built an earthmoving company from nothing,

currently has a Cat D11R in his machine stable. Will talk about how to get in tune with God at Men's breakfast at Allora Presbyterian Church Saturday 28th, May 2022

USQ assists battle against powdery mildew

A recently developed app aims to make management easier and minimise the impact of powdery mildew on the mungbean industry as part of a project co-funded by the University of Southern Queensland (USQ) and Grains Research & Development Corporation (GRDC).

The ongoing, unseasonable wet has delivered an additional headache in the form of powdery mildew for mungbean farmers in Queensland and New South Wales.

Powdery mildew in mungbean is caused by the fungal species, *Podosphaera xanthii* and *Erysiphe vignae*.

It initially appears as small white powdery spots, and can spread to cover the entire leaf surface.

A disease that impacts mungbean crops annually, powdery mildew, thrives in milder temperatures and high humidity and can lead to yield losses of up to 40 per cent if left unmanaged.

With little genetic resistance in current mungbean varieties, management of the disease relies heavily on the application of fungicides.

Director of the USQ's Centre for Crop Health, Professor Levente Kiss, said the PowderyMildewMBM app supported farmers' fungicide application decisions.

"Using tools like this app also helps mungbean growers to make assessments on a paddock by paddock basis and predict the likely economic returns from the sprays," he said.

"The University of Southern Queensland is really proud to be assisting GRDC in helping growers realise the benefits of the app and supporting them to lower the impact of powdery mildew which is a significant issue."

Professor Kiss is also leading another project investigating the same issue that is looking at the possible development of resistance to fungicides in crop pathogens.

With the support of the Broad Acre Cropping Initiative - a co-investment of the Queensland Government Department of Agriculture and Fisheries and USQ - the research team has for the first time recently detected the DNA marker of resistance to a fungicide used to control mungbean powdery mildew.

"There is mutation in the DNA of the pathogenic fungi that

causes this crop disease," Professor Kiss said.

"We have found this in the Darling Downs region and that's a major red flag," he said.

"Through our work with the Australian Fungicide Resistance Extension Network, another GRDC-supported project, we hope growers take notice of this finding and make the most of the useful guidelines developed by the Network to apply fungicides more strategically to preserve their effectiveness for many years to come.

"These chemistries are still the best, and sometimes they are the only tools we have, to control some of the most significant crop diseases."

Local Talent Shines in Tough Day at Goondy

Under 7 - The 'Willett Electrical' Under 7 wee Warriors under the watchful eye of Coach Shadai Daley were in fine form against a home side that boasted over twenty players.

"Wattles played a great game" according to the proud coach, "Archie Moore shining in green & gold".

"Young Archie was fantastic defence, so effective quick ripping tags, scoring try's that eventuated from nowhere a few times and was hot on Goondiwindi's heels throughout".

The Under 7 side have certainly hit their straps after just

a month since the opening game of the season, but they could do with some additional numbers, with Coach Daley issuing an invite to any youngsters in the Central Downs who are keen for an opportunity.

Under 8 - Coach Tim Johnson was impressed with the very strong team performance by the 'Railway Hotel, Allora' Wattles Under 8 line-up against the Goondiwindi Boars.

"Wattles effort in defence from all is pleasing to see" according to the coach.

Coach Johnson commended his team on their level of improvement every week.

Under 9 - It's been an amazing week for 'Dalrymple Landscape Haulage' Wattles Under 9 players what with some gaining Central Downs representative selection, a visit to Goondiwindi matching up against the young Boars and on Sunday afternoon running on to Cbus Stadium on the Gold

Coast to play at half time in the Gold Coast Titans verses Cronulla Sharks National Rugby League clash.

Coach George Berry rated his team's effort in their NRL thriller highly, "a very excited team played very very well in the wet conditions coming away with a 3 tries to 2 win against the Norths Ipswich Tigers."

"The game was over as quick as it started but the kids will remember the experience forever".

