Jeremy's View

The Australian Flag

I'm in grade six now and the school I go to is called St Joseph's in Stanthorpe. Because I'm in grade six it means that I'm a senior student in the primary school section and this is great. My friend Poppy, who is also in my grade six class, and I got the job of raising the Australian flag in the morning and bringing it down again at the end of the day this term. This is a cool job and it makes me super proud because it is a special thing to do. Poppy and I are very careful to not let the flag ever touch the ground because that would be disrespectful. And another thing is that we have to make sure that we don't fly the flag upside down by mistake. When my dad was doing his training to join the Air Force a long time ago they said that if you fly the flag upside down it means that you are in distress. And they told my dad that if he ever did fly the flag upside down they would make sure that my dad was in distress. So I make sure it is the right way up every time. Now that this is my job it made me think all about the flag and why I like the Australian flag. The Australian flag is something that I have grown up with and as soon as I see it I think of Australia. I like the Union Jack part because it reminds us about how our country started with British origins and how our governments work the same way as in Britain. And I love to look for the Southern Cross when I am outside at night and see how it is shaped just like the one on the flag.

I also salute the Australian flag when I am at cubs and also I watch it closely at ANZAC Day and Remembrance Day when it is raised in the ceremony and we remember the Australians who died fighting for us.

Works To Start On Condamine River Road Plan

Condamine River Road is one of the Southern Downs' most treasured natural icons and necessary works to ensure its long term usability will soon commence after sustained damaged from frequent wet weather events.

Following extensive public consultation the Condamine River Road Management Policy will deliver a workable plan with a balanced approach to managing the road.

Southern Downs Mayor Vic Pennisi said he is pleased to see a lasting solution for the public road finally come to fruition.

"The road traverses a complex natural environment within Cambanoora Gorge, and when rain is received into the Condamine River catchment, water levels at the crossings inevitably rise and make the road impassable."

Under the funding arrangement, Long Crossing, Blackfellow Crossing, Mill Crossing and then Second Crossing will all be upgraded with permanent floodway structures that allow for the normal flow of water through

the river system, including facilitating the movement of fish and wildlife on their natural migratory paths through the Condamine River ecosystem.

The waterways around the road are classified as 'Red Waterways' and maintenance on the river crossings is governed by legislation which ensures that Council cannot undertake works without approval from the Department of Agriculture and Fisheries.

"The installation of permanent floodway structures at these four crossings, together with depth gauges and electronic signage, will significantly improve safe access on the road for both residents and tourists." Mayor Pennisi said.

Weather permitting, work will commence in mid-February and the road will be closed to all through traffic. Access to Condamine River Road will only be possible via Killarney and/or Brosnan Road from the west and Spring Creek from the east. Council will work directly with impacted residents to ensure access to their properties.

Next steps in Condamine River Road plan.

Annual Bursaries On Offer From QCWA

QCWA is pleased to assist last year's graduating Grade 12's as they commence their tertiary studies, said the Condamine Valley/Warwick Branch President and Bursary Organiser, Penny Campbell-Wilson.

"This year we are offering three students, who may be experiencing some financial strain, the opportunity to apply for one of our Bursaries. Our Branch members are more than aware of the increase in the costs of virtually everything and have increased the Bursaries to \$2,000 this year to each of our successful applicants.

Applications are invited by graduating full time 2022 Grade 12 students who reside in the QCWA Border Division, which entails the entire Southern Downs Council region and includes the Goondiwindi region." Penny said.

Bursary applications close on Tuesday, 28th February at 5.00p.m. Application forms are available from the QCWA Condamine Valley/Warwick Rooms at 76 Grafton Street, Warwick. The Rooms are open Tuesday to Friday from 9.00a.m. - 2.00p.m. The Bursaries are administered by the QCWA Border Division.

Last year students from secondary schools in Stanthorpe, Goondiwindi and Warwick were successful in being awarded a Bursary.

