Lyn Wright – an unsung community hero

The Allora District was deeply affected by the passing of Lyn Wright on Tuesday 8th November.

As well as being a good friend to many locals, Lyn put her heart into making Allora a better place.

Lyn's achievements since moving back to Allora in 2008 include: volunteer for the Allora Sports Club; volunteer with Allora Show Society; volunteer at Homestead Aged Care; played social bowls and was scribe for the Allora Advertiser for bowls notes; played tennis with Tuesday ladies; volunteer for the Allora RSL café; Secretary of the RSL Sub-branch Allora; Allora Historical Society member including terms as President, Vice President and assistant secretary; assistant research officer.

Central Downs Lifestyle Property

Nutrien Harcourts

EAST GREENMOUNT | 46 Moller Road

A one of a kind opportunity to secure approximately 114 acres of prime real-estate with an excellent balance of location and grazing/cultivation country all within a short distance to Toowoomba.

The L shaped verandah provides views to the North of Emu Creek village and South to the Central Darling Downs, a tidy home awaits, this property is sure to not disappoint.

Location: Approximately 29.3km South of Toowoomba and 45km to Toowoomba Wellcamp Airport. 15km to Cambooya or 21km to Clifton.

Area & Tenure: 46.32 hectares / 114.45 acres in one 1 freehold lot

Homestead: Original, 3 bedroom, 2 rooms with built in robes, polished floors throughout, the lovely L shaped verandah gives this home a very homely feel. Well fenced house yard and double lock up garage.

Country: Flat to slopping country, predominantly black soil, contoured and historically cultivated but now back to native pastures, some nice areas of native tree stands line the water course going to the large dam.

Water: Bore equipped 3 phase power electric pump, pumping on a timer system to shed tank and 2 poly tank cup and saucer water points, bore supplies water to shed tank and also house. Bore 2 equipped with windmill that needs repairs to buckets and pipes. 1 large dam ensures that stock are well watered throughout the property.

Yards: Cattle yards are timber posts and timber rails with a head bail, loading ramp.

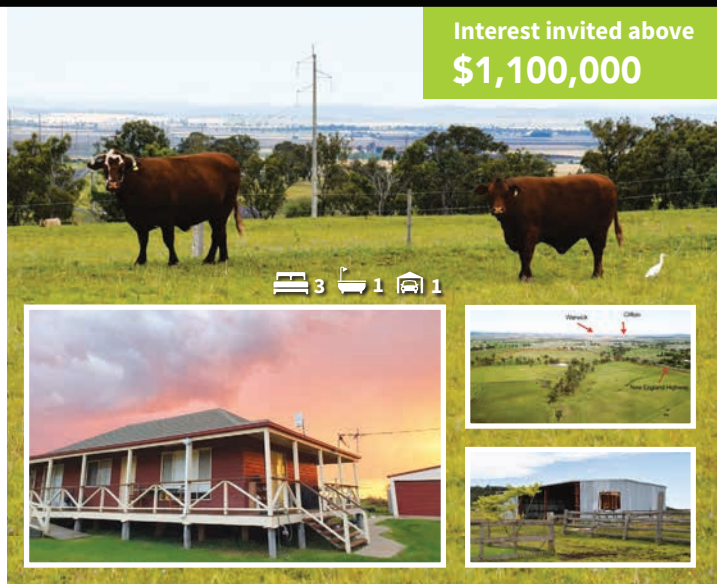

Fencing: Consisting of 4 barb with steel pickets and timber end assemblies, in good condition to in need of repairs

Improvements: Machinery/ hay shed approx. 20m x 10m, powered and has lighting and multiple power points. The shed has an earth floor.

This is some of the best cattle country in the district, 46 Moller Road offers the incoming buyer an outstanding property. Please don't hesitate to organise an inspection today!!

Great honour for Laura

After being honoured at the Allora Regional Sports Museum earlier this year, the accolades continue for Allora born and bred netballer Laura Geitz, who was inducted into the Queensland Sport Hall of Fame recently.

Queensland Sport published this summary of her contributions:

"Drawn to netball by her older sister's purple netball shoes, she stands an imposing 1.9m and is an extraordinary mix of athleticism and aura, competitiveness and charisma, grit and glamour.