Under 10 - It was late in the game before the 'Black Toyota, Warwick' Wattles Under 10 side started to click in to gear, seeming a little jet lagged after the lengthy trip west.

Talented halfback talent Levi Zadov impressed against the well drilled Boars, as did hard working forwards, enforcer Bryce Bateman and Leo Thompson-Cleary.

Wattles fronted with good team numbers, despite the absence of handy back Jackson McMillan due

to illness.

Under 11 - The usually challenging road trip to Goondiwindi to play the Boars was not an issue for the "Clifton Auto Ag Repairs' Under 11 team.

The Warriors produced a superb brand of footy to win three tries to two.

Tries were scored by Banjo with a great display of eyes up footy from dummy half, Jack Harrigan with good hard running close to the line and the nous to get low to score and William Bishop whose virtual solo effort to run 60 metres untouched left many in the crowd in awe!

Under 12 - Coach & Wattles club President Jason Fogarty considered the bus outing to the footy an awesome day and a great team building experience, especially the victory celebration at the Leyburn Hotel on the road home with the young Warriors enjoying pizza and softdrink.

Looking Back...

Allora's Past 25 years ago May 1997 Building Demolition

An historic building erected nearly 100 years ago was in the process of demolition. The building on the corner of Herbert and Drayton Streets was erected in 1890 as a general store for Barnes, Archibald and Company. In the mid 1890's ownership was transferred to G. P. Barnes & Co. who operated the business until closing in 1939. Holmes & Co. conducted a cash grocery store for a short time in the 1940's before the building was converted into a service station. After the Stewart family moved Allora Motors to the Warwick and Herbert Street's corner in 1976, Bob Whitehouse moved his chemist's shop into the old Allora Motors building. The pharmacy was operated by Elaine McCormick from 1980 until its closure in 1989. *The site is now occupied by the Mary Poppins Park.*

Allora's Past 75 years ago May 1947 Rugby League

The Clifton juniors defeated the Allora juniors by 3 points to 2 on Sunday at the Allora Show Ground, this being the first time this season the junior team had been defeated. In the senior game, Allora won by 2-nil. The ground was muddy and it was showering lightly throughout the game with the result that the ball became greasy and was difficult to hold. The Clifton backs showed better form than the Allora backs, although these are improving with the progress of the season. The Allora forwards, however,

The demolition of the old Barnes & Co/Allora Motors building.

were quicker and stronger than the Clifton men. Allora won by a free kick by M. O'Dea from a difficult angle.

Allora's Past 100 years ago May 1922

Disastrous Fire

On Sunday last Mr. T. Gibson of Upper Spring Creek had the misfortune to lose several stacks of hay by an outbreak of fire. Six of the destroyed stacks are reported to have been of lucerne and two of wheat, this hay being in sheaves. The stacks are said to have contained up to 100 tons of hay and as they were not insured Mr. Gibson will be a heavy loser. Upon the fire being observed neighbours assembled from all sides but nothing could be done and much sympathy is expressed with Mr. Gibson in his severe loss.

Allora's Past 125 years ago May 1897

Queen's Jubilee

In response to a requisition, his Worship the Mayor convened a meeting for the purpose of deciding in what manner the town would celebrate the record reign of our Sovereign the Queen. After somewhat lengthy discussion it was resolved to hold a monster picnic and sports, the surplus money going towards the planting of trees in the principal parts of the town. Two separate subscription lists were prepared, one in aid of ornamental trees, the other in the interests of the children. The meeting then chose a general committee consisting of over fifty gentlemen representing the town and surrounding district.

Colin Newport

Under 12 Continued

A try and conversion to Ty Betts before the break had Wattles leading 6 - 4.

The Coach's half time chat inspired a Jonte May scoot down the blind side and touch down, his conversion unsuccessful but Wattles boasted a 10-4 advantage.

The home side were up to the task though, responding with a try to trail 10 - 8

Second half hooker Declan Fogarty carried two defenders over the line from five metres out to score a well-deserved try.

