Hamming It Up For Christmas

The gang at Allora Butchery reckoned it was time for pay-back and gave the Boss an overdue pasting. "Wrap him in tinsel and give him a mullet" and the last laugh was on Aaron.

A festive advertisement for Nutrien Harcourts Clifton. The background is a photograph of a hedge maze with several people peeking out from behind the hedges. The hedges are decorated with gold stars and hearts. A large, stylized 'Merry Christmas' sign is overlaid on the right side of the image. The overall theme is green and gold, with snowflake patterns in the top left corner.

Celebrating Their Diamond Anniversary

Who on earth would consider it a good idea to be married at 9am on Boxing Day?!

Well, in 1962, the young couple pictured, thought it was and, sixty years later, the extended family of Jack and Kate Gordon still consider it a great move.

As the story goes: after a few amorous dances, John Westcott Gordon of Allora cradle-snatched Kathleen Marguerita McGovern of Clifton and they were married in the St James and St John Catholic Church. Life was simple, they worked hard – many locals

will know Jack best from his time in the Allora Advertiser, and lots will know Kate as Mrs Gordon who taught for decades at the Allora State School. Much has happened across 60 years of their partnership but both John and Kate would say that their family is their greatest achievement, their universe. These days you are most likely to catch them basking in the sun on their front verandah in Warwick Street where they have lived almost their entire married life. Congratulations on your 60th Wedding Anniversary, John and Kate!

Railway Hotel Celebrates 15 Years

Congratulations to Robyn, Jan and the team who have made the Railway a popular meeting and eating place in Allora.

L-R - Sarah, Robyn, Rhonda, Red, Darcy and Shelley. A big cheer out to Rhonda and Red who have been with Robyn for the past 15 years. Great stuff!

Wanted - Allora Cooks

With the return of the Pantry Section, after 2 years absence from the Allora Show Pavilion, now is your chance to show off your cooking talents. It's a wonderful opportunity to spend some time in the kitchen and practise on your family during the

holiday break. Preserves, plum pudding and fruit cakes can all be made well in advance.

There are sections in the Schedule that cater for all age groups and gender.

Challenge your friends and neighbours to see who may be one of Allora's best cooks.

See you all at the Allora Show on 10th and 11th February 2023.

Warning For Motorists After Goomburra Road Crash

Emergency services were sent to the scene of an incident on the Goomburra Road south-east of Allora on Friday.

Police said one vehicle left the road after swerving to avoid another vehicle on a crest.

There was no contact between the vehicles.

Two occupants of the vehicle which left the road were treated at the scene

by Queensland Ambulance Service paramedics.

No one was injured in the second vehicle. Senior Constable Ben Ogden said this section of road is a known traffic incident spot.

Allora Police have reminded motorists to be extra careful during the Christmas-New Year break when roads are likely to be busier than normal.

Gladfield Driver Reviver May Not Close

Last month the Department of Transport and Main Roads (TMR) regional director Adam Ainsworth said all 23 government-owned sites will close following a safety assessment and the investment required to keep the network operating with a lot of the buildings no longer safe for travellers or volunteers.

Last Friday Member for Southern Downs James Lister MP and a group of concerned volunteers and media met at the Gladfield Driver Reviver site which was one of the sites due to be closed by the Department of Main Roads.

It appears, based on news reports, that the Minister for Transport and Main Roads Mark Bailey MP has backed off from definitely closing Gladfield and now says that the future for the

Gladfield site has not yet been determined.

However, Mr Lister is still on the case for the site to remain operating -

"The Gladfield site is the best Driver Reviver you'll find anywhere, and I think it does great work in keeping down the number of fatigue related road deaths.

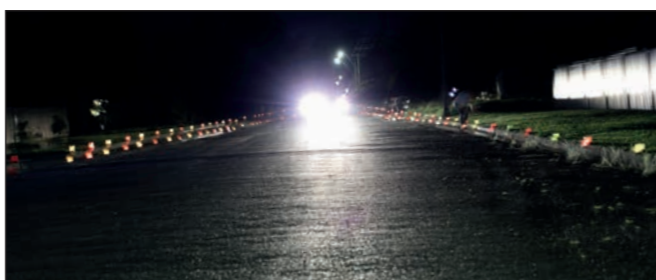

"The proud volunteers who staff it just want the Palaszczuk Government to get out of their way and let them do what they do best - providing a friendly cuppa to weary travellers and in the process, saving lives.

