Allora Heritage Weekend Draws The Crowds

This year's Heritage Weekend was another huge success with an impressive collection of vintage cars, trucks, historical tractors and machinery, stationary engines and motorcycles on show along with well supported swap meets. One of many highlights was the celebration of recognising 50 years of Versatile tractors sold and delivered in Australia. Congratulations to Graeme McMillan and his team of volunteers for their effort in bringing to Allora vehicle and machinery enthusiasts from around the nation for the enjoyment of everyone. Work To Commence On Allora Hall

The Contractor Allstruct Pty Ltd will commence remedial repair work to our Community Hall on Monday 26 February.

It's anticipated the work will take approximately two months with completion forecast for 30 April.

During this time it's expected the use of the footpath around the hall will be impacted to provide a safe work site for the contractor and the community.

More information on this matter will be provided as the start date approaches.

Drivers To Be Aware Of Road Conditions

Emergency services were called to two road crashes - one at Berat on Sunday morning and the second at Goomburra on Monday morning.

Three young males were travelling in a Nissan Navara dual cab utility which was involved in a crash on the Goomburra Road at Berat at 10.22am on Sunday.

A 23-years-old male from the Gold Coast was at the wheel when the utility left the road, struck a culvert and rolled.

A QLD Ambulance spokesperson said two male passengers, one in his teens, the other in his 20s, were assessed at the scene and transported in stable condition with suspected spinal injuries, to Warwick Hospital.

Warwick Highway Patrol is investigating the crash.

On Monday morning around 8.30am police, paramedics and two fire crews were sent to a crash on Inverramsay Road at Goomburra.

A vehicle driven by a 21-years-old Goomburra

man was involved.

He was the only occupant of the vehicle.

The man lost control after the vehicle rounded a bend in the road and struck an amount of soil and debris which was the result of heavy storms in the area the previous afternoon and evening.

The driver was taken to Warwick Hospital.

Senior Constable Ben Ogden of Allora has urged drivers to be aware of changing road conditions due to recent extreme weather events.

He said motorists need to be wary and drive to the conditions.

Sunday afternoon's downpour in the ranges to the east caused flash flooding which resulted in several roads being impacted.

The New England Highway near Glengallan was cut by Backwater Creek for some hours, while the culvert at Rosehill on the Allora-Warwick back road was also under water.

Police diverted traffic along Lindhurst Lane.

David Littleproud Re-Opens QCWA Rooms At Allora

Leader of the Nationals officially re-opened the QCWA Rooms by raising the Australian Flag.

Members and interested locals enjoyed a delicious morning tea and a chat about the renovations such as the toilet facilities and the outside ramp that are now wheelchair accessible.

Glass has been removed from the front verandah and the major job of painting has been completed by Marianne Lewis, Wingon Hu and

Jill McKay who all did a great job of painting the front of the building.

Thanks are also extended to Allora Hardware, Trevor Neal, Piston Pumps and Graham Anderson.

Following this extensive work that has been carried out on the interior and exterior of the building in Warwick Street, the CWA members can now resume their regular gatherings.

New members are most welcome on the third Tuesday at 10am for the Branch Meeting or each Monday for handcraft, chatting and of course the obligatory CWA cuppa.

Vic To Stand Again For Mayor

On Monday Vic Pennisi announced that he will seek re-election as Mayor of the Southern Downs. After serving one full term as Mayor, Pennisi is again throwing his hat into the ring.

In 2020 Vic Pennisi stood against the Mayor at that time, Tracy Dobie and won 44.28% of the votes for the Mayoral position.

Last election he stood on a platform of change and listening. About connecting with the community and respecting their views and he says:

"During this term as Mayor I have led our community through droughts, fires and pandemics, and delivered real growth at the same time". "We have achieved so much, but there is still more to do and I have the commitment and the energy to continue to contribute".

Smaller communities will want to see what benefits Vic will bring to their lifestyle and amenities. Hopefully

more focus will be placed on the importance of these centres like Allora.

This election may be different this time as interest has been shown with other nominations expected for the position of Mayor.

Nominations for Council positions will close at 12 noon Tuesday 13 February.

The Local Council elections will be held on Saturday 16 March 2024.

Vic Pennisi.

Allora Features In Stone Sculpture Trail

Palorchestes carved into the back of the sandstone chair.

Southern Downs Regional Council is inviting visitors and locals to explore the region's rich arts scene which includes the region's most loved sculptures carved by local and international sculptors.

Take a day trip starting at Allora for a meal and enjoy the friendly hospitality. Proudly displayed at Allora are two sculptures.

In Herbert Street stop off at PL Travers Park and check out the Mary Poppins monument, then take a stroll down to Dalrymple Park where there's an amazing fossil image of a Palorchestes carved into the back of a Sandstone Chair.

Travelling on from Allora it's worth the trip to Goomburra, Killarney, Tannymorel, Emu Vale, Freestone, Leyburn, Leslie Dam, Warwick, Dalveen and Stanthorpe.

Most of the sandstone, granite and marble works featured in the trail were created at the Southern Downs Sculpture Symposiums in 2006,

2008 and 2010 using locally sourced materials, but some have esteemed historical roots, such as the heritage listed T J Byrnes Monument which was carved in Italy and placed in the centre of Warwick in 1902.

The Southern Downs Regional Council can provide details on the location of these sculptures. Phone 1300 697 372 or download the Council's official Southern Downs & Granite Belt Visitor App.

Allora Garden Circle

You could almost hear the Gardeners say - "Grow something green" and presto down came the rain.

Now everything is green. There's lots of growth to plants and lawns, bringing joy to garden lovers.

The Allora Garden Circle is loving the rain so the next afternoon tea will take place from 2pm at 1 Drayton Street - set amongst the greenery of Allora Mountain, the Golf Course and Dalrymple Creek. There'll be time to share hopes and plans for the year.

After such a summer the gardens will be ready for visitors. Like to know more? Phone Jane on 4666 3868 or Sandra 0409 542 692.

Allora Bowls 90th Anniversary

L-R Steve Bolzan, Lynne Patterson, Greg Patterson, Heather Bolzan (nee Patterson) & Rebecca Bolzan

L-R Cutting of the Cake Heather Slatter, Leonie Sinton, Kay Bloomfield and Lynne Patterson.

Congratulations Patto! Not many bowlers can have a Bowls Green named after them but not many Bowls

Greens have a stalwart like Greg Patterson. Last Tuesday the Allora Bowls Club celebrated its

90th Anniversary with many locals enjoying the hospitality of the Sports Club. During the celebrations a presentation was made to a very surprised and deserving Greg "Patto" Patterson for the dedication and work he has put into the Tuesday night Social Bowls. Greg started night

bowls 15 years ago when the Allora Bowls Club nearly disbanded and it is now a great night for many people with 14 teams or 42 players enjoying the game. It was also very special to have Leona Sinton, Heather Slatter, Kay Bloomfield and Lynn Patterson on hand to cut the beautifully decorated anniversary cake. These people have been members of the club for a very long time and it was wonderful to welcome them back.