With the Ty Betts conversion, Wattles eased ahead 16 - 8.

With just five minutes remaining Goondiwindi snared their third try to bring the end result of 16 - 12 Wattles way.

Under 13 - After the long safari to Goondiwindi it was a long match for the Wattles Under 13's losing 44 - 0 to their hosts.

The 'Nutrien Harcourt Cooke, Clifton Real Estate' Warriors were outclassed by a cracker Boars side, but a lesson for the Warriors is to learn to play their own game instead of worrying about the oppositions.

Under 15 - While the 'Nutrien Harcourts Cooke Real Estate' Under 15 Warriors got edged out by Goondiwindi by a slim 14 - 16

margin, it was a game of positives for the visitors.

Winger Rylan Marks made his comeback to the playing field for the first time this season and celebrated with two vital tries.

Usually a centre, Rylan crossed to touch down early in the first half and midway through the second stanza.

Pat Denny raced in for Wattles final try in the dying minutes of the game.

Ben Barbierato converted for a single goal to help achieve his sides total.

Under 17 - In another close tussle at Goondiwindi the 'Hamblin Builders' Wattles Under 17's were

edged out 10 - 16.

Hamish Gartery and Koby De Luca cashed in for touch downs, while Bryce Stewart kicked a goal.

Wattles got away to a less than happy start, trailing 0 - 10 after ten minutes of play, the score holding until half time.

The 'Club Hotel, Clifton' Wattles' Ladies League Tag Under 15 & 17 sides enjoyed a bye Round on Saturday.

Wattles will be in action this weekend at Platz Oval up against Interstate rivals the Tenterfield Tigers.

Be aware though, there will be no Under 8, 10 & 12 games.

Glyn Rees

Warriors Unbeaten Run Halted

In a history reversal Wattles 'Stillwater Pastoral Company' top grade side's undefeated run came to an 18 - 12 halt at Gilbert Oval on Sunday afternoon courtesy of the Goondiwindi Boars in a wet and grimy cracker of a contest.

This time last season it was Wattles who snuffed out the unbeaten run of the Boars 30 - 22 at Goondiwindi in their charge to an eventual Hutchinson Builders TRL A Grade premiership.

Despite the loss, the Warriors remain level with the Gatton Hawks on nine premierships points at the head of the A grade table after the formerly unbeaten Gatton Hawks were beaten by Highfields 14 - 6 also on Sunday.

Wattles slick centre Austin Jennings has shrugged off recent injury concerns crossing for two four-pointers against the Boars taking his try total to eleven from just five games.

After a lengthy playing absence Boars' halfback Micky Hazzard returned to front Wattles in the Round 6 clash and won the Lee Group Electrical Player of the round.

It's back to the drawing board for Captain/Coach Travis Burns and his charges as they prepare for an encounter with the Southern Suburbs Tigers next Saturday at Platz Oval.

Aside from valuable premierships points, Wattles will be out to retain the annually contested silverware, the Ragh Family Trophy.

While the loss has left a nasty taste Captain/coach Travis Burns

is obviously keen to move on and make amends.

"As a team we won't be looking past our next game, a loss can bring you back to earth".

"We'll be looking at eliminating the simple game issues in this week's preparation, and I want the players to have a good game for themselves against Souths".

Goondiwindi 18 (Geof-frey Prince 2, Gary Prince, Brandon McGrady tries; Malcolm McGrady goal) defeated **Wattles 12** (Austin Jennings 2, Tyson Stevens tries).

Reserve Grade - Wattles Garth Lonergan/Nick Morris coached 'Tony Morris Tiling' Reserve Grade side were focused on a return to the winner's circle on Sunday against Goondiwindi, and did just that coming home with a wet sail.

After wins over Valleys, Newtown and Warwick to start the season they suffered a 24 - 14 loss in their previous outing at the hands of the Highfields Eagles.

The Warriors expected a tough while even contest with the Boars who were boasting two wins from their previous four outings.