And she is one of Australia's all-time greats.

From the small town of Allora on the Darling Downs, Laura Geitz was the face of Australian netball for a

decade.

She played 71 times for the Australian Diamonds and 169 times for the Queensland Firebirds from 2008-18 and captained both to glorious success.

Twice a world championship winner - the second in 2015 as captain - she won the treasured Liz Ellis Diamond as the team's best in 2011.

She claimed three domestic titles with the Firebirds - two as captain - and was twice domestic player of the year.

And three times she stood on the medal dais at the Commonwealth Games - silver in Delhi 2010, gold as captain in Glasgow 2014 and silver on the Gold Coast 2018 after 12 months out of the game to become a mother."

Laura Geitz joins fellow inductees (from left) Audrey McLaughlin AM (softball), Sally Pearson OAM (athletics), Premier Anastacia Palaszczuk, Johnathan Thurston AM (rugby league), Jamie Dwyer OAM (hockey) and Harry Sunderland (rugby league).

Eight Mile project completed

Work has now been completed on the infamous Eight Mile intersection where the New England and Cunningham Highways part, between Allora and Warwick.

The Australian and Queensland governments jointly invested \$25 million in the project to improve safety at the site.

The single-lane overpass for traffic travelling from Toowoomba to Warwick on the New England Highway is a major safety improvement at the intersection.

Construction to upgrade the intersection started in February 2021 and traffic was moved onto the new overpass last month.

Since the overpass was opened to traffic, the final touches of the intersection upgrade have been completed.

This included removing the old lanes for southbound vehicles turning left or right from the New England Highway onto the Cunningham Highway, and opening the new left-turn slip lane from the New England Highway onto the Cunningham Highway.

More than 5,500 vehicles travel through the intersection each day, a quarter of which are commercial or heavy vehicles.

The upgrade will improve efficiency, especially for freight, as vehicles on the Cunningham Highway will be able to travel through the junction more easily.

The project has included a plan to protect a native

plant species.

Picris evae, commonly known as Hawkweed, is now flowering at the Eight Mile intersection.

Hawkweed is a member of the daisy family and flowers annually, like dandelions.

It is a local native and listed as vulnerable under both the Environmental Protection and Biodiversity Conservation Act 1999 and the Nature Conservation Act 1992.

To protect the local Hawkweed population, known plant locations were avoided during construction and topsoil that was likely to contain seed was stockpiled and re-spread.

Queensland Transport and Main Roads Minister Mark Bailey has welcomed completion of the works.

"After completing a major traffic switch onto the new overpass just months ago, we have now wrapped up this major safety upgrade," Mr Bailey said.

"This intersection was previously a conflict point between two major highways running through regional Queensland and is now vastly safer through the removal of the T-intersection.

"We know that the movement of heavy vehicles especially will be much improved now that this project is complete - meaning essential supplies will arrive safer and sooner.

"Thank you to local drivers for their patience as we delivered this mammoth upgrade."

Pacific Seeds 2022 Agents and Industry Awards

The annual Pacific Seeds/Advanta Agents and Industry Christmas Party was attended by about 200 people in the Glenvale Room at Toowoomba Showgrounds on Thursday night where fourteen 2022 awards were presented.

The awards have been going for more than 20

years.

Organiser is Bill Smith who is Territory Manager for Advanta/Pacific Seeds said the awards are presented annually to recognise the service and support of various sectors of the industry across three areas - seed selling agents, growers who assist with trials and

those involved in the seed industry.

The award winners:
Gold Medal Award - Neil Doyle, Olsen's Warwick
Field Service Award - Elders Gatton
Agent Service Award - NFW Group Toowoomba
Achiever Award - Felton Produce
Outstanding Contribution

Award - Elders Toowoomba
Farmer Service Award - Norco Rural Toowoomba
Agent Excellence Award - pb Agrifoods Toowoomba
Agent of the Year - Olsens Warwick
Trial Cooperator of the Year - Warren and Kaylene Folker Wyreema
Farmer of the Year - Ted and Kerri Shooter Allora

The Agent of the Year Award went to Olsens of Warwick, represented on the night by Neil Doyle, Kerri-Anne Lee, Kathy Duncan, Zoe Pearce, Kathy Fishburn, Alex Holmes and Phil Patterson, with Bill Smith from Pacific Seeds at left. Neil Doyle also received a Gold Medal Award.

