Allora Police Report

THEFT AT MILLSTONE GROUP ALLORA - Between 5pm Sunday 3rd and 7am Monday 4th September persons entered onto the grounds of Millstone Group located at 22 South Street Allora removing batteries from the company's delivery truck, further taking a quantity of fuel (Diesel) from the storage tank on site.

Police Investigations into this theft have now identified that offenders entered the site on Sunday 3rd at 4.17pm. The offenders being a male and female and another unidentified driver of a Toyota Hilux have stolen the fuel and batteries before decamping the scene. The offenders have been identified by CCTV

from the business which was crucial in assisting with the identification of the vehicle of interest leading to the identity of the offenders being discovered.

CAUGHT SPEEDING

- On Saturday 19th August at 10.45pm Police from Warwick detected a 23 year-old Rangeville man travelling at 180km/h in the 100km/h zone on the Warwick Allora Road heading towards Allora. The male was intercepted and issued a \$1286 on the spot infringement notice. Further his licence was suspended for 6 months. Queensland Police are always reminding people of the 'Fatal Five' and the fact that speeding is a major factor in serious and fatal traffic crashes. Please drive to the conditions and stay safe when on our roadways.

Free Water Saving Devices

Southern Downs
REGIONAL COUNCIL

Southern Downs Regional Council is offering free water efficient showerheads and sprinklers through its residential water saving device exchange program to help the community continue to reduce water consumption and be waterwise.

Director of Environment and Planning Scott Riley said the program is a timely reminder to residents connected to the reticulated network to not become complacent about the importance of sustainable water saving practices.

"Approximately 40% of household water is used outdoors and showers account for around 34% of household water usage, so it's good practice to swap old showerheads and sprinklers for our free water saving devices.

"Council's residential water device exchange program is a win-win for ratepayers and the region because it helps us all manage the region's water supply."

IT'S SO EASY TO SWAP -

- Make sure you are eligible for this program by checking that your property is connected to the reticulated network.
- Complete the showerhead or sprinkler exchange form at www.sdrq.qld.gov.au/living-here/environment-water-waste/water-wastewater/water-wastewater-services/water-device-exchange-program/showers-exchange-program (or direct download link - www.sdrq.qld.gov.au/ArticleDocuments/575/Showers%20Exchange%20Application.pdf)
- Take your old showerhead or sprinkler and completed form to the Warwick Community Services Centre where Council will replace it for FREE.

Warning To Rural Property Owners

Between August 21 and September 4 on the Texas Yelarbon Road at Glenarban, four separate rural properties were broken into at various times.

Property stolen include a STIHL chainsaw, GME handheld radios, 100 litres diesel fuel, STIHL whipper snipper, HIKOKI grinder, drill, rattlegun, KINCHROME socket set.

Inquiries are continuing and anyone with information is asked to contact police.

Police are reminding residents to ensure valuables

are locked away, make notes of serial numbers or mark property with an identifying mark so they are easier for police to identify.

Remember, the sooner police are aware an incident has occurred, the more quickly they can link events, gather evidence and identify offenders.

If you have information for police, contact Policelink by providing information using the online suspicious activity form 24hrs per day at www.police.qld.gov.au/reporting or call 131 444.

Share the Dignity Vending Machine now at Warwick

Photo credit - SDRC

Southern Downs Regional Council has joined the movement to help vulnerable women and girls avoid period poverty by partnering with Share the Dignity to install a Dignity Vending Machine at the Warwick Library.

Share the Dignity is an Australian women's charity that works to make a real difference to the lives of those experiencing homelessness or fleeing domestic violence by dispensing free and hygienic period products at safe locations.

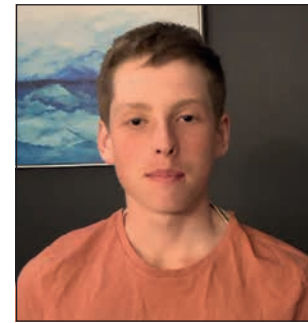

The new Dignity Vending Machine is located outside the female toilets at the Warwick Library and dispenses free #PinkBox

Period Packs, containing six tampons and two pads.

About Share the Dignity Share the Dignity assists those in need by collecting hundreds of thousands of period products each year through collection drives and campaigns. Those wanting to support Share the Dignity in providing these Dignity Vending Machines can do so in many different ways. Organisations can Sponsor a Dignity Vending Machine or people can hold a Birthday Fundraiser, swapping gifts for donations to fund the Period Packs.