Co-coach Lonergan was proud of his team for scraping the win together.

"We were short in numbers, and Under 19 forward Will Denny and the experienced Mick Duggan joined the line-up for the impressive effort."

Front-rower Mitch Duff and outside back Dale McAntee took Wattles player honours, but Lonergan rated highly his side's achievement of keeping the Boars

scoreless.

While the Warriors were focused on being well on their game on the Boars home turf, they found the try line on three occasions, big Mitchy Duff in for a double and the Boars unable to puncture the green and gold defence.

Wattles 18 (Mitch Duff 2, Dale McAntee tries; Tom Morris 3 goals) defeated **Goondiwindi 0**.

Wattles Under 19's kicked back for a bye on Sunday, as Goondiwindi are not fielding an Under 19 team this season.

The Warrior Colts will be in action on Saturday though against

Ipswich side the Redbank Plains Bears.

It will be a rugby league Super Saturday all day at Platz Oval this weekend with Wattles Juniors hosting Tenterfield in all junior grades other than Under 8, 10 & 12's from 8.30 am.

Program for this Saturday:
8.30 am Wattles Juniors v Tenterfield Tigers
3.30 pm - Under 19 - Wattles v Redbank Plains Bears
5.00 pm - Reserve Grade - Wattles v Southern Suburbs
6.30 pm - A Grade - Wattles v Southern Suburbs

Macintyre Animal and Pet Rescue

On Sunday mum took William, Amelia and I for a drive to Goondiwindi to visit the Macintyre Animal and Pet Rescue (MAPR). The ladies there are really nice and all of the animals there are really well looked after. We got to hold some newborn kittens and puppies and mum let us adopt two kittens.

The kittens are white and ginger, and white and grey and they are brother and sister. They are about 8 weeks old and are really playful. We already have two cats named Granville and Norman and all of our pets are named after characters from the great British comedy Open All Hours. So the new kittens needed names and we called the boy Albert Arkwright and the girl Gladys Cookie.

When we got them home we kept them in the cage for 20 min so that our cats could smell them. Norman and Granville hissed a little bit but they were ok. Now they are locked up in William's room while they get used to their new home. They purr all the time and like to play with feathers on string and chase little balls around the floor. We really love all animals but rescue pets are the best.

Jeremy Lister, age 11

0408 457 496

A tourist is being led through Kakadu.

"Is it true," he asks his guide "that a crocodile won't attack you if you carry a torch?"

"Depends how fast you carry the torch" was the reply.

CLIFTON COMMUNITY HEALTH SERVICES

MEDICAL RECEPTION TRAINEESHIP

Located in the beautiful rural town of Clifton between Toowoomba and Warwick, Clifton Community Health Services' is a unique health care model that provides a medical practice service, private hospital as well as independent living options through to high care nursing home services.

We are currently looking for a medical receptionist trainee to join the team at our Clifton Medical Practice for a fixed term 12-month traineeship, working as part of our reception team to create a friendly, welcoming, and well-organized front office for patients and to facilitate their flow throughout the practice.

In this full-time role you will be responsible for providing high quality customer service to our patients, doctors, and nurses. Daily duties include taking phone calls, booking appointments, and maintaining accurate and up-to-date patient records.

The right person for this job will have a warm, welcoming demeanour, along with excellent customer service skills, well-developed written and oral communication skills, the ability to work collaboratively and make a positive contribution to the team environment. High attention to detail, adherence to privacy and confidentiality and problem-solving skills are also essential in this role.

This role would suit a recent school leaver or someone looking for a career change and as part of your traineeship, Clifton Medical Practice will support you to complete a Certificate III in Business (Medical Administration) through the provision of subsidised course costs and paid study leave.

All employees are also required to have a current influenza and COVID 19 vaccination, and present current national police check prior to commencing employment.

If this sounds like the job for you, email your application to hr@cliftonhospital.org by 4.00pm Wednesday 1 June 2022.