The Grower Focus Award went to Pursehouse Rural. Pictured are Angela Herbison (Pacific Seeds), Ben Woodland, Simon Potter, Laura Henderson, Mick Unwin and Andrew Short (Pacific Seeds).

Farmer of the Year

Successful Allora district farmers Ted and Kerri Shooter were again in the winning line-up for the Pacific Seeds Agents and Industry Awards, taking the 2022 Farmer of the Year Award. Family members Harry, Kate and Ted Shooter were on hand to collect the award from Pacific Seeds Territory Manager Bill Smith.

For full terms and conditions refer to the Nutrien Ag Solutions Finance Terms and Conditions.

Lyn Wright - a life well lived

Lyn Wright was born in 1948 in the Clifton Hospital on Clifton Show Day, making her appearance on the day of a community event, the first born to Norman Newport and Aline Jean Newport (nee Ruscoe).

Growing up on a farm at Headington Hill, next door to her Grandfather's family farm, which was named "Bundah", with her two siblings - brother Colin and sister Beverley.

All three went to Headington Hill Primary School before Lyn attended Grade 8 at Warwick High School, even though Boarding School was her dream.

She left school in grade 10 and worked at Deacon & Co. in Allora and boarded at Blanch's house, which was the "Mary Poppins House", and lived in P. L. Travers' bedroom.

Lyn dreamed of becoming a nurse at Toowoomba Nursing College and completed two years at the College.

Then came a big decision between marriage and nursing, as in those days you couldn't do both.

Meeting John at a Junior Farmers' dance, they then married at St. David's Anglican Church Allora on 25th May 1968, aged 20, before moving onto John's family farm at Goomburra.

Lyn and John had three children, Karen, Andrew and Trish, who later

produced four grandchildren and two beautiful great grandchildren, to Lyn's delight.

After Goomburra, they bought a farm at Glengallan and a little house in Muir Street, Allora - John worked the farm and Lyn was happy to be close to her parents.

Glengallan farm was eventually sold and a new venture started, being a soft drink factory, Warwick Aerated Waters.

After the soft drink factory was sold the family moved to the Gold Coast.

Lyn joined local sports committees and school P&C, helping establish a new school in the area.

Seeing a need for netball grounds, Lyn and other mums rallied for courts to be built.

Lyn was President when the Runaway Bay Netball Club was established.

Then came more fund raising and council lobbying as a result of which land was granted to build the Broadwater Netball Association - today it's known as the Runaway Bay Sports Precinct and includes cricket fields, indoor stadium touch football and Gold Coast Sports Performance Centre.

Once her children had all started high school, Lyn began working at their Real Estate business, initially as Bookkeeper then Property Manager to Sales Manager to eventually Licensee of

North Keys Real Estate with daughter Karen and Husband John.

Lyn retired back to Allora and followed in her Mum Jean's footsteps joining Allora Historical Society with Brother Colin.

They all had a passion for history, knowledge and information - keeping local and family history alive.

Lyn honoured her father Norman's time during World War 2 as a prisoner of war, documenting and researching each soldier stories from his battalion, then publishing as a book 'The Men Of The 2/26 Battalion'.

Lyn and her brother Colin researched those men from Allora killed in WW1 for another book called 'Keeping Their Memory Alive', and their unfinished work is the research on all

the soldiers from Allora and Clifton who served in the Boar War.

One of Lyn's biggest achievements was the 150 Years Allora celebration week, as President of the Historical Society.

The event was a huge success, putting a big media spotlight on Allora and attracting over 4,000 people to the town.

Allora benefited greatly from Lyn's passion for community work.

She was involved with the Allora RSL, Allora Sports Club, Allora Tennis Club, Allora Show Society, Allora Homestead and of course the Allora Historical Society.

Lyn passed away on Tuesday 8th November and was cremated on Friday 11th November - Remembrance Day.

Queenslanders ignore warnings not to leave kids or pets in cars

RACQ has revealed that over the past 12 months it has responded to more than 1,900 incidents of pets and children who have been locked in vehicles.