William Morris Selected By UQ For STEM Camp

William Morris.

William, an Allora local has been given the opportunity to participate in the "QU inspire U" STEM camp for young Indigenous Australians. (STEM meaning science, technology, engineering and maths).

The camp five day camp at the University of Queensland allows participants from years 10 to 12 to come together and explore potential study options in the field of STEM, and gain practical insights into a range of disciplines.

A proud Wiradjuri man, William was selected by first showing interest in the camp. He did this through attending a UQ solar

farm tour in which staff from UQ and the InspireU program were present. After this he submitted an application for the camp and following a competitive national administered selection process, he was one of few to be accepted. William also had to show that he excelled academically in STEM subjects done at school of which he has.

The program will include a range of activities such as exploring the UQ campus, taking part in practical hands-on STEM related activities, engaging in sessions to further understand humanities and social sciences and getting the chance to meet other people at a similar age with similar interests.

William has a big future ahead. He wishes to pursue a career within STEM and is considering a career in either IT or Computer Science. With his current grades he will be accepted into his preferred tertiary pathway. William associates this with home environment including loving his supportive Allora community in which he lives.

Invitation From Allora's QCWA President

Queensland Country Women's Association

The QCWA - Country Women's Association - Chicks with Attitude or Chin Wagers Association - is alive and kicking and looking forward to meeting you.

We all need friends and I'm reaching out to our newer residents to come and join us. You never know

what you might learn or we might learn from you.

We have craft on Monday mornings with lots of old fashioned chatting face to face and copious quantities of tea and/or coffee to share.

We're always after new ideas.

Our CWA Meeting is the 3rd Tuesday of the month with the next one on September 19th at 10am.

Hope to see you there, if not sooner, at 51 Warwick Street, Allora.

Save The Date - Saturday November 4

This is one golf day you won't want to miss!

The Allora Clifton Anglican Parish is planning its inaugural major fundraiser for 2023 - and it's taking the form of a golf day.

To continue the Parish's role of serving within the community fund-raising is vital to sustain its financial responsibilities.

There's a call-out to

sponsors who can assist in many ways such as offering prizes for a golf competition, providing goods or services for a monster multi-draw raffle and of course organising a team for the day.

Hands Up All Those Who Went To The Elphinstone State School

Well, here's something that may interest you.

Over the past four or five years former Elphinstone State School students have discussed holding a reunion of some sort.

With 2023 being the Diamond Jubilee year of the school closing, a group of past pupils Ian Sobbe, Kerry Cranitch, Neville Wright and Tim Bourke have formed a committee that will organise the reunion.

Looking back at the School's history -

Elphinstone State School was first opened in May 1888 by Miss Kate Connolly in a barn owned by Mr Bourke of "Woody Camp".

The school was moved to its final location in 1919 on the corner of Dungannon Road and Cranitch Road.

The final school building, used from 1927 to 1963, had originally belonged to the first Goomburra School.

The school was shut in 1963, with students transferring to schools in Clifton, including the

then recently opened Clifton State High School.

The school building was moved to Allora, then to Talgai Homestead and then to the property of Sam Rodgers of Hendon.

Mr Sobbe said there have been preliminary discussions with the Education Department regarding erecting a sign in front of the old school site on the corner of Dungannon and Cranitch roads to memorialise the school.

The school's second last principal, Mr Peter Cullen is still alive and although he is unable to attend the reunion, he has written about his memories which will be read on the day.

Mr Sobbe said there are plans for boards to be in place for attendees to put up their old photos and any memorabilia. There will also be ample opportunity to share stories.

The reunion will be held at Rudd's Pub in Nobby on Saturday, 18 November from 10am.

Attendees are welcome to bring their partners.