"I will continue to work with the community to fight this bad decision to close our driver reviver, and I encourage everyone to sign the parliamentary petition which is on my Facebook page James Lister MP - Member for Southern Downs." Mr Lister said.

L-R John Newley (Driver Reviver Volunteer Coordinator), John Griffith (volunteer) and local Traffic Sergeant Dom Cremasco.

Santa's Runway In Allora

The creative and enthusiast residents in Norman Street Allora have put on another lights show for locals to enjoy.

Drug.ARM Session In Clifton

To help support families and loved ones of individuals experiencing substance use issues, Drug.ARM is conducting a FREE community information sessions on alcohol and drugs. Discussion will take place on how to handle the situation. Topics will include - how to have a conversation, how to set healthy boundaries, how to navigate the alcohol and drug treatment system and how to support family members. This Drug Arm session will be held on Thursday 22nd December from 5pm at the Senior Citizens Hall in Clifton.

Warwick Saleyards Redevelopment Project moving ahead

The Warwick Saleyards Redevelopment Project has reached another milestone with Southern Downs Regional Council giving the green light for external contractor EnviroAg to proceed with Stage 1 of the details design for the facility upgrades.

Co-funded by Council, with \$4.5m awarded in 2021 under the Australian Government's Black Summer Bushfire Recovery Grants Program, the improvement project will address viability issues identified from the Master Plan and Business Case including animal welfare, environment, biosecurity, industry standards, traffic management, technology and workplace health and safety.

Southern Downs Mayor Vic Pennisi said securing a sustainable future for the saleyards played an integral part in supporting the region's biggest industry and looked forward to the project progressing for the economic benefit of the region.

"Council is committed to the region's livestock industry and maintaining a sustainable and competitive market for the Warwick Saleyards," Mayor Pennisi said.

"The livestock industry has changed and evolved since the saleyards started operating more than 55 years ago and there is no question that a development of sorts is needed to ensure the

region has quality facilities which meet current animal welfare, best practice standards and industry trends.

"The future of the facility has been the topic of extensive discussion and consultation with the community and industry representatives for many years and it's great to see this project gain traction.

"We look forward to the future of the Warwick Saleyards and to providing the best possible facility at an affordable price to ratepayers."

The redevelopment will also importantly allow scope for Council to explore expanding other agricultural industries on the Southern Downs.

EnviroAg was engaged to draft preliminary designs which were finalised and presented to Council in 2021.

SINTON, Malcolm John

Late of Allora, aged 69 years, passed away peacefully on the 10th December 2022 after a prolonged illness.

Much loved Husband to Shiri Sinton, Father to Carla and Craig, Father-in-law of Joel and Melly. Grandfather to Arliyah, Harper, Marlee, Amelia and Hudson. Son of Bill and Leona Sinton. He will be greatly missed by all his family and friends but will be forever in our hearts.

Mal will be privately cremated as per his wishes.

Allora Advertiser *Merry Christmas*
Since first local since 1933

From the team at Allora Advertiser we extend our wishes for a safe, happy Christmas and an exciting and prosperous New Year.

This is our last edition for this year - next paper Wednesday 11 January 2023

Allora Golf Notes

Another great roll-up for the Allora Hardware Duck Run on Friday.

Winner with 20 points was Timmy X who moves onto a handicap of plus 1 for this effort. Runner up was Sparky with 19 points. Tommy Morris, Errol, Aaron, Nick Morris and Rod won a ball in the rundown. NTP went to Errol, approach to Aaron and Lou won the long putt. Great to see you having another game of golf at Allora Lou. Thanks to Allora Hardware for their great support during 2022.

On Sunday we played the final Ty Gardner Monthly Medal for 2022 with three players finishing on net 66. After the countback was completed it was Crawf who was crowned the winner, Kenny was runner-up and Sparky in third place. The 2022 Medal of Medals will

be played on the January 2023 medal day and it will be a hotly contested event. Thanks to Ty for the sponsorship and the tremendous support of the club during 2022.

One matchplay game played on Sunday with Andy defeating John E. Andy will now play Kenny in the semi-final. Fantastic to see Moose May back out playing golf. He has had the all clear from the medical team although they have told him that he won't race again, but he can stand at stud.

We had an incident at the bar when Jimmy was paying his comp fees. He opened his wallet and Henry Lawson blinked.

Thanks to all our great sponsors for your support of the Golf Club during 2022. The Golf Club committee would like to wish everyone a Merry Christmas and a Happy and Prosperous New Year. See you on the links.
