In Remembrance of All Who Served

A small but moving commemorative service was conducted by the Salvation Army on Tuesday at the local cemetery. Wreaths were laid, Hymn were sung and Marco recited a poem he'd written "Such is War". After the Ode, the Last Post and one minute's silence the crowd dispersed to Herbert Street for the Parade.

Saluting Their Service

Federal Member for Maranoa David Littleproud is encouraging community groups to apply for grants in the Saluting Their Service program to honour veterans.

Applications are now open in the latest round of the Federal Government's Commemorative Grants Program.

In the latest round of grants, up to \$3.5 million is available for projects that promote appreciation and understanding of the experiences of service and the roles that those who serve have played, as well as to projects aimed at preserving Australia's wartime heritage.

Local MP David Littleproud said the electorate had a rich history of sacrifice and service and encouraged community groups to get involved.

"The STS program is a fantastic way of not only preserving our electorate's rich history of service, but ensuring it lives on for future generations," Mr Littleproud said.

"The Maranoa electorate is made up of so many unique communities and I think the best part about the STS program is that it offers opportunities for

David Littleproud MP.

these communities to commemorate those who have served in their own ways."

Successful recipients of the STS grants have included the Freestone Memorial Hall Association, the Nanango RSL Sub Branch and Paroo Shire Council.

All three successful applicants were granted \$10,000 for research and to update honour rolls, the installation of new cabinets for military memorabilia, and the introduction of a new World War II memorial respectively.

Community grants of up to \$10,000 are available for a variety of local projects with applications for the latest batch of funds closing June 13.

Longest running Heavy Horse Field Day returns to Gatton Showgrounds

The 44th Gatton Heavy Horse Field Day will be held at the Gatton Showgrounds this weekend 29th & 30th April.

The Gatton Heavy Horse Field Day is the longest running heavy horse event in Australia having begun in 1978 on a property in Coolana, before moving to Marburg then Laidley, and then to Gatton in 1992 to its current home at the Showgrounds.

This year's Gatton Heavy Horse Field Day has attracted record nominations from 144 horses and 80 competitors this year who will compete across a wide range of events including ridden classes, classes in the plough ring. Events which will see the heavy horses teamed with magnificently restored horse drawn vehicles and obstacle course events which showcase the strength and agility of the heavy horses.

Entries have been received from some of Australia's most highly regarded owners and breeders of heavy horses.

Whilst the Field Days are mainly dedicated to the working of heavy horses, this in turn makes for the perfect show and spectacle for the general public to attend and to watch the skill of the heavy horses which played such an instrumental role in the making of Australia's history.

The classes in the main ring will be complimented across the two days with an extensive programme of classes and demonstrations outside the main ring featuring the Blacksmith's and Farrier's World Cup 3-man draught horse shoeing competition.

Entertainment, food and drink vans and lots of stalls will be on site.

The price of tickets are \$15 for adults, \$10 for pensioners, seniors and students under 16, children under 5 are free and family tickets are available for \$40.

For further information, email gattonheavyhorse@gmail.com or visit www.GattonHeavyHorses.com.au or the Facebook page Gatton Heavy Horses.

Fall Armyworm Detected In Local Crops

Fall Armyworm. Photo courtesy Megan Pope

The highly invasive pest was discovered in Australia three years ago and poses a major threat to broadacre crops including maize and sorghum. Already this season the Fall Armyworm has been detected in crops on the Darling Downs.

Research is currently being undertaken by the University of Queensland (UQ) to tackle the Fall Armyworm.

Working with the Queensland Department of Agriculture and Fisheries (DAF), UQ is developing guidelines to help Australian grain growers decide when and how to treat fall armyworm (FAW) to save their crops and finances.

Dr Joe Eyre from UQ is working with DAF on the project to determine economic thresholds for the pest to give farmers certainty.

"The overseas recommendations for treating fall armyworm are vague, and we don't know how they relate to the Australian environment," Dr Eyre said.

Dr Joe Eyre.

"The current recommendations are to take action based on obvious damage from the caterpillars, which may not be the most economically efficient or ecologically friendly time to protect crops."

The research project will establish the relationship between the timing of an infestation, its density and the crop's response.

"Fall armyworm are easy to treat when small so we need to predict what the likely yield loss is going to be if the infestation is not treated, as opposed to spending money on treatments when it is too late or when FAW are unlikely to result in yield penalty," Dr Eyre said.