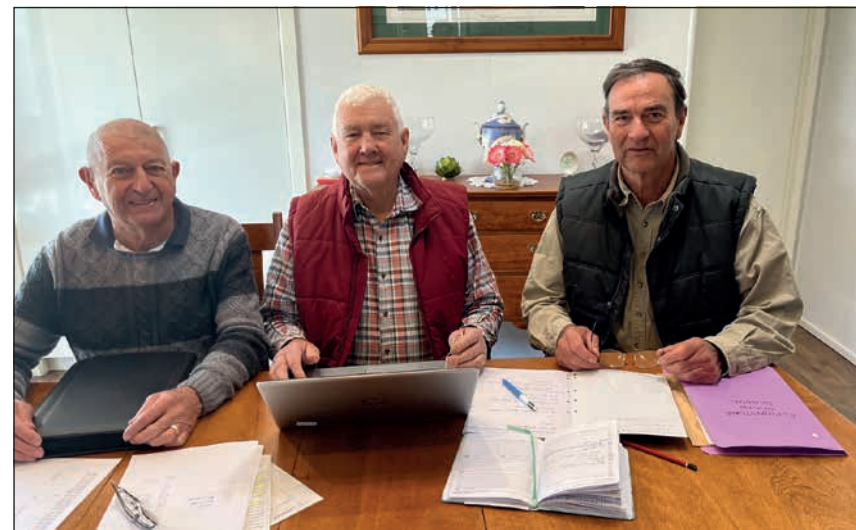

Lunch and beverages will be available for purchase individually.

For further information and to facilitate catering, please advise any of the organising committee if you'd like to attend.

Kerry Cranitch - 0427 663 450.
Neville Wright - 0499 207 489.

Tim Bourke - 0428 737 240. Ian Sobbe - 0448 274 045.

If anyone is aware of other past students, please pass on this information as the committee does not have current contact details for all past students.

Farming Systems Discussion Forum to share research findings

Grain growers across the region can expect to benefit from key insights such as most profitable crop and fertiliser choices, as the latest research into northern farming systems is released at next month's discussion forum at Pittsworth.

The Queensland Department Agriculture and Fisheries, NSW Department

of Primary Industries and CSIRO have come together with the Grains Research and Development Corporation (GRDC) to hold a forum at Pittsworth which will discuss the outcomes of an intensive 8-year research journey, delving deep into the intricacies of farming system options across the region.

Principal development extension officer at DAF Jayne Gentry said that the performance of farming

system options across the region will be the key point of discussion at the forum.

"Our research has compared crop intensity, crop choice, higher fertiliser rates, increased use of grain legumes, and pasture phases in northern farming systems.

"We're hoping to facilitate conversations that allow practical on-farm applications of the research outcomes across a range of areas," she says.

This free event will be held at Pittsworth Motor Inn, 51 Helens Street on Wednesday 4th October from 8.30am to 1pm.

Contact Jayne Gentry on 0428 459 138 or jayne.gentry@daf.qld.gov.au

Registration: The Discussion Forum is free of charge to attend. Interested participants should register in advance to secure their spot via the GRDC events page - <https://grdc.com.au/events>

Son of Spartacus heralds NIOA's next generation

The first bull calf by record sale-topping sire Yarrowonga Spartacus S316 (P) has arrived, heralding a new generation of champions for NIOA Santa Gertrudis.

The calf, out of Riverslea Holly (P), was born (Eds: Wednesday, August 30) at NIOA's Talgai Homestead-based stud at Allora.

Holly, purchased by NIOA from Riverslea Santa Gertrudis in 2014, is also the mother of NIOA Marksman, the 2018 Sydney Royal Easter Show Grand Champion.

Spartacus was introduced to the NIOA bull battery last November after NIOA paid a then Australian record breed price of \$250,000 at the Bassingthwaite

family's Yarrowonga Santa Gertrudis annual sale.

He is the grandson of 2014 Brisbane Ekka Grand Champion Yarrowonga Corvette H730 (P), described by the Wallumbilla stud as "without doubt, the best bull that Yarrowonga has produced".

NIOA Santa Gertrudis general manager Shannon Gardner said the son of Spartacus had all the credentials of his champion bloodlines.

"He's got quality written all over him," he said. "We have been focussed on developing genetic depth in our herd and have been very excited about what the Yarrowonga bloodlines would add to our breeding program."

NIOA Santa Gertrudis has welcomed the first bull calf by Yarrowonga Spartacus, the high-class sire (inset) NIOA acquired this time last year for an Australian breed record \$250,000.

"We put Spartacus with Holly for natural joining as she is an elite cow being the daughter of the legendary sire Riverslea Digger.

"We are thrilled with the result. This little fella has all the traits you want - softness, structure, skin type and temperament - and we look forward to witnessing his growth."

The Allora-Warwick area has deep historical links with the Santa Gertrudis breed in Australia.