Welcome to the 2023 Allora Show

PRESIDENT'S WELCOME

Allora Show Society President Shirley Cornhill.

Welcome to our Annual Show. This Show would not go ahead without the generosity of the people who give their time, sponsorships, trophies and donations. Our grounds have been kept busy with numerous functions and when the new Indoor Horse Arena is finished it will become a lot busier. This year we will see new faces in the Ring Office and Show Rings and I would like to thank Mrs. D Rubie and Mrs. S. Huston for your many years of service in these areas. I hope you all enjoy your time throughout this packed weekend of events and my thanks goes to all the exhibitors for your great efforts and support of the Allora Show Society.

Don't miss the Rodeo on Friday night and enjoy the free band with your friends and family until late. Please ensure you visit the pavilion and check out the excellent exhibits on display. There is a huge weekend of Horse activities and an updated cattle section as well to watch. There will be pet parades and we will have face painting and a balloon artist for the children. There are plenty of stall holders providing food and beverages all around the grounds and the Canteen will be running as well as the Covered Bar Area. So please everyone come and support us in any way you can and help make our 2023 show a success.

Shirley Cornhill, President.

Allora Show Society Patron Dorothy Rubie.

Families face another cost of living threat under Labor

Member for Maranoa and Nationals leader David Littleproud is backing calls for Labor to rule out scrapping the Fuel Tax Credit (FTC) scheme.

Mr Littleproud said dumping the FTC scheme was another cost of living threat under Labor and would hurt families and businesses.

"Scrapping the FTC scheme would be harmful to our mining and agriculture industries," Mr Littleproud said.

"It would directly impact households who are already struggling with a cost of living crisis, increasing the cost of groceries and travel."

The Minerals Council has raised the alarm

amid speculation Labor is considering amending or scrapping the FTC scheme ahead of the May Budget.

Businesses can currently claim fuel tax credits for fuel used in vehicles travelling off public roads or on private roads.

Mr Littleproud said the changes would be another worrying blow to agriculture.

"Why should a farmer using a tractor to harvest their crops on farmland have to pay a road tax for a private road or area?"

"This change would be another tax on farmers. Labor keeps raising the bar, making it harder for farmers."

"Farmers might start to wonder if they can afford to plant their crops and if it's

worth the fuel use. Common sense tells you when supply goes down, prices go up.

"Agriculture Minister Murray Watt needs to start backing our farmers – not making their lives harder."

"The end result will be higher prices at the grocery

store. Families cannot afford another tax by stealth from Labor.

"With parliament resuming this week, I'm calling on Labor to rule out scrapping the FTC scheme as one of its first priorities."

I really appreciate my family coming to Allora to organise my 80th. It was a big week and I am still recovering.

It was wonderful to catch up with so many friends I had not seen for so long. They came from all over eastern Australia as well as my grandson from Melbourne. In attendance were friends from Scope including Anne from Gladstone along with those from my Nursing days in the 60's and Boarding School mates from 1957-58. Each year I attend the Elvis Festival in Parkes so it was great to see my travelling companions at the party.

Special thanks to the Commercial Hotel including Red, Colleen and the Bar staff who handled the extra numbers with no fuss.

I appreciated the speeches that were with Marco writing a special poem for the occasion.

Allora Golf Notes

Friday's Allora Hardware Duck Run was won by Timmy X with a whopping 22 points from Willy Duff on 21 in a countback from John E who won a ball in the rundown. NTP was won by Aaron, approach won by Timmy X (who took it off the "has-been" Tommy M") and Errol won the long putt. Thanks to Allora Hardware.

Sunday we played the Railway Hotel Monthly Mug and saw two incredible scores from Aaron and Hethe who both scored 43 stableford points. Aaron won in a countback from Hethe with Moba in third place on 36 points. Thanks to Robyn from the Railway Hotel.

Jason defeated Ty in the matchplay semi-final and he will now play Kenny in the final next Sunday in what is a promoter's dream. Jason has been so close to winning the matchplay in recent years and he is up against the cagey Kenny who knows the

course like the back of his hand. Good luck to both players.