"The development of these economic thresholds will be absolutely fund-

amental to the management of fall armyworm in broadacre crops."

DAF's Dr Melina Miles said field trials in maize and sorghum at UQ's Gatton campus were providing important data.

"We haven't had a severe defoliating pest before and most producers haven't seen a shredded crop, so there's a lot to learn," Dr Miles said.

"Australia's grains industry is used to having economic thresholds on which to base decisions about crop management and farmers are crying out for guidance because fall armyworm is so damaging and new."

The guidelines will be finalised by June 2024, but Dr Eyre and Dr Miles are already presenting their work at industry conferences.

Allora Bowls Notes

As the competition draws to a close with only two weeks to go the competitiveness grows. Fire Ants are still on top of the ladder but with a loss this week it only puts them two points ahead of Gina's Babies so anything can happen. A bit of brotherly love with the Fire Ants going down to Do It Again, a bit of rivalry between the Pattersen brothers.

Wattles Juniors Kick Off New Season

Under 6 - Wattles Clifton Upholstery Under 6's were more than excited to be back on the field. Bailey Monckton scored a couple of tries, while Ollie Van Der Poel, Elsie MacPherson, Kaiden Williams and Oliver Dore also crossed for touchdowns.

Under 7 - Willett Electrical Under 7 Coach Jared Gault praised his young troops for spreading out in defence and limiting scoring opportunities in a solid season opener against Eastern Suburbs.

Under 8 - The Railway Hotel, Allora Under 8 played a sensational game to start off the 2023 season. Henry Ferguson, Jackson Wilson, Leo Williams, Kit Gilmore, Jay Townsend, Archie Moore, Chaz Daley, James Patterson and Buddy Turner are looking forward to the season ahead.

Under 9 - Wattles Dalrymple Landscape Haulage Pty Ltd Under 9 line-up put together "a great game to start the season" according to coach Chris Ryan, "the team performed well in attack and defence." Isaac Saddler impressive 5 tries, Hunter Ryan 3 and Rhys Gascoyne 3.

Under 10 - Coach Russell McMillan's Black Toyota Under 10's "got off to a shining start to the season" up against Eastern Suburbs. Fullback Adam Butler was in fine form as was front-row enforcer Bryce Bateman and half Levi Zadov.

Under 11 - The Clifton Auto Ag Repairs Under 11's was under the care of Peter Cavanagh as they finished with a dominant result. Among those to impress in a great effort were the Darlington twins winger Saxon & halfback Malakai, dummy-half, Noah Schwenke and centre Will Berry while front-rower James Mason was a force in mid

field.

Under 12 - The Warriors' Ryanie for Tyres Under 12's impressed throughout highlighted by Jack Harrigan's all round hard work, and Jed Hinz and Jake Burns ability leading the players around the field.

Under 13 - The Nutrien Harcourts Clifton Under 13's were too strong for Toowoomba's Southern Suburbs Tigers, an Under 12 team who kindly filled the gap given Eastern Suburbs are not fielding a line-up this year. The Tigers were no match for the home side Warriors though, who put on a try scoring display to lead 48 - 0 at full time.

Under 15 - Wattles Drayton Medical Centre Under 15's matched up against Toowoomba's Southern Suburbs and were defeated by five tries to two in a tough outing.

Under 17 Ladies League Tag - Club Hotel, Clifton Wattles Under 17 League Tag Ladies coach Dan Wallis was more than happy with the performance of his team on a windy Autumn morning as they finished 36 - 20 winners over Eastern Suburbs. "It was certainly a great win the start the new season."

Under 17 - The Shane Wright coached Hamblin Builders Under 17's kicked off their season with an enterprising 28 - 14 success over Eastern Suburbs after leading 22 - 10 at half time. Wattles try scorers were Bryce Stewart 3, Sam Gilmore and Jayman Spina and goals by Bryce Stewart (3) and Ben Barbierato (1).

The Warriors Juniors head to Tenterfield on Saturday to take on the Tigers in Round 2 of Warwick & District JRL fixtures.

Wattles Reggies Continue Winning Run

Try doubles by backline stars Brayden Wilson and Joe Willett were a driving force behind the 'Tony Morris Tiling' Wattles Warriors reserve grade side overwhelming the Warwick Cowboys 26 - 6 at Father Ranger Oval on Saturday.

Despite the absence of injured team skipper and inform front-rower Jordan Henry, coach Tony Morris felt the game was always well within his Warriors grasp.