Research has found the temperature inside a typical car parked outside can increase by 10 degrees within just 10 minutes.

RACQ's Team Manager Howard Strasser said these findings should serve as a serious reminder that it is never safe to leave children or animals in a vehicle, regardless of the time frame, weather or situation.

"Leaving a sleeping child in a car for a short time while you pay for fuel or grab something from the shops can have deadly consequences. The temperature inside a vehicle

can quickly reach dangerous temperatures, even if the weather outside doesn't feel particularly hot." Mr Strasser said.

The RACQ's Roadside Assistance teams receive on average five calls every day for either children or animals locked in cars.

Parents and pet owners are urged to keep their keys close at all times.

Avoid using them as a toy or distraction for children, and when buckling in your child or pet don't put them down in your car.

If a person or animal is locked in a car, call RACQ on 13 11 11.

Children locked in cars are the highest priority.

Call emergency services immediately if concerned about the health of a child.

Allora Golf Notes

With the inclement weather on Friday, the Allora Hardware Duck Run field was restricted to only six players.

The winner with 19 points was Shann from Errol on 17 points.

Nearest the Pin was a cleanskin, approach was won by Errol and Shann won the long putt.

On Sunday we played a Tiger Tees event which was

a novelty and most enjoyable.

Winners on 63 points were John and Russell Sparksman in a countback from Moose and Crawford.

Next Sunday will be the Railway Hotel Monthly Medal.

For the players still left in the matchplay, please play your match as soon as possible. See you on the links.

Home Care Services Available in Clifton

CLIFTON COMMUNITY HEALTH SERVICES

A community owned, not for profit organisation

Caring since 1949

Police ready to mount major traffic monitoring campaign

With the Christmas New Year holiday period approaching, police across the entire district will be participating in statewide traffic enforcement operations.

Queensland Police would like to remind motorists to drive according to road conditions.

The focus of the operations to be undertaken will be the detection of drink drivers, motorists who are speeding, those failing to wear seatbelts and anyone using a mobile phone while driving.

Fifty-seven lives had been lost already on Southern Region roads as of November 30.

There have already been more in the last week.

Police remind every motorist that your decision to commit offences and the consequences affect more than just the people in the vehicle.

All emergency services - Police, Ambulance and Firefighters - have also combined across the Southern Police Region to issue the important ongoing safety warning when heavy rains produce flooding:

If it's flooded - forget it!

Carols in the Chapel

You're invited to this community event as a prelude to Christmas.

It's hosted jointly by Warwick Uniting Church and Scots PGC College Warwick.

The program on Thursday December 15th at 7.30pm consists of meditative readings and Christmas carols designed to foster a deeper appreciation of the meaning of Christmas.

Guest musicians share their talents on the organ and with voice.

Bookings are not required and there is no admission fee although donations towards expenses are appreciated.

Following the program supper will be provided in the hall at the rear of the chapel.

Enquiries to David on 0417 720 152.

THE ALLORA ADVERTISER CHRISTMAS/NEW YEAR BREAK:
With the end of year looming, readers are advised that staff at the Allora Advertiser will take a break during the festive season. The last issue for 2022 will be published on 21st December. The first issue for 2023 will be published on 11th January. Best wishes for the holiday break!

PIONEER BRAND SEEDS

We took a liberty with the name but not with the quality.

Scan to find out more >

PIONEER GRAZE-N-SILE

Because Grow-And-Cut-And-Ensilage-And-Graze wouldn't fit on the bag, we just called it **Graze-N-Sile**. This tall, white grain type forage sorghum hybrid ideal for pit silage and an excellent substitute for corn silage in dryland areas or limited irrigation situations. Graze-N-Sile produces high quantities of silage with high energy content, grain yields similar to grain sorghum and will regrow after cutting so it can be cut or grazed multiple times.

Contact your local Territory Sales Manager to choose the right summer forage for your program.

UniSQ Fertiliser research

The University of Southern Queensland (UniSQ) has been trialling a raft of strategies to turn nutrient-rich animal waste into a bio-solution.

UniSQ Centre of Agricultural Engineering (CAE) Director Professor Bernadette McCabe said the research was about offering real solutions to a global problem.