The Allora Club hosted 20 golfers from Boonah on Sunday morning and what a fantastic group of people they were. The consensus of the group after the round was that the Allora course is pretty tough and they all intend to come back to have another crack at it.

Good luck to Hethe, Kev and Brooke who are representing the Allora Club at the Committee Challenge in Goombungee next Saturday.

The Pittsworth Open Day is on the 18th and 19th of February for anyone who is interested in supporting this event.

Next Sunday is a club trophy. Finally, I heard on the grapevine that former "tool man" and old rocker Beetle is out playing a bit of golf. To the amazement of his playing group he scored a hole in one on the eighth, casually picked the ball out of the cup and walked off the green as if it was nothing special. "There's a new kid in town and I don't want to hear it". See you on the links.

Matthew Looking For 70 Metres

Allora's Matthew Denny has been fine tuning his training in readiness for the Adelaide Invitational to be held next Tuesday February 11.

Matthew threw 67.28m in Birmingham to claim Commonwealth Games Gold so he's now aiming for 70 metres or more at Adelaide where he'll no doubt give it his best shot.

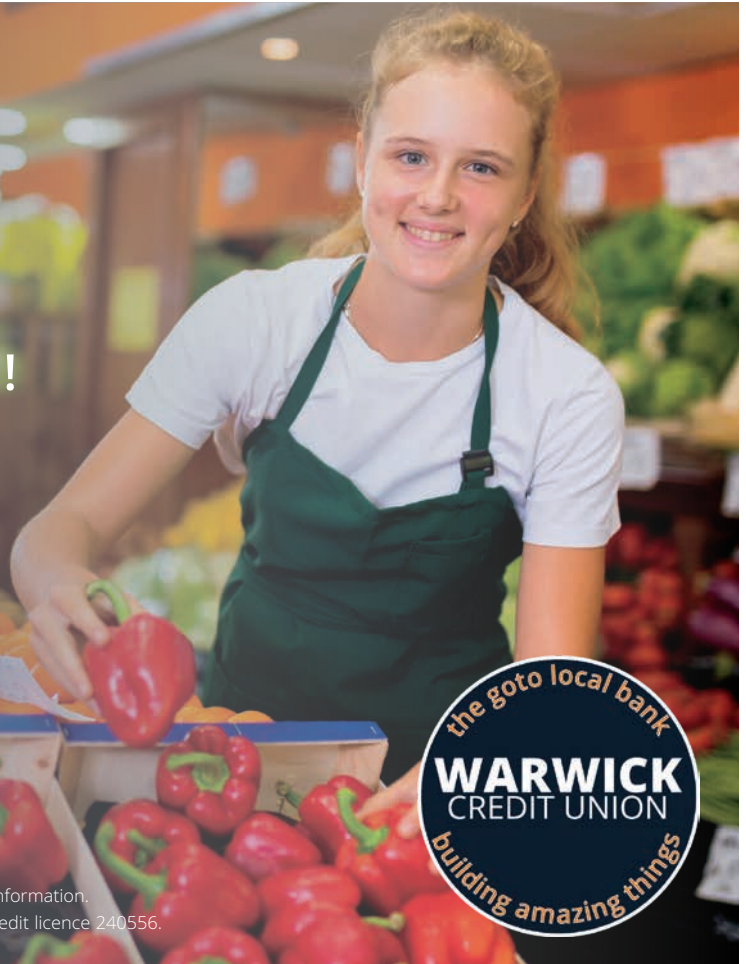

A perfect lead-up to the

World Athletic Champions being held in Budapest from August 19 to 27 this year. More than 2,000 superheroes of athletics from over 200 countries will be in Hungary for the Championships so naturally Matthew is included.

We all reckon with his determination and hard work he'll make it - after all he's a Commonwealth, Australian and Allora Champion!

No monthly fee for under 25's!

Perfect for your first job!