Morris' forward pack paved the way while his backs to lead the home side 16 - 0 at halftime.

The experience of Garth Loneragan is a more than supportive pillar while Jack Duggan, Tim Duggan, Ryan Lewis and Jessy Hammermeister were among the above average toilers in the pack.

Powerful centre Brayden Wilson crossed for two tries prior to the break.

Fullback Joe Willett was in superb touch as Wattles last line. He supported Wilson to claim Wattles second try after 13 minutes contributing to a 10 - 0 lead.

Willett put all his skills on the table and saw him among Wattles best.

Centre Tim Hentschel was another to shine and after a sterling start to the season the Warriors stalwart eased to TRL reserve grade premierships top try scorer honours with five touchdowns from three games.

On Saturday Hentschel's try came nine minutes before full time and closed the game out despite a try to Warwick front-row captain coach Sam Williamson after half time.

The result in front of a packed crowd for the Basil Nolan Jnr Memorial Shield contested in A Grade, has Wattles clear leaders on the TRL Clive Berghofer Land Sales reserve grade premierships ladder after three outings.

Wattles 26 (Brayden Wilson 2, Joe Willett 2, Tim Hentschel tries; Joe Willett 3 goals) defeated **Warwick 6**.

Suhan Guides Warriors to Under 19 Success - The Wattles 'Black Toyota, Warwick' big men along with a powerhouse display by giant centre Aiden Suhan ushered in a second new season victory for the Warriors.

The Warriors Under 19 finished on Saturday night as 22 - 14 victors.

Coach Cameron Hamblin

was happy with the result, but is confident his team can lift to another level.

"We were short a few troops, and we need to focus on the simple aspects of the game, but our forwards are to be recognised for their consistency."

Suhan, who has joined Wattles after relocating from Charleville, is a devastating addition to the Warriors backline at 102 kg and 190 cm.

Hooker Lachlan Hearn snared two valuable touchdowns, while Reuben Sullivan, Sam Gilmore, Lane Eastwell and Harry Schwenke were all among the workhorses in the pack.

The scoreboard read 10 all at half time with Wattles points coming from tries by Hearn and Schwenke, who ran off an Eastwell bust and off load.

Halfback Harry Fry touched down in the initial minute of the second half with Hearn crossing again three minutes from full time.

Wattles 22 (Lachlan Hearn 2, Harry Schwenke, Harry Fry tries; Aiden Suhan 2, Judd Rei goals) defeated **Warwick 10**.

Warriors Denied Premiership Points & Silverware - Courageous fullback Matthew Christensen was a bright light in the 'Stillwater Pastoral Company' top grade Warriors' disappointing 22 - 12 loss to the Warwick Cowboys.

The Cowboys success saw them regain the prestigious Basil Nolan Jnr Memorial Shield won last year by Wattles.

It only took until the sixth minute for Wattles to collect a classy try, it's beginning from a kick by five-eight Tom Morris, chased down by half back Brayden Paix who offloaded to team skipper and back rower Ty Gardner at the try line to score.

The Warriors clung to their 6 - 0 lead until the 22-minute mark when Cowboys fullback sensation Nick Chapman scored.

Warwick hit back in force touching down on three occasions including the Chapman effort to lead 14 - 6 eight minutes prior to half time.

Hooker Zac Stevens crossed from dummy-half to have Wattles trailing 12 - 14, but Warwick responded to lead 18 - 12 at half time.

Despite some spirited advice at the break from coach Travis Burns,

his Warriors were unable to bother the scoreboard attendant in the second half.

Both sides gave no quarter in the final forty minutes, but a try midway through the half saw the Cowboys take their winning 22 - 12 lead.

Warwick 22 defeated **Wattles 12** (Ty Gardner, Zac Stevens tries; Brayden Paix 2 goals).

Christensen in Clydesdales - The Toowoomba Rugby League goes into representative recess this weekend as the Toowoomba Clydesdales head to Emerald for the annual QRL Central Division Championships, the 47th Battalion Trophy Carnival.

Opposing team captains Ty Gardner (Wattles) and Ben Sullivan (Warwick) with the prestigious Basil Nolan Jnr Memorial Shield.

Wattles fullback Matt Christensen is the sole green and gold rep in the 2023 Clydesdales squad.

The Warriors next take the field on Sunday May 7th at Platz Oval for TRL Round 4 fixtures against the Pittsworth Danes.