"Farmers are facing increasing input costs with the rapid rise of fuel and fertiliser prices," she said.

"A significant influence on global fertiliser prices is the price of fossil fuels, particularly natural gas.

"Fossil fuels (and air) are the main input into nitrogen fertiliser production, and changes in global prices will be reflected in nitrogen fertiliser prices over time."

Professor McCabe said biofertilisers brought not only potential economic benefits but also environmental outcomes since using organic waste to produce biofertilisers will reduce greenhouse gas emissions.

Over the last five years, a research team has been researching the agronomic benefits of biofertilisers.

As part of this, the recent commission of a lab-scale granulator, funded by the Queensland Government's Waste to Biofutures fund, the Fight Food Waste CRC and

UniSQ has expanded the research into the production of organomineral fertilisers. "The granulator is a first of its kind in Australia and will enable the production of biofertilisers using various organic waste materials together with mineral fertilisers," Professor McCabe said.

The product, called an organomineral fertiliser or OMF granule, will have similar characteristics in terms of physical (particle density and diameter, size distribution), mechanical (particle strength) and aerodynamic properties to manufactured mineral fertilisers.

"This is an important consideration in the design of the final product to enable field spreading with standard fertiliser spreading or pneumatic equipment," Professor McCabe said.

The research team will work with industry to develop the final product, which will have a suitable formulation to meet the nutritional requirements for crop and soil. The CAE is focused on delivering applied practical and profitable research solutions that strengthen agricultural productivity and address environmental management challenges in Australia and overseas.

Allora Bowls Notes

Last night of the season and what a fun night: great to see so many people come dressed colourful and crazy. A secret judge awarded Do It Again as prize winners for the best dressed team, Patto looked lovely in his lime green tutu and Josh T. for his colourful outfit. The rain did not dampen anyone's spirits and play resumed after a short break. A big thankyou to Ryan for his music and for finishing off the night on the mike singing for us, Some even dared to dance and by the way who is Alice?

Results were: Rink 1: Railway Hotel 16 d. Doesn't Matter 9; Rink 2: Peaky Blinders 14 d. Gina's Babies 11; Rink 3: Do It Again drew with The Three Stooges 9; Rink 4: Beers, Bowls & Bitches 9 d. Stone Cutters 6; Rink 5: Fire Ants 12 d The Gecko's 2; Rink 6: Generation Gap 14 d. What A Show 4; Rink 7: Pig Lures 16 d. Phoenix Rising 11.

With these results it meant a play-off between Pig Lures and Peaky Blinders for top spot. Beetle playing for Pig Lures was on fire as was Blue, with Pig Lures coming home the winners for the season. Well done Chris, Simmo, Beetle and sub Blue and well done to Peaky Blinders Danny, Dave and John C.

Thanks to Right 1st Time Cleaning for sponsoring the Touchers. John E, Dave Sparksman, Leanne, Blue, Dave Smith, Ryan, Pam and Cameron will enjoy chocolates. Raffle winners were Leanne, Danny, Josh D, Robyn, Cameron, Russell, Deb and Bev, Slug and John E.

The \$60 Jackpot was eventually won by Glen H. after 10 unlucky people had their numbers drawn out.

Winners on the night were Peaky Blinders and Stone Cutters were the Losers.

A big thankyou to Moley

for his tireless work keeping the green looking great each week. He did have a bit of a scare recently when he found a snake hiding under the roller in the bowls shed and was too scared to get the roller out and called John E. for help.

A big thank you to our sponsors, Railway Hotel, Allora Butchery, Allora Sports Club, Tony Morris Tiling and Right 1st Time Cleaning, your sponsorship is greatly appreciated. Thank you to Wendy and Bec for

serving in the bar, Ryan for the music and anyone else who helps out each week. And not forgetting Patto, huge thanks for organising the bowls each season without him we wouldn't have a bowls competition.

A reminder that bowls starts in 2023 on the 17th of January,

A Merry Christmas to you all and a safe and happy New Year, see you back here again next year to enjoy another great season of Tuesday night social bowls.

Intense moment in play-off.

Peaky Blinders - the losing team.

Ryan the muso.

Looking Back...