It was where world-renowned King Ranch, Texas, USA set up its Australian headquarters at "Risdon" Warwick in 1952. The first sale of imported American bulls was held on November 14 that year.

Reserves - Top Effort on Making Preliminary Finals

Wattles Reserve Grade team.

Scheid, Dan Rub and Tim Duggan shining from the front.

Half back Michael Duggan put in his usual never say die effort while fullback Joey Willett was an ever-present danger in attack and safe as house under the high ball.

Sunday's big game saw the first stanza a tit for tat affair with three tries apiece for the Warriors and Diehards.

Warren Draper snared a touchdown after just four minutes to have Wattles ahead 6 – 0, but when quicksilver centre Brian-Adam Babington found room on Wattles left side to nail his side's first points, the scoreboard was locked at 6 – 6.

Clever footwork close to the Dalby try line resulted in Wattles second try by classy five-eight Josh Henry, to regain the lead 12 – 6.

The Diehards put the pedal to the metal though pocketing two four-pointers in the space of five minutes through their five-eight Kristian Bond and giant bench front-rower Tupou Lecavanavanua.

Dalby appeared to be going to enjoy an 18 – 12 advantage at half time, until Wattles vice-captain Tim Hentschel burst through

from five metres out with a minute to pass before the break, and level the ledger at 18 – 18.

The Diehards attacking game lifted to another level after the restart running in three touchdowns in eighteen minutes to race to a 34 – 18 lead pinning the Warriors on the back foot.

With fifteen minutes on the match clock team skipper Jordan Henry combined with brother Josh to send left side finisher Alex Morris over for a much needed try for Wattles to claw back to trail 22 – 34.

The Diehards numbers diminished by two for the final eight minutes of the

game after a player was sent off and another sin binned.

Wattles earned a final try with a minute remaining in the game when centre and Toowoomba Rugby League 2023 season top reserve grade try-scorer Braydon Wilson crossed for Wattles to reach their final total.

Dalby 34 defeated **Wattles 26** (Warren Draper, Josh Henry, Tim Hentschel, Alex Morris, Braydon Wilson tries; Joe Willett 3 goals).

The season will be celebrated to the utmost at Wattles Presentation Night and Banquet at Clifton's F.E. Logan Hall on Saturday October 14th from 5.30 pm.

BAD JOKE OF THE WEEK

“The Doctor said he would have me on my feet in two weeks”

“And did he?”

“Yes, I had to sell my car to pay the bill.”

Allora Bowls Notes

ROUND 2 - A mild spring night, no rain and everyone ready for another great night of bowls.

Results for the night – **RINK 1:** Gina’s Babies 13 d. Pig Lures 11; **RINK 2:** Do It Again 16 d. The Gecko’s 11; **RINK 3:** Peaky Blinders 24 d. Beer, Bowls & Bitches 12; **RINK 4:** Cool Cats 21 d. What A show 6; **RINK 5:** Thunder Thugs 14 d. Doesn’t Matter 13; **RINK**

6: Generation Gap 16 d. Stone Cutters 8; **RINK 7:** The Three Stooges 18 draw Phoenix Rising 18.

It was a roller coaster game on Rink 7 between The Three Stooges & Phoenix Rising resulting in a draw. Photo shows a tight cluster of bowls only 60cms from the ditch on Rink 7 with all bowls in play, that’s a great result for such a long end.

A tight cluster of bowls only 60cm from the ditch on Rink 7 with all bowls in play. That’s a great result for such a long end.

Rink 4 played lots of short ends testing their skills of slow speed. Kevin played skip for Doesn’t Matter for the first time ever and did a great job, I may be out of the team before I get back. Both teams on Rink 5 are all new players and enjoyed their games. Pop (Deb’s dad) played some games for Gen-

eration Gap, great to see seasoned players helping new players learn the game.

Touchers for chocolates were Maddie, Jackson, Ryan, Jimmy, Glen & Pop.

Lucky raffle winners were Glen H, Greg P, Denis, Dave S, Braydon, Tracey & Hethe.

Leanne’s number was drawn out for the Jackpot of \$50 but alas no luck for her, next week \$75.

Winners on the night

were Gina’s Babies and Losers – Beer, Bowls & Bitches.

Thank you to all our sponsors – Allora Butchery, Railway Hotel, Allora Sports Club, Right 1st Time Cleaning and The GreenKeeper.

There was much comment on the night about the condition of the green, thank you Moley for a job well done.