New Fire Station

Allora's new fire station is nearing completion. Situated in Muir Street, the new station is conveniently located next to the State Emergency Service building. The new building was erected at a cost of \$75,000 and replaces the old fire station opened in Herbert Street in 1966. Allora Fire Chief, Bruce Wilson, is pleased with the progress of the new station and looking forward to the eight local auxiliary fire fighters moving in.

Allora's Past 75 years ago December 1947

Pre-Wedding Evening

Miss Vivian (Billie) Ellis, daughter of Mr. and Mrs. George Ellis of Drayton Street, who is to be married shortly, was guest at a pre-wedding evening organised by Misses June Dougall and Lily Reid. During the evening dancing was enjoyed and in several intervals guests entertained with vocal items.

Mr. George Ellis and Mr. Kevin Collins spoke on behalf of Miss Ellis and thanked the gathering for their gift of a sum of money, and the organisers for their work in arranging the function.

Allora's Past 100 years ago December 1922

Obituary

The death occurred in Brisbane of old Darling Downs identity Mr. George Thomas Leney at the age of 81. Mr. Leney had an

George and Ellen Leney outside their home in Darling Street, Allora.

adventurous life. He enlisted in the Royal Navy at the age of 15 and served during the Crimean War. He earned the British Baltic medal and the Turkish Crimean medal but most treasured the Sebastopol medal which he earned for service on the H.M.S. Princess Royal during the great siege and which was pinned on his chest by Queen Victoria as he lay injured in hospital.

On leaving the Royal Navy he served on merchant ships in the Far East before coming to Queensland with his new wife in 1864. They travelled on the first trial train on the Ipswich to Biggs Camp railway and ended up on Headington Hill Station where Mr. Leney eventually became overseer. In 1879 he selected a farm on the Allora Exchange Lands which he worked until retiring to Allora in 1907. Mr. Leney was survived by his wife and eight children.

Allora's Past 125 years ago December 1897

Wheat Crop

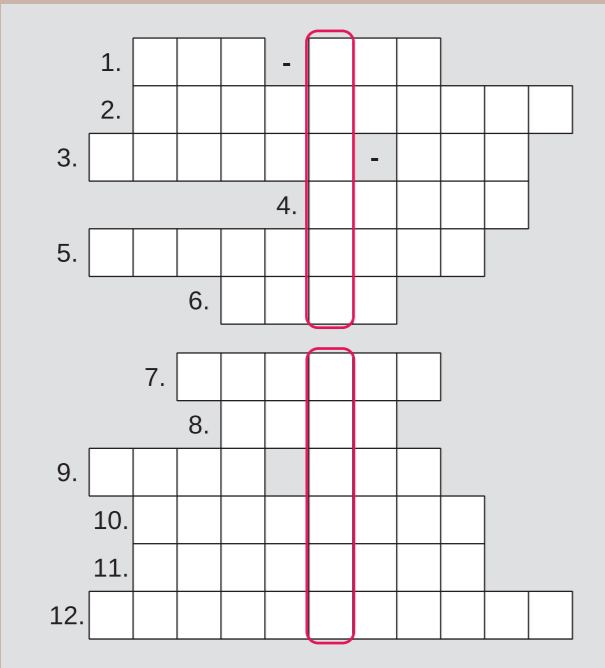

Another week of magnificent harvesting weather has seen the bulk of the wheat safely harvested in the Allora district. So far as the harvested crops go, the few that have been threshed from the stook indicate that the yield on the whole will be fairly satisfactory. One farmer has stripped only two bags per acre while another had seven bags. Wheat threshed from the stook has varied between four and eight bags per acre. The average for all Queensland last year was 17.34 bushels per acre and it is thought that the yield this year will be less.

Night bowls wrap up

Allora's Night Bowls season wrapped up last week.

After a play-off between Pig Lures and Peaky Blinders, Pig Lures came out on top

The winning team consisted of Chris, Simmo, Beetle and sub Blue (*below*).

The night was a fun affair with teams dressing up for the occasion.

A secret judge was lined up for the night and cast an experienced eye over the teams before deciding that the best dressed were members of Do It Again (*right*).

Allora branch will be closed from 24th December and will reopen 3rd January.

Please call or visit our Head Office Branch for enquiries during this period.

Thank you.
